Reading this archive

Recordings appear in playlist order and retain their source titles. The contents and PDF bookmarks link to each recording. Timestamp labels link to the corresponding position in the original YouTube source.

Machine transcription; not human reviewed. Recognition errors and omissions may occur, especially for quiet or overlapping speech. Time labels are approximate. Consult the source recording when an exact quotation matters.

An 'Uncertain recognition' label marks speech flagged by the recognition system. Timed 'Unreliable audio transcription' markers identify intervals where speech could not be reliably recognized. Suppressed decoder candidates are omitted, rather than presented as spoken words.

Every listed entry has a chapter and a completed transcript. Recognition uncertainty is explicitly marked; no omitted speech is reconstructed. Playlist metadata and transcripts describe the archive at the time this document was built.

[00:00:00 - 00:00:22] it's a bit cold out here but uh that's yeah your father northern us your father northern us so

[00:00:22 - 00:00:28] it's gonna be cold it's got like almost winter up there um no no it's not it's not uh it's not that

[00:00:30 - 00:00:32] during the day you can still walk in your t-shirt and shit.

[00:00:34 - 00:00:34] [Uncertain recognition] Oh, no shit?

[00:00:35 - 00:00:35] [Uncertain recognition] Yeah.

[00:00:35 - 00:00:36] [Uncertain recognition] So what are you looking at?

[00:00:36 - 00:00:37] Looks like 70s.

[00:00:38 - 00:00:40] [Uncertain recognition] So just a lot of crap,

[00:00:40 - 00:00:42] a lot of trying to get a job done that's...

[00:00:42 - 00:00:43] I hate Mac drives.

[00:00:43 - 00:00:44] I hate them.

[00:00:44 - 00:00:45] [Uncertain recognition] Why?

[00:00:45 - 00:00:48] This one's got a lot of bad sectors, so...

[00:00:48 - 00:00:50] Ah, so what do you have to do all day

[00:00:50 - 00:00:52] [Uncertain recognition] besides running the programs?

[00:00:53 - 00:00:55] Well, I'm going to school, too, online.

[00:00:55 - 00:00:55] [Uncertain recognition] Oh, yeah.

[00:00:55 - 00:00:56] [Uncertain recognition] How's that working out for you?

[00:00:58 - 00:00:59] [Uncertain recognition] That's going to work out real well.

[00:01:00 - 00:01:04] or are you going to be the businessman, the big businessman, Donald Prant?

[00:01:05 - 00:01:06] I should have done this a long time ago.

[00:01:07 - 00:01:08] Okay.

[00:01:08 - 00:01:11] I would suggest anybody going to school, they should go to school for business.

[00:01:12 - 00:01:12] Why?

[00:01:12 - 00:01:14] Business is a minor.

[00:01:15 - 00:01:16] Why is that a minor?

[00:01:16 - 00:01:18] And by the way, you talk really good English.

[00:01:18 - 00:01:19] I cannot believe you're from the Netherlands.

[00:01:20 - 00:01:21] I think you're from, like, Canada.

[00:01:22 - 00:01:23] [Uncertain recognition] I'm Canadian.

[00:01:23 - 00:01:26] [Uncertain recognition] Well, my head doesn't move really weird when I talk, though.

[00:01:27 - 00:01:27] [Uncertain recognition] Say what?

[00:01:28 - 00:01:29] [Uncertain recognition] Nah, never mind.

[00:01:30 - 00:01:32] Yeah, it does move really weird, all the Canadians.

[00:01:32 - 00:01:33] [Uncertain recognition] Yeah, exactly.

[00:01:37 - 00:01:39] So why have you been working since 4 in the morning, man?

[00:01:40 - 00:01:42] Because I've got a lot to do.

[00:01:42 - 00:01:47] And this job and this one drive is just giving me a big pain in the butt.

[00:01:47 - 00:01:54] Right now I'm spinning through it with the program and locating files

[00:01:54 - 00:01:57] and bumping into a hell of a lot of bad sectors.

[00:02:00 - 00:02:03] And you've got to answer, when you're doing data recovery, you've got to answer questions.

[00:02:04 - 00:02:08] Certain software gives you certain questions, certain parameters.

[00:02:08 - 00:02:10] You've got to fix certain crap, certain headers.

[00:02:11 - 00:02:11] [Uncertain recognition] It's just crazy.

[00:02:12 - 00:02:14] That's why all my partners quit.

[00:02:15 - 00:02:17] And that's why it takes a special person to be able to do this.

[00:02:19 - 00:02:22] But I would like to have a shop over there.

[00:02:22 - 00:02:25] So Switzerland and Amsterdam.

[00:02:26 - 00:02:27] [Uncertain recognition] Switzerland and Amsterdam.

[00:02:27 - 00:02:27] [Uncertain recognition] Why Switzerland?

[00:02:30 - 00:02:31] Switzerland.

[00:02:31 - 00:02:33] But to Amsterdam, what the hell?

[00:02:33 - 00:02:34] I mean, geez.

[00:02:34 - 00:02:35] [Uncertain recognition] Come on.

[00:02:35 - 00:02:36] [Uncertain recognition] Yeah.

[00:02:36 - 00:02:37] [Uncertain recognition] You've got the coffee shops there, huh?

[00:02:37 - 00:02:38] Yeah.

[00:02:38 - 00:02:41] They could go over there, it'd be business and it'd be pleasure.

[00:02:41 - 00:02:48] So as long as you do half a day in business, the rest of the day is, I mean, the whole trip

[00:02:48 - 00:02:49] is a write-off.

[00:02:49 - 00:02:50] [Uncertain recognition] Yeah.

[00:02:50 - 00:02:52] Well, you have to leave that.

[00:02:52 - 00:02:57] Actually, you've got to spend the money, so that money isn't counted.

[00:03:00 - 00:03:02] towards taxes. You're not taxed

[00:03:02 - 00:03:03] on that money that you've spent.

[00:03:05 - 00:03:05] [Uncertain recognition] So in other words,

[00:03:06 - 00:03:08] that's taken off of the top

[00:03:08 - 00:03:09] of what's taxable.

[00:03:11 - 00:03:12] [Uncertain recognition] Well, that sounds pretty good,

[00:03:12 - 00:03:12] [Uncertain recognition] actually.

[00:03:13 - 00:03:16] Well, actually, you had to spend it

[00:03:16 - 00:03:17] so, you know,

[00:03:18 - 00:03:20] it's not like you're getting a credit for it

[00:03:20 - 00:03:21] or anything, or you're getting it back.

[00:03:22 - 00:03:24] But it's

[00:03:24 - 00:03:26] well worth spent. It's well worth spent,

[00:03:26 - 00:03:27] you know? Yeah, that's true.

[00:03:28 - 00:03:28] [Uncertain recognition] But what do you...

[00:03:30 - 00:03:31] What do you want us to do again?

[00:03:31 - 00:03:35] Because you told Koon something, track something, or whatever.

[00:03:35 - 00:03:36] Oh, yeah.

[00:03:36 - 00:03:42] I want you to find out about Tycoons, Chris Santos, if there's a connection there.

[00:03:43 - 00:03:44] [Uncertain recognition] Uh-huh.

[00:03:44 - 00:03:45] You've got some links.

[00:03:45 - 00:03:46] An Epic Video Compiler.

[00:03:46 - 00:03:48] See, Epic Video Compiler started this.

[00:03:49 - 00:03:51] An Epic Video Compiler knows Chris Santos.

[00:03:51 - 00:03:56] Now, whether Chris Santos knows Tycoons, that's the key.

[00:04:00 - 00:04:00] properties

[00:04:00 - 00:04:04] and he was a former

[00:04:04 - 00:04:04] partner

[00:04:04 - 00:04:07] because

[00:04:07 - 00:04:10] Kai Koons probably

[00:04:10 - 00:04:11] bitched about me

[00:04:11 - 00:04:13] and Chris Santos

[00:04:13 - 00:04:15] I'm envisioning Chris Santos

[00:04:15 - 00:04:16] think about it

[00:04:16 - 00:04:18] you got a maniacal

[00:04:18 - 00:04:18] remember

[00:04:18 - 00:04:20] not everybody has got

[00:04:20 - 00:04:22] this fucking shame

[00:04:22 - 00:04:24] and this Kai W. Koons

[00:04:24 - 00:04:25] go check him out

[00:04:25 - 00:04:26] so somebody actually

[00:04:26 - 00:04:27] took the

[00:04:27 - 00:04:28] wait

[00:04:28 - 00:04:29] [Uncertain recognition] where do I check him out

[00:04:30 - 00:04:32] Kai W Coons

[00:04:32 - 00:04:34] K-A-I-W

[00:04:34 - 00:04:35] [Uncertain recognition] Coons

[00:04:35 - 00:04:37] [Uncertain recognition] Do a Google on him

[00:04:37 - 00:04:38] [Uncertain recognition] And you'll see

[00:04:38 - 00:04:42] [Uncertain recognition] K-U-N-Z

[00:04:42 - 00:04:43] [Uncertain recognition] K-U-N-Z

[00:04:45 - 00:04:47] Kai W

[00:04:47 - 00:04:50] [Uncertain recognition] Yeah

[00:04:50 - 00:04:51] Kai Coons

[00:04:51 - 00:04:53] One to three people

[00:04:53 - 00:04:55] Wait, it's Facebook

[00:07:00 - 00:07:00] You know something?

[00:07:07 - 00:07:08] Give me an email address.

[00:07:08 - 00:07:08] I don't care.

[00:07:08 - 00:07:09] Any email address.

[00:07:14 - 00:07:15] Say what?

[00:07:15 - 00:07:19] W-N-X-Duck.

[00:07:19 - 00:07:20] [Uncertain recognition] Like you duck.

[00:07:20 - 00:07:21] [Uncertain recognition] I'm ducking.

[00:07:21 - 00:07:21] [Uncertain recognition] Yep.

[00:07:22 - 00:07:23] At gmail.com.

[00:07:25 - 00:07:26] WNXDuck at gmail.

[00:07:27 - 00:07:27] I'll send it right now.

[00:07:28 - 00:07:29] You can take a look right now.

[00:07:30 - 00:07:33] [Uncertain recognition] All right, I'll load up my Gmail account.

[00:07:35 - 00:07:36] [Uncertain recognition] PureNudism.com.

[00:07:37 - 00:07:37] [Uncertain recognition] That's not you.

[00:07:38 - 00:07:40] Now, everybody thinks...

[00:07:40 - 00:07:45] Now, everybody and their brother thinks that I shouldn't be talking to you guys.

[00:07:45 - 00:07:50] And technically speaking, technically speaking, everybody's going to be proven wrong.

[00:07:51 - 00:07:52] Because if anybody can...

[00:07:52 - 00:07:58] As far as I can tell, of all the shitheads out there, in the prayer calling world,

[00:08:00 - 00:08:02] You guys appear to be the only guys that can get something done.

[00:08:03 - 00:08:04] Well, it's not really...

[00:08:04 - 00:08:06] We know just about all those people there.

[00:08:06 - 00:08:07] That doesn't matter.

[00:08:08 - 00:08:11] But we also have, like, yeah, sense of...

[00:08:11 - 00:08:13] Some of the people are just ruining it.

[00:08:14 - 00:08:18] Like, they're actually only being rude and just scolding everybody.

[00:08:19 - 00:08:20] And that's not really the way to go, man.

[00:08:20 - 00:08:23] You have to make fun of people and not really ruin them.

[00:08:24 - 00:08:26] [Uncertain recognition] Okay, let me see.

[00:08:26 - 00:08:27] Stay fun.

[00:08:30 - 00:08:32] You didn't send it yet, or what?

[00:08:33 - 00:08:35] No, no, no. I'm looking for it.

[00:08:35 - 00:08:37] I sent out a lot of crap.

[00:08:38 - 00:08:39] [Uncertain recognition] There's Cheater X.

[00:08:40 - 00:08:42] [Uncertain recognition] Oh, you can have a real email

[00:08:42 - 00:08:43] [Uncertain recognition] if you have MSN or whatever.

[00:08:45 - 00:08:46] Yeah, I got MSN.

[00:08:46 - 00:08:46] Oh, yeah.

[00:08:47 - 00:08:50] Well, it's a really hard one

[00:08:50 - 00:08:51] [Uncertain recognition] to pronounce in English.

[00:08:53 - 00:08:55] Can you get on Skype?

[00:08:57 - 00:08:58] Yeah.

[00:09:00 - 00:09:03] What, Skype?

[00:09:03 - 00:09:04] Yeah, I can go Skype.

[00:09:04 - 00:09:05] I can chat.

[00:09:05 - 00:09:06] Oh, more information.

[00:09:06 - 00:09:09] Here's more information connecting the dots.

[00:09:09 - 00:09:09] Okay.

[00:09:10 - 00:09:10] Okay.

[00:09:11 - 00:09:12] So here we go.

[00:09:13 - 00:09:14] So here we go.

[00:09:14 - 00:09:15] I found it.

[00:09:15 - 00:09:16] I'll just send it to that one.

[00:09:16 - 00:09:16] That's just fine.

[00:09:17 - 00:09:17] [Uncertain recognition] Okay.

[00:09:21 - 00:09:25] What time is it?

[00:09:25 - 00:09:26] It's about 1 o'clock over there.

[00:09:26 - 00:09:27] No, man.

[00:09:27 - 00:09:27] No, it's 10.

[00:09:27 - 00:09:28] It's about 10.

[00:09:30 - 00:09:41] I got a shitload of e-mails here, spam e-mails on Instacom.

[00:09:41 - 00:09:47] Okay, there's people connected to Docs. I removed who I sent this to, because I sent it to the cops.

[00:09:47 - 00:09:50] [Uncertain recognition] So, I'll just send it to the computer.

[00:09:50 - 00:09:59] [Uncertain recognition] Now, you'll see, you'll see, you'll see. You'll see everything in there. Okay.

[00:10:00 - 00:10:09] [Uncertain recognition] okay

[00:10:09 - 00:10:12] did you send it

[00:10:12 - 00:10:16] sending it right now

[00:10:16 - 00:10:20] oh okay great

[00:10:20 - 00:10:22] I forgot to put the recipient in that's you

[00:10:22 - 00:10:23] [Uncertain recognition] okay

[00:10:23 - 00:10:27] [Uncertain recognition] WNXDUCK

[00:10:30 - 00:10:34] [Uncertain recognition] gmail.com

[00:10:34 - 00:10:38] [Uncertain recognition] send

[00:10:38 - 00:10:42] [Uncertain recognition] out

[00:10:42 - 00:10:44] [Uncertain recognition] send all

[00:10:44 - 00:10:46] [Uncertain recognition] great, it's going out

[00:10:46 - 00:10:48] just went out

[00:10:48 - 00:10:50] let me just check my

[00:10:50 - 00:10:52] it's got embedded pictures in it

[00:10:54 - 00:10:56] [Uncertain recognition] ok

[00:10:56 - 00:10:58] well I have to

[00:11:00 - 00:11:22] WNXDUCK at gmail.com

[00:11:30 - 00:11:32] D-U-C-K at gmail.com.

[00:11:33 - 00:11:33] Yeah.

[00:11:34 - 00:11:36] Then you should be getting it.

[00:11:36 - 00:11:39] But then again, Gmail, it doesn't necessarily always, you know,

[00:11:39 - 00:11:43] they've got a lot of shit in queue, and they scan their shit.

[00:11:43 - 00:11:48] So I've noticed that not everything always comes quickly with any of the live,

[00:11:48 - 00:11:54] Yahoo, Gmail, Hotmail, Mail.com, it don't matter.

[00:11:55 - 00:11:58] [Uncertain recognition] Mail.com, why don't we use that for some stuff?

[00:12:00 - 00:12:02] We use that for some stuff.

[00:12:03 - 00:12:04] Oh yeah, no doubt.

[00:12:07 - 00:12:10] That's a definitely disposable kind of email address.

[00:12:12 - 00:12:16] Yeah, and it's at USA.com, so it sounds really official.

[00:12:17 - 00:12:23] So, do you guys care about your futures?

[00:12:24 - 00:12:26] Yeah, we're working on our futures.

[00:12:26 - 00:12:28] Right now I'm studying application programming.

[00:12:30 - 00:12:48] Yeah, I know that. But what I'm saying is, is remember this, and I can absolutely tell you 100% it's true, that what we do when we're your age can come back to haunt us down the fucking road.

[00:13:00 - 00:13:05] Remember, negative energy you put out into the universe, it comes back.

[00:13:06 - 00:13:07] There's a saying in this country.

[00:13:08 - 00:13:11] Oh, actually, there's a religious saying in this country.

[00:13:11 - 00:13:16] It's do unto others as you would want them to do unto you.

[00:13:17 - 00:13:20] Now, let's update that to the 20th century.

[00:13:21 - 00:13:22] Wait, wait, wait, wait.

[00:13:22 - 00:13:24] We got a saying like that in the Dutch.

[00:13:30 - 00:13:31] the water. Like, don't do shit

[00:13:31 - 00:13:33] to other people that you don't want happening

[00:13:33 - 00:13:34] to you.

[00:13:36 - 00:13:37] Yeah, well, now we have,

[00:13:38 - 00:13:39] yeah, it's similar to what

[00:13:39 - 00:13:42] we say today. It's what goes around

[00:13:42 - 00:13:43] comes around.

[00:13:45 - 00:13:48] It's amazing that you guys speak the English

[00:13:48 - 00:13:48] you do.

[00:13:49 - 00:13:50] [Uncertain recognition] Huh?

[00:13:50 - 00:13:51] [Uncertain recognition] That's not always true, though.

[00:13:52 - 00:13:54] No, it is always true,

[00:13:54 - 00:13:55] but listen to this.

[00:01:00 - 00:01:05] Yeah, I'm a little lost when it comes to Netherlands, Scandinavians.

[00:01:05 - 00:01:10] We're next to Germany and Belgium and across the sea from England.

[00:01:10 - 00:01:11] [Uncertain recognition] Yeah.

[00:01:11 - 00:01:12] Well, you know something?

[00:01:12 - 00:01:19] If I had been smarter when I was younger, I was 17 when I went to Germany.

[00:01:19 - 00:01:21] And all I did, I never traveled.

[00:01:21 - 00:01:25] I couldn't, I can't believe I didn't realize that.

[00:01:25 - 00:01:27] [Uncertain recognition] Who the hell is this?

[00:01:27 - 00:01:28] Hey, hold on for a second.

[00:01:28 - 00:01:29] I've got an incoming.

[00:01:29 - 00:01:30] [Uncertain recognition] Yep.

[00:01:30 - 00:01:30] [Uncertain recognition] Get a recovery.

[00:01:32 - 00:01:33] Yeah, boys.

[00:02:00 - 00:02:29] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:02:30 - 00:02:57] Hello? Hello? Hello? Hello? Hello? Yeah. Oh, you got me a speaker phone?

[00:03:00 - 00:03:01] Downstairs. Well, not chips.

[00:03:01 - 00:03:03] Well, chips, yeah, potato chips.

[00:03:03 - 00:03:04] Yep, yep, yep.

[00:03:05 - 00:03:07] Anyway, yeah, I'll be looking forward to getting...

[00:03:07 - 00:03:09] You guys can show me around when I come over there for vacation.

[00:03:10 - 00:03:11] Yeah, man, well, that will take a while.

[00:03:13 - 00:03:14] That's going to be next year.

[00:03:16 - 00:03:20] Oh, by the way, did Kun tell you that there's a reward up?

[00:03:21 - 00:03:21] What?

[00:03:21 - 00:03:22] A big reward?

[00:03:23 - 00:03:27] Oh, if somebody can point me in the direction of an investor,

[00:03:30 - 00:03:40] receive 120,000 US dollars and I don't kill somebody that will invest in that

[00:03:40 - 00:03:51] boys oh yeah got a business plan sure do PowerPoint presentation sure do learn to

[00:03:51 - 00:03:57] put one together myself and it's very good very good

[00:04:00 - 00:04:03] By the way, that's the first time around.

[00:04:03 - 00:04:04] That's when the money hits the bank.

[00:04:05 - 00:04:06] [Uncertain recognition] Guess what?

[00:04:06 - 00:04:10] Three years down the road, as we're hitting our business plan marks,

[00:04:11 - 00:04:17] three years on the day of the third year that we hit our business plan marks,

[00:04:18 - 00:04:20] that person that pointed us towards the money,

[00:04:22 - 00:04:26] and we're going to be doing very well in three years, guaranteed,

[00:04:30 - 00:04:36] $90,000. We pay the taxes. How did I come up with those numbers? Based on the amount

[00:04:36 - 00:04:45] of money that the business is going to be doing. $190,000. In three years, if we do this right,

[00:04:45 - 00:04:53] if I do this right, with who I know out there in the real world, this should be a $30 million

[00:05:00 - 00:05:04] and getting it to $30 million, $190,000, yeah.

[00:05:04 - 00:05:08] Well, the initial amount is what actually confuses me.

[00:05:08 - 00:05:09] [Uncertain recognition] Say what?

[00:05:09 - 00:05:12] [Uncertain recognition] The initial amount, because how much money...

[00:05:12 - 00:05:13] Okay, don't breathe into your mouth, please.

[00:05:16 - 00:05:17] I'm hearing a lot of wind.

[00:05:18 - 00:05:19] [Uncertain recognition] What?

[00:05:22 - 00:05:22] [Uncertain recognition] Hello?

[00:05:24 - 00:05:24] [Uncertain recognition] One more one.

[00:05:24 - 00:05:25] I can barely hear you.

[00:05:27 - 00:05:27] [Uncertain recognition] One more one.

[00:05:30 - 00:05:34] Okay. Let me just put you on a headset here. Talk's easier.

[00:05:44 - 00:05:47] So, I'm not done yet. That's after three years.

[00:05:48 - 00:05:52] If we hit our marks every year for five years, the sixth year,

[00:05:53 - 00:05:59] I will give that person, out of my money, five million U.S. dollars.

[00:06:00 - 00:06:09] How are you going to pay the initial amount to the people?

[00:06:09 - 00:06:12] The initial amount, the minute the money hits the bank,

[00:06:13 - 00:06:15] that day that the money hits the bank,

[00:06:16 - 00:06:19] first the investor will know that we will have professional finder's fees,

[00:06:20 - 00:06:22] who have professional fees that need to be paid.

[00:06:24 - 00:06:28] And I've already talked to a well-known CPA in the Boston area,

[00:06:30 - 00:06:35] that $120,000 would be outside the bounds of propriety.

[00:06:35 - 00:06:38] Typically speaking, it's a little bit higher.

[00:06:38 - 00:06:45] It's about 3% of what a business broker would get over here.

[00:06:45 - 00:06:47] 3% is what they get.

[00:06:47 - 00:06:49] So I figure 3% is fair.

[00:06:50 - 00:06:56] But see, a broker over here, when they get the $120,000, they have to pay taxes on that.

[00:06:57 - 00:06:59] You know what the taxes are on the $120,000 over here?

[00:07:00 - 00:07:02] Um, it's about, it's about, huh?

[00:07:03 - 00:07:05] 60%, 55%.

[00:07:05 - 00:07:07] Wow, man, you really think it would be that high?

[00:07:07 - 00:07:09] It must be high in your country.

[00:07:09 - 00:07:10] No, it wouldn't be that high.

[00:07:12 - 00:07:13] Yeah, it's too fucking high.

[00:07:14 - 00:07:15] But you know something?

[00:07:15 - 00:07:21] Um, you know, there's some pros and some cons to everything.

[00:07:21 - 00:07:22] I don't know.

[00:07:22 - 00:07:27] I personally would prefer to have most of my money

[00:07:30 - 00:07:31] that are getting fucking filthy rich

[00:07:31 - 00:07:35] off of getting most of everybody's money over there.

[00:07:38 - 00:07:39] I'd have to move.

[00:07:39 - 00:07:39] But you see what I'm saying?

[00:07:40 - 00:07:41] No, it's about 50%.

[00:07:41 - 00:07:44] Well, technically speaking, if it's in a corporation,

[00:07:45 - 00:07:47] it runs at about, from what I understand, around 30%.

[00:07:47 - 00:07:54] 30% if it's part of the corporate taxes at the end of the year.

[00:07:54 - 00:07:55] It's about 30%.

[00:08:00 - 00:08:05] I mean $120,000, that's like, well, what's 30% on $120,000?

[00:08:05 - 00:08:08] That's $30,000, about $38,000.

[00:08:08 - 00:08:13] So that's like getting $160,000 or $160,000.

[00:08:14 - 00:08:16] We'll pay the taxes.

[00:08:16 - 00:08:21] Three years, $30 million, $190,000 is a drop in the bucket.

[00:08:22 - 00:08:24] And that's like getting a quarter of a million dollars.

[00:08:24 - 00:08:28] And then five years out, that person deserves, as far as I'm concerned,

[00:08:30 - 00:08:48] Tom, there's no compensation package in the United States to compare to that compensation on a professional finder's fee, or what we call a broker's fee, over here, anywhere in the world, I don't think, on a legitimate basis.

[00:08:48 - 00:08:59] Well, how does that work? I give you a financer, well, an investor, and you wire the money to my bank account.

[00:09:01 - 00:09:01] Yeah.

[00:09:01 - 00:09:02] [Uncertain recognition] Uh-huh.

[00:09:02 - 00:09:03] [Uncertain recognition] That's right.

[00:09:03 - 00:09:09] The money, the investor says, everything's in a legal, written agreement.

[00:09:10 - 00:09:11] Ah, but here's the cap.

[00:09:12 - 00:09:16] You'll catch me if I go to the U.S. or I give you my name or something.

[00:09:16 - 00:09:18] No, give me a fucking break.

[00:09:18 - 00:09:21] If you help me find, listen, I throw you a fucking party.

[00:09:30 - 00:09:38] does things. There's a reason why. Listen, how many other people? I mean, did you have

[00:09:38 - 00:09:46] ever had a conversation like this with Frank Garrett? No. No. So probably most other people

[00:09:46 - 00:09:54] that you prank you've never gotten to know or talk with like this. There's a reason for

[00:10:00 - 00:10:04] A movie, it's called Expelled, like you're expelled from school.

[00:10:06 - 00:10:07] You know what expelled means, right?

[00:10:07 - 00:10:07] Kicked out?

[00:10:08 - 00:10:08] [Uncertain recognition] Yeah.

[00:10:09 - 00:10:10] Yeah, expelled.

[00:10:11 - 00:10:16] No intelligence needed with a guy named Ben Stein.

[00:10:17 - 00:10:17] It's great.

[00:10:17 - 00:10:18] I saw it last night.

[00:10:20 - 00:10:21] So, anyway.

[00:10:23 - 00:10:25] Well, technically speaking, it was about scientists.

[00:10:27 - 00:10:28] [Uncertain recognition] True scientists.

[00:10:30 - 00:10:36] that have been ostracized, you know what that means, right?

[00:10:40 - 00:10:47] Shunned by their peers that only believe in Darwin's theory of evolution.

[00:10:49 - 00:10:53] So, Darwin's theory is specifically that, it's a hypothesis.

[00:11:00 - 00:11:01] to Darwin's theory.

[00:11:01 - 00:11:04] No, but also not at the creationism.

[00:11:06 - 00:11:07] Now, listen to this.

[00:11:08 - 00:11:09] Yes, there is.

[00:11:09 - 00:11:10] No, there is not.

[00:11:11 - 00:11:13] No, there is. If you'd let me finish,

[00:11:14 - 00:11:15] I can explain it to you.

[00:11:16 - 00:11:18] But that's why you need to see

[00:11:18 - 00:11:19] expelled.

[00:11:20 - 00:11:22] No intelligence needed.

[00:11:22 - 00:11:24] As a matter of fact,

[00:11:24 - 00:11:27] two of the preeminent

[00:11:27 - 00:11:28] atheists

[00:11:30 - 00:11:32] Darwin's theory of evolution.

[00:11:33 - 00:11:34] One of them is very well known.

[00:11:34 - 00:11:36] His name is Richard Dawkins.

[00:11:36 - 00:11:39] And he wrote a book called The God Delusion.

[00:11:40 - 00:11:42] You've got to hear that interview.

[00:11:44 - 00:11:46] You've got to hear that interview.

[00:11:46 - 00:11:47] But where's the proof?

[00:11:48 - 00:11:49] [Uncertain recognition] See what?

[00:11:50 - 00:11:50] [Uncertain recognition] Where's the proof?

[00:11:51 - 00:11:51] [Uncertain recognition] Here's the proof.

[00:11:51 - 00:11:52] [Uncertain recognition] Here's the proof.

[00:11:53 - 00:11:56] [Uncertain recognition] Information has to come.

[00:11:56 - 00:11:57] Information.

[00:12:00 - 00:12:04] Information has to come from some place.

[00:12:04 - 00:12:09] [Uncertain recognition] The Big Bang was predicated on information.

[00:12:09 - 00:12:14] No information, no Big Bang, period.

[00:12:15 - 00:12:22] Secondly, there are several different elements needed to develop life.

[00:12:23 - 00:12:25] One is amino acids.

[00:12:25 - 00:12:27] [Uncertain recognition] Two is in nucleotides.

[00:12:30 - 00:12:31] Skip the rest of the elements.

[00:12:31 - 00:12:33] We'll just skip the rest of the elements.

[00:12:34 - 00:12:44] Those two elements right there, they have to synergize or they have to form together at the same time,

[00:12:44 - 00:12:51] at the same instant in time, in the correct quantity.

[00:12:51 - 00:12:53] No more, no less.

[00:13:00 - 00:13:08] In the early days, they said we crawled out of the primordial dew, the ocean, the depths of the ocean.

[00:13:08 - 00:13:21] Well, some scientists even point to life developing at the bottom of the ocean right now next to volcanic vents called black smokers.

[00:13:30 - 00:13:38] those smokers. Well, they put their thermometers directly over the smokers, which is probably 800 degrees.

[00:00:00 - 00:00:09] yeah yeah so but remember cold sinks and all the life is forming at the bottom of these smokers

[00:00:09 - 00:00:15] which are like smokestacks and they can big they rise you know 10 12 feet in the off the ocean floor

[00:00:15 - 00:00:23] and the life is surrounding the bottom of the smoke the the smokers but um also that that water

[00:00:30 - 00:00:32] 30,000 pounds per square inch

[00:00:32 - 00:00:34] or something crazy like that

[00:00:34 - 00:00:36] and the water is about

[00:00:36 - 00:00:38] 30 degrees

[00:00:38 - 00:00:41] and the currents

[00:00:41 - 00:00:42] are moving through those areas

[00:00:42 - 00:00:43] at anywhere from

[00:00:43 - 00:00:46] zero miles an hour very rarely

[00:00:46 - 00:00:49] up to 40 and 60

[00:00:49 - 00:00:51] miles per hour

[00:00:51 - 00:00:53] well if you've got

[00:00:53 - 00:00:55] 800 degree water coming out of a

[00:00:55 - 00:00:56] four foot hole

[00:00:56 - 00:00:59] and you've got tons of water

[00:01:00 - 00:01:04] over that 800-degree vent per second,

[00:01:05 - 00:01:09] I don't think that that's going to be burning anybody's ass too quick.

[00:01:10 - 00:01:14] But the bottom line here is that amino acids and nucleotides,

[00:01:16 - 00:01:21] the element that destroys them is oxygen.

[00:01:22 - 00:01:25] Now, I used to drive cab years ago,

[00:01:25 - 00:01:29] and I've had some scientists from MIT and Harvard in the back of a car,

[00:01:30 - 00:01:35] So the question, I always got it around to God, because I always wanted to talk to them about their thoughts of that.

[00:01:36 - 00:01:42] And I always brought up the fact that they say, well, you know that there is no light at the bottom of the ocean,

[00:01:42 - 00:01:46] and you also know that there is no oxygen at the bottom of the ocean.

[00:01:47 - 00:01:53] So life forms through keto synthesis, which is chemical synthesis.

[00:01:53 - 00:01:54] I said, oh, really?

[00:02:00 - 00:02:04] That hypothesis, he says, no, no, hypothesis, this is fact.

[00:02:04 - 00:02:07] We know there is absolutely no light at the bottom of the ocean.

[00:02:07 - 00:02:10] I said, there may be no visible light.

[00:02:10 - 00:02:18] I said, but if you look at the aurora borealis, the sun's rays, ultraviolet rays, gamma rays, penetrate the earth all the time.

[00:02:19 - 00:02:23] Not to mention the rays coming from inside the mantle.

[00:02:24 - 00:02:29] Also, you're familiar that you say that there is no oxygen at the bottom of the ocean?

[00:02:30 - 00:02:41] By its very nature, water is oxygen, and that stops him dead in his tracks, because what is water?

[00:02:41 - 00:02:42] When you were driving him.

[00:02:42 - 00:02:46] Well, I'm driving him in a cab, yeah.

[00:02:46 - 00:02:48] Yeah, so he's not stopping unless you stop.

[00:02:49 - 00:02:51] No, no, no, no. Okay, Mr. Smartass.

[00:02:53 - 00:02:55] That was good, that was good.

[00:03:00 - 00:03:04] a wisecrack, but I'm a little tired to pick up on him right now, so, anyway, that was

[00:03:04 - 00:03:09] good, though, um, worthy, my, my, my brother Dennis, you, you, you'd be a worthy opponent

[00:03:09 - 00:03:17] for my brother Dennis, um, anyway, um, so, and then he says, okay, one of the guys at

[00:03:17 - 00:03:25] one point says, okay, hypothetically speaking, life developed without oxygen, what do you

[00:03:30 - 00:03:37] I says, well, I says, life still couldn't exist on this planet, couldn't develop on its own on this planet.

[00:03:38 - 00:03:42] He goes, what would your supposition be for that?

[00:03:43 - 00:03:55] I says, well, if you look at other planets that have no oxygen, they're toast because the sun burns the shit out of them.

[00:04:00 - 00:04:08] What protects us from the sun's ultraviolet radiation from cooking this planet like a piece of burnt toast is our ozone.

[00:04:08 - 00:04:10] And what is our ozone made out of?

[00:04:10 - 00:04:15] It's made out of three molecules of oxygen.

[00:04:17 - 00:04:21] [Uncertain recognition] So, without oxygen, this planet would be toast.

[00:04:22 - 00:04:25] And with oxygen, and life couldn't form.

[00:04:30 - 00:04:35] building blocks of life subjected to oxygen, life couldn't develop.

[00:04:36 - 00:04:40] So, but it always comes back, remember, Tom, it always comes back to information.

[00:04:41 - 00:04:49] Information has got to be there for anything to develop.

[00:04:49 - 00:04:56] Not to mention, remember this, time, they say that the universe is infinite.

[00:05:00 - 00:05:06] internally. That's not correct. Watch Stephen Hawking's universe. That man used to be an

[00:05:06 - 00:05:14] atheist, but he's no longer an atheist since he started studying the Big Bang. Now, it's

[00:05:14 - 00:05:19] no longer a theory. As far as I'm concerned, it is no longer a theory. The Big Bang is

[00:05:19 - 00:05:24] in fact a fact, even though they still call it a theory, the Big Bang Theory. I really

[00:05:30 - 00:05:36] fact is a fact. But, you know what Stephen Hawking says, this former atheist says at

[00:05:36 - 00:05:39] the end of that documentary, he says...

[00:05:39 - 00:05:44] Wait, wait, wait. I'm going to stop you in your tracks there. It's just a theory. There's

[00:05:44 - 00:05:48] multiple theories about the universe. It doesn't have to be infinite.

[00:05:50 - 00:05:56] Well, we do know this, Tom. We do know that it isn't infinite. It has a beginning, it

[00:05:56 - 00:05:56] has an end.

[00:05:57 - 00:05:57] Based on what?

[00:05:58 - 00:05:58] Based on what?

[00:06:00 - 00:06:00] Based on physics.

[00:06:01 - 00:06:01] [Uncertain recognition] Why?

[00:06:02 - 00:06:07] Because we know that time is quantitative.

[00:06:07 - 00:06:16] So, in other words, the United States Air Force back in the 50s, they took an atomic clock and loaded it onto one jet plane.

[00:06:17 - 00:06:22] And they loaded another atomic clock onto another jet plane.

[00:06:22 - 00:06:28] And they flew around the Earth in two different directions at two different altitudes.

[00:06:30 - 00:06:33] Guess what? They had two different times.

[00:06:34 - 00:06:41] That said, right there, that was the test that indicated that time is quantitative.

[00:06:41 - 00:06:47] It is predicated on gravity and speed.

[00:06:49 - 00:06:54] So if it's quantitative, it means it has a beginning and it has an end.

[00:06:55 - 00:06:57] That means time is not eternal.

[00:07:00 - 00:07:02] But if time isn't eternal, how did it start?

[00:07:03 - 00:07:07] It had to have information.

[00:07:08 - 00:07:09] [Uncertain recognition] Oh, well, therein lies.

[00:07:09 - 00:07:11] That's why go to khouse.org.

[00:07:13 - 00:07:14] Khouse.org.

[00:07:14 - 00:07:16] K-H-O-U-S-C.org.

[00:07:17 - 00:07:21] On the left-hand side, you see special events.

[00:07:22 - 00:07:22] Click on that.

[00:07:22 - 00:07:27] If you go to alien UFOs, now it's not going to be about alien UFOs per se,

[00:07:30 - 00:07:32] UFOs, and then choose

[00:07:32 - 00:07:32] the video.

[00:07:33 - 00:07:35] Then what? Events?

[00:07:36 - 00:07:38] Special events. K-House.org.

[00:07:38 - 00:07:38] Special events.

[00:07:41 - 00:07:42] [Uncertain recognition] No, it's

[00:07:42 - 00:07:43] [Uncertain recognition] Koinonia House.

[00:07:44 - 00:07:46] [Uncertain recognition] Yeah, Koinonia

[00:07:46 - 00:07:46] [Uncertain recognition] House.

[00:07:48 - 00:07:50] And special events.

[00:07:50 - 00:07:52] Sounds like left-wing

[00:07:52 - 00:07:53] hippies right there.

[00:07:53 - 00:07:55] No, it ain't left-wing hippies.

[00:07:58 - 00:07:59] [Uncertain recognition] Wait, what was it?

[00:08:00 - 00:08:06] I used to be a hippie, man, because I grew up in the late 60s, early 70s, but I was not left-wing, trust me.

[00:08:07 - 00:08:07] [Uncertain recognition] Huh?

[00:08:08 - 00:08:09] No, I was just asking.

[00:08:09 - 00:08:11] Okay, we got special events.

[00:08:12 - 00:08:12] All right, we got alien...

[00:08:12 - 00:08:13] Yep, special events.

[00:08:18 - 00:08:19] Okay.

[00:08:21 - 00:08:21] [Uncertain recognition] All right.

[00:08:22 - 00:08:24] Hey, by the way, okay, hold on.

[00:08:24 - 00:08:26] How long does that take to watch?

[00:08:28 - 00:08:28] [Uncertain recognition] Huh?

[00:08:30 - 00:08:30] How long does that take to watch?

[00:08:30 - 00:08:33] But you're only watching the Christian perspective on this.

[00:08:33 - 00:08:36] No, no, no, no, it doesn't take long to watch.

[00:08:36 - 00:08:40] No, but you're saying it in a spiritual way.

[00:08:40 - 00:08:42] No, no, no, remember this.

[00:08:43 - 00:08:47] The man, Chuck Misler, is a consummate physicist.

[00:08:48 - 00:08:50] That's his discipline.

[00:08:50 - 00:08:52] He worked for the government for 20 years.

[00:09:00 - 00:09:03] He sat on the board of 12 different corporations.

[00:09:03 - 00:09:04] He was chairman of six.

[00:09:05 - 00:09:11] He signed an $80 million contract with Russia for his corporation.

[00:09:12 - 00:09:20] And guess who's ultimately responsible for that money when you're the guarantor of that loan?

[00:09:21 - 00:09:23] [Uncertain recognition] No, Chuck Misler.

[00:09:25 - 00:09:29] But even though he filed bankruptcy, he was still on the hook.

[00:09:30 - 00:09:34] because then you're on the hook for pennies on the dollar.

[00:09:35 - 00:09:42] So we'll say that he was on the hook for even 10 cents on the dollar.

[00:09:42 - 00:09:47] What's 10% of 80 million, 8 million bucks?

[00:09:47 - 00:09:50] He was in debt, 8 million dollars.

[00:09:50 - 00:09:51] He lost everything.

[00:09:51 - 00:09:54] He had a wife with four children.

[00:09:55 - 00:09:57] They lost their home, their cars.

[00:09:57 - 00:09:59] They wound up buying a beater.

[00:10:00 - 00:10:04] Because if you have a car that's worth less than $2,000, that can't be taken from you.

[00:10:05 - 00:10:10] So he lost all his fancy cars, everything.

[00:10:11 - 00:10:14] Long story short, you've got to listen to that, that special events.

[00:10:15 - 00:10:16] And it's scientific.

[00:10:17 - 00:10:17] [Uncertain recognition] It's scientific.

[00:10:17 - 00:10:21] So that proves that the universe is not...

[00:10:21 - 00:10:22] No, just listen to it.

[00:10:22 - 00:10:23] It's physics.

[00:10:23 - 00:10:24] It's science.

[00:10:30 - 00:10:33] the people that have been telling you

[00:10:33 - 00:10:34] that there is no God

[00:10:34 - 00:10:37] they don't want you

[00:10:37 - 00:10:38] to believe in God

[00:10:38 - 00:10:39] you know why

[00:10:39 - 00:10:43] nobody ever told me to not believe in God

[00:10:43 - 00:10:44] it was just my own perception

[00:10:44 - 00:10:46] on how things work in the world

[00:10:46 - 00:10:48] no Tom

[00:10:48 - 00:10:50] you didn't raise yourself

[00:10:50 - 00:10:52] and you're not all knowing

[00:10:52 - 00:10:54] my parents were both raised Catholic

[00:10:54 - 00:10:57] and they never really

[00:10:57 - 00:10:58] said anything about it

[00:11:00 - 00:11:21] I was raised Catholic. Guess what? Catholic. You know what the word Catholic means? It's Latin. It means universal. So in other words, I've always asked myself, why do people call certain things certain things? Like why was Jesus called Jesus when Jesus' name isn't Jesus? Why is Mary and Joseph called Mary?

[00:11:30 - 00:11:39] So, Tom, what I'm saying is, why do you think some people, do you know why some people call certain things certain things?

[00:11:40 - 00:11:41] It's because of freaking prejudice.

[00:11:43 - 00:11:49] So, in other words, okay, Alexander the Great, do you think his name was Alexander?

[00:11:49 - 00:11:51] No, it wasn't. He was Greek.

[00:11:52 - 00:11:52] [Uncertain recognition] So?

[00:12:00 - 00:12:02] The American derivation of his Greek name is Nicholas.

[00:12:03 - 00:12:05] But you know what his real name is?

[00:12:06 - 00:12:10] I've been calling him Nicholas most of the years I've known him.

[00:12:11 - 00:12:12] His real name is Nikos.

[00:12:14 - 00:12:15] That's his real name.

[00:12:15 - 00:12:18] Everybody calls him Nick or Nicholas.

[00:12:20 - 00:12:21] No, man.

[00:12:30 - 00:12:31] Are they going to be perceived being Greek?

[00:12:33 - 00:12:37] Like Jesus, his real name isn't Jesus Christ.

[00:12:37 - 00:12:44] Christ is Greek for Christos, which is Greek for Messiah or Chosen One.

[00:12:44 - 00:12:47] But his real name is Yeshua or Yeshua.

[00:12:48 - 00:12:48] He was Hebrew.

[00:12:49 - 00:12:49] He was Jewish.

[00:12:51 - 00:12:55] So, but the point is, is you've got to watch the events, the special events.

[00:12:55 - 00:12:57] It's all physics.

[00:12:58 - 00:12:58] [Uncertain recognition] Physics.

[00:13:00 - 00:13:01] It's mind-blowing.

[00:13:01 - 00:13:05] Wait, so how do you think it all started, the whole universe?

[00:13:09 - 00:13:10] Oh, hold on a second.

[00:13:11 - 00:13:12] Hold on, hold on.

[00:13:15 - 00:13:19] Okay, first off, what are the odds?

[00:13:20 - 00:13:21] Ask a gambler.

[00:13:22 - 00:13:24] Ask a statistician.

[00:13:25 - 00:13:29] What are the odds out of the millions of mammals on the planet?

[00:13:30 - 00:13:36] and the millions of mammals that have only platypuses lay eggs this is

[00:13:36 - 00:13:40] important if you think it's so important if you think it's so important to

[00:13:40 - 00:13:43] explain how come humans are special that they are the only ones that have

[00:13:43 - 00:13:47] intelligence I'm not saying you explain to me how come it's so important that

[00:13:47 - 00:13:51] only platypuses lay our mammals that lay eggs I don't know that's why I'm

[00:13:51 - 00:13:57] calling if there isn't there is no yeah there was no pre-planned reason this is

[00:14:00 - 00:14:04] get a result there was no plan for that there was no reason that it came up that

[00:14:04 - 00:14:10] way that's just how it happened this is the result of evolution up until this

[00:14:10 - 00:14:14] point in time give another hundred thousand year or hundred million years

[00:14:14 - 00:14:18] and it'll be something completely different than what we have now there's

[00:14:18 - 00:14:22] no plan on us or what's going to be here in five million years well it's just

[00:14:22 - 00:14:24] happening well

[00:00:00 - 00:00:02] Okay, yeah, go.

[00:00:02 - 00:00:06] Okay, what do you add to the millions of mammals on the planet?

[00:00:06 - 00:00:11] And millions of mammals that have already gone extinct.

[00:00:11 - 00:00:19] That we would be the only ones driving freaking cars or flying planes.

[00:00:19 - 00:00:21] Somebody had to deal with it.

[00:00:21 - 00:00:22] No, no, okay.

[00:00:22 - 00:00:24] It's just a coincidence like the Big Bang.

[00:00:24 - 00:00:25] No, it ain't a coincidence.

[00:00:25 - 00:00:26] Why not?

[00:00:26 - 00:00:27] It ain't a coincidence.

[00:00:30 - 00:00:30] [Uncertain recognition] animals.

[00:00:33 - 00:00:33] Oh, yeah.

[00:00:33 - 00:00:35] Well, in fact, we're still animals.

[00:00:35 - 00:00:37] Just because we have a higher intelligence doesn't mean...

[00:00:37 - 00:00:38] No, no, no. We're not animals.

[00:00:39 - 00:00:40] We're mammals.

[00:00:40 - 00:00:43] There's a difference between an animal and a mammal.

[00:00:45 - 00:00:45] [Uncertain recognition] Well, we are

[00:00:45 - 00:00:46] [Uncertain recognition] animals.

[00:00:47 - 00:00:49] A dolphin is a mammal, but it's never

[00:00:49 - 00:00:50] called an animal.

[00:00:51 - 00:00:53] And yet we are animals.

[00:00:56 - 00:00:57] You see,

[00:00:57 - 00:00:59] what's your idea of an animal?

[00:01:00 - 00:01:00] I need to know that.

[00:01:00 - 00:01:02] Oh, animals are just living creatures.

[00:01:03 - 00:01:10] We can compare ourselves to apes or just about any other living being that also has feelings.

[00:01:12 - 00:01:14] Oh, absolutely. I agree with that.

[00:01:14 - 00:01:18] As soon as something has feeling and consciousness, even animals have consciousness,

[00:01:19 - 00:01:23] then they're also living beings, so we're not higher than the other living beings.

[00:01:24 - 00:01:25] No, we are.

[00:01:25 - 00:01:28] No, maybe in intelligence we're higher than other beings.

[00:01:30 - 00:01:31] we are a higher class

[00:01:31 - 00:01:33] than the other living beings.

[00:01:33 - 00:01:35] You could have to ask yourself,

[00:01:35 - 00:01:36] what other animal

[00:01:36 - 00:01:40] trains other animals?

[00:01:41 - 00:01:42] [Uncertain recognition] Does a bear train

[00:01:42 - 00:01:43] [Uncertain recognition] a cougar?

[00:01:44 - 00:01:46] Or does a grizzly

[00:01:46 - 00:01:47] train a brown bear?

[00:01:48 - 00:01:51] Does a deer train a grizzly?

[00:01:51 - 00:01:52] We can train

[00:01:52 - 00:01:54] any animal on this planet.

[00:01:54 - 00:01:56] But we weren't meant to do that

[00:01:56 - 00:01:57] when we were first created.

[00:01:58 - 00:01:59] We were never meant to do that.

[00:02:00 - 00:02:01] It's just a coincidence.

[00:02:03 - 00:02:04] No, it's not.

[00:02:04 - 00:02:04] Why not?

[00:02:04 - 00:02:08] As a matter of fact, there's been some, get on YouTube.

[00:02:09 - 00:02:11] Well, see, the whole thing here is, and I understand,

[00:02:12 - 00:02:16] your age has got a bearing on whether you believe or not.

[00:02:16 - 00:02:17] Really.

[00:02:17 - 00:02:18] It does.

[00:02:18 - 00:02:18] No.

[00:02:19 - 00:02:19] Believe it or not.

[00:02:19 - 00:02:20] No, no, no.

[00:02:20 - 00:02:20] Yes.

[00:02:21 - 00:02:21] Yes.

[00:02:21 - 00:02:24] I was raised in a Catholic family.

[00:02:26 - 00:02:27] And you know something?

[00:02:30 - 00:02:34] because when when we believe in God but we actually truly truly believe in God

[00:02:34 - 00:02:44] and we know that there's a God we have to think about no that means we can't do

[00:02:44 - 00:02:48] certain shit we'd like to do nowadays we can explain lightning coming from

[00:02:48 - 00:02:53] clouds and in the before time we thought there were gods because we couldn't

[00:03:00 - 00:03:03] then we'll just say

[00:03:03 - 00:03:04] God created it because

[00:03:04 - 00:03:07] then that justifies everything we don't know

[00:03:07 - 00:03:08] so we don't have to worry about it

[00:03:08 - 00:03:11] no, no, no, no, no, it doesn't

[00:03:11 - 00:03:13] see, you gotta look at the physics

[00:03:13 - 00:03:15] that's the whole problem with religion

[00:03:15 - 00:03:15] anyway

[00:03:15 - 00:03:19] see, the problem with religion

[00:03:19 - 00:03:21] versus faith

[00:03:21 - 00:03:22] is men

[00:03:22 - 00:03:25] try to control other men

[00:03:25 - 00:03:27] that's the problem

[00:03:27 - 00:03:28] with religion

[00:03:30 - 00:03:35] God creating the earth and all the other stuff is still really far-fetched well

[00:03:35 - 00:03:38] you gotta you see the whole thing here is you gotta look at the evidence that

[00:03:38 - 00:03:44] there's less evidence backing up the Bible than there is on all modern

[00:03:44 - 00:03:50] science the Bible is the book of codes and okay tell you what let's get let's

[00:03:50 - 00:03:54] get on let's get on let's get on K house let's look at this special bit

[00:04:00 - 00:04:10] five minutes. First five minutes. Okay, I'll watch the video. Yeah, just watch the video.

[00:04:10 - 00:04:17] First five minutes. Now, now, some of the video sucks up front. There's no doubt about it,

[00:04:17 - 00:04:25] but don't let that be, don't let that put you off. It gets better. Okay, so I'm watching,

[00:04:30 - 00:04:47] green space aliens secret base hangers

[00:04:47 - 00:04:55] dancing aliens alien heads in jars

[00:04:55 - 00:04:57] what the hell is this man

[00:05:00 - 00:05:04] that's the intro don't pay any attention that that's just the intro

[00:05:04 - 00:05:14] yeah the intro sucks it could have been could have been done better

[00:05:30 - 00:05:59] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:06:00 - 00:06:10] I'm going to email him and tell him to fix that crap.

[00:06:10 - 00:06:11] [Uncertain recognition] What?

[00:06:12 - 00:06:15] I'm going to email him and tell him to fix that crap.

[00:06:18 - 00:06:21] So he starts out with Jesus Christ, our Lord and Savior.

[00:06:22 - 00:06:26] Well, there's no proof that Jesus Christ actually did exist in what time whatsoever.

[00:06:30 - 00:06:32] I know exactly all the arguments that you're going to say.

[00:06:32 - 00:06:36] And it also backs up the fact that they're just stories and codes to live by.

[00:06:37 - 00:06:41] The stories in the Bible don't necessarily mean that that actually happened.

[00:06:42 - 00:06:47] It's more or less trying to explain the way people act and the way people should act.

[00:06:48 - 00:06:50] No, I agree, but just watch.

[00:06:50 - 00:06:53] You're going to get an interesting charge out of this.

[00:06:57 - 00:06:57] [Uncertain recognition] I'm listening.

[00:07:00 - 00:07:21] This is actually what convinced me that God did exist.

[00:07:24 - 00:07:26] Because I'm kind of science-based myself.

[00:07:28 - 00:07:29] [Uncertain recognition] There's no proof.

[00:07:30 - 00:07:33] Not in a million years of God actually existing.

[00:07:33 - 00:07:39] The only close thing to God that you can actually think of is time itself.

[00:07:40 - 00:07:44] That time itself created everything and that time itself will take everything away.

[00:07:45 - 00:07:45] [Uncertain recognition] Okay.

[00:08:00 - 00:08:29] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:08:30 - 00:08:59] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:09:00 - 00:09:29] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:09:30 - 00:09:59] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:10:00 - 00:10:17] Okay, so I watched five and a half minutes of this bullshit, well, up till now, it's still

[00:10:17 - 00:10:18] bullshit.

[00:10:18 - 00:10:21] He's talking about hyperspaces, right?

[00:10:21 - 00:10:28] No, he's talking about aliens sightings Rosswell and that there's mostly hoaxes and that some

[00:10:30 - 00:10:32] So they were real aliens.

[00:10:36 - 00:10:36] Yeah, exactly.

[00:10:37 - 00:10:40] As a matter of fact, have you ever read the book The Day After Roswell?

[00:10:40 - 00:10:44] No, because I'm not a total sci-fi.

[00:10:46 - 00:10:47] Yeah, but guess what?

[00:10:48 - 00:10:55] It was by the man who was there, Lieutenant Colonel James Corso.

[00:11:00 - 00:11:07] aircraft tests how about this he was the man that recovered the bodies right so

[00:11:07 - 00:11:14] maybe you just had a little so you see you I see I see women you so you have to

[00:11:14 - 00:11:19] see it to believe it no there has to be evidence there has to be evidence for me

[00:11:19 - 00:11:25] to believe it okay then that's why you things on things that you think happen

[00:11:30 - 00:11:45] Technically. See, I'm going to see it to believe it, but let me ask you this. Do you think somebody would put their life in jeopardy to disclose information if it wasn't real?

[00:11:46 - 00:11:46] [Uncertain recognition] Yeah.

[00:11:47 - 00:11:56] Why would they do that? And why would anybody want to whack them if it wasn't true? Why would anybody want to whack that person if it wasn't true?

[00:12:00 - 00:12:13] some do what some other cover cover cover cover cover cover cover oh um maybe that's

[00:12:13 - 00:12:19] some i suppose base well trust me man the longer you live on this planet the more you're going to

[00:12:19 - 00:12:26] realize things aren't what they perceive what they seem to be good word man we wouldn't have

[00:12:30 - 00:12:43] If things aren't what they seem to be, and, like, we've had the idea that, like, God created this shithole and blah, blah, blah, blah, blah, why can't we just base the...

[00:12:43 - 00:12:44] But it wasn't a shithole.

[00:12:45 - 00:12:52] Why can't we just accept the fact that science is proving stuff, and the only reason why science can't really...

[00:12:52 - 00:12:58] Well, that's why you need to, see, expel the no-intelligence needed.

[00:13:00 - 00:13:00] [Uncertain recognition] Guess what?

[00:13:01 - 00:13:10] The top scientists that don't believe in God stick their foots right in their mouth.

[00:13:10 - 00:13:12] They believe in science fiction.

[00:13:13 - 00:13:14] Okay, wait, got to close the door.

[00:00:00 - 00:00:05] No, but that's the whole point. The whole point. You know the expression, ignorance is bliss?

[00:00:08 - 00:00:12] Wow, man, you guys speak really good fucking English. I didn't know you knew that. Yeah.

[00:00:13 - 00:00:19] Yeah, so that's exactly what they're doing with religion. So that's about every religion. And that's not just...

[00:00:19 - 00:00:22] No, man. Listen, I believe. I'm not good, man.

[00:00:22 - 00:00:29] What I told you about the clouds and the thunder. It's what they do to everybody just to keep them calm and have decent lives.

[00:00:30 - 00:00:36] And not worrying about what's really happening and how it really works in the universe.

[00:00:37 - 00:00:38] And that's just keeping yourself dumb.

[00:00:38 - 00:00:39] That's like the dark ages.

[00:00:42 - 00:00:53] See, what I like about you, Lincoln, is your strong-willed, strong-headed individual.

[00:00:53 - 00:00:57] Well, that's because I believe something and I actually have some knowledge to back it up.

[00:00:57 - 00:00:58] Yeah, no, no, no.

[00:00:58 - 00:00:59] That's your nature.

[00:01:00 - 00:01:01] That's the way you were made.

[00:01:02 - 00:01:02] But that's good.

[00:01:03 - 00:01:08] That's the only thing I want you to do because right now, you're like me.

[00:01:08 - 00:01:09] You're like me when I was your age.

[00:01:11 - 00:01:14] But eventually, you'll come because you guys are intelligent.

[00:01:14 - 00:01:16] You know how to figure shit out.

[00:01:16 - 00:01:18] And once you get certain information...

[00:01:18 - 00:01:20] So I'm going to turn into you, stage man.

[00:01:22 - 00:01:22] Huh?

[00:01:23 - 00:01:24] I'll turn into you, stage man.

[00:01:25 - 00:01:26] Fucking right.

[00:01:26 - 00:01:28] Next thing you know, you'll be getting prank calls.

[00:01:30 - 00:01:33] Yeah, no, no, no. I won't get prank calls.

[00:01:34 - 00:01:34] Yeah, I know.

[00:01:35 - 00:01:37] Because, yeah, I'm just that cool.

[00:01:37 - 00:01:41] So, yeah.

[00:01:41 - 00:01:42] I believe in physics.

[00:01:43 - 00:01:45] You believe in physics, but you believe in God.

[00:01:46 - 00:01:48] You can't believe in both.

[00:01:48 - 00:01:49] That's impossible.

[00:01:49 - 00:01:49] Oh, really?

[00:01:50 - 00:01:50] No, you can't.

[00:01:51 - 00:01:54] Otherwise, you'll have to make compromises, and that's not possible.

[00:01:54 - 00:01:56] See, this is why you need information.

[00:01:56 - 00:01:56] No, no, no.

[00:01:57 - 00:01:57] Do you know?

[00:02:00 - 00:02:00] One or the other.

[00:02:01 - 00:02:06] It's just God or physics or, yeah, well, the whole science.

[00:02:08 - 00:02:12] Okay, but do you know where science came from?

[00:02:15 - 00:02:16] [Uncertain recognition] In life, me.

[00:02:18 - 00:02:19] No, do you know where science came from?

[00:02:19 - 00:02:21] You know who first started science?

[00:02:24 - 00:02:24] In life.

[00:02:30 - 00:02:40] sciences were invented by men that believe in God. Now, do you know how I know this? I've got a book

[00:02:40 - 00:02:46] in my hand of all the... Yeah, because the church ruled everything. No, no, no. The early sciences.

[00:02:47 - 00:02:51] Listen, you can pick up this book. It's by a guy named Henry M. Morris. I saw it in the fucking

[00:02:51 - 00:02:57] bookstore. It says, Men of Science, Men of God. That's what it's called. A guy by Henry M. Morris.

[00:03:00 - 00:03:10] be killed. Oh, is that why they believed? Yeah, that's why they believed. That's the only reason,

[00:03:10 - 00:03:17] because during the dark ages, they were prosecuted if you did not believe. You had to have a nice

[00:03:17 - 00:03:22] word for them. That's a possibility. No, that's not a possibility. That's what really happened.

[00:03:22 - 00:03:27] You have seen the old paintings and the old stories about it. No, I agree, and you know,

[00:03:30 - 00:03:31] We had the witch trials over here.

[00:03:31 - 00:03:34] ...actually stopped during the Dark Ages.

[00:03:34 - 00:03:37] We could have been way further if it wasn't for the Dark Ages.

[00:03:38 - 00:03:39] Which means...

[00:03:39 - 00:03:42] Well, you can fill the blanks.

[00:03:43 - 00:03:45] Spirituality is keeping technology...

[00:03:45 - 00:03:47] Well...

[00:03:47 - 00:03:48] Small.

[00:03:49 - 00:03:49] Relatively small.

[00:03:49 - 00:03:51] Let me ask you this.

[00:03:53 - 00:03:54] [Uncertain recognition] Science.

[00:03:55 - 00:03:59] Godless societies have done more damage

[00:04:00 - 00:04:01] God-based societies.

[00:04:01 - 00:04:04] Yeah, but also they're not productive.

[00:04:06 - 00:04:08] And they're exactly right there.

[00:04:08 - 00:04:13] If you just solely believe in God and go back to hurling sheeps and stuff.

[00:04:14 - 00:04:16] Well, you don't have to do that, man.

[00:04:17 - 00:04:18] Why do you think it's one way or the other?

[00:04:19 - 00:04:22] Well, because I do not believe that there's some almighty...

[00:04:22 - 00:04:24] I don't believe it's one way or the other.

[00:04:24 - 00:04:27] No, but like, how can...

[00:04:27 - 00:04:29] Look, you got the Bible.

[00:04:30 - 00:04:33] You've got all the stories. You've got, like, God created everything in seven days.

[00:04:34 - 00:04:38] If one part isn't true, then why would other parts be true? And they're not.

[00:04:39 - 00:04:40] Okay, let me ask you this. Let me ask you this.

[00:04:41 - 00:04:43] Are you familiar with certain prophecy in the Bible?

[00:04:44 - 00:04:45] Yeah, I read the new Bible.

[00:04:47 - 00:04:57] Okay, how about no man can buy or sell anything except him that has the mark of the beast?

[00:05:00 - 00:05:04] is the number of a man, and that number is 666.

[00:05:06 - 00:05:07] Now, we don't know.

[00:05:07 - 00:05:08] That's not literal.

[00:05:08 - 00:05:12] I don't think that that's literal, because quite personally, I think it's binary.

[00:05:12 - 00:05:15] But what do you think?

[00:05:16 - 00:05:20] Do you think that if there comes a point in time,

[00:05:20 - 00:05:24] now, that was prophesied several thousand years ago.

[00:05:30 - 00:05:34] you think you'd believe then uh... no

[00:05:34 - 00:05:37] okay what would it take for you to believe

[00:05:37 - 00:05:40] that there is God

[00:05:40 - 00:05:44] well

[00:05:44 - 00:05:47] [Uncertain recognition] well something to think about, you don't have to give me an answer

[00:05:47 - 00:05:51] no no no no I don't believe I'd ever believe

[00:05:51 - 00:05:54] because it's impossible

[00:05:54 - 00:05:57] and something impossible there's a

[00:06:00 - 00:06:11] calculations everything is mathematical the chance it's based on chance but

[00:06:11 - 00:06:17] you gotta ask yourself again how do you explain we're getting in explain the

[00:06:17 - 00:06:22] universe creating it okay let me ask you this are you okay can you you you

[00:06:22 - 00:06:28] probably it took me a long time to grasp in complete detail not some vague

[00:06:30 - 00:06:36] stories that are not really based on reality, I mean, people growing to be up to a few hundred

[00:06:36 - 00:06:43] years old, God killing more people than the old devil did in the book, like the devil

[00:06:43 - 00:06:50] only killed six people or so, and God killed millions and millions and millions, right,

[00:06:50 - 00:06:54] that's not even true, and the whole Noah's Ark story, that's also bullshit.

[00:06:56 - 00:06:58] Well, did you know they found Noah's Ark?

[00:07:00 - 00:07:03] And they also claim they found Atlantis, where the King Neptune is sipping on his throne.

[00:07:03 - 00:07:08] No, no, no, no. Don't go. Hey, listen. It's, it's, it's, it's, it's, it's, it's a real boat.

[00:07:08 - 00:07:13] No, that's bullshit. No, no, no, no. That's just coincidence. Like the Mars, uh, man, made out of stone, found on Mars, on a photo.

[00:07:14 - 00:07:17] That's all bullshit. And, you, you can believe whatever you want to believe.

[00:07:17 - 00:07:20] If you believe that you can see ghosts, then you will see ghosts.

[00:07:22 - 00:07:22] Okay.

[00:07:22 - 00:07:29] That, that happens. If you solely believe that you're psychic and you can see ghosts or whatever,

[00:07:30 - 00:07:36] start seeing them. That's also a God. If you solely believe in God, you'll start to think

[00:07:36 - 00:07:40] that things are God's word. Who the fuck told you this stuff? You didn't just come up with

[00:07:40 - 00:07:46] this stuff yourself. No, I actually did come up with this myself. You can't, you can't

[00:07:46 - 00:07:55] just say one person does everything. If a, if a butt, if somebody, you've seen Amazing

[00:08:00 - 00:08:01] It's something small.

[00:08:01 - 00:08:02] It's a chain reaction.

[00:08:03 - 00:08:05] Everything is a chain reaction.

[00:08:07 - 00:08:08] Everything can be calculated.

[00:08:09 - 00:08:10] Okay, can we agree, though,

[00:08:11 - 00:08:15] that there's got to be information for something to happen?

[00:08:16 - 00:08:18] Well, define information, then.

[00:08:19 - 00:08:21] Okay, I'll have to define information.

[00:08:22 - 00:08:26] First, I want you to see if you can wrap your mind around...

[00:08:30 - 00:08:31] wrapping their mind around this concept.

[00:08:32 - 00:08:33] Absolutely nothing.

[00:08:33 - 00:08:39] I talked to a scientist from MIT, from the astronomy division,

[00:08:40 - 00:08:43] or the physics astronomy, or whatever the hell it's called,

[00:08:44 - 00:08:45] and I asked him about absolutely nothing.

[00:08:46 - 00:08:48] He says, well, yeah, you can have absolutely nothing,

[00:08:48 - 00:08:51] but there's always subatomic particles.

[00:08:51 - 00:08:54] I said, excuse me, you must have misunderstood what I said.

[00:08:54 - 00:08:59] I'm saying absolutely nothing.

[00:09:00 - 00:09:05] Stephen Hawkins, who was a preeminent expert in physics and astronomy,

[00:09:06 - 00:09:10] said that before the Big Bang, there was absolutely nothing,

[00:09:11 - 00:09:14] no subatomic particles, nothing.

[00:09:15 - 00:09:19] And then in one fell cataclysmic swoop, there was the Big Bang.

[00:09:20 - 00:09:24] He says, well, see, that's a little difficult to comprehend, absolutely nothing.

[00:09:24 - 00:09:26] I says, yes, of course it is.

[00:09:30 - 00:09:30] then there must be

[00:09:30 - 00:09:31] a God

[00:09:31 - 00:09:32] for

[00:09:32 - 00:09:33] no no no

[00:09:33 - 00:09:34] check this out

[00:09:34 - 00:09:35] let me put it

[00:09:35 - 00:09:35] differently

[00:09:35 - 00:09:36] let me put it

[00:09:36 - 00:09:36] differently

[00:09:36 - 00:09:38] so God

[00:09:38 - 00:09:39] would be

[00:09:39 - 00:09:39] something

[00:09:39 - 00:09:41] what is God

[00:09:41 - 00:09:41] then

[00:09:41 - 00:09:43] define God

[00:09:43 - 00:09:44] define God

[00:09:44 - 00:09:45] ok here we go

[00:09:45 - 00:09:45] this is good

[00:09:45 - 00:09:46] this is good

[00:09:46 - 00:09:46] check this out

[00:09:46 - 00:09:47] the Bible says

[00:09:47 - 00:09:49] Paul says

[00:09:49 - 00:09:49] that God

[00:09:49 - 00:09:51] inhabits

[00:09:51 - 00:09:52] eternity

[00:09:52 - 00:09:53] he

[00:09:53 - 00:09:55] is outside

[00:09:55 - 00:09:55] wait wait wait wait

[00:09:55 - 00:09:56] didn't I just say

[00:09:56 - 00:09:57] God is

[00:09:57 - 00:09:57] the only way

[00:09:57 - 00:09:58] you can relativate

[00:09:58 - 00:09:59] God is

[00:10:00 - 00:10:02] That he's time? And you're saying eternity?

[00:10:03 - 00:10:08] No, he's outside. He resides outside. He's not a man.

[00:10:08 - 00:10:08] No, no, no.

[00:10:08 - 00:10:09] He's not you and me.

[00:10:10 - 00:10:11] Well, what would it be?

[00:10:12 - 00:10:14] How can God create something?

[00:10:15 - 00:10:18] How can God create the Big Bang when there was nothing, not even God?

[00:10:21 - 00:10:27] That was God has resided outside of time and space.

[00:10:30 - 00:10:31] God, because you're still having to find God.

[00:10:32 - 00:10:34] God is God.

[00:10:35 - 00:10:35] Yeah, and that's

[00:10:35 - 00:10:37] really easy to say.

[00:10:38 - 00:10:39] We know that there was a Moses.

[00:10:40 - 00:10:40] Right.

[00:10:41 - 00:10:42] We have evidence that there was Moses.

[00:10:42 - 00:10:45] And then he actually spoke to God

[00:10:45 - 00:10:47] and got the rules to live by, right?

[00:10:48 - 00:10:49] No. Check this out.

[00:10:49 - 00:10:51] Yeah. And check this out.

[00:10:51 - 00:10:52] Yeah, he just got it like...

[00:10:52 - 00:10:56] You know what God told Moses?

[00:10:56 - 00:10:57] Moses says,

[00:10:57 - 00:10:59] Who do I tell the people you are?

[00:11:00 - 00:11:04] God says, tell them, I am that I am.

[00:11:05 - 00:11:12] There is no comprehensible explanation for God that you and I would accept.

[00:11:14 - 00:11:16] Yeah, that's really easy to say.

[00:11:16 - 00:11:20] Now you're just falling back on stuff that you can't explain, so that must be God.

[00:11:21 - 00:11:22] That's the whole trick.

[00:11:22 - 00:11:23] That's the whole trap of the Lord.

[00:11:23 - 00:11:25] No, no, no, no, no.

[00:11:25 - 00:11:27] It's just, you're confirming what I just said about religion.

[00:11:27 - 00:11:29] I'm talking about, no, Tom, Tom.

[00:11:30 - 00:11:37] You're confusing the explanation with God, something that can't be explained, with terrestrial shit on the planet.

[00:11:37 - 00:11:38] No, no, no, I was talking about it.

[00:11:38 - 00:11:41] The terrestrial shit on the planet, it got nothing to do...

[00:11:41 - 00:11:43] No, no, I got, I got, no, it's just the same.

[00:11:43 - 00:11:44] It's the same, actually.

[00:11:44 - 00:11:45] But let me ask you this.

[00:11:45 - 00:11:46] We couldn't explain that.

[00:11:46 - 00:11:49] What do you, what do you, how do you, how do you explain...

[00:11:49 - 00:11:58] We couldn't explain all the things that happened in the before time, and now we can, but we can't explain what, what, what created all of this yet.

[00:11:58 - 00:11:59] Maybe we'll never will.

[00:12:00 - 00:12:03] But, we can explain the other things that Christianity...

[00:12:03 - 00:12:05] Do you believe the Bible story of David and Goliath?

[00:12:05 - 00:12:05] No.

[00:12:06 - 00:12:11] Well, look up giant skeletal remains.

[00:12:13 - 00:12:15] And see what you find.

[00:12:16 - 00:12:17] Just do some research, Tom.

[00:12:17 - 00:12:19] I understand where you're coming from.

[00:12:19 - 00:12:21] I had all the same damn arguments.

[00:12:22 - 00:12:24] But you get to a certain age and you say,

[00:12:24 - 00:12:29] Wow, this is different than I really believed it was.

[00:12:30 - 00:12:32] And then especially you start hearing stories.

[00:12:33 - 00:12:35] How about, have you ever heard of the story of a person?

[00:12:36 - 00:12:40] They were in a hospital.

[00:12:41 - 00:12:42] [Uncertain recognition] They were terminal.

[00:12:42 - 00:12:44] They were in intensive care.

[00:12:44 - 00:12:45] Hold that thought.

[00:00:00 - 00:00:00] Hey, Dave.

[00:00:24 - 00:00:26] Well, if you're wondering what happened.

[00:00:27 - 00:00:28] [Uncertain recognition] Yeah, yeah, go on.

[00:00:30 - 00:00:37] So, they were in intensive care, getting ready to die.

[00:00:38 - 00:00:39] They had a tumor.

[00:00:40 - 00:00:44] The next morning, it was gone.

[00:00:45 - 00:00:51] Relatives and friends paid for this person in earnest, and these were God-fearing people.

[00:00:51 - 00:00:52] Nobody's good.

[00:00:52 - 00:00:53] Remember this.

[00:00:53 - 00:00:54] Nobody is good.

[00:00:55 - 00:00:56] We sin every single freaking day.

[00:00:56 - 00:00:57] Every single freaking day.

[00:00:57 - 00:00:58] Wait, wait, wait, wait.

[00:00:58 - 00:00:59] We're getting around it.

[00:01:00 - 00:01:01] because I want to add something to that.

[00:01:02 - 00:01:06] The human body is capable of solving a lot of diseases

[00:01:06 - 00:01:07] and a lot of other stuff.

[00:01:07 - 00:01:09] Sorry, not a tumor, the size.

[00:01:10 - 00:01:11] Yes, even that.

[00:01:11 - 00:01:11] Not a tumor.

[00:01:12 - 00:01:12] Even that.

[00:01:12 - 00:01:14] No, I'm sorry, it can't happen.

[00:01:14 - 00:01:15] People can cure it.

[00:01:15 - 00:01:16] It's not possible.

[00:01:16 - 00:01:17] Well, why not?

[00:01:19 - 00:01:24] It's not possible for a tumor a certain size to disappear.

[00:01:24 - 00:01:27] It's not possible for something that you can't even explain.

[00:01:27 - 00:01:29] Just come down and take away the tumor.

[00:01:30 - 00:01:48] It's not possible. It's not possible. It has to be something done in the body and not done by something you can't even explain and can't see, can't feel. It happened. It happened.

[00:02:00 - 00:02:01] to you

[00:02:01 - 00:02:04] knock you dead

[00:02:04 - 00:02:07] and the only thing that would make you believe

[00:02:07 - 00:02:09] is if he sent you to hell

[00:02:09 - 00:02:12] and then you would believe

[00:02:12 - 00:02:13] hypothetically speaking

[00:02:13 - 00:02:15] well I don't really care quite frankly

[00:02:15 - 00:02:17] if I go to hell then fine

[00:02:17 - 00:02:20] no it ain't fine man

[00:02:20 - 00:02:21] yes of course it's fine

[00:02:21 - 00:02:23] because God also

[00:02:23 - 00:02:25] if God existed then God made me

[00:02:25 - 00:02:26] to question his authority

[00:02:26 - 00:02:29] so God made us

[00:02:30 - 00:02:38] If the religious people say, we're all put on earth for the reason, well, then this is my reason.

[00:02:40 - 00:02:41] So he can't blame me for that.

[00:02:41 - 00:02:41] No, you're absolutely right.

[00:02:41 - 00:02:43] He couldn't blame me for that.

[00:02:43 - 00:02:45] No, Tom, you're absolutely right.

[00:02:45 - 00:02:46] So?

[00:02:46 - 00:02:47] No, you're absolutely right.

[00:02:47 - 00:02:48] You're absolutely right.

[00:02:48 - 00:02:48] [Uncertain recognition] I couldn't be sent to hell.

[00:02:48 - 00:02:49] And you know something?

[00:02:49 - 00:02:50] There's no such arguing about that.

[00:02:50 - 00:02:52] You were put on this earth for a reason.

[00:02:53 - 00:02:54] You will fulfill that reason.

[00:02:55 - 00:02:56] And you're absolutely right.

[00:02:56 - 00:02:57] And then I will go to hell.

[00:02:57 - 00:02:58] God knows.

[00:02:59 - 00:02:59] Huh?

[00:03:00 - 00:03:01] I will go to hell for not believing.

[00:03:01 - 00:03:02] Well, you ain't going to hell.

[00:03:02 - 00:03:03] Well, then why not?

[00:03:03 - 00:03:04] There's no way God's going to have to go to hell.

[00:03:04 - 00:03:07] I'm not a believer, so I will be sent to hell.

[00:03:07 - 00:03:07] Well, it doesn't matter.

[00:03:08 - 00:03:08] You will be.

[00:03:09 - 00:03:13] According to the Bible, I will be sent to hell because I do not believe.

[00:03:14 - 00:03:16] No, but guess what, buddy?

[00:03:17 - 00:03:18] God can change that.

[00:03:19 - 00:03:21] Why would God change that all of a sudden?

[00:03:21 - 00:03:23] I think there's certain people with certain attitudes.

[00:03:23 - 00:03:24] I think there's certain people with...

[00:03:24 - 00:03:27] Because we're going to be going through some serious tribulation very soon.

[00:03:27 - 00:03:29] Would God send all of us to hell?

[00:03:30 - 00:03:31] And guess what?

[00:03:31 - 00:03:32] Wait, you're talking about 2012.

[00:03:34 - 00:03:34] Say what?

[00:03:34 - 00:03:35] You're talking about 2012.

[00:03:38 - 00:03:40] What do you know about 2012?

[00:03:43 - 00:03:48] Conspiracy theories, end of the world, we're all going to die.

[00:03:49 - 00:03:51] No, no, no, we're not all going to die.

[00:03:51 - 00:03:53] Calendar of the Mayas and the Incas.

[00:03:53 - 00:03:53] We're not all going to die.

[00:04:00 - 00:04:05] There's certain prophecies. See, I've read the Bible enough.

[00:04:05 - 00:04:15] The whole South Pole will change, and then our whole time system will change, and thus the whole climate of the earth would change.

[00:04:15 - 00:04:19] Who ever thought about the European Union for me?

[00:04:19 - 00:04:21] Wait, what kind of...

[00:04:21 - 00:04:22] Huh?

[00:04:22 - 00:04:25] Wait, you lost me here.

[00:04:30 - 00:04:32] place that's prophesied about the

[00:04:32 - 00:04:34] European Union. No, you're changing

[00:04:34 - 00:04:36] the subject here. We were talking about

[00:04:36 - 00:04:37] the end of the world. Some heavy shit is coming

[00:04:37 - 00:04:40] away. It is. That's part of it.

[00:04:40 - 00:04:42] That's part of it. Prophecy

[00:04:42 - 00:04:43] has come to pass

[00:04:43 - 00:04:45] and that was the forming of the European

[00:04:45 - 00:04:46] Union.

[00:04:48 - 00:04:49] Read Revelations. Read Daniel.

[00:04:51 - 00:04:52] Now you're just far-fetching

[00:04:52 - 00:04:54] stuff. You can relate

[00:04:54 - 00:04:55] that to just about anything on Earth.

[00:04:56 - 00:04:58] See, that's what I just told you.

[00:04:58 - 00:04:59] It's what I just told you.

[00:05:00 - 00:05:04] If you believe in God, then you'll think that something is the work of God.

[00:05:05 - 00:05:07] You'll try to relativize things.

[00:05:08 - 00:05:10] You're trying to connect things to stories of the Bible.

[00:05:11 - 00:05:16] So every time you see something, you're going to fit a story to it that you read.

[00:05:17 - 00:05:18] You're going to look for things.

[00:05:18 - 00:05:19] Yes, you will.

[00:05:19 - 00:05:21] Yes, you're doing that right now.

[00:05:24 - 00:05:28] If I come out and I say the sky is blue and there's clouds in the sky, am I wrong?

[00:05:30 - 00:05:35] Skies blue if I come out and say the sky is blue and there's some this clouds in the sky am I wrong? Yeah

[00:05:36 - 00:05:38] No, I'm not yes you are

[00:05:41 - 00:05:47] Yes, you are the sky the sky is the name is is is is the how do you call it?

[00:05:51 - 00:05:56] The collective name of everything above that we see

[00:06:00 - 00:06:07] and you say the blue stuff in the sky it all has different names but it has that many names that we

[00:06:07 - 00:06:22] just call it sky I know you're collectively it's all sky above us exactly but the blue is the upper

[00:06:30 - 00:06:32] but clouds can block that.

[00:06:34 - 00:06:36] It still does not make that less true.

[00:06:39 - 00:06:40] But I see what you're saying.

[00:06:40 - 00:06:43] You're being literal about the whole shoot match.

[00:06:43 - 00:06:46] And obviously, you should know that I know

[00:06:46 - 00:06:48] that everything above our heads is sky.

[00:06:49 - 00:06:49] Yeah.

[00:06:52 - 00:06:53] But, Chris,

[00:06:54 - 00:06:57] why are you trying to pick?

[00:07:00 - 00:07:17] Check out Expelled. You're science-based. You're science-based. I'm science-based. Check out Expelled. It's nothing but scientists. No, it's nothing but scientists. It's nothing but scientists. No, but meanwhile, you're still believing in a God.

[00:07:30 - 00:07:37] And a lot of times, it wasn't under threat of being abused or punished, but everybody believed in God.

[00:07:38 - 00:07:38] So Noah's boat.

[00:07:39 - 00:07:40] Now, a lot of people don't believe in God.

[00:07:40 - 00:07:41] A lot of people don't believe in God.

[00:07:42 - 00:07:42] Noah's boat.

[00:07:43 - 00:07:48] Every species of animals fit it on his boat.

[00:07:49 - 00:07:54] Then everything was inbred, and everything came forth from Noah's boat.

[00:07:54 - 00:07:55] But guess what, buddy?

[00:08:00 - 00:08:02] assume a certain level of corruption within the...

[00:08:02 - 00:08:05] See, you're basing stuff on today's standards.

[00:08:05 - 00:08:06] Well...

[00:08:06 - 00:08:07] There was a time when we were perfect.

[00:08:07 - 00:08:11] You couldn't fit every species on Earth on that boat, how big it was.

[00:08:11 - 00:08:14] No, it doesn't say that in the Bible, man.

[00:08:16 - 00:08:18] It doesn't even say that in the Bible.

[00:08:18 - 00:08:21] It's every species that they had availability to.

[00:08:22 - 00:08:26] So, what happened to the rest of it since God flooded the Earth?

[00:08:27 - 00:08:28] God flooded the Earth.

[00:08:30 - 00:08:31] And he couldn't even build that boat.

[00:08:32 - 00:08:35] The Bible says he made it with his own hands.

[00:08:35 - 00:08:38] He couldn't even have built that with his tools.

[00:08:38 - 00:08:40] He wasn't technologically advanced enough.

[00:08:41 - 00:08:45] If they had that technology back then, and they were witnesses of that story,

[00:08:47 - 00:08:54] then they should have had the tools to advance earlier then.

[00:08:55 - 00:08:59] If they could have made such a big boat, then they could have made other stuff, but they didn't.

[00:09:00 - 00:09:01] They didn't even know for certain.

[00:09:02 - 00:09:06] How does anybody know for certain that that story is true anyway?

[00:09:06 - 00:09:07] Who wrote it?

[00:09:08 - 00:09:13] Well, first off, go take a look online and look up Noah's Ark.

[00:09:14 - 00:09:15] Just do some research on Noah's Ark.

[00:09:17 - 00:09:17] Turkey knows.

[00:09:18 - 00:09:20] Noah's Ark is on Mount Ararat.

[00:09:21 - 00:09:22] It's broken in half.

[00:09:22 - 00:09:26] The Turkish government won't let anybody go up there because they know it's there,

[00:09:26 - 00:09:27] and they consider it holy ground.

[00:09:27 - 00:09:28] Wait, I did.

[00:09:28 - 00:09:29] Go figure.

[00:09:30 - 00:09:30] It's just this bullshit.

[00:09:31 - 00:09:32] It is bullshit.

[00:09:32 - 00:09:34] I know somebody from Turkey.

[00:09:34 - 00:09:35] I know somebody from Turkey.

[00:09:36 - 00:09:36] But...

[00:09:36 - 00:09:37] By what?

[00:09:37 - 00:09:39] Just go take a look.

[00:09:39 - 00:09:39] It's another Roswell.

[00:09:41 - 00:09:42] It's another Roswell?

[00:09:42 - 00:09:43] So it's a big hoax?

[00:09:44 - 00:09:45] So it's a big hoax?

[00:09:45 - 00:09:47] Who says Roswell was a hoax?

[00:09:47 - 00:09:50] Oh, you just did, and the people on the...

[00:09:50 - 00:09:52] No, but who said...

[00:09:52 - 00:09:53] Tom, you believe in our government.

[00:09:54 - 00:09:56] Our government said Roswell was a hoax.

[00:09:57 - 00:09:57] No.

[00:09:57 - 00:09:59] You believe in our politicians.

[00:10:00 - 00:10:02] In the movie, he also said it was a hoax.

[00:10:04 - 00:10:08] Tom, you believe in people that aren't worth believing.

[00:10:09 - 00:10:13] You believe in a God that hasn't been proven to exist.

[00:10:13 - 00:10:14] No, but why are you believing?

[00:10:14 - 00:10:15] I just want to get your mindset.

[00:10:16 - 00:10:18] Why are you believing people?

[00:10:18 - 00:10:19] You shouldn't.

[00:10:19 - 00:10:25] Our politicians and our military people, controlled by our politicians, said Roswell wasn't real.

[00:10:30 - 00:10:36] Colonel, which is a very high-ranking military officer in the Air Force, comes out and writes

[00:10:36 - 00:10:41] a book and says, yes, it was real, but you don't want to believe that.

[00:10:41 - 00:10:41] [Uncertain recognition] Why?

[00:10:41 - 00:10:42] Wait, wait, wait.

[00:10:42 - 00:10:43] I don't understand.

[00:10:43 - 00:10:44] Al Ron Hubbard wrote a book.

[00:10:45 - 00:10:45] No.

[00:10:45 - 00:10:49] In fact, he made a whole, well, how do you call it, religion?

[00:10:50 - 00:10:53] He, listen, he wrote science fiction books.

[00:10:53 - 00:10:55] He wrote science fiction books.

[00:11:00 - 00:11:07] didn't write fiction book wait wait one people one one guy wrote writes a book

[00:11:07 - 00:11:13] and I hear what you're going with this but it doesn't you've got to look at the

[00:11:13 - 00:11:17] mindset I see what you're going I see where you go oh so they got to start

[00:11:17 - 00:11:22] someplace and they got to start writing someplace to get a writer science fiction

[00:11:22 - 00:11:27] what everybody said you don't do it at the age of a you don't do it you don't

[00:11:30 - 00:11:31] Why not?

[00:11:31 - 00:11:32] Period.

[00:11:32 - 00:11:34] So, but you'll get the hang of this.

[00:11:34 - 00:11:35] Don't take a look...

[00:11:35 - 00:11:36] No, no, no.

[00:11:36 - 00:11:37] Don't belittle me.

[00:11:37 - 00:11:39] I'm not belittling you.

[00:11:39 - 00:11:40] Yes, you are.

[00:11:40 - 00:11:45] You'll get the hang of this, and you're talking about I was young once, et cetera.

[00:11:45 - 00:11:47] See, I know more facts than you.

[00:11:47 - 00:11:50] Oh, you don't think that that's got any bearing on it?

[00:11:50 - 00:11:52] You don't think that that's got any bearing?

[00:11:52 - 00:11:53] You're throwing it on spirituality.

[00:11:53 - 00:11:55] All of this are you throwing it on spirituality.

[00:11:55 - 00:11:56] God did this, God did that.

[00:11:56 - 00:11:57] Let me ask you this.

[00:12:00 - 00:12:01] or corporation

[00:12:01 - 00:12:03] or running your country

[00:12:03 - 00:12:05] if your age has got

[00:12:05 - 00:12:07] no bearing on anything.

[00:12:07 - 00:12:09] [Uncertain recognition] Well, because I got...

[00:12:10 - 00:12:11] [Uncertain recognition] Yeah, well, why

[00:12:11 - 00:12:12] aren't you?

[00:12:14 - 00:12:15] Because

[00:12:15 - 00:12:17] I fucked up.

[00:12:18 - 00:12:20] And I'm still young.

[00:12:21 - 00:12:22] There you go.

[00:12:22 - 00:12:24] Then, wait, wait, you fucked up

[00:12:24 - 00:12:25] and I'm still young.

[00:12:26 - 00:12:27] So?

[00:12:27 - 00:12:29] I'm making up for lost time. That's why I'm

[00:12:30 - 00:12:31] ass now. See, I did

[00:12:31 - 00:12:34] what you did, and I used to play a lot

[00:12:34 - 00:12:35] of games, used to go to a lot of parties,

[00:12:36 - 00:12:37] I loved

[00:12:37 - 00:12:38] the women,

[00:12:39 - 00:12:41] I liked taking

[00:12:41 - 00:12:43] vacations and traveling,

[00:12:43 - 00:12:45] but I did not give two

[00:12:45 - 00:12:47] shits about life.

[00:12:48 - 00:12:49] That's not caring about life.

[00:12:50 - 00:12:51] That's having

[00:12:51 - 00:12:52] fun.

[00:12:53 - 00:12:55] And I did it all my

[00:12:55 - 00:12:57] life. Went through

[00:12:57 - 00:12:59] a couple of marriages, excuse me, one

[00:13:00 - 00:13:02] And I might as well have been married on the second time around, too.

[00:13:03 - 00:13:03] That was seven years.

[00:13:04 - 00:13:10] And a couple of long-term relationships, Tom, playing, having fun.

[00:13:11 - 00:13:13] Oh, I got kids.

[00:13:13 - 00:13:15] Oh, I had a great job.

[00:13:15 - 00:13:16] But guess what?

[00:13:16 - 00:13:21] It didn't amount to a hill of fucking beans because people were controlling me.

[00:13:22 - 00:13:24] I worked for the man.

[00:13:25 - 00:13:28] I wasn't in control of my life.

[00:13:30 - 00:13:34] was. That's why I decided to try to be an entrepreneur

[00:13:34 - 00:13:37] without any business experience. That's why

[00:13:37 - 00:13:41] I just signed up for school. But Tom, I'm not belittling you

[00:13:41 - 00:13:45] man. You're going through exactly what I went through and there's

[00:13:45 - 00:13:49] nothing wrong with that. Me saying that

[00:13:49 - 00:13:53] there is something wrong with you because if we were

[00:13:53 - 00:13:57] living like you said 200, 300 years ago

[00:14:00 - 00:14:05] man, life would be dead serious to you because it wouldn't be as convenient.

[00:14:06 - 00:14:07] [Uncertain recognition] Wait, wait, one moment.

[00:00:00 - 00:00:00] Hey, Dave.

[00:00:24 - 00:00:26] Well, if you're wondering what happened.

[00:00:30 - 00:00:35] No, no, no. I said life is convenient now. You'd be dead serious.

[00:00:36 - 00:00:46] 24, 200 years ago, or 20, 200 years ago, 300 years ago, when the mortality rate was high, people got serious about life fast.

[00:00:46 - 00:00:54] How come people from the Bible lived that long then? How come? Yet there's no proof from the people themselves.

[00:01:00 - 00:01:01] any scientist.

[00:01:02 - 00:01:05] If everything is pure,

[00:01:07 - 00:01:09] there are no germs,

[00:01:10 - 00:01:12] then that means there are no diseases.

[00:01:12 - 00:01:13] If there are no viruses,

[00:01:14 - 00:01:15] there are no illnesses.

[00:01:16 - 00:01:17] If God made us,

[00:01:17 - 00:01:18] hypothetically speaking,

[00:01:18 - 00:01:19] let's talk hypothetically,

[00:01:19 - 00:01:20] if God made us,

[00:01:20 - 00:01:21] he made us perfect.

[00:01:23 - 00:01:25] God says that the introduction of sin,

[00:01:25 - 00:01:27] not the eating of a freaking apple,

[00:01:30 - 00:01:43] And see, fruit isn't necessarily fruit-fruit, but we always call something like the apple of their eye, or, you know, we refer to fruit sometimes as a sweet, delicious thing.

[00:01:44 - 00:01:51] And mankind kind of condescends and writes in a manner that is palatable to other men.

[00:02:00 - 00:02:01] not an apple tree

[00:02:01 - 00:02:04] so they became

[00:02:04 - 00:02:05] knowledgeable

[00:02:05 - 00:02:08] their eyes were open

[00:02:08 - 00:02:09] they were supposed to live forever

[00:02:09 - 00:02:12] but the minute sin was introduced

[00:02:12 - 00:02:14] into their life by disobeying God

[00:02:14 - 00:02:17] that started the corruption process

[00:02:17 - 00:02:18] of the flesh

[00:02:18 - 00:02:19] because technically speaking

[00:02:19 - 00:02:21] any scientist knows

[00:02:21 - 00:02:23] that our cells

[00:02:23 - 00:02:24] the new ones

[00:02:24 - 00:02:26] this is an absolute scientific fact

[00:02:26 - 00:02:29] when our cells replace

[00:02:30 - 00:02:42] ones that have just died, those brand new cells are a millionth of a microscopic, I can't

[00:02:42 - 00:02:52] even remember the term for it, it's a millionth of a microscopic something less of the substances

[00:02:52 - 00:02:54] that were in the cells that just died.

[00:03:00 - 00:03:04] Because they've got less than the cells that just died.

[00:03:04 - 00:03:06] That's why we get old.

[00:03:07 - 00:03:11] If the Bible and God was perfect, why would they say it's fruit and not really fruit?

[00:03:15 - 00:03:15] Wait, wait, wait.

[00:03:16 - 00:03:22] If the Bible and God were perfect and God sent us to write the Bible,

[00:03:22 - 00:03:25] why would it say that it's fruit?

[00:03:26 - 00:03:29] How about so people could understand it?

[00:03:30 - 00:03:32] so how about so

[00:03:32 - 00:03:35] so how about so people could understand it

[00:03:35 - 00:03:36] God can make us perfect man

[00:03:36 - 00:03:38] God doesn't want to see the whole thing

[00:03:38 - 00:03:42] I guess the whole thing here Tom

[00:03:42 - 00:03:44] is God wants us to

[00:03:44 - 00:03:45] have faith

[00:03:45 - 00:03:47] and to love him

[00:03:47 - 00:03:48] have faith

[00:03:48 - 00:03:51] and faith is just not explaining

[00:03:51 - 00:03:53] and letting go on everything

[00:03:53 - 00:03:55] and just letting life go

[00:03:55 - 00:03:56] as life is going

[00:03:56 - 00:03:58] well that doesn't get you anywhere

[00:04:00 - 00:04:01] What does?

[00:04:02 - 00:04:08] What does is trying to understand why we're here, what created us, and what's beyond it.

[00:04:09 - 00:04:12] What if we find out that there is a God?

[00:04:12 - 00:04:18] If you waste your whole lifetime believing in something that you don't know for sure,

[00:04:19 - 00:04:21] what does that make you?

[00:04:22 - 00:04:23] What's your purpose then?

[00:04:23 - 00:04:24] It's the contrary.

[00:04:25 - 00:04:28] Do you realize that if nobody out here believed in God, this would be a hellhole?

[00:04:30 - 00:04:36] survival of the fittest it would be a few men controlling the many

[00:04:36 - 00:04:44] and wait wait wait and cheetahs don't eat other animals to stay alive

[00:04:44 - 00:04:49] survival of the fittest isn't that the whole food chain the whole food chain

[00:04:49 - 00:04:55] does it and that's the way we survive and we keep the planet in balance if a

[00:05:00 - 00:05:01] the other insects eat each other.

[00:05:02 - 00:05:04] Then there will be too much of one insect.

[00:05:04 - 00:05:06] Tom, that's a hell of a...

[00:05:06 - 00:05:08] No.

[00:05:08 - 00:05:09] Yes, there will be.

[00:05:09 - 00:05:10] We're not animals.

[00:05:10 - 00:05:12] We're not animals, man.

[00:05:12 - 00:05:13] Yes, we are.

[00:05:13 - 00:05:14] We are mammals.

[00:05:15 - 00:05:16] There's a difference.

[00:05:16 - 00:05:17] Why?

[00:05:17 - 00:05:17] There's a difference.

[00:05:17 - 00:05:20] Why is there a difference between me and an ape?

[00:05:20 - 00:05:21] Then why don't you call...

[00:05:21 - 00:05:22] Why is it...

[00:05:22 - 00:05:27] What I don't understand here is you want to believe something...

[00:05:30 - 00:05:34] phrase with respect to this issue.

[00:05:34 - 00:05:38] But I don't hear you calling a dolphin. Is a dolphin an animal?

[00:05:40 - 00:05:42] Yeah, it's the same. We're actually the same.

[00:05:42 - 00:05:45] Just me calling it an animal. I don't know the correct English term.

[00:05:45 - 00:05:48] A living organism. It's a mammal. We are mammals.

[00:05:48 - 00:05:53] Living organisms. Everything that lives and breathes

[00:05:53 - 00:05:57] and has a brain so it can function is

[00:06:00 - 00:06:06] it's the same thing it can express emotions it's just not maybe it's not

[00:06:06 - 00:06:10] intelligent enough but what's the difference between killing 10 people or

[00:06:10 - 00:06:16] killing 10 goats can't go to suffer and as the moment you suffer and feel emotions

[00:06:16 - 00:06:22] then it's the same as being human animals and mammals everything alike can

[00:06:22 - 00:06:28] express emotions and feelings have you ever heard of instinct yeah okay

[00:06:30 - 00:06:39] There is things that make things feel good and things that make things feel afraid, right?

[00:06:40 - 00:06:48] Yeah, and there are also animals that can express love and play and joy and all the emotions we have.

[00:06:48 - 00:06:49] But see, this is the whole thing.

[00:06:49 - 00:06:57] Do you realize that you are talking, you know, you bust liberals' asses, but guess what?

[00:06:57 - 00:06:59] You talk like a liberal over here.

[00:07:00 - 00:07:03] [Uncertain recognition] why

[00:07:03 - 00:07:07] [Uncertain recognition] you

[00:07:07 - 00:07:09] well this is why you need to do a little bit of research

[00:07:09 - 00:07:10] it would

[00:07:10 - 00:07:12] if I explained it to you

[00:07:12 - 00:07:14] you're saying I talk like a liberal

[00:07:14 - 00:07:17] but then you say I need to do some research

[00:07:17 - 00:07:19] on being a liberal and what that is

[00:07:19 - 00:07:21] yeah

[00:07:21 - 00:07:24] because

[00:07:24 - 00:07:29] you're a smart guy

[00:07:30 - 00:07:36] You've just been, you've just been, you live in a society.

[00:07:37 - 00:07:39] See, it's hard to, wait, yeah, how do you explain that?

[00:07:39 - 00:07:44] You live in a society where there is a lot of...

[00:07:44 - 00:07:46] Shit going on.

[00:07:47 - 00:07:48] Wait a minute, wait a minute, wait a minute.

[00:07:48 - 00:07:50] Well, there's a lot of shit going on all over the place.

[00:08:00 - 00:08:11] world. And the concept of God is forbidden, basically, to be able to enjoy that kind of

[00:08:11 - 00:08:23] lifestyle. I'll give you an example. How many God-fearing swingers that go to swingers

[00:08:30 - 00:08:31] meant to be monogamous.

[00:08:32 - 00:08:33] Huh? No, we're not meant to be

[00:08:33 - 00:08:35] monogamous. We're never aware.

[00:08:35 - 00:08:38] That's the most of it. That's bullshit.

[00:08:40 - 00:08:41] A lot of animals are monogamous.

[00:08:41 - 00:08:43] Oh, is that why, wait a minute, is that

[00:08:43 - 00:08:45] why, see, you're not aware that

[00:08:45 - 00:08:47] when I was your age, there

[00:08:47 - 00:08:49] was, guess what, buddy?

[00:08:50 - 00:08:50] Worldwide.

[00:08:52 - 00:08:53] Worldwide.

[00:08:53 - 00:08:55] There was three

[00:08:55 - 00:08:57] sexually

[00:08:57 - 00:08:59] transmitted diseases

[00:09:00 - 00:09:02] [Uncertain recognition] And?

[00:09:02 - 00:09:07] Well, there are 37.

[00:09:07 - 00:09:11] Don't tell me we were never meant to be monogamous.

[00:09:11 - 00:09:13] Oh, well, that's just...

[00:09:13 - 00:09:18] 37 out of which 28 will kill you.

[00:09:18 - 00:09:21] And that's her own fault.

[00:09:21 - 00:09:24] And then I guess it's meant to be...

[00:09:24 - 00:09:25] Wait a minute.

[00:09:25 - 00:09:26] Wait a minute.

[00:09:26 - 00:09:27] Excuse me.

[00:09:27 - 00:09:29] We're supposed to wear rubbers, right?

[00:09:30 - 00:09:31] We're supposed to wear rubbers, right?

[00:09:31 - 00:09:33] No, no, no.

[00:09:33 - 00:09:37] Oh, we were never meant to be monogamous, but we're supposed to wear rubbers.

[00:09:37 - 00:09:42] God created us, and God gave us a plan, and we're just carrying out God's plan if God was real.

[00:09:43 - 00:09:45] So you can't just throw it on...

[00:09:45 - 00:09:47] Oh, no, no, no, you're right, you're right.

[00:09:47 - 00:09:48] We're not supposed to be...

[00:09:48 - 00:09:50] Tom, you are right.

[00:09:50 - 00:09:53] At one point, we were not monogamous.

[00:09:54 - 00:09:56] No, but if God made us, then God also saw this.

[00:09:57 - 00:09:58] We're made in God's image.

[00:10:00 - 00:10:02] See, this is the whole thing. It doesn't make freaking sense.

[00:10:02 - 00:10:10] If God didn't want us to exist, and he didn't want us to do it, then he would have just made us to not do it.

[00:10:11 - 00:10:17] Tom, you're absolutely right. We were not meant to be monogamous, but there came a point in time when we were commanded to be monogamous.

[00:10:18 - 00:10:18] No, it's still in the Bible.

[00:10:18 - 00:10:20] You're right. You are absolutely right.

[00:10:21 - 00:10:21] Huh?

[00:10:22 - 00:10:23] It's in the Bible.

[00:10:23 - 00:10:23] You're right.

[00:10:30 - 00:10:36] it to be monogamous yeah so exactly that's also one point that's not true and then all the other

[00:10:36 - 00:10:45] points that are not true so we're not going to see eye to eye on this but if you were meant to believe

[00:10:45 - 00:10:54] if you were meant to believe huh the bible is a really good basic on human ethics like if you

[00:11:00 - 00:11:04] codes of behavior, then everything will be more peaceful and you'll have a happy life

[00:11:04 - 00:11:09] as long as you stop asking questions. If you solely believe in the Bible, you'll stop

[00:11:09 - 00:11:15] asking questions, and if everybody actually followed the Bible to its fullest, then, yeah,

[00:11:15 - 00:11:21] everything will go peaceful. I don't think anybody could ever not question the Bible.

[00:11:22 - 00:11:25] I mean, I'm not like that. I'm not like that. But you know something? You've heard a lot

[00:11:30 - 00:11:34] is the changes in dynamics of certain things.

[00:11:35 - 00:11:38] But you haven't been wrong about anything.

[00:11:39 - 00:11:42] It's just a bigger picture.

[00:11:44 - 00:11:47] And the bottom line here is if you were meant to believe, you'll believe.

[00:11:47 - 00:11:49] If you weren't, you won't.

[00:11:51 - 00:11:55] We've got a while to go on this world, hopefully.

[00:12:00 - 00:12:02] But I don't know.

[00:12:02 - 00:12:04] I'm not even worried about 2012.

[00:12:04 - 00:12:06] I'm worried about this week, you know.

[00:12:07 - 00:12:13] But the bottom line here is that it doesn't really matter.

[00:12:14 - 00:12:15] You're a decent dude anyway, so.

[00:12:17 - 00:12:20] Yeah, but that doesn't really answer the questions.

[00:12:22 - 00:12:23] Right, but you see Expelled.

[00:12:24 - 00:12:24] You see all the bunches.

[00:12:24 - 00:12:26] You see all the scientists.

[00:12:27 - 00:12:28] You're a science-based guy.

[00:12:30 - 00:12:31] science-based guy, you know, you

[00:12:31 - 00:12:33] believe the science. I believe the

[00:12:33 - 00:12:34] science, you know.

[00:12:36 - 00:12:38] So, the beauty of it

[00:12:38 - 00:12:39] is that

[00:12:39 - 00:12:41] there's only, eventually

[00:12:41 - 00:12:44] everything will be revealed. I just brought that

[00:12:44 - 00:12:46] up just as a point

[00:12:46 - 00:12:47] of interest

[00:12:47 - 00:12:50] about expelled, you know,

[00:12:50 - 00:12:51] about science.

[00:12:52 - 00:12:53] So, I wasn't

[00:12:53 - 00:12:55] trying to convince you to believe or

[00:12:55 - 00:12:57] you can't convince anybody to

[00:12:57 - 00:12:58] believe you know that.

[00:13:00 - 00:13:02] Yes, you can. They're all dumb people.

[00:13:02 - 00:13:04] I don't think they really can.

[00:13:04 - 00:13:06] You can convince dumb people. Yes, you can.

[00:13:06 - 00:13:08] Yes, you can.

[00:13:08 - 00:13:10] You can make them afraid.

[00:13:10 - 00:13:12] And that's the whole fucking point

[00:13:12 - 00:13:14] of why everybody believed that

[00:13:14 - 00:13:16] so much in so long.

[00:13:16 - 00:13:18] Priests made people

[00:13:18 - 00:13:20] afraid. Afraid of God.

[00:13:20 - 00:13:22] God-fearing.

[00:13:22 - 00:13:24] I don't know, I look at God as love.

[00:13:24 - 00:13:26] No, no.

[00:13:26 - 00:13:28] Everybody is afraid of God.

[00:13:28 - 00:13:29] I'm not.

[00:13:30 - 00:13:32] Everybody that believes is afraid of God.

[00:13:32 - 00:13:36] If you're not afraid of God, then you're not a true believer.

[00:13:37 - 00:13:38] No, that's not true.

[00:13:38 - 00:13:39] God's love.

[00:13:39 - 00:13:41] Let me ask you this.

[00:13:41 - 00:13:43] You've got a father, right?

[00:13:43 - 00:13:43] [Uncertain recognition] Yeah.

[00:13:44 - 00:13:45] You've got a father.

[00:13:45 - 00:13:46] You love him.

[00:13:46 - 00:13:51] You're afraid of him in a certain sense, but not in the sense that he's going to kill you.

[00:13:52 - 00:13:52] No.

[00:13:52 - 00:13:54] I mean, not unless you're Muslim, you know?

[00:13:54 - 00:13:54] No.

[00:13:54 - 00:13:56] And you convert to Christianity.

[00:13:57 - 00:13:57] [Uncertain recognition] Huh?

[00:13:58 - 00:13:58] [Uncertain recognition] You're a racist.

[00:14:00 - 00:14:01] No, I'm not a racist.

[00:14:01 - 00:14:01] Yes, you are.

[00:14:02 - 00:14:03] You don't know about Muslims?

[00:14:04 - 00:14:05] [Uncertain recognition] Yes, you are.

[00:14:05 - 00:14:06] Why do you say that?

[00:14:07 - 00:14:07] [Uncertain recognition] Yes, you are.

[00:14:09 - 00:14:10] Why do you say that?

[00:14:10 - 00:14:11] Because I brought up Muslim.

[00:14:12 - 00:14:13] I said not unless you're a Muslim.

[00:14:15 - 00:14:17] And afraid of brothers.

[00:14:17 - 00:14:18] [Uncertain recognition] Why?

[00:14:20 - 00:14:21] [Uncertain recognition] Why?

[00:14:22 - 00:14:24] I'll give you a good example.

[00:14:24 - 00:14:24] Two brothers.

[00:14:26 - 00:14:27] The Ergon brothers.

[00:14:30 - 00:14:30] Thank you.

[00:00:00 - 00:00:00] [Uncertain recognition] Hey, Dave.

[00:00:24 - 00:00:27] [Uncertain recognition] Well, if you're wondering what happened...

[00:00:27 - 00:00:29] [Uncertain recognition] Thanks to Muslims.

[00:00:30 - 00:00:39] And eventually, a confluence of events, and this is ironic, and it's almost an impossibility

[00:00:39 - 00:00:46] that both, individually and independently, would come to believe in God.

[00:00:46 - 00:00:52] The God of the Bible, not the God of the Koran.

[00:00:53 - 00:00:55] It's the same God.

[00:00:55 - 00:00:56] No.

[00:00:57 - 00:00:59] They say, listen.

[00:01:00 - 00:01:15] All these stories from every holy book on every religion, apart from some other religions, are really old stories that have been changed all the time.

[00:01:16 - 00:01:20] I'm going to give you their URL. Here. You can go listen to them yourselves.

[00:01:21 - 00:01:22] You go watch Side Guys 2.

[00:01:24 - 00:01:28] You go watch Side Guys 2, Chris.

[00:01:30 - 00:01:40] Uh, you're kidding me. You are, I don't, I don't, I'm not really into that. Especially, I mean, I was following you along until you brought up the reptile shit, okay?

[00:01:41 - 00:01:42] Uh, that's not about reptiles.

[00:01:44 - 00:01:45] What? Psycheis?

[00:01:47 - 00:01:53] Oh, no, no, no, that's David Icke. That's David Icke, yeah. Psycheis, Psycheis, I've heard that and I've seen that.

[00:01:53 - 00:01:56] Psycheis 2. No, wait, Psycheis 1.

[00:01:57 - 00:01:58] I'll look, I'll look at it tonight.

[00:02:00 - 00:02:04] And at the start, they're talking about God and the stories of the Bible, etc.

[00:02:05 - 00:02:06] How do you spell that?

[00:02:07 - 00:02:12] Z-E-I-T-G-E-I-S-T

[00:02:12 - 00:02:15] Got it. Okay. That's one.

[00:02:17 - 00:02:17] Okay.

[00:02:18 - 00:02:23] You got one or two on that, but I suppose you'll have to watch the beginning of one.

[00:02:26 - 00:02:26] Okay.

[00:02:30 - 00:02:35] Yeah, okay, I'll get you this link though, but you know something I mean

[00:02:37 - 00:02:42] We don't we don't need to argue about this anymore. It doesn't really matter. I mean you make a lot of

[00:02:43 - 00:02:48] You make a lot of good points, and I understand where you're coming from I really don't

[00:02:52 - 00:02:54] [Uncertain recognition] Sorry, I gotta find this

[00:03:00 - 00:03:01] Scaldy, it's 11.30.

[00:03:01 - 00:03:01] Where'd he go?

[00:03:01 - 00:03:02] Where'd he go out?

[00:03:02 - 00:03:03] I believe Coon is there.

[00:03:04 - 00:03:06] Oh, he's been listening?

[00:03:06 - 00:03:06] No.

[00:03:07 - 00:03:08] No, I can call him up.

[00:03:12 - 00:03:13] Okay, there he is.

[00:03:14 - 00:03:15] Yeah, Coon.

[00:03:16 - 00:03:16] Yo.

[00:03:17 - 00:03:17] [Uncertain recognition] Yo.

[00:03:17 - 00:03:18] Jeez, where'd you go?

[00:03:19 - 00:03:20] What's up?

[00:03:20 - 00:03:21] What have you been doing?

[00:03:23 - 00:03:23] Not much.

[00:03:24 - 00:03:24] What about you?

[00:03:25 - 00:03:27] Oh, man, you sound like you've got a buzz on.

[00:03:28 - 00:03:28] [Uncertain recognition] A what?

[00:03:30 - 00:03:32] A buzz? No.

[00:03:32 - 00:03:34] A B-U-Z-Z.

[00:03:34 - 00:03:36] [Uncertain recognition] No, I'm okay.

[00:03:36 - 00:03:38] I'm just a little bit tired.

[00:03:38 - 00:03:42] Yeah. I'm just a little bit tired right now.

[00:03:42 - 00:03:44] Oh yeah, it's late.

[00:03:46 - 00:03:48] We don't need to go down that road, Tom.

[00:03:48 - 00:03:50] This is your faithful Christian.

[00:03:50 - 00:03:52] Yeah, I know.

[00:03:52 - 00:03:54] Hence the name Chris.

[00:03:54 - 00:03:58] I know he is. I've talked to him before about it and stuff.

[00:04:00 - 00:04:02] I got Tom wound up.

[00:04:06 - 00:04:08] Tom, I love you, man.

[00:04:08 - 00:04:09] I love you, man.

[00:04:28 - 00:04:29] Ice cool, Adam.

[00:04:30 - 00:04:32] Aragorn.

[00:04:32 - 00:04:34] Aragorn.

[00:04:34 - 00:04:36] Aragorn.

[00:04:36 - 00:04:38] Are you talking about the movie?

[00:04:38 - 00:04:40] With the gay ass actors?

[00:04:40 - 00:04:42] With the dragon?

[00:04:42 - 00:04:44] No, hey, you guys see the movie 300?

[00:04:44 - 00:04:46] No.

[00:04:52 - 00:04:54] This is blasphemy.

[00:04:54 - 00:04:56] This is madness.

[00:05:13 - 00:05:15] Just look that up in Google.

[00:05:15 - 00:05:16] Snap your carrot.

[00:05:16 - 00:05:18] Spank your monkey.

[00:05:27 - 00:05:28] Chris is coming into town.

[00:05:28 - 00:05:29] I'm going to rip all the data packets apart.

[00:05:30 - 00:05:34] Oh, Tom, Tom, calm down, man.

[00:05:36 - 00:05:43] [Uncertain recognition] Don't be, don't be, don't be, don't be, don't be, don't be, don't be, don't be, don't be vitriolic.

[00:05:43 - 00:05:48] Whoa, whoa, whoa, he drew in a nice and intellectual word there.

[00:05:49 - 00:05:50] Do you know what vitriolic means?

[00:05:50 - 00:05:52] No, actually, I don't even.

[00:06:00 - 00:06:04] Oh, but there's a storm we're talking about here, Chris.

[00:06:05 - 00:06:06] I don't think that's possible.

[00:06:09 - 00:06:10] No, he's a good dude.

[00:06:10 - 00:06:11] He's a good dude.

[00:06:16 - 00:06:16] He knows a little.

[00:06:17 - 00:06:17] [Uncertain recognition] Wait, what?

[00:06:18 - 00:06:19] In a good way.

[00:06:19 - 00:06:19] In a good way.

[00:06:20 - 00:06:21] In a good way.

[00:06:21 - 00:06:25] What's the bad way?

[00:06:25 - 00:06:26] [Uncertain recognition] It's the bad way.

[00:06:27 - 00:06:29] [Uncertain recognition] Chris, you're a child molester.

[00:06:29 - 00:06:29] [Uncertain recognition] I don't know.

[00:06:30 - 00:06:39] No, there's some guys probably hanging out on the street down there someplace that could actually demonstrate the bad way.

[00:06:40 - 00:06:42] Wait, you're going to demonstrate the bad way?

[00:06:42 - 00:06:43] Was that a threat?

[00:06:44 - 00:06:45] No, you didn't listen.

[00:13:00 - 00:13:01] The only city is out of there.

[00:13:02 - 00:13:04] Oh, you've been to Amsterdam, Chris?

[00:13:04 - 00:13:06] I thought you only wanted to go there.

[00:13:06 - 00:13:11] I wanted to come a couple of times, but I will.

[00:13:11 - 00:13:15] My first vacation, I want a lot of relaxation,

[00:13:16 - 00:13:22] and I think that it would probably bode well if it's during the nice time of year to come there

[00:13:22 - 00:13:28] and just feel nice and relaxed, you know, to be able to, you know, engage in some.

[00:13:30 - 00:13:31] I've tried different kinds of herbs.

[00:13:31 - 00:13:35] I'm really looking forward to sativa over there.

[00:13:35 - 00:13:36] Sativa versus the indica.

[00:13:37 - 00:13:38] You're not even going to try that one.

[00:13:40 - 00:13:41] What? Not the indica?

[00:13:41 - 00:13:43] I don't like indica. I like sativa.

[00:13:44 - 00:13:45] [Uncertain recognition] Light-headed bugs.

[00:13:45 - 00:13:46] And then the hash.

[00:13:46 - 00:13:47] I saw the show.

[00:13:48 - 00:13:48] [Uncertain recognition] Huh?

[00:01:30 - 00:01:31] We got everything we got then.

[00:01:32 - 00:01:38] But, yeah, Tom, I'm up for some delicious egg rolls, cheese-flavored, if that's possible.

[00:01:38 - 00:01:39] Yeah, let's get some egg rolls.

[00:01:39 - 00:01:41] Oh, dude, cheese-flavored egg rolls.

[00:01:42 - 00:01:42] Yeah.

[00:01:42 - 00:01:43] Let's get some of Chris's from them.

[00:01:44 - 00:01:45] Yeah, Chris, you in?

[00:01:46 - 00:01:48] Nobody has delivered to me around here anymore.

[00:01:48 - 00:01:49] I wonder why that is.

[00:01:49 - 00:01:50] Oh, no, let's try it.

[00:01:50 - 00:01:51] Why is that, Chris?

[00:01:53 - 00:01:54] It ain't happening.

[00:01:55 - 00:01:58] I called up the pizza shop to get them to deliver the other night,

[00:02:00 - 00:02:01] 173 Bell, uh-uh.

[00:02:02 - 00:02:03] Oh, okay.

[00:02:04 - 00:02:06] Well, you got the egg rolled, didn't you?

[00:02:07 - 00:02:09] Oh, they showed up once.

[00:02:10 - 00:02:12] Yeah, but then the guy called you, right?

[00:02:14 - 00:02:14] Yeah.

[00:02:15 - 00:02:15] Yeah.

[00:02:16 - 00:02:16] You don't like him?

[00:02:17 - 00:02:18] No, no, no, no.

[00:02:18 - 00:02:21] In Watertown, I can't get anybody to look over to me.

[00:02:21 - 00:02:24] So now I've got to walk down to the supermarket to get my food.

[00:02:25 - 00:02:26] I see, but...

[00:02:26 - 00:02:28] There was a time when I didn't order.

[00:02:30 - 00:02:37] Do you know the guy who egg rolled you?

[00:02:37 - 00:02:38] Do you know who that is?

[00:02:39 - 00:02:39] No.

[00:02:40 - 00:02:41] Oh, I thought you'd see the movie.

[00:02:42 - 00:02:43] Yeah, it's on YouTube.

[00:02:44 - 00:02:45] Oh, it is?

[00:02:46 - 00:02:47] Yeah, where he tells.

[00:02:47 - 00:02:51] He says, you know, he asks if you got your egg rolls,

[00:02:52 - 00:02:54] and then you say, yeah, tell me where the packet is, smartass.

[00:02:56 - 00:02:57] You have no clue.

[00:02:57 - 00:02:58] You have no concept.

[00:03:00 - 00:03:03] No, see, you guys think this is all conversations.

[00:03:03 - 00:03:04] I don't understand that.

[00:03:05 - 00:03:06] Because you guys do it just like they do it.

[00:03:07 - 00:03:08] They splice conversations.

[00:03:09 - 00:03:10] Splice?

[00:03:11 - 00:03:12] Splice, splice.

[00:03:13 - 00:03:17] You know, like when you're editing a movie in one section to another.

[00:03:17 - 00:03:19] We call that splicing over here.

[00:03:19 - 00:03:26] Because you used to have to, at one point, take physical tape and actually cut it and put it back together.

[00:03:27 - 00:03:28] We call it splicing.

[00:03:30 - 00:03:34] But, you know, it's not really, it's just the raw recording, though.

[00:03:35 - 00:03:35] It's nothing.

[00:03:35 - 00:03:38] Yeah, I had somebody call me up and say, oh, listen to what you're saying.

[00:03:38 - 00:03:40] That's cool, like, yeah, listen to that.

[00:03:41 - 00:03:42] That's not me talking.

[00:03:43 - 00:03:45] That's bits and pieces of a conversation that people have.

[00:03:45 - 00:03:49] Oh, I know, no, I'm talking about a conversation where he calls you up, you know,

[00:03:49 - 00:03:50] and he put it on YouTube.

[00:03:50 - 00:03:55] I thought you'd seen it by now, you know, where he talks about the act roles

[00:03:55 - 00:03:58] and then he asks you if you know what a data packet is and you say,

[00:04:00 - 00:04:01] that they to peg it is more that's

[00:04:01 - 00:04:05] it's an actual call to you

[00:04:05 - 00:04:06] from another conversation

[00:04:06 - 00:04:07] I may not have been talking to him

[00:04:07 - 00:04:10] all in a linear conversation

[00:04:10 - 00:04:11] that's the problem

[00:04:11 - 00:04:12] I had somebody call me up

[00:04:12 - 00:04:13] when I pointed them to YouTube

[00:04:13 - 00:04:15] to listen to that

[00:04:15 - 00:04:16] and you know something

[00:04:16 - 00:04:17] they said

[00:04:17 - 00:04:19] they were like

[00:04:19 - 00:04:23] they were like

[00:04:23 - 00:04:25] hey what's up with that

[00:04:25 - 00:04:26] it was a chick

[00:04:26 - 00:04:28] and she was giving me a rash and a shit

[00:04:28 - 00:04:28] and I was going like hey

[00:04:30 - 00:04:33] Don't you understand? That is not one conversation.

[00:04:34 - 00:04:35] Right. Yeah.

[00:04:36 - 00:04:38] Some of these people are really good at doing this sort of thing.

[00:04:40 - 00:04:41] What do you mean? What kind of thing?

[00:04:42 - 00:04:43] You know, like trying to make you talk and stuff?

[00:04:45 - 00:04:49] Manipulating, manipulating recorded conversations.

[00:04:50 - 00:04:51] Right. That's true.

[00:04:51 - 00:04:54] But, you know, usually they just put up the recording with you

[00:04:54 - 00:04:58] and then they just cut out the words and they put it on the soundboard

[00:05:00 - 00:05:08] voice that's what usually happens yeah but i'm talking about uh if a person gets a hold of a

[00:05:08 - 00:05:16] couple of pieces of of tape of sound that sound very very similar extremely close they can actually

[00:05:16 - 00:05:20] make a conversation out of that nobody'd know it nobody'd know the difference that's true i don't

[00:05:20 - 00:05:27] think it happened so oh it has it has i had a chick listen to one of the conversations she she was i

[00:05:30 - 00:05:34] went up and she saw something. She was like, why were you talking like that? I said, what

[00:05:34 - 00:05:39] are you listening to? She's going like, I'm listening to this. And I'm saying, hey. And

[00:05:39 - 00:05:46] I went and listened to her. I said, that is not me. That is not, I'm not talking in a linear

[00:05:46 - 00:05:54] conversation. I said, somebody spliced that shit. Which video? She couldn't tell the

[00:05:54 - 00:05:59] difference. She called me a liar. Yeah, what's the video you're talking about then? She's

[00:06:00 - 00:06:02] fucking mind I don't know I don't care because she was out of her fucking mind

[00:06:02 - 00:06:04] [Uncertain recognition] so

[00:06:04 - 00:06:09] yeah

[00:06:09 - 00:06:14] anyways listen um so you guys staying up all night tonight

[00:06:14 - 00:06:18] no no we were out to school and sleeping

[00:06:18 - 00:06:22] [Uncertain recognition] oh yeah so how'd school go today

[00:06:22 - 00:06:25] as a matter of fact I was telling Tom I'm going

[00:06:25 - 00:06:28] I'm doing online schooling I know that you told me

[00:06:30 - 00:06:35] business master master degree business or something right yeah yeah yeah i'm gonna

[00:06:35 - 00:06:43] fucking rule the world and you guys are gonna help me oh really we're not gonna be yeah

[00:06:43 - 00:06:54] how are we gonna help you huh how are we gonna help you because uh well we we have a plan we

[00:07:00 - 00:07:06] Yeah, well, I told Tom, I'm opening up a shop over there, and, uh, in, in, in, in Switzerland.

[00:07:07 - 00:07:09] Yeah, yeah, I'm going to have a shop in Party City.

[00:07:10 - 00:07:11] Oh, what's you calling?

[00:07:12 - 00:07:14] But, yeah, you told me that, Chris.

[00:07:15 - 00:07:16] You told me that six months ago.

[00:07:17 - 00:07:19] Thank you for calling the Bedford Village in.

[00:07:19 - 00:07:19] This is Jennifer.

[00:07:19 - 00:07:20] How may I help you?

[00:07:21 - 00:07:23] Yeah, hello, um, can I order some food?

[00:07:23 - 00:07:24] Do you deliver at home?

[00:07:25 - 00:07:27] Uh, we do not deliver, no.

[00:07:30 - 00:07:36] [Uncertain recognition] Oh, um, yeah, I mean, I think it's a room that you like it.

[00:07:36 - 00:07:42] Yeah, um, are you mocking me?

[00:07:43 - 00:07:44] No.

[00:07:45 - 00:07:46] [Uncertain recognition] Then who was laughing?

[00:07:48 - 00:07:48] That wasn't me.

[00:07:49 - 00:07:53] Okay, well, that's really weird then, because it's only me and you there.

[00:07:54 - 00:07:57] Uh, if you'd like, I can transfer you over to the restaurant.

[00:07:57 - 00:07:58] [Uncertain recognition] Uh, that would be nice.

[00:07:59 - 00:07:59] Thank you.

[00:08:00 - 00:08:00] One moment.

[00:08:03 - 00:08:04] And over to the left.

[00:08:04 - 00:08:05] Meeting Daniel, this is Ben.

[00:08:06 - 00:08:07] Hello, this is Chris Perron speaking.

[00:08:08 - 00:08:11] Just call in to ask you if you'd live in...

[00:08:11 - 00:08:11] Oh, wait a minute.

[00:08:11 - 00:08:13] I thought it was Tom.

[00:08:14 - 00:08:14] Hello?

[00:08:16 - 00:08:17] It's Tom over there.

[00:08:18 - 00:08:19] Hello?

[00:08:22 - 00:08:23] [Uncertain recognition] Hello?

[00:08:24 - 00:08:27] Sorry to excuse my grandfather for talking.

[00:08:27 - 00:08:28] He's a bit senile.

[00:08:30 - 00:08:31] Yeah, I'm trying to keep it away from the phone.

[00:08:32 - 00:08:34] But, um...

[00:08:34 - 00:08:36] Stop it, Grandpa.

[00:08:37 - 00:08:39] Are you, uh...

[00:08:39 - 00:08:40] Stop it, Grandpa.

[00:08:40 - 00:08:41] Don't lick my neck.

[00:08:42 - 00:08:42] Oh.

[00:08:43 - 00:08:44] Oh, so irritating.

[00:08:45 - 00:08:48] So, uh, your colleague just told me you do not deliver food, right?

[00:08:50 - 00:08:50] [Uncertain recognition] Correct.

[00:08:51 - 00:08:55] Okay, well, uh, can you kick something up that I'll come pick it up later?

[00:08:56 - 00:08:58] Uh, we actually don't do carry-out either.

[00:08:58 - 00:08:59] Okay.

[00:09:00 - 00:09:02] Well, I'd like to make a reservation for Chris Perron.

[00:09:04 - 00:09:07] For how many people?

[00:09:07 - 00:09:08] Four people.

[00:09:09 - 00:09:09] Four people?

[00:09:10 - 00:09:13] Yeah, and that's next Friday.

[00:09:14 - 00:09:16] Oh, you actually would want to do that next door, then.

[00:09:17 - 00:09:20] Okay, well then, transfer me to that department, please.

[00:09:21 - 00:09:22] Okay, hold on one moment, okay?

[00:09:23 - 00:09:23] Yep.

[00:09:27 - 00:09:27] [Uncertain recognition] Jesus.

[00:09:28 - 00:09:29] Grandpa, stop it.

[00:09:30 - 00:09:34] There, Grandpa. Stop licking his neck.

[00:09:34 - 00:09:40] No, Grandpa. Not my hole. No, Grandpa. No, stop.

[00:01:52 - 00:01:53] Oh, you can't hear me.

[00:01:54 - 00:01:55] [Uncertain recognition] At about 2100.

[00:03:15 - 00:03:18] And can I get a credit card number to hold the reservation?

[00:03:19 - 00:03:22] No, I'm not just going to give out my credit card number like that.

[00:03:23 - 00:03:23] Okay.

[00:03:23 - 00:03:29] Well, typically for parties of four, what we do is hold the reservation with a guarantee by a credit card.

[00:03:30 - 00:03:36] There is an hour cancellation policy, and if I don't get a credit card, I can't guarantee a reservation.

[00:04:00 - 00:04:29] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:05:28 - 00:05:29] Oh, fake Manchester.

[00:05:30 - 00:05:37] Yeah. It's close to the Manchester Country Club, Chris.

[00:05:37 - 00:05:38] [Uncertain recognition] Mhm.

[00:05:38 - 00:05:43] So, uh, if you'd like, go there with three of your best friends.

[00:05:43 - 00:05:46] Dinner's on somebody's credit card number.

[00:05:46 - 00:05:49] I should've given his telephone number.

[00:05:49 - 00:05:52] Yeah, exactly.

[00:05:52 - 00:05:56] So, Chris, you can get, uh, egg rolls there, I guess.

[00:05:56 - 00:05:59] Oh, great. I appreciate that.

[00:06:00 - 00:06:03] So, what are you guys doing tonight?

[00:06:03 - 00:06:06] Um, fucking up people's lives.

[00:06:07 - 00:06:09] By making a restaurant reservation?

[00:06:10 - 00:06:11] How does that even...

[00:06:11 - 00:06:12] No, no, this is just for fun.

[00:06:12 - 00:06:14] Like, we're going to fuck up people's lives later.

[00:06:16 - 00:06:16] Oh.

[00:06:17 - 00:06:19] Well, I was just watching a movie.

[00:06:19 - 00:06:20] It's pretty cool.

[00:06:20 - 00:06:21] Um, it's about, uh...

[00:06:21 - 00:06:22] What movie?

[00:06:23 - 00:06:24] Oh, fuck, what was it called again?

[00:06:25 - 00:06:27] It's from the makers of Superband.

[00:06:28 - 00:06:29] It's about a security card in a mall.

[00:06:30 - 00:06:35] Oh, I forgot the name.

[00:06:35 - 00:06:37] I know, I'm pretty stupid, but it was pretty funny.

[00:06:40 - 00:06:41] Two security guards?

[00:06:42 - 00:06:44] Making love in the mall?

[00:06:45 - 00:06:46] No, it was just really ridiculous.

[00:06:47 - 00:06:49] Probably one of the most ridiculous films I've seen in a long time.

[00:06:50 - 00:06:51] Oh, is that where the mannequin comes alive?

[00:06:52 - 00:06:53] When the what?

[00:06:53 - 00:06:58] The mannequin, you see in the movie where the dude's in the mall and the mannequin comes alive.

[00:07:00 - 00:07:00] It's not a mannequin.

[00:07:01 - 00:07:03] No, Chris, that's just a dream.

[00:07:03 - 00:07:06] It's an English movie, so it probably doesn't contain any humor.

[00:07:06 - 00:07:07] Exactly.

[00:07:07 - 00:07:09] English movie, you know what it was?

[00:07:10 - 00:07:11] It's American.

[00:07:11 - 00:07:13] English people don't have any humor.

[00:07:13 - 00:07:16] Well, it is probably an American movie without any humor.

[00:07:17 - 00:07:17] Exactly.

[00:07:17 - 00:07:19] All right, call up AA then.

[00:07:20 - 00:07:20] Yeah.

[00:07:20 - 00:07:21] [Uncertain recognition] Why?

[00:07:21 - 00:07:22] Okay, give me that number.

[00:07:22 - 00:07:23] Because I need a sense of humor.

[00:07:24 - 00:07:24] Right, okay.

[00:07:25 - 00:07:29] Sorry, English probably have probably the best

[00:07:30 - 00:07:36] look at monkey python in the flying circus thank you thank you no he didn't even have

[00:07:36 - 00:07:39] this is recovery connection help will be with you in just a moment

[00:08:00 - 00:08:04] I need help, um, I don't have a sense of humour. Can you please give me one?

[00:08:04 - 00:08:10] You don't even have enough humour to last even 10 seconds.

[00:08:10 - 00:08:16] Okay, well, let's call up somebody else.

[00:08:18 - 00:08:20] Let's call up Frank Jarrett.

[00:08:20 - 00:08:22] Wait, let me just try this. Oh, we can try Frank Jarrett.

[00:08:22 - 00:08:26] Why do you add, uh, the numbers?

[00:08:26 - 00:08:28] So, Chris, what's up?

[00:08:30 - 00:08:40] much to be picking up my friend's dumping a whole bunch of his guitars nice hello yeah so he said

[00:04:14 - 00:04:16] It's so weird.

[00:04:17 - 00:04:18] Big deal.

[00:04:19 - 00:04:29] It's kind of weird because you know all the terms like spoofing and you know all the IT tech related things but at the same time you're like very...

[00:04:30 - 00:04:33] That's right. I'm not skilled at all.

[00:04:34 - 00:04:35] I don't know what the fuck I'm doing.

[00:04:37 - 00:04:37] Exactly.

[00:04:38 - 00:04:39] It's just weird.

[00:04:40 - 00:04:42] It is. It's weird. It's fucking weird, I'm telling you.

[00:04:42 - 00:04:44] It's so fucking weird, it makes me laugh.

[00:04:46 - 00:04:50] So it didn't come across your mind that we're just calling you from Skype

[00:04:50 - 00:04:52] and that we're not actually spamming and hacking anything?

[00:04:53 - 00:04:53] Exactly.

[00:04:54 - 00:04:54] Of course not.

[00:04:55 - 00:04:57] No, because the first time we called, you were like,

[00:04:57 - 00:04:58] oh my God, it's spoofing through a server,

[00:05:00 - 00:05:02] telephone numbers from a room, a dark

[00:05:02 - 00:05:02] room.

[00:05:04 - 00:05:04] [Uncertain recognition] Yeah.

[00:05:05 - 00:05:08] No, so

[00:05:08 - 00:05:09] see, what

[00:05:09 - 00:05:12] it came to the conclusion of the more research

[00:05:12 - 00:05:13] I did was that you guys weren't

[00:05:13 - 00:05:14] hacking.

[00:05:15 - 00:05:18] Why did you need the research if you're so IT

[00:05:18 - 00:05:19] skilled?

[00:05:21 - 00:05:21] Well, because

[00:05:21 - 00:05:23] if you're calling from Skype,

[00:05:24 - 00:05:26] then what you're doing is you're getting

[00:05:26 - 00:05:27] an assigned telephone number.

[00:05:30 - 00:05:32] 0-2-5-8-0, the Washington, D.C. number.

[00:05:33 - 00:05:34] That's what's called VoIP.

[00:05:35 - 00:05:36] Voice over IP.

[00:05:38 - 00:05:39] Yeah, telephony.

[00:05:40 - 00:05:46] Some people call it telephony, but it's really phony telephone, so it's telephony.

[00:05:48 - 00:05:51] As a matter of fact, we called it telephony when it first came out in 1995.

[00:05:54 - 00:05:54] [Uncertain recognition] Oh, really?

[00:06:00 - 00:06:01] I got to go with telephony.

[00:06:03 - 00:06:03] I see.

[00:06:10 - 00:06:11] What is it in the background?

[00:06:12 - 00:06:13] You know what I love?

[00:06:13 - 00:06:16] I love happy pranks giving what he did with my picture.

[00:06:16 - 00:06:17] Happy pranks?

[00:06:18 - 00:06:20] Oh, yeah, he used your picture, didn't he?

[00:06:21 - 00:06:24] Yep, yep, climbing the Empire State Building with that fat guy.

[00:06:24 - 00:06:25] Who's the fat guy?

[00:06:26 - 00:06:27] Fat guy?

[00:06:27 - 00:06:28] Look at this background.

[00:06:30 - 00:06:32] [Uncertain recognition] You see the background?

[00:06:32 - 00:06:34] [Uncertain recognition] Of which one?

[00:06:34 - 00:06:36] Of happy pranks, Skippy.

[00:06:44 - 00:06:46] Man, that's fucking hilarious.

[00:06:58 - 00:06:59] Oh, Chris.

[00:07:00 - 00:07:07] okay that's that one okay now we go to this one Chris what can I ask you

[00:07:07 - 00:07:18] something depends but it's a data packet a packet of chips that's right it's a

[00:07:18 - 00:07:24] what I got Chris on Skype one actually they scream I know Chris I fucking made

[00:07:30 - 00:07:31] Yes

[00:07:31 - 00:07:32] Do I sound better?

[00:07:33 - 00:07:33] No

[00:07:33 - 00:07:34] Yeah, a little bit

[00:07:34 - 00:07:35] You sound like a faggot now

[00:07:35 - 00:07:37] Fuck you, homo

[00:07:37 - 00:07:38] Yeah, there's no static noise anymore

[00:07:38 - 00:07:41] There's too much bass in your voice

[00:07:41 - 00:07:43] I fixed it

[00:07:43 - 00:07:44] Turn the bass down in your voice

[00:07:44 - 00:07:47] Don't mind Tom, he's a faggot

[00:07:47 - 00:07:48] That's why I turned Tom the faggot

[00:07:48 - 00:07:50] Too much bass in your voice, man

[00:07:50 - 00:07:52] Fuck you

[00:07:52 - 00:07:53] Fuck you

[00:07:53 - 00:07:58] Chris, are you on a train?

[00:08:00 - 00:08:01] where did you get those guys

[00:08:01 - 00:08:04] where did you get those lines from anyway

[00:08:04 - 00:08:08] where did you say I'm on a train

[00:08:08 - 00:08:09] I don't know

[00:08:09 - 00:08:14] where did that come from

[00:08:14 - 00:08:19] I think somebody called me once

[00:08:19 - 00:08:20] they said where are you

[00:08:20 - 00:08:24] I said I'm on a train

[00:08:24 - 00:08:29] oh my god

[00:08:30 - 00:08:41] Chris, you really need to work on your social skills.

[00:08:41 - 00:08:42] I can't talk right now.

[00:08:42 - 00:08:43] I'm on a train.

[00:08:43 - 00:08:44] I'm on a train.

[00:08:44 - 00:08:45] Call me back.

[00:08:45 - 00:08:46] I don't have time right now.

[00:08:46 - 00:08:47] Talk to you in a bit.

[00:08:47 - 00:08:56] I got this thing I gotta do, so yeah, call me back later.

[00:08:56 - 00:08:57] Yeah.

[00:09:00 - 00:09:05] So, how long have you guys been into the videos?

[00:09:06 - 00:09:09] You know, making, um, editing videos?

[00:09:09 - 00:09:15] And so, like, he, uh, so, like, he, uh, when I'm on the phone, then he's, like,

[00:09:15 - 00:09:19] Hang on for a moment, I'm getting a call.

[00:09:19 - 00:09:23] And then, like, into two seconds, he's back, because it's probably a prank caller.

[00:09:23 - 00:09:24] Never gets a real call.

[00:09:26 - 00:09:27] That's true.

[00:09:30 - 00:09:31] I don't think videos.

[00:09:31 - 00:09:37] I just use Windows Media, my Windows Movie Maker, and it takes like five minutes.

[00:09:38 - 00:09:38] Really?

[00:09:40 - 00:09:40] No, you.

[00:09:41 - 00:09:43] I've got that on my machine.

[00:09:43 - 00:09:44] I ought to check that out sometime.

[00:09:44 - 00:09:45] Of course, everybody has it.

[00:09:45 - 00:09:46] Everybody has it.

[00:09:47 - 00:09:48] If you're running Windows.

[00:09:49 - 00:09:50] Yeah, that's true.

[00:09:50 - 00:09:50] Yeah.

[00:09:50 - 00:09:52] Well, yeah, I'm running Windows.

[00:09:53 - 00:09:55] Well, I'm more of an Apple person.

[00:10:00 - 00:10:13] One machine I run XP Pro, I run Vista Extreme, and Vista Ultimate.

[00:10:13 - 00:10:17] Oh, no, that sounds better, Chris.

[00:10:17 - 00:10:20] That sounds even way, that sounds way better, man.

[00:10:21 - 00:10:24] And, of course, you're running the herd, of course, huh?

[00:10:26 - 00:10:29] So, I'm running XP Pro on one petition.

[00:10:30 - 00:10:37] I'm running Vista Ultimate on the other partition, and I'm running Mac OSX on another partition.

[00:10:39 - 00:10:42] So you're telling me that you have three partitions in your drive with three different operating systems?

[00:10:45 - 00:10:46] [Uncertain recognition] That's right.

[00:10:47 - 00:10:51] How are you pulling that off without crashing your BIOS?

[00:10:53 - 00:10:55] He's a technician. He knows what he's doing.

[00:10:56 - 00:10:57] I'm a tech as well.

[00:10:57 - 00:10:59] That's how he knows what YouTube is.

[00:11:00 - 00:11:02] I'm also a tech, so...

[00:11:02 - 00:11:04] Experience. I got 16 years' experience.

[00:11:05 - 00:11:07] Then that explains how you don't know what Flash is.

[00:11:08 - 00:11:09] Playing with your dick all the time.

[00:11:10 - 00:11:13] Nobody's in your shop, so you're playing with your dick all day.

[00:11:13 - 00:11:14] 16 years' experience.

[00:11:14 - 00:11:20] Oh, I see. So, if you don't know about Flash, you don't know about shit.

[00:11:20 - 00:11:24] Well, you do know about shit because you usually take shit about three times a day, I guess.

[00:11:27 - 00:11:27] After wank.

[00:11:28 - 00:11:28] I'm a one-nealer.

[00:11:30 - 00:11:32] No, Tom, that's just fair.

[00:11:32 - 00:11:34] Yeah, I've got three operating systems.

[00:11:34 - 00:11:35] Actually, let me ask you this.

[00:11:36 - 00:11:37] Skip the Mac.

[00:11:38 - 00:11:44] Should you be able to put Vista, Ultimate, and XP Pro on the same box in separate petitions?

[00:11:45 - 00:11:50] I wouldn't do it because every time you load one of the other operating systems,

[00:11:50 - 00:11:53] it's going to load in different drivers, and it could cause it to crash.

[00:11:55 - 00:11:55] No.

[00:11:56 - 00:11:57] No.

[00:11:57 - 00:11:58] You're assuming.

[00:12:00 - 00:12:01] You're a tech guy.

[00:12:03 - 00:12:09] What kind of petitions, this is a technical question,

[00:12:09 - 00:12:16] what kind of petitions are needed to have a dual boot system?

[00:12:17 - 00:12:19] NTFS or FAT32.

[00:12:20 - 00:12:21] I'm not good with that.

[00:12:22 - 00:12:22] No, no, no.

[00:12:22 - 00:12:24] I'm talking about the petition structure.

[00:12:25 - 00:12:28] Logical, primary, both, what?

[00:12:30 - 00:12:31] Not good at that at all.

[00:12:32 - 00:12:34] Okay, that's what you need to be good with.

[00:12:34 - 00:12:35] No.

[00:12:35 - 00:12:38] Petition tables, master file tables, boot setters.

[00:12:38 - 00:12:39] I use partition magic.

[00:12:40 - 00:12:42] Chris, can you write programs?

[00:12:44 - 00:12:45] [Uncertain recognition] In any language.

[00:12:47 - 00:12:47] [Uncertain recognition] Excuse me?

[00:12:47 - 00:12:49] Can you write programs in any language?

[00:12:52 - 00:12:55] I can write programs, but not in any language.

[00:12:55 - 00:12:55] What?

[00:12:56 - 00:12:57] What?

[00:12:58 - 00:12:59] How's it possible?

[00:13:00 - 00:13:00] without any language.

[00:13:02 - 00:13:04] I can write programs in English.

[00:13:05 - 00:13:05] Oh, yeah.

[00:13:06 - 00:13:07] That's not possible.

[00:13:09 - 00:13:10] They're talking about, like,

[00:13:10 - 00:13:11] Visual Basic or whatever.

[00:13:12 - 00:13:13] Yeah, C++ or something.

[00:13:13 - 00:13:15] They're talking about Visual Basic.

[00:13:16 - 00:13:17] Java, um,

[00:13:19 - 00:13:19] PHP.

[00:13:19 - 00:13:19] Oh, yeah.

[00:13:21 - 00:13:23] No, no, no, no. No PHP.

[00:13:24 - 00:13:25] CGI.

[00:13:25 - 00:13:26] He can do English.

[00:13:26 - 00:13:27] What can you do then?

[00:13:27 - 00:13:29] CGI. Sorry, English.

[00:13:30 - 00:13:43] And you don't even know why YouTube is using an embedded flash player.

[00:13:44 - 00:13:46] No, that's what I mean.

[00:13:46 - 00:13:49] You have all this knowledge and then you...

[00:13:49 - 00:13:52] Well, he says he has all the knowledge, but I'm kind of doubting it.

[00:13:53 - 00:13:55] Well, he lies a lot, but...

[00:13:55 - 00:13:57] Okay, you can doubt all you want.

[00:14:00 - 00:14:02] you have all this knowledge and then

[00:14:02 - 00:14:03] you make these newbies

[00:14:03 - 00:14:06] newbie remarks and stuff.

[00:14:07 - 00:14:08] I know, isn't it weird?

[00:14:09 - 00:14:10] Do you play RuneScape, Chris?

[00:14:12 - 00:14:13] What?

[00:14:13 - 00:14:15] Do you play RuneScape, Chris?

[00:14:17 - 00:14:18] No, I don't.

[00:14:18 - 00:14:19] Oh, I do. It's a great game.

[00:14:20 - 00:14:22] Do you play any online games, Chris?

[00:14:23 - 00:14:23] Wow.

[00:14:25 - 00:14:25] Exactly.

[00:14:26 - 00:14:27] That's a good game.

[00:14:28 - 00:14:29] That's a strategy.

[00:14:30 - 00:14:34] That's a strategy game.

[00:14:34 - 00:14:37] As a matter of fact, on World of Warcraft, I don't know.

[00:14:37 - 00:14:41] I've been up in the mountains behind Ironforge.

[00:00:30 - 00:00:32] They fucking laid down a challenge like that.

[00:00:32 - 00:00:33] Well, guess what?

[00:00:33 - 00:00:37] The little dwarf showed up at Stormwind as a level one.

[00:00:38 - 00:00:39] That's noob shit.

[00:00:40 - 00:00:41] Oh, I do that as well.

[00:00:41 - 00:00:42] Oh, my God.

[00:00:42 - 00:00:42] A hundred dollars.

[00:00:43 - 00:00:45] That would be the easiest hundred dollars ever.

[00:00:45 - 00:00:48] I would create one at the Abbey and walk over to Stormwind.

[00:00:49 - 00:00:49] Exactly.

[00:00:49 - 00:00:50] No, no, no, no.

[00:00:50 - 00:00:51] No, I would.

[00:00:52 - 00:00:55] It was made over in Ironforge.

[00:00:55 - 00:00:56] Oh, I do it.

[00:00:56 - 00:00:56] I don't know.

[00:00:57 - 00:00:57] I don't know.

[00:01:00 - 00:01:03] [Uncertain recognition] leather belt

[00:01:03 - 00:01:08] [Uncertain recognition] uh... dude forced and leather belt

[00:01:08 - 00:01:13] [Uncertain recognition] uh...

[00:01:13 - 00:01:20] [Uncertain recognition] uh...

[00:01:20 - 00:01:25] [Uncertain recognition] uh...

[00:01:30 - 00:01:33] So, but anyways, Epic, what you do is you split your petitions.

[00:01:34 - 00:01:37] You want two primaries on the same drive.

[00:01:37 - 00:01:39] A lot of people say it can't be done.

[00:01:39 - 00:01:40] It can.

[00:01:40 - 00:01:40] I've done it.

[00:01:43 - 00:01:44] Listen to him, Epic.

[00:01:45 - 00:01:46] Yeah, right.

[00:01:46 - 00:01:48] He knows what he's talking about.

[00:01:50 - 00:01:52] He can rip data packets apart.

[00:01:52 - 00:01:53] Or maybe I don't.

[00:01:53 - 00:01:55] See, there lies the enigma.

[00:01:56 - 00:01:57] Maybe I do, maybe I don't.

[00:01:58 - 00:01:59] Chris, do you have a cell phone?

[00:02:00 - 00:02:08] Anyway, listen, it's getting late, and I've got to get some stuff done, so I'm going

[00:02:08 - 00:02:09] to talk to you guys later.

[00:02:09 - 00:02:17] No, that's a spank the monkey, snap the carrot.

[00:02:20 - 00:02:20] Fapping.

[00:02:21 - 00:02:22] Fapping, your dick.

[00:02:30 - 00:02:34] Level 18?

[00:02:43 - 00:02:46] Level 1 just went to stormwind.

[00:02:47 - 00:02:51] Oh my god, this guy, he has a macro and he lands.

[00:02:52 - 00:02:54] I found a king in there last night.

[00:02:57 - 00:02:59] [Uncertain recognition] And he made 100 bucks.

[00:03:00 - 00:03:04] I walked to Stormwind from Ironforge.

[00:03:07 - 00:03:07] Really?

[00:03:08 - 00:03:09] Wow, you have such a huge deal.

[00:03:09 - 00:03:09] Yes.

[00:03:10 - 00:03:14] If you don't believe me, bet me $100 and I'll be this dwarf in Stormwind.

[00:03:16 - 00:03:21] And all of a sudden, one health, which is too bright.

[00:03:21 - 00:03:22] [Uncertain recognition] You guys are jealous.

[00:03:23 - 00:03:24] No, I'm not.

[00:03:24 - 00:03:26] I'm a level 72 death knight.

[00:04:04 - 00:04:04] Wow.

[00:04:04 - 00:04:08] You're a very smart kid for your level, but you're not the same level as I am.

[00:04:08 - 00:04:10] I've got five toons on Wow.

[00:04:10 - 00:04:10] No.

[00:04:12 - 00:04:12] [Uncertain recognition] No.

[00:04:15 - 00:04:19] Chris, you might have five toons, but you don't have a level 80 character.

[00:04:19 - 00:04:21] As long as you don't have a level 80 character.

[00:04:21 - 00:04:22] You're a smart kid.

[00:04:22 - 00:04:24] Do you PVP, Chris?

[00:07:16 - 00:07:18] No, because you're not kidding.

[00:07:18 - 00:07:20] Because I know that you don't even know what you're talking about.

[00:07:20 - 00:07:23] You don't even know what zone you last leveled in.

[00:07:23 - 00:07:26] You don't even know what zone you would get 80 in.

[00:09:14 - 00:09:16] you could sell t-shirts with your face on them

[00:09:21 - 00:09:27] no that might not be that that's a half-baked idea but that might work

[00:09:30 - 00:09:33] How come you couldn't take advantage of this e-fame the whole time?

[00:09:34 - 00:09:34] You didn't think about that?

[00:09:38 - 00:09:41] You'd have to clue me in on to the business model and the mindset.

[00:09:42 - 00:09:45] Well, first of all, you have to talk to everybody

[00:09:45 - 00:09:48] and get your account into a YouTube partner standing,

[00:09:48 - 00:09:51] and I'm pretty sure your material can get somewhere.

[00:09:54 - 00:09:55] That's true.

[00:09:55 - 00:09:58] You could sell T-shirts at madeacafé.com.

[00:10:00 - 00:10:07] party accounts on different sites like zazzle and paypal sure you know what uh you know like

[00:10:07 - 00:10:13] a couple days ago a couple days ago i had to tell him that um to save his business he might have to

[00:10:21 - 00:10:26] i gotta i gotta it's just getting around to it yeah i gotta do that but you know you gotta hang

[00:10:53 - 00:10:57] that's what she said or getting around to it that's what she said so but yes and it's not

[00:11:00 - 00:11:06] But, listen, we've got to have more of a conversation on what you guys think in terms of promotion.

[00:11:07 - 00:11:17] There's something that's crazy about it, but you're talking in a manner or in a procedural manner that kind of makes sense.

[00:11:17 - 00:11:21] So I want to discuss what you're thinking further.

[00:11:22 - 00:11:23] But we can't do it tonight.

[00:11:23 - 00:11:24] I've got to get back to work.

[00:11:24 - 00:11:28] Well, like I said, think about it and you can make money.

[00:11:30 - 00:11:31] It's your idea.

[00:11:31 - 00:11:33] You call me tomorrow night.

[00:11:33 - 00:11:35] I want to discuss this further.

[00:11:36 - 00:11:38] Okay, I'll spoof you tomorrow night.

[00:11:38 - 00:11:39] I'll spoof you tomorrow night, yeah.

[00:11:39 - 00:11:40] Spoof you later, man.

[00:11:40 - 00:11:41] Spoof you later.

[00:11:41 - 00:11:44] Hey, don't forget, I'm going to be ripping data packets apart.

[00:11:44 - 00:11:47] All right, and analyze those data packets for me, will you?

[00:11:49 - 00:11:50] Yeah, talk to you guys later.

[00:11:50 - 00:11:51] See ya.

[00:11:51 - 00:11:53] [Uncertain recognition] Jesus Christ, man.

[00:11:55 - 00:11:56] I want to dip shit.

[00:11:56 - 00:11:57] Okay, that's another.

[00:01:00 - 00:01:05] Well, that sounds like a legitimate recording.

[00:01:06 - 00:01:08] Yeah, that's actually a legitimate recording, yeah.

[00:01:08 - 00:01:11] Yeah, and then you go on to say how you're going to ruin our lives

[00:01:11 - 00:01:14] and how you're going to let our parents know and our family.

[00:01:15 - 00:01:15] Exactly.

[00:01:16 - 00:01:18] So you're threatening us, actually.

[00:01:18 - 00:01:18] You're kidding.

[00:01:19 - 00:01:20] No, I'm not kidding. You're kidding.

[00:01:20 - 00:01:22] You still thought it was us calling you.

[00:01:22 - 00:01:22] Why the hell?

[00:01:23 - 00:01:24] No, I didn't.

[00:01:24 - 00:01:26] Guys, I wouldn't think it was you.

[00:01:26 - 00:01:27] Yeah, you did.

[00:02:00 - 00:02:00] not.

[00:02:00 - 00:02:04] I had a bunch of conversations with some other

[00:02:04 - 00:02:06] guy that he kept on insisting

[00:02:06 - 00:02:06] that it was me.

[00:02:07 - 00:02:10] Yeah, he said, like, Tom, cut the crap,

[00:02:10 - 00:02:11] will you? Tom, Tom.

[00:02:12 - 00:02:13] Yeah, but just when

[00:02:13 - 00:02:16] then I realized it wasn't Tom.

[00:02:16 - 00:02:18] It took you like 10 minutes

[00:02:18 - 00:02:20] and like 10 times someone called you.

[00:02:20 - 00:02:21] Exactly. No, it wasn't 10 minutes.

[00:02:22 - 00:02:23] Well, yes, it was.

[00:02:23 - 00:02:25] It wasn't 10 minutes.

[00:02:27 - 00:02:27] Yeah, something like that.

[00:02:30 - 00:02:31] Well, maybe I was trying to get you in trouble, Tom.

[00:02:31 - 00:02:32] I don't know.

[00:02:32 - 00:02:34] Maybe I was in a bad mood.

[00:02:34 - 00:02:35] It's not nice of you, Chris.

[00:02:35 - 00:02:37] No, because I love you guys.

[00:02:37 - 00:02:42] As a matter of fact, somebody, you guys told me that I could make money on YouTube,

[00:02:43 - 00:02:46] but you wouldn't tell me how.

[00:02:46 - 00:02:47] We're still going to make money.

[00:02:47 - 00:02:47] Well, somebody.

[00:02:48 - 00:02:49] We're going to make millions.

[00:02:49 - 00:02:49] [Uncertain recognition] Shut up.

[00:02:49 - 00:02:50] We're going to listen, Tom.

[00:02:50 - 00:02:50] Tom.

[00:02:51 - 00:02:51] Tom.

[00:02:51 - 00:02:52] Don't tell him that, Dad.

[00:02:53 - 00:02:53] I don't know.

[00:02:53 - 00:02:59] I think it would be good to say that we shouldn't talk about anybody, just you and me.

[00:02:59 - 00:02:59] I know.

[00:03:00 - 00:03:01] Well, I'm not going to talk about him at that.

[00:03:02 - 00:03:02] Okay.

[00:03:04 - 00:03:07] So, you guys, somebody called me up.

[00:03:07 - 00:03:09] They told me about how.

[00:03:10 - 00:03:11] About how much penises you have.

[00:03:15 - 00:03:16] Now, seriously, somebody told you how?

[00:03:18 - 00:03:20] Yes, and they're going to help me.

[00:03:20 - 00:03:21] You guys could have.

[00:03:21 - 00:03:23] You guys fucking could have.

[00:03:23 - 00:03:24] And guess what?

[00:03:24 - 00:03:26] I'm giving them 50%.

[00:03:26 - 00:03:26] Of what?

[00:03:26 - 00:03:29] If they're real, I'm giving them 50%.

[00:03:30 - 00:03:32] huh

[00:03:32 - 00:03:33] for what

[00:03:33 - 00:03:34] for money

[00:03:34 - 00:03:35] why is the problem

[00:03:35 - 00:03:36] they make money

[00:03:36 - 00:03:37] see

[00:03:37 - 00:03:38] it's kind of weird

[00:03:38 - 00:03:39] because they say

[00:03:39 - 00:03:39] that you should

[00:03:39 - 00:03:40] become a partner

[00:03:40 - 00:03:43] so he said

[00:03:43 - 00:03:43] that you should

[00:03:43 - 00:03:44] become a partner

[00:03:44 - 00:03:45] because if you're

[00:03:45 - 00:03:45] a partner

[00:03:45 - 00:03:45] because

[00:03:45 - 00:03:47] you can't do that

[00:03:47 - 00:03:47] because you know

[00:03:47 - 00:03:49] your stage man account

[00:03:49 - 00:03:50] has no videos

[00:03:50 - 00:03:50] just one

[00:03:50 - 00:03:51] so he can be

[00:03:51 - 00:03:52] a partner for that

[00:03:52 - 00:03:53] he can be

[00:03:53 - 00:03:54] that's right

[00:03:54 - 00:03:55] no

[00:03:55 - 00:03:55] no he wasn't

[00:03:55 - 00:03:56] talking about

[00:03:56 - 00:03:56] being a partner

[00:03:56 - 00:03:57] ok

[00:03:57 - 00:03:59] what was he

[00:03:59 - 00:03:59] talking about

[00:04:00 - 00:04:00] In great lines.

[00:04:00 - 00:04:03] No, no, he's been doing this for years.

[00:04:03 - 00:04:07] He saw, he heard, he saw what I'd been going through.

[00:04:07 - 00:04:08] He called me up and he says, listen,

[00:04:09 - 00:04:10] he says, most of these dumb motherfuckers don't know

[00:04:10 - 00:04:12] that there's other ways to make money with YouTube.

[00:04:12 - 00:04:15] I says, first off, I don't know much about YouTube.

[00:04:15 - 00:04:17] I've got one account, and you can see.

[00:04:17 - 00:04:20] No, you have like 10 accounts, Baraka.

[00:04:21 - 00:04:21] Excuse me?

[00:04:22 - 00:04:23] You have like 10 accounts.

[00:04:23 - 00:04:25] I don't have like 10 accounts.

[00:04:25 - 00:04:26] Yes, you do.

[00:04:26 - 00:04:27] Two.

[00:04:27 - 00:04:28] Two, and I don't.

[00:04:28 - 00:04:29] Yeah, I do.

[00:04:30 - 00:04:36] only have time. You do. You do have time. I don't lie. Is it like at 3 a.m. behind your

[00:04:36 - 00:04:53] computer? No. Yes, you do. No, that's accurate. No, it's not. I like your laugh, Chris. I

[00:04:53 - 00:04:59] miss the laugh, man. No, it's not. Listen, I don't know how to use my account. Yeah,

[00:05:00 - 00:05:01] It's okay, Chris.

[00:05:01 - 00:05:02] Who tells you this shit?

[00:05:03 - 00:05:05] We're from the internets, Chris.

[00:05:07 - 00:05:08] Yeah, my name is Lawnmower.

[00:05:08 - 00:05:09] All right, all right.

[00:05:09 - 00:05:14] I know, I'll tell you why, because someone commented on my channel named friendofchris1.

[00:05:15 - 00:05:16] He said, leave Chris alone.

[00:05:16 - 00:05:17] He's a nice guy.

[00:05:17 - 00:05:21] Now, I'm pretty sure that's you, because who the hell is that?

[00:05:22 - 00:05:24] You guys come up with this shit.

[00:05:30 - 00:05:33] Who harasses us?

[00:05:33 - 00:05:34] Nobody harasses us, never.

[00:05:34 - 00:05:36] Which friend would that be then, Chris?

[00:05:37 - 00:05:38] Which one out of your many friends?

[00:05:38 - 00:05:39] Yeah.

[00:05:39 - 00:05:46] I don't have any friends other than maybe, I don't know, maybe you guys.

[00:05:47 - 00:05:47] Yeah, okay.

[00:05:48 - 00:05:52] Then why don't you make an account named friendofchris1?

[00:05:52 - 00:05:52] Yeah.

[00:05:54 - 00:05:55] Why don't I?

[00:05:55 - 00:05:56] Why did you?

[00:05:56 - 00:05:57] No, why did you?

[00:05:58 - 00:05:59] I didn't.

[00:06:00 - 00:06:02] Guys, it isn't mine.

[00:06:02 - 00:06:05] I don't want to do that shit, okay?

[00:06:05 - 00:06:10] I go up to a stage and every once in a while,

[00:06:10 - 00:06:11] Sue's made a comment.

[00:06:12 - 00:06:14] As a matter of fact, I'm replying to Jack.

[00:06:16 - 00:06:22] Jack actually replied to you, and I didn't send you anything.

[00:06:25 - 00:06:26] You replied to me, and you didn't send me anything?

[00:06:27 - 00:06:28] I don't follow that.

[00:06:28 - 00:06:28] No, I never said that.

[00:06:30 - 00:06:42] Point is, is that I consider you guys, you know, I don't know, not really friends, but like talkable.

[00:06:42 - 00:06:44] We're the daddy you never had.

[00:06:45 - 00:06:46] Like talkable.

[00:06:47 - 00:06:49] That's right, and I'm the daddy you never had.

[00:06:50 - 00:06:50] [Uncertain recognition] Yeah.

[00:06:50 - 00:06:51] No, you're the daddy.

[00:06:52 - 00:06:53] No, we're your daddy you never had.

[00:06:56 - 00:06:57] You're the daddy I never had?

[00:07:00 - 00:07:00] You had the daddy.

[00:07:00 - 00:07:02] Daddy, dad never had.

[00:07:05 - 00:07:06] Anyway.

[00:07:07 - 00:07:08] Yeah.

[00:07:08 - 00:07:11] So, anyway, hey, Tom.

[00:07:12 - 00:07:12] Yeah, what's up?

[00:07:12 - 00:07:13] So, what's up?

[00:07:13 - 00:07:15] [Uncertain recognition] It's 3, it's 8.30.

[00:07:15 - 00:07:17] Jeez, it's a Saturday night.

[00:07:17 - 00:07:19] Nothing more, nothing else to do.

[00:07:19 - 00:07:20] It's Sunday.

[00:07:20 - 00:07:21] Nothing good on TV.

[00:07:21 - 00:07:22] It's Sunday.

[00:07:22 - 00:07:22] [Uncertain recognition] Huh?

[00:07:24 - 00:07:28] Chris, why do you always insist on calling other people losers when, you know, when we call you,

[00:07:30 - 00:07:31] no friends, and you're always sitting in your shop

[00:07:31 - 00:07:32] watching us.

[00:07:32 - 00:07:35] You know, I'm fucking hungover right now, and the only reason I'm calling you is because

[00:07:35 - 00:07:37] I don't have the strength to do anything else but sit here.

[00:07:40 - 00:07:40] [Uncertain recognition] You're

[00:07:40 - 00:07:42] [Uncertain recognition] basement dwellers.

[00:07:43 - 00:07:44] Right, Chris.

[00:07:44 - 00:07:46] We're basement dwellers.

[00:07:46 - 00:07:47] And you're a shop dweller.

[00:07:48 - 00:07:48] Yeah.

[00:07:49 - 00:07:50] You dwell around your shop dweller.

[00:07:51 - 00:07:54] Listen, when I watch NASCAR, which I'd like to get

[00:07:54 - 00:07:56] back to because I got the volume off,

[00:08:00 - 00:08:06] money. I'm making money. I'm going through shit. I'm cleaning up. I got NASCAR on. I'm

[00:08:06 - 00:08:12] cleaning up. I'm doing shit. How can you actually enjoy NASCAR? We're just driving around laps

[00:08:12 - 00:08:18] all the time. Are you kidding me, man? You've never been in a vehicle going 180 miles an

[00:08:18 - 00:08:25] hour, have you? Yes, I have been. You'd shit your fucking pants. Not really. Yeah, really.

[00:08:30 - 00:08:34] After 100, Tom, you'd fucking start freaking out.

[00:08:34 - 00:08:35] Wait, we're talking about kilometers an hour, right?

[00:08:35 - 00:08:38] You've never been 100 fucking miles an hour.

[00:08:38 - 00:08:39] We're talking about kilometers an hour.

[00:08:39 - 00:08:41] Even miles per hour, I've been 500 miles an hour.

[00:08:41 - 00:08:43] No, I'm talking, I ain't talking kilometers.

[00:08:44 - 00:08:45] Kilometers, what, 100 miles an hour, 80?

[00:08:46 - 00:08:47] Yeah, that's nothing.

[00:08:48 - 00:08:50] I tried that on the fucking highway all the time.

[00:08:50 - 00:08:51] No, my, uh.

[00:08:51 - 00:08:54] I'm talking about 100 miles an hour.

[00:08:54 - 00:08:58] I'm talking about 127 kilometers, 130.

[00:09:00 - 00:09:05] 130 kilometers per hour, that's the speed we drive here on a normal road.

[00:09:06 - 00:09:08] God damn it, man.

[00:09:08 - 00:09:09] You got like 200, man.

[00:09:09 - 00:09:12] No, 100, what's 100 miles per hour over there?

[00:09:13 - 00:09:16] What's that, like 200 kilometers or something?

[00:09:16 - 00:09:19] My uncle has a car dealership with a lot of expensive cars,

[00:09:19 - 00:09:23] and the fastest I've ever been was in a Dodge Viper.

[00:09:24 - 00:09:26] A Viper?

[00:09:26 - 00:09:28] They don't have Vipers over there, Tiles.

[00:09:30 - 00:09:34] They don't have fucking Vipers over there.

[00:09:34 - 00:09:35] That's an American car.

[00:09:35 - 00:09:36] Right.

[00:09:36 - 00:09:41] So we can't have American cars just like you can't have Japanese cars, right?

[00:09:42 - 00:09:44] Oh, well, I suppose.

[00:09:45 - 00:09:45] Okay.

[00:09:47 - 00:09:47] Yeah, exactly.

[00:09:47 - 00:09:48] I suppose.

[00:09:48 - 00:09:49] Okay.

[00:09:49 - 00:09:51] Okay, so you've been in a fucking Viper.

[00:09:51 - 00:09:52] No, you haven't.

[00:09:53 - 00:09:53] You're lying.

[00:09:53 - 00:09:54] No, I haven't.

[00:09:54 - 00:09:55] You have a picture?

[00:09:55 - 00:09:57] You have a picture?

[00:09:57 - 00:09:58] Yeah, and I also have a picture.

[00:10:00 - 00:10:01] of pictures where I'm cleaning up

[00:10:01 - 00:10:03] an old fucking...

[00:10:03 - 00:10:04] How do you call that car again?

[00:10:05 - 00:10:06] Porsche 911?

[00:10:07 - 00:10:07] [Uncertain recognition] Yeah.

[00:10:07 - 00:10:08] 911?

[00:10:08 - 00:10:08] Yeah.

[00:10:09 - 00:10:10] Porsche 911?

[00:10:10 - 00:10:11] Inside jump.

[00:10:11 - 00:10:12] Inside jump.

[00:10:12 - 00:10:13] [Uncertain recognition] Huh?

[00:10:13 - 00:10:14] Nothing.

[00:10:15 - 00:10:15] Go on.

[00:10:17 - 00:10:19] So, I would love to see that.

[00:10:19 - 00:10:22] I would love to see you behind the wheel of a fucking Viper.

[00:10:22 - 00:10:22] I don't believe it.

[00:10:23 - 00:10:24] I don't think you're old enough to drive.

[00:10:24 - 00:10:26] I wasn't driving.

[00:10:26 - 00:10:27] My uncle was driving.

[00:10:27 - 00:10:28] Oh, okay.

[00:10:30 - 00:10:38] was driving so how fast did you go i went about 240 kilometers an hour at germany okay so that's

[00:11:06 - 00:11:08] Okay, so how long did you do that for?

[00:11:09 - 00:11:12] A while in Germany, and actually in Holland as well.

[00:11:14 - 00:11:14] Really?

[00:11:15 - 00:11:15] Yeah.

[00:11:15 - 00:11:15] That's right, too.

[00:11:15 - 00:11:16] You got the Autobahn over there.

[00:11:18 - 00:11:19] Oh, we got the Autobahn, dead German.

[00:11:20 - 00:11:20] Autobahn.

[00:11:23 - 00:11:24] Yeah, I know.

[00:11:24 - 00:11:25] Autobahn.

[00:11:25 - 00:11:26] Yeah.

[00:11:27 - 00:11:28] It's not really special.

[00:11:28 - 00:11:29] Okay, so you're going 150.

[00:11:30 - 00:11:33] figure out going 200 miles an hour on a freaking track

[00:11:33 - 00:11:37] with traffic fighting to win a race.

[00:11:38 - 00:11:40] That's pretty exciting shit.

[00:11:42 - 00:11:44] Did you ever watch Formula One?

[00:11:45 - 00:11:46] Yes, of course.

[00:11:47 - 00:11:49] Okay, that's a bit exciting.

[00:11:49 - 00:11:50] Boy, that's pretty ballsy shit, too.

[00:11:51 - 00:11:55] Yeah, but driving in a circle is pretty gay, actually.

[00:08:15 - 00:08:20] Yeah, and you're not English and you don't speak proper English.

[00:08:20 - 00:08:22] Was is past tense.

[00:03:51 - 00:03:53] How were you ever going to find us?

[00:03:55 - 00:03:57] Do you know that's what Indians used to say over here?

[00:03:57 - 00:03:57] No.

[00:03:57 - 00:03:58] They'd put up their hands and say, how?

[00:04:30 - 00:04:41] Does that mean, does that mean, does that mean that some men do not know how other men track down data packets leading to other men's houses, man?

[00:04:42 - 00:04:43] Yeah, man.

[00:04:43 - 00:04:44] Data packets, data packets.

[00:04:45 - 00:04:50] Because, you know, as the video say, I rip data packets apart.

[00:04:52 - 00:04:53] It's not funny when you say it like that.

[00:04:56 - 00:04:58] You won't ever, ever find us.

[00:05:00 - 00:05:03] Tom, Tom, why can't you, why can't you stick into fucking...

[00:05:03 - 00:05:07] No, no, no, wait, why don't you answer the question, how are you going to find us?

[00:06:00 - 00:06:06] Yeah, I'll do that on the end.

[00:06:09 - 00:06:12] Well, we'll just encrypt the action script.

[00:06:13 - 00:06:16] It'll make it like an unreadable garbage thing.

[00:06:17 - 00:06:19] And then I'll just upload it.

[00:06:23 - 00:06:24] Do you know Kycoons?

[00:06:25 - 00:06:26] Yes, we know where he lives.

[00:07:30 - 00:07:32] No, no, no, a thousand's too much.

[00:07:32 - 00:07:34] No, I'm going to have 500 for each.

[00:07:35 - 00:07:36] That's going to have to wait.

[00:07:36 - 00:07:38] I just cut a whole bunch of checks this month for bills.

[00:07:39 - 00:07:42] If I hadn't had the prank callers, Colin, that would have been very doable,

[00:07:42 - 00:07:43] but I just cut a whole bunch of checks for bills.

[00:07:43 - 00:07:45] That's just 500 for each, man.

[00:07:46 - 00:07:48] Huh? That's fine. I said, that's fine.

[00:07:48 - 00:07:48] Yeah.

[00:08:00 - 00:08:00] I know where he's lived.

[00:08:02 - 00:08:05] I know everything about Chris Santos 21.

[00:08:06 - 00:08:09] I'm talking about the connections between.

[00:08:09 - 00:08:10] Yeah, between the two.

[00:08:10 - 00:08:10] [Uncertain recognition] Yeah.

[00:08:11 - 00:08:12] Between the two.

[00:08:12 - 00:08:12] Yeah.

[00:08:14 - 00:08:14] Yeah, that's fine.

[00:08:15 - 00:08:16] That's fine.

[00:08:16 - 00:08:17] That's what you wanted, actually.

[00:08:18 - 00:08:22] And you said you were going to give us money, so let's stick to the deal here, shall we?

[00:08:23 - 00:08:26] Actually, I told you I was going to give you a hell of a lot more money once I shoot him.

[00:08:26 - 00:08:27] Yeah, that's fine.

[00:08:27 - 00:08:28] We don't want to wait.

[00:08:30 - 00:08:36] the money yeah because it wasn't that much work no so you know you're friends so uh we're friends

[00:08:36 - 00:08:42] right right hey no that's cool that's cool so you found out some sort of connection between the two

[00:08:42 - 00:08:49] yeah well of course we like to receive our uh rewards you know you can email me what I'm saying

[00:08:49 - 00:08:55] is you did find out that there is a connection between yes we did we did okay great that's all

[00:09:00 - 00:09:02] So, wait, wait, wait, wait. When are we going to get us money, then?

[00:09:04 - 00:09:05] This coming month.

[00:09:06 - 00:09:08] The sooner we make the exchange.

[00:09:08 - 00:09:10] Of course, the sooner the better, Tom.

[00:09:11 - 00:09:15] I would like to do it like right now, but I can't afford it right now.

[00:09:16 - 00:09:18] Let me guess. You're never going to give it to us.

[00:09:18 - 00:09:19] Yeah, exactly.

[00:09:19 - 00:09:20] No, listen, listen.

[00:09:21 - 00:09:22] No, no, you listen to us.

[00:09:22 - 00:09:23] You listen to us. We didn't work.

[00:09:24 - 00:09:26] We're going to get our money. Otherwise, you're going to...

[00:09:26 - 00:09:28] Otherwise, we'll make it miserable.

[00:09:30 - 00:09:33] A couple of kids that want candy, calm down.

[00:09:33 - 00:09:35] I just told you I paid a bunch of bills.

[00:09:35 - 00:09:36] I don't give a shit.

[00:09:36 - 00:09:40] You sound like a lot of people that did a service for somebody and now ask you for payment.

[00:09:41 - 00:09:42] That's what it sounds like.

[00:09:43 - 00:09:44] Say what?

[00:09:44 - 00:09:47] We did a service for you and we're awaiting payment.

[00:09:48 - 00:09:49] Yeah, and guess what?

[00:09:49 - 00:09:50] I just got paid.

[00:09:50 - 00:09:58] I got a check mail to me Friday for a $6,000 job that I've been waiting for three months to get paid on.

[00:10:00 - 00:10:03] So call to your jet

[00:10:03 - 00:10:04] This isn't the shop

[00:10:04 - 00:10:05] This is business

[00:10:05 - 00:10:07] Why don't you send me an email

[00:10:07 - 00:10:09] Confirming that you're going to pay us

[00:10:09 - 00:10:11] Of course I'm going to

[00:10:11 - 00:10:13] We'll just talk about it later

[00:10:13 - 00:10:15] Huh?

[00:10:15 - 00:10:17] The sooner you do that

[00:10:17 - 00:10:18] The sooner you get your evidence

[00:10:18 - 00:10:19] The sooner you can sue him

[00:10:19 - 00:10:21] The sooner you can get your money

[00:10:21 - 00:10:23] And the sooner you guys

[00:10:23 - 00:10:24] Because if I get a bunch of

[00:10:24 - 00:10:26] I will get a chunk of change from him

[00:10:26 - 00:10:29] I figure minimum $100,000

[00:10:30 - 00:10:37] i'll give you guys each 20 each i'm not greedy fine we first want the money for the work we did

[00:10:37 - 00:10:42] already yeah of course you're going to get the money for the work we did the course course course

[00:10:42 - 00:10:47] but i will send that letter to confirm it okay good just send too much you directs gmail.com

[00:10:48 - 00:10:54] that's fine but why so let me ask you this the the person that just called called called me

[00:11:00 - 00:11:03] You guys saw the possibility of me making money, which you brought up.

[00:11:03 - 00:11:05] No, I don't see the possibility of your fame.

[00:11:05 - 00:11:07] Tom, Tom, quit interrupting.

[00:11:07 - 00:11:08] Would you please that mean?

[00:11:08 - 00:11:08] I'm not Tom.

[00:11:08 - 00:11:09] That shows you're being rude.

[00:11:11 - 00:11:17] If you want to say, excuse me, Chris, if you say, excuse me, Chris, that's like not being rude.

[00:11:17 - 00:11:18] All right, excuse me, Chris.

[00:11:18 - 00:11:18] Excuse me.

[00:11:18 - 00:11:20] It's Kuhn talking all the time.

[00:11:20 - 00:11:24] See, you always say that to everybody, that it's me.

[00:11:25 - 00:11:28] Everything everybody says, it's always Tom, Tom, Tom, Tom, Tom.

[00:11:30 - 00:11:33] Oh, I guess that's because you pissed me off a little bit more.

[00:11:33 - 00:11:35] You know, Kuhn hasn't pissed me off in a while.

[00:11:35 - 00:11:36] Yeah, but I don't really give a fuck.

[00:11:36 - 00:11:39] You go out of your way to piss people off.

[00:11:39 - 00:11:42] Excuse me, Chris, if I could interrupt you for a moment.

[00:11:42 - 00:11:43] Sure, sure.

[00:11:43 - 00:11:48] I saw the fame on YouTube that you have, but I just didn't see how you could make money out of it.

[00:11:48 - 00:11:53] The only possibility would be a partner program where you can sell ads and stuff like that

[00:11:53 - 00:11:55] if people click on the ads and you get a small amount of money.

[00:11:55 - 00:11:59] But since you don't have all that on your account and people want to give you views,

[00:12:00 - 00:12:03] You know different accounts. That's so I didn't see how you could make money out of that

[00:12:03 - 00:12:09] So how would you suggest it if you if you you were the one that brought it up that that I could make money

[00:12:09 - 00:12:11] How would you suggest I make money?

[00:12:12 - 00:12:15] By actually doing some work and paying the people that they work for you

[00:12:16 - 00:12:18] Make famous videos and be a partner

[00:12:18 - 00:12:20] You can make yeah

[00:12:20 - 00:12:24] You can make that's right you that you choose you will say to take this situation

[00:12:24 - 00:12:26] Go and see make it work for my advantage

[00:12:30 - 00:12:30] God.

[00:12:31 - 00:12:32] Their evidence is right here.

[00:12:32 - 00:12:33] Okay, okay, that's fine.

[00:12:33 - 00:12:34] And you want to make money.

[00:12:35 - 00:12:35] We can do that.

[00:12:36 - 00:12:37] But I'm talking about on YouTube.

[00:12:37 - 00:12:38] How in the fuck?

[00:12:39 - 00:12:40] What were you thinking?

[00:12:40 - 00:12:42] Were you thinking partner program?

[00:12:42 - 00:12:43] We're actually making money, Chris.

[00:12:43 - 00:12:44] What were you thinking?

[00:12:44 - 00:12:45] We're making money.

[00:12:46 - 00:12:47] We're actually already making money.

[00:12:47 - 00:12:48] I know you're making money.

[00:12:48 - 00:12:50] I know you guys are partners.

[00:12:51 - 00:12:53] Well, no, not only partners.

[00:12:53 - 00:12:54] We also do some other stuff.

[00:12:55 - 00:12:59] We got more money than an average person here earns.

[00:13:00 - 00:13:03] I do know

[00:13:03 - 00:13:06] By the way the person that called in

[00:13:06 - 00:13:09] That's going to help me make money

[00:13:09 - 00:13:11] Knows you guys

[00:13:11 - 00:13:12] Oh wow

[00:13:12 - 00:13:14] That's pretty impossible

[00:00:00 - 00:00:01] No, it's not impossible.

[00:00:02 - 00:00:04] Yes, it is. We don't talk about anybody else.

[00:00:04 - 00:00:05] Who is it?

[00:00:05 - 00:00:06] It is. Because guess what, man?

[00:00:07 - 00:00:12] Who do you know that's not on YouTube, that's not a prank caller, that's entrepreneurial?

[00:00:13 - 00:00:17] We don't talk business with other prank callers, never, actually.

[00:00:18 - 00:00:21] No, I'm not talking. Tom, Tom, listen, you're not listening.

[00:00:21 - 00:00:29] I said, who in your lives, not on YouTube, not on YouTube, hello, I'll say it again, not on YouTube.

[00:00:30 - 00:00:35] know you if it was for youtube excuse me have you talked to who have you talked to

[00:00:36 - 00:00:45] that is entrepreneurial who do you know that's entrepreneurial uh nobody nobody actually

[00:00:48 - 00:00:52] and you guys you guys are entrepreneurial you're making money you're making money

[00:00:52 - 00:00:58] your partner with youtube yeah so he wasn't on youtube that's entrepreneurial

[00:01:00 - 00:01:03] So you just got done saying, you don't know anybody that's entrepreneurial.

[00:01:04 - 00:01:04] Oh, exactly.

[00:01:06 - 00:01:08] You know each other.

[00:01:09 - 00:01:10] That's bullshit.

[00:01:10 - 00:01:11] Apart from us.

[00:01:11 - 00:01:14] I already said I don't know anybody else apart from us.

[00:01:14 - 00:01:16] And we keep it strictly to ourselves.

[00:01:16 - 00:01:18] Well, listen, that's what I said, Tom.

[00:01:18 - 00:01:21] I said, you guys know each other, and you're both entrepreneurial,

[00:01:21 - 00:01:23] so you do know somebody that's entrepreneurial.

[00:01:23 - 00:01:26] Oh, wow, you got me there, Chris.

[00:01:26 - 00:01:27] You got me there.

[00:01:27 - 00:01:28] Yeah, that's a fact.

[00:01:28 - 00:01:29] Yeah, that's a fact.

[00:01:30 - 00:01:35] saying just before you said but that's just before i said that's just before you said that's

[00:01:35 - 00:01:43] bullshit exactly so anyway a long story short is that you guys know how to make money on youtube

[00:01:43 - 00:01:51] we know how to make a lot of money money money money money money that's right so and you could

[00:01:51 - 00:01:58] you could you could have been the people so how come this person's telling me that they know you

[00:02:00 - 00:02:08] you because he's fucking with you yeah exactly like everybody else we taught you the definition

[00:02:08 - 00:02:17] of trolls right yeah troll is somebody that sets up an account and it pisses people off right yeah

[00:02:17 - 00:02:22] and you know how much it pisses you off when you think oh my god I'm going to make okay what's a

[00:02:22 - 00:02:26] sock now no no no before we put before I forget because I was going to ask you this before what

[00:02:30 - 00:02:37] something you put in your foot exactly okay you should know that because you

[00:02:37 - 00:02:45] keep making sock puppet accounts exactly sock puppet accounts ah a sock you put on

[00:02:45 - 00:02:50] your hand to make it look you can make it look like something it's yes no I've

[00:02:50 - 00:02:59] just got one account okay Chris sure Chris I just got one account yeah okay

[00:03:00 - 00:03:04] Anyway, so back to the evidence, back to business.

[00:03:05 - 00:03:08] No, no, you're going to send me an email and then we're talking about business.

[00:03:08 - 00:03:09] That's right, that's right, that's right.

[00:03:10 - 00:03:11] There's no sense talking about it anymore, Tom.

[00:03:12 - 00:03:13] It's all going to happen.

[00:03:14 - 00:03:15] It's all good, don't worry.

[00:03:15 - 00:03:17] I do expect the email pretty soon, though, because...

[00:03:17 - 00:03:19] Where are you going to send the email?

[00:03:19 - 00:03:20] [Uncertain recognition] When?

[00:03:21 - 00:03:23] You're a little pushy fuck.

[00:03:23 - 00:03:25] No, not a little pushy fuck.

[00:03:25 - 00:03:27] No, I'm not a little pushy fuck.

[00:03:30 - 00:03:36] money for the work we did what did i just go down to hong coon yeah yeah soon soon soon but when

[00:03:36 - 00:03:42] i just want some guarantee you know today oh yeah today don't worry today before listen listen

[00:03:42 - 00:03:50] before you guys go to bed at three in the morning ah good one but uh anyway if we don't get our money

[00:03:50 - 00:03:57] we'll probably do s you yeah just uh we don't want to get ripped off here no do you know what

[00:04:00 - 00:04:01] beautiful if you DLS'd me.

[00:04:02 - 00:04:03] Oh, sure, it's possible.

[00:04:03 - 00:04:05] I've checked your server. It's not that

[00:04:05 - 00:04:07] a lot of bandwidth.

[00:04:07 - 00:04:09] Well, and actually, that's not the only thing we'll do.

[00:04:10 - 00:04:11] Because that's just the normal thing we do.

[00:04:12 - 00:04:12] Oh, yeah.

[00:04:14 - 00:04:15] So, uh...

[00:04:15 - 00:04:17] You've heard of PrankNet, haven't you?

[00:04:17 - 00:04:19] Have you guys heard of PrankNet?

[00:04:19 - 00:04:20] Yes, I have.

[00:04:20 - 00:04:21] Social understanding.

[00:04:21 - 00:04:23] Well, you know how they got busted?

[00:04:24 - 00:04:25] Yeah, well, how?

[00:04:27 - 00:04:27] How?

[00:04:28 - 00:04:29] Oh, well,

[00:04:30 - 00:04:37] You know, a little birdie started, actually, that same birdie called me.

[00:04:38 - 00:04:41] But a little birdie got involved, or was involved.

[00:04:42 - 00:04:44] Dex, the little basement dweller.

[00:04:46 - 00:04:48] [Uncertain recognition] Malik is his last name.

[00:04:50 - 00:04:53] Was prank calling a whole bunch of people.

[00:04:54 - 00:04:58] So you call enough people, you bump into people that know people, that know people, that know people.

[00:05:00 - 00:05:06] people you ever hear six degrees of separation yeah you know something we actually know the

[00:05:06 - 00:05:11] same people no you don't you don't know the same people oh yes we do no don't lie see but see i

[00:05:32 - 00:05:34] I know people in England.

[00:05:34 - 00:05:37] That's what I just got done saying to him, Coon.

[00:05:37 - 00:05:40] But he doesn't pick up on that shit.

[00:05:40 - 00:05:41] It's not my fault.

[00:05:41 - 00:05:45] So I just got done telling him that I know somebody.

[00:05:45 - 00:05:46] See, this is number six.

[00:05:46 - 00:05:48] Put up your fingers, Tom.

[00:05:48 - 00:05:55] [Uncertain recognition] I know somebody that knows somebody that knows somebody that knows somebody that knows somebody that knows somebody that knows somebody that knows somebody you know.

[00:05:56 - 00:05:59] It's just that you don't have any friends, so I'm pretty sure that...

[00:06:00 - 00:06:02] So you can't possibly know the people I know. Never.

[00:06:04 - 00:06:05] Oh, I will.

[00:06:05 - 00:06:07] Right. Okay. Fine.

[00:06:07 - 00:06:08] I challenge you.

[00:06:10 - 00:06:11] I'd like to challenge you, Chris.

[00:06:11 - 00:06:13] There's no challenge, Tom. There's no challenge.

[00:06:14 - 00:06:15] I don't consider it a challenge.

[00:06:16 - 00:06:17] It's not a challenge.

[00:06:17 - 00:06:18] No, I want to make it a challenge.

[00:06:18 - 00:06:22] If it was hard, Tom, if it was hard, it would be a challenge.

[00:06:23 - 00:06:24] Oh.

[00:06:25 - 00:06:28] Alright. Fine. I'm waiting for the day.

[00:06:28 - 00:06:29] I'm seriously waiting for the day.

[00:07:07 - 00:07:11] But that means Truman would be coming along, too.

[00:07:11 - 00:07:18] Ah, you'll never find us. God damn it. How many times do I have to tell you? You'll never find us.

[00:07:18 - 00:07:21] How does she know about Jack's mom, though?

[00:07:21 - 00:07:23] Yeah, Jack's following him.

[00:07:23 - 00:07:26] No, Jack, don't tell me, dumbass.

[00:07:26 - 00:07:27] Yes, it is.

[00:07:30 - 00:07:35] bit careless. He doesn't really care. No, Jack, he didn't tell me about his mother.

[00:07:37 - 00:07:43] You were just talking, uh, that poor kid. Well, I believe you actually just, uh, Google

[00:07:43 - 00:07:50] searched it. It's pretty easy. This is how it works, Tom. Okay, you know how you guys,

[00:07:50 - 00:07:54] you know how you guys. Yeah, I know how it works. You Google the name. Do you know how

[00:08:00 - 00:08:03] And so, and I would like to do this.

[00:08:04 - 00:08:05] Well, guess what?

[00:08:05 - 00:08:08] You're not the only one that does that sort of thing.

[00:08:09 - 00:08:10] Guess what?

[00:08:10 - 00:08:13] Other people in this world do it as well.

[00:08:16 - 00:08:17] But she's pretty hot, right?

[00:08:17 - 00:08:21] It shouldn't be rocket science to you that there are other people.

[00:08:21 - 00:08:25] The biggest flaw in security is the human element.

[00:08:26 - 00:08:26] Right.

[00:08:26 - 00:08:28] And that's why we don't use the human element.

[00:08:30 - 00:08:40] shit. Yo, you actually call people and lie to get information. No, really. Yes, really.

[00:08:41 - 00:08:48] How do you know? Were you there? Well, at some point when we sit down over a cup of tea

[00:08:48 - 00:08:53] at a coffee shop. I'm never going to sit down with a cup of tea. No, in a million years.

[00:09:00 - 00:09:02] Yeah, you will.

[00:09:02 - 00:09:03] How come?

[00:09:03 - 00:09:04] What makes you so certain?

[00:09:06 - 00:09:10] Because at some point, see, right now, you don't trust me.

[00:09:10 - 00:09:11] Exactly.

[00:09:11 - 00:09:12] I don't trust you at all.

[00:09:14 - 00:09:14] Who knows?

[00:09:15 - 00:09:16] I'm no threat to him.

[00:09:17 - 00:09:19] I think you have a personal vendetta against me.

[00:09:20 - 00:09:20] That's what I think.

[00:09:20 - 00:09:20] Yeah.

[00:09:22 - 00:09:24] Listen, I don't have a personal vendetta.

[00:09:24 - 00:09:25] You know something?

[00:09:30 - 00:09:36] situations. The only time it was like a convergence of situations would happen and then you guys

[00:09:36 - 00:09:43] would call. So I take it out on you. Just like yesterday, yesterday I called Comcast.

[00:09:43 - 00:09:48] I called Comcast and you know that I'm on Comcast's backbone, but I called Comcast

[00:09:48 - 00:09:53] because I was getting shitty service and I screamed and I yelled and I jumped up and

[00:09:53 - 00:09:57] down at the guy. Does that mean that I was going to go over there and beat the shit out

[00:04:26 - 00:04:28] You got a level 3

[00:04:30 - 00:04:32] I don't like those Spice, you know.

[00:04:33 - 00:04:34] You guys play a lot of games, huh?

[00:04:34 - 00:04:35] Spice, 7th century.

[00:04:37 - 00:04:40] And we got a lot of fun time while we actually make money.

[00:04:42 - 00:04:46] Oh, yeah, well, I'm going to make a lot of fucking money.

[00:04:46 - 00:04:47] Right, how?

[00:04:49 - 00:04:51] I'm going to be a partner.

[00:04:53 - 00:04:55] You're not going to be a partner, Chris.

[00:04:55 - 00:04:56] You're just going to be a troll, dude, Chris.

[00:04:57 - 00:04:58] I already explained it to you.

[00:04:58 - 00:04:59] I'm going to be a troll partner.

[00:05:00 - 00:05:00] Right.

[00:05:00 - 00:05:03] You can't just be a partner, Chris.

[00:05:03 - 00:05:04] You have to be accepted by Google.

[00:05:05 - 00:05:11] Listen, I've got more views on other people's channels than anybody else.

[00:05:11 - 00:05:12] Yeah, exactly.

[00:05:12 - 00:05:12] That's the problem.

[00:05:13 - 00:05:15] You don't have views on your own videos.

[00:05:15 - 00:05:17] That's the whole partner program thing.

[00:05:18 - 00:05:22] You have to have views on your own videos in order to make money.

[00:05:23 - 00:05:23] Exactly.

[00:05:24 - 00:05:27] Then technically speaking, I've got to figure out a way to what?

[00:05:30 - 00:05:32] You're asking us. I thought you knew.

[00:05:33 - 00:05:35] Yeah. You're a genius, dude.

[00:05:35 - 00:05:38] Well, Tom, you know, I'm not all-knowing.

[00:05:38 - 00:05:39] I know. I know that.

[00:05:39 - 00:05:40] I'm gonna know it all.

[00:05:44 - 00:05:45] Oh, he just hung up.

[00:05:45 - 00:05:46] No, he didn't.

[00:05:47 - 00:05:48] Oh, yeah, whatever.

[00:05:48 - 00:05:50] It disconnects and shit.

[00:07:42 - 00:07:47] Yeah, no offense. I just want to, you know, I don't want to be ripped off here from my hard work.

[00:08:33 - 00:08:34] I've got to type it up.

[00:08:34 - 00:08:35] Here we go.

[00:08:35 - 00:08:36] [Uncertain recognition] Sorry.

[00:08:36 - 00:08:36] [Uncertain recognition] Type it up.

[00:08:39 - 00:08:41] So that's $500 each, right?

[00:08:48 - 00:08:49] Because we can make some new PayPal account.

[00:08:50 - 00:08:54] Geez, I'm thinking, like, why don't we do it bank to bank?

[00:08:55 - 00:08:56] No, no, no, no.

[00:08:56 - 00:08:58] That's unsecure and not anonymous.

[00:08:58 - 00:08:59] Exactly.

[00:09:00 - 00:09:07] i'm gonna make a new uh paypal account and then i'll transfer that to my own bank account

[00:09:07 - 00:09:12] so it won't be late and we'll transfer it to a few other things but that's our problem

[00:09:30 - 00:09:32] I can hear you just fine, but do you have a PayPal account, Chris?

[00:09:33 - 00:09:34] Oh, of course I do.

[00:09:35 - 00:09:35] Okay, good.

[00:09:37 - 00:09:40] I've had a PayPal account since PayPal was first invented.

[00:11:00 - 00:11:02] Oh, pretty fast. How do you know it was me, anyway?

[00:11:04 - 00:11:05] Because you can't hear my typing.

[00:11:06 - 00:11:07] Oh, right.

[00:11:09 - 00:11:13] So you're talking like 100 words a minute or 60 words a minute or...

[00:11:13 - 00:11:14] Oh, I don't know. I've never mentioned it.

[00:11:14 - 00:11:16] I had the highest one on my class.

[00:11:18 - 00:11:19] And how many was that?

[00:11:20 - 00:11:22] I got it on a diploma somewhere.

[00:11:24 - 00:11:27] I got it on a diploma somewhere, and it wasn't with 10 fingers.

[00:13:23 - 00:13:25] [Uncertain recognition] Now what the fuck's going on here?

[00:13:25 - 00:13:27] [Uncertain recognition] Why is she dragging that fucking memory?

[00:14:40 - 00:14:42] of Uxbridge, Mass

[00:14:42 - 00:14:46] and the correlation

[00:14:46 - 00:14:48] with the prank calls

[00:02:35 - 00:02:37] with my workout picture?

[00:02:38 - 00:02:39] I'm surprised I haven't seen it anyplace.

[00:02:40 - 00:02:41] I thought it was pretty cool.

[00:02:42 - 00:02:44] Your workout

[00:02:56 - 00:02:57] How did you make that? Holy fuck!

[00:02:57 - 00:02:59] Somebody left their email on

[00:03:00 - 00:03:09] What a dumb fuck was that? It was a girl. Her main account. What a dumb fuck.

[00:03:11 - 00:03:13] Oh, that's pretty stupid.

[00:03:13 - 00:03:16] Yeah, she bought some other shit.

[00:03:17 - 00:03:18] Oh, I got it.

[00:03:18 - 00:03:28] No, Tom, quick, quick, quick goofing around. I know you're saying it for my own edification and I'm not buying it, okay?

[00:03:30 - 00:03:32] There was a girl over there, and she left her email on here.

[00:03:34 - 00:03:36] Her Gmail account was on auto-login.

[00:03:38 - 00:03:38] Oh, great.

[00:03:38 - 00:03:41] So fuck with it, and she won't figure out who did it.

[00:03:42 - 00:03:43] I don't really give a fuck.

[00:03:44 - 00:03:46] I'll just do it anyway.

[00:03:47 - 00:03:49] Oh, you didn't like her?

[00:03:49 - 00:03:49] [Uncertain recognition] Eh?

[00:03:49 - 00:03:50] [Uncertain recognition] I don't care.

[00:03:52 - 00:03:54] You didn't like her, or did you like her?

[00:03:55 - 00:03:55] Or does that matter?

[00:04:00 - 00:04:07] If you liked her, well, obviously, you don't like her, because it doesn't matter.

[00:04:07 - 00:04:09] If you did like her, it wouldn't.

[00:04:11 - 00:04:12] Still waiting for that email, Chris.

[00:04:13 - 00:04:13] Yeah, where the hell is it?

[00:04:13 - 00:04:14] Yeah, I know.

[00:04:15 - 00:04:17] I'm just going through a couple of emails here.

[00:04:17 - 00:04:19] There's a couple of kids that sent me some shit.

[00:04:19 - 00:04:20] I'm just kind of reading it.

[00:04:20 - 00:04:21] Okay, sure.

[00:04:21 - 00:04:22] We'll give you some time.

[00:04:23 - 00:04:26] If I'm going to reply to it, if I'm going to send shit out, I'm going to...

[00:04:26 - 00:04:27] Just give me two more minutes here.

[00:04:28 - 00:04:28] Sure.

[00:04:28 - 00:04:29] No problem.

[00:04:30 - 00:04:59] No, it's just bullshitting.

[00:05:00 - 00:05:06] Jesus

[00:05:06 - 00:05:13] [Uncertain recognition] We don't

[00:05:13 - 00:05:14] You'll never know

[00:05:14 - 00:05:15] You'll never know

[00:05:15 - 00:05:20] Okay, let me go back to my regular typing

[00:05:20 - 00:05:24] There we go

[00:05:30 - 00:05:41] I understand for you. I mean, you work at the IT shop and you type so slow?

[00:05:43 - 00:05:56] Well, you know, some of the best journalists in the world, like Walter Cronkite or just a bunch of them over here anyway.

[00:05:56 - 00:05:59] I don't know about over there, but there's a lot of people that type for a living.

[00:06:00 - 00:06:03] And they do it with two digits, two single fingers, believe it or not.

[00:06:03 - 00:06:03] [Uncertain recognition] Right.

[00:06:04 - 00:06:05] Like an old type of machine.

[00:06:06 - 00:06:07] Exactly.

[00:06:07 - 00:06:10] So I'm still waiting for the email.

[00:06:11 - 00:06:14] No, he's just going to check his email first, and then he's going to send it.

[00:06:18 - 00:06:19] [Uncertain recognition] Okay, hold on.

[00:06:22 - 00:06:24] [Uncertain recognition] And my computer keeps jamming up a little bit.

[00:06:30 - 00:06:59] Thank you.

[00:07:00 - 00:07:29] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:07:30 - 00:07:31] [Uncertain recognition] Okay, let's go.

[00:08:00 - 00:08:29] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:08:30 - 00:08:31] [Uncertain recognition] Oh, that's a bunch of trash.

[00:08:32 - 00:08:32] [Uncertain recognition] Yes.

[00:08:54 - 00:08:59] [Uncertain recognition] Well, see, Tom, if I hate you guys, I'm going to be doing this.

[00:09:00 - 00:09:03] [Uncertain recognition] why because this shows

[00:09:03 - 00:09:11] you can tell you can you can you can have this kind of talk after we're done yeah okay great

[00:00:00 - 00:00:02] Cents are coming into my lungs.

[00:00:17 - 00:00:19] Hey, did you hear all that shit, Tom?

[00:00:19 - 00:00:21] What? No. I was downstairs.

[00:00:22 - 00:00:24] No, I was just coughing out a lot of shit.

[00:00:24 - 00:00:26] That's from me quitting smoking.

[00:00:30 - 00:00:59] [Uncertain recognition] I'm going to go.

[00:01:00 - 00:01:02] What's he gonna say?

[00:01:02 - 00:01:04] [Uncertain recognition] All right.

[00:01:04 - 00:01:07] [Uncertain recognition] Hello, Coon.

[00:01:07 - 00:01:11] [Uncertain recognition] Okay, Coon.

[00:01:11 - 00:01:16] Prior discussion about the connection between my former partner, Kai W. Coons of Whitensville, Mass.,

[00:01:16 - 00:01:22] and the prank caller from YouTube, ChrisSantos21, whose real name is Chris Santos of Oxbridge, Mass.,

[00:01:30 - 00:01:36] that the prank calls started shortly after I kicked them out of the business.

[00:01:38 - 00:01:41] As we talk, as I'm typing this,

[00:01:42 - 00:01:46] I was pleased to hear that you did find information that connected them to knowing each other.

[00:01:46 - 00:01:50] As I said to you and Tom, I will pay you $500 USD,

[00:01:50 - 00:01:56] United States dollars, for the work that you found out how they were connected.

[00:02:00 - 00:02:01] I just paid a lot of bills.

[00:02:01 - 00:02:03] I would not be able to pay you until the end of this month.

[00:02:04 - 00:02:07] We're going to be on the safe side by the middle of next month for the latest.

[00:02:10 - 00:02:11] Expectable?

[00:02:11 - 00:02:14] What was the last part after you said Tom?

[00:02:15 - 00:02:15] Go ahead, Tom.

[00:02:18 - 00:02:20] The line was pretty bad here.

[00:02:23 - 00:02:23] [Uncertain recognition] Okay.

[00:02:28 - 00:02:29] [Uncertain recognition] There's a typo there.

[00:02:30 - 00:02:34] So the other thing I don't like about this yahoo doesn't fix the typos

[00:03:00 - 00:03:14] As I said to you and Tom, I would be willing, I will be happy to pay you.

[00:03:15 - 00:03:18] I will be, it won't be just saying I will pay you.

[00:03:18 - 00:03:27] It will say I will be happy to pay you $500 for the work that you,

[00:03:30 - 00:03:42] Tom did to find out, that's why I like to review it, to find out how, I'm going to put the names in there,

[00:04:00 - 00:04:07] [Uncertain recognition] and are connected.

[00:04:10 - 00:04:12] As I also said, I just get bumped into a lot of those.

[00:04:12 - 00:04:13] Okay, that's great.

[00:04:14 - 00:04:15] Can we read this one more time?

[00:04:19 - 00:04:20] [Uncertain recognition] And Tom.

[00:04:22 - 00:04:24] For our discussion about the connection between my former partner

[00:04:24 - 00:04:27] and the phone call from YouTube, Chris Santos,

[00:04:27 - 00:04:28] to the one whose one name is Chris Santos,

[00:04:30 - 00:04:36] that my research should be living in 10 miles, which is that I, as a fellow, didn't believe

[00:04:36 - 00:04:51] that it was a coincidence. As we talked and as I'm typing this, I was pleased to hear

[00:04:51 - 00:04:55] that you did find information that connected them to knowing each other. As I said to you

[00:05:00 - 00:05:07] work, the research that you and Tom did to find out how KIDA

[00:05:07 - 00:05:10] became a person who was connected.

[00:05:10 - 00:05:11] Also says, okay, this is good.

[00:02:52 - 00:02:54] Nancy at hotmail.com.

[00:02:55 - 00:02:56] That is affirmative, sir.

[00:02:57 - 00:02:58] Yeah, okay.

[00:02:58 - 00:02:58] 10-4.

[00:03:00 - 00:03:00] Great.

[00:03:01 - 00:03:02] Let's do some business.

[00:03:02 - 00:03:06] Okay, so take that, take that, and we're going to do it.

[00:03:11 - 00:03:14] [Uncertain recognition] Okay, now we're rocking.

[00:03:14 - 00:03:16] Rock and roll, baby.

[00:03:17 - 00:03:18] [Uncertain recognition] Okay, you ready?

[00:03:19 - 00:03:19] [Uncertain recognition] I'm ready.

[00:03:21 - 00:03:22] [Uncertain recognition] Okay.

[00:03:22 - 00:03:23] Ready to receive.

[00:03:24 - 00:03:25] [Uncertain recognition] Yep, here it comes.

[00:03:26 - 00:03:29] [Uncertain recognition] Copy, and there we go.

[00:03:30 - 00:03:33] [Uncertain recognition] and there we go

[00:03:33 - 00:03:38] okay and then we're gonna send it

[00:03:38 - 00:03:43] [Uncertain recognition] oh oh oh oh shit

[00:03:43 - 00:03:46] Tom

[00:03:46 - 00:03:50] hold up one second hold on hold on

[00:03:50 - 00:03:53] Tom what should the exit button be

[00:03:53 - 00:03:54] exit?

[00:03:55 - 00:03:58] yeah I have an exit button on the right

[00:04:00 - 00:04:03] You know, there's, like, new user, retire options, and exit.

[00:04:05 - 00:04:06] What are you guys building?

[00:04:07 - 00:04:10] Exit button should be, like, Google.com.

[00:04:11 - 00:04:12] Google, yeah, exactly.

[00:04:12 - 00:04:13] Okay, all right.

[00:04:14 - 00:04:17] So, what, Chris?

[00:04:18 - 00:04:20] So, what are you guys building?

[00:04:21 - 00:04:22] Top secret.

[00:04:22 - 00:04:23] Top secret.

[00:04:23 - 00:04:25] Come on, you can tell me.

[00:04:25 - 00:04:27] We can't even tell our best buddy.

[00:04:27 - 00:04:27] I'm sorry.

[00:04:27 - 00:04:29] I'm one of the guys.

[00:04:30 - 00:04:30] No, you're not.

[00:04:30 - 00:04:31] No, you're not.

[00:04:31 - 00:04:34] I want to be.

[00:04:35 - 00:04:36] I don't want to be old.

[00:04:37 - 00:04:38] I want to be young again.

[00:04:39 - 00:04:42] No, I'm sorry, but there's no magical way you can be young again.

[00:04:42 - 00:04:43] Exactly.

[00:04:43 - 00:04:48] And it's our top secret project, so you can join in on it.

[00:04:48 - 00:04:49] Oh, top secret project.

[00:04:49 - 00:04:52] So this is something you could possibly make money doing?

[00:04:52 - 00:04:53] Yes.

[00:04:53 - 00:04:54] Fuck yes.

[00:04:54 - 00:04:55] Shit load of money.

[00:04:55 - 00:04:56] Shit load of money.

[00:05:00 - 00:05:01] so we're not going to tell you, sorry.

[00:05:01 - 00:05:02] We don't have to work anymore now.

[00:05:02 - 00:05:04] No, that's understandable.

[00:05:04 - 00:05:05] I wouldn't expect it.

[00:05:06 - 00:05:07] Okay, yep.

[00:05:07 - 00:05:08] Did you get that?

[00:05:09 - 00:05:11] I sent it twice just to make sure.

[00:05:11 - 00:05:11] Okay.

[00:05:12 - 00:05:14] All right, and what's the actual date?

[00:05:14 - 00:05:15] Yeah, I got it.

[00:05:16 - 00:05:18] Your research, your date, and payment.

[00:05:19 - 00:05:20] Right, there you go.

[00:05:20 - 00:05:21] Okay, all we expect.

[00:05:23 - 00:05:24] What should I do now?

[00:05:24 - 00:05:25] Should I sign it or something?

[00:05:25 - 00:05:26] What do I need to do?

[00:05:27 - 00:05:27] [Uncertain recognition] No.

[00:05:30 - 00:05:38] And that right there, once I receive it, see, the whole thing here is you can prove it, I'm bound.

[00:05:38 - 00:05:39] At this point, that's illegal.

[00:05:40 - 00:05:42] What I said to you was legal and binding.

[00:05:43 - 00:05:51] It might be legal, but don't I need to sign that first or something in order to get a contract on both parties and agreements?

[00:05:52 - 00:05:52] No.

[00:05:52 - 00:05:59] Listen, if you accept it, what you say is you flip it back and you say, okay, I accept your agreement.

[00:06:00 - 00:06:15] Yeah, that's not signing it. You just say, I accept your agreement and I will provide you with the information. At that point, legal and binding would be held up at the world court.

[00:06:30 - 00:06:31] you guys as a resource

[00:06:31 - 00:06:33] on the other side of the world

[00:06:33 - 00:06:35] for $500 lousy fucking dollars.

[00:06:35 - 00:06:37] Exactly. Good.

[00:06:38 - 00:06:39] That would be nuts.

[00:06:40 - 00:06:41] Didn't you say that you were going to

[00:06:41 - 00:06:42] give us more, though?

[00:06:43 - 00:06:45] Yeah, once I sue him, you guys are going to get

[00:06:45 - 00:06:47] $20,000 apiece.

[00:06:47 - 00:06:48] When do you think you're going to sue him, then?

[00:06:49 - 00:06:51] As soon as I make the connection,

[00:06:51 - 00:06:53] as soon as I find an attorney that is...

[00:06:53 - 00:06:53] Okay.

[00:06:55 - 00:06:57] See, the whole thing over here, because economy's bad,

[00:06:57 - 00:06:59] I got to find...

[00:07:00 - 00:07:01] I'm just going to take a case.

[00:07:01 - 00:07:07] But if you guys help connect the dots, an attorney that is hungry, hungry, needs money.

[00:07:08 - 00:07:09] Money, money, money.

[00:07:09 - 00:07:10] And she needs a viable case.

[00:07:10 - 00:07:12] Money, money, money, money.

[00:07:13 - 00:07:14] She needs a viable case.

[00:07:15 - 00:07:20] And by the way, I'm going to have this in the paper.

[00:07:21 - 00:07:22] This is going to be in the paper.

[00:07:22 - 00:07:25] So you'll be able to get online, like the Worcester Telegram and Gazette.

[00:07:25 - 00:07:27] You can get online and see this shit.

[00:07:28 - 00:07:28] Wow.

[00:07:30 - 00:07:31] No, no, no.

[00:07:32 - 00:07:34] The future is...

[00:07:34 - 00:07:35] The future is now.

[00:07:36 - 00:07:37] The future is now.

[00:07:38 - 00:07:40] The future is...

[00:07:40 - 00:07:44] The future is me getting my data recovery company

[00:07:44 - 00:07:47] making some serious cash.

[00:07:47 - 00:07:49] Because when it does,

[00:07:49 - 00:07:51] and I get my first office over there

[00:07:51 - 00:07:54] with my friend in Lucerne,

[00:07:55 - 00:07:57] then I'm going to invite you guys down for a party.

[00:07:58 - 00:07:59] Wow. Thanks.

[00:08:00 - 00:08:00] [Uncertain recognition] Thanks, man.

[00:08:02 - 00:08:03] To be on my nickel.

[00:08:04 - 00:08:06] We call it my nickel over here.

[00:08:08 - 00:08:09] This means I'm paying for it.

[00:08:10 - 00:08:11] That's really kind of you.

[00:08:11 - 00:08:11] [Uncertain recognition] That's really kind.

[00:08:13 - 00:08:14] Who are you going to invite me?

[00:08:14 - 00:08:15] So when do you guys think of yourselves?

[00:08:15 - 00:08:16] You guys do what you guys are doing.

[00:08:16 - 00:08:18] Let me get you back to doing what I'm doing.

[00:08:18 - 00:08:20] And when do you think you'll be sending me the info?

[00:08:21 - 00:08:22] Yeah, I'll just...

[00:08:22 - 00:08:23] No, that's over, Tom. That's off.

[00:08:23 - 00:08:25] When should I call you back about this?

[00:08:27 - 00:08:28] No, just send it to me an email.

[00:08:30 - 00:08:31] about the PayPal account and stuff?

[00:08:32 - 00:08:33] Oh, just, no, no, no, no.

[00:08:33 - 00:08:34] Send that agreement back.

[00:08:34 - 00:08:37] Say, I accept this agreement.

[00:08:38 - 00:08:39] And then what?

[00:08:39 - 00:08:41] And I'll be sending you that information soon.

[00:08:42 - 00:08:44] And then I'll send it back,

[00:08:44 - 00:08:46] and I'll say, I accept your agreement,

[00:08:47 - 00:08:49] and I'll be looking forward to it.

[00:08:49 - 00:08:50] [Uncertain recognition] Okay, then.

[00:08:50 - 00:08:50] [Uncertain recognition] All right.

[00:08:52 - 00:08:53] Thank you, later.

[00:08:54 - 00:08:54] Yep, bye.

[00:08:55 - 00:08:55] [Uncertain recognition] Bye.

[00:08:57 - 00:08:58] [Uncertain recognition] He's gone?

[00:08:59 - 00:08:59] Yep.

[00:09:00 - 00:09:03] [Uncertain recognition] the way he sees it

[00:09:03 - 00:09:04] we're gonna send it first

[00:09:04 - 00:09:06] I don't think so

[00:09:06 - 00:09:06] that's not the way

[00:09:06 - 00:09:08] it's gonna work

[00:09:08 - 00:09:09] I'm afraid

[00:09:09 - 00:09:11] cause we have

[00:09:11 - 00:09:12] very valuable

[00:09:12 - 00:09:13] information here

[00:09:13 - 00:09:16] yeah

[00:09:16 - 00:09:16] and he's not

[00:09:16 - 00:09:17] going to

[00:09:17 - 00:09:18] let us fuck him

[00:09:18 - 00:09:19] though

[00:09:19 - 00:09:20] yeah

[00:09:20 - 00:09:21] so I'm not gonna

[00:09:21 - 00:09:22] let him fuck us

[00:09:22 - 00:09:24] no but

[00:09:24 - 00:09:24] like

[00:09:24 - 00:09:26] he won't pay

[00:09:26 - 00:09:27] for it

[00:09:27 - 00:09:28] until he gets it

[00:09:30 - 00:09:33] Oh, we won't give any information unless we get our money.

[00:09:35 - 00:09:35] I know, I know.

[00:09:36 - 00:09:37] Ah, fucking hell.

[00:09:37 - 00:09:39] He's going to stall this.

[00:09:39 - 00:09:40] This isn't going to work.

[00:09:41 - 00:09:42] Oh, let's just try it, mate.

[00:09:42 - 00:09:44] Yeah, we should try it.

[00:09:45 - 00:09:47] He can't ever catch us, though.

[00:09:48 - 00:09:50] Oh, especially if you're using Tor and shit like that.

[00:09:50 - 00:09:50] Be careful.

[00:09:52 - 00:09:56] I fucking didn't use Tor to make up the accounts, but that doesn't matter.

[00:09:56 - 00:09:56] Me neither.

[00:09:57 - 00:09:59] They can trace their roots anyway if they want to.

[00:10:00 - 00:10:02] Yeah, but again, it's only $500.

[00:10:03 - 00:10:04] So they're not going to do that much.

[00:10:04 - 00:10:09] And it will probably cost more than $500 to catch people like us, I guess.

[00:10:10 - 00:10:11] Even more.

[00:10:12 - 00:10:13] Yeah, so it's not worth that.

[00:10:14 - 00:10:14] [Uncertain recognition] Exactly.

[00:10:16 - 00:10:18] But I think it's mostly about the header.

[00:10:19 - 00:10:25] If you can trace the header, then, you know, so make sure you use the proxy if you're going to send emails.

[00:10:26 - 00:10:28] That's why I didn't want to copy.

[00:10:28 - 00:10:29] I don't want to get linked too much.

[00:10:30 - 00:10:30] Okay.

[00:11:00 - 00:11:08] it would be nice to have like 500 euros though

[00:11:08 - 00:11:10] it would be nice to have 500 euros though

[00:11:10 - 00:11:13] no it's not 500 euros it's 500 US dollars

[00:11:13 - 00:11:15] right but whatever

[00:11:30 - 00:11:43] yeah we should take his money all of it yeah you know i kind of feel guilty because he's kind

[00:11:43 - 00:11:48] of a nice guy but at the same time he lies all the time to us and uh he lies to us and we're

[00:11:48 - 00:11:54] gonna lie to him and he's making threats to us all the time and uh then like no no no listen

[00:12:00 - 00:12:02] Who the fuck is that guy anyway?

[00:12:02 - 00:12:04] I have no fucking idea.

[00:12:04 - 00:12:06] He sent me a whole email about him.

[00:12:06 - 00:12:08] Yeah, me too.

[00:12:08 - 00:12:10] I'm like, fucking hell.

[00:12:10 - 00:12:12] I don't even know who that guy is, man.

[00:12:12 - 00:12:14] I know Chris Santos, though.

[00:12:14 - 00:12:16] He's on YouTube.

[00:12:16 - 00:12:18] Yeah, I know.

[00:12:18 - 00:12:20] He's some rapper.

[00:12:20 - 00:12:22] [Uncertain recognition] Got his YouTube account and shit.

[00:12:30 - 00:12:59] Thank you.

[00:13:00 - 00:13:07] uh yeah we want to have the money again okay we could use that money that he will send us

[00:13:07 - 00:13:13] if that was going to work but if he's ever going to send us money then uh yeah we should use that

[00:13:13 - 00:13:22] money to register domain yeah that could work it's only like ten dollars or something yeah

[00:13:30 - 00:13:36] We've got to make sure it's not in Europe or in America or United Kingdom.

[00:13:37 - 00:13:40] It has to be somewhere in Russia.

[00:13:40 - 00:13:41] Seriously?

[00:13:42 - 00:13:44] Yeah, the surface has to be in Russia or Iran or something.

[00:13:45 - 00:13:46] Why?

[00:13:47 - 00:13:51] I said the surface has to be in Iran or Russia or somewhere like that.

[00:13:51 - 00:13:52] Yeah, why?

[00:13:53 - 00:13:57] Because they don't give a shit.

[00:14:00 - 00:14:01] To put it plain and simple.

[00:14:07 - 00:14:08] What?

[00:14:09 - 00:14:09] That's funny.

[00:14:10 - 00:14:11] I just don't give a shit.

[00:14:12 - 00:14:17] No, I mean, in America, they can just raid the servers and get all the evidence, you know.

[00:14:18 - 00:14:20] And the Russians don't agree to that.

[00:14:22 - 00:14:28] And if an American complains to Iran about their servers, you ever think Iran is going to agree to that?

[00:14:30 - 00:14:32] or Cuba

[00:14:32 - 00:14:34] well no Cuba is getting

[00:14:34 - 00:14:36] Americanized now

[00:14:36 - 00:14:37] yeah ok I know

[00:14:37 - 00:14:48] doesn't matter though

[00:03:12 - 00:03:15] Yeah, why are you afraid of L.R. and Hubbard?

[00:03:16 - 00:03:17] I'm not.

[00:03:17 - 00:03:18] He writes good books.

[00:03:19 - 00:03:20] What do you think of him?

[00:03:21 - 00:03:22] Well, I don't know.

[00:03:22 - 00:03:25] We've got one of the largest Scientology places here in Boston.

[00:03:26 - 00:03:26] You do, huh?

[00:03:26 - 00:03:27] Do you go to them?

[00:03:27 - 00:03:28] That's really good.

[00:03:28 - 00:03:29] Check that out.

[00:03:29 - 00:03:29] Scientology.

[00:03:30 - 00:03:31] It's huge, it's gorgeous.

[00:03:32 - 00:03:36] In fact, I think I'm going to be joining.

[00:03:36 - 00:03:36] Really?

[00:03:37 - 00:03:41] Oh, if you join me, you're going to have an all-out war on your shop right there.

[00:03:42 - 00:03:42] Why is that?

[00:03:43 - 00:03:45] Because it's not healthy to join.

[00:03:47 - 00:03:48] What, Scientology?

[00:03:48 - 00:03:50] IQ goes up, though.

[00:03:50 - 00:03:52] Yeah, that's about it.

[00:03:54 - 00:03:56] Oh, you mean a lot of people hate it.

[00:03:57 - 00:03:58] Yeah, you don't?

[00:03:58 - 00:03:59] What do you think of Scientology?

[00:04:00 - 00:04:01] What do you think of Scientology?

[00:04:01 - 00:04:04] Oh, I'm just going to join to meet Tom Cruise because he comes to Boston.

[00:04:14 - 00:04:15] I thought you were going to be a Freemason.

[00:04:16 - 00:04:16] Maybe he will.

[00:04:17 - 00:04:19] What happened to the Freemason thing?

[00:04:20 - 00:04:21] I'm on a train.

[00:04:21 - 00:04:22] [Uncertain recognition] I'm on a train.

[00:04:25 - 00:04:25] Yes.

[00:04:25 - 00:04:26] Did you hear that?

[00:04:26 - 00:04:29] Didn't you try to sign up for Freemasons?

[00:04:29 - 00:04:29] Yeah.

[00:04:30 - 00:04:31] Yeah, I did.

[00:04:31 - 00:04:32] They rejected me.

[00:04:39 - 00:04:40] [Uncertain recognition] Yep.

[00:04:40 - 00:04:41] Somebody said...

[00:04:41 - 00:04:41] A day ago.

[00:04:41 - 00:04:42] They do internet searches.

[00:04:43 - 00:04:46] They said, hey, we don't fucking take prank callers here.

[00:00:55 - 00:00:59] No, as a matter of fact, I'm not.

[00:01:00 - 00:01:01] As a matter of fact, you are.

[00:01:22 - 00:01:23] Yeah, we don't need guns.

[00:01:23 - 00:01:24] We don't need guns.

[00:01:25 - 00:01:26] We use words because we don't need guns.

[00:01:26 - 00:01:29] Yeah, and that's why somebody can walk in and take over your asses in a heartbeat.

[00:01:30 - 00:01:33] Yeah, but you won't because we fucking started your country.

[00:01:33 - 00:01:35] So don't give us that kind of fuck.

[00:01:35 - 00:01:36] That's not a good start on that, shall we?

[00:01:37 - 00:01:37] Yeah.

[00:01:37 - 00:01:38] You started my country.

[00:01:38 - 00:01:40] Yes, we fucking did.

[00:01:40 - 00:01:41] Yes, we fucking did.

[00:01:43 - 00:01:44] Yes, we did.

[00:01:44 - 00:01:45] And we sold it to the British.

[00:01:45 - 00:01:48] And then the British sold it again to you people.

[00:01:49 - 00:01:52] Is that what you learned in school?

[00:01:52 - 00:01:53] No, we actually know for sure.

[00:01:53 - 00:01:54] No, we took it.

[00:01:54 - 00:01:55] We took it.

[00:01:55 - 00:01:57] We took it by force.

[00:01:57 - 00:01:57] Actually, no.

[00:01:57 - 00:01:58] Yeah, yeah, yeah.

[00:03:00 - 00:03:01] on... Hold on.

[00:03:01 - 00:03:02] Thank you.

[00:03:06 - 00:03:07] [Uncertain recognition] Hello? Hello.

[00:03:08 - 00:03:09] Oh, good. You're back.

[00:03:09 - 00:03:11] Yes. So, fucking, that's

[00:03:11 - 00:03:13] what we were talking about.

[00:03:13 - 00:03:15] I was just going to call my girlfriend. I didn't think you guys were going to call her back.

[00:03:16 - 00:03:17] Oh, yeah. We were going to sue

[00:03:17 - 00:03:19] YouTube. Yeah, YouTube, right. Exactly.

[00:03:20 - 00:03:21] And Tom says, What Grounds?

[00:03:23 - 00:03:25] Oh, on what grounds?

[00:03:27 - 00:03:27] I guess

[00:03:30 - 00:03:35] smart-ass about this um I guess on the grounds that um what about me though I

[00:03:35 - 00:03:39] have a lot of videos for you you know if you're fucking a bunch of let me tell

[00:03:39 - 00:03:43] you one thing if this guy makes what's happened if he says what's true is true

[00:03:43 - 00:03:51] and this is I could see this is a cash cow you know the cash cow is yes no no

[00:03:51 - 00:03:57] no it's a cash cow is something that generates revenue over and over again

[00:04:00 - 00:04:07] yeah okay but uh what about my uh videos then chris are you gonna are you gonna sue me for

[00:04:07 - 00:04:15] having videos uh no no of course not that'd be crazy because i can make it private if you that's

[00:04:15 - 00:04:22] what you want no that'd be crazy so we'll see i was told no no is it true what's it what's the story

[00:04:22 - 00:04:29] is it true you get you get you get you get a small percentage of the advertising on the channel

[00:04:30 - 00:04:35] Yeah, if people click it, what's it like? Is it like is it like two or three cents per dollar?

[00:04:36 - 00:04:40] Oh, you can make a pretty good living actually if you have a lot of subscribers and shit like that

[00:04:42 - 00:04:46] So you're talking pretty good living like a couple hundred thousand bucks a year like

[00:04:48 - 00:04:56] Twelve hundred no one like one no a little bit more than one thousand a month or something like that no two thousand maybe

[00:05:00 - 00:05:08] shit over here that's getting by yeah exactly but that's just money for uh for uh doing nothing

[00:05:08 - 00:05:13] actually so it's more than enough yeah you know well you know you've heard about lisa nova

[00:05:13 - 00:05:20] lisa nova yeah i heard about her yeah everybody knows about lisa nova she must be making a couple

[00:05:20 - 00:05:25] hundred thousand a year yeah but she's the most famous that won't stay for long

[00:05:30 - 00:05:39] people go on to the next best thing right right let's have a look at lisa nova's subscribers

[00:05:39 - 00:05:49] shall we uh let's see how much she has yes um 27 272 000 subscribers let's have a look at stage

[00:06:00 - 00:06:07] so you might make um i don't know seven cents or something a month yeah seven cents okay

[00:06:07 - 00:06:12] i don't know still have to work for it right no probably more like a hundred or something i don't

[00:06:12 - 00:06:19] know should ask youtube i don't have the prices no but see see see then how do these guys how

[00:06:19 - 00:06:23] would what are these guys thinking about getting me we told you already they're trolling you

[00:06:23 - 00:06:28] oh they might just fuck with you i don't know yeah they're probably fucking with you i wouldn't

[00:06:30 - 00:06:31] when people are getting fucked.

[00:06:33 - 00:06:33] Right.

[00:06:34 - 00:06:38] But, I mean, Tom wanted to talk about the money.

[00:06:38 - 00:06:38] [Uncertain recognition] Huh?

[00:06:39 - 00:06:41] Didn't you say email or something?

[00:06:42 - 00:06:43] Yeah, I sent you the email.

[00:06:43 - 00:06:44] Yeah, I got the email.

[00:06:44 - 00:06:45] Right.

[00:06:47 - 00:06:50] So when are you guys going to provide the information?

[00:06:50 - 00:06:51] Well, after the payment.

[00:06:52 - 00:06:53] After the payment.

[00:06:54 - 00:06:56] I mean, we signed the agreement, so.

[00:06:56 - 00:06:57] No, that's fine, that's fine.

[00:06:57 - 00:06:58] You do it whenever you want.

[00:06:59 - 00:06:59] Okay.

[00:07:00 - 00:07:03] Let's see.

[00:07:03 - 00:07:07] I could make the YouTube movies private if that's what you want.

[00:07:07 - 00:07:08] I mean, if it bothers you.

[00:07:08 - 00:07:09] No, don't worry about it.

[00:07:09 - 00:07:11] No, it's in publicity, actually.

[00:07:13 - 00:07:16] Yeah, but it's kind of two-sided here.

[00:07:16 - 00:07:19] You're going to sue YouTube for having your movies,

[00:07:19 - 00:07:23] but at the same time, you want to make money out of it without any movies on it?

[00:07:24 - 00:07:27] Yeah, but the left hand, because they're such a big corporation,

[00:07:27 - 00:07:29] the left hand doesn't know what the right hand is doing.

[00:07:30 - 00:07:37] which makes sense yeah it's like millions billions of movies on youtube might be they got something

[00:07:37 - 00:07:47] on the order of 10 million subscribers 10 million they don't even know that's an estimate that's

[00:07:47 - 00:07:54] unbelievable they've got hundreds of millions of subscribers oh yeah i know it used to be bigger

[00:08:00 - 00:08:08] There's no way, technically speaking, other than the big boys, like the movie houses,

[00:08:09 - 00:08:14] like when somebody puts up, I guess people were putting up whole movies, DVDs.

[00:08:14 - 00:08:15] Yeah, WMG and stuff.

[00:08:17 - 00:08:18] Yeah, ripping DVDs and stuff.

[00:08:19 - 00:08:22] I mean, now that stuff, I guess they got technology to track it.

[00:08:23 - 00:08:27] Oh, they do, but you can easily bypass it by just changing.

[00:08:30 - 00:08:37] a song on youtube you can just uh bypass the whole uh detection system if you like change the pitch

[00:08:37 - 00:08:45] like 0.1 and then the whole data changes so they weren't able to record oh really yeah wow that's

[00:08:45 - 00:08:53] not bad yep it's really easy yeah so what about a movie how do you do that same thing movies that's

[00:08:53 - 00:08:57] a little bit you want to learn more about the internet and we want to get paid more to be on

[00:09:00 - 00:09:01] How is this going to work out?

[00:09:03 - 00:09:04] How's it going to work out?

[00:09:04 - 00:09:08] It'll work out fine, especially when I get a data recovery shop over there.

[00:09:09 - 00:09:11] I think it was talking about the payment.

[00:09:13 - 00:09:13] Oh, the payment.

[00:09:13 - 00:09:15] Yeah, the payment is going to come, Tom.

[00:09:15 - 00:09:16] [Uncertain recognition] Don't worry about that.

[00:09:17 - 00:09:18] Yeah, well, I don't really get to work.

[00:09:18 - 00:09:20] Well, he does worry about it, I guess.

[00:09:21 - 00:09:22] I don't really get to work.

[00:09:23 - 00:09:27] It's like you've been working on, and you're waiting for it.

[00:09:30 - 00:09:37] When Coons is sued, when Coons is sued, you have to be able to let you see.

[00:09:37 - 00:09:43] Oh yeah, you get it, don't worry, don't worry, it's coming.

[00:09:43 - 00:09:46] And at the 25th of the month, you always get paid.

[00:09:46 - 00:09:49] And then all of a sudden, they're not sure when you're going to get paid.

[00:09:49 - 00:09:53] But you got a lot of bills, you got a lot of kids you have to feed.

[00:09:53 - 00:09:57] You know how that feels, Chris?

[00:10:00 - 00:10:03] Yeah, I agree.

[00:10:03 - 00:10:05] That's kind of my position right now.

[00:10:05 - 00:10:07] Yeah, I see your point there, Tom.

[00:10:08 - 00:10:15] Maybe it would be wise if we can set an agreement or something, deadline, or something like that.

[00:10:16 - 00:10:17] I don't know.

[00:10:17 - 00:10:17] I had a day one.

[00:10:17 - 00:10:20] Middle of next month, but with the deadline.

[00:10:21 - 00:10:22] Okay.

[00:10:22 - 00:10:23] [Uncertain recognition] All right.

[00:10:23 - 00:10:24] [Uncertain recognition] What's in your email?

[00:10:25 - 00:10:26] Yeah, yeah, I read it that.

[00:10:27 - 00:10:28] But, you know, it's only like 500.

[00:10:30 - 00:10:34] it's not that much i don't really care that much about it but tom does apparently well

[00:10:34 - 00:10:42] guys you know take your time slow down because nothing nothing happens overnight remember that

[00:10:42 - 00:10:47] i know i understand all good things see there's a state there's a there's a truth in almost every

[00:10:47 - 00:10:54] country all good things in time yeah it takes time i guess all your things in time need strong

[00:11:00 - 00:11:02] There he goes with the penises again.

[00:11:02 - 00:11:05] I don't know Tom, you gotta cut that crap out.

[00:11:05 - 00:11:06] Tell me something to do with-

[00:11:06 - 00:11:09] I've been spending too much time on the internet.

[00:11:09 - 00:11:11] Spending too much time with penises.

[00:11:11 - 00:11:13] That's the problem, that's the problem.

[00:11:13 - 00:11:16] So, uh, so how's school going anyway, Tom?

[00:11:16 - 00:11:19] Oh, my school is brilliant.

[00:11:19 - 00:11:21] Great.

[00:11:21 - 00:11:26] Wow, I heard a yawn that's tired.

[00:11:30 - 00:11:31] Yes.

[00:11:31 - 00:11:33] No, it's 10 past 8.

[00:11:33 - 00:11:36] It ain't 10 past 8.

[00:11:36 - 00:11:38] Yes it is, you faggot.

[00:11:38 - 00:11:39] It's 2011.

[00:11:39 - 00:11:41] Oh, the 22, yeah, right.

[00:11:41 - 00:11:42] You're 6 hours ahead, right?

[00:11:42 - 00:11:43] It said 10 past 8.

[00:11:43 - 00:11:44] [Uncertain recognition] Yeah.

[00:11:44 - 00:11:45] [Uncertain recognition] Yeah.

[00:11:45 - 00:11:47] Yeah, it took a long day for King Raccoon.

[00:11:47 - 00:11:48] Yeah, it took a long day for King Raccoon.

[00:11:48 - 00:11:49] [Uncertain recognition] Yeah, it took a long day for King Raccoon.

[00:11:49 - 00:11:50] Yeah, it took a long day for King Raccoon.

[00:11:50 - 00:11:51] Outsmart us here, yeah.

[00:11:51 - 00:11:52] Yeah, it took a long day for King Raccoon.

[00:11:52 - 00:11:53] [Uncertain recognition] Outsmart us here, yeah.

[00:11:53 - 00:11:54] It's not gonna work.

[00:11:54 - 00:11:55] It's not gonna work.

[00:11:55 - 00:11:56] It's not gonna work, man.

[00:11:56 - 00:11:59] Let's see...

[00:12:00 - 00:12:06] take part in project x uh chris yeah i don't know i got i'm i'm busy enough i mean

[00:12:06 - 00:12:15] no but this is actually without having to do anything so this is actually uh you know

[00:12:15 - 00:12:21] the pyramid scheme they used to have yeah yeah well that's pretty much well that's called

[00:12:21 - 00:12:28] network marketing you don't have to do anything to earn money just it's network marketing if it's

[00:12:30 - 00:12:32] Would you know something?

[00:12:32 - 00:12:33] A corporation is a pyramid.

[00:12:34 - 00:12:35] You get the people...

[00:12:35 - 00:12:38] It doesn't really matter.

[00:12:39 - 00:12:42] The point is you don't have to do shit to get the money.

[00:12:45 - 00:12:46] Just sit there.

[00:12:48 - 00:12:51] And you can probably make like a million or something.

[00:12:54 - 00:12:55] How much...

[00:12:55 - 00:12:57] I don't know.

[00:12:57 - 00:12:58] That doesn't sound...

[00:12:58 - 00:12:59] It's just not very legal.

[00:13:00 - 00:13:02] It's not realistic.

[00:13:02 - 00:13:04] It's not realistic.

[00:13:04 - 00:13:06] It's not realistic.

[00:13:06 - 00:13:10] It's more realistic than getting that much subscribers on YouTube.

[00:13:10 - 00:13:14] We actually know what we're doing.

[00:00:00 - 00:00:03] Yeah, we already contacted a service which are really highly secured

[00:00:03 - 00:00:06] Yeah, the only thing we have to do is rent the fucking server

[00:00:06 - 00:00:09] Well, I think who needs to finish one more thing

[00:00:09 - 00:00:11] All right

[00:00:11 - 00:00:14] Well, I mean, if it works, it works

[00:00:14 - 00:00:17] I thought you guys had rented, I thought you guys had our server

[00:00:17 - 00:00:20] No, we're gonna have to rent one in Russia

[00:00:20 - 00:00:22] Oh, Russia, yeah

[00:00:22 - 00:00:25] Yeah, Russia

[00:00:25 - 00:00:26] That's crazy

[00:00:26 - 00:00:28] That's crazy

[00:00:30 - 00:00:34] be part of it I assume oh hell no I got too much to do right now so you don't

[00:00:34 - 00:00:41] need money or something but it's just a friendly you know preposition here

[00:00:41 - 00:00:46] just because we trust you you know yeah no no no I couldn't do it because I don't

[00:00:46 - 00:00:52] have time okay you guys don't you see the whole pretty weird time you guys

[00:01:00 - 00:01:07] no you always have to do something how in the hell do you expect me or anybody to make a million

[00:01:07 - 00:01:13] dollars dude it works you don't have to do anything just randomly check the bank account

[00:01:13 - 00:01:22] to see how much money is on there yeah we already tried this out uh listen we already tried this

[00:01:30 - 00:01:39] And it worked out perfectly. We didn't make any money though, but yeah, it worked so it proved that people will fall for it, etc.

[00:01:40 - 00:01:40] Ah.

[00:01:41 - 00:01:41] Yeah.

[00:01:42 - 00:01:51] Ah, so that's where I'm getting that, um, are you trying, is it about the computers, the computer gig?

[00:01:51 - 00:01:55] Yeah, that was one of, that was part of it. You know, that was a little, uh, scheme.

[00:01:55 - 00:01:56] Little test?

[00:02:00 - 00:02:01] Nothing.

[00:02:01 - 00:02:02] [Uncertain recognition] So.

[00:02:02 - 00:02:03] Nah.

[00:02:03 - 00:02:06] I didn't go for it.

[00:02:06 - 00:02:08] It didn't make sense to me.

[00:02:08 - 00:02:11] But I'm assuming that it would with other people.

[00:02:11 - 00:02:18] It didn't make sense to you, but you never knew what it was.

[00:02:18 - 00:02:19] Just saying.

[00:02:19 - 00:02:20] Anyway.

[00:02:20 - 00:02:21] Hey, listen.

[00:02:21 - 00:02:23] It probably won't work.

[00:02:23 - 00:02:24] Fine.

[00:02:24 - 00:02:26] It won't work, but it already worked, man.

[00:02:26 - 00:02:27] It already worked.

[00:02:27 - 00:02:28] Fine.

[00:02:30 - 00:02:31] Fine.

[00:02:31 - 00:02:32] No, no, no.

[00:02:32 - 00:02:33] Knock yourself down.

[00:02:33 - 00:02:34] That's fine.

[00:02:34 - 00:02:35] I'd never talk about it, will you?

[00:02:35 - 00:02:36] Yeah.

[00:02:36 - 00:02:37] Never talk about it, Hubbard.

[00:02:37 - 00:02:41] If you talk about it, then there's going to be some trouble here and there.

[00:02:41 - 00:02:43] Oh yeah, of course you will be.

[00:02:43 - 00:02:49] So if an ADC calls you about this, then you don't know this, right?

[00:02:49 - 00:02:52] Listen, guys, remember this.

[00:02:52 - 00:02:58] Everything that you tell me, to me, is fictitious to a large degree.

[00:02:58 - 00:02:59] You know why?

[00:03:00 - 00:03:18] Yeah, the only thing I can beg on is the only thing I can beg on is the only thing I can beg on is the money that you're going to pay us so we can send you the info we have.

[00:03:30 - 00:03:37] Well, it already worked. I already sent you fucking proof of this guy. We got his driver's license. We got his security card. Remember that?

[00:03:37 - 00:03:40] And this time, we don't even have to check their info.

[00:03:40 - 00:03:49] Yeah, but guess what? Listen, always remember this. There's no way you can get away with anything anymore, ever, anywhere.

[00:03:50 - 00:03:52] We did, didn't we? We're not in jail.

[00:03:52 - 00:03:58] No, look at the guy. Go to prank net. That guy thought he was on prank net for eight fucking years.

[00:04:00 - 00:04:05] child's play compared to what yeah that's fucking they want to get attention then the attention gets

[00:04:05 - 00:04:09] them we just don't want any attention we got in people's driver's license we got a physical

[00:04:09 - 00:04:15] security cards and we never got caught and you know this is going to be a little bit bigger than

[00:04:15 - 00:04:22] that wait a minute just because it doesn't happen immediately doesn't mean it's not going to happen

[00:04:22 - 00:04:29] you've got to keep that in mind so you guys are young you haven't you haven't had enough life's

[00:04:30 - 00:04:37] oh sure you gotta keep in mind that technology is changing yeah exactly we're making use of this

[00:04:37 - 00:04:44] new technology and it's all great and it's all perfect oh it no i don't even have to share it

[00:04:45 - 00:04:50] no that's right you don't we wanted to make you a rich guy because we thought you were a friend

[00:04:52 - 00:04:57] you're always complaining about how you always want to make money so we thought

[00:05:00 - 00:05:05] chance in it working, but more and more people are becoming savvy about what's going on on

[00:05:05 - 00:05:10] the net. Just because I'm a stupid 21-year-old fell for something doesn't mean it's going

[00:05:10 - 00:05:17] to be worthwhile. And let me tell you something. You affect the wrong people. Listen, if you

[00:05:17 - 00:05:24] affect the wrong people, it makes stuff happen a whole lot faster. You follow what I'm saying?

[00:05:30 - 00:05:38] a fucking low-life loser bonehead some people are very well connected oh chris we don't give a

[00:05:38 - 00:05:43] shit about that we're not gonna you know try to convince real hackers to they're not going to

[00:05:43 - 00:05:46] fall for this shit anyway we just ain't talking about real hackers we'll say that you send you

[00:05:46 - 00:05:53] send something to somebody and and they happen to be oh a person of a very wealthy person who's

[00:05:53 - 00:05:59] connected you're still living in the 90s sure i'll go for this it sounds like an easy buck

[00:06:00 - 00:06:03] And they send you, and you get into their shit.

[00:06:03 - 00:06:08] If you don't think a world of hurt is going to come down on your heads fast,

[00:06:09 - 00:06:13] I mean, we're talking within a year, maybe two max, you've got to think again.

[00:06:14 - 00:06:14] I don't think so.

[00:06:15 - 00:06:16] I don't think so either.

[00:06:16 - 00:06:19] Well, I mean, the odds are in your favor.

[00:06:20 - 00:06:22] The odds are in your favor, but you know something?

[00:06:22 - 00:06:25] I always believe in mitigating risk completely.

[00:06:25 - 00:06:26] You're just talking shit again.

[00:06:30 - 00:06:36] I had a friend, he was into, we just got herb reduced from a felony to a misdemeanor, okay?

[00:06:36 - 00:06:40] And he had no problems smoking it wherever he wanted to.

[00:06:40 - 00:06:43] And I says, listen, man, you're going to get busted.

[00:06:43 - 00:06:45] Why do you, no, it's not that big a deal.

[00:06:45 - 00:06:48] It's just a weed, this and that.

[00:06:48 - 00:06:49] Well, guess what?

[00:06:49 - 00:06:51] He was in his 40s.

[00:06:51 - 00:06:56] He had been doing it all his life, but eventually he got busted.

[00:07:00 - 00:07:03] Do you know how much time that was?

[00:07:03 - 00:07:05] And you know how many people won't get caught.

[00:07:05 - 00:07:06] Exactly.

[00:07:06 - 00:07:08] Look at Bernie Madoff.

[00:07:08 - 00:07:09] Look at Bernie Madoff.

[00:07:09 - 00:07:11] And look at all the millions of people that didn't get caught smoking.

[00:07:11 - 00:07:13] Look at all the millions of people.

[00:07:14 - 00:07:17] Fifty billion dollars he had.

[00:07:18 - 00:07:19] And look what he did.

[00:07:19 - 00:07:21] He ruined his family's life.

[00:07:21 - 00:07:22] You're only looking at the negative side.

[00:07:22 - 00:07:24] He's just looking at one person here.

[00:07:25 - 00:07:26] You're just looking at the negative side.

[00:07:26 - 00:07:28] No, you guys think, but see, you're young.

[00:07:28 - 00:07:29] You've got to do it.

[00:07:30 - 00:07:55] I don't care. Do it. I don't have any proof. I don't even believe it. I don't even believe it because guess what? You're young. You got to give it a shot. Nobody can convince you otherwise. Do it. You know, I mean, do it. What are you going to get? You're going to get shit. You're going to spend a lot of time. You're going to get shit. It's a lot of work. It's not easy.

[00:08:00 - 00:08:07] So you guys, all I can say, I don't even, I know nothing other than what you're saying is fictitious.

[00:08:07 - 00:08:13] Okay, Chris, well, we just wanted to help you, man, this fucking, never mind.

[00:08:13 - 00:08:14] No, it's no help.

[00:08:14 - 00:08:16] See, you're talking about more work.

[00:08:17 - 00:08:19] You're talking about even if it was easy money.

[00:08:20 - 00:08:23] We just wanted to help you out with your financial situation here.

[00:08:23 - 00:08:27] Exactly, and the only thing you have to do, well, you don't even have to do shit.

[00:08:30 - 00:08:32] When I told, I'm going to sue Toons, right?

[00:08:32 - 00:08:34] Everybody says, oh, my friends say, oh, that's going to be easy money.

[00:08:35 - 00:08:39] No, it's not going to be easy money because, one, you guys have to do research.

[00:08:40 - 00:08:41] I have to pay for that research.

[00:08:42 - 00:08:44] That research has got to be validated by an attorney.

[00:08:45 - 00:08:47] See, it's not easy.

[00:08:47 - 00:08:50] There is no such thing as easy money.

[00:08:51 - 00:08:54] But you guys are going to have to find that out the hard way.

[00:08:54 - 00:08:54] I did.

[00:08:54 - 00:08:58] I spent 20 years chasing easy money, and it doesn't exist.

[00:09:00 - 00:09:07] scheme here which is it's not easy money I guess because I put a lot of work in this thing all right

[00:09:07 - 00:09:18] so I guess you're right yeah but so you've got all your money it's a one-second job no then you

[00:09:18 - 00:09:27] gotta take you've got to actually start taking that information and acting on it because they're

[00:09:30 - 00:09:37] after an automated process oh oh so that's why that's a different story no

[00:09:37 - 00:09:40] that's what I was saying all along that we don't have to do you know

[00:09:40 - 00:09:47] senator I do it man yeah but guess what it's it's still I mean think of the

[00:09:47 - 00:09:51] possibilities before you go doing anything think of all sit down

[00:09:51 - 00:09:57] brainstorm think of all the possibilities and you will come oh

[00:10:00 - 00:10:03] We already know what we're doing, and we know that it also works.

[00:10:03 - 00:10:05] We know people are stupid enough to fall for this shit.

[00:10:06 - 00:10:08] And in the masses.

[00:10:09 - 00:10:11] Because last time we only saw...

[00:10:11 - 00:10:12] Well, maybe, maybe not, guys.

[00:10:13 - 00:10:13] I don't know.

[00:10:13 - 00:10:14] But you know something?

[00:10:14 - 00:10:17] To me, it's all fictitious.

[00:10:18 - 00:10:19] It's all fictitious.

[00:10:19 - 00:10:21] There is no panacea.

[00:10:22 - 00:10:23] There is no...

[00:10:23 - 00:10:24] Look at Michael Milton.

[00:10:24 - 00:10:27] I mean, I could go on and on and on, but you guys are going to have to learn the hard way.

[00:10:30 - 00:10:34] It's all fictitious to me. We don't talk about it after that.

[00:10:34 - 00:10:37] You want in or not, Chris? Last chance. Yes or no?

[00:10:37 - 00:10:40] No, it's all fictitious to me. It's all fictitious.

[00:10:40 - 00:10:41] Let's talk about it.

[00:10:41 - 00:10:42] It's not a possibility.

[00:10:43 - 00:10:44] Okay, it's fine.

[00:10:44 - 00:10:45] No, then.

[00:10:45 - 00:10:46] We don't talk about it no more.

[00:10:47 - 00:10:50] And if the fads call you, you don't know us. We're all fictitious.

[00:10:51 - 00:10:51] It's all fictitious.

[00:10:51 - 00:10:59] No, Chris, listen, you guys are, gentlemen, gentlemen, I don't know what you look like.

[00:11:00 - 00:11:03] you live. I don't even know if these are your real names. Oh, I thought you knew where we

[00:11:03 - 00:11:09] lived, right? That's what you said. Huh? You knew where we lived. Yeah. No, no. You said

[00:11:09 - 00:11:14] that a bunch of times. Oh, no, no, no, no. Yes, you said it like a hundred times. I don't

[00:11:14 - 00:11:21] know where you live. And you lied to us once more. Would you shut up? Would you shut up

[00:11:21 - 00:11:26] and listen? If anybody asks, I don't know where you live. Yeah, sure, because you don't

[00:11:30 - 00:11:33] So stop lying to us all the time and saying that you know where to live, et cetera.

[00:11:34 - 00:11:35] Exactly.

[00:11:35 - 00:11:37] See, you're lying to us. That's fictitious.

[00:11:39 - 00:11:40] No, I'm not.

[00:11:42 - 00:11:43] [Uncertain recognition] No.

[00:11:43 - 00:11:48] So, but it's always a pleasure talking with you guys because you make me laugh.

[00:11:50 - 00:11:54] I told you, the middle of next month will be the latest.

[00:11:55 - 00:11:55] That's the month.

[00:12:00 - 00:12:09] Yeah, I know he does. But he's onto something big. He doesn't need my money. He's got all his cash coming in. Right, Tom?

[00:12:09 - 00:12:13] Yeah, but I'd need the money from you to set up. We need that to set up these...

[00:12:13 - 00:12:19] Oh, right. For the server. Right, right, right. Well, you're just going to have to hold off. You can do it for Christmas.

[00:12:19 - 00:12:23] That's a lot of money. It's about a couple hundred US dollars per month.

[00:12:30 - 00:12:30] I'm freaking broke.

[00:12:31 - 00:12:34] Well, right now, to me, that would be a decent amount of money,

[00:12:34 - 00:12:37] but that doesn't even pay my phone bill for the gentleman.

[00:12:38 - 00:12:39] Yeah, that's true.

[00:12:40 - 00:12:42] It will make us a shitload of money in return.

[00:12:44 - 00:12:44] Yeah.

[00:12:46 - 00:12:47] Well, that's nice.

[00:12:48 - 00:12:49] Yeah, that's nice.

[00:12:50 - 00:12:50] Yeah.

[00:12:50 - 00:12:53] Yeah, the sooner the better, actually, because then we can start it.

[00:12:54 - 00:12:55] But I'm not finished completely yet.

[00:12:56 - 00:12:57] I'm just working on the private messages.

[00:13:00 - 00:13:17] [Uncertain recognition] Listen, anyway, I'm glad you guys got something going, but I guarantee you it ain't going to be what you think it is.

[00:13:17 - 00:13:20] You think it's going to be a whole bunch of easy work, and it ain't.

[00:13:20 - 00:13:26] It's going to be, if you get money transferred, we'll say that you get $2 million transferred to your banking accounts.

[00:13:26 - 00:13:29] You don't think you're going to have to answer somebody for that?

[00:13:30 - 00:13:32] You don't think you're going to get questioned?

[00:13:33 - 00:13:36] You don't think red flags are going to go up all over the place?

[00:13:36 - 00:13:41] You don't think you're going to erase all of the records of that money?

[00:13:41 - 00:13:43] I could just move to Russia or something.

[00:13:44 - 00:13:44] [Uncertain recognition] They don't care.

[00:13:45 - 00:13:46] Really?

[00:13:47 - 00:13:48] [Uncertain recognition] They do.

[00:13:49 - 00:13:49] [Uncertain recognition] Oh, really?

[00:13:50 - 00:13:52] You've got a misperception in Russia.

[00:14:00 - 00:14:01] in the new world government

[00:14:01 - 00:14:03] is a reality.

[00:14:03 - 00:14:04] Oh, fucking hell.

[00:14:06 - 00:14:06] 2012.

[00:14:07 - 00:14:08] 2012.

[00:00:00 - 00:00:02] Oh, my God. It's all conspiracy.

[00:00:02 - 00:00:06] By the way, I wanted to tell you this earlier, but I forgot.

[00:00:06 - 00:00:13] We got off onto something else, but check out YouTube and check out American Police Force.

[00:00:13 - 00:00:18] Oh, I don't want to look at conspiracy propaganda.

[00:00:18 - 00:00:26] It's not about police forces which are individually run in cities and towns in America.

[00:00:26 - 00:00:28] I don't want to look at conspiracy propaganda.

[00:00:30 - 00:00:31] Have you heard of Blackwater?

[00:00:31 - 00:00:32] Blackwater, USA?

[00:00:33 - 00:00:34] No.

[00:00:34 - 00:00:34] Have you heard of Blackwater?

[00:00:34 - 00:00:37] Oh, Blackwater, the mercenary corporation.

[00:00:37 - 00:00:37] Yes.

[00:00:38 - 00:00:38] Yes.

[00:00:39 - 00:00:39] Guess what?

[00:00:40 - 00:00:40] What?

[00:00:40 - 00:00:43] American police force, Blackwater.

[00:00:45 - 00:00:48] You know, you guys are going to see a whole bunch of shit.

[00:00:48 - 00:00:51] You don't realize what's going on in your countries, either.

[00:00:51 - 00:00:53] You don't know what's politically going on in your countries.

[00:00:54 - 00:00:55] You don't follow that, I'm sure.

[00:00:56 - 00:00:57] You do?

[00:00:57 - 00:00:58] Yeah, we do.

[00:01:00 - 00:01:01] It's important that you follow politics right now.

[00:01:01 - 00:01:02] It's not really important, actually.

[00:01:03 - 00:01:04] I usually don't give a fuck.

[00:01:06 - 00:01:07] You know, the Netherlands is like a little country.

[00:01:07 - 00:01:09] It doesn't really matter what happens here politically.

[00:01:09 - 00:01:10] We don't really give a fuck anyway.

[00:01:12 - 00:01:14] What's like a little country anyway?

[00:01:14 - 00:01:18] The Netherlands, but we don't really give a fuck what happens.

[00:01:19 - 00:01:22] Yeah, I mean, what happens here doesn't really matter in the rest of the world.

[00:01:23 - 00:01:26] Listen, Russia is going back to communism.

[00:01:26 - 00:01:29] What happens when you get caught behind the Iron Curtain?

[00:01:30 - 00:01:35] If you have a lot of money, they'll come and take it.

[00:01:35 - 00:01:41] Yeah, well, if they don't have to buy it, they'll take your money.

[00:01:42 - 00:01:44] They don't need your permission to get your money.

[00:01:44 - 00:01:45] They'll take your fucking money.

[00:01:46 - 00:01:47] You could have sent us the money already.

[00:01:49 - 00:01:53] But anyways, but listen, listen, you guys get back to work, do what you're doing, make

[00:01:53 - 00:01:58] sure you concentrate on what you're doing, and call me back later on tonight.

[00:01:59 - 00:01:59] Okay.

[00:02:00 - 00:02:00] Sounds like a good idea?

[00:02:01 - 00:02:02] Yeah, I like it.

[00:02:02 - 00:02:02] Okay.

[00:02:02 - 00:02:03] I like it.

[00:02:03 - 00:02:03] Okay?

[00:02:03 - 00:02:04] All right, see you.

[00:02:04 - 00:02:04] [Uncertain recognition] Bye.

[00:02:04 - 00:02:04] [Uncertain recognition] Bye.

[00:03:30 - 00:03:55] This game is pretty brilliant actually.

[00:03:57 - 00:03:58] Tommy there?

[00:03:58 - 00:03:59] Yeah which game?

[00:04:00 - 00:04:08] Yeah, I don't like that game, that's the worst game in the series.

[00:04:08 - 00:04:09] Oh you tried it?

[00:04:09 - 00:04:12] No, I've played it a little bit.

[00:04:12 - 00:04:15] Well, the Asian stuff was also fucked up.

[00:04:15 - 00:04:16] What's that name?

[00:04:16 - 00:04:17] Rising Sun.

[00:04:17 - 00:04:19] Right, yeah.

[00:04:19 - 00:04:25] No, I mean this one looks really nice, but gameplay just sucks.

[00:04:30 - 00:04:38] So, uh, I told Coot about the whole thing and I told him I might need him.

[00:04:38 - 00:04:41] Why? For what? Why the fuck do we need him?

[00:04:41 - 00:04:46] For, uh, you know, maybe for the accounts so we don't need to do that.

[00:04:46 - 00:04:48] What? For the account?

[00:04:48 - 00:04:50] For the accounts. So he needs to take care of that.

[00:04:50 - 00:04:53] To take care of what? What does he have to do?

[00:04:53 - 00:04:58] Well, if we have a couple of accounts then he can take care of some. That's what I thought.

[00:05:00 - 00:05:11] What kind of accounts? I mean, if we have a shitload of accounts, if we don't even have to do shit, they automatically will have to pay with PayPal.

[00:05:11 - 00:05:15] Well, yeah, but you could transfer that to other accounts as well.

[00:05:15 - 00:05:18] Shitload of accounts, yeah.

[00:05:18 - 00:05:22] Yeah, exactly, that's where I thought Kud could be handy.

[00:05:22 - 00:05:24] Why?

[00:05:24 - 00:05:26] Because he doesn't do anything.

[00:05:30 - 00:05:31] [Uncertain recognition] About what?

[00:05:32 - 00:05:33] Yeah.

[00:05:33 - 00:05:34] About what?

[00:05:34 - 00:05:36] Oh, who else would...

[00:05:36 - 00:05:37] I mean, otherwise we have to do it.

[00:05:38 - 00:05:38] Yeah, of course.

[00:05:40 - 00:05:42] Oh, we can just be lazy.

[00:07:30 - 00:07:36] Why do you never understand it the first time,

[00:07:36 - 00:07:38] you fucking piece of shit?

[00:07:40 - 00:07:41] Try again.

[00:07:43 - 00:07:44] Thanks for coughing.

[00:07:47 - 00:07:49] Say just the city and things.

[00:07:50 - 00:07:51] Stop coughing.

[00:07:53 - 00:07:55] Sorry we're having so much trouble.

[00:07:55 - 00:07:57] Just call back and we can...

[00:07:57 - 00:07:58] Thanks a lot, Tom.

[00:08:00 - 00:08:11] Calls recorded.

[00:08:11 - 00:08:13] Google, see the business and the city and state.

[00:08:23 - 00:08:25] Why do you not fucking understand the first time?

[00:08:25 - 00:08:29] I typed it really slowly and I waited for you to finish

[00:08:30 - 00:08:35] Try again.

[00:08:42 - 00:08:43] Belmont, Massachusetts.

[00:08:44 - 00:08:46] Data, recovery.

[00:08:49 - 00:08:50] Area Greek library.

[00:08:50 - 00:08:51] Go back.

[00:08:51 - 00:08:53] If that's not right, say go back.

[00:08:53 - 00:08:53] Going back.

[00:08:54 - 00:08:56] Data, recovery.

[00:09:00 - 00:09:02] More results.

[00:09:04 - 00:09:06] Number two.

[00:09:09 - 00:09:11] Catch me.

[00:09:13 - 00:09:15] Bitch.

[00:09:25 - 00:09:29] Yeah, uh, Dat Boys, I got a customer. Let me call you back.

[00:09:30 - 00:09:34] oh boy he's all anxiety finally got a customer

[00:09:34 - 00:09:37] yeah uh that boys i got a customer

[00:09:42 - 00:09:46] yeah i got a customer that boys

[00:09:46 - 00:09:52] finally got a customer after all these years

[00:10:00 - 00:10:08] [Uncertain recognition] Oh.

[00:10:30 - 00:10:49] I hate my neighbor.

[00:10:51 - 00:10:51] [Uncertain recognition] Why?

[00:10:52 - 00:10:55] Because of his voice.

[00:11:00 - 00:11:07] He's very, he's always in panic, and he always thinks he's a man, but he's not there for fun.

[00:11:09 - 00:11:10] Was that?

[00:11:12 - 00:11:13] Was that not?

[00:11:14 - 00:11:15] [Uncertain recognition] Happened in summer.

[00:11:30 - 00:11:59] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:12:00 - 00:12:29] Thank you.

[00:12:30 - 00:12:59] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:13:00 - 00:13:17] [Uncertain recognition] It takes too long to deal with his customer.

[00:13:17 - 00:13:18] [Uncertain recognition] Huh?

[00:13:18 - 00:13:19] [Uncertain recognition] What customer?

[00:13:19 - 00:13:23] [Uncertain recognition] He's dealing with his customer too long.

[00:13:23 - 00:13:25] Yeah.

[00:13:25 - 00:13:27] I smell a conspiracy.

[00:13:30 - 00:13:31] What?

[00:13:31 - 00:13:32] [Uncertain recognition] The Illuminati.

[00:13:32 - 00:13:37] Yeah, I'll just blame the Illuminati, man.

[00:13:37 - 00:13:39] Jews being guessed?

[00:13:39 - 00:13:40] Illuminati.

[00:13:40 - 00:13:45] Oh, the Holocaust was a joke.

[00:13:45 - 00:13:46] That's right.

[00:13:46 - 00:13:48] Not more than 100,000.

[00:13:48 - 00:13:49] WTC?

[00:13:49 - 00:13:50] Illuminati.

[00:13:50 - 00:13:52] Invasion of Iraq?

[00:13:52 - 00:13:54] Just blame the Illuminati.

[00:13:54 - 00:13:57] Not more than, uh, well, about 100,000.

[00:13:57 - 00:13:59] What's the big tricks?

[00:14:00 - 00:14:00] [Uncertain recognition] a thousand were killed?

[00:14:03 - 00:14:04] Nah, like 6 million

[00:14:04 - 00:14:04] or something.

[00:14:05 - 00:14:07] That's nothing compared to Stalin, man.

[00:14:08 - 00:14:10] Stalin's made, like,

[00:14:10 - 00:14:11] killed about 65

[00:14:11 - 00:14:12] million people.

[00:14:14 - 00:14:16] Yeah, but that's okay, because he's Russian.

[00:14:17 - 00:14:18] No, actually

[00:14:18 - 00:14:20] he's not Russian. He's from Georgia.

[00:14:22 - 00:14:24] And he killed his own

[00:14:24 - 00:14:25] people, even in his

[00:14:25 - 00:14:27] own, in his circle.

[00:14:28 - 00:14:28] Even his own brother.

[00:14:30 - 00:14:35] fucking nuts but no we don't hear about that because you know Russia has mostly

[00:14:35 - 00:14:51] dealers let's play tier two yeah you wanna it's kind of fun of course it's fun

[00:15:00 - 00:15:00] [Uncertain recognition] Amen.

[00:00:00 - 00:00:04] I got a song for you, Tom.

[00:00:05 - 00:00:05] [Uncertain recognition] It goes like this.

[00:00:07 - 00:00:12] You are the Tommy that I've always dreamed of.

[00:00:12 - 00:00:13] Wow.

[00:00:13 - 00:00:16] I knew it from the start.

[00:00:16 - 00:00:18] Congratulations, Tom. You have a gay lover.

[00:00:20 - 00:00:21] [Uncertain recognition] Get in line.

[00:00:22 - 00:00:22] Get in line.

[00:00:24 - 00:00:26] Oh, really?

[00:00:26 - 00:00:27] I got your six, though.

[00:00:27 - 00:00:28] Watch out. I got your six.

[00:00:28 - 00:00:29] What school did you go to?

[00:00:30 - 00:00:32] I'm loud in.

[00:00:34 - 00:00:35] Covered you six here.

[00:00:35 - 00:00:36] Okay.

[00:00:36 - 00:00:37] Oh, Santos.

[00:00:37 - 00:00:39] Heard you mention me in a call.

[00:00:39 - 00:00:40] Yeah, bullshit.

[00:00:40 - 00:00:42] Just to let you know I never called you.

[00:00:42 - 00:00:43] Don't believe me?

[00:00:43 - 00:00:44] Go ahead.

[00:00:45 - 00:00:46] Take a listen to my calls.

[00:00:46 - 00:00:48] And I don't harass people like others.

[00:00:49 - 00:00:50] I call for a joke.

[00:00:51 - 00:00:52] Not harassment.

[00:00:52 - 00:00:55] So your tracking is way off, buddy.

[00:00:55 - 00:00:56] I don't think so.

[00:00:57 - 00:00:58] You can even check, neither do I.

[00:01:00 - 00:01:03] The last time I made pranks, I do it for a kick.

[00:01:04 - 00:01:09] I'm in college doing gaming design and simulation.

[00:01:10 - 00:01:12] So I'm very successful.

[00:01:12 - 00:01:15] So don't get me mixed up with other prank calls.

[00:01:16 - 00:01:18] Well, we have proved that...

[00:01:18 - 00:01:19] Hey, hold on for a second. Hold on.

[00:01:19 - 00:01:19] Yeah, sorry.

[00:01:23 - 00:01:25] Oh, he must be having a customer.

[00:01:26 - 00:01:28] What the hell is this? Somebody walks through my door.

[00:01:30 - 00:01:34] Why the hell do I have piss in my hands?

[00:01:34 - 00:01:37] Job coming in. Okay.

[00:01:37 - 00:01:41] Yeah, I do it for kicks, blah, blah, blah, blah, blah, blah, blah, blah.

[00:01:41 - 00:01:44] Well, Chris, we do have, uh...

[00:01:44 - 00:01:47] And now you used your soundboard, which was funny at the time,

[00:01:47 - 00:01:51] but now it's getting tiresome seeing them keep calling you.

[00:01:51 - 00:01:53] He's getting fucking pranked.

[00:01:53 - 00:01:56] You're not the only one who has had harassment.

[00:01:56 - 00:01:58] I had some random troll on here

[00:02:00 - 00:02:06] phone number? No, I gave it to them. Now, I never prank called friends. I call different

[00:02:06 - 00:02:11] businesses because I know how it is answering phones. Sometimes it gets dull, and it's funny

[00:02:11 - 00:02:16] to get kicked out of it sometimes. But when they keep calling, yeah, that's the difference

[00:02:16 - 00:02:20] between harassment and prank. It's just the Internet, man. Some people use it for fun.

[00:02:20 - 00:02:24] Some people go over, which ruins the funny and the prank calling. Don't worry. They will

[00:02:30 - 00:02:36] You know something? I'm emailing him. I'm writing him a message, first off, offline, because it sometimes takes me a while to draft him.

[00:02:37 - 00:02:43] But I basically call him a liar because he's hooked up with this other dude, and he told me he was 40 years old.

[00:02:43 - 00:02:44] He's a liar.

[00:02:44 - 00:02:46] I've located Santos all over the place.

[00:02:46 - 00:02:50] Yeah, I don't believe him, man. We have a real clear proof.

[00:02:50 - 00:02:52] We got some clear proof on that one.

[00:02:53 - 00:02:54] So I don't believe him.

[00:02:54 - 00:02:59] Yeah, I don't believe him. Why would I believe him? I've seen his videos.

[00:03:00 - 00:03:04] No, no, no, but what I'm going to do is I'm going to be calling his folks.

[00:03:05 - 00:03:05] His what?

[00:03:06 - 00:03:06] His parents.

[00:03:07 - 00:03:10] He'll be talking to his parents and he'll say, hey, look at these URLs.

[00:03:11 - 00:03:15] Look at these websites that your son has got and look what he's doing in your home.

[00:03:15 - 00:03:17] Oh, that's nice, yeah.

[00:03:18 - 00:03:22] Yeah, slam dunk because I know he knows Kycoons.

[00:03:22 - 00:03:27] By the way, the money that I'm giving you, that is for that information.

[00:03:30 - 00:03:33] as it is for coons, coons' sake.

[00:03:33 - 00:03:36] Yeah, when you say coon, do you mean me or do that guy?

[00:03:36 - 00:03:38] No, K-U-N-Z.

[00:03:38 - 00:03:41] No, I mean usually when you pick up the phone, you say coon.

[00:03:41 - 00:03:42] K-U-N-Z.

[00:03:42 - 00:03:43] I know, I know.

[00:03:43 - 00:03:45] That's K-I-K-A-I-W.

[00:03:46 - 00:03:46] I know, Chris.

[00:03:47 - 00:03:50] I mean, when you pick up the phone sometimes, you say coon, coon.

[00:03:51 - 00:03:54] No, I say coons, coons.

[00:03:54 - 00:03:55] Okay.

[00:03:55 - 00:03:56] Not coon.

[00:03:57 - 00:03:57] [Uncertain recognition] All right.

[00:03:58 - 00:03:58] [Uncertain recognition] Coons.

[00:03:58 - 00:03:59] All right, I get it.

[00:04:00 - 00:04:12] Yes, all right. Well, we have some clear proof that, you know, states some things, but, yeah, we're going to exchange that later on, hopefully.

[00:04:13 - 00:04:16] How's this? Who's got a pen?

[00:04:18 - 00:04:20] Tom probably has a pen, yeah.

[00:04:30 - 00:04:42] Oh, we got a crystal clear link between those two.

[00:04:43 - 00:04:45] Yeah, we have a perfect link.

[00:04:46 - 00:04:48] Quite obvious.

[00:04:51 - 00:04:53] I'm quite proud, actually, of the evidence that we gathered.

[00:04:54 - 00:04:56] Yeah, we seriously put some evidence.

[00:04:56 - 00:04:57] Pretty much nailed it.

[00:04:58 - 00:04:59] You guys get an iPhone?

[00:05:00 - 00:05:01] Say what?

[00:05:01 - 00:05:02] No, I don't have iPhones.

[00:05:03 - 00:05:05] Really over there? You don't have iPhones?

[00:05:05 - 00:05:06] Yeah, we do. I don't have...

[00:05:06 - 00:05:10] Oh, how much are they over there?

[00:05:11 - 00:05:12] [Uncertain recognition] I don't know.

[00:05:12 - 00:05:13] Probably more expensive than they're over there.

[00:05:14 - 00:05:16] No, probably the same price.

[00:05:16 - 00:05:17] Probably the same price, yeah.

[00:05:18 - 00:05:19] It's just that it's like one carrier.

[00:05:19 - 00:05:20] I got one.

[00:05:20 - 00:05:22] Because you people are fucking...

[00:05:22 - 00:05:23] Your dollar is worth shit.

[00:05:24 - 00:05:25] That's right.

[00:05:25 - 00:05:27] Dollar is getting to be worth shit.

[00:05:30 - 00:05:33] I've got the use of one right now, and these are pretty damn cool, okay?

[00:05:33 - 00:05:34] [Uncertain recognition] Well, it's cool, it's cool.

[00:05:34 - 00:05:38] There's cooler phones out there and more functional for a cheaper price.

[00:05:38 - 00:05:42] Well, the only thing that, yeah, well, this isn't, you can't multitask with this.

[00:05:42 - 00:05:47] The individual that gave me it to sell doesn't really care about it.

[00:05:48 - 00:05:52] I told him I was going to sell it at some point, but I might even buy it.

[00:05:52 - 00:05:57] Because as time goes, he just, at first he wanted $400 for it.

[00:05:57 - 00:05:59] Now he wants only a couple hundred bucks for it.

[00:06:00 - 00:06:05] Wait, which generation is it, the first one, the second one?

[00:06:05 - 00:06:15] Oh, this is the 3G, 3G, 8 gigs, it's not like the 3GS, but the 3G, it was last year, no, it's

[00:06:15 - 00:06:21] this year, it's just several months old, but the really good thing about it, though, is

[00:06:21 - 00:06:27] all the thousands, or should I say millions, perhaps even billions, apps, yeah, free for

[00:06:30 - 00:06:35] that better even though it's a smaller screen and he says but yeah but i can monkey cask with that

[00:06:35 - 00:06:40] because it's got a real os on it so we can drop something down and and have and be using two

[00:06:40 - 00:06:47] things at the same time with this you can't you can do that with uh the android phones

[00:06:47 - 00:06:52] you can do that with the android phones as well and uh yeah the windows live phones as well

[00:07:00 - 00:07:07] If I had my druthers, if I could get this thing profitable, that's what I'm going to do.

[00:07:07 - 00:07:11] I want to buy into a cell phone company and eventually take it over.

[00:07:12 - 00:07:14] You have so many plans, man.

[00:07:14 - 00:07:15] You've got so many plans.

[00:07:15 - 00:07:17] It's so little time before you die.

[00:07:17 - 00:07:18] No, no, no, no.

[00:07:18 - 00:07:21] One plan, multiple directions.

[00:07:21 - 00:07:27] Once you get to a certain financial level, you can branch out because you hire people.

[00:07:30 - 00:07:35] Anyway, that's 580-410-4320.

[00:07:35 - 00:07:36] That's Kuhn's number.

[00:07:37 - 00:07:37] Seriously?

[00:07:39 - 00:07:41] Yep, that's his cell phone number.

[00:07:41 - 00:07:42] Who, me or...

[00:07:42 - 00:07:45] Oh, Kuhn's, K-U-N-Z.

[00:07:45 - 00:07:48] We found some other numbers as well.

[00:07:49 - 00:07:49] Oh, yeah.

[00:07:49 - 00:07:52] Oh, sorry, yeah, because it's so confusing sometimes.

[00:07:52 - 00:07:56] Yeah, we got his number and his mother's number as well.

[00:07:57 - 00:07:58] Oh, super.

[00:08:00 - 00:08:06] Even his house worth and stuff like that, it's all combined.

[00:08:06 - 00:08:07] Good, good, good.

[00:08:07 - 00:08:08] It's just one big link.

[00:08:10 - 00:08:12] Because I would have been already...

[00:08:12 - 00:08:15] You see, I would have already been over there.

[00:08:15 - 00:08:20] I would have been already over in Europe had he not screwed up a $4 million deal.

[00:08:20 - 00:08:21] Right, yeah.

[00:08:21 - 00:08:23] But he was more interested in his real estate.

[00:08:24 - 00:08:25] Oh, an asshole, man.

[00:08:27 - 00:08:29] So, but anyways, listen, it's getting late over here.

[00:08:30 - 00:08:33] I got a bunch of shit to do, give me a buzz back, you guys are going to be up late, it's

[00:08:33 - 00:08:37] what time, it's, I guess I fucking do, it's only 9.30 over there, you guys are going to

[00:08:44 - 00:08:49] no you don't, no you don't, no you don't, anyway, give me a buzz back in a couple of

[00:08:49 - 00:08:54] hours, alright, couple of hours, it's, it's, it's, it's a close of business around here

[00:08:54 - 00:08:58] is five o'clock, yeah, but you always work during the night, during the day, and during

[00:09:00 - 00:09:02] Yeah, but you're going to be online for a couple more hours.

[00:09:02 - 00:09:03] Don't worry about it.

[00:09:03 - 00:09:05] Just call me back at about five, Mike.

[00:09:05 - 00:09:06] Why don't you come online on Skype, man?

[00:09:07 - 00:09:08] [Uncertain recognition] Huh?

[00:09:08 - 00:09:09] Why don't you come online on Skype?

[00:09:09 - 00:09:09] Oh, get on Skype?

[00:09:10 - 00:09:10] Yeah.

[00:09:10 - 00:09:12] Yeah, I could do that.

[00:09:12 - 00:09:12] Okay.

[00:09:12 - 00:09:13] Talk to you later.

[00:09:13 - 00:09:14] Okay, bye.

[00:09:14 - 00:09:14] See you, man.

[00:09:14 - 00:09:15] [Uncertain recognition] Bye.

[00:09:21 - 00:09:22] What class are you?

[00:09:23 - 00:09:23] Sniper.

[00:09:30 - 00:09:38] Ok, so we finally have him up, when the fuck are we going to get that money?

[00:09:38 - 00:09:42] Yeah, I told you, he's fucking getting irritating.

[00:09:42 - 00:09:44] Yeah, I'm getting tired of this shit.

[00:09:44 - 00:09:47] You're getting tired of his shit actually.

[00:09:47 - 00:09:52] Yeah, that's what I said. Tired of pretending to be his friend.

[00:09:52 - 00:09:55] Exactly, once you steal the money...

[00:09:55 - 00:09:57] It's over.

[00:09:57 - 00:09:59] [Uncertain recognition] Exactly.

[00:10:00 - 00:10:01] He's pretty crazy, let me tell you.

[00:10:04 - 00:10:05] I think he lost, uh,

[00:10:05 - 00:10:06] Griver in reality.

[00:10:11 - 00:10:12] Wait, what the fuck?

[00:10:13 - 00:10:15] The Heavy just killed me with his gloves,

[00:10:16 - 00:10:17] but I hit him, like, 800 times,

[00:10:18 - 00:10:19] and then Gerard-ed him,

[00:10:19 - 00:10:22] then hit him, like, four times with my, uh,

[00:10:22 - 00:10:22] sword.

[00:10:23 - 00:10:24] Fucking did nothing.

[00:10:25 - 00:10:27] Maybe he got the health back or something.

[00:10:30 - 00:10:32] Oh, maybe he did.

[00:10:32 - 00:10:34] No, but he can't get hit.

[00:10:34 - 00:10:36] Oh, okay.

[00:10:38 - 00:10:40] Okay, we need more dogs?

[00:10:40 - 00:10:42] Or what?

[00:10:42 - 00:10:44] Got a shitload apart, or I'll just do Demoman?

[00:10:44 - 00:10:48] Should we call him one more time after we give the picture?

[00:10:48 - 00:10:50] Yeah, we will.

[00:10:50 - 00:10:52] Oh, I think Coot is in here as well, actually.

[00:10:52 - 00:10:54] What?

[00:10:54 - 00:10:56] I think Coot is in this combo as well.

[00:10:56 - 00:10:58] Oh, okay.

[00:11:00 - 00:11:04] Yeah we might need you if that's okay.

[00:11:04 - 00:11:12] But we might need you but you're not going to fuck us otherwise we'll cut off your fucking fingers so you can't even type anymore.

[00:11:12 - 00:11:14] And your supply line of course.

[00:11:18 - 00:11:20] I trust Kui.

[00:11:20 - 00:11:22] Well he can't even talk so...

[00:11:22 - 00:11:24] No I talked to him quite a lot.

[00:11:24 - 00:11:26] No he can't even talk.

[00:11:26 - 00:11:28] No chat.

[00:11:30 - 00:11:38] Ah, I can understand that, but he can't even talk.

[00:11:38 - 00:11:39] So?

[00:11:39 - 00:11:41] He doesn't have a voice.

[00:11:41 - 00:11:43] Yeah, so?

[00:11:43 - 00:11:45] He's a mute.

[00:11:45 - 00:11:48] Yeah, we'll cut off his hands if he fucks with us.

[00:11:48 - 00:11:51] Yeah, I know where he lives, I have his address actually.

[00:11:51 - 00:11:57] Okay, well then he can't type and then he can't give out the evidence anymore.

[00:12:00 - 00:12:03] and we'll anally rape his dog

[00:12:03 - 00:12:05] yes that sounds

[00:12:05 - 00:12:05] wonderful

[00:12:05 - 00:12:11] oh he's typing to me right now

[00:12:11 - 00:12:12] I hate it

[00:12:12 - 00:12:14] I can't see what the fuck he's typing

[00:12:14 - 00:12:15] cause I'm in a game

[00:12:15 - 00:12:17] and I keep hearing a purr-it purr-it

[00:12:17 - 00:12:17] sound

[00:12:17 - 00:12:21] and it's usually just a Frank Garrett line

[00:12:21 - 00:12:25] so I'll tap for nothing

[00:12:25 - 00:12:27] I'm also playing the game

[00:12:27 - 00:12:29] fucking irritating people there

[00:12:30 - 00:12:42] I destroyed the sentry with the flare gun

[00:12:54 - 00:12:56] Keep the hull

[00:13:00 - 00:13:05] Oh they built a sentry

[00:13:11 - 00:13:12] I got the sentry

[00:13:12 - 00:13:14] But I sacrificed my life

[00:13:17 - 00:13:19] They're gonna build another sentry

[00:13:19 - 00:13:20] Two actually

[00:13:23 - 00:13:25] I think they took the hull

[00:13:25 - 00:13:27] They took the hull now because I died

[00:13:27 - 00:13:29] God damn fucking pyros

[00:13:30 - 00:13:31] I'm a pyro.

[00:13:31 - 00:13:32] Yeah, so?

[00:13:32 - 00:13:35] Doesn't really give, doesn't fucking matter.

[00:13:35 - 00:13:39] In the end, it doesn't really matter.

[00:13:39 - 00:13:42] You got three pyros in a team out of nine people.

[00:13:42 - 00:13:43] Fucking hell.

[00:13:49 - 00:13:53] That's like having six spies in a team of 18 people.

[00:13:58 - 00:13:59] Mr. Bean.

[00:14:00 - 00:14:00] Next Murderer.

[00:14:13 - 00:14:14] Wow, they're coming true.

[00:14:14 - 00:14:17] Because everybody's fucking up their defense.

[00:14:21 - 00:14:24] Anyway, you gotta steal the money from him as fast as possible.

[00:14:28 - 00:14:29] I could use the money as well.

[00:14:30 - 00:14:32] huh?

[00:14:32 - 00:14:34] I could use the money as well

[00:14:34 - 00:14:36] yeah, of course

[00:14:36 - 00:14:38] money is always welcome

[00:14:38 - 00:14:40] [Uncertain recognition] yeah

[00:00:16 - 00:00:17] No, what does that mean?

[00:00:17 - 00:00:19] So it means he thinks your rap sucks.

[00:00:20 - 00:00:25] He saw the on a train one and he wants to do one as well because he said he's a real rapper.

[00:00:25 - 00:00:27] So he's going to...

[00:00:27 - 00:00:28] I'm going to do a better one.

[00:00:41 - 00:00:42] Wait, what?

[00:00:42 - 00:00:49] I'm going to do an MP3, I'm going to ship it to you, and you're going to modify it.

[00:00:49 - 00:00:51] Oh, I'm really good at that, actually.

[00:00:51 - 00:00:52] Oh, I'm good at that, actually.

[00:01:33 - 00:01:35] Yeah, what the fuck's up with that?

[00:01:35 - 00:01:37] It's fucking impossible.

[00:01:37 - 00:01:39] Everybody in the states says the same.

[00:01:39 - 00:01:41] And also the people from the other countries.

[00:01:42 - 00:01:44] No, man, there's something going on.

[00:01:44 - 00:01:45] There's something going on.

[00:01:48 - 00:01:49] There's no fucking way.

[00:01:49 - 00:01:52] If you look at his track record, there ain't no fucking way.

[00:01:53 - 00:01:54] No fucking way.

[00:01:54 - 00:01:57] Two years in the fucking Senate and all of a sudden he's the president.

[00:02:47 - 00:02:47] What are you talking about?

[00:02:50 - 00:02:57] I'm talking about in England, about seven years ago, they disarmed all the people.

[00:02:58 - 00:02:59] As a matter of fact, there was a gun turning.

[00:03:00 - 00:03:04] off all the arms jack don't you leave our guns we've never been allowed guns

[00:03:30 - 00:03:31] I don't know what you're talking about.

[00:03:31 - 00:03:35] You're only allowed a gun now if you want a shotgun or a hunting rifle or something.

[00:03:36 - 00:03:37] That's it.

[00:03:38 - 00:03:39] Yeah, that's what I'm talking about.

[00:03:39 - 00:03:40] No, no, no.

[00:03:40 - 00:03:41] You've been able to have guns.

[00:03:42 - 00:03:44] Check out online, Jack.

[00:03:44 - 00:03:45] I'm not kidding you.

[00:03:45 - 00:03:46] There was a big gun turning.

[00:03:46 - 00:03:50] As a matter of fact, they even confiscated collectible weapons.

[00:03:50 - 00:03:52] And you know what the bastard politicians did?

[00:03:52 - 00:03:54] They turned around and sold them to other collectors in other countries.

[00:03:56 - 00:03:57] For the government.

[00:03:57 - 00:03:58] Oh, it was for the government.

[00:03:58 - 00:03:59] For the good of the people.

[00:04:00 - 00:04:01] Yeah, for the good of their fucking wallets.

[00:04:02 - 00:04:03] Yeah, Illuminati.

[00:04:08 - 00:04:09] Hey, hey, what are those secrets?

[00:04:10 - 00:04:11] [Uncertain recognition] Yeah.

[00:04:12 - 00:04:13] No, seriously, Chris.

[00:04:13 - 00:04:15] Hey, Chris, I seriously try to join Illuminati.

[00:04:15 - 00:04:22] It's actually called Illuminati Order, and they wanted to accept me, but I haven't really replied.

[00:04:22 - 00:04:23] But they do exist.

[00:04:23 - 00:04:24] Oh, do it, dude.

[00:04:24 - 00:04:25] Do it.

[00:04:25 - 00:04:26] You want to join as well?

[00:04:26 - 00:04:27] I can send you a link.

[00:04:30 - 00:04:32] We still are allowed to buy hunting rifles.

[00:04:33 - 00:04:36] Yeah, I know, Jack, but that ain't...

[00:04:36 - 00:04:39] I mean, yeah, but you can't own as many as you want.

[00:04:40 - 00:04:40] Yeah, bloody.

[00:04:40 - 00:04:43] No, it's been like that for ages, though.

[00:04:44 - 00:04:45] And what do you mean about...

[00:04:45 - 00:04:48] I'm a member of the NRA.

[00:04:49 - 00:04:51] I'm a member of the NRA, the National Rifle Association.

[00:04:51 - 00:04:53] I know my history pretty good, Jack.

[00:04:53 - 00:04:54] Okay, okay.

[00:04:55 - 00:04:55] Yeah, Jack.

[00:04:56 - 00:04:57] So why don't you just...

[00:04:57 - 00:04:57] Yeah, and you said something...

[00:04:57 - 00:04:58] You said about...

[00:04:58 - 00:04:58] I'm a redneck.

[00:05:00 - 00:05:03] about crime spiraling out of the roof or something?

[00:05:03 - 00:05:05] About what?

[00:05:05 - 00:05:06] About crimes.

[00:05:06 - 00:05:08] You said that it was something like crime going up.

[00:05:08 - 00:05:09] Oh, yeah.

[00:05:09 - 00:05:16] Crime jumped significantly when there was the weapons turned in.

[00:05:16 - 00:05:19] I think it was about five or six years ago.

[00:05:19 - 00:05:21] Now, maybe ten, maybe seven, I don't know.

[00:05:21 - 00:05:22] Somewhere around there.

[00:05:22 - 00:05:25] Between five and ten, let's put it that way.

[00:05:25 - 00:05:26] Yeah.

[00:05:30 - 00:05:46] As a matter of fact, up until, you know when they, I'm online right now, I'm going to find out when Bobby's quit carrying their just sticks and started getting loaded with assault rifles, and now they're armed to the teeth, you see.

[00:05:46 - 00:05:54] Only very few, well, I don't know about other cities, but very few police in England actually are allowed to carry a gun as you get this special unit that has guns for that.

[00:05:54 - 00:05:57] That's not true, because they carry MP5s there.

[00:06:00 - 00:06:01] like, near an important building.

[00:06:02 - 00:06:02] [Uncertain recognition] Yeah, so?

[00:06:02 - 00:06:03] They don't even have...

[00:06:03 - 00:06:03] Oh, wait, they do.

[00:06:04 - 00:06:04] Never mind.

[00:06:05 - 00:06:05] What?

[00:06:06 - 00:06:08] So I sent you an email.

[00:06:08 - 00:06:11] The police in the street are not armed with guns.

[00:06:11 - 00:06:12] They only have the stick.

[00:06:13 - 00:06:13] Oh, okay.

[00:06:14 - 00:06:15] The bodies only have the stick still?

[00:06:15 - 00:06:16] They use it.

[00:06:17 - 00:06:17] No, they don't.

[00:06:17 - 00:06:18] They don't have a pistol or anything,

[00:06:19 - 00:06:21] unless you're a special armed police,

[00:06:21 - 00:06:23] which I posted in your report.

[00:06:23 - 00:06:24] Yeah.

[00:06:24 - 00:06:26] Then we've been misled over here.

[00:06:27 - 00:06:29] Yeah, no one hears that.

[00:06:30 - 00:06:31] I'm lying sons of bitches over here, man.

[00:06:32 - 00:06:33] I was lying sons of bitches.

[00:06:33 - 00:06:36] I wish we had a similar situation like you have in your,

[00:06:36 - 00:06:41] I think it's the House of Lords Parliament.

[00:06:42 - 00:06:43] Yeah, where they all shout to each other.

[00:06:44 - 00:06:45] Oh, yeah, right back.

[00:06:45 - 00:06:48] You actually got two sides of the aisle,

[00:06:48 - 00:06:51] and they can actually look at each other and yell at each other.

[00:06:51 - 00:06:51] I like that.

[00:06:51 - 00:06:52] That's pretty good, yeah.

[00:06:53 - 00:06:54] I sent you an email, Chris.

[00:06:54 - 00:06:55] I love watching that.

[00:06:55 - 00:06:55] I love it.

[00:06:56 - 00:06:56] I'm just waiting.

[00:06:56 - 00:06:58] While we're still talking about money,

[00:07:00 - 00:07:00] We're not talking about money.

[00:07:00 - 00:07:02] We wasn't talking about money.

[00:07:05 - 00:07:05] Yeah.

[00:07:06 - 00:07:08] I like the way, Tom.

[00:07:08 - 00:07:10] I mean, we're starving students here.

[00:07:11 - 00:07:12] Oh, shut up, Tom.

[00:07:12 - 00:07:17] I told you it'll happen before the middle of next month.

[00:07:17 - 00:07:17] [Uncertain recognition] Yeah.

[00:07:17 - 00:07:19] I'm just crawling out of a fucking hole here.

[00:07:19 - 00:07:20] Be fucking patient, Tom.

[00:07:21 - 00:07:22] Yeah, yeah.

[00:07:22 - 00:07:23] Check your email, Chris.

[00:07:23 - 00:07:24] I sent you an email.

[00:07:24 - 00:07:25] I just got that.

[00:07:25 - 00:07:26] I just got that.

[00:07:26 - 00:07:27] I saw that.

[00:07:27 - 00:07:28] I got the notification.

[00:07:28 - 00:07:29] I haven't looked at it just yet.

[00:07:30 - 00:08:00] *[Unreliable audio transcription: Repetitive decoder output; speech could not be reliably recognized.]*

[00:08:00 - 00:08:01] Who do you, who can have it?

[00:08:01 - 00:08:03] You've had your fair share of cocks in your life already, right?

[00:08:04 - 00:08:09] But, yeah, the Nobel Prize, what do you think is the cause of this, Chris?

[00:08:10 - 00:08:12] You know, what's behind the curtains?

[00:08:13 - 00:08:14] Who's doing all this?

[00:08:14 - 00:08:24] Actually, did you know that in the third chapter of Genesis where it gives the genealogy from Adam to Noah?

[00:08:24 - 00:08:24] Yeah.

[00:08:25 - 00:08:26] You've got to check that out sometime.

[00:08:30 - 00:08:35] That's bullshit, it doesn't have two separate meanings.

[00:08:37 - 00:08:38] [Uncertain recognition] Woman.

[00:08:38 - 00:08:40] Woman number?

[00:08:40 - 00:08:42] No, I said, wait a minute.

[00:08:42 - 00:08:44] What the fuck I am, what are you talking about, Chris?

[00:08:44 - 00:08:45] I said, wait a minute.

[00:08:45 - 00:08:46] Shut up.

[00:08:46 - 00:08:47] You have a penis in your mouth.

[00:08:47 - 00:08:49] He said, uh, wait a minute.

[00:08:49 - 00:08:50] I know.

[00:08:51 - 00:08:52] Okay.

[00:08:52 - 00:08:53] [Uncertain recognition] Hang on.

[00:08:56 - 00:08:57] Um.

[00:08:57 - 00:08:59] Okay, let's see where the hell is it.

[00:09:00 - 00:09:03] On that website again.

[00:09:03 - 00:09:07] Oh, God, do you read too much conspiracy shit, man?

[00:09:07 - 00:09:08] Don't read conspiracy.

[00:09:08 - 00:09:09] Check it out.

[00:09:09 - 00:09:10] Push.

[00:09:16 - 00:09:24] And by the way, the person that came up with evolution and propagated it around the world...

[00:09:24 - 00:09:25] He's a genius.

[00:09:25 - 00:09:26] He's a guy in Darwin.

[00:09:26 - 00:09:27] Was he Christian?

[00:09:27 - 00:09:28] He's here?

[00:09:28 - 00:09:29] Yeah.

[00:09:30 - 00:09:36] named Darwin, who propagated it around the world in his evolution of species from the

[00:09:36 - 00:09:45] origin of man. But long story short, is that there was disparities that he knew in that

[00:09:45 - 00:09:50] book. You know, a lot of scientists say that he always referred to or he referred to apes

[00:09:50 - 00:09:53] as our closest relative. No, he never did. He reads his writings.

[00:09:54 - 00:09:56] Why are we talking about this bullshit again?

[00:09:57 - 00:09:57] [Uncertain recognition] Huh?

[00:09:57 - 00:09:59] Why are we talking about the whole ape thing again?

[00:10:00 - 00:10:02] Since Tom brought it up.

[00:10:02 - 00:10:08] Well, I was just wondering what the thing was with the Nobel Peace Prize, you know. Do you have any idea?

[00:10:08 - 00:10:13] Yeah, the Nobel Peace Prize, well, it's the same thing. We are getting back the same ship.

[00:10:13 - 00:10:16] At least he's giving the money to charity, the $1 million.

[00:10:16 - 00:10:27] If you guys knew your Bible, you'd know that there's a couple of things that have to happen for the person who is going to be the son of Satan

[00:10:30 - 00:10:59] pole or the pole. And then it's going to be the mark of the beast, etc, etc. Yeah, and they're going to wear the mark of the beast. Which is, what was it going in the barcode? Now, let me ask you this. Do you think this is self-fulfilling prophecy? Because there's a lot of people out there that don't believe, that

are involved in this, that are making this happen, that have never read the Bible, that don't believe the Bible, that don't believe in God. It couldn't be self-fulfilling prophecy, but it's starting to happen, especially with the formation of the

[00:11:00 - 00:11:02] European Union, which was

[00:11:02 - 00:11:04] phenomenal. Nobody ever

[00:11:04 - 00:11:05] expected that to happen. Hey, hold on for a second.

[00:11:07 - 00:11:08] Hey, listen, I got my

[00:11:08 - 00:11:10] landlord here. Let me talk to you guys. Call me back in.

[00:11:10 - 00:11:10] Hey, Louis.

[00:11:11 - 00:11:13] Always on the side. Always on the side.

[00:11:14 - 00:11:15] Yeah. Come on, right in.

[00:11:16 - 00:11:17] Okay, so call me back in about

[00:11:17 - 00:11:19] an hour. Bye.

[00:11:19 - 00:11:19] [Uncertain recognition] All right.

[00:00:00 - 00:00:08] parent's house. And the prank calls, he pulls right from his parent's house. It's disgusting.

[00:00:08 - 00:00:13] I never call if you don't believe me. Go ahead, take a listen to my calls. I don't harass people

[00:00:13 - 00:00:19] like others. I call for a joke. No, if you saw some of his videos, I can tell you, but

[00:00:19 - 00:00:28] I won't. It's all harassment. He says, oh, it's just me. I'm making one phone call. He

[00:00:30 - 00:00:32] he's part of the community

[00:00:32 - 00:00:33] he knows that a hundred

[00:00:33 - 00:00:35] two other hundred people

[00:00:35 - 00:00:35] are trying to call

[00:00:35 - 00:00:36] are calling two

[00:00:36 - 00:00:39] these guys are

[00:00:39 - 00:00:41] these guys are full-grown men

[00:00:41 - 00:00:46] and my life

[00:00:46 - 00:00:48] and they're threatening me

[00:00:48 - 00:00:49] and he's actually threatened me

[00:00:49 - 00:00:51] I've got his voice recorded

[00:00:51 - 00:00:53] and he told me

[00:00:53 - 00:00:54] it's never me, never me

[00:00:54 - 00:00:57] I told him I'm doing a message

[00:00:57 - 00:00:58] I'm doing a message back

[00:01:00 - 00:01:02] I've got a good response, so I'll get going already.

[00:01:02 - 00:01:07] I'm going to say, listen, I'm not going to tell you whether it's your son or not.

[00:01:07 - 00:01:10] You listen to the voice, and you tell me if it's your son or not.

[00:01:10 - 00:01:12] Point to the thing, guess what?

[00:01:12 - 00:01:17] He lives a short distance in tycoons.

[00:01:17 - 00:01:19] So I'm thinking tycoons.

[00:01:19 - 00:01:22] Two weeks after I booted tycoons, all this shit starts happening.

[00:01:22 - 00:01:26] At some point, Art next door says, this is Chris.

[00:01:30 - 00:01:31] I said, which is normal with you?

[00:01:32 - 00:01:33] The other prank calls?

[00:01:33 - 00:01:33] Yes.

[00:01:34 - 00:01:39] He said, but this sounds too personal.

[00:01:39 - 00:01:43] The phone calls, the death threats, it sounds personal.

[00:01:45 - 00:01:48] Somebody's trying to break you and get you out of business.

[00:01:49 - 00:01:49] [Uncertain recognition] That's right.

[00:01:49 - 00:01:50] Who could that be?

[00:01:50 - 00:01:53] I said, damn, man, who could that be?

[00:01:53 - 00:01:54] It could only be the person.

[00:01:55 - 00:01:57] And that's the person who I booted.

[00:02:00 - 00:02:06] No, no, not anymore, not anymore, by the way, see this thing right here?

[00:02:06 - 00:02:08] I don't know if you can see that right there?

[00:02:08 - 00:02:10] That's one must have been out of here.

[00:02:10 - 00:02:12] That's one must have been out of here.

[00:02:12 - 00:02:14] Get out of my car.

[00:02:14 - 00:02:16] I don't know if it's back or yeah.

[00:02:16 - 00:02:20] That's the diaper that guy.

[00:02:20 - 00:02:24] These are the egg rolls, the same.

[00:02:24 - 00:02:28] She's flavored.

[00:02:30 - 00:02:58] There ain't a lot of pimples growing up, and it's like a hair, that's the root of a hair, the root of a hair, oh, wow, that's weird though, there's a lot of a hair, at the bottom here, he tells me take care, bottom line here, as long as it's really short, the rap is a prank, it's just the internet man, some people use it for fun, some people go overboard, which ruins the fun in prank calling, don't worry, they'll get theirs and they'll get caught, take care, no they won't.

[00:03:00 - 00:03:04] He's a little phony, so I'm not cutting him any slack.

[00:03:05 - 00:03:05] He's too old.

[00:03:06 - 00:03:10] [Uncertain recognition] When he created this several years ago, he's in his 20s.

[00:03:12 - 00:03:17] He said he's going to college for game design and simulation.

[00:03:17 - 00:03:17] Nice line.

[00:03:18 - 00:03:24] So, I mean, if these guys are immature, and you can tell he's immature if he's going to school for game design and simulation,

[00:03:24 - 00:03:29] I mean, unless he's an artist and he's no artist,

[00:03:30 - 00:03:33] He likens himself to want to be a rap star.

[00:03:33 - 00:03:39] So see, in his videos, he wants to be a DJ, hip-hop rapper.

[00:03:40 - 00:03:44] But now he's telling me he wants to go, he's in college for game design and cinema.

[00:03:44 - 00:03:46] He's lying, Chris. We got proof.

[00:03:46 - 00:03:47] [Uncertain recognition] He's a liar.

[00:03:48 - 00:03:48] [Uncertain recognition] He's a liar.

[00:03:48 - 00:03:50] [Uncertain recognition] Most of these guys are liars.

[00:03:50 - 00:03:51] Why not?

[00:03:51 - 00:03:54] Like, oh, have a free pizza and D'Angelo's, Papaginos.

[00:03:54 - 00:03:58] Every restaurant around here delivered to me.

[00:04:00 - 00:04:02] Did you hear that?

[00:04:05 - 00:04:07] Every restaurant on here,

[00:04:07 - 00:04:08] labor to be.

[00:04:23 - 00:04:25] Now I've got everybody across the street

[00:04:25 - 00:04:27] that's impugning my character,

[00:04:27 - 00:04:28] my reputation here.

[00:04:30 - 00:04:39] blah blah blah what's going on man i'm sure this is a small town so at some point um i just started

[00:04:39 - 00:04:43] saying okay i gotta get proactive and i gotta start fighting back and everybody told me i was

[00:04:43 - 00:04:49] crazy don't talk to these guys hang up jim schwarzes hang up i said at one point i kept saying

[00:04:49 - 00:04:56] [Uncertain recognition] i'm gonna hang up i promise i'll hang up but then at one point it's god you can't get to know

[00:05:00 - 00:05:26] [Uncertain recognition] Now look at it. These guys just called it. He's in a real voice. They want to talk to me for some reason. And I have a conversation. I have a little piece of paper. Or I record it. I've got some recordings for the conversations. And now I'm looking. There's one down in Tennessee. He's 44 years old.

[00:05:30 - 00:05:32] [Uncertain recognition] They're all over the place.

[00:05:32 - 00:05:39] [Uncertain recognition] A chunk of them, there's a decent amount that are overseas, and I'm getting in touch with Homeland Security.

[00:05:39 - 00:05:43] [Uncertain recognition] Because if you're destroying businesses in this country, they're destroying our economy.

[00:05:43 - 00:05:45] [Uncertain recognition] But what is that? That's terrorism then.

[00:05:45 - 00:05:46] [Uncertain recognition] That sure is.

[00:05:46 - 00:05:50] [Uncertain recognition] And once Homeland Security is involved in this, this shit should stop.

[00:05:50 - 00:05:55] [Uncertain recognition] Nobody should have to go, what you heard that young guy go through, with a house full of sick people.

[00:06:00 - 00:06:15] [Uncertain recognition] No, that's another guy. He's in his 70s. That's right. Another guy, Virginia, Nebraska.

[00:06:15 - 00:06:23] [Uncertain recognition] He left the country for two months. Small town, small hotel.

[00:06:30 - 00:06:59] [Uncertain recognition] I've heard of people, I've heard of other stories too, they're just too numerous, one guy called me up, Florida, I mean just recently, online engines, it's gotengines.com, gotengines, he sells engines to cars, 30 sales people, 30 phones, boom, one day a week, all the phones were jammed up, 30 phone calls,

[00:07:00 - 00:07:04] [Uncertain recognition] People you lost all that because jammed up phones can't call out can't call

[00:07:06 - 00:07:12] [Uncertain recognition] He called me up, he says blah blah blah, and I started telling the reality. He says no, no, no, I can't be that bad

[00:07:12 - 00:07:14] [Uncertain recognition] I said listen you called me

[00:07:17 - 00:07:19] [Uncertain recognition] I'm not making this shit up

[00:07:19 - 00:07:25] [Uncertain recognition] I find it offensive that you call me and basically call me a liar. What do you think I'm out of my fucking mind?

[00:07:25 - 00:07:28] [Uncertain recognition] He says no, no, no, I'm sorry, sorry, sorry. I said go ahead

[00:07:30 - 00:07:32] [Uncertain recognition] This is where I'm talking from.

[00:07:32 - 00:07:35] [Uncertain recognition] I said, you go ahead and bury your fucking head in the sand.

[00:07:35 - 00:07:38] [Uncertain recognition] I said, and try to get business to work together, to pull together.

[00:07:38 - 00:07:40] [Uncertain recognition] I said, because guess what, buddy?

[00:07:40 - 00:07:41] [Uncertain recognition] You're going to be like me.

[00:07:41 - 00:07:46] [Uncertain recognition] I said, one day a week, this month, this is going to be two days a week, next month,

[00:07:46 - 00:07:49] [Uncertain recognition] and then it's going to escalate, and then guess what?

[00:07:49 - 00:07:51] [Uncertain recognition] You've already pissed them off.

[00:07:51 - 00:07:56] [Uncertain recognition] If you're calling, they jammed 30 lines.

[00:07:56 - 00:07:59] [Uncertain recognition] You've got hundreds of people calling me, man.

[00:08:00 - 00:08:03] [Uncertain recognition] in the prank call community, hundreds, all at the same time.

[00:08:05 - 00:08:09] [Uncertain recognition] He says, how did this, why did you stop, what, I said, listen, there's no rhyme or reason

[00:08:09 - 00:08:12] [Uncertain recognition] for sick people doing what they're doing, these are sick kids.

[00:08:12 - 00:08:14] [Uncertain recognition] These are demented kids.

[00:08:15 - 00:08:21] [Uncertain recognition] They've got warped humor based on the precepts and morals that they were raised with, and

[00:08:21 - 00:08:25] [Uncertain recognition] most of them have been raised on violent video games.

[00:08:26 - 00:08:29] [Uncertain recognition] They've got no concern, blood and guts and gore.

[00:08:30 - 00:08:31] [Uncertain recognition] It's nothing to them.

[00:08:31 - 00:08:32] [Uncertain recognition] Nothing, nothing to them.

[00:08:32 - 00:08:33] [Uncertain recognition] That's right.

[00:08:33 - 00:08:37] [Uncertain recognition] They can see a person's head get chopped off right in front of them,

[00:08:37 - 00:08:44] [Uncertain recognition] and it has no emotional effect because they've seen it in video games, real life, 3D,

[00:08:44 - 00:08:48] [Uncertain recognition] not real life, but 3D, time and time and time and time and time again,

[00:08:48 - 00:08:50] [Uncertain recognition] over the course of years.

[00:08:50 - 00:08:52] [Uncertain recognition] And the people get up and walk away.

[00:08:52 - 00:08:52] [Uncertain recognition] That's right.

[00:08:52 - 00:08:55] [Uncertain recognition] So in principle, they don't make people get killed.

[00:08:55 - 00:08:55] [Uncertain recognition] That's right.

[00:08:55 - 00:08:57] [Uncertain recognition] Well, actually, not those lives.

[00:08:57 - 00:08:59] [Uncertain recognition] When they're killing the monsters, they don't get up and walk away.

[00:09:00 - 00:09:09] [Uncertain recognition] So, they take things out, that's what the video games are about, destroying, killing things, and going on your way.

[00:09:09 - 00:09:18] [Uncertain recognition] And sometimes, in some of those video games, and I've played them, you'll kill something, and you'll look down at it, and you'll target.

[00:09:18 - 00:09:21] [Uncertain recognition] It's dead, but you'll make a joke.

[00:09:21 - 00:09:25] [Uncertain recognition] You can actually make, you can actually make hand gestures, you can flip it to bird.

[00:09:25 - 00:09:29] [Uncertain recognition] That's how real, you gotta see some of these graphic games.

[00:09:30 - 00:09:32] [Uncertain recognition] They're dis-sensitized.

[00:09:33 - 00:09:34] [Uncertain recognition] No morals.

[00:09:35 - 00:09:39] [Uncertain recognition] So, one story short is that I want to get this drive.

[00:09:39 - 00:09:43] [Uncertain recognition] I was hoping to get better stuff done by Monday.

[00:09:43 - 00:09:44] [Uncertain recognition] It didn't happen.

[00:09:45 - 00:09:47] [Uncertain recognition] I'm going to get this done tonight.

[00:09:47 - 00:09:51] [Uncertain recognition] I've burned up, like, you've been here about an hour and a half now.

[00:09:53 - 00:09:55] [Uncertain recognition] We need to catch up our calendar.

[00:09:56 - 00:09:56] [Uncertain recognition] Yes.

[00:09:56 - 00:09:58] [Uncertain recognition] And listen, I've got no problems.

[00:10:00 - 00:10:02] [Uncertain recognition] If you want to come over, just come over.

[00:10:03 - 00:10:04] [Uncertain recognition] There's something you can do over here.

[00:10:06 - 00:10:08] [Uncertain recognition] I don't want to slow you down.

[00:10:08 - 00:10:09] [Uncertain recognition] You ain't going to slow me down.

[00:10:10 - 00:10:11] [Uncertain recognition] How about sitting in front of the computer,

[00:10:12 - 00:10:20] [Uncertain recognition] I'd say I'd give you something to enter into something, you know?

[00:10:20 - 00:10:23] [Uncertain recognition] Or maybe, I don't know, just put around,

[00:10:24 - 00:10:26] [Uncertain recognition] just maybe a little organizing, you know?

[00:10:27 - 00:10:28] [Uncertain recognition] Doesn't really matter.

[00:10:30 - 00:10:31] [Uncertain recognition] That doesn't matter.

[00:10:32 - 00:10:38] [Uncertain recognition] So long story short is I'm going to have money for you this month, probably next week.

[00:10:40 - 00:10:44] [Uncertain recognition] Let me try to make you a mechanism to stimulate.

[00:10:44 - 00:10:45] [Uncertain recognition] Right.

[00:10:46 - 00:10:47] [Uncertain recognition] I hope I can get from today.

[00:10:48 - 00:10:48] [Uncertain recognition] Okay.

[00:10:49 - 00:10:52] [Uncertain recognition] Well, I'll give it to you.

[00:10:52 - 00:10:59] [Uncertain recognition] God has provided, so I don't see any job that I want to cover.

[00:11:00 - 00:11:03] [Uncertain recognition] You're first, so what the hell?

[00:11:03 - 00:11:05] [Uncertain recognition] Don't worry, don't worry.

[00:11:05 - 00:11:07] [Uncertain recognition] This is all in God's hands.

[00:11:07 - 00:11:11] [Uncertain recognition] As of right now, I'll tell you, as of right now,

[00:11:11 - 00:11:13] [Uncertain recognition] the insurance is taken care of.

[00:11:13 - 00:11:16] [Uncertain recognition] I paid that off in one son.

[00:11:16 - 00:11:17] [Uncertain recognition] You did?

[00:11:17 - 00:11:19] [Uncertain recognition] Yeah, so that was paid off.

[00:11:19 - 00:11:20] [Uncertain recognition] Great.

[00:11:20 - 00:11:25] [Uncertain recognition] So back in August, I think it was July.

[00:11:30 - 00:11:43] [Uncertain recognition] Okay, so how much today?

[00:11:43 - 00:11:45] [Uncertain recognition] 600.

[00:11:45 - 00:11:46] [Uncertain recognition] Okay.

[00:11:46 - 00:11:59] [Uncertain recognition] That system would like to take care of last month.

[00:12:00 - 00:12:01] [Uncertain recognition] And this one.

[00:12:01 - 00:12:02] [Uncertain recognition] Okay.

[00:12:02 - 00:12:03] [Uncertain recognition] Okay.

[00:12:03 - 00:12:08] [Uncertain recognition] The next one?

[00:12:08 - 00:12:11] [Uncertain recognition] So this is, this is, normally I write down BN and insurance.

[00:12:11 - 00:12:13] [Uncertain recognition] This is just going to be for BN.

[00:12:13 - 00:12:14] [Uncertain recognition] Just BN.

[00:12:14 - 00:12:15] [Uncertain recognition] Just BN.

[00:12:15 - 00:12:16] [Uncertain recognition] Just BN.

[00:12:16 - 00:12:21] [Uncertain recognition] No insurance.

[00:12:30 - 00:12:37] [Uncertain recognition] Actually, it's not the name of the program, so it's kind of a little bit of a kid on it.

[00:12:37 - 00:12:38] [Uncertain recognition] Right.

[00:12:38 - 00:12:41] [Uncertain recognition] What do you mean?

[00:12:41 - 00:12:44] [Uncertain recognition] Well, I guess some people have something to do.

[00:12:44 - 00:12:47] [Uncertain recognition] I know some people work to create a nurse.

[00:12:47 - 00:12:50] [Uncertain recognition] You know, some people work.

[00:12:50 - 00:12:51] [Uncertain recognition] Yeah, exactly.

[00:12:51 - 00:12:53] [Uncertain recognition] And they always look at her wife.

[00:12:53 - 00:12:55] [Uncertain recognition] Well, listen, this is going to go.

[00:12:55 - 00:12:57] [Uncertain recognition] You know it as well as I do.

[00:13:00 - 00:13:01] [Uncertain recognition] It's fun.

[00:00:00 - 00:00:24] I'm quitting. Technically speaking, technically speaking, and I told Rufus, I'm not doing this because I enjoy this. I told her that I am doing this specifically for you guys. I could be anywhere else. I'm not. I'm not deserving you. I'm making this work for you guys.

[00:00:30 - 00:00:31] [Uncertain recognition] I own making this work.

[00:00:32 - 00:00:34] [Uncertain recognition] You guys would not have done what you've done.

[00:00:34 - 00:00:35] [Uncertain recognition] I'd love to see it work.

[00:00:35 - 00:00:37] [Uncertain recognition] See, I'd love to see it work.

[00:00:37 - 00:00:39] [Uncertain recognition] I'd love to see it work, too.

[00:00:40 - 00:00:41] [Uncertain recognition] It's going to work.

[00:00:41 - 00:00:42] [Uncertain recognition] Yeah, it will work.

[00:00:43 - 00:00:44] [Uncertain recognition] I'm patient enough.

[00:00:45 - 00:00:47] [Uncertain recognition] But it's not about our patience, too.

[00:00:47 - 00:00:49] [Uncertain recognition] You've got to keep me in a prayer group.

[00:00:49 - 00:00:53] I've got to be on that prayer group for every week and week.

[00:00:54 - 00:00:55] [Uncertain recognition] I need prayer.

[00:01:00 - 00:01:29] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:01:30 - 00:01:59] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:02:00 - 00:02:01] [Uncertain recognition] Well, I don't want to listen.

[00:02:02 - 00:02:07] [Uncertain recognition] You know, obviously women are different than a prize.

[00:02:08 - 00:02:10] [Uncertain recognition] And she should know.

[00:02:11 - 00:02:12] That's what I was telling her.

[00:02:12 - 00:02:14] And she goes, you said, I know, you're not doing it for you.

[00:02:15 - 00:02:17] I said, I'm not doing it for you.

[00:02:17 - 00:02:21] She doesn't really understand that.

[00:02:24 - 00:02:29] [Uncertain recognition] I could say today, I could say, call my brother Evan, call Rick.

[00:02:30 - 00:02:30] [Uncertain recognition] Rick's got another place.

[00:02:31 - 00:02:32] [Uncertain recognition] Rick's just moved into another place.

[00:02:32 - 00:02:33] [Uncertain recognition] Oh, yeah?

[00:02:33 - 00:02:35] [Uncertain recognition] Well, they foreclosed on his home.

[00:02:36 - 00:02:37] [Uncertain recognition] The one down there?

[00:02:37 - 00:02:38] [Uncertain recognition] The one down there.

[00:02:38 - 00:02:43] [Uncertain recognition] And I told him, I just, see, Rick's got a problem with he doesn't like to deal with anything.

[00:02:44 - 00:02:46] [Uncertain recognition] And they were foreclosing on his home.

[00:02:46 - 00:02:57] I told him, Rick, and by the way, I just found out most people that go into court that are foreclosing,

[00:03:00 - 00:03:16] Right now, a Supreme Court justice just ruled, it's a crazy rule, it's kind of convoluted,

[00:03:16 - 00:03:20] but now, so if they can't prove that there's a mortgage holder, and most mortgage holders

[00:03:20 - 00:03:28] [Uncertain recognition] can't prove that there's a mortgage holder, believe it or not, I don't know what, why,

[00:03:30 - 00:03:37] holders don't go into court with all the paperwork and all the proof.

[00:03:37 - 00:03:44] The paperwork, yeah. Right. So if they can't prove that the, now this is, I heard this

[00:03:44 - 00:03:50] on WRT this morning, if they can't prove that the mortgage holder, what about the people

[00:03:50 - 00:03:53] that just bought the foreclosed home? Are they the owners?

[00:03:53 - 00:03:58] Yeah, that's another thing I mean. And if they can't prove that the mortgage

[00:04:00 - 00:04:05] [Uncertain recognition] on the people. See, there's a whole bunch of canned ones being open right now. So I told

[00:04:05 - 00:04:11] [Uncertain recognition] Rick, I said, don't move. Hunker down. He wouldn't listen. Somebody came in and bought

[00:04:11 - 00:04:17] [Uncertain recognition] the house. They could not have gotten him out of that place for another freaking year.

[00:04:17 - 00:04:25] [Uncertain recognition] No, but the point I'm saying is, Rick, his big, beautiful home, I told him, I said, Rick,

[00:04:30 - 00:04:36] [Uncertain recognition] He always keeps the pay up, people start bitching at him, except me, he listens to everybody else.

[00:04:37 - 00:04:44] [Uncertain recognition] So now, he went out, he stayed put, there was a problem with the sale,

[00:04:45 - 00:04:50] [Uncertain recognition] so he didn't have to move into the place that he had put a deposit on that he had been starting to pay rent on.

[00:04:50 - 00:04:57] [Uncertain recognition] Three months earlier, he was, that's right, I said, Rick, what the fuck are you doing?

[00:05:00 - 00:05:04] [Uncertain recognition] Well, you could stay in that fucking house for another year.

[00:05:06 - 00:05:07] [Uncertain recognition] Oh, it wouldn't be fair for this one.

[00:05:08 - 00:05:08] [Uncertain recognition] It wouldn't be fair.

[00:05:08 - 00:05:11] [Uncertain recognition] They don't give a fuck about you.

[00:05:12 - 00:05:13] [Uncertain recognition] You're talking fair.

[00:05:14 - 00:05:15] [Uncertain recognition] They don't give a fuck about you.

[00:05:16 - 00:05:19] [Uncertain recognition] How about housing around this is growing?

[00:05:20 - 00:05:21] [Uncertain recognition] Like this guy.

[00:05:21 - 00:05:22] [Uncertain recognition] Oh, the community.

[00:05:24 - 00:05:29] [Uncertain recognition] First off, you know in Florida, the contractors.

[00:05:30 - 00:05:31] [Uncertain recognition] They do, it's beautiful.

[00:05:32 - 00:05:40] [Uncertain recognition] I know they have these, I've seen you get to do this now, For Love, LA, you know, for the next time.

[00:05:40 - 00:05:41] [Uncertain recognition] Those are beautiful.

[00:05:42 - 00:05:45] [Uncertain recognition] They're just, that's a beautiful thing.

[00:05:45 - 00:05:45] [Uncertain recognition] They look beautiful.

[00:05:46 - 00:05:46] [Uncertain recognition] They're shoddy.

[00:05:46 - 00:05:53] [Uncertain recognition] You know, again, within six months, the tiles in the backroom started falling off the wall.

[00:06:00 - 00:06:05] [Uncertain recognition] Now, I wonder if the property has something to do with that property.

[00:06:05 - 00:06:08] [Uncertain recognition] Well, the contractor should know that.

[00:06:08 - 00:06:11] [Uncertain recognition] The contractor should know and should know how to cover it and how to avoid that.

[00:06:11 - 00:06:12] [Uncertain recognition] Yeah, that's right.

[00:06:12 - 00:06:13] [Uncertain recognition] What's the property?

[00:06:13 - 00:06:14] [Uncertain recognition] That's right.

[00:06:14 - 00:06:24] [Uncertain recognition] But one day I found that the property was that in January, I had a leather wash paint

[00:06:30 - 00:06:37] [Uncertain recognition] The watch fan came apart, and I looked at him, I watched him, they didn't fall.

[00:06:37 - 00:06:41] [Uncertain recognition] Because humidity...

[00:06:41 - 00:06:45] But you are calling, it's temporary.

[00:06:45 - 00:06:48] [Uncertain recognition] I guess people have to be careful.

[00:06:48 - 00:06:50] [Uncertain recognition] The glue, the glue on the watch fan...

[00:06:50 - 00:06:53] [Uncertain recognition] The glue on the watch fan gave way.

[00:06:53 - 00:06:55] [Uncertain recognition] Yep.

[00:07:00 - 00:07:05] [Uncertain recognition] No, but they should know I mean they've been doing it long enough. That's right. If you live there, they should know.

[00:07:05 - 00:07:09] [Uncertain recognition] In the sense, Rick said, I'm glad I left the house. It was a power issue.

[00:00:00 - 00:00:07] Go off the telephone, internet connection doesn't always happen, you're right in the middle of something on a game and the internet.

[00:00:08 - 00:00:19] It was a beautiful poem, and I like the fact that there was that, but, you know, and I wanted to stay there because I wanted to have that as kind of a 20 minutes from Disney World, you know, like Disney World.

[00:00:30 - 00:00:35] great staging area, you know, great kind of base of operations, but he was saying it,

[00:00:35 - 00:00:39] then I said, why the fuck did you tell me this again, you know, he says, oh, he says,

[00:00:39 - 00:00:47] [Uncertain recognition] the fucking, I'm sorry, we need, we're starting to warp, and I'm going like, you're shit,

[00:00:47 - 00:00:52] [Uncertain recognition] and he goes, wow, he says, it was a beautiful look in the room, but it was falling apart.

[00:00:53 - 00:01:00] [Uncertain recognition] It might have been a blessing, it was a gorgeous house, you know, four and a half full bed,

[00:01:00 - 00:01:08] [Uncertain recognition] house, four-and-a-half baths, four-bedroom, I mean, it was beautiful, but it was, the problem

[00:01:08 - 00:01:11] [Uncertain recognition] is they didn't put the construction into it the way they should have.

[00:01:11 - 00:01:12] [Uncertain recognition] Sure, man, yeah.

[00:01:12 - 00:01:12] [Uncertain recognition] That's right.

[00:01:13 - 00:01:25] [Uncertain recognition] So, uh, so what they do down there, they give the cosmetic effect, and you fall in love

[00:01:25 - 00:01:29] with it, and they can charge big money, because it looks great, but it's piece of crap.

[00:01:30 - 00:01:35] [Uncertain recognition] Yes, yes. So let me use that arm. I just hope he is. We'll pray for him, too.

[00:01:35 - 00:01:36] [Uncertain recognition] We'll pray for him, too, yeah.

[00:01:39 - 00:01:42] [Uncertain recognition] So, you ready to come over tomorrow?

[00:01:43 - 00:01:46] Yeah, yeah, you guys can come back. Let's get this stuff out of the car.

[00:01:47 - 00:01:53] Yeah, and yeah, you come back tomorrow, and you bring that over, and then I'll come back with you.

[00:01:53 - 00:01:55] We'll hook it up, and everything will be cool.

[00:02:00 - 00:02:12] [Uncertain recognition] You have to put a couple of hours aside, a couple of three hours, because I've got to show this is a completely different operating system, completely different.

[00:02:12 - 00:02:22] It's similar, but we've got to also set up her email, and you'll be able to have your own account, you'll be able to see, it'll be completely different.

[00:02:30 - 00:02:59] I don't see why they can't take some one damn thing.

[00:03:00 - 00:03:00] I don't know if they think.

[00:03:02 - 00:03:03] It's all, I mean.

[00:03:03 - 00:03:04] I'll read the instructions.

[00:03:05 - 00:03:06] I call the city, and I ask them.

[00:03:06 - 00:03:12] I say, listen, I got a bunch of plastic in a clear plastic bag.

[00:03:12 - 00:03:12] I'll ask them.

[00:03:13 - 00:03:14] I'll call them and ask them.

[00:03:14 - 00:03:15] You know, it pisses me off.

[00:03:15 - 00:03:17] They give these people this little fucking bin.

[00:03:18 - 00:03:19] Like, what do they expect?

[00:03:19 - 00:03:23] Like, somebody that doesn't live there?

[00:03:23 - 00:03:23] [Uncertain recognition] Yeah.

[00:03:24 - 00:03:25] You know, it's crazy.

[00:03:25 - 00:03:26] [Uncertain recognition] Yeah, this week they have a house.

[00:03:26 - 00:03:27] [Uncertain recognition] We do it.

[00:03:27 - 00:03:29] [Uncertain recognition] We're straightened up to the garage.

[00:03:30 - 00:03:33] [Uncertain recognition] And you didn't, and I'm surprised you did that with the band.

[00:03:33 - 00:03:34] [Uncertain recognition] That's right, you pressed it.

[00:04:00 - 00:04:29] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:05:30 - 00:05:59] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:06:00 - 00:06:09] [Uncertain recognition] Oh, shit.

[00:06:11 - 00:06:11] [Uncertain recognition] Yeah, I'm up.

[00:06:16 - 00:06:17] [Uncertain recognition] Are you guys there?

[00:06:22 - 00:06:24] No, it was Goog that hung up.

[00:06:25 - 00:06:25] Are you sure?

[00:06:26 - 00:06:27] Oh, yes, I'm pretty sure.

[00:06:28 - 00:06:28] I didn't hear him.

[00:06:30 - 00:06:35] It didn't sound like he picked up a phone and put it down.

[00:06:35 - 00:06:36] [Uncertain recognition] Hmm.

[00:06:36 - 00:06:37] Shit.

[00:06:37 - 00:06:39] Well, now what?

[00:06:39 - 00:06:40] I don't know, man.

[00:06:40 - 00:06:42] We'll just have to work with what you got.

[00:06:42 - 00:06:44] I think we're being recorded right now.

[00:06:44 - 00:06:48] Tom's not at his desk.

[00:06:48 - 00:06:51] [Uncertain recognition] Oh, right.

[00:06:51 - 00:06:56] [Uncertain recognition] Goddammit.

[00:06:56 - 00:06:58] Bullshit.

[00:07:00 - 00:07:10] Oh man, this is so annoying. Steam won't update IL-2 and I can't join any games now.

[00:07:10 - 00:07:13] I just get it manually then.

[00:07:13 - 00:07:15] Can you do that?

[00:07:15 - 00:07:21] Yeah, it's not something special. It just uses a shortcut.

[00:07:21 - 00:07:26] Oh yeah, I guess I will then.

[00:07:26 - 00:07:29] Still save files.

[00:07:30 - 00:07:31] Can you call me there?

[00:07:31 - 00:07:32] Yeah.

[00:07:32 - 00:07:33] Thank you.

[00:07:33 - 00:07:34] It's...

[00:07:34 - 00:07:37] [Uncertain recognition] Excuse me for picking up in-game sounds like football.

[00:07:37 - 00:07:39] [Uncertain recognition] Alright, there's your football.

[00:07:39 - 00:07:40] [Uncertain recognition] What?

[00:07:40 - 00:07:41] [Uncertain recognition] Wow.

[00:07:41 - 00:07:43] [Uncertain recognition] Yeah, there you are.

[00:07:43 - 00:07:44] [Uncertain recognition] We recorded it.

[00:00:00 - 00:00:05] I'm taking a beer, piss.

[00:00:08 - 00:00:09] You're gonna piss beer?

[00:00:12 - 00:00:13] Is that what you said?

[00:00:14 - 00:00:15] I was not listening.

[00:00:18 - 00:00:19] Long story short.

[00:00:20 - 00:00:20] Huh?

[00:00:21 - 00:00:22] What's up?

[00:00:24 - 00:00:26] Why do you always do the dogs now, man?

[00:00:27 - 00:00:28] Because I like dogs.

[00:00:30 - 00:00:32] You guys called my site with the pictures.

[00:00:32 - 00:00:33] Didn't you see the dogs?

[00:00:35 - 00:00:36] Yeah, I saw your dog.

[00:00:36 - 00:00:37] Did you see my dog, Baron?

[00:00:37 - 00:00:37] Yep.

[00:00:37 - 00:00:39] Oh, Thomas Faken of Piss, by the way.

[00:00:39 - 00:00:40] But anyway, which company was this?

[00:00:41 - 00:00:42] Thomas Faken of Piss.

[00:00:42 - 00:00:43] He won't tell me.

[00:00:43 - 00:00:44] He won't tell me anything right now.

[00:00:45 - 00:00:45] Yeah.

[00:00:45 - 00:00:47] I guess I can figure it out if that's what you want.

[00:00:51 - 00:00:53] No, he says, I'll know Tuesday.

[00:00:55 - 00:00:56] So if that's the case, how much?

[00:00:56 - 00:00:59] By the way, how much is YouTube?

[00:01:00 - 00:01:07] much YouTube is paying for a view or for subs... I don't know how it works.

[00:01:07 - 00:01:10] No, YouTube doesn't pay you to have views or subscriptions.

[00:01:10 - 00:01:13] Yeah, for the views, actually. For the views. For what?

[00:01:13 - 00:01:15] For the views, the partner program.

[00:01:15 - 00:01:16] Oh.

[00:01:16 - 00:01:20] A lot of people make a really good living out of YouTube.

[00:01:20 - 00:01:22] Well, I know. That's what I heard.

[00:01:22 - 00:01:23] Yeah.

[00:01:23 - 00:01:25] I'm thinking it's got to be at least...

[00:01:30 - 00:01:43] they're making otherwise you would be like a millionaire in no time I'm not

[00:01:43 - 00:01:46] talking about the person I'm talking about the advertiser paying YouTube a

[00:01:46 - 00:01:51] buck I'm assuming that YouTube is probably given the account or the

[00:01:51 - 00:01:57] partners person with partner status maybe you know three cents or five cents

[00:02:00 - 00:02:03] Oh, I'm not sure. I'm not in the partner program, so I have no idea, to be honest.

[00:02:04 - 00:02:06] Well, do you know anybody in the partner program?

[00:02:06 - 00:02:09] Well, you should just check YouTube itself, you know. I'm pretty sure.

[00:02:09 - 00:02:10] So does Fred make money, then?

[00:02:11 - 00:02:13] Yes, Fred makes a lot of money.

[00:02:13 - 00:02:14] Oh, fucking hell.

[00:02:15 - 00:02:16] He's like the most famous guy on YouTube.

[00:02:17 - 00:02:19] What a stupid gay shit. Fred.

[00:02:20 - 00:02:24] Oh, Fred, I saw that guy. That is fucking hilarious.

[00:02:25 - 00:02:28] Hilarious? That guy is fucking stupid. He's not funny at all.

[00:02:30 - 00:02:35] his voice but he acts really fucking wild and that's what's funny that's funny it's not funny

[00:02:35 - 00:02:41] man it's a it's a show for children and you find that funny yes no no when you don't see it you

[00:02:41 - 00:02:48] you see something like that once it's funny it's funny if i watch it all the time it wouldn't be

[00:02:48 - 00:02:57] funny but i saw it once it was funny if i saw it again it probably wouldn't be funny

[00:03:00 - 00:03:05] worn off. It was just a lot of stupid shit. And the way he's got his voice kind of like

[00:03:05 - 00:03:11] the chipmunks, you know, like he's got helium or something. Yeah. Just breathe helium. That's

[00:03:11 - 00:03:15] what's funny. I'm looking at the partner program. You know Lisa Nova, right? You know the chick

[00:03:15 - 00:03:21] Lisa Nova? She's got like... I can get you some helium if you want. Yeah, I know Lisa Nova.

[00:03:23 - 00:03:29] A hot chick. Yeah, she is. She's a hot chick. Yep. And she's a hell of a fucking actress.

[00:03:30 - 00:03:32] I've seen way, so much of her shit, she's good.

[00:03:34 - 00:03:39] But, um, she's, uh, she's probably making some serious dough.

[00:03:39 - 00:03:44] She's got, like, almost a quarter of a million subscribers, and she, see how many views she's got?

[00:03:44 - 00:03:45] Yeah, man, she has a quarter of a million subscribers.

[00:03:45 - 00:03:47] Hey, wait, hold on for a second, I got an incoming.

[00:03:47 - 00:03:48] Could be a, could, could be a cousin.

[00:03:50 - 00:03:51] Could be a president.

[00:03:52 - 00:03:54] [Uncertain recognition] Could be the old naughty.

[00:04:00 - 00:04:00] And I'll leave you alone.

[00:04:01 - 00:04:03] That's my fourth health care call today.

[00:04:04 - 00:04:05] Yeah, well, you know, that's good for you.

[00:04:08 - 00:04:09] Huh? I got health care, you know.

[00:04:10 - 00:04:12] I need care. I go get some.

[00:04:13 - 00:04:13] [Uncertain recognition] Good.

[00:04:14 - 00:04:15] Well, I'm looking at the partner program right now.

[00:04:16 - 00:04:19] If you go to youtube.com and scroll down,

[00:04:19 - 00:04:22] and you see like programs,

[00:04:22 - 00:04:24] and if you press the partnership program,

[00:04:24 - 00:04:26] it tells you all about it.

[00:04:26 - 00:04:27] Okay.

[00:04:30 - 00:04:35] how this alliance is uh it's happening you know life's funny you know it is really life is funny

[00:04:35 - 00:04:43] life is funny hey by the way jack i'm getting a 900 dollar gibson for a buck and a half brand new

[00:04:43 - 00:04:51] did someone say my name what yeah i said i'm getting a my buddy whose whose wife passed away

[00:04:51 - 00:04:57] he went on a spending spree thinking it would make him feel better but like a dozen um nice

[00:05:00 - 00:05:04] He no longer can support anything that he's purchased.

[00:05:04 - 00:05:09] So he's dumping a lot of it, and I'm getting a $900 Gibson for a buck and a half, $150.

[00:05:10 - 00:05:12] Wow, that's...

[00:05:12 - 00:05:15] He could just sell that on eBay and just get the money back on it, though.

[00:05:16 - 00:05:19] Yeah, but, yeah, no, he can't return it.

[00:05:19 - 00:05:22] No, but he can sell it on eBay for more than that, man.

[00:05:22 - 00:05:22] What's he thinking?

[00:05:22 - 00:05:23] Oh, yeah, I know.

[00:05:24 - 00:05:27] But, well, I'm his friend, and you know something?

[00:05:30 - 00:05:39] the type of guy um well first off before he met his um former um his former wife um

[00:05:41 - 00:05:49] she was a motorola executive uh so she was paid very well and she had you know she had a pretty

[00:05:49 - 00:05:56] good estate so uh but you know it's amazing when irresponsible people get hold of the cash

[00:06:00 - 00:06:05] She was always of the type of if she didn't need it. She had it and then she didn't use it and she bought it

[00:06:05 - 00:06:10] Yeah, I get you to give it away or sell it for real cheap just to get rid of it get it out

[00:06:10 - 00:06:14] Oh, you found yourself a pretty good bargain just I'd say

[00:06:20 - 00:06:25] Get away he says trying to say that's Paul, but he's perhaps is it wrong?

[00:06:26 - 00:06:28] Yeah

[00:06:30 - 00:06:32] Do you play guitar, Tom?

[00:06:32 - 00:06:34] [Uncertain recognition] Yeah.

[00:06:34 - 00:06:35] [Uncertain recognition] You do not.

[00:06:35 - 00:06:39] [Uncertain recognition] Oh, I do not, right. I've been playing for about five years now.

[00:06:39 - 00:06:40] [Uncertain recognition] Oh, really?

[00:06:46 - 00:06:49] I played in a lot of punk bands, so that's a bit different.

[00:06:49 - 00:06:51] That's a bit different.

[00:06:51 - 00:06:57] It's still worth, if you've got a decent rhythm going, it's still worth listening to.

[00:06:57 - 00:06:59] You got anything posted anywhere?

[00:07:00 - 00:07:04] There was one crappy recording from something we did for the fun of it.

[00:07:04 - 00:07:05] Where?

[00:07:05 - 00:07:07] Oh, YouTube.

[00:11:19 - 00:11:20] Oh.

[00:11:21 - 00:11:23] Anyway, fuck, just listen to it.

[00:11:23 - 00:11:25] It's not really that fucking good, I told you already.

[00:11:25 - 00:11:28] It's just to make fun of him for the local people here.

[00:11:30 - 00:11:38] but anyway let's get down to business here um you don't got anything better than that posted

[00:11:38 - 00:11:43] damn okay what are we talking about yeah let's get down to business do you want us to uh find

[00:11:43 - 00:11:52] something out for that uh guy uh yeah you know whatever uh what i want to do at some point is

[00:11:52 - 00:11:58] um you know i'm gonna find out where happy pranksgiving lives and then i'm gonna mail

[00:12:00 - 00:12:07] really fast a box of bullshit you know actually shit from a bull okay that sounds like a company

[00:12:07 - 00:12:16] right now some companies oh really yeah to uh send dog shit don't give it well i'm not dog shit i

[00:12:16 - 00:12:23] want it from a bull because i i would i would say here is an award for your bullshit video

[00:12:23 - 00:12:29] now let's see now what we could do is we could find his uh his address his relative's name

[00:12:30 - 00:12:31] his credit card, et cetera.

[00:12:31 - 00:12:35] We can, like, pretty much ruin his reputation

[00:12:35 - 00:12:36] with his mother and shit.

[00:12:36 - 00:12:39] We could, like, send diapers and all kinds of shit, you know?

[00:12:39 - 00:12:40] Dildos and other people.

[00:12:40 - 00:12:42] Dildos, free dildos and shit like that.

[00:12:42 - 00:12:44] Egg rolls, egg rolls.

[00:12:44 - 00:12:45] Well, no, see, that's it.

[00:12:45 - 00:12:48] See, you want people pissed off at him,

[00:12:48 - 00:12:51] not the person trying to fuck him up?

[00:12:51 - 00:12:53] If that's what you want, we can do that.

[00:12:53 - 00:12:55] We can do it probably 10 times more than a year.

[00:12:55 - 00:12:59] See, I want people pissed off at him, not you guys.

[00:13:00 - 00:13:07] So if you get overboard when you're doing shit like that, it'll actually, no, it won't matter.

[00:13:08 - 00:13:11] It doesn't matter whether you're the man in the fucking moon.

[00:13:11 - 00:13:13] They won't be pissed off at him.

[00:13:13 - 00:13:17] They'll be more pissed off at the person that's doing all that shit.

[00:13:18 - 00:13:18] You can never pitch.

[00:13:18 - 00:13:23] You never go overboard if you're trying to get somebody pissed off at somebody else.

[00:13:24 - 00:13:28] And getting his mother pissed off at him, you've got to be subtle.

[00:13:30 - 00:13:33] Okay, but you could have a great revenge in just saying,

[00:13:34 - 00:13:36] now we're ready for you, whatever you want.

[00:13:36 - 00:13:39] Why don't you say, hey, remember that bullshit video?

[00:13:40 - 00:13:41] Here's an answer to it.

[00:13:42 - 00:13:47] And, you know, then the rest will just let nature take its course,

[00:13:48 - 00:13:49] present the evidence to his mother.

[00:13:49 - 00:13:54] I know his mother or anybody that lives in that house with him knows what he's doing.

[00:13:55 - 00:13:56] I guarantee you nobody knows what he's doing.

[00:13:56 - 00:13:56] I know.

[00:14:00 - 00:14:02] His mother, all about it, you know, if that's what you want.

[00:14:02 - 00:14:03] Yeah, I put her to the video.

[00:14:04 - 00:14:06] See, that right there would fuck him up.

[00:14:06 - 00:14:08] Well, we could do that if that's what you want, man.

[00:14:12 - 00:14:13] Well, that's what I want to do.

[00:14:13 - 00:14:21] Yeah, that's him and Chris Santos are the biggest, biggest, my biggest, the biggest thorns in my side.

[00:14:21 - 00:14:24] You guys pulled no punches.

[00:14:25 - 00:14:29] Those guys, you guys didn't pretend who you were.

[00:14:30 - 00:14:35] They're using their original voice to call me. I'm going to track them down.

[00:14:35 - 00:14:39] You see, Chris Santos is out lying to everybody.

[00:14:39 - 00:14:44] There's another young guy, he told me he's 40, blah blah blah, he's a rapper, this and that.

[00:14:44 - 00:14:46] I don't know what else he fucking told him.

[00:14:46 - 00:14:49] So, but I'm responding to the message Santos sent to me.

[00:14:49 - 00:14:53] Santos lives down by Coons on KUNZ.

[00:00:00 - 00:00:02] Hello shit.

[00:00:02 - 00:00:03] Aren't you Tom?

[00:00:03 - 00:00:05] Tom, you talented little fuck you.

[00:00:05 - 00:00:07] Tom, are you there?

[00:00:07 - 00:00:08] Yeah.

[00:00:08 - 00:00:11] Yeah, you're in that stuff, right?

[00:00:13 - 00:00:19] So where's most of your good music, Tom, up online?

[00:00:21 - 00:00:22] He's not a woman.

[00:00:22 - 00:00:23] You heard my song, didn't you?

[00:00:23 - 00:00:27] He can multitask, so he can talk and write at the same time.

[00:00:27 - 00:00:29] Exactly, I'm not a woman.

[00:00:30 - 00:00:32] You've heard my songs up online, right?

[00:00:33 - 00:00:33] [Uncertain recognition] What?

[00:00:34 - 00:00:34] Yeah, for a while.

[00:00:34 - 00:00:36] You guys have heard my songs up online.

[00:00:36 - 00:00:37] Oh, songs?

[00:00:37 - 00:00:38] You saw where all the pictures were and shit.

[00:00:41 - 00:00:44] Why did you use that side anyway, Chris?

[00:00:45 - 00:00:46] [Uncertain recognition] Huh?

[00:00:46 - 00:00:48] [Uncertain recognition] Why did you use that side?

[00:00:48 - 00:00:49] Because I am from the fucking...

[00:00:49 - 00:00:50] I'm 52 years old.

[00:00:51 - 00:00:52] I grew up in a different...

[00:00:52 - 00:00:54] I grew up when music was music.

[00:00:55 - 00:00:56] It had a melody.

[00:00:56 - 00:00:57] It had a harmony.

[00:00:57 - 00:00:59] [Uncertain recognition] It had some decent lyrics.

[00:01:00 - 00:01:02] Which decade are you talking about, Chris Perron?

[00:01:03 - 00:01:05] Well, that's a good point too, Jack.

[00:01:05 - 00:01:07] I mean, I know what you're going to say there.

[00:01:07 - 00:01:09] That was a very good interjection.

[00:01:11 - 00:01:14] But quite personally, I have to say something.

[00:01:14 - 00:01:18] How did you make that stage man account, that website, info for you?

[00:01:23 - 00:01:27] Oh, that was for info for people.

[00:01:30 - 00:01:33] fall in love and first date, lol, I don't know.

[00:01:33 - 00:01:34] I'm really romantic.

[00:01:36 - 00:01:37] Oh, that one.

[00:01:37 - 00:01:39] That one, no, no, no, that was for a chick.

[00:01:40 - 00:01:41] That was for a chick.

[00:01:43 - 00:01:44] No, for multiple.

[00:01:44 - 00:01:48] I belong to, I'm single, so I belong to a couple dating sites.

[00:01:49 - 00:01:51] And instead, you can't write shit on some of these dating sites.

[00:01:51 - 00:01:54] And everything you write on some of these dating sites, they've got to be approved.

[00:01:55 - 00:01:57] So at one point it says, fuck it, I'm going to rip the page,

[00:02:00 - 00:02:04] little page, and then these dating sites, I point to everything that I want to say.

[00:02:04 - 00:02:08] Hey, you can't say shit in 1,250 fucking characters, you know?

[00:02:08 - 00:02:12] So, and I'm paying for the shit, and I told my sis, hey, I'm paying for it all over their

[00:02:12 - 00:02:12] life.

[00:02:14 - 00:02:15] Say what?

[00:02:15 - 00:02:16] Well, you know, I don't even do that.

[00:02:16 - 00:02:18] I'm pulling those down now.

[00:02:18 - 00:02:21] I'm going to be pulling those down because it doesn't matter.

[00:02:21 - 00:02:22] I mean, I'm just going to wait until I make some cash.

[00:02:22 - 00:02:23] I've got time to date anyway.

[00:02:24 - 00:02:26] I was feeling exceptionally...

[00:02:30 - 00:02:39] Everybody at some point, especially after a certain age, you get lonely sometimes, you know.

[00:02:40 - 00:02:42] You say, man, I wish I had a wife, blah, blah, blah, blah, blah, blah.

[00:02:42 - 00:02:45] I wish I had a wife, blah, blah, blah, blah, blah, blah, blah.

[00:02:45 - 00:02:46] So fuck it.

[00:02:46 - 00:02:51] I'm going to make a ton of money, and then I will have the ability.

[00:02:52 - 00:02:56] I'll be able to have the ability to date and go wherever I want.

[00:03:00 - 00:03:11] to a successful, attractive, articulate, fun-loving, motivated, honest, loyal, uh...

[00:03:11 - 00:03:11] Beautiful.

[00:03:13 - 00:03:15] Yeah, you know, beauty's in the eye of the beholder.

[00:03:16 - 00:03:20] And at my age, she's got to be at least pretty.

[00:03:20 - 00:03:23] She's got to be at least pretty.

[00:03:23 - 00:03:26] Maybe not gorgeous, but at least pretty.

[00:03:26 - 00:03:26] Right.

[00:03:26 - 00:03:27] Right.

[00:03:27 - 00:03:27] That's right.

[00:03:30 - 00:03:31] [Uncertain recognition] you know

[00:03:31 - 00:03:32] kind of like

[00:03:32 - 00:03:32] Jack's mom

[00:03:32 - 00:03:33] yeah

[00:03:33 - 00:03:35] you can marry

[00:03:35 - 00:03:35] Jack's mom

[00:03:35 - 00:03:36] we can arrange that

[00:03:36 - 00:03:38] yeah she's single now

[00:03:38 - 00:03:39] oh yeah

[00:03:39 - 00:03:40] we call him a

[00:03:43 - 00:03:43] millionaire people

[00:03:43 - 00:03:44] she had

[00:03:44 - 00:03:45] quite an interest in you

[00:03:45 - 00:03:46] I showed her pictures

[00:03:46 - 00:03:46] on MSN

[00:03:46 - 00:03:47] and she

[00:03:47 - 00:03:48] she's kind of

[00:03:48 - 00:03:49] that's a lie

[00:03:49 - 00:03:49] you don't even have

[00:03:49 - 00:03:50] a contact email

[00:03:50 - 00:03:51] don't listen to that

[00:03:51 - 00:03:53] I think I don't know

[00:03:53 - 00:03:53] who it is

[00:03:53 - 00:03:54] [Uncertain recognition] but

[00:03:54 - 00:03:57] I could

[00:03:57 - 00:03:59] I could give her

[00:03:59 - 00:03:59] I mean

[00:04:00 - 00:04:02] Give your number, if that's what you want.

[00:04:02 - 00:04:03] No, no, no, no, no.

[00:04:03 - 00:04:06] Listen, I told you, I'm in no position to even start dating.

[00:04:07 - 00:04:09] That's why those are always coming down.

[00:04:09 - 00:04:09] [Uncertain recognition] You have all the time in the world.

[00:04:09 - 00:04:10] You have all the time in the world.

[00:04:10 - 00:04:12] [Uncertain recognition] You can date whatever you want in your shop.

[00:04:13 - 00:04:17] Listen, I've wasted, today I've burned up a few hours,

[00:04:18 - 00:04:20] an hour and a half talking to my landlord,

[00:04:21 - 00:04:22] and actually two and a half hours.

[00:04:23 - 00:04:24] [Uncertain recognition] Hour and a half talking to my landlord,

[00:04:48 - 00:04:50] Say just the city and state.

[00:04:54 - 00:04:55] Belmont, Massachusetts.

[00:02:44 - 00:02:45] because it was so fucking boring.

[00:02:45 - 00:02:46] I like the cities, though.

[00:03:17 - 00:03:19] Or fight monsters.

[00:03:19 - 00:03:23] Everything is the same, you like level up and then you go fight other monsters and then...

[00:03:23 - 00:03:29] If you wanna be a tough motherfucker for your friends, we got some fun for you in store.

[00:03:30 - 00:03:34] Yeah, you can laugh while you are right now, but you'll get into more shit anyway.

[00:04:41 - 00:04:44] Wait, someone made an accusation after Chris Peron rape deliver a girl.

[00:04:44 - 00:04:46] Yeah.

[00:04:46 - 00:04:56] And then there was all the restaurants that won't even deliver to me now.

[00:05:00 - 00:05:01] You can't order pizza anymore?

[00:05:02 - 00:05:06] No, nobody will even think about delivering to this address.

[00:05:07 - 00:05:10] Oh, man, I'd be pretty pissed if I can't order my pizza anymore.

[00:05:10 - 00:05:11] Oh, you can get his pizza.

[00:05:12 - 00:05:13] I guess he has to go and pick it up.

[00:05:15 - 00:05:20] Well, there's a place right on the corner one block away, so they don't deliver.

[00:05:20 - 00:05:25] So they didn't hear all the hoopla.

[00:05:25 - 00:05:29] But the Chinese really get bent out of fucking shape when they show up with $100 worth of food.

[00:05:30 - 00:05:33] No, no, no, no.

[00:05:33 - 00:05:34] They do deliver.

[00:05:35 - 00:05:36] [Uncertain recognition] They did deliver.

[00:05:36 - 00:05:37] They won't deliver.

[00:05:40 - 00:05:45] They know now that if it comes from a number that they don't recognize,

[00:05:45 - 00:05:50] like if it says I call or Skype or I'm known, they always take the number,

[00:05:50 - 00:05:51] they call back.

[00:05:51 - 00:05:52] I say, like, why the fuck didn't you call?

[00:05:52 - 00:05:53] Because they called the cops.

[00:05:53 - 00:05:56] The cops came down and said, hey, what the fuck?

[00:05:56 - 00:05:57] And I was going, like, I didn't order this shit.

[00:05:57 - 00:05:59] And then I showed them all the Skype numbers.

[00:06:00 - 00:06:01] online. And then

[00:06:01 - 00:06:03] I told them, I said, why would I do that?

[00:06:04 - 00:06:06] I said, I've got colonies right across the street.

[00:06:07 - 00:06:08] You know? So why would

[00:06:08 - 00:06:10] I order out when I can just go right across

[00:06:10 - 00:06:11] the street? It's a conspiracy.

[00:06:13 - 00:06:16] Did the police believe you straight away, or did it

[00:06:16 - 00:06:16] take them time?

[00:06:18 - 00:06:19] Say what?

[00:06:19 - 00:06:22] Did the police believe you straight away, or did it take them time?

[00:06:22 - 00:06:24] Yeah, they believe me straight away. No, they believe me

[00:06:24 - 00:06:24] straight away.

[00:06:25 - 00:06:28] It doesn't make sense. You know what? I'm not a kid.

[00:06:28 - 00:06:29] I'm not a kid.

[00:06:30 - 00:06:31] I'm a full grown

[00:06:31 - 00:06:33] I'm on a train

[00:06:33 - 00:06:35] I'm heading south

[00:06:35 - 00:06:37] You're leading the herd

[00:06:37 - 00:06:40] Hey, by the way

[00:06:40 - 00:06:41] Has anybody seen the new video?

[00:06:42 - 00:06:43] Yeah

[00:06:43 - 00:06:45] What are you even talking about?

[00:06:45 - 00:06:47] I'm rapping, I'm rapping

[00:06:47 - 00:06:48] I'm on a train

[00:06:48 - 00:06:50] The train, yeah, I heard that

[00:06:50 - 00:06:53] Before you did even, I think

[00:06:53 - 00:06:55] Yeah, it's got me bent

[00:06:55 - 00:06:55] It's got me bent over

[00:06:55 - 00:06:58] You've got some competition

[00:07:09 - 00:07:11] near Frank Barrett

[00:07:11 - 00:07:12] he knows Frank

[00:07:12 - 00:07:14] I'd say he's like

[00:07:14 - 00:07:17] he's like trying to be a lot more famous than you now

[00:07:17 - 00:07:18] he sees you as your

[00:07:18 - 00:07:20] your rival so

[00:07:20 - 00:07:23] and he's pretty famous himself actually

[00:07:23 - 00:07:24] he's more famous than you

[00:07:24 - 00:07:26] he's kind of like you actually

[00:07:50 - 00:07:56] simple. I said I've cruised the channels clicking links. But I'm going to call him.

[00:08:00 - 00:08:01] rap like you guys ain't never heard it

[00:09:05 - 00:09:09] Uh, no, not really a bachelor's degree. That's one step higher.

[00:09:11 - 00:09:12] Oh, no shit.

[00:09:13 - 00:09:15] [Uncertain recognition] Whoa. It's kind of fucked up.

[00:09:17 - 00:09:20] So, Tom and I were thinking about creating a company.

[00:09:21 - 00:09:21] [Uncertain recognition] Yeah.

[00:09:23 - 00:09:24] We could maybe put it up.

[00:09:25 - 00:09:25] [Uncertain recognition] Yeah.

[00:09:26 - 00:09:28] Yeah, yeah, yeah.

[00:09:28 - 00:09:29] Is that what you want, of course?

[00:09:30 - 00:09:33] Oh, fucking goddamn steam.

[00:09:34 - 00:09:37] So as I get my investment capital, guys.

[00:09:38 - 00:09:38] Oh, I'm not sure.

[00:09:39 - 00:09:40] I don't even know.

[00:09:40 - 00:09:41] That's, uh...

[00:09:41 - 00:09:43] Yeah, but we could work together.

[00:09:45 - 00:09:46] No, we're gonna make some serious fucking dough.

[00:09:46 - 00:09:47] You guys are over there.

[00:09:47 - 00:09:48] What are you craving?

[00:09:48 - 00:09:50] I'd have to be out of my fucking mind.

[00:09:51 - 00:09:53] Not to do something with you guys.

[00:09:54 - 00:09:54] Yeah.

[00:09:55 - 00:09:57] And we'll corner the fucking...

[00:09:57 - 00:09:58] We'll corner the market in your neck of the woods.

[00:10:00 - 00:10:04] What's your friend doing all the time while we were talking?

[00:10:04 - 00:10:05] Huh?

[00:10:05 - 00:10:08] What's your friend doing all the time while we were talking?

[00:10:08 - 00:10:10] [Uncertain recognition] My friend.

[00:10:10 - 00:10:13] [Uncertain recognition] Yeah, your girlfriend. Bye-bye.

[00:10:13 - 00:10:15] I don't know what the fuck she's...

[00:10:15 - 00:10:24] As a matter of fact, she's rewarding my business plan because she's going to help me raise some cash.

[00:10:24 - 00:10:27] Oh, is she Heather from the hotel?

[00:10:30 - 00:10:38] I saw that chick, and, you know, there's something to be said about looks.

[00:10:38 - 00:10:40] Every man's got his own looks, you know.

[00:10:40 - 00:10:41] We've all got our own thing.

[00:10:42 - 00:10:43] And she's a smart chick.

[00:10:43 - 00:10:44] She's a motivated chick.

[00:10:44 - 00:10:50] But when she sent me a picture of her, I just want to see a picture of her.

[00:10:50 - 00:10:56] These chicks think about the chicks with a little bit of an emotional issue

[00:11:00 - 00:11:08] and my kids will be actually blocking the shit out of me actually seeing her.

[00:11:09 - 00:11:13] I say, listen, Heather, you know, I know we're getting along great.

[00:11:13 - 00:11:13] Great.

[00:11:13 - 00:11:15] We're making some headway on this.

[00:11:16 - 00:11:17] Frank Lane stuff.

[00:11:18 - 00:11:20] I said, but those kids got you fucking blocked.

[00:11:21 - 00:11:22] Why did you take a picture?

[00:11:22 - 00:11:24] Why did you send me a picture with your kids?

[00:11:24 - 00:11:27] I says, I don't have really a good look.

[00:11:27 - 00:11:28] She says, you know what my face looks like.

[00:11:30 - 00:11:30] Yeah.

[00:11:30 - 00:11:31] I said, so what?

[00:11:31 - 00:11:34] I said, you know, I'm a guy.

[00:11:34 - 00:11:36] I got to see what your body looks like, too.

[00:11:37 - 00:11:37] [Uncertain recognition] You know?

[00:11:37 - 00:11:39] Oh, is that what it's about?

[00:11:39 - 00:11:41] I said, well, like, yeah, that's what it's about.

[00:11:41 - 00:11:42] It's called physical attraction.

[00:11:43 - 00:11:46] I said, listen, I said, I like a meaty woman, you know?

[00:11:46 - 00:11:48] You guys might want to record this.

[00:11:49 - 00:11:51] That's not something you say to a woman.

[00:11:51 - 00:11:54] I like a chick that's reasonably well built.

[00:11:54 - 00:11:55] Is built like a woman.

[00:11:55 - 00:11:56] That's what you said to her?

[00:11:57 - 00:11:57] Fucking hell.

[00:11:57 - 00:11:59] And I don't like a chick with no tits.

[00:12:00 - 00:12:00] What the fuck, man?

[00:12:00 - 00:12:01] Call me crazy.

[00:12:01 - 00:12:02] What do you not say to a chick?

[00:12:02 - 00:12:03] Call me crazy.

[00:12:05 - 00:12:06] You're a lady, man?

[00:12:06 - 00:12:06] What the fuck?

[00:12:07 - 00:12:07] Wow.

[00:12:08 - 00:12:11] You're not saying, hey, I want a chick with big tits, baby.

[00:12:11 - 00:12:11] Sorry.

[00:12:11 - 00:12:12] You're out of the paycheck.

[00:12:12 - 00:12:13] No, no, no.

[00:12:13 - 00:12:14] Hey, listen.

[00:12:14 - 00:12:16] Listen, if it's a chick, I'm not even going to get in.

[00:12:16 - 00:12:19] Listen, I don't fuck chicks I'm not attracted to.

[00:12:19 - 00:12:20] Oh, you don't fuck chicks.

[00:12:20 - 00:12:21] So why would I?

[00:12:21 - 00:12:22] Yeah, but you don't try to hurt them.

[00:12:22 - 00:12:27] No, she's starting to get enamored with me.

[00:12:30 - 00:12:37] that gentleman I was very diplomatic I was very nice about it strategic you know but basically

[00:12:37 - 00:12:46] speaking I'm not going to be with a woman I don't want to speak hypothetically very good time great

[00:12:46 - 00:12:55] hey create there you go and you can create that trend create that trend in school

[00:13:00 - 00:13:02] Shut up! Let him speak, man.

[00:13:03 - 00:13:05] You're like the girl from office space.

[00:13:05 - 00:13:12] Tom, Tom, Tom, start a trend in your school of everybody using the term rat ass.

[00:13:12 - 00:13:13] I don't give a rat ass.

[00:13:15 - 00:13:20] I just knew that Heather and you would, you know, click.

[00:13:20 - 00:13:25] Once I heard a call where you explained to her the situation about someone spoofing through computers,

[00:13:26 - 00:13:28] I just knew there was going to be some magic between you.

[00:13:30 - 00:13:35] So long before I knew you guys were just using Skype, jeez, I thought somebody was spoofed.

[00:13:35 - 00:13:39] You can't spoof through servers, I do it, I've done it.

[00:13:39 - 00:13:40] Yeah.

[00:13:40 - 00:13:41] I don't do it.

[00:13:41 - 00:13:44] Wait, what is spoofing through servers?

[00:13:44 - 00:13:45] It's like bouncing.

[00:13:45 - 00:13:46] Typically, huh?

[00:13:46 - 00:13:47] It's like bouncing.

[00:13:47 - 00:13:48] It's like bouncing.

[00:13:48 - 00:13:49] [Uncertain recognition] It's like bouncing on IRC.

[00:13:49 - 00:13:53] Like you bounce so we don't show you our real IP.

[00:13:53 - 00:13:54] So that's why you need...

[00:13:54 - 00:13:56] And it takes longer to check you.

[00:13:56 - 00:13:59] Yeah, that's why you need a mini woman to bounce more.

[00:14:00 - 00:14:04] that's right that's right tom now you're getting a bit more bounce per ounce

[00:14:04 - 00:14:14] that you actually know that proverb yeah proverb i like that more bounce per ounce

[00:14:14 - 00:14:20] more cushion for the push so tell me about the hunter story what what was next what happened

[00:14:20 - 00:14:27] afterwards oh no no it's just she um

[00:14:30 - 00:14:37] Eventually she just left. She left the hotel. She left the motel. She just disappeared, basically.

[00:14:37 - 00:14:46] She didn't want anything else to do with it. Well, her boss's son was, I guess, a leech.

[00:14:46 - 00:14:53] And he came in and he took up three rooms with him and his friends, and they were partying like hell.

[00:00:00 - 00:00:14] She laid the law down. She turned a non-profitable place into a profitable place, and the owner kind of sided with the son to some degree, and she didn't like that, so she quit, and that was the last I ever heard of her.

[00:00:15 - 00:00:18] Oh yeah, because she worked at a hotel, right? I never called her.

[00:00:18 - 00:00:27] That was, she worked in, if you want to call her, because it was out in the middle of nowhere, in a small town, so, I mean, real small.

[00:00:29 - 00:00:29] [Uncertain recognition] Really?

[00:00:30 - 00:00:34] So, long story short, is, um...

[00:00:34 - 00:00:38] Now, why don't you just go ahead and give me a long story, instead of the short story.

[00:00:39 - 00:00:42] Yeah, I like long story short and short story long.

[00:00:43 - 00:00:44] [Uncertain recognition] Oh, I know.

[00:00:47 - 00:00:52] Okay, so, if you were on a train, where would you go?

[00:00:54 - 00:00:57] Ah, hmm, Badis, Paris.

[00:01:01 - 00:01:01] What about you?

[00:01:03 - 00:01:06] You know, I think if I was on a train.

[00:01:08 - 00:01:09] [Uncertain recognition] Yeah.

[00:01:12 - 00:01:14] Well, we've got the Silver Line out here.

[00:01:14 - 00:01:17] It was a real freaky, real freaky.

[00:01:18 - 00:01:19] I think I saw it on YouTube.

[00:01:19 - 00:01:21] It was a Silver Line accident.

[00:01:21 - 00:01:24] It happened a few years ago in a barge.

[00:01:24 - 00:01:28] Actually, the bridge that was crossing, and it was crossing the bridge.

[00:01:30 - 00:01:41] miles an hour. And actually, the first car hit the bridge, and it catapulted that first

[00:01:41 - 00:01:52] multi-megatons of train, the locomotive, 200 feet across the river, or something like that.

[00:02:00 - 00:02:05] because they kind of rectified, they really, you know, hundreds of thousands of people use that

[00:02:05 - 00:02:10] as kind of like the beginnings of their vacation.

[00:02:10 - 00:02:11] It's not like a regular train ride.

[00:02:12 - 00:02:12] [Uncertain recognition] Yeah.

[00:02:12 - 00:02:15] So you actually cross the country.

[00:02:15 - 00:02:19] It's a sightseeing kind of train and expensive.

[00:02:19 - 00:02:26] [Uncertain recognition] But I would probably take that and head across the country and see some of the country.

[00:02:27 - 00:02:28] Yeah, that's cool.

[00:02:30 - 00:02:40] Yeah. Technically speaking, though, I don't know if I'd do that, because when I take my vacation, I want to be able to smoke some herb whenever I want to smoke some herb.

[00:02:42 - 00:02:43] Yeah, so you come here.

[00:02:44 - 00:02:52] Yeah, so I'm going to go there, but actually I was thinking about a motorcycle trip across the country, too.

[00:02:53 - 00:02:56] Oh, right. You told me about that. Yeah, it's going to be pretty cool.

[00:02:58 - 00:02:59] You got a place to stay?

[00:03:00 - 00:03:09] Well, when you cross the country, you stay wherever you decide you want to stay.

[00:03:10 - 00:03:11] Yeah, of course, but yeah.

[00:03:12 - 00:03:14] Well, you know, Holland isn't really big, though.

[00:03:14 - 00:03:17] I mean, you'll probably be done in one day cruising the country.

[00:03:18 - 00:03:18] No offense.

[00:03:21 - 00:03:21] [Uncertain recognition] Really?

[00:03:22 - 00:03:23] Yeah, pretty much in three hours.

[00:03:25 - 00:03:27] It's smaller than England, for Christ's sake.

[00:03:27 - 00:03:28] And England is tiny.

[00:03:30 - 00:03:37] Well, there's got to be, there's got to be, you should be able to cruise around and see

[00:03:37 - 00:03:38] sight, I'm assuming.

[00:03:38 - 00:03:42] Yeah, of course, but if you want to go from north to south, it's going to take you like

[00:03:42 - 00:03:43] three hours.

[00:03:44 - 00:03:48] No, no, no, why wouldn't you, you wouldn't, it's just like when you're crossing the country

[00:03:48 - 00:03:53] here, you just don't jump on a motorcycle and screw and not get off the road and see

[00:03:53 - 00:03:53] the sight.

[00:03:53 - 00:03:59] Oh, of course, I know, but I'm just saying it's not a lot of, you know, miles to cross.

[00:04:00 - 00:04:01] Yeah, not a lot of road.

[00:04:02 - 00:04:02] Yeah.

[00:04:03 - 00:04:04] Exactly.

[00:04:06 - 00:04:07] Which team are you on, Tom?

[00:04:07 - 00:04:07] Oh, Red?

[00:04:09 - 00:04:12] They got the Harleys over there, right?

[00:04:14 - 00:04:16] Hell's Angels, is that what you mean?

[00:04:16 - 00:04:17] Do you mean the motor gang?

[00:04:18 - 00:04:20] No, just Harley Davidsons.

[00:04:20 - 00:04:23] Hell's Angels are all over the world, but...

[00:04:23 - 00:04:24] Yeah, yeah, yeah.

[00:04:24 - 00:04:26] I'm assuming they got Harleys I could rent over there.

[00:04:30 - 00:04:36] and stuff that's really well not not necessarily a lot of noise when they come out of the factory

[00:04:36 - 00:04:41] they don't make a hell of a lot of noise when the guys remove the baffles from the pipes and make

[00:04:41 - 00:04:46] them straight throughs that's when they make a hell of a lot of noise and most guys most bikers

[00:04:46 - 00:04:55] do that after they've come after they've had a close call with a shithead with a shithead in an

[00:05:00 - 00:05:02] the baffles and make their bikes loud

[00:05:02 - 00:05:04] so people know that they

[00:05:04 - 00:05:04] are around.

[00:05:06 - 00:05:08] I have a friend who lost

[00:05:08 - 00:05:10] his balls in a motorcycle accident.

[00:05:10 - 00:05:12] Oh, I'm sorry to hear that, man.

[00:05:14 - 00:05:14] What was his name?

[00:05:17 - 00:05:19] [Uncertain recognition] We just call him Ballless now.

[00:05:20 - 00:05:20] [Uncertain recognition] Okay.

[00:05:23 - 00:05:24] His name is Walter.

[00:05:30 - 00:05:32] What team are you on?

[00:05:32 - 00:05:34] I don't know

[00:05:34 - 00:05:36] [Uncertain recognition] I'm on blue

[00:05:38 - 00:05:40] [Uncertain recognition] I should be in the top 3

[00:05:42 - 00:05:44] Oh you are, yeah, red

[00:05:44 - 00:05:46] Red you are

[00:05:46 - 00:05:48] I'm on blue

[00:05:56 - 00:05:58] [Uncertain recognition] And petition

[00:06:00 - 00:06:08] [Uncertain recognition] It's late over there, guys. What time is it? Jack's five hours in front of me. You guys are three more hours.

[00:06:09 - 00:06:11] No, one hour more than Jack.

[00:06:13 - 00:06:15] Oh, one more hour. Yeah, that's right. Six hours.

[00:06:15 - 00:06:16] [Uncertain recognition] So it's 11.30.

[00:06:17 - 00:06:19] It's not that late, man.

[00:06:20 - 00:06:28] Yeah, so right now it's six hours, so it's 11. It's almost 11. It's almost 11. It's 6 hours, 11.30, you see?

[00:06:30 - 00:06:43] He just found your penis?

[00:06:43 - 00:06:45] Yes, I did.

[00:06:53 - 00:06:57] So what are you guys playing?

[00:07:00 - 00:07:01] [Uncertain recognition] on that

[00:07:01 - 00:07:02] [Uncertain recognition] team fortress two

[00:07:02 - 00:07:04] [Uncertain recognition] i think

[00:07:12 - 00:07:14] [Uncertain recognition] you get to play play with us on the shut up

[00:07:14 - 00:07:16] [Uncertain recognition] but that's not a game

[00:07:16 - 00:07:18] [Uncertain recognition] compared to the first

[00:07:18 - 00:07:20] [Uncertain recognition] what you did

[00:07:20 - 00:07:21] [Uncertain recognition] out to this big

[00:07:21 - 00:07:24] [Uncertain recognition] i think it's

[00:07:24 - 00:07:26] [Uncertain recognition] but it would be a big day

[00:07:30 - 00:07:45] Hey, hey, Tom, here's a gay joke for you, what's big and long and wiggles at the bottom

[00:07:45 - 00:07:47] of the ocean?

[00:07:49 - 00:07:50] On steroids.

[00:07:50 - 00:07:55] That's probably more funny than your original joke.

[00:07:55 - 00:07:57] Moby's dick.

[00:07:57 - 00:07:58] Wow.

[00:07:58 - 00:07:59] See?

[00:08:00 - 00:08:03] You guys never heard of Moby Dick, have you?

[00:08:03 - 00:08:04] Yes, we have.

[00:08:05 - 00:08:09] Well, Jack would have, because, I mean, England's always been a fishing community,

[00:08:09 - 00:08:14] and that's actually, I think, where the story of Moby Dick originated was, England.

[00:08:15 - 00:08:16] [Uncertain recognition] Yeah.

[00:08:16 - 00:08:20] I'm going to have, yeah, by, fuck, I forgot the name of the author now.

[00:08:21 - 00:08:21] Very famous author.

[00:08:22 - 00:08:25] Yeah, I don't remember who the author is, too, but...

[00:08:25 - 00:08:26] Dick.

[00:08:43 - 00:08:44] Look at this more, boy.

[00:08:45 - 00:08:46] Chips are your word for

[00:08:46 - 00:08:49] crisps in America.

[00:08:50 - 00:08:51] I don't like

[00:08:51 - 00:08:52] fish.

[00:08:53 - 00:08:54] I don't like chips with fish.

[00:08:57 - 00:08:59] How do you call it again?

[00:09:00 - 00:09:06] Oh, I hate vinegar, I just put ketchup on it.

[00:09:06 - 00:09:08] It's like the blue Pringles.

[00:09:23 - 00:09:25] No, you don't.

[00:09:25 - 00:09:27] Don't tell me what I do when I don't.

[00:14:42 - 00:14:44] Yeah, that's kind of disrespectful.

[00:14:45 - 00:14:48] No, he can do whatever the fuck he wants. That's not a problem.

[00:14:51 - 00:14:55] [Uncertain recognition] No, I don't know if he's shagging my ex. I wouldn't really give a fuck if he would.

[00:14:55 - 00:14:57] [Uncertain recognition] Just even seeing her is enough.

[00:00:00 - 00:00:07] Well, I'd like to find out a little bit about the weddings and what kind of, if there's any themes, that sort of thing.

[00:00:07 - 00:00:10] Okay. Well, we do have several kind of things.

[00:00:11 - 00:00:14] There's, you know, not just one or two. We have about 45 different packages.

[00:00:16 - 00:00:17] 45? Wow.

[00:00:17 - 00:00:21] Yeah. And we do Elvis ceremonies and we do special themed ceremonies.

[00:00:30 - 00:00:34] of the opera. There's a lot to choose from in that area. Have you visited our website

[00:00:34 - 00:00:40] before? No, in fact, I haven't. But, you know, well, let me ask you this. If I choose a theme,

[00:00:41 - 00:00:48] we'll say that I choose an Egyptian theme, right? Okay. People will be dressed in Egyptian

[00:00:48 - 00:00:53] garb. Well, we do provide the characters. Like, we do have these slave boys that will

[00:01:00 - 00:01:02] Now, where did you get my bride from?

[00:01:04 - 00:01:08] Well, in the same packages comes a limo.

[00:01:08 - 00:01:12] So a limo will pick you guys up from any hotel that's on the strip or downtown area,

[00:01:12 - 00:01:14] but we can get here and take you back.

[00:01:15 - 00:01:16] Okay.

[00:01:16 - 00:01:19] Well, pick me up in a strip.

[00:01:19 - 00:01:20] Did you say a stripper?

[00:01:20 - 00:01:22] Pick me up in a stripper?

[00:01:23 - 00:01:23] No.

[00:01:24 - 00:01:25] Oh, what did you say?

[00:01:25 - 00:01:26] We pick you up from any hotels on the strip.

[00:01:27 - 00:01:28] Oh, on the strip.

[00:01:28 - 00:01:29] I get it.

[00:01:30 - 00:01:37] Yeah. Okay. How much do the packages run?

[00:01:37 - 00:01:43] They can run from $199 to $1,200. Like I said, there's a lot to choose from. You might want to look at them on our website.

[00:01:43 - 00:01:48] Okay. So we do the $1,200. We, you know, splurge.

[00:01:48 - 00:01:56] Okay. If I throw in an extra grand, can you also provide the bride?

[00:01:56 - 00:01:58] No.

[00:02:00 - 00:02:07] I don't seem like a real good service, I don't have a bride, I'm not engaged, I mean, why don't you have an engagement ceremony too?

[00:02:08 - 00:02:13] I'd do that, I'd spend an extra $1,500 for an engagement ceremony and a bride.

[00:02:14 - 00:02:15] Cheer her up.

[00:02:15 - 00:02:15] That's what I think about.

[00:02:18 - 00:02:19] Cheer her up, man.

[00:02:20 - 00:02:20] Oh, she did?

[00:02:21 - 00:02:21] [Uncertain recognition] Yeah.

[00:02:22 - 00:02:24] Oh, amazing, Chris, we need to do some more.

[00:01:58 - 00:01:58] Chris, you should go vegan.

[00:02:00 - 00:02:01] That's what Tom is.

[00:02:01 - 00:02:02] Right, of course.

[00:02:05 - 00:02:06] It's also going to make sense now.

[00:02:08 - 00:02:15] But isn't it funny how a male that's chicken is also called a pussy?

[00:02:16 - 00:02:17] I thought so.

[00:02:18 - 00:02:19] Who invented this shit?

[00:02:20 - 00:02:20] Isn't it pretty funny?

[00:02:21 - 00:02:22] Now, you can eat pussy.

[00:02:22 - 00:02:25] The vegan, hey, hey, Stumblebee, you can eat pussy, right?

[00:09:03 - 00:09:05] He came up here with a punk friend.

[00:09:07 - 00:09:07] [Uncertain recognition] Mm-hmm.

[00:09:13 - 00:09:13] [Uncertain recognition] And then what?

[00:09:16 - 00:09:17] And then what?

[00:09:17 - 00:09:21] Oh, what'd you say? What'd you say there? What's your name again? Snapboy?

[00:09:22 - 00:09:23] Stumblebee.

[00:09:23 - 00:09:25] Oh, Stumblebee. What'd you say there, Stumblebee?

[00:09:26 - 00:09:27] I said, why are you so angry?

[00:09:30 - 00:09:35] I'm angry, dude. They've seen me angry. If you saw me angry, you'd be sitting right. Let's get the fuck out of here.

[00:09:36 - 00:09:39] I don't want you to be angry. I want you to be happy.

[00:09:40 - 00:09:42] Yeah, well, give me a bag of cash and I'll be happy.

[00:09:44 - 00:09:45] Wow, you're so shallow.

[00:09:45 - 00:09:56] Bag of cash. Shallow? Yes, of course I am. Shallow. I need to get this business up and running so I can get over there and get a data shop going.

[00:10:00 - 00:10:01] I can employ you guys.

[00:10:01 - 00:10:02] I need a job.

[00:10:02 - 00:10:03] Will you hire me?

[00:10:04 - 00:10:04] Sure.

[00:10:05 - 00:10:09] Send your resume to service at datboys.com.

[00:10:09 - 00:10:12] Then he has your address, and then he's going to come to your desk.

[00:10:12 - 00:10:13] Oh, come on.

[00:10:13 - 00:10:14] Don't get him scared.

[00:10:14 - 00:10:15] Don't get him paranoid.

[00:10:15 - 00:10:17] I'm looking for good people.

[00:10:17 - 00:10:18] What, you got some IT skills?

[00:10:19 - 00:10:21] A little bit.

[00:10:21 - 00:10:22] I've got a college degree.

[00:10:23 - 00:10:24] Oh, you got a college degree?

[00:10:25 - 00:10:26] Uh-huh.

[00:10:26 - 00:10:28] Well, in what field?

[00:10:30 - 00:10:36] in, right? Yeah. It sucks. See, we all go to school for fucking something. We never use

[00:10:36 - 00:10:41] our degrees for what we get trained in. Well, I falsify my degrees, actually. And I always,

[00:10:42 - 00:10:49] people always fall for it. So, you don't need to go. You're kidding. Yeah. Well, eventually

[00:10:49 - 00:10:55] somebody's not going to fall for it. Well, if you do, I'm just. I'm studying to be an

[00:10:55 - 00:10:59] application programmer and I won't use my degree. I already know. Yes, Tom, I already

[00:11:00 - 00:11:04] I already know all about you, I already know what school you go to, and I know what your grades are.

[00:11:04 - 00:11:06] Right, and that's bullshit.

[00:11:06 - 00:11:09] You just know what his grades are, because he told you.

[00:11:09 - 00:11:11] I never told him what my grades were.

[00:11:11 - 00:11:14] No, how many points or something you needed.

[00:11:14 - 00:11:15] Yeah, only...

[00:11:15 - 00:11:18] No, hey, those aren't grades, those are credits.

[00:11:18 - 00:11:19] Credits, yeah.

[00:11:19 - 00:11:20] Right, so...

[00:11:20 - 00:11:21] What school does he go to?

[00:11:21 - 00:11:26] You don't even know what fucking classes I take, I don't even know what classes I take.

[00:11:26 - 00:11:28] You're kidding!

[00:11:30 - 00:11:32] Yeah, I know you are.

[00:11:32 - 00:11:34] Yeah, what, uh...

[00:11:34 - 00:11:36] What school does he go to? Because I don't know.

[00:11:36 - 00:11:40] Oh, geez, he goes to the, um...

[00:11:42 - 00:11:44] Oh, I'll tell you in a minute.

[00:11:44 - 00:11:46] Well, first off, hold on.

[00:11:46 - 00:11:48] I'll tell you, let me call you back, um...

[00:11:48 - 00:11:52] Way to fuck up the Uber charts again, you faggot!

[00:11:52 - 00:11:54] Huh?

[00:11:54 - 00:11:59] He's talking to someone in-game that fucks up my Uber chart for the second time by doing the same shitty thing.

[00:12:00 - 00:12:02] Run up to him, slap him in the head.

[00:12:02 - 00:12:03] No, I wish I could.

[00:12:03 - 00:12:05] So which school does it go to?

[00:12:05 - 00:12:06] Yeah.

[00:12:06 - 00:12:08] It goes to...

[00:12:08 - 00:12:10] It starts with, I believe, an R.

[00:12:13 - 00:12:13] [Uncertain recognition] No.

[00:12:16 - 00:12:18] Okay, it doesn't start with an R.

[00:12:18 - 00:12:20] It's just like that...

[00:12:20 - 00:12:21] What is it?

[00:12:23 - 00:12:23] Huh?

[00:12:23 - 00:12:24] It's that game.

[00:12:25 - 00:12:28] No, it's that psychic, you know, on the RTL.

[00:12:28 - 00:12:29] Oh, the psychic.

[00:12:30 - 00:12:32] She always, like, tries to talk with other people, and then she's like,

[00:12:32 - 00:12:34] Oh, your name's not for the team.

[00:12:34 - 00:12:36] It's not the first thing I'd remember off the top of my head.

[00:12:38 - 00:12:42] Oh, you told us that you know where he lives and shit, so why don't you tell us?

[00:12:42 - 00:12:43] [Uncertain recognition] You also know my grades, right?

[00:12:44 - 00:12:45] Enlighten us, my friend.

[00:12:46 - 00:12:47] What are my grades, man?

[00:12:47 - 00:12:48] Okay.

[00:12:48 - 00:12:50] You don't even know where we are.

[00:12:50 - 00:12:50] Here we go.

[00:12:51 - 00:12:52] Would you wait a minute?

[00:12:52 - 00:12:53] Yes, I do.

[00:12:53 - 00:12:54] [Uncertain recognition] No, you don't.

[00:12:55 - 00:12:55] [Uncertain recognition] Yes, I do.

[00:12:56 - 00:12:57] Okay, tell us.

[00:13:00 - 00:13:05] you because then you'd really know that i knew right if i just tell you that i know that i know

[00:13:05 - 00:13:10] then you think i'm bullshitting if i told you that if i yeah sure that's what all people say

[00:13:10 - 00:13:16] if they don't really know it they try to do some reverse psychology you know it doesn't really work

[00:13:16 - 00:13:24] really well listen if you go to your window right now okay if you can see out your window yeah

[00:13:30 - 00:13:32] It's about three-quarters of the way up the street

[00:13:33 - 00:13:37] Okay, I see a white car over there. I see a white car. Oh

[00:13:38 - 00:13:42] You should have said you I see someone inside talking on the phone

[00:13:43 - 00:13:45] Wow, and he has an American

[00:13:46 - 00:13:48] Fuck

[00:13:49 - 00:13:53] What the fuck he has an American business number Wow

[00:13:56 - 00:13:58] It's amazing

[00:14:00 - 00:14:04] Oh, that's pretty creepy.

[00:14:10 - 00:14:12] Let's have a look at that score, shall we?

[00:14:16 - 00:14:17] Ah, I'm second.

[00:14:20 - 00:14:24] I'm way behind because I couldn't take the class I wanted to be.

[00:14:24 - 00:14:25] Hey, Stumblebee, you still there?

[00:14:27 - 00:14:28] Yeah, I'm here.

[00:14:30 - 00:14:32] wasn't so, excuse me, 666J1

[00:14:32 - 00:14:34] wasn't so concerned about

[00:14:34 - 00:14:35] the white car up the street.

[00:14:36 - 00:14:38] Because white is the

[00:14:38 - 00:14:39] most common color of cars?

[00:14:39 - 00:14:41] No, because you can't see out the window.

[00:14:41 - 00:14:43] He doesn't have windows. Yes, he does.

[00:14:43 - 00:14:44] He's in jail.

[00:14:45 - 00:14:47] And even people in jail have windows.

[00:14:49 - 00:14:50] Well, they don't.

[00:14:50 - 00:14:51] They've got bars.

[00:14:51 - 00:14:52] That's still in a window.

[00:00:00 - 00:00:02] Well, the jails I've been in, you're not allowed to look out the windows.

[00:00:03 - 00:00:04] I do have a window, though, Chris.

[00:00:04 - 00:00:06] That's a psychiatric ward, though, Chris.

[00:00:07 - 00:00:09] Tom should know, because you've been there a couple of times.

[00:00:12 - 00:00:13] I do have a window.

[00:00:15 - 00:00:16] [Uncertain recognition] Hold on.

[00:01:00 - 00:01:02] so you've got plenty more place to put stuff.

[00:01:03 - 00:01:07] What I'm interested in is what Tom's school is, you know?

[00:01:07 - 00:01:08] I was really interested in that.

[00:01:09 - 00:01:10] But you disappoint me once more.

[00:01:12 - 00:01:12] What is the school?

[00:01:13 - 00:01:14] You always disappoint us.

[00:01:16 - 00:01:16] Do you know my school?

[00:01:17 - 00:01:21] No, I'm telling you, I got it someplace here.

[00:01:21 - 00:01:23] I'm just digging it up.

[00:01:23 - 00:01:24] Do you got my school?

[00:01:24 - 00:01:25] Where's my uni then?

[00:01:25 - 00:01:26] Hold on, hold on.

[00:01:28 - 00:01:29] No, no, no.

[00:01:30 - 00:01:31] What uni do I go to?

[00:01:31 - 00:01:32] Yep.

[00:01:32 - 00:01:33] Take one letter.

[00:01:33 - 00:01:36] Let them search for the info, man.

[00:01:36 - 00:01:39] What uni do I go to?

[00:01:39 - 00:01:42] Yeah, do a search on bookmarts.

[00:01:42 - 00:01:45] [Uncertain recognition] What?

[00:01:45 - 00:01:48] I think you need a Google search on your name.

[00:01:48 - 00:01:49] Tom.

[00:01:49 - 00:01:52] He searched for Tom on Google.

[00:01:52 - 00:01:54] I bet he did.

[00:01:54 - 00:01:55] [Uncertain recognition] What the fuck?

[00:01:55 - 00:01:56] Browser freeze?

[00:01:56 - 00:01:57] What?

[00:01:57 - 00:01:59] Two billion results on the name Tom?

[00:02:00 - 00:02:02] What? It makes no sense

[00:02:05 - 00:02:07] Tom Holland

[00:02:07 - 00:02:09] Tom Holland?

[00:02:09 - 00:02:11] I might have checked your email

[00:02:11 - 00:02:13] No, he can't

[00:02:17 - 00:02:19] I know he checked my email

[00:02:19 - 00:02:21] And he found a picture of my cat

[00:02:24 - 00:02:27] Okay, up here, yeah

[00:02:27 - 00:02:29] Yeah, that's good

[00:02:30 - 00:02:40] So, it appears you go to the University of... Europe.

[00:02:40 - 00:02:44] [Uncertain recognition] Wow, are you on the crash again?

[00:02:44 - 00:02:46] University of Europe?

[00:02:46 - 00:02:47] Yep.

[00:02:47 - 00:02:48] Hold on.

[00:02:48 - 00:02:50] What the hell did I do with that?

[00:02:50 - 00:02:52] Well, you know, that's a pretty straightforward answer.

[00:02:52 - 00:02:58] Yeah, I think he said University of and then hesitated because he was waiting for you to confirm that,

[00:03:00 - 00:03:06] Yeah, and then like Europe, because he knows we live in Europe, he could have also said University of Holland, or something.

[00:03:07 - 00:03:10] Yes, I could have. I'll find it in a minute.

[00:03:10 - 00:03:12] I already said uni before, so that's bullshit.

[00:03:14 - 00:03:20] Hold on, will ya? I'm trying to find your name, I gotta bookmark someplace, I gotta...

[00:03:20 - 00:03:24] I got so much crap, man, it's amazing, I don't know how the hell I find some shit somewhere.

[00:03:24 - 00:03:26] It's impossible for you to track my school, Chris.

[00:03:30 - 00:03:31] It's just impossible, man.

[00:03:32 - 00:03:33] Why is it impossible?

[00:03:33 - 00:03:37] Because you do not have the resources to do it, nor the elites to do it.

[00:03:38 - 00:03:40] He's been doing this for 16 years, okay?

[00:03:40 - 00:03:43] He's still at work. He manipulates data.

[00:03:43 - 00:03:43] All right.

[00:03:43 - 00:03:46] It's really like a package apart.

[00:03:47 - 00:03:48] He tears the package apart, man.

[00:03:48 - 00:03:49] No, Chris.

[00:03:49 - 00:03:50] It's stage, man.

[00:03:51 - 00:03:52] It's pretty sad, actually.

[00:03:55 - 00:03:58] I could probably figure out where your school is, Tom.

[00:03:59 - 00:03:59] No, you won't.

[00:04:00 - 00:04:04] Ah, probably, because I have your email, I know your phone number, I know your last name.

[00:04:05 - 00:04:06] Oh yeah, you could find it.

[00:04:06 - 00:04:07] And still, you can't find it.

[00:04:08 - 00:04:08] Probably, I can.

[00:04:08 - 00:04:12] I already searched for myself to try and find out everything.

[00:04:13 - 00:04:14] How much you want to make a bet?

[00:04:15 - 00:04:16] Oh, I want to make a bet.

[00:04:16 - 00:04:16] Sure.

[00:04:17 - 00:04:17] Yeah.

[00:04:18 - 00:04:21] That you find me on your own strength.

[00:04:23 - 00:04:23] I will, hold on.

[00:04:25 - 00:04:26] No, you won't, Chris.

[00:04:26 - 00:04:27] Just give it up, you know.

[00:04:28 - 00:04:28] Impossible, Chris.

[00:04:30 - 00:04:33] I'm on a train.

[00:04:34 - 00:04:35] I'm headed south.

[00:04:35 - 00:04:35] Come on.

[00:04:36 - 00:04:36] Headed south.

[00:04:40 - 00:04:42] You gotta see the new one, though.

[00:04:42 - 00:04:43] [Uncertain recognition] The new one's really good.

[00:04:45 - 00:04:46] I'm ready to go in on iTunes.

[00:04:46 - 00:04:47] Hey, Holtz, you want a diggering go?

[00:04:47 - 00:04:47] [Uncertain recognition] Hey.

[00:04:47 - 00:04:48] I can't find it.

[00:04:50 - 00:04:51] What sort of bitch?

[00:04:51 - 00:04:53] It's gone all of a sudden?

[00:04:54 - 00:04:55] Hell, wow, that's a clean judge.

[00:04:56 - 00:04:57] Give me a hint.

[00:04:57 - 00:04:59] What did your school start with?

[00:05:00 - 00:05:01] Give me a hint.

[00:05:02 - 00:05:02] The sale.

[00:05:02 - 00:05:03] A hint, not a hint.

[00:05:04 - 00:05:04] A hint.

[00:05:05 - 00:05:06] Give me a hint.

[00:05:07 - 00:05:09] Yeah, see, where did the bookmark go, Chris?

[00:05:11 - 00:05:13] I got it someplace, like right here.

[00:05:17 - 00:05:19] You are so sad that you know where I got.

[00:05:19 - 00:05:20] Oh, hey.

[00:05:24 - 00:05:29] Tom, I should be there reasonably soon because I'm on the train.

[00:05:30 - 00:05:34] Yeah, now he's trying to make jokes to cover up the fact that he's full of shit.

[00:05:34 - 00:05:36] He probably doesn't know where I go to school, though.

[00:05:37 - 00:05:37] I think he's saying.

[00:05:37 - 00:05:41] Because I think he's on my personal page of my school.

[00:05:41 - 00:05:42] That's right.

[00:05:42 - 00:05:43] Yeah.

[00:05:43 - 00:05:45] You were findable.

[00:05:46 - 00:05:47] You were very findable.

[00:05:47 - 00:05:49] But then again, I spent a lot of hours trying to find you.

[00:05:50 - 00:05:51] I mean, everybody's findable.

[00:05:51 - 00:05:52] You spent hours to find him?

[00:05:52 - 00:05:54] I could just take my bike and find him.

[00:05:56 - 00:05:56] No, no, no.

[00:05:56 - 00:05:58] No, I said before I knew him.

[00:05:59 - 00:05:59] No.

[00:06:00 - 00:06:04] I told her about some email address and some web development site

[00:06:04 - 00:06:11] that she didn't think was known by me.

[00:06:12 - 00:06:14] It wasn't because I gave you the link.

[00:06:15 - 00:06:17] No, you didn't give me a link.

[00:06:17 - 00:06:17] Yeah, I did.

[00:06:20 - 00:06:21] The website I made.

[00:06:24 - 00:06:25] No, you didn't give me a link.

[00:06:25 - 00:06:27] Do you know where I live then, Chris?

[00:06:28 - 00:06:29] I'll tell you in a minute.

[00:06:29 - 00:06:29] [Uncertain recognition] Okay.

[00:06:30 - 00:06:35] No, not you. I'm going to tell Tom who's going to school first, and then I've got to make a phone call.

[00:06:35 - 00:06:36] I've got to get some stuff done.

[00:06:36 - 00:06:39] Go ahead and tell me where I go to school. That's pretty fucking amazing.

[00:06:40 - 00:06:45] If you do that, you're probably just Googling everything with university.

[00:06:46 - 00:06:51] I know how that works, Chris.

[00:06:51 - 00:06:52] University sounds thought of so.

[00:06:53 - 00:06:57] Tom, if I find you, if I tell you what school you're going to,

[00:07:00 - 00:07:02] You are going to pay for the first night out

[00:07:02 - 00:07:05] Bullshit

[00:07:05 - 00:07:08] Oh, you can't handle it

[00:07:08 - 00:07:10] So you know I'm going to locate you

[00:07:10 - 00:07:13] I'll pay for every night out

[00:07:13 - 00:07:16] Do you pay for every night out?

[00:07:16 - 00:07:18] I'll pay for every night out if you find out

[00:07:18 - 00:07:20] Now you're lying

[00:07:20 - 00:07:22] No, I'm not

[00:07:22 - 00:07:24] Okay, fine, I'll pay for the first three nights out

[00:07:24 - 00:07:26] Okay, that's fair

[00:07:26 - 00:07:27] I'll believe that

[00:07:30 - 00:07:34] And if you know where I live, I'm going to pay for all the beer.

[00:07:36 - 00:07:37] Does that sound reasonable?

[00:07:38 - 00:07:41] Well, yeah, I'm not going to drink a lot of beer.

[00:07:41 - 00:07:43] All right, whatever you want to drink.

[00:07:43 - 00:07:45] If you drink your little lemonade shit.

[00:07:46 - 00:07:47] I'm awesome, Samuel Adams.

[00:07:47 - 00:07:48] All right, I'll pay for the weekend.

[00:07:48 - 00:07:50] It's not that expensive anyway.

[00:07:50 - 00:07:51] Yep, you're right.

[00:07:52 - 00:07:53] Deal?

[00:07:55 - 00:07:56] Do we have a deal, Chris?

[00:07:57 - 00:07:58] Yeah, we got a deal.

[00:07:58 - 00:07:58] Okay.

[00:08:00 - 00:08:05] there we go push the little cart for fucks sakes there's nobody here

[00:08:05 - 00:08:09] i'm already pushing no i'm not i'm not pushing i'm stalling them

[00:08:16 - 00:08:17] i'm keeping them away jesus

[00:08:22 - 00:08:24] punch the keys for god's sake

[00:08:30 - 00:08:31] for that business

[00:08:31 - 00:08:39] wow they had some really bad defense right there i kept them stalled with only a demo man

[00:08:39 - 00:08:42] see see

[00:08:42 - 00:08:46] uh...

[00:08:46 - 00:08:50] okay

[00:08:50 - 00:08:52] so uh... let me see

[00:08:52 - 00:08:57] uh... hold on hold on would you would you be going to

[00:09:00 - 00:09:03] You can go into a college

[00:09:03 - 00:09:06] I gave you a clue

[00:09:06 - 00:09:08] And it doesn't start with an R

[00:09:08 - 00:09:09] How easy can that be?

[00:09:10 - 00:09:11] Oh, you said uni

[00:09:11 - 00:09:13] That was the clue

[00:09:13 - 00:09:15] No, I also said

[00:09:15 - 00:09:16] You don't go to

[00:09:16 - 00:09:19] You don't go to Reggio College in the Netherlands?

[00:09:20 - 00:09:21] Reggio, no

[00:09:21 - 00:09:25] Google is probably going to disconnect pretty soon

[00:09:25 - 00:09:27] Yeah, it probably is

[00:09:30 - 00:09:38] go there. I don't go there. Damn. You sure? You sure? It looks like you, man. It looks

[00:09:38 - 00:09:43] like your picture. Right. It looks like my picture. Right. Bullshit. You just found

[00:09:43 - 00:09:49] it. You're on Google Maps and you're trying to find the closest call is. No, Tom, send

[00:09:49 - 00:09:58] me a picture of you and let me match it up here. This guy. You never seen the picture

[00:10:00 - 00:10:30] *[Unreliable audio transcription: Repetitive decoder output; speech could not be reliably recognized.]*

[00:10:30 - 00:10:30] Regio?

[00:10:30 - 00:10:31] Regio, yeah.

[00:10:32 - 00:10:33] Yeah, Regio.

[00:10:33 - 00:10:34] Si, si.

[00:10:36 - 00:10:38] See, I can mimic sound because I sing.

[00:10:38 - 00:10:39] Regio.

[00:10:40 - 00:10:40] Regio.

[00:10:42 - 00:10:42] Regio.

[00:10:42 - 00:10:45] You could actually say a sentence,

[00:10:45 - 00:10:47] and if I heard it like three or four times,

[00:10:48 - 00:10:49] I can repeat it perfectly.

[00:10:49 - 00:10:51] Oh, yeah, three or four times?

[00:10:51 - 00:10:54] That's not my school, so what the fuck are you talking about, bitch?

[00:10:54 - 00:10:56] Where's the Regio school?

[00:10:57 - 00:10:58] Yeah, the hint was uni.

[00:11:00 - 00:11:02] Where's Regio School?

[00:11:30 - 00:11:33] And he's got, he's got this, it's, it's pointing you out, Tom.

[00:11:33 - 00:11:35] But he never sent you a picture, did he?

[00:11:35 - 00:11:37] No, you don't even know how it'll look, bitch.

[00:11:38 - 00:11:43] Yeah, you got long, dark hair, and this is you, I know it's you, because he's got a picture.

[00:11:43 - 00:11:45] Long, dark hair? No, he doesn't.

[00:11:45 - 00:11:48] It's got superimposed word over your head, it says, asshole.

[00:11:51 - 00:11:52] He doesn't have long, dark hair, though.

[00:11:53 - 00:11:53] No.

[00:11:54 - 00:11:55] Just kidding, Tom, you know I love you.

[00:11:55 - 00:11:59] No, still, you can't find me, and you gotta admit that fact.

[00:12:00 - 00:12:06] I can find, I can find turtles on the board.

[00:12:07 - 00:12:08] He's got a wild-eyed marine.

[00:12:11 - 00:12:13] Yeah, but Tom doesn't have long, dark hair.

[00:12:14 - 00:12:14] Seriously.

[00:12:15 - 00:12:16] Yeah, I know.

[00:12:16 - 00:12:16] He's bald.

[00:12:17 - 00:12:18] He's shaped head.

[00:12:19 - 00:12:21] Then how, why do you say he has long, dark hair?

[00:12:21 - 00:12:22] Because he likes that.

[00:12:22 - 00:12:25] Well, it's because I was just, I was just kidding.

[00:12:25 - 00:12:25] [Uncertain recognition] I was just kidding around.

[00:12:26 - 00:12:26] [Uncertain recognition] Right.

[00:12:27 - 00:12:27] [Uncertain recognition] Yeah.

[00:12:28 - 00:12:28] [Uncertain recognition] Right.

[00:12:30 - 00:12:32] even on his head

[00:12:32 - 00:12:33] yeah

[00:12:33 - 00:12:38] so

[00:12:38 - 00:12:41] but Tom's shaved

[00:12:41 - 00:12:42] right Tom? even your head

[00:12:42 - 00:12:44] I'm not shaved

[00:12:44 - 00:12:47] [Uncertain recognition] oh

[00:12:47 - 00:12:49] because I said yeah

[00:12:49 - 00:12:50] he probably thinks that you're bald now

[00:12:50 - 00:12:53] sometimes when you're bald

[00:12:53 - 00:12:55] he's trying to social engineers

[00:12:55 - 00:12:57] yeah he's trying to social engineers

[00:12:57 - 00:12:58] but that doesn't work

[00:13:00 - 00:13:02] It's like a cold reader, you know.

[00:13:04 - 00:13:05] Yeah, I already said that.

[00:13:09 - 00:13:10] Let's give it up, Chris.

[00:13:10 - 00:13:11] You know, stop the lies.

[00:13:11 - 00:13:14] Let's go to, uh, let me see another little...

[00:13:14 - 00:13:16] You can try all the schools and you'll still...

[00:13:16 - 00:13:19] Oh, he probably knows where I go to school, though.

[00:13:19 - 00:13:19] Don't you?

[00:13:20 - 00:13:22] Well, you had mentioned it.

[00:13:22 - 00:13:24] I wrote it down someplace when I was scribbling notes,

[00:13:25 - 00:13:27] but I don't get so many notes from it and I can't find shit now.

[00:13:29 - 00:13:29] [Uncertain recognition] Oh.

[00:13:30 - 00:13:30] Maybe you should start.

[00:13:30 - 00:13:32] Okay, yeah, you're in the U.K., Tom.

[00:13:33 - 00:13:34] You're not in the Netherlands.

[00:13:34 - 00:13:35] You're in the U.K.

[00:13:35 - 00:13:37] Yeah, Tom, you're in the U.K., man.

[00:13:37 - 00:13:37] Oh, yeah, I'm in the U.K.

[00:13:40 - 00:13:43] Because Google said they lived in Tom in the U.K.

[00:13:44 - 00:13:45] Tom in the U.K.

[00:13:48 - 00:13:50] You go to the university at 20.

[00:13:51 - 00:13:51] Yeah, Tom.

[00:13:51 - 00:13:55] I almost, seriously, I almost said my last name.

[00:13:55 - 00:13:55] Wow.

[00:13:56 - 00:13:56] Wow.

[00:13:57 - 00:13:58] Yeah, I almost failed right there.

[00:13:58 - 00:13:59] Don't say that, yeah.

[00:14:00 - 00:14:02] I'm also playing Tf2.

[00:14:02 - 00:14:04] No, Tom is in Dutch, my friend.

[00:14:04 - 00:14:09] Oh, that's K-L. K-L is your last name. K-L-O.

[00:14:09 - 00:14:16] Wow. Don't say that again, Tom, because it's getting creepy now.

[00:00:30 - 00:00:32] If you're spoofing, you can still find my school.

[00:00:33 - 00:00:35] Yeah, I mean, you're a spoof master, man.

[00:00:35 - 00:00:38] If you can find my school, you can find my address.

[00:00:38 - 00:00:42] You are the developer that I've always dreamed of.

[00:00:43 - 00:00:45] I knew it from the start.

[00:04:37 - 00:04:41] I'm gonna look for that school right now.

[00:04:41 - 00:04:48] I never get any food and it wasn't a picture and otherwise you would have sent the picture anyway.

[00:04:48 - 00:04:49] But he didn't.

[00:04:49 - 00:04:51] That's in Germany.

[00:06:07 - 00:06:12] I run it in a primary petition.

[00:06:24 - 00:06:24] Okay.

[00:06:30 - 00:06:32] To say it with Stumblebee on the line.

[00:06:32 - 00:06:34] Oh, yeah. What school do I go to?

[00:06:35 - 00:06:38] That's fine. We trust Stumblebee. He's a good man.

[00:06:38 - 00:06:39] What school do I go to?

[00:06:42 - 00:06:44] Why could you just admit the fact that you're a little girl?

[00:06:44 - 00:06:46] First, your real name is Chris.

[00:06:46 - 00:06:48] First, your real name is Chris.

[00:06:49 - 00:06:54] And you go to, well, you've got a relative down in Australia.

[00:06:55 - 00:06:55] That's true.

[00:06:57 - 00:06:57] That is true.

[00:07:00 - 00:07:06] You think that you go to, okay, I didn't want to say this, okay?

[00:07:07 - 00:07:07] Just say it, man.

[00:07:07 - 00:07:08] Peter.

[00:07:09 - 00:07:12] You're trying every name in the fucking world here.

[00:07:13 - 00:07:17] I didn't want to say this, Peter, but...

[00:07:17 - 00:07:18] Oh, that is true, I'm afraid.

[00:07:19 - 00:07:19] Tell him he got you.

[00:07:20 - 00:07:22] Yeah, he got my eighth name.

[00:07:24 - 00:07:27] I mean, you can lie now, but he did catch your name.

[00:07:27 - 00:07:29] You direct, you direct, you direct.

[00:07:30 - 00:07:38] correct. I'm also black. U-T-R-E-C-H-T. Peter. Yeah. His name is Peter. It's in Dutch. It's

[00:07:38 - 00:07:45] Peter in English. Peter. But we just call him Tom. Tom the Fang. Yeah, I know. But

[00:07:45 - 00:07:55] he goes to U-T-R-E-C-H-T. Yeah, but why did you give it a fake school then? I don't know.

[00:08:00 - 00:08:01] Tom, I mean, it's fine.

[00:08:01 - 00:08:04] You go to a university that's free of charge, Tom.

[00:08:05 - 00:08:08] Yeah, you're not very rich, Tom, so, you know.

[00:08:09 - 00:08:09] Free of charge.

[00:08:10 - 00:08:13] Well, if that existed, I'd do that, because I'm personally...

[00:08:13 - 00:08:14] You go to the university of Leiden.

[00:08:15 - 00:08:18] Personally, I have a really big loan, and I got a student grant.

[00:08:22 - 00:08:23] Mm-hmm, that's okay, Tom.

[00:08:23 - 00:08:23] Okay, whatever.

[00:08:23 - 00:08:24] Now you're in debt.

[00:08:24 - 00:08:25] Are you happy?

[00:08:30 - 00:08:34] Amsterdam. Did you know you could have

[00:08:34 - 00:08:37] gone to the Free University of Amsterdam? I know, and I'm going to do that

[00:08:37 - 00:08:41] later on. There is, Free University of Amsterdam.

[00:00:00 - 00:00:04] Now, this is stuff I've known about since the last time I Googled.

[00:00:05 - 00:00:05] Okay?

[00:00:05 - 00:00:06] That's pretty cool.

[00:00:06 - 00:00:07] I didn't know this existed.

[00:00:09 - 00:00:12] Okay, so you're going to the University of Rotterdam?

[00:00:13 - 00:00:13] Why is this?

[00:00:13 - 00:00:14] Why are you guessing?

[00:00:14 - 00:00:15] How far do you...

[00:00:15 - 00:00:16] Let me ask you this.

[00:00:16 - 00:00:17] Okay, give me a clue.

[00:00:17 - 00:00:19] How far do you have to travel to go to school?

[00:00:20 - 00:00:21] Why do I have to give you a clue?

[00:00:21 - 00:00:23] Why do you have to give you a clue if you're already new?

[00:00:23 - 00:00:24] Where do you go to school?

[00:00:24 - 00:00:25] That's what you said.

[00:00:25 - 00:00:27] Because I just want to make sure that I'm right.

[00:00:27 - 00:00:29] Why don't you just admit that you're always lying?

[00:00:29 - 00:00:29] Yeah, why the fuck?

[00:00:30 - 00:00:36] I'm not worrying even if you're cornered like really badly. I'm gilding the lily. It's called gilding the lily.

[00:00:37 - 00:00:42] It's called being a liar. Why don't you come over here and go to the university? Why don't you go to MIT over here?

[00:00:43 - 00:00:46] Oh, whoa, whoa, whoa. Why is MIT lying?

[00:00:46 - 00:00:49] Hey, I'll tell you what. Why don't you be a foreign exchange student? I'll put you up.

[00:00:49 - 00:00:50] Why are you lying?

[00:00:52 - 00:00:52] I'll put you up.

[00:00:53 - 00:00:54] Why do you keep on lying?

[00:01:00 - 00:01:02] Hey, how do you pronounce this?

[00:01:02 - 00:01:04] N-A-R-I-G-I-N

[00:01:04 - 00:01:05] [Uncertain recognition] Why are you lying?

[00:01:06 - 00:01:08] Okay, okay, okay, I'm fibbing.

[00:01:09 - 00:01:10] Admit it, that you're lying.

[00:01:10 - 00:01:10] You're always lying.

[00:01:10 - 00:01:12] You say plain and clear.

[00:01:12 - 00:01:14] You say that you're lying.

[00:01:15 - 00:01:15] No, I can't.

[00:01:15 - 00:01:18] I can't say I'm lying, because I'm fibbing.

[00:01:18 - 00:01:19] I'm fibbing.

[00:01:19 - 00:01:20] I'm just kind of playing with you guys.

[00:01:21 - 00:01:22] Yeah, sure, Chris.

[00:01:23 - 00:01:26] Okay, so, you've been going to the University of Groningen.

[00:01:28 - 00:01:29] [Uncertain recognition] No.

[00:01:30 - 00:01:33] [Uncertain recognition] what the fuck are you talking about

[00:01:33 - 00:01:35] no you could

[00:01:35 - 00:01:37] you could pinpoint every school there is

[00:01:37 - 00:01:39] and you still wouldn't find me

[00:01:39 - 00:01:41] because you don't know what the correct school is

[00:01:41 - 00:01:43] you can't find my correct school

[00:01:43 - 00:01:44] you're googling it now

[00:01:44 - 00:01:47] but the school

[00:01:47 - 00:01:49] isn't very far from you

[00:01:49 - 00:01:50] it's within an hour

[00:01:50 - 00:01:54] I know where you're located

[00:01:54 - 00:01:55] right where am I located

[00:01:55 - 00:01:57] because we told

[00:01:57 - 00:01:58] we could have told you

[00:02:00 - 00:02:02] only told them the region. Yeah, of course.

[00:02:02 - 00:02:03] That's right. You told me the region.

[00:02:04 - 00:02:06] So there's only so many schools

[00:02:06 - 00:02:08] within that region. It doesn't say

[00:02:08 - 00:02:10] you're playing a game, Coen. It only says Team Fortress 2.

[00:02:10 - 00:02:11] Yeah, I know. I can't

[00:02:11 - 00:02:14] fucking join any serve

[00:02:14 - 00:02:14] with Dust Bowl.

[00:02:17 - 00:02:20] Wait a minute. Thomas, here you

[00:02:20 - 00:02:21] are. K-L-O-O.

[00:02:22 - 00:02:23] You know what the rest of the word is?

[00:02:24 - 00:02:25] [Uncertain recognition] It says you're president.

[00:02:26 - 00:02:27] The student

[00:02:27 - 00:02:29] chapters are

[00:02:30 - 00:02:34] You are. You are president in the student chapter.

[00:02:35 - 00:02:40] And this is a newsletter from 2008.

[00:02:41 - 00:02:43] Oh, you should have said that, correct, man.

[00:02:44 - 00:02:45] [Uncertain recognition] Huh?

[00:02:45 - 00:02:46] You need help, man.

[00:02:48 - 00:02:50] Let's call some AA for you.

[00:02:50 - 00:02:54] I need a freaking coffee house.

[00:02:55 - 00:02:57] I need a freaking coffee house.

[00:02:57 - 00:02:58] You're in Craig again.

[00:03:00 - 00:03:00] Thank you.

[00:07:49 - 00:07:52] No, why? Why do I have to tell you that?

[00:07:52 - 00:07:53] The deal was...

[00:08:34 - 00:08:35] I know what the agreement is.

[00:08:35 - 00:08:36] You don't have to be specific.

[00:02:48 - 00:02:48] Wooter?

[00:02:49 - 00:02:50] You're a religious bigot.

[00:02:50 - 00:02:53] No, I go to school in Utrecht.

[00:03:03 - 00:03:05] That's where my family comes from, actually.

[00:03:07 - 00:03:09] It's a little nice town.

[00:03:09 - 00:03:10] Well, city, I guess.

[00:03:11 - 00:03:12] It's pretty irritating, huh, Chris?

[00:03:12 - 00:03:15] You've been talking to us this long, but you can't find us.

[00:03:15 - 00:03:19] And you're trying to social engineer your way into finding us, but it won't ever work.

[00:03:20 - 00:03:21] Social engineer?

[00:03:23 - 00:03:24] Yeah, you're laughing because...

[00:03:24 - 00:03:24] I'm not going to comment.

[00:03:25 - 00:03:26] You are funny.

[00:03:30 - 00:03:30] hate you?

[00:03:32 - 00:03:35] You know, you're just...

[00:03:35 - 00:03:36] How can I hate you?

[00:03:37 - 00:03:38] You can't hate really.

[00:03:39 - 00:03:41] You don't really know what hate is, Tom.

[00:03:41 - 00:03:42] You really don't know what hate is.

[00:03:42 - 00:03:44] You're full of love and you don't even realize it.

[00:03:45 - 00:03:46] You love me.

[00:03:48 - 00:03:49] Tom is full of love.

[00:03:49 - 00:03:51] How many kinds of love are there, Tom?

[00:03:53 - 00:03:54] There's three kinds.

[00:03:54 - 00:03:55] There's brotherly love.

[00:03:55 - 00:03:57] You got my kind of love,

[00:03:57 - 00:03:59] which is really hate for everything.

[00:04:00 - 00:04:22] No, you've got brotherly love, and see, that's what I've got for you. Brotherly love. And then you've got agape love, which is love for God. And then you've got, well, first off, you've got phileo love, which is brotherly love. You've got agape love, which is, and brotherly love also carries over to...

[00:04:30 - 00:04:31] Yes, you already told me.

[00:04:33 - 00:04:34] No, I never told you that.

[00:04:35 - 00:04:36] You told me something.

[00:04:36 - 00:04:39] You told me something.

[00:04:39 - 00:04:40] I don't remember what it was.

[00:04:40 - 00:04:41] You told me a bunch of shit.

[00:04:42 - 00:04:43] It doesn't really matter.

[00:04:43 - 00:04:44] I don't care.

[00:04:46 - 00:04:48] [Uncertain recognition] I hate everybody.

[00:04:49 - 00:04:50] I'm always mean to everybody.

[00:04:51 - 00:04:52] It's just who I am.

[00:04:52 - 00:04:55] When I get over there, buddy, you know, I grew up with all brothers.

[00:04:55 - 00:04:56] I'm not like you guys.

[00:04:56 - 00:04:58] How many brothers you got, Tom?

[00:04:58 - 00:04:59] [Uncertain recognition] One.

[00:05:00 - 00:05:01] You got one brother.

[00:05:01 - 00:05:02] You're older or younger?

[00:05:02 - 00:05:03] [Uncertain recognition] Older.

[00:05:03 - 00:05:04] [Uncertain recognition] He's older?

[00:05:04 - 00:05:05] [Uncertain recognition] Okay.

[00:05:05 - 00:05:10] So, you guys, because of your age, you don't really get along.

[00:05:10 - 00:05:13] You don't say, I love you, to each other.

[00:05:13 - 00:05:13] Yes, I do.

[00:05:13 - 00:05:15] Because that wouldn't be cool.

[00:05:16 - 00:05:16] [Uncertain recognition] Huh?

[00:05:16 - 00:05:17] Yes, I do.

[00:05:17 - 00:05:18] How the fuck do you know, Dr. Phil?

[00:05:19 - 00:05:20] Oh, really?

[00:05:20 - 00:05:21] Yes, I do.

[00:05:21 - 00:05:21] Because you're a young guy.

[00:05:24 - 00:05:28] So, when you talk to your brother on the phone, like, when I talk to my brothers on the phone,

[00:05:30 - 00:05:32] We say, love you, just like that.

[00:05:32 - 00:05:33] Love you, talk to you later.

[00:05:33 - 00:05:34] That's pretty gay, actually.

[00:05:35 - 00:05:37] I never talk that way too long.

[00:05:37 - 00:05:39] Sorry, because guess what?

[00:05:39 - 00:05:41] You don't know when you're going to drop dead.

[00:05:41 - 00:05:45] And the last thing I ever want to do is talk to my brothers without letting them know,

[00:05:45 - 00:05:47] I love them.

[00:05:49 - 00:05:51] [Uncertain recognition] Yeah, so, anyway.

[00:05:52 - 00:05:55] But, long story short, is that it's too bad.

[00:05:55 - 00:05:56] See, I grew up with all brothers.

[00:06:00 - 00:06:05] other no how about beating the shit out of each other how about beating the shit out of anybody

[00:06:05 - 00:06:10] that got between anybody that stuck their nose between me and my other brothers that were beating

[00:06:14 - 00:06:23] out of each other okay i grew up in a violent family right when you were young that's for sure

[00:06:30 - 00:06:32] We've got no problems hugging each other in public.

[00:06:32 - 00:06:34] We used to get the shit out of each other in public.

[00:06:34 - 00:06:35] Now you love each other.

[00:06:35 - 00:06:42] Okay, so now, when I get over there, I'm going to give you a big brotherly hug.

[00:06:42 - 00:06:42] [Uncertain recognition] Right.

[00:06:43 - 00:06:44] Fuck no.

[00:06:44 - 00:06:45] Fuck no.

[00:06:20 - 00:06:20] [Uncertain recognition] Tom, listen.

[00:06:20 - 00:06:24] I bet you'll be wearing a false mustache and Groucho Marx glasses.

[00:06:27 - 00:06:28] Wow, that's a great idea.

[00:06:30 - 00:06:30] Imagine if I do that.

[00:06:30 - 00:06:32] It's Halloween coming up.

[00:06:33 - 00:06:35] And you know what I'm dressing up as?

[00:06:35 - 00:06:36] As a faggot?

[00:06:36 - 00:06:37] Oh, wait, you already are.

[00:06:38 - 00:06:39] As Frank Garrett?

[00:06:39 - 00:06:40] Don't ask yourself.

[00:06:41 - 00:06:42] Josephus Frank Garrett.

[00:06:42 - 00:06:47] I'm going to dress up as a IT specialist.

[00:06:47 - 00:06:48] [Uncertain recognition] I'm going to draw it.

[00:06:48 - 00:06:51] I'm going to, yeah, whoa, that you can't.

[00:06:53 - 00:06:53] Chris.

[00:06:55 - 00:06:56] Oh, we just ran out of comebacks.

[00:06:56 - 00:06:59] I'm just ran out of, oh, hey, somebody mark that down.

[00:07:00 - 00:07:00] on the calendar.

[00:07:01 - 00:07:03] It's a special occasion.

[00:07:04 - 00:07:06] Aren't you going to be in the butt specialist?

[00:07:08 - 00:07:10] Oh, I don't know.

[00:07:12 - 00:07:14] There's some good looking girls.

[00:07:14 - 00:07:15] I love this location.

[00:07:15 - 00:07:21] Gentlemen, if you only saw what I could see, you'd say, wow.

[00:07:22 - 00:07:23] Your girlfriend is really fat, actually.

[00:07:25 - 00:07:25] She scares me.

[00:07:25 - 00:07:28] No, no, actually, she doesn't have a stomach.

[00:07:28 - 00:07:29] Yes, she does.

[00:07:30 - 00:07:32] I can fucking see it on the...

[00:07:32 - 00:07:32] Oh, yeah, I know.

[00:07:32 - 00:07:34] That woman has huge tits.

[00:07:34 - 00:07:37] The nipples, obviously I'm not marrying her

[00:07:37 - 00:07:39] because I wouldn't be talking about her,

[00:07:39 - 00:07:43] but the nipples are the size of, like,

[00:07:43 - 00:07:45] you wouldn't fucking believe it.

[00:07:46 - 00:07:47] Yeah, but she has a huge stomach.

[00:07:48 - 00:07:50] She doesn't, as a matter of fact.

[00:07:50 - 00:07:51] She doesn't have a stomach.

[00:07:51 - 00:07:52] She has a gut.

[00:07:53 - 00:07:53] She has got...

[00:07:53 - 00:07:54] No, she doesn't have a gut.

[00:07:54 - 00:07:58] She has got one wide ass.

[00:08:00 - 00:08:00] Oh, fuck.

[00:08:01 - 00:08:02] She's fucking...

[00:08:02 - 00:08:03] I don't want to know that, man.

[00:08:03 - 00:08:05] That's a huge bitch right there.

[00:08:08 - 00:08:12] But she's only one of the girls.

[00:08:13 - 00:08:14] Right, she's one of the...

[00:08:14 - 00:08:15] I like them in all sizes.

[00:08:15 - 00:08:16] But you know something, Tom?

[00:08:17 - 00:08:19] Tom, Tom, Tom, you've got to graduate.

[00:08:19 - 00:08:22] Okay, the chicks that you get that don't have kids...

[00:08:22 - 00:08:22] Is that a friend?

[00:08:22 - 00:08:24] Okay, you know what it means?

[00:08:24 - 00:08:25] Tom, Tom, you know what it means when you...

[00:08:25 - 00:08:26] One moment.

[00:08:30 - 00:08:39] Oh, listen, Tom, I'm telling you, the difference between guys and women is chicks have tits and they've got hips.

[00:08:39 - 00:08:43] I know you date skinny chicks with no tits and no hips.

[00:08:43 - 00:08:50] That means, that would actually indicate, Freudianly speaking, under Freud's standards, that would mean you're gay.

[00:08:51 - 00:08:52] I agree with Chris.

[00:08:52 - 00:08:55] The chicks, you've got to start dating, they've got to start having tits.

[00:09:00 - 00:09:01] already so don't worry

[00:09:01 - 00:09:02] [Uncertain recognition] I'm coming

[00:09:02 - 00:09:05] and they're a lot more fun

[00:09:05 - 00:09:07] they are very much fun

[00:09:07 - 00:09:09] very much fun

[00:09:09 - 00:09:10] and they can cook for you

[00:09:10 - 00:09:13] they're not fun, they ruin your life

[00:09:13 - 00:09:18] well you know I gotta get me something to eat here

[00:09:18 - 00:09:21] I'm starting to eat all damn day

[00:09:21 - 00:09:23] I'm getting me a big hunk of fish

[00:09:23 - 00:09:25] go across the street and get something to eat

[00:09:25 - 00:09:28] Chris, there's a girl in the conversation

[00:09:28 - 00:09:29] right now

[00:09:30 - 00:09:31] Oh, really?

[00:09:31 - 00:09:31] [Uncertain recognition] Yeah.

[00:09:33 - 00:09:35] Now, Stumblebee, did you see that?

[00:09:35 - 00:09:37] Did you see that on Google Earth?

[00:09:37 - 00:09:38] There's a girl in a conversation right now.

[00:09:38 - 00:09:38] We want to talk to her?

[00:09:39 - 00:09:40] Chris, do you want to talk to the girl?

[00:09:41 - 00:09:42] What girl?

[00:09:42 - 00:09:44] There's a girl in a conversation, but she's quiet.

[00:00:00 - 00:00:02] Yes, there is. Go on, talk.

[00:00:02 - 00:00:04] There is. I can verify this.

[00:00:04 - 00:00:05] Ray, talk.

[00:00:07 - 00:00:07] Ray.

[00:00:08 - 00:00:09] And how old is she?

[00:00:09 - 00:00:11] Unmute your mic, Ray.

[00:00:12 - 00:00:13] How old is she?

[00:00:14 - 00:00:15] She can speak for herself.

[00:00:16 - 00:00:17] Is she pretty?

[00:00:18 - 00:00:19] I'm 17.

[00:00:20 - 00:00:24] Oh, what are you doing hanging out with these guys?

[00:00:24 - 00:00:26] You sound English. You sound American.

[00:00:27 - 00:00:28] What do you mean?

[00:00:28 - 00:00:29] What do you mean?

[00:00:30 - 00:00:31] She's not American.

[00:00:31 - 00:00:32] I'm Canadian.

[00:00:34 - 00:00:35] Oh, Canadian.

[00:00:35 - 00:00:35] Oh, boy.

[00:00:36 - 00:00:37] That's pretty close to Chris.

[00:00:38 - 00:00:38] Yeah.

[00:00:39 - 00:00:40] I'm kind of scared.

[00:00:40 - 00:00:42] Please don't rape me.

[00:00:44 - 00:00:45] Let's see.

[00:00:45 - 00:00:45] Canadian.

[00:00:46 - 00:00:48] And let's see.

[00:00:48 - 00:00:55] Oh, I was doing some research for somebody on a Canadian chick that was causing somebody

[00:00:55 - 00:00:56] problems.

[00:00:57 - 00:00:59] [Uncertain recognition] And she was 17, too.

[00:01:00 - 00:01:07] Maybe it's another 17 year old Canadian. I don't know. It's just a guess.

[00:01:07 - 00:01:15] It could be the other one because there's only two 17 year old girls in Canada.

[00:01:15 - 00:01:21] Yeah. I guess what, I'm French Canadian myself. We might be related.

[00:01:30 - 00:01:38] even say something like that why because it almost caused a mutual friend of ours

[00:01:38 - 00:01:46] some serious serious problems oh I can't say right now but there's Christian

[00:01:46 - 00:01:55] to to knows who knows oh do I I don't know yes you do mutual friend let me just

[00:01:55 - 00:01:58] think here for a second it's no I have no idea what the fuck you're talking

[00:02:00 - 00:02:01] [Uncertain recognition] Oh, man.

[00:02:03 - 00:02:06] No, seriously, man.

[00:02:06 - 00:02:07] Robert Lane?

[00:02:07 - 00:02:09] He's talking about Robert Lane.

[00:02:10 - 00:02:10] [Uncertain recognition] No.

[00:02:12 - 00:02:14] Oh, Robert Lane.

[00:02:14 - 00:02:15] Robert Lane.

[00:02:15 - 00:02:16] What the fuck are you talking about?

[00:02:16 - 00:02:17] Robert Lane!

[00:02:19 - 00:02:21] Oh, that was a while ago.

[00:02:22 - 00:02:24] I'm really too tired to explain at the moment.

[00:02:24 - 00:02:25] Oh, okay, I get it.

[00:02:26 - 00:02:27] 1-800-Sleeping.

[00:02:27 - 00:02:29] Yeah, it's getting laid over there, guys.

[00:02:30 - 00:02:32] 1, 2, 3, 4, 5, 6.

[00:02:32 - 00:02:34] [Uncertain recognition] Holy, that cross midnight.

[00:02:34 - 00:02:35] Motel Rain.

[00:02:37 - 00:02:38] Motel Rain.

[00:02:39 - 00:02:40] Motel Rain.

[00:02:40 - 00:02:42] Wow, Stumblebee.

[00:02:43 - 00:02:44] How do you know all this?

[00:02:45 - 00:02:47] Because I follow it and I've got a good memory.

[00:02:48 - 00:02:50] Yeah, he's a fan on my movies.

[00:02:50 - 00:02:51] I know everything about you.

[00:02:52 - 00:02:54] Oh, and how old are you, Stumblebee?

[00:02:56 - 00:02:57] I'm 22.

[00:02:58 - 00:02:58] [Uncertain recognition] 22?

[00:03:00 - 00:03:03] Hey, Arrow, say goodnight to Chris, our lovely Chris.

[00:03:04 - 00:03:06] What? Who are you dating? What's your name, Ray?

[00:03:07 - 00:03:09] Arrow, give him some hugs and kisses.

[00:03:09 - 00:03:09] Arrow?

[00:03:10 - 00:03:11] Say goodbye.

[00:03:11 - 00:03:17] Hug XOXO. I'm going to go crawl into bed with Tom. It's past his bedtime.

[00:03:18 - 00:03:18] [Uncertain recognition] Exactly.

[00:03:19 - 00:03:19] [Uncertain recognition] Oh, yeah.

[00:03:20 - 00:03:25] Yeah, we're going to do the dirty. You know, he likes my lack of tits and hips.

[00:03:27 - 00:03:28] Well, you're a player, too.

[00:03:30 - 00:03:34] Had I known you were on the line, I wouldn't have been talking in such a way.

[00:03:35 - 00:03:40] I come from an age where we respect women, and we don't treat women bad.

[00:03:40 - 00:03:42] We don't talk down to women.

[00:03:42 - 00:03:43] It makes you hang up, man.

[00:03:43 - 00:03:49] No man that I know with assault would ever even have a woman in this kind of conversation

[00:03:49 - 00:03:59] shows a lack of respect when a woman is allowed to overhear guys talk of such things.

[00:04:00 - 00:04:10] Women are supposed to be treated with tenderness and love and respect and treated in public.

[00:04:10 - 00:04:14] But what a man and a woman do in private is a whole different vulgar.

[00:04:15 - 00:04:17] That's not something that guys talk about.

[00:04:20 - 00:04:26] Somebody should say they're sorry for keeping her a secret, shouldn't you, Tom?

[00:04:26 - 00:04:29] And everybody else can.

[00:04:30 - 00:04:31] [Uncertain recognition] Guys, that was not nice.

[00:04:34 - 00:04:35] [Uncertain recognition] And now you're going to rape us.

[00:04:38 - 00:04:39] [Uncertain recognition] No, no, no, no.

[00:04:40 - 00:04:43] Anybody that knows me knows who I am.

[00:04:43 - 00:04:46] And you're going to rape us because they have to know.

[00:04:46 - 00:04:48] Otherwise, you can't live in their neighborhood.

[00:04:50 - 00:04:51] [Uncertain recognition] Oh, no.

[00:04:51 - 00:04:53] [Uncertain recognition] I don't think that that would be correct.

[00:04:54 - 00:04:56] But she sounds like a nice young lady.

[00:05:00 - 00:05:02] Sully, her good reputation, because guess what?

[00:05:03 - 00:05:12] Some of this crap that's out on Facebook and MySpace and YouTube has sort of followed some people around

[00:05:12 - 00:05:14] and caused them problems.

[00:05:19 - 00:05:20] [Uncertain recognition] Hey, hold on.

[00:05:20 - 00:05:22] But listen, I've got to get me something to eat.

[00:05:22 - 00:05:24] There's no doubt about that, okay?

[00:05:24 - 00:05:25] You don't have a hot bucket?

[00:05:26 - 00:05:27] Okay, then, Chris.

[00:05:30 - 00:05:32] Yeah, tell me back in about now, I'll just shoot this shit.

[00:05:33 - 00:05:35] Oh yeah, it's getting late over there.

[00:05:35 - 00:05:36] Oh, hey, okay.

[00:05:37 - 00:05:38] Yo, goodbye, Chris.

[00:05:38 - 00:05:38] Fuck you.

[00:05:39 - 00:05:39] [Uncertain recognition] Bye-bye.

[00:05:41 - 00:05:43] Okay, guys, hey, listen, it was a pleasure.

[00:05:43 - 00:05:43] It's always a pleasure.

[00:05:43 - 00:05:44] [Uncertain recognition] It's fun, you know?

[00:05:45 - 00:05:45] [Uncertain recognition] It's fun.

[00:05:45 - 00:05:47] It's exciting.

[00:05:48 - 00:05:48] Tom, I love you, man.

[00:05:49 - 00:05:49] I love you.

[00:05:49 - 00:05:52] Okay, let's cut an album together, dude.

[00:05:52 - 00:05:54] Hey, hey, Chris, Chris.

[00:05:55 - 00:05:56] Have fun jerking one off.

[00:05:58 - 00:05:59] Don't, don't do that.

[00:06:00 - 00:06:06] a good hot pocket hot pocket i like those things those are really sharp i don't do you know why

[00:06:13 - 00:06:21] a guy just opened up a restaurant okay and why is there a monkey on the road he does the vegan thing

[00:06:30 - 00:06:35] There's a monkey crossing the road at the moment in my game.

[00:06:35 - 00:06:38] Why was a monkey on a croat?

[00:06:38 - 00:06:40] I don't know, it's just a fucking monkey crossing the road.

[00:00:00 - 00:00:02] Uh, I'll tell me now.

[00:00:02 - 00:00:05] It's about 10 o'clock. It's a little after 10 over there.

[00:00:05 - 00:00:06] Huh?

[00:00:06 - 00:00:09] Yeah, yeah. Did you hear that?

[00:00:09 - 00:00:11] [Uncertain recognition] Hear what?

[00:00:11 - 00:00:12] [Uncertain recognition] Huh?

[00:00:12 - 00:00:15] The sound of you being not that awesome.

[00:00:15 - 00:00:17] Cause I don't hear anything.

[00:00:17 - 00:00:20] Did, did, did, did, did, did you hear that?

[00:00:20 - 00:00:24] So did you find out where Tom lives yet?

[00:00:24 - 00:00:28] Uh, no. I, I have a funny feeling based on,

[00:00:30 - 00:00:43] Okay? Now, based on a bird, a bird flew by the shop, took a shit, and lo and behold, there was a note in it.

[00:00:44 - 00:00:44] Really?

[00:00:45 - 00:00:49] Yeah, it dropped that out in front of the shop. I mean, I couldn't help but see it.

[00:00:49 - 00:00:52] So when it splattered, the note, it exposed the note.

[00:00:53 - 00:00:54] What was the note?

[00:00:54 - 00:00:59] Well, I took the note, I came in and washed it off, and it said,

[00:01:00 - 00:01:03] he lives

[00:01:03 - 00:01:05] on a public

[00:01:05 - 00:01:07] transportation route.

[00:01:08 - 00:01:08] I said, well,

[00:01:08 - 00:01:11] son of a bitch,

[00:01:11 - 00:01:14] it's got to be Tom, because he doesn't have a car.

[00:01:14 - 00:01:15] He goes to a university.

[00:01:16 - 00:01:16] Hey, I don't have a car.

[00:01:16 - 00:01:17] So there's one clue.

[00:01:18 - 00:01:19] So there's a clue.

[00:01:20 - 00:01:22] Oh, that was the note beforehand.

[00:01:23 - 00:01:24] It said, Tom

[00:01:24 - 00:01:26] lives in a house.

[00:01:27 - 00:01:28] I live in a house?

[00:01:28 - 00:01:29] Are you serious?

[00:01:30 - 00:01:33] What about the school, though? Have you found out the school?

[00:01:33 - 00:01:39] Well, see, see, there you go. I don't know what the bird considers a house. It could be a box.

[00:01:40 - 00:01:40] Uh-huh.

[00:01:41 - 00:01:44] Hell, the bird might even consider that a fucking mansion, okay?

[00:01:44 - 00:01:47] Oh, you got a really weird and complicated bird there, man.

[00:01:47 - 00:01:50] Yeah, what the fuck is it? Catch you, then. Put it on display.

[00:01:52 - 00:01:54] Well, what I'm going to do is catch it and cook it up.

[00:01:55 - 00:01:56] So, uh, did you know...

[00:01:56 - 00:01:58] I don't like these fucking little clues. I don't like these little clues.

[00:02:00 - 00:02:01] doing shit in front of my shop.

[00:02:01 - 00:02:02] Yeah, exactly.

[00:02:02 - 00:02:02] I'll get you to fuck with me.

[00:02:03 - 00:02:03] Well, a second, though.

[00:02:03 - 00:02:06] What's he doing with you, old man?

[00:02:07 - 00:02:07] [Uncertain recognition] Huh?

[00:02:10 - 00:02:10] What?

[00:02:10 - 00:02:11] Who else is in here?

[00:02:11 - 00:02:12] Is Jack in here?

[00:02:13 - 00:02:13] Yeah.

[00:02:13 - 00:02:15] No, it's just me and Tom.

[00:02:15 - 00:02:16] No, it's Jack.

[00:02:16 - 00:02:16] Jack's also here.

[00:02:16 - 00:02:17] Yeah.

[00:02:17 - 00:02:18] Jack's not in here.

[00:02:18 - 00:02:19] [Uncertain recognition] Yes, he is.

[00:02:20 - 00:02:21] What the fuck are you talking about?

[00:02:22 - 00:02:22] Jack's here.

[00:02:24 - 00:02:24] Now, listen.

[00:02:25 - 00:02:25] Check this out.

[00:02:26 - 00:02:26] Check this out, guys.

[00:02:27 - 00:02:27] Where do I live?

[00:02:27 - 00:02:29] If Jack...

[00:02:30 - 00:02:36] living in a box, and Jack was visiting, that would make Jack, Jack in the box.

[00:02:41 - 00:02:43] But did you find out where your school is, though?

[00:02:45 - 00:02:52] I know, based on the fact that it's a university, which is different from a college, okay?

[00:02:52 - 00:02:54] That's true. That is very true.

[00:03:00 - 00:03:08] universities in the Netherlands I'm narrowing see how you narrow it down

[00:03:08 - 00:03:13] you got it you just gotta since it's a little it's a process of elimination is

[00:03:13 - 00:03:20] what it is okay so but now I'm what I'm gonna wind up doing here to figure out

[00:03:20 - 00:03:25] what university is yeah because I'm just probably gonna I'm gonna probably take

[00:03:25 - 00:03:28] the list and by the way there's only there's only for my remember five

[00:03:30 - 00:03:30] Something like that.

[00:03:30 - 00:03:30] In the Netherlands.

[00:03:31 - 00:03:31] [Uncertain recognition] Yeah.

[00:03:32 - 00:03:40] Now, based on the fact that I know he lives on public transportation,

[00:03:42 - 00:03:46] and he had also mentioned how long it takes him to get home.

[00:03:48 - 00:03:49] Ah, yes.

[00:03:51 - 00:03:52] Then you, okay.

[00:03:53 - 00:03:57] So now I can figure out the general, I'm saying,

[00:04:00 - 00:04:02] X amount of distance, this many.

[00:04:02 - 00:04:06] Now I just got to figure out how fast the trains go.

[00:04:06 - 00:04:08] Is it always a bus or is it on a train?

[00:04:09 - 00:04:11] You know, there's some variables there.

[00:04:12 - 00:04:12] But, um, huh?

[00:04:13 - 00:04:14] I'm on a train.

[00:04:16 - 00:04:27] Yeah, but, like, you can take any university and calculate the time it takes me to go home.

[00:04:27 - 00:04:28] Yeah, that's true.

[00:04:28 - 00:04:28] That's true.

[00:04:30 - 00:04:34] I think it's going to come down to a choice of about three.

[00:04:35 - 00:04:36] [Uncertain recognition] Three.

[00:04:37 - 00:04:41] And then what we do is we flip a quarter.

[00:04:41 - 00:04:51] We flip a quarter 16 times, calling, assigning each flip to each university.

[00:05:00 - 00:05:01] Huh?

[00:05:01 - 00:05:02] Rape small children.

[00:05:04 - 00:05:10] Then what we do is we put two names in a big jar with a whole bunch of other balls of paper,

[00:05:10 - 00:05:14] and then we shake it up and choose ten times.

[00:05:14 - 00:05:23] Whichever comes out the most, there's a 50-50 chance that that could be it.

[00:05:24 - 00:05:27] So now I've got it narrowed down.

[00:05:27 - 00:05:29] So what schools do you have already?

[00:05:30 - 00:05:33] I have to look at the list

[00:05:33 - 00:05:34] and I can't pronounce those names

[00:05:34 - 00:05:37] so I got the university

[00:05:37 - 00:05:38] starts with

[00:05:38 - 00:05:39] let me see

[00:05:39 - 00:05:41] you're right in a minute

[00:05:41 - 00:05:42] okay

[00:05:42 - 00:05:52] here we go

[00:05:52 - 00:05:55] [Uncertain recognition] so

[00:05:55 - 00:05:58] [Uncertain recognition] push the cart already

[00:06:00 - 00:06:06] And then what I'll do is I'll just give you an off-the-cuff, based on just the general location.

[00:06:06 - 00:06:14] Now, Tom had mentioned the section of the Netherlands, which assisted.

[00:06:14 - 00:06:14] [Uncertain recognition] Okay.

[00:06:15 - 00:06:21] He also mentioned that he had a relative with a dealership.

[00:06:22 - 00:06:23] [Uncertain recognition] Uh-huh.

[00:06:24 - 00:06:24] Right.

[00:06:24 - 00:06:25] So see how this...

[00:06:25 - 00:06:27] That doesn't really get you anywhere.

[00:06:27 - 00:06:28] It's like a big puzzle.

[00:06:28 - 00:06:29] It's like a big puzzle.

[00:06:30 - 00:06:43] But now the question is, is Tom his real name?

[00:06:44 - 00:06:45] Is Tom what?

[00:06:45 - 00:06:49] So, is Tom his real name?

[00:06:49 - 00:06:51] That's a major factor.

[00:06:51 - 00:06:53] Ah, that's a major issue.

[00:06:54 - 00:06:54] Major factors?

[00:06:54 - 00:06:55] Can't trust with you, yeah.

[00:07:00 - 00:07:07] By the way, I'm talking to a friend who's kind of, he's into scientific experiments and he says he's got a remedy.

[00:07:07 - 00:07:08] I'm talking to him tomorrow.

[00:07:09 - 00:07:16] A remedy on that particular, a remedy on how to figure out whether that's your real name or not.

[00:07:17 - 00:07:19] [Uncertain recognition] How the fuck do you plan on doing that?

[00:07:21 - 00:07:22] How the fuck do I know?

[00:07:22 - 00:07:24] I'm going to wait until I talk to him, okay?

[00:07:24 - 00:07:26] It's his idea, it's not mine.

[00:07:27 - 00:07:27] [Uncertain recognition] Right.

[00:07:30 - 00:07:33] Let me just say it's a good guess that maybe that's not his real name.

[00:07:33 - 00:07:33] I'm just saying.

[00:07:35 - 00:07:36] No, that's a good guess.

[00:07:36 - 00:07:38] That's a good guess that it's not his real name.

[00:07:39 - 00:07:39] Yes.

[00:07:40 - 00:07:43] The only one that knows for sure is actually me,

[00:07:44 - 00:07:46] because you don't know if Kuhn's shitting you or not.

[00:07:48 - 00:07:48] [Uncertain recognition] That's true.

[00:07:51 - 00:07:57] Now, you've got Webster University.

[00:08:00 - 00:08:10] You've got Leiden University, you've got, so I don't even know the Strict King.

[00:08:10 - 00:08:11] Wait, what was the last one?

[00:08:11 - 00:08:16] What was the other one that you just said?

[00:08:19 - 00:08:27] We got Webster University, that's in Leiden University, that looks like it's a library.

[00:08:30 - 00:08:37] library at Latin University, okay here we go. Now, I'm thinking in the map I'm looking

[00:08:37 - 00:08:43] at, others looking at it. Say what? You're at the University of Amsterdam. I'm almost

[00:08:43 - 00:08:49] tired of it. Don't. Let's see, that was the fucker.

[00:08:49 - 00:08:55] But I think that's the fucker. By the way guys, I speak fucking language. What are you

[00:08:55 - 00:08:59] doing? I just know exactly what you said. No you didn't.

[00:09:00 - 00:09:02] Yeah, I was studying it.

[00:09:02 - 00:09:04] What did we say then?

[00:09:04 - 00:09:08] What did we say?

[00:09:08 - 00:09:10] What did we say?

[00:09:10 - 00:09:14] You said something about the university.

[00:09:14 - 00:09:16] Yeah.

[00:09:16 - 00:09:18] Wow, wow.

[00:09:18 - 00:09:20] That sounds really close.

[00:09:20 - 00:09:24] By the way, you got the University of Groningen.

[00:09:24 - 00:09:26] No.

[00:09:26 - 00:09:28] You got Maastricht University.

[00:09:30 - 00:09:33] Actually, see, I don't know what they consider a university.

[00:09:33 - 00:09:38] I excluded certain things like the universe.

[00:09:38 - 00:09:41] I excluded religious universities, okay?

[00:09:42 - 00:09:43] Hey, I'm Christian.

[00:09:43 - 00:09:43] Right off the top.

[00:09:45 - 00:09:46] You ain't Christian.

[00:09:46 - 00:09:47] You ain't Christian shit.

[00:09:47 - 00:09:48] Yes, I am. I'm kosher.

[00:09:49 - 00:09:51] No, you aren't Christian, man.

[00:09:51 - 00:09:55] Listen, I think I've talked to Verdant Abyss.

[00:09:55 - 00:09:56] Okay, you're not Christian.

[00:09:57 - 00:09:58] That's right.

[00:09:58 - 00:09:59] He doesn't believe in God, et cetera.

[00:10:00 - 00:10:02] And he's not Verdant Abyss.

[00:10:02 - 00:10:03] No.

[00:10:03 - 00:10:06] And he's not Verdant Abyss, right?

[00:10:06 - 00:10:10] Tom, I don't think I'm really a martial club, I guess.

[00:10:12 - 00:10:16] That sounds really cool. You don't have to teach me how to talk like that.

[00:10:16 - 00:10:18] Yep, we should.

[00:10:18 - 00:10:19] Yeah.

[00:10:19 - 00:10:25] It just sounds like you just spit out a whole bunch of stuff under the influence of, like, heavy bourbon.

[00:10:30 - 00:10:35] Okay, so I excluded the theological universities.

[00:10:35 - 00:10:37] I don't think you'd be in theological universities.

[00:10:38 - 00:10:41] So what I did was, because there is a bunch of universities in the Netherlands,

[00:10:41 - 00:10:43] there's private-funded universities.

[00:10:43 - 00:10:45] I don't think you'd be at a privately-funded university.

[00:10:45 - 00:10:46] Oh, wow.

[00:10:46 - 00:10:46] Why not?

[00:10:47 - 00:10:48] [Uncertain recognition] Because we don't have money here?

[00:10:48 - 00:10:51] Because you're fucking broke.

[00:10:51 - 00:10:52] That's why.

[00:10:52 - 00:10:52] I'm broke?

[00:10:52 - 00:10:53] You're fucking broke.

[00:10:54 - 00:10:54] Right.

[00:10:56 - 00:10:57] I know you're broke.

[00:10:57 - 00:10:58] Right.

[00:11:00 - 00:11:04] that's a good joke man

[00:11:04 - 00:11:06] he knows nothing about you

[00:11:06 - 00:11:07] no you're fucking broke

[00:11:07 - 00:11:12] tom you're fucking broke

[00:11:12 - 00:11:16] how the fuck do you know you're just this insane little fat

[00:11:16 - 00:11:16] cause you were whining

[00:11:16 - 00:11:20] cause you were whining over 500 dollars

[00:11:20 - 00:11:21] ah i like 500 dollars

[00:11:21 - 00:11:26] oh you don't have the 500 dollars

[00:11:26 - 00:11:28] exactly

[00:11:30 - 00:11:32] Yeah, but I wasn't whining, was I?

[00:11:32 - 00:11:33] I wasn't whining, and I'm not going to...

[00:11:33 - 00:11:34] Doesn't matter.

[00:11:34 - 00:11:36] That doesn't make you less or more broke.

[00:11:37 - 00:11:40] Oh, you're being such an asshole again, Tom.

[00:11:41 - 00:11:42] Hey, it's okay.

[00:11:42 - 00:11:43] Let him be.

[00:11:43 - 00:11:43] Let him be.

[00:11:44 - 00:11:45] It's...

[00:11:45 - 00:11:46] He's broke.

[00:11:47 - 00:11:48] He's on public transportation.

[00:11:49 - 00:11:50] He doesn't have a car.

[00:11:50 - 00:11:51] He's freaking broke.

[00:11:52 - 00:11:52] Okay.

[00:11:53 - 00:11:58] So we've assigned certain standards to having money,

[00:12:00 - 00:12:03] Hey, I love you, Tom.

[00:12:03 - 00:12:05] You're okay in my book.

[00:12:06 - 00:12:08] You're just an old senile faggot in my book.

[00:12:11 - 00:12:14] Okay, so we've narrowed the town.

[00:12:14 - 00:12:15] Tom's broke.

[00:12:16 - 00:12:18] Okay, wait a minute, wait a minute, Tom.

[00:12:18 - 00:12:19] I'm still narrowing this down.

[00:12:19 - 00:12:22] So you're not going to religious universities.

[00:12:22 - 00:12:23] That's a fact.

[00:12:23 - 00:12:25] You're broke, so you're not going to private universities.

[00:12:30 - 00:12:35] exist that are still listed which is really fucked up I know you're not going

[00:12:35 - 00:12:42] to the Islamic University of Rotterdam but but okay but so that you know that

[00:12:42 - 00:12:48] leaves I know you're not going to any medical universities so that leaves five

[00:12:48 - 00:12:57] fucking universities and out of those universities I looked at the public

[00:13:00 - 00:13:05] Specifically speaking, you could probably live in the vicinity of any one of those,

[00:13:05 - 00:13:10] but based on the fact that you said you got home in a certain period of time,

[00:13:10 - 00:13:14] I kind of narrowed, I took one out of the loop.

[00:13:16 - 00:13:24] And I figured you'd have to, it would have to be on a heavily, a heavy, well, not necessarily.

[00:13:24 - 00:13:25] I'm not going to take it out of the loop.

[00:13:25 - 00:13:28] It was going to be the University of Amsterdam I was taking out of the loop,

[00:13:28 - 00:13:29] but I'm going to leave that in there.

[00:13:30 - 00:13:36] study but technically speaking this is going to be an interesting excursion into my so which one

[00:13:36 - 00:13:43] uh you only have one out of the loop what you've got sherlock homes like like i'm just going to

[00:13:43 - 00:13:47] give me it's going to it's going to be a nice little excursion into my sherlock home abilities

[00:13:47 - 00:13:55] okay well it sounds like you're on a trail there it doesn't sound like you're not doing anything

[00:14:00 - 00:14:03] I just nailed it down from 20 freaking universities.

[00:14:03 - 00:14:04] Well, big fucking deal.

[00:14:05 - 00:14:06] To five universities.

[00:14:06 - 00:14:07] Big fucking deal.

[00:14:07 - 00:14:09] Doesn't make you a fucking rocket scientist.

[00:14:10 - 00:14:12] You know how many people go to that uni?

[00:14:12 - 00:14:14] You know why there are only so few unis?

[00:14:14 - 00:14:15] Because everybody goes to the same uni.

[00:14:15 - 00:14:16] Okay, that's another thing, too.

[00:14:17 - 00:14:17] The term uni.

[00:14:18 - 00:14:19] The term uni.

[00:14:19 - 00:14:20] You keep calling it uni.

[00:14:21 - 00:14:23] So, now that brings up a question.

[00:14:30 - 00:14:34] I'm public transportation from University of Uni.

[00:14:34 - 00:14:40] It's like 99% of the people that are in Uni go with the public transportation.

[00:14:40 - 00:14:42] Just a fact here.

[00:00:48 - 00:00:49] Okay, we're ready.

[00:00:50 - 00:00:51] And you know what's really wild?

[00:00:51 - 00:00:56] Some of these universities were, like, established hundreds of years ago.

[00:01:00 - 00:01:04] country. Oh, damn right, you do. That's why I'm looking forward to getting over there

[00:01:09 - 00:01:18] of Groningen and Le Ligen University. So, those two right there, if that was off the top of

[00:01:18 - 00:01:27] my head. You're pretty incorrect there. Okay, that's fine. Wait a minute, wait a minute,

[00:01:30 - 00:01:32] Thou dost protest too much.

[00:01:33 - 00:01:38] If you didn't go to any one of those, you wouldn't have said shit.

[00:01:41 - 00:01:42] See how you do this?

[00:01:43 - 00:01:44] What did you say?

[00:01:45 - 00:01:49] If you didn't go to either one of those, you wouldn't have said shit.

[00:01:50 - 00:01:52] [Uncertain recognition] Huh? Not really.

[00:01:53 - 00:01:54] I'm trying to give you a clue.

[00:01:54 - 00:01:54] Yeah, really.

[00:01:56 - 00:01:58] It's, uh, yeah.

[00:02:00 - 00:02:02] I think they're pretty much bullshit anyway.

[00:02:02 - 00:02:06] Okay. Okay, okay. So, okay.

[00:02:06 - 00:02:10] Maybe I'm mistaken on that. Maybe I'm mistaken. Maybe I'm mistaken.

[00:02:10 - 00:02:11] Tom.

[00:02:11 - 00:02:13] So, but anyways, I'm not gonna spend a whole bunch of time on this.

[00:02:13 - 00:02:17] It's gonna be... It's gonna be like a hobby, Tom.

[00:02:17 - 00:02:19] It's gonna be like a hobby, Tom.

[00:02:19 - 00:02:22] It'll take me two, three, four months.

[00:02:22 - 00:02:25] He knows that you're going to Leiden University.

[00:02:25 - 00:02:28] Maybe he knows that you're a muscle.

[00:02:30 - 00:02:33] a lot of guys, hey listen to this, by the time, I think by the time I get over there

[00:02:33 - 00:02:37] for a vacation, I should, I should have it narrowed down.

[00:02:37 - 00:02:37] [Uncertain recognition] Right.

[00:02:39 - 00:02:40] Where are you going on vacation?

[00:02:41 - 00:02:42] Where are you going on vacation?

[00:02:42 - 00:02:48] When, yeah, vacation next, uh, next, uh, late spring, early summer, that's the best

[00:02:48 - 00:02:49] time to visit there.

[00:02:49 - 00:02:50] Where are you going?

[00:02:50 - 00:02:50] Oh, okay.

[00:02:51 - 00:02:52] Of course, yes.

[00:02:52 - 00:02:52] [Uncertain recognition] Yeah.

[00:02:53 - 00:02:56] So I figured by that time, it's going to be, you know, it's going to be many months, it's

[00:02:56 - 00:02:59] going to be five or six more months and I should have it narrowed down.

[00:03:00 - 00:03:09] Well, might I just say that, well, you're getting pretty close, and that's an honest answer.

[00:03:10 - 00:03:11] Okay, that's good, that's good.

[00:03:12 - 00:03:15] I'm going to say that we might be fucking with you.

[00:03:16 - 00:03:18] No matter what Tom says, you just, uh...

[00:03:18 - 00:03:21] No, that's true, you might be, but you know something?

[00:03:21 - 00:03:22] The whole thing here is it's fun.

[00:03:23 - 00:03:24] It's fun.

[00:03:24 - 00:03:26] To fuck with you, yeah, it's fun to fuck with you.

[00:03:26 - 00:03:26] No.

[00:03:26 - 00:03:27] Yes, it is.

[00:03:30 - 00:03:33] He just doesn't want to know where he goes to school.

[00:03:33 - 00:03:34] He doesn't want you to find out.

[00:03:34 - 00:03:35] That's what I think.

[00:03:35 - 00:03:36] Oh, yeah, yeah, yeah, yeah.

[00:03:36 - 00:03:43] Yeah, because, you know, he probably doesn't want me to find out that he's some short, ugly bastard.

[00:03:44 - 00:03:44] Probably.

[00:03:47 - 00:03:52] Yeah, probably Ginger named Marcel Rose.

[00:03:53 - 00:03:54] Oh, hey, what's...

[00:03:54 - 00:03:57] That goes to the University of Leiden.

[00:04:00 - 00:04:01] Oh, what the fuck did he say?

[00:04:01 - 00:04:02] What?

[00:04:05 - 00:04:06] What did he say?

[00:04:06 - 00:04:07] What did he say?

[00:04:07 - 00:04:08] What did he say?

[00:04:08 - 00:04:09] What did he say?

[00:04:09 - 00:04:10] Nothing.

[00:04:10 - 00:04:11] He said nothing.

[00:04:11 - 00:04:12] [Uncertain recognition] He said absolutely nothing.

[00:04:12 - 00:04:13] Okay.

[00:04:16 - 00:04:17] [Uncertain recognition] No, he said something.

[00:04:17 - 00:04:18] [Uncertain recognition] He said something about a ginger or something like that.

[00:04:18 - 00:04:19] Ginger?

[00:04:19 - 00:04:20] Yeah, that's a ginger.

[00:04:20 - 00:04:21] That's a ginger.

[00:04:38 - 00:04:39] [Uncertain recognition] Yeah.

[00:04:40 - 00:04:43] So, are you saying that you're a ginger?

[00:04:43 - 00:04:46] Yeah, I'm saying I'm a ginger named Marcel.

[00:04:46 - 00:04:47] Or should I say Marcel?

[00:04:50 - 00:04:53] So, now this is...

[00:04:53 - 00:04:54] This is interesting.

[00:04:54 - 00:04:55] Where did this come from?

[00:04:56 - 00:04:57] Where did this come from?

[00:04:57 - 00:04:58] From an email.

[00:04:58 - 00:04:59] It doesn't really matter, Tom.

[00:05:00 - 00:05:02] anything you want, Tom. Just anything you want.

[00:05:02 - 00:05:04] Or should we just say Marcel?

[00:05:06 - 00:05:08] You're on the right track!

[00:05:08 - 00:05:10] You're on the right track!

[00:05:10 - 00:05:12] Should we just say Marcel instead of Tom?

[00:05:12 - 00:05:14] I'm on the train!

[00:05:14 - 00:05:16] Marcel, clone talk from the University of Leiden.

[00:05:16 - 00:05:18] Don't tell him I said that, though.

[00:05:20 - 00:05:22] Oh, is that who you say you are?

[00:05:24 - 00:05:26] No, that's who Kun said I was.

[00:05:26 - 00:05:28] Pretty funny, though.

[00:05:30 - 00:05:32] What did he say that?

[00:05:54 - 00:05:56] I'm sorry, I'll come soon.

[00:05:56 - 00:05:58] Should I open an email? Wait.

[00:06:00 - 00:06:06] Oh, Marcel, I know why don't you just stop him being such an asshole, you know?

[00:00:00 - 00:00:06] Oh, well, yeah, well, yeah, I don't really care. You just, uh, tell us when you're ready.

[00:00:08 - 00:00:09] Well, okay. Yeah, I will.

[00:00:12 - 00:00:16] So, how's college going for you?

[00:00:17 - 00:00:17] Uni.

[00:00:19 - 00:00:20] Uni first.

[00:00:20 - 00:00:22] Uni. Yeah, uni my ass.

[00:00:23 - 00:00:27] How can you go to uni anyway? I mean, um, don't you need college for that first?

[00:00:27 - 00:00:29] Yes, I did. I finished that.

[00:00:30 - 00:00:31] When?

[00:00:31 - 00:00:32] Like last year.

[00:00:34 - 00:00:34] Most people saw...

[00:00:34 - 00:00:36] Wait a minute, so what you guys...

[00:00:36 - 00:00:38] Wait a minute here, you guys are confusing me.

[00:00:38 - 00:00:43] See, over here, you really gotta work your ass off to get through college means something.

[00:00:43 - 00:00:47] You can't complete college by the time you're fucking 19 over here.

[00:00:47 - 00:00:48] Yeah, exactly.

[00:00:48 - 00:00:50] Uh, yes, you can, over here.

[00:00:51 - 00:00:52] Takes like four years, man.

[00:00:53 - 00:00:53] Yeah, so?

[00:00:53 - 00:00:55] I finished the fucking four years.

[00:00:55 - 00:00:55] What do you mean four years?

[00:00:55 - 00:00:58] You don't get out of high school here until you're 17.

[00:01:00 - 00:01:03] When did you get out of high school there?

[00:01:03 - 00:01:04] Sixteen.

[00:01:04 - 00:01:05] Sixteen.

[00:01:05 - 00:01:07] Sixteen, yeah.

[00:01:07 - 00:01:09] I had the whole...

[00:01:09 - 00:01:12] But it's two years then, you know, nineteen.

[00:01:12 - 00:01:14] So how long is high school over there?

[00:01:14 - 00:01:16] Is it four years like it is over here?

[00:01:16 - 00:01:17] Yeah, four years.

[00:01:17 - 00:01:18] Four years?

[00:01:18 - 00:01:19] Yes.

[00:01:19 - 00:01:20] Wow, okay.

[00:01:20 - 00:01:22] So four years, and then you get out.

[00:01:22 - 00:01:23] So you...

[00:01:23 - 00:01:25] Wait a minute here.

[00:01:25 - 00:01:29] It's ninth, tenth, eleventh, and twelfth.

[00:01:30 - 00:01:38] You go in at, typically, over here we start in September, so we'll say that you're 14 when you go into the 9th grade.

[00:01:39 - 00:01:39] Yeah.

[00:01:39 - 00:01:44] 14, you go into the 10th grade when you're 15.

[00:01:44 - 00:01:47] You start high school about 13 or 14.

[00:01:48 - 00:01:48] Yeah.

[00:01:49 - 00:01:53] Yeah, typically 13 when you're in 9th grade.

[00:01:53 - 00:01:55] Yeah, 9th grade, typically 13.

[00:01:55 - 00:01:56] I don't know what 9th grade is.

[00:01:56 - 00:01:57] We don't have that shit.

[00:01:57 - 00:01:57] [Uncertain recognition] No.

[00:02:00 - 00:02:01] and then high school, college, university.

[00:02:02 - 00:02:06] And before that, you have like a pre-teen, like babies.

[00:02:06 - 00:02:07] No, you can go to uni.

[00:02:07 - 00:02:08] No, you can go to uni.

[00:02:09 - 00:02:12] Well, most people started when like 20 or something, 21,

[00:02:13 - 00:02:15] and then they finished when they're 30, when university.

[00:02:15 - 00:02:16] Well, not usually, no.

[00:02:18 - 00:02:23] I don't think of it as like a private school or a middle school or something.

[00:02:23 - 00:02:29] No, university is like after college, you know, for the really complicated.

[00:02:30 - 00:02:35] There you go, you go, so you've got, you, you, what, what, how old are you when you start school over there?

[00:02:36 - 00:02:37] Oh, which school?

[00:02:37 - 00:02:38] Four or something?

[00:02:38 - 00:02:40] Like little school, like, like, kinder, we call it kindergarten.

[00:02:41 - 00:02:43] Are you like two or three or four or five?

[00:02:43 - 00:02:44] Three or four?

[00:02:44 - 00:02:45] [Uncertain recognition] I don't know.

[00:02:45 - 00:02:46] Three or four?

[00:02:46 - 00:02:47] Yeah.

[00:02:47 - 00:02:49] And then you go to that for how long?

[00:02:50 - 00:02:51] [Uncertain recognition] Depends.

[00:02:53 - 00:02:55] Then you go to another school.

[00:02:56 - 00:02:57] When you find any...

[00:02:57 - 00:02:59] So like middle school and then you got high school.

[00:03:00 - 00:03:14] Yeah, let's see. You start, like I said, you have this really crappy school for babies, and then little school, then high school, and then college, university.

[00:03:14 - 00:03:16] Okay, yeah, same here over here. Same here.

[00:03:16 - 00:03:18] It's pretty much the same, I guess.

[00:03:18 - 00:03:22] You got basically synagogue, which we call, you slide right into elementary grade school.

[00:03:23 - 00:03:25] Fuck you, but I can't have all. Fuck you, buddy.

[00:03:30 - 00:03:35] finish high school when you're like 20 because I remember all the films and shit they all have

[00:03:35 - 00:03:44] like cars and stuff like that no they're allowed to drive when they're young yeah you can get your

[00:03:44 - 00:03:52] license when you're 16 so they can die sooner that's exactly right that's what happens a lot

[00:03:52 - 00:03:56] of times that's what happens I think it's because they get a credit card and shit like that is

[00:04:00 - 00:04:05] No, listen, most kids that get cars, and that isn't even the case anymore.

[00:04:06 - 00:04:09] Only in rural areas, do you see that?

[00:04:10 - 00:04:14] And that's because you don't see it in the city.

[00:04:14 - 00:04:15] You don't see it in the city.

[00:04:16 - 00:04:19] You see it in the rural, in the suburbs.

[00:04:20 - 00:04:21] You see kids with cars.

[00:04:22 - 00:04:23] And not all kids.

[00:04:23 - 00:04:27] There's only a percentage that have cars, and those are the kids.

[00:04:27 - 00:04:27] Are niggers.

[00:04:29 - 00:04:29] Huh?

[00:04:30 - 00:04:31] Those are the niggers.

[00:04:33 - 00:04:46] Well, quite personally, they're targeted because most people assume that they know where they're getting their money.

[00:04:46 - 00:04:49] And a lot of times, they are correct.

[00:04:49 - 00:04:49] They're black, and they steal your money.

[00:04:51 - 00:04:58] Hey, listen, you want to see the reality of what's going on?

[00:04:58 - 00:04:58] [Uncertain recognition] Huh?

[00:05:00 - 00:05:03] No. It's like being black is cool there.

[00:05:04 - 00:05:05] [Uncertain recognition] We are here?

[00:05:05 - 00:05:06] Yeah.

[00:05:06 - 00:05:06] No.

[00:05:06 - 00:05:07] No.

[00:05:07 - 00:05:09] Being black is a sin there.

[00:05:09 - 00:05:13] No, because if you look at the commercials everywhere, like in New York City,

[00:05:14 - 00:05:17] it's always like black guys being rappers, and there's like white sluts.

[00:05:17 - 00:05:22] Yeah, yeah, and see, that's been a major issue in this country.

[00:05:23 - 00:05:24] But at least we don't have Mexicans.

[00:05:25 - 00:05:27] That's pretty disgusting, to be honest.

[00:05:27 - 00:05:28] Oh, yeah.

[00:00:00 - 00:00:02] See, the whole thing here, the whole thing here...

[00:00:02 - 00:00:04] Google, we're disconnecting in about five minutes.

[00:00:05 - 00:00:06] Oh, well, okay, that's good.

[00:00:07 - 00:00:13] But listen, the point is that a lot of the black community,

[00:00:13 - 00:00:18] the older guys in the black community, what they call the black leadership...

[00:00:18 - 00:00:20] The black society, black band.

[00:00:20 - 00:00:23] ...they're now standing up and saying,

[00:00:30 - 00:00:36] we've got to start standing up for what is right and now you've got black leaders

[00:00:36 - 00:00:49] because 70% 70% 70% of black males father children and never marry the

[00:01:00 - 00:01:05] 8 million, we'll say, 8 million and change, people in our prisons.

[00:01:07 - 00:01:10] And a prison term over here is anything five years or longer.

[00:01:10 - 00:01:11] That's prison.

[00:01:11 - 00:01:19] If you haven't been sentenced to at least five years, then you're serving your time in what we call jail.

[00:01:30 - 00:01:32] Just a million?

[00:01:32 - 00:01:38] The reason, you see, and it's not that they are inherently bad people.

[00:01:38 - 00:01:39] Yes, they are.

[00:01:39 - 00:01:43] It's that they have been inherently fed a bunch of shit.

[00:01:43 - 00:01:45] It's about their community, which they grew up to.

[00:01:45 - 00:01:47] That's exactly right.

[00:01:47 - 00:01:49] It's like the Jews.

[00:01:49 - 00:01:51] And it's anger.

[00:01:51 - 00:01:53] They steal your gold and your money.

[00:02:00 - 00:02:05] Go from the one racial subject that he's not racist on.

[00:02:05 - 00:02:08] Listen, you guys are hearing it right from the horse's mouth here.

[00:02:09 - 00:02:12] Do you know that there's the...

[00:02:12 - 00:02:13] The Mexican?

[00:02:13 - 00:02:14] What's a...

[00:02:15 - 00:02:15] Huh?

[00:02:15 - 00:02:16] Okay.

[00:02:17 - 00:02:18] It is.

[00:02:18 - 00:02:21] It's an MS-13 or something like that.

[00:02:21 - 00:02:24] Yeah, what's with Maria Salvatore 13?

[00:02:25 - 00:02:25] International.

[00:02:30 - 00:02:39] in the southwest that believe that we stole those states from mexico and technically speaking we did

[00:02:41 - 00:02:45] you know we we had a war hold on for a second my mom's calling and hold on

[00:02:46 - 00:02:49] is she still alive sweetie did she get you a sandwich i sent you

[00:03:00 - 00:03:03] I gotta hack the Gibson 10 more minutes, mom.

[00:03:03 - 00:03:04] Keep me alone, man.

[00:03:04 - 00:03:06] I'm hacking the Gibson.

[00:03:09 - 00:03:11] Yeah, I'm hacking the Gibson.

[00:03:11 - 00:03:13] Oh, yeah, it's my birthday coming up. I forgot about that.

[00:03:13 - 00:03:15] No, no, not for my birthday.

[00:03:16 - 00:03:19] Yeah, he's scorpion as well.

[00:03:20 - 00:03:22] Who gets the fuck?

[00:03:22 - 00:03:24] That means he's...

[00:03:24 - 00:03:26] His birthday is in November.

[00:03:26 - 00:03:28] Like mine.

[00:03:30 - 00:03:40] uh yeah my birthday's in a few days guys i know might as well don't you remember i know same

[00:03:40 - 00:03:47] birthday same birthday right oh wait which uh when you like uh second of november right

[00:03:47 - 00:03:54] nope first oh okay minus the third you're the third well close enough yeah

[00:04:00 - 00:04:02] Got it done, Marshall.

[00:04:02 - 00:04:03] Shut the fuck up.

[00:04:04 - 00:04:04] You know something?

[00:04:05 - 00:04:08] Well, no, that'd be cool, because when I get over there and we go out and party,

[00:04:08 - 00:04:12] we can bring Marcel along, and he can be our ginger,

[00:04:13 - 00:04:16] and he can be saying that while we're gingering him.

[00:04:18 - 00:04:20] Just the fact that he's ginger is so funny.

[00:04:22 - 00:04:27] Seriously, guys, that's the only thing that is pissing me off

[00:04:27 - 00:04:29] is that I'm not a ginger and my name is not Marcel.

[00:04:30 - 00:04:38] seriously i wouldn't even care if you knew my real well i do but you but but you but you know

[00:04:38 - 00:04:44] we love you right no we still love you i don't want to be loved by a 50 year old man a rare ginger

[00:04:44 - 00:04:55] you don't know you you've got no concept yeah i care data packets apart we all care about you

[00:05:00 - 00:05:04] It's not Eros, love, I love you with Tom.

[00:05:04 - 00:05:05] It's Fizejo.

[00:05:06 - 00:05:08] By the way, do you know that's where we get Philadelphia?

[00:05:08 - 00:05:09] Do you know what Philadelphia means?

[00:05:09 - 00:05:11] That means a city of brotherly love.

[00:05:11 - 00:05:13] Philadelphia, you know, that movie with the Hanks where he's gay?

[00:05:15 - 00:05:16] No, no.

[00:05:16 - 00:05:21] That's, I mean, it was shot in Philadelphia, which is really weird.

[00:05:21 - 00:05:27] But Philadelphia means a city of brotherly love.

[00:05:27 - 00:05:28] Exactly, which means gay.

[00:05:30 - 00:05:32] Like if you've got a brother or a sister, you love them?

[00:05:33 - 00:05:34] No.

[00:05:34 - 00:05:35] It doesn't mean gay, Tom.

[00:05:35 - 00:05:36] I know.

[00:05:36 - 00:05:36] Brotherly love.

[00:05:36 - 00:05:37] No, it doesn't.

[00:05:38 - 00:05:39] Brotherly love.

[00:05:39 - 00:05:40] Brows before hosts.

[00:05:41 - 00:05:43] Brows before hosts.

[00:05:44 - 00:05:45] So you've got three kinds of love, Tom.

[00:05:45 - 00:05:47] You've got eros.

[00:05:48 - 00:05:53] Eros means erotic or love between a man and a woman or gays or whatever.

[00:05:54 - 00:05:54] It's sexual.

[00:05:55 - 00:05:56] It's sexual.

[00:05:56 - 00:05:56] It's sexual.

[00:05:56 - 00:05:58] You've got filejo.

[00:05:58 - 00:05:59] That's brotherly.

[00:06:00 - 00:06:04] And then you've got agape, and that's God, love of God.

[00:06:05 - 00:06:08] And then you've got, what's it called again, where you love objects.

[00:06:09 - 00:06:15] There are like nine cases on the world where people love objects.

[00:06:16 - 00:06:18] Like they want to marry a bridge.

[00:06:19 - 00:06:21] Oh, okay, I see.

[00:06:21 - 00:06:25] And then you've got, but see, that's not really love.

[00:06:25 - 00:06:26] See, that would be aeroslut.

[00:06:30 - 00:06:33] I mean, unless it's like, you know, you want to have sex with your computer.

[00:06:35 - 00:06:37] Oh, Kun, that's that all the time.

[00:06:38 - 00:06:39] You want to have sex with your computer or something?

[00:06:39 - 00:06:41] I have sex with your computer all the time.

[00:06:41 - 00:06:42] I guess that would be considered...

[00:06:42 - 00:06:45] I insert my dick in the floppy disk, if you know what I mean.

[00:06:45 - 00:06:47] I'm downloading, Mom. I'm downloading.

[00:06:48 - 00:06:49] I'm downloading, Mom.

[00:06:53 - 00:06:54] Yeah, I can see that.

[00:06:55 - 00:06:56] Plugging my USB on the computer, Mom.

[00:06:57 - 00:06:59] I guess that's where the term skinny dick comes from.

[00:07:00 - 00:07:02] Oh, I guess so.

[00:07:02 - 00:07:06] Hey, Google is going to disconnect us soon.

[00:07:06 - 00:07:07] That's fine.

[00:07:07 - 00:07:08] Oh, okay.

[00:07:08 - 00:07:13] Yeah, last time I couldn't call back because it wouldn't work.

[00:07:13 - 00:07:14] [Uncertain recognition] Yeah.

[00:07:14 - 00:07:16] Oh, not a big deal.

[00:07:16 - 00:07:17] Medic!

[00:07:17 - 00:07:19] Medic!

[00:07:19 - 00:07:23] So, anyway, but...

[00:07:30 - 00:07:36] such a beautiful uh singing voice no of course not well i thought he

[00:07:36 - 00:07:42] oh yeah i'm talking about the voice yeah tom's a lonely child

[00:07:42 - 00:07:48] marshall not tom oh marshall yeah marshall's a lonely child i know it's i'll say tom because

[00:07:48 - 00:07:54] i'm used to it but all right fuck it i'm going to bomb your house i'm going to bomb your house

[00:08:00 - 00:08:02] Your shop is just lonely, Jim.

[00:08:02 - 00:08:11] Oh yeah, you be careful about who enters your shop, because people are going to send you stuff, or deliver stuff.

[00:08:13 - 00:08:14] Well, I'm going to actually deliver.

[00:08:15 - 00:08:21] Well, you just be careful with what you say around the shop. Maybe we'll track it.

[00:08:23 - 00:08:23] Oh, okay.

[00:08:25 - 00:08:25] Oh, okay.

[00:08:27 - 00:08:28] Yeah, there might be some...

[00:08:30 - 00:08:36] locked. Nobody can get in the shop. No? But how do you make a good income, then?

[00:08:36 - 00:08:41] No, when somebody comes to the door, I open the door and say, what the fuck do you want?

[00:00:00 - 00:00:01] I didn't even get it. I just said, no, no, I don't know.

[00:00:06 - 00:00:09] Hey, I heard a thing with this guy, Brett Favre, that guy.

[00:00:09 - 00:00:15] He said he was addicted to, um, to, um, what was those things?

[00:00:15 - 00:00:15] Vicodin.

[00:00:15 - 00:00:20] He said, oh, man, he said the hardest thing in the world he ever had to kick was Vicodin.

[00:00:20 - 00:00:23] And I'm thinking, man, Vicodin? Are you kidding me?

[00:00:23 - 00:00:24] Why did they ever do that shit?

[00:01:30 - 00:01:32] It was, you know, it was getting too expensive for me.

[00:01:32 - 00:01:33] And meth was a lot cheaper.

[00:01:34 - 00:01:36] So meth is like speed.

[00:01:37 - 00:01:38] Exactly.

[00:01:38 - 00:01:39] Yeah, exactly.

[00:01:40 - 00:01:41] But doesn't it make you look really ugly?

[00:01:41 - 00:01:44] I don't know how old you guys are, but they used to have stuff called cross tops.

[00:01:45 - 00:01:47] They were like these little white pills.

[00:01:47 - 00:01:49] And that was just like meth to me.

[00:01:49 - 00:01:51] You know, I used to crush those up and snort them.

[00:01:51 - 00:01:53] But a lot of people used to just drop them.

[00:01:54 - 00:01:55] I used to crush them up and snort them.

[00:01:55 - 00:01:59] And it was like really close to, that was close to meth back in the day.

[00:02:00 - 00:02:09] Yeah, but we didn't really have that back in the day because we were pretty young.

[00:02:09 - 00:02:17] Yeah, that's what I'm talking about. Since back when I was in high school, it was big.

[00:02:17 - 00:02:22] I'm 19 right now and I've been doing stuff when I was 13.

[00:02:22 - 00:02:25] Oh, okay. So you weren't even alive.

[00:02:25 - 00:02:27] I just turned 20 today.

[00:02:30 - 00:02:31] You've got a lot of living to do.

[00:02:31 - 00:02:33] I've still got a lot of shit to do.

[00:02:33 - 00:02:38] You know, all this stuff now that you hear now, you know, in 30 years,

[00:02:38 - 00:02:40] you'll be able to talk to somebody and say,

[00:02:40 - 00:02:42] Hey, man, do you remember, you know, Crystal Meta?

[00:02:42 - 00:02:44] They'll say, What? What the heck was that?

[00:02:45 - 00:02:47] Oh, yeah, that was the thing back in the day.

[00:02:47 - 00:02:49] And they're like, No, we're using something else.

[00:02:49 - 00:02:52] Now they're going to have some other kind of stuff out there.

[00:02:52 - 00:02:52] You're using Spacecraft 3,000.

[00:02:53 - 00:02:57] Exactly. Exactly. We're all Space Dog. It's cool, man.

[00:02:57 - 00:02:59] It's all about the Space Dog nowadays, man.

[00:03:00 - 00:03:03] I got to get a bag of space, dog, and snorty.

[00:03:06 - 00:03:06] Man.

[00:03:08 - 00:03:10] They're all screwed up and shit, aren't they?

[00:03:10 - 00:03:12] No, I don't do drugs, man.

[00:03:12 - 00:03:13] You guys are fucking drugs.

[00:03:13 - 00:03:14] That's good.

[00:03:14 - 00:03:15] That's good.

[00:03:15 - 00:03:17] I actually care about my body.

[00:03:19 - 00:03:19] Well, that's the best.

[00:03:20 - 00:03:22] You know something you got to take care of.

[00:03:22 - 00:03:24] It's the only thing you got to take you around.

[00:03:25 - 00:03:26] I'm serious.

[00:03:26 - 00:03:27] I screwed mine up pretty bad.

[00:03:27 - 00:03:28] I'm lucky to be where I am.

[00:03:28 - 00:03:29] Yeah, but what the fuck?

[00:03:30 - 00:03:36] life is just about dying anyway now it's also about living exactly yeah living the best you

[00:03:36 - 00:03:42] can living the moment my friends you're just a living time bomb exactly if you live the moment

[00:03:42 - 00:03:47] you can take drugs all you want because you don't know when you're going to die either way well i

[00:03:47 - 00:03:54] still have fun if you don't do drugs you can yeah sitting around your computer all that so that's

[00:04:00 - 00:04:04] A lot of people don't because you have no right to talk about that because you never did it.

[00:04:05 - 00:04:11] I never did cocaine, but I did weed, I did alcohol, but yeah, well, it's not much, but fuck you.

[00:04:12 - 00:04:14] You can get that down the street now.

[00:04:14 - 00:04:19] You can go, they have like all those, what are those things, collective pieces now.

[00:04:19 - 00:04:21] We're Dutch, we don't pay shit for drugs.

[00:04:21 - 00:04:22] Any drug we can get.

[00:04:22 - 00:04:23] Yeah, see, that's cool.

[00:04:24 - 00:04:26] Yeah, that's all socialized medicine, right?

[00:04:26 - 00:04:27] Yeah, kind of.

[00:04:30 - 00:04:40] But I can't believe that they're actually proud that you're a coke doing guy, like you're so proud of it.

[00:04:40 - 00:04:41] Look, Tom.

[00:04:41 - 00:04:42] Not really.

[00:04:42 - 00:04:43] Who, me?

[00:04:43 - 00:04:47] No, not me. I'm not really that proud of it. I'm just, like, I'm used to it.

[00:04:47 - 00:04:51] I'm just not used to it. I'm used to people saying like,

[00:04:51 - 00:04:55] I'm proud of my body, I don't poison it. What the fuck, man? What the fuck are you talking about?

[00:04:55 - 00:04:58] If you can control yourself, it's really fucking fun.

[00:05:00 - 00:05:16] shit yeah I've had some of my worst ones on it too you know you know you can say the same I'm

[00:05:16 - 00:05:21] sure you probably had some really bad but they had really you've had really good times too though

[00:05:21 - 00:05:27] right I mean that's what we all want that's why we do it one of those good times back the only

[00:05:30 - 00:05:30] when you ran out

[00:05:30 - 00:05:33] that was the only bad time I had

[00:05:33 - 00:05:34] when I ran out

[00:05:34 - 00:05:37] 40 occasional

[00:05:37 - 00:05:38] day where

[00:05:38 - 00:05:41] I took too much and it fucked up

[00:05:54 - 00:05:56] I don't know

[00:06:00 - 00:06:01] [Uncertain recognition] He never gave us, then.

[00:06:02 - 00:06:03] [Uncertain recognition] Oh, yeah.

[00:06:07 - 00:06:07] Solomon here.

[00:06:08 - 00:06:08] [Uncertain recognition] Yo.

[00:06:10 - 00:06:11] What can I do to help you?

[00:06:11 - 00:06:12] Huh?

[00:06:14 - 00:06:15] Is it... You asked for Solomon?

[00:06:16 - 00:06:18] No, not really. We were waiting for the other guy.

[00:06:20 - 00:06:23] Oh, okay. He said you were asking for Solomon.

[00:06:24 - 00:06:24] Okay.

[00:06:25 - 00:06:26] [Uncertain recognition] What?

[00:06:27 - 00:06:27] [Uncertain recognition] What the fuck?

[00:06:28 - 00:06:29] What does that mean?

[00:06:30 - 00:06:35] I think he hung up.

[00:06:35 - 00:06:38] No, he's the guy that always shouts.

[00:06:38 - 00:06:39] Hello?

[00:06:39 - 00:06:41] Yeah, he's the guy that always shouts.

[00:06:41 - 00:06:42] [Uncertain recognition] Hey!

[00:06:42 - 00:06:44] Hey, did you just call on the other line?

[00:06:44 - 00:06:45] No, I didn't.

[00:06:45 - 00:06:46] We're not really.

[00:06:46 - 00:06:49] We're not actually calling on different programs at the moment.

[00:06:49 - 00:06:50] There's another guy.

[00:06:50 - 00:06:52] There's another guy just called out there for Solomon.

[00:06:52 - 00:06:53] No, it wasn't.

[00:06:53 - 00:06:54] Yeah, I don't know.

[00:06:54 - 00:06:55] Somebody else.

[00:06:55 - 00:06:56] Yeah, we don't call for Solomon.

[00:06:56 - 00:06:59] We don't know who Solomon is.

[00:07:00 - 00:07:05] So, no, because I put you on hold and I put on the phone and it was somebody who says, hey, you need to speak to Solomon.

[00:07:05 - 00:07:07] And I was like, oh, okay, hang on.

[00:07:07 - 00:07:10] So I told this guy, I said, pick up this line because I'm talking to these dudes.

[00:07:10 - 00:07:10] So he picked it up.

[00:07:11 - 00:07:13] He says, hey, I think it's those guys you're talking to.

[00:07:13 - 00:07:15] I said, no, I got them on hold right here.

[00:07:17 - 00:07:20] Wait, this is, hang on, hang on, hang on.

[00:07:22 - 00:07:23] Tonight we're actually taking it easy.

[00:07:27 - 00:07:28] I'm proud of my body.

[00:07:30 - 00:07:32] Whatever dude

[00:07:32 - 00:07:34] That's just my moral choice

[00:07:34 - 00:07:36] I don't give a fuck

[00:07:36 - 00:07:38] What do you choose?

[00:07:38 - 00:07:40] I'm gonna be happy because I look like Tom Cruise

[00:07:40 - 00:07:42] And I'm going to join Scientology as well

[00:07:42 - 00:07:44] Whatever

[00:07:44 - 00:07:46] I'm gonna join Scientology

[00:07:46 - 00:07:48] No, fuck no, never

[00:07:48 - 00:07:50] God, shut up

[00:07:50 - 00:07:52] Don't look like Tom Cruise

[00:07:52 - 00:07:54] I do not look like Tom Cruise

[00:07:54 - 00:07:56] I do not look like Tom Cruise

[00:07:56 - 00:07:58] So shut up

[00:08:00 - 00:08:03] Nothing. He's just being an asshole.

[00:08:03 - 00:08:07] No, not really. My friend doesn't want to do drugs because he looks like Tom Cruise now.

[00:08:07 - 00:08:10] I don't look like Tom Cruise. Fuck you.

[00:08:10 - 00:08:11] Yes, he does.

[00:08:11 - 00:08:12] You look like Tom Cruise?

[00:08:12 - 00:08:13] I do not look like Tom Cruise.

[00:08:13 - 00:08:17] He does look like Tom Cruise quite a bit.

[00:08:17 - 00:08:18] Fuck you.

[00:08:18 - 00:08:21] It's worse, right?

[00:08:21 - 00:08:23] Oh, I don't know.

[00:08:23 - 00:08:29] So anyway, you guys don't even drink or nothing, huh?

[00:08:30 - 00:08:44] No I drink, I just came back actually for having a couple of drinks but I just try to uh...

[00:08:44 - 00:08:47] You don't go crazy though, you're not like me.

[00:08:47 - 00:08:49] No, I just have some self control.

[00:08:49 - 00:08:54] I used to do drugs like 4 or 5 times a week.

[00:08:54 - 00:08:57] You used to do what? How much?

[00:09:00 - 00:09:06] Well, that's not too bad shit, I mean, people take your job and go to school or do whatever

[00:09:06 - 00:09:10] you need to do, and it's not affecting your life, what the heck?

[00:09:10 - 00:09:14] Well, it was, and also drinking every day, so...

[00:09:14 - 00:09:21] Well, you sound like you, you know, you've got things under control, so...

[00:09:21 - 00:09:23] It's a part different from my story.

[00:09:23 - 00:09:27] I kind of fucked up my, uh, my, uh, organ spit.

[00:09:28 - 00:09:29] You what?

[00:09:30 - 00:09:32] I fucked up my health a bit.

[00:09:32 - 00:09:33] Oh.

[00:09:33 - 00:09:35] Oh, I can't remember my bunny.

[00:09:37 - 00:09:40] Yeah, I actually fucked up my health a bit.

[00:09:40 - 00:09:42] Oh, I thought you didn't care about that.

[00:09:42 - 00:09:45] I don't care about it. I just fucked up a bit.

[00:09:45 - 00:09:46] Yeah.

[00:09:46 - 00:09:47] Why are you laughing?

[00:09:47 - 00:09:49] Let's just a little bit.

[00:09:49 - 00:09:50] [Uncertain recognition] I'm not laughing.

[00:09:50 - 00:09:52] No, the other guy was laughing.

[00:09:52 - 00:09:54] Oh, yeah.

[00:09:54 - 00:09:56] Hey, you want to call Chris?

[00:09:56 - 00:09:58] I just want to know why you're laughing.

[00:09:58 - 00:09:59] What's that?

[00:10:00 - 00:10:01] Oh, why are you laughing? I don't really give a fuck.

[00:10:02 - 00:10:07] Well, if you don't, you know, if you don't care that you messed up your house, you know, shoot.

[00:10:08 - 00:10:11] No, I don't really give a fuck. Seriously.

[00:10:12 - 00:10:14] Hey, Tom, you want to call Chris?

[00:10:17 - 00:10:20] Yeah, wasn't it? Yeah, I'm not sure.

[00:10:21 - 00:10:22] What's your name anyway, dude?

[00:10:23 - 00:10:23] Huh?

[00:10:24 - 00:10:25] What's your first name anyway?

[00:10:25 - 00:10:25] I'm the Kelp.

[00:10:26 - 00:10:26] The Kelp?

[00:10:27 - 00:10:27] [Uncertain recognition] Huh?

[00:10:27 - 00:10:28] Jeremy.

[00:10:46 - 00:10:49] No, no, it's like Google, Google 401.

[00:11:06 - 00:11:07] Oh, okay.

[00:11:11 - 00:11:13] Belmont, Massachusetts.

[00:11:13 - 00:11:15] What business name or category?

[00:11:15 - 00:11:16] Data recovery.

[00:11:17 - 00:11:18] It's a...

[00:11:24 - 00:11:25] Top listing.

[00:11:26 - 00:11:26] More results.

[00:11:26 - 00:11:29] That boy's data recovery on Belmont Street.

[00:11:30 - 00:11:30] I'll connect you.

[00:11:30 - 00:11:31] Connect me.

[00:12:09 - 00:12:09] Yeah.

[00:12:09 - 00:12:10] How old is your birthday?

[00:12:10 - 00:12:14] Yeah, it was like on the Halloween weekend.

[00:12:14 - 00:12:16] Hey, by the way, do you guys do Halloween over there?

[00:12:16 - 00:12:16] [Uncertain recognition] Yeah.

[00:12:17 - 00:12:18] Well, not really that big.

[00:12:18 - 00:12:19] Oh, I had a frisome.

[00:12:19 - 00:12:23] I had a frisome with two girls dressed up as devils.

[00:12:23 - 00:12:24] It was really nice.

[00:12:24 - 00:12:25] Oh, man.

[00:00:09 - 00:00:11] No, it's like, uh, not as big as in America.

[00:00:13 - 00:00:17] I'll tell you what, man, there's some gorgeous chicks walking, just a gorgeous chick just walked by.

[00:00:18 - 00:00:19] Yeah, they're all dressed for the slimy.

[00:00:20 - 00:00:21] I love it.

[00:00:41 - 00:00:42] Yeah, I'm here.

[00:00:42 - 00:00:44] Oh, what's up, Jeremy?

[00:00:44 - 00:00:45] What's up?

[00:00:45 - 00:00:47] Here's our friend Chris.

[00:00:47 - 00:00:48] Where's Chris?

[00:00:48 - 00:00:49] Where is he?

[00:00:49 - 00:00:50] Chris?

[00:00:50 - 00:00:51] He's from Boston.

[00:00:51 - 00:00:52] Oh.

[00:00:52 - 00:00:53] Was he off the line then?

[00:00:53 - 00:00:54] Yeah, he's on the scene.

[00:00:54 - 00:00:55] Yeah, where are you from, Jeremy?

[00:00:55 - 00:00:56] He's his birthday?

[00:00:56 - 00:00:57] It was his birthday?

[00:00:57 - 00:00:58] Yep.

[00:00:58 - 00:00:59] Yeah, yesterday.

[00:01:00 - 00:01:01] Happy birthday, Chris.

[00:01:02 - 00:01:02] It's my birthday today.

[00:01:02 - 00:01:03] Where are you from?

[00:01:04 - 00:01:04] Huh?

[00:01:05 - 00:01:05] We're in L.A.

[00:01:05 - 00:01:06] Where are you from?

[00:01:06 - 00:01:07] [Uncertain recognition] Huh?

[00:01:07 - 00:01:07] L.A.

[00:01:08 - 00:01:08] Ireland.

[00:01:08 - 00:01:09] L.A.?

[00:01:09 - 00:01:10] I'm from Ireland, yeah.

[00:01:10 - 00:01:11] But I'm in L.A. now.

[00:01:11 - 00:01:11] Well, fantastic.

[00:01:13 - 00:01:13] Yeah, how about you?

[00:01:13 - 00:01:14] Where are you, in Boston?

[00:01:15 - 00:01:17] Yeah, I'm on the right coast.

[00:01:17 - 00:01:18] Cool.

[00:01:18 - 00:01:19] You're on the wrong coast.

[00:01:19 - 00:01:22] Hey, you've got the World Series going over there.

[00:01:23 - 00:01:24] Yeah, we do.

[00:01:24 - 00:01:25] We do, as a matter of fact.

[00:01:25 - 00:01:27] As a matter of fact, I've got to turn that on.

[00:01:30 - 00:01:34] gone so far. I'm surprised. I know. I know. Phillies are giving them a little tough time.

[00:01:35 - 00:01:39] Well, I was surprised last night. Yeah, it was interesting. What happened to the Angels and

[00:01:39 - 00:01:44] the Dodgers, huh? Oh, my gosh. Yeah, what are you going to do? Down the tubes. But anyways,

[00:01:44 - 00:01:51] um, what's it, guys? So, uh, let me see if it's, what time is it? It's, it's. Yeah, I know.

[00:01:52 - 00:01:57] It's three hours back there. So, oh, the game's already started. Yeah, I just got done working.

[00:02:00 - 00:02:01] Scott, back from celebrating birthday.

[00:02:02 - 00:02:03] Hey, you guys.

[00:02:03 - 00:02:04] Oh, that's right, too.

[00:02:04 - 00:02:05] It's your birthday.

[00:02:05 - 00:02:06] Happy birthday, dude.

[00:02:06 - 00:02:07] Thank you.

[00:02:07 - 00:02:08] What were you saying, Jeremy?

[00:02:09 - 00:02:09] Call me back.

[00:02:09 - 00:02:11] I'm going to see if I can get this game on the TV,

[00:02:11 - 00:02:12] because they got a TV here.

[00:02:13 - 00:02:13] Call me back.

[00:02:14 - 00:02:14] All right.

[00:02:15 - 00:02:16] What game is this?

[00:02:16 - 00:02:17] You guys talking to me.

[00:02:17 - 00:02:20] That was a guy from Alcoholics Anonymous that we actually talked about.

[00:02:20 - 00:02:20] You're a shit.

[00:02:21 - 00:02:22] No, seriously.

[00:02:22 - 00:02:24] It's one of the people from Alcoholics Anonymous.

[00:02:25 - 00:02:27] We've been talking to him for a couple hours now.

[00:02:30 - 00:02:33] So, happy birthday, Coon.

[00:02:33 - 00:02:35] And how old were you yesterday?

[00:02:35 - 00:02:37] Yesterday I was 19, now I'm 20.

[00:02:39 - 00:02:41] Wow, dude, man, you're cruising.

[00:02:41 - 00:02:43] Next thing you fucking know, you'll be 25.

[00:02:44 - 00:02:45] Oh, yeah, great.

[00:02:47 - 00:02:48] Oh, shut up.

[00:02:48 - 00:02:52] See, your voice doesn't sound like you're 20.

[00:02:52 - 00:02:55] I know, I know, it sounds like a rapist or something.

[00:02:55 - 00:02:56] He sounds like a pedophile a bit.

[00:02:56 - 00:02:57] Yeah, I know.

[00:02:57 - 00:02:59] He sounds a bit like a pedophile.

[00:03:00 - 00:03:00] Thank you.

[00:03:02 - 00:03:07] Okay, gentlemen, why don't we drop the pedophile bullshit or the pedophile?

[00:03:07 - 00:03:08] Do you think I sound like a pedophile?

[00:03:09 - 00:03:09] Exactly.

[00:03:09 - 00:03:13] No, I think you sound like an older guy.

[00:03:13 - 00:03:16] I think you sound like an older guy, and there's a lot.

[00:03:17 - 00:03:22] And, Tom, you could talk about the kinky shit, you know, like the threesomes with the two chicks.

[00:03:22 - 00:03:25] That's a lot more interesting to talk about than the other bullshit.

[00:03:26 - 00:03:27] Why is that interesting for you?

[00:03:30 - 00:03:33] No, it's a lot more interesting than the other shit.

[00:03:34 - 00:03:35] Yeah, tell us about it, man.

[00:03:36 - 00:03:37] Tell us about it, Marshall.

[00:03:38 - 00:03:38] Yeah, tell us about it.

[00:03:38 - 00:03:42] So, give us blow by blow.

[00:03:44 - 00:03:49] Well, I was at the Halloween party from some pigs we met on holiday.

[00:03:50 - 00:03:53] We drove up to there with the car, and then we got private fucking drunk,

[00:03:53 - 00:03:55] and then I did them in the bathroom.

[00:03:57 - 00:03:57] [Uncertain recognition] Wow.

[00:04:00 - 00:04:00] Yeah, did they have big kids?

[00:04:01 - 00:04:03] Yeah, pretty much for their age.

[00:04:04 - 00:04:06] Don't tell me they were like 14.

[00:04:06 - 00:04:06] How old were they?

[00:04:07 - 00:04:09] No, they were like 17, 18.

[00:04:09 - 00:04:14] But they're really high-class girls with a lot of money from Amsterdam,

[00:04:14 - 00:04:16] from the rich neighborhood of Amsterdam.

[00:04:17 - 00:04:17] Oh, cool.

[00:04:18 - 00:04:19] Yeah, pretty fun.

[00:04:19 - 00:04:23] So would you go up to one of their parents' cabins or something?

[00:04:23 - 00:04:24] [Uncertain recognition] No, no, no.

[00:04:24 - 00:04:27] They were one of their, how do you call it, a grachterbomb.

[00:04:30 - 00:04:31] Like a dorm?

[00:04:31 - 00:04:39] No, no, like in Amsterdam, you have really expensive buildings next to the channels.

[00:04:40 - 00:04:41] Yeah, I'm seeing the channels.

[00:04:41 - 00:04:42] Oh, like apartments, condos?

[00:04:42 - 00:04:47] Yeah, well, buildings, and they're like really old and really fucking expensive.

[00:04:48 - 00:04:48] Really?

[00:04:49 - 00:04:52] Yeah, it costs over $2 million to buy, and it's really small.

[00:05:00 - 00:05:09] refer to over here as the red light district. There's a hotel. There's a little plaza. I

[00:05:09 - 00:05:17] mean, it's like, it's like right there, right there, right across. I went to a hotel with

[00:05:17 - 00:05:21] a friend of mine because I was supposed to stay with a buddy because I wanted the room

[00:05:21 - 00:05:25] and the guy thought we were gay or something. And he was like, and you guys have a lot of

[00:05:30 - 00:05:31] or something, so don't go there.

[00:05:31 - 00:05:33] Fuck, my, my, my, listen.

[00:05:35 - 00:05:35] What'd you say?

[00:05:35 - 00:05:38] Listen, me and my buddy, my buddy took me to the movies.

[00:05:39 - 00:05:41] His wife, his wife was studying.

[00:05:41 - 00:05:41] That's how it starts.

[00:05:42 - 00:05:43] [Uncertain recognition] That's how it starts.

[00:05:48 - 00:05:50] Tom, you're fucking something.

[00:05:50 - 00:05:51] Did you get a good night kiss?

[00:05:52 - 00:05:55] So, but anyways, but you know something?

[00:05:56 - 00:05:58] Hey, fuck what anybody else thinks.

[00:06:00 - 00:06:03] else thinks coon, you know, me and my buddy are going to go over there.

[00:06:04 - 00:06:06] Oh, I don't like men, but the guys thought that.

[00:06:07 - 00:06:09] No, the guys buddy around.

[00:06:09 - 00:06:15] Hey, listen, listen, when you guys buddy around, do you give a fuck what anybody else thinks?

[00:06:15 - 00:06:17] No, they're not paying your fucking bills.

[00:06:17 - 00:06:21] No, I was just really drunk back then, and I don't even remember.

[00:06:23 - 00:06:25] Hey, do you guys hit the guest house?

[00:06:25 - 00:06:27] I mean, the guest house, coffee house.

[00:06:27 - 00:06:28] Guest house, that's Germany.

[00:06:29 - 00:06:29] Coffee house.

[00:06:30 - 00:06:31] I had some really nice black coffee.

[00:06:33 - 00:06:34] [Uncertain recognition] Cool, cool.

[00:06:36 - 00:06:37] That's what I'm looking forward to.

[00:06:37 - 00:06:38] I want to take two months.

[00:06:38 - 00:06:40] I want to be there for like,

[00:06:40 - 00:06:41] I want to be in Europe for like two months.

[00:06:41 - 00:06:43] It was a nice Halloween for me.

[00:06:44 - 00:06:45] Yeah, what about you, Chris?

[00:06:45 - 00:06:46] What did you do?

[00:06:47 - 00:06:48] I just worked.

[00:06:49 - 00:06:50] You know, I mean, oh, excuse me.

[00:06:50 - 00:06:51] Last night I went to the,

[00:06:51 - 00:06:52] let me see, was it last night?

[00:06:52 - 00:06:54] No, Sunday night went to the movies.

[00:06:54 - 00:06:57] Saw Law Abiding Citizen.

[00:06:57 - 00:06:59] Law Abiding Citizen.

[00:07:00 - 00:07:00] You've got to see that.

[00:07:01 - 00:07:02] It's freaking good.

[00:07:03 - 00:07:04] I'm not even going to tell you about the end.

[00:07:04 - 00:07:09] I'm a little disappointed about the end, but all in all, it was a pretty good movie.

[00:07:09 - 00:07:11] You guys seen the movie Gamer?

[00:07:11 - 00:07:12] He was a guy from the guy that you were.

[00:07:14 - 00:07:20] He was a co-host of my TV show, PCCommandos.net.

[00:07:21 - 00:07:22] PCCommandos.net.

[00:07:25 - 00:07:26] PCCommandos.net.

[00:07:26 - 00:07:26] PC.

[00:07:27 - 00:07:29] Yeah, Peter's and Peter.

[00:07:30 - 00:07:36] Hey, did you guys see that movie, The Gamer or something, Gamer it's called, I believe?

[00:07:36 - 00:07:37] Did you guys see that?

[00:07:37 - 00:07:37] Gamer?

[00:07:38 - 00:07:38] Yeah.

[00:07:38 - 00:07:40] No, I haven't seen that yet.

[00:07:41 - 00:07:48] I saw something about, oh, oh, the zombie land looks funny.

[00:07:49 - 00:07:51] Oh, man, that's just a horrible movie.

[00:07:51 - 00:07:52] Seriously.

[00:07:53 - 00:07:53] No, it sounds funny.

[00:07:53 - 00:07:54] So it wasn't that funny?

[00:07:55 - 00:07:59] No, it started off pretty good and then just, the fuck, they go to a fucking,

[00:08:00 - 00:08:04] theater park in the middle of the night

[00:08:04 - 00:08:05] when there's, like, zombies everywhere.

[00:08:05 - 00:08:06] How fucking stupid is that?

[00:08:07 - 00:08:07] You know?

[00:08:07 - 00:08:08] That's fucking stupid.

[00:08:08 - 00:08:09] Say, don't you hate that?

[00:08:10 - 00:08:11] Say, you're like Migi-kun.

[00:08:12 - 00:08:13] That's fucking stupid.

[00:08:13 - 00:08:15] It's just like that fucking, uh...

[00:08:15 - 00:08:16] What was that movie?

[00:08:16 - 00:08:17] [Uncertain recognition] Naga Agachita?

[00:08:19 - 00:08:20] No, no, no, no, no.

[00:08:21 - 00:08:21] Kuna Matata?

[00:08:21 - 00:08:23] What was that movie with the guy in the ring?

[00:08:24 - 00:08:24] The ring?

[00:08:24 - 00:08:25] Oh, oh, Lord of the Rings.

[00:08:26 - 00:08:27] I couldn't stand it when that little fucker

[00:08:27 - 00:08:29] kept falling down every time he kept running.

[00:08:30 - 00:08:34] I was going, like, I would have left that guy, put my boots up his ass.

[00:08:34 - 00:08:35] Yeah.

[00:08:35 - 00:08:35] You know?

[00:08:36 - 00:08:40] Yeah, but seriously, you know, it was also full of stereotypes.

[00:08:40 - 00:08:47] And, like, you had the World of Warcraft nerds, and you had, you know, the hot girl, I know, fell for each other.

[00:08:47 - 00:08:49] You had the big cowboy guy, all that bullshit.

[00:08:50 - 00:08:52] Yeah, yeah, it was pretty funny.

[00:08:52 - 00:08:55] It was one of the better sound movies to come out in a long time.

[00:08:56 - 00:08:57] Man, not really.

[00:09:00 - 00:09:29] want to see another one. Oh, it's raining. Actually, I get Netflix delivered to me. You hear that, Tom? I get Netflix delivered to me, so. What the fuck? It's raining. You guys want to see a funny movie? You want to see a funny movie? See Step Brothers. Yeah, it's raining really bad or something. Oh, let me just go grab a remote outside the window. Alright. What did you say, Chris? Um, what do you mean he's got to go outside and have a cigarette? I don't know. It's like fucking raining.

[00:09:30 - 00:09:36] here really bad and it's going outside and it's not raining where he's at really bad so you guys

[00:09:36 - 00:09:42] can't be living too damn close but then again that isn't necessarily true because in texas i was i

[00:09:42 - 00:09:50] was in what's called the r no we live in the same village man so it should be raining yeah it should

[00:09:50 - 00:09:54] be raining there as well but you know you know it can rain it can rain anywhere and it doesn't

[00:09:54 - 00:09:58] really matter where the fuck you live because it can rain on one side of the street and not be

[00:10:00 - 00:10:01] But what did you do for your birthday?

[00:10:02 - 00:10:02] Huh?

[00:10:03 - 00:10:04] What did you do for your birthday?

[00:10:05 - 00:10:06] Just worked?

[00:10:06 - 00:10:08] Well, actually, that was the first.

[00:10:08 - 00:10:09] That was what?

[00:10:09 - 00:10:10] That was Saturday, right?

[00:10:11 - 00:10:13] I don't know when your birthday was.

[00:10:13 - 00:10:15] No, that was Sunday.

[00:10:15 - 00:10:16] Sunday, Sunday, yeah.

[00:10:17 - 00:10:19] Delight savings time ends on the first?

[00:10:19 - 00:10:20] No shit.

[00:10:20 - 00:10:21] Did not know that.

[00:10:23 - 00:10:24] What did you do?

[00:10:24 - 00:10:25] What the fuck is this thing for?

[00:10:26 - 00:10:27] [Uncertain recognition] Fetow it.

[00:10:29 - 00:10:29] [Uncertain recognition] Fetow it.

[00:10:30 - 00:10:31] Why did I write Vito It down there?

[00:10:33 - 00:10:37] Yeah, so that was the day I went to the movies.

[00:10:37 - 00:10:40] Saturday just worked.

[00:10:42 - 00:10:47] And I give myself one more fucking year to come up with the cash and get this thing underway.

[00:10:49 - 00:10:56] So if you guys want to make a buck, if you guys want to assist in trying to raise fucking money,

[00:10:56 - 00:10:59] you can make yourself some serious fucking cash.

[00:11:00 - 00:11:00] How are we going to do that?

[00:11:00 - 00:11:02] Because I'm not going to be doing this much longer, huh?

[00:11:03 - 00:11:04] What do you...

[00:11:04 - 00:11:05] I'm looking...

[00:11:05 - 00:11:10] You research avenues of cash.

[00:11:11 - 00:11:16] If you can point me to somebody that can fund this business,

[00:11:16 - 00:11:26] you will get $120,000 cash the minute that money hits the bank.

[00:11:26 - 00:11:29] So in other words, the money comes in one day, guess what?

[00:11:30 - 00:11:32] At that point, I better have your phone number.

[00:11:33 - 00:11:33] I call you up.

[00:11:33 - 00:11:35] I say, hey, the money just arrived today.

[00:11:35 - 00:11:37] I'm going to be wiring it to your banking account.

[00:11:38 - 00:11:38] All right.

[00:11:38 - 00:11:40] Well, that sounds pretty good.

[00:11:40 - 00:11:43] But do you have, like, good statistics or something?

[00:11:43 - 00:11:45] Like, do you make good profits?

[00:11:46 - 00:11:46] [Uncertain recognition] No.

[00:11:46 - 00:11:49] See, this will be a learning curve for you.

[00:11:50 - 00:11:54] Because I'm still finding out where I can get money, too.

[00:11:55 - 00:11:55] Holy shit.

[00:11:56 - 00:11:56] Wow.

[00:11:57 - 00:11:57] What?

[00:11:58 - 00:11:59] Holy f***.

[00:00:00 - 00:00:01] Yeah, I know, I heard...

[00:00:01 - 00:00:02] A lightning storm.

[00:00:02 - 00:00:04] What the fuck, like right above my house.

[00:00:05 - 00:00:05] Oh, really?

[00:00:06 - 00:00:09] That's not a good thing you being on any electrical...

[00:00:09 - 00:00:11] Listen, you guys, if you got an electrical storm,

[00:00:12 - 00:00:15] all your shit should be shut down and unplugged.

[00:00:15 - 00:00:17] It's not an EMP storm, it's just a lightning storm.

[00:00:18 - 00:00:19] Just a lightning storm, yeah.

[00:00:19 - 00:00:21] If it strikes right outside your house, guess what?

[00:00:21 - 00:00:23] Most of your shit could fry.

[00:00:24 - 00:00:25] What did you say, Tom?

[00:00:25 - 00:00:26] Something might rain?

[00:00:26 - 00:00:29] Yeah, like when I went to smoke outside the window,

[00:00:30 - 00:00:35] softly and then like it started coming up coming up coming up just a couple of blocks away

[00:00:35 - 00:00:47] oh okay oh i see so it passed over you when i said it cool you guys got battery backups

[00:00:47 - 00:00:52] or search protectors no no no i had my router got fried a few years ago but it doesn't happen anymore

[00:00:52 - 00:00:58] i never had that but i don't want my computer to blow up and my face is

[00:01:00 - 00:01:02] My brother didn't listen to me.

[00:01:03 - 00:01:09] Electrical storm struck a telephone pole 100 yards down the street,

[00:01:10 - 00:01:15] burned up his fucking computer, his TV, his stereo.

[00:01:15 - 00:01:20] I told him, I said, you get an electrical storm unless you've got everything on battery backup and search for touches.

[00:01:20 - 00:01:24] Remember, that's an electrical discharge in the millions of volts.

[00:01:30 - 00:01:35] electronics, but hey, they're not my electronics, so you guys do what you want.

[00:01:35 - 00:01:36] [Uncertain recognition] You've got to write a tinfoil app as well.

[00:01:38 - 00:01:39] Huh?

[00:01:40 - 00:01:44] But, yeah, anyway, Chris was telling us about his business, Tom.

[00:01:45 - 00:01:49] Yeah, I told Coon, I said, listen, you guys want to research over there?

[00:01:49 - 00:01:49] Sure.

[00:01:49 - 00:01:55] I told Coon, I said, hey, you guys put me towards funding, and that means you do the

[00:02:00 - 00:02:01] where the funding is

[00:02:01 - 00:02:03] and then point me towards it.

[00:02:04 - 00:02:05] Ask, you've got to know

[00:02:05 - 00:02:07] whether they're into foreign investments,

[00:02:09 - 00:02:11] IT foreign investments,

[00:02:11 - 00:02:14] and then when the money hits the bank,

[00:02:14 - 00:02:15] you point me in the direction,

[00:02:15 - 00:02:16] I get in touch with the people.

[00:02:17 - 00:02:18] We have a conversation.

[00:02:18 - 00:02:20] They want to fund debt boys.

[00:02:20 - 00:02:21] When the money hits the bank,

[00:02:22 - 00:02:24] then I call you guys up and I say,

[00:02:24 - 00:02:28] hey, I told Kroon, $120,000 cash.

[00:02:30 - 00:02:33] Most brokers, that would be 3%.

[00:02:33 - 00:02:34] I'm looking for $4 million.

[00:02:34 - 00:02:37] 3% is $120,000.

[00:02:37 - 00:02:39] A broker would get the $120,000.

[00:02:39 - 00:02:42] They'd have to pay the taxes on the $120,000.

[00:02:42 - 00:02:45] So they'd probably wind up with about $80,000, $90,000.

[00:02:46 - 00:02:50] But that boys will pay the taxes for you.

[00:02:50 - 00:02:57] And in your country, first off, that would be the taxes that have to get paid here,

[00:02:57 - 00:02:59] the taxes that have to get paid there.

[00:03:00 - 00:03:03] I have to find out about that, about the wiring of cash over there.

[00:03:03 - 00:03:03] Yeah, of course.

[00:03:04 - 00:03:07] There's probably some sort of duty on it.

[00:03:08 - 00:03:11] So we find out what the taxes are on both places.

[00:03:12 - 00:03:16] It'd be like you guys got probably about $180,000.

[00:03:18 - 00:03:18] Well, I know.

[00:03:19 - 00:03:22] And, by the way, gentlemen, that's the first installment.

[00:03:22 - 00:03:25] The second installment would be three years down the road.

[00:03:30 - 00:03:34] Every year, third year, you guys get another $150,000.

[00:03:35 - 00:03:39] [Uncertain recognition] No, that's what you already said when we had to find investors for you in your own country.

[00:03:40 - 00:03:41] [Uncertain recognition] Oh, yeah, that's right.

[00:03:41 - 00:03:43] Did I tell you this already, Tom?

[00:03:43 - 00:03:43] [Uncertain recognition] Yeah, man.

[00:03:45 - 00:03:52] Well, you know, if I were you, I'd just invest for Goldman Sachs or something.

[00:03:53 - 00:03:55] You know, that's a really good company.

[00:03:55 - 00:03:57] Don't give me ideas if you want the money.

[00:04:00 - 00:04:04] out to not just you, but to other people out in the investment world.

[00:04:05 - 00:04:12] I've gotten people that have pointed me in directions, but they're not really going to make a living, too.

[00:04:12 - 00:04:17] So the more people I have pointing me, the better the odds.

[00:04:18 - 00:04:20] But it's on the table.

[00:04:21 - 00:04:23] So what's your deadline here?

[00:04:24 - 00:04:25] There is no deadline.

[00:04:25 - 00:04:26] I thought it was next year.

[00:04:26 - 00:04:29] No, the deadline.

[00:04:29 - 00:04:29] Oh, yeah.

[00:04:30 - 00:04:32] I'm only going to be doing the business one more year.

[00:04:32 - 00:04:36] That's through 2010, if I don't get funded.

[00:04:36 - 00:04:37] I expect to get funded, though.

[00:04:39 - 00:04:42] Then he's going to build an underground bunker waiting for 2012.

[00:04:44 - 00:04:47] I've already been offered a couple of decent positions.

[00:04:48 - 00:04:50] And as a matter of fact, I might even...

[00:04:51 - 00:04:53] Huh?

[00:04:53 - 00:04:54] Oh, come on.

[00:04:54 - 00:04:57] I think what I do is I'll take...

[00:04:57 - 00:04:57] That's right.

[00:05:00 - 00:05:03] Actually, Tom, I was going to take a grocery bagging job over there

[00:05:03 - 00:05:06] so we could hang out and I could harass you on the phone.

[00:05:08 - 00:05:11] [Uncertain recognition] But now I'm going to join the army.

[00:05:13 - 00:05:17] You know, that's eventually going to be a...

[00:05:17 - 00:05:19] I'm just trying to see if your country has a little shitty country.

[00:05:19 - 00:05:20] A thing.

[00:05:20 - 00:05:21] Who gives a fuck about this country?

[00:05:22 - 00:05:24] I'm eventually going to join the commandos, bastard.

[00:05:27 - 00:05:29] Yeah, I'm going to have a worldwide TV show.

[00:05:30 - 00:05:33] Yeah, let's stop talking about fantasies, shall we?

[00:05:34 - 00:05:34] Huh?

[00:05:35 - 00:05:36] No, Tom is actually going in the army.

[00:05:37 - 00:05:39] Oh, Tom's going in the army?

[00:05:39 - 00:05:40] Yeah.

[00:05:40 - 00:05:40] No way.

[00:05:41 - 00:05:41] He is.

[00:05:41 - 00:05:44] He's already accepted on my job.

[00:05:46 - 00:05:48] Are you fucking crazy?

[00:05:49 - 00:05:50] That's what I said as well.

[00:05:50 - 00:05:50] [Uncertain recognition] Why?

[00:05:50 - 00:05:51] That's what I said as well.

[00:05:51 - 00:05:51] [Uncertain recognition] Why?

[00:05:52 - 00:05:53] No, why?

[00:05:54 - 00:05:54] Yeah.

[00:05:54 - 00:05:54] Why?

[00:05:55 - 00:05:56] Why would you understand this little shitty country?

[00:06:00 - 00:06:01] You get paid properly.

[00:06:01 - 00:06:03] You're fucking old, dude.

[00:06:04 - 00:06:05] I was in the service.

[00:06:06 - 00:06:11] If you fuck up, there's very little recourse.

[00:06:11 - 00:06:16] You get into trouble, you got a serious fucking problem because you're government property.

[00:06:17 - 00:06:18] That's right.

[00:06:18 - 00:06:25] If you can keep your shit straight, I'd say, hey, go for it, if it was a good job in the service.

[00:06:26 - 00:06:29] But, Tom, I have some serious fucking thoughts.

[00:06:30 - 00:06:37] if I were you, about if you can maintain a serious, responsible, straight line.

[00:06:37 - 00:06:39] Because I'm serious, dude.

[00:06:39 - 00:06:40] You fuck up in the service.

[00:06:41 - 00:06:44] Trust me, I know people that have fucked up in the service.

[00:06:44 - 00:06:45] I know a dude.

[00:06:45 - 00:06:47] And it's the same across the board.

[00:06:47 - 00:06:49] I've asked other guys from other services.

[00:06:49 - 00:06:51] It's the same across the fucking board.

[00:06:51 - 00:06:55] In any country, the fucking government owns your ass.

[00:06:55 - 00:06:57] Actually, it's the corporate.

[00:06:57 - 00:06:58] I have the form in front of me.

[00:06:58 - 00:06:59] I have the form in front of me.

[00:07:00 - 00:07:01] It's the corporations, actually.

[00:07:01 - 00:07:02] So you haven't filled out?

[00:07:02 - 00:07:03] No, no, no.

[00:07:03 - 00:07:03] I got...

[00:07:03 - 00:07:04] This is from the Air Force.

[00:07:04 - 00:07:06] I didn't join the Air Force.

[00:07:06 - 00:07:06] So, wait.

[00:07:07 - 00:07:08] Oh, yeah, join the Air Force.

[00:07:08 - 00:07:10] If you're going to do something, join the Air Force.

[00:07:10 - 00:07:10] [Uncertain recognition] No, no, no.

[00:07:10 - 00:07:11] [Uncertain recognition] It's the same, but look.

[00:07:13 - 00:07:14] What about the National Guard?

[00:07:14 - 00:07:16] I say by state that I'm going to serve the Queen,

[00:07:17 - 00:07:21] and then I'm going to serve my country well.

[00:07:21 - 00:07:23] I'm going to obey their rules.

[00:07:23 - 00:07:26] Otherwise, I'm going to be court-martialed, etc., etc.

[00:07:27 - 00:07:28] Yeah, etc., etc.

[00:07:30 - 00:07:33] Well, now, when you service the queen, do you bend her over?

[00:07:37 - 00:07:38] A little humor there.

[00:07:38 - 00:07:39] I guess it's kind of stupid.

[00:07:40 - 00:07:42] Yeah, don't talk about my queen like that.

[00:07:42 - 00:07:42] How dare you?

[00:07:43 - 00:07:43] [Uncertain recognition] What?

[00:07:44 - 00:07:44] Is she any good looking?

[00:07:45 - 00:07:46] Oh, she's really good looking.

[00:07:47 - 00:07:48] You'll like her.

[00:07:48 - 00:07:48] She's blonde.

[00:07:48 - 00:07:49] Big boobs.

[00:07:49 - 00:07:50] [Uncertain recognition] Yeah.

[00:07:50 - 00:07:51] Oh, jeez, man.

[00:07:51 - 00:07:52] Yes, I would.

[00:07:52 - 00:07:54] And just out of curiosity, are you serious?

[00:07:54 - 00:07:56] Do you guys get a queen over there?

[00:07:56 - 00:07:57] Yeah, we do.

[00:07:57 - 00:07:57] You do not.

[00:08:00 - 00:08:03] And we had a Nazi, um, we had a Nazi, uh,

[00:08:03 - 00:08:04] What's, what's your name?

[00:08:04 - 00:08:06] We had a Nazi king, but he died.

[00:08:07 - 00:08:08] What's, what's your name?

[00:08:08 - 00:08:09] It's Beatrix.

[00:08:30 - 00:08:42] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:08:43 - 00:08:45] I'm just fucking with you, but yes, uh...

[00:08:45 - 00:08:47] Yeah, yeah, yeah, no, no, no, this is...

[00:08:47 - 00:08:49] Yeah, no, dude, man.

[00:08:50 - 00:08:51] [Uncertain recognition] Holy mackerel.

[00:08:52 - 00:08:55] I wouldn't fuck her with your dick.

[00:09:00 - 00:09:04] Yeah, that's a good love song.

[00:09:04 - 00:09:06] She was cute when she was younger.

[00:09:07 - 00:09:13] She's not bad for her age, but quite personally, I wouldn't fuck her with your dick.

[00:09:15 - 00:09:16] Yeah, try Maxima.

[00:09:16 - 00:09:16] No, man.

[00:09:17 - 00:09:18] Maxima is the hot girl.

[00:09:18 - 00:09:20] Yeah, fucking hair.

[00:09:21 - 00:09:22] Try to type in what?

[00:09:23 - 00:09:25] That's her princess.

[00:09:25 - 00:09:26] She's going to be queen.

[00:09:27 - 00:09:28] What's her name?

[00:09:29 - 00:09:29] [Uncertain recognition] Maxima.

[00:09:30 - 00:09:31] Maxima?

[00:09:32 - 00:09:34] M-A-X-E...

[00:09:34 - 00:09:34] Oh, wait.

[00:09:34 - 00:09:36] A-M-A.

[00:09:36 - 00:09:37] I keep confusing the E and the A.

[00:09:37 - 00:09:40] A-X-Y-M-A.

[00:09:40 - 00:09:42] M-A-X-Y...

[00:09:42 - 00:09:43] [Uncertain recognition] I.

[00:09:44 - 00:09:44] [Uncertain recognition] Not Y.

[00:09:45 - 00:09:45] I-A?

[00:09:46 - 00:09:47] Maxia?

[00:09:47 - 00:09:48] No.

[00:09:48 - 00:09:51] M-A-X-I-M-A.

[00:09:51 - 00:09:53] It's kind of like maximum, only maxima.

[00:09:53 - 00:09:56] Oh, M-A-X-I...

[00:09:56 - 00:09:57] [Uncertain recognition] M-A.

[00:09:58 - 00:09:59] [Uncertain recognition] M-A.

[00:10:00 - 00:10:03] Maxima, that's all kind of a fucked up name.

[00:10:03 - 00:10:05] Yeah, she's a Colombian or something.

[00:10:06 - 00:10:07] Something like that.

[00:10:08 - 00:10:10] I actually think the queen and stuff should be abolished.

[00:10:11 - 00:10:14] Oh, Maxima, guess what it brought up fucking Nissans.

[00:10:15 - 00:10:16] [Uncertain recognition] It costs us too much.

[00:10:16 - 00:10:18] [Uncertain recognition] The royal, it costs us too much.

[00:10:18 - 00:10:19] And I don't, don't do shit.

[00:10:20 - 00:10:23] Oh, by the way, type, type in your browser.

[00:10:25 - 00:10:29] Travers, Traverson, T-R-A-V-E.

[00:10:30 - 00:10:39] T-R-T-S-O-N, Traverson, V-R-T-S-O-N, you know, the dash, the line that goes across

[00:10:39 - 00:10:40] in the middle, dash.

[00:10:41 - 00:10:42] Some people call it a hyphen.

[00:10:46 - 00:10:57] Traverson, T-R-A-V-E-R-T-S-O-N, space, V, as in Victor, dash, Rex, R-E-X.

[00:10:57 - 00:10:59] [Uncertain recognition] That's my next bike.

[00:10:59 - 00:10:59] [Uncertain recognition] That's bullshit.

[00:11:00 - 00:11:01] No, in your Google.

[00:11:02 - 00:11:02] In Google.

[00:11:02 - 00:11:03] [Uncertain recognition] I'm sorry.

[00:11:04 - 00:11:06] So, are you going to buy that with your money?

[00:11:09 - 00:11:12] Well, my brother's got Harley.

[00:11:12 - 00:11:17] If I go to Florida or wherever I go, I'm going to dump the cars, get a bike.

[00:11:19 - 00:11:21] [Uncertain recognition] Yeah, that's because probably you're in your midlife crisis.

[00:11:23 - 00:11:24] [Uncertain recognition] No, no.

[00:11:24 - 00:11:27] Listen, I've been riding all my fucking life, Tom.

[00:11:30 - 00:11:34] ride a motorcycle unless you like my friend what you can let you like my

[00:11:34 - 00:11:49] friend once you go black you'll never go back I'm sorry I've dated black chicks

[00:11:49 - 00:11:57] updated black chicks and quick person they're the same as everybody else no

[00:12:00 - 00:12:01] [Uncertain recognition] They're a lot pushier.

[00:12:02 - 00:12:04] [Uncertain recognition] They're a lot more demanding.

[00:12:04 - 00:12:05] I don't know why that is.

[00:12:05 - 00:12:07] Because I think that we're all racist.

[00:00:00 - 00:00:04] because of the horrible slavery that happened generations and generations would you know

[00:00:04 - 00:00:10] something you know something i told people do you know something the first if you look up if you look

[00:00:10 - 00:00:20] up the first owner owner legal owner of a black slave you'll see that it happened in virginia

[00:00:21 - 00:00:26] and it was check this out not all blacks who came to this country were slaves

[00:00:30 - 00:00:37] were called indentured servants and this black guy he was an entrepreneur came from europe

[00:00:37 - 00:00:43] he was an indentured he volunteered to be an indentured servant to to a white guy

[00:00:43 - 00:00:51] he was shipped over here he worked off his his his indenturedness see because once they worked

[00:00:51 - 00:00:57] it off the landowner was legally required to give him land so what he did was he got a good track

[00:01:00 - 00:01:04] years, seven years to work the shit off, he got a good truck of land. You know what he

[00:01:04 - 00:01:09] did? He went, now he's a free black man, and people were going like, this is fucked up.

[00:01:09 - 00:01:13] Some people were saying, this is fucked up, you know? But what he did was he went out and

[00:01:13 - 00:01:20] he hired a bunch of guys, black and white guys, and he did the same thing with them

[00:01:20 - 00:01:27] because they lived on his land, but they were indentured. Can you imagine free labor for

[00:01:30 - 00:01:33] He got 20 guys, seven fucking years of free labor.

[00:01:34 - 00:01:34] [Uncertain recognition] That's pretty cool.

[00:01:34 - 00:01:37] There's no end to how much money you could make.

[00:01:37 - 00:01:38] Well, he made quite a bit of money.

[00:01:38 - 00:01:39] He became a wealthy guy.

[00:01:40 - 00:01:47] And those guys got land, but not as much as he did when he was free.

[00:01:47 - 00:01:48] You know, the funny thing is...

[00:01:48 - 00:01:50] Long story short, long story short, check this out.

[00:02:00 - 00:02:08] heads up north, gets to Virginia, the slave owner somehow finds him,

[00:02:09 - 00:02:11] and the guy runs to this other guy and says,

[00:02:11 - 00:02:14] please, please, please, don't let him take me back, don't let him take me back.

[00:02:14 - 00:02:18] He says, the white slave owner says, how much do you want?

[00:02:19 - 00:02:20] He says, I want this much.

[00:02:20 - 00:02:21] He goes, no, no, no.

[00:02:21 - 00:02:22] They bartered back and forth.

[00:02:22 - 00:02:23] They settled on a price.

[00:02:24 - 00:02:24] [Uncertain recognition] Boom.

[00:02:25 - 00:02:26] [Uncertain recognition] He took it.

[00:02:26 - 00:02:28] The guy thanked him very much, worked for them.

[00:02:30 - 00:02:34] When he wanted to be free, the guy says, wait a minute, wait a minute.

[00:02:35 - 00:02:37] You don't realize how much I paid for you.

[00:02:40 - 00:02:46] At the prices, at the wages being paid today, it's going to take you the rest of your life to pay me off.

[00:02:47 - 00:02:50] And so the guy says, I can't do that.

[00:02:50 - 00:02:50] He says, blah, blah, blah.

[00:02:51 - 00:02:52] What he did was he took him to court.

[00:02:53 - 00:02:55] He got a judgment.

[00:02:55 - 00:02:57] He got a judgment against him.

[00:02:57 - 00:02:58] Oh, excuse me, wait a minute.

[00:03:00 - 00:03:01] The white owner came back.

[00:03:01 - 00:03:02] You can look this up online.

[00:03:03 - 00:03:04] I'll send you the URL.

[00:03:06 - 00:03:09] But I'm not telling the story completely the way it should be told,

[00:03:09 - 00:03:13] but long story short is that somehow these guys get into court,

[00:03:13 - 00:03:17] and the court system at that time, the Supreme Court system at that time,

[00:03:18 - 00:03:23] determined that this black guy who paid for this other black guy,

[00:03:24 - 00:03:28] that this guy now owns this person.

[00:03:30 - 00:03:36] legally recorded ownership of another human being in this country was a black

[00:03:36 - 00:03:43] man owning another black man and we're constantly blamed for slavery

[00:03:43 - 00:03:52] guys are constantly blame for slavery yeah I just wanted to say that exactly

[00:03:52 - 00:03:55] what do you you don't come you don't call it you don't call them that over

[00:04:00 - 00:04:10] huh niger oh okay so so who started that shit oh do you know do you know by the

[00:04:10 - 00:04:26] way do you know where the word nigger comes from I think so calls recorded

[00:04:30 - 00:04:37] Say just the city and state.

[00:04:37 - 00:04:44] Belmont, Massachusetts. What business name or category?

[00:04:44 - 00:04:47] Data recovery.

[00:04:47 - 00:04:50] Top listing. That boy data recovery.

[00:04:50 - 00:04:51] Connect me.

[00:04:51 - 00:04:53] On Belmont Street. Hold on.

[00:05:00 - 00:05:16] Okay, so anyway, long story short, is that they were being kidnapped from the Niger River Valley.

[00:05:17 - 00:05:21] White guys didn't know how to pronounce it, and they called them niggers.

[00:05:22 - 00:05:25] And can you imagine the way the English talked back then?

[00:05:25 - 00:05:26] It's not even the way we say it.

[00:05:30 - 00:05:38] Most blacks don't even know, and all blacks think that they're all slaves, from slaves in this country.

[00:05:38 - 00:05:40] I just, you can't fucking say that.

[00:05:41 - 00:05:46] You know, when I talk to my fellow black Americans, you can't say that, man.

[00:05:46 - 00:05:48] Fellow brothers, fellow niggers.

[00:05:51 - 00:05:54] No, see, once you're an American, an American is an American dude.

[00:05:54 - 00:05:55] That's not the way it works.

[00:05:56 - 00:05:57] Yeah, that's the way it works.

[00:05:57 - 00:05:58] No, no, that's not the way it works.

[00:05:59 - 00:05:59] [Uncertain recognition] Yeah.

[00:05:59 - 00:05:59] Trust me.

[00:06:00 - 00:06:07] You're in the service, and Tom's going to experience it, too, unless you don't have black guys in the service over there.

[00:06:08 - 00:06:13] But if you're in a combat situation, it don't matter.

[00:06:13 - 00:06:19] Trust me, you will become extremely close to whoever you're in combat with.

[00:06:19 - 00:06:23] It don't matter who they are or what they look like.

[00:06:23 - 00:06:28] You know, black people used to own other black people, and they sold it to other black people.

[00:06:30 - 00:06:31] That's exactly right, dude.

[00:06:31 - 00:06:33] You know, sometimes we couldn't have had slaves

[00:06:33 - 00:06:35] if it wasn't for the people over in Africa.

[00:06:35 - 00:06:37] It was just a normal thing back then.

[00:06:37 - 00:06:41] The half a dozen or so white guys going over there to kidnap them.

[00:06:42 - 00:06:44] Yeah, it was just a normal thing back then, you know.

[00:06:44 - 00:06:45] It's just the way it was.

[00:06:45 - 00:06:47] It was just a training thing.

[00:06:48 - 00:06:54] Yeah, I'm looking at, what's Riz Khan, R-I-Z space K-H-A-N?

[00:07:00 - 00:07:04] She's talking about microfinance and the unbanked.

[00:07:04 - 00:07:05] She's a good-looking girl.

[00:07:06 - 00:07:06] She's a good-looking girl.

[00:07:07 - 00:07:07] Yeah, I know.

[00:07:08 - 00:07:09] She's cute now.

[00:07:09 - 00:07:10] She's what?

[00:07:10 - 00:07:11] She's probably in her 30s.

[00:07:12 - 00:07:13] Something like that, yeah.

[00:07:14 - 00:07:15] In her 30s.

[00:07:15 - 00:07:17] She's not going to look great going into her.

[00:07:17 - 00:07:22] She's still pretty cute, but she's going to start.

[00:07:24 - 00:07:24] Yep, I know.

[00:07:24 - 00:07:25] She's going to start.

[00:07:27 - 00:07:27] [Uncertain recognition] Huh?

[00:07:27 - 00:07:28] [Uncertain recognition] Yeah.

[00:07:28 - 00:07:29] [Uncertain recognition] I'm going to do your daughter first.

[00:07:30 - 00:07:32] [Uncertain recognition] Say what?

[00:07:32 - 00:07:34] [Uncertain recognition] I'm going to be your daughter.

[00:07:35 - 00:07:37] [Uncertain recognition] You don't know what my daughter looks like.

[00:07:39 - 00:07:39] [Uncertain recognition] Daughters.

[00:07:40 - 00:07:40] [Uncertain recognition] I got daughters.

[00:07:41 - 00:07:42] [Uncertain recognition] You know what my daughters look like.

[00:07:42 - 00:07:43] And trust me.

[00:07:43 - 00:07:44] [Uncertain recognition] Trust me.

[00:07:46 - 00:07:50] Two of my daughters would actually beat you down.

[00:07:52 - 00:07:59] They are very strong-willed girls who are very aggressive.

[00:08:00 - 00:08:03] so if they don't like a guy

[00:08:03 - 00:08:04] I've seen

[00:08:04 - 00:08:07] [Uncertain recognition] Melissa actually pop a guy

[00:08:07 - 00:08:08] right in the face

[00:08:08 - 00:08:11] why the fuck did you

[00:08:11 - 00:08:12] let them grow up like that

[00:08:12 - 00:08:12] [Uncertain recognition] listen

[00:08:12 - 00:08:13] when

[00:08:13 - 00:08:19] when you punch him

[00:08:19 - 00:08:20] [Uncertain recognition] when you punch him

[00:08:20 - 00:08:21] you punch him so hard

[00:08:21 - 00:08:24] because of your lack of muscle

[00:08:24 - 00:08:25] and a man's resilience

[00:08:25 - 00:08:26] to be able to

[00:08:26 - 00:08:29] absorb some punches

[00:08:30 - 00:08:37] feminist you you whack them you whack them really good dude bros before hoes man when my girls when

[00:08:37 - 00:08:45] my girls punch a guy in the face they usually drop them right never heard of bros before hoes

[00:09:00 - 00:09:07] You know, any rational parent wouldn't teach their children to behave in violent matters.

[00:09:07 - 00:09:08] That's just what I think.

[00:09:09 - 00:09:10] [Uncertain recognition] Ah.

[00:09:10 - 00:09:11] Yes.

[00:09:11 - 00:09:12] Yeah, wait, you guys have kids.

[00:09:13 - 00:09:20] The minute you have a baby, your life is, your whole fucking thought process changes about everything.

[00:09:20 - 00:09:21] So, I see.

[00:09:21 - 00:09:25] So you're just going to tell them to beat the crap out of everybody and teach them wrong?

[00:09:30 - 00:09:40] that little human being. And if it's a girl, oh man, I mean, every potential, every male

[00:09:40 - 00:09:45] is a potential threat. It just didn't happen with me. It happened with my friends too.

[00:00:38 - 00:00:41] Can you imagine having a child?

[00:00:41 - 00:00:50] When your child, the little baby that's solely dependent on you for its care, its nourishment, its love,

[00:00:51 - 00:00:57] that child disappears, that's worse than having your pet disappear.

[00:01:50 - 00:01:53] there's not always cause and effect don't do a Freudian thing man it's

[00:02:00 - 00:02:05] In this country, if a child is hyperactive, excuse me, not hyperactive, if a child has

[00:02:05 - 00:02:09] a lot of energy and is interested in a whole bunch of things, you know what they call that

[00:02:09 - 00:02:10] child?

[00:02:10 - 00:02:20] That child is mentally imbalanced, they've got ADHD, attention deficit disorder, some

[00:02:20 - 00:02:21] bullshit like that.

[00:02:22 - 00:02:23] No, it's a bright fucking child.

[00:02:24 - 00:02:25] Got a lot of energy.

[00:02:26 - 00:02:27] Yeah, I shouldn't talk about the child.

[00:02:30 - 00:02:32] But males more so than females.

[00:02:32 - 00:02:32] That's your children.

[00:02:33 - 00:02:34] [Uncertain recognition] That's why I don't see them anymore.

[00:02:35 - 00:02:36] [Uncertain recognition] Huh?

[00:02:36 - 00:02:37] [Uncertain recognition] Wonaga Akachita.

[00:02:39 - 00:02:41] Wonaga Akachita.

[00:02:41 - 00:02:42] I'm going to talk to him.

[00:02:43 - 00:02:44] That's Richard Stiles.

[00:02:45 - 00:02:48] I'm going to talk to him about potentially writing a book.

[00:02:49 - 00:02:54] You know, if he wants an interesting story, he's doing something right now that's interesting.

[00:02:54 - 00:02:54] Kuna Matata?

[00:02:55 - 00:02:59] I don't know if you've read anything, written any of his shit, but it's pretty interesting.

[00:03:00 - 00:03:04] Oh, yeah, that's going to happen.

[00:03:04 - 00:03:05] Trust me.

[00:03:05 - 00:03:07] And then you're going to give me the information, right?

[00:03:09 - 00:03:10] Yeah, the information is ready.

[00:03:11 - 00:03:12] [Uncertain recognition] Great, good, good.

[00:03:13 - 00:03:15] So, yeah, we just squeaked by this month.

[00:03:16 - 00:03:17] [Uncertain recognition] We just squeaked by.

[00:03:17 - 00:03:19] But I expect that, you know, things are starting to pick up.

[00:03:19 - 00:03:20] The calls have dropped off.

[00:03:30 - 00:03:31] Packer knows AA's weaknesses.

[00:03:31 - 00:03:33] I still laugh when I see that.

[00:03:33 - 00:03:34] [Uncertain recognition] That's fucking amazing.

[00:03:34 - 00:03:35] Well, it's just one movie.

[00:03:36 - 00:03:37] Pat.

[00:03:37 - 00:03:38] We didn't make that, by the way.

[00:03:39 - 00:03:40] I know Pat did.

[00:03:40 - 00:03:40] Pat did.

[00:03:40 - 00:03:41] No, Exales did.

[00:03:41 - 00:03:42] You know Pat?

[00:03:42 - 00:03:42] Exales did.

[00:03:42 - 00:03:43] Exales made it.

[00:03:44 - 00:03:47] Exales made it, and he just edited that movie, you know, where you're talking.

[00:03:47 - 00:03:49] But Exales made the call.

[00:03:49 - 00:03:51] Exales didn't make that movie.

[00:03:51 - 00:03:52] No, he made the call.

[00:03:53 - 00:03:54] Huh?

[00:03:54 - 00:03:59] He made the call, and then the guy just added that talking, guys, you know, the moving mouse.

[00:04:00 - 00:04:00] He just edited that.

[00:04:00 - 00:04:01] Right, right.

[00:04:01 - 00:04:02] So he didn't make the call.

[00:04:03 - 00:04:04] It was Xeos that did the call.

[00:04:06 - 00:04:09] Yeah, but Xeos, I thought Tom was Xeos.

[00:04:09 - 00:04:09] [Uncertain recognition] No.

[00:04:09 - 00:04:10] I thought you were Xeos.

[00:04:11 - 00:04:11] No, man.

[00:04:12 - 00:04:13] [Uncertain recognition] Do you know Pat?

[00:04:14 - 00:04:15] [Uncertain recognition] No.

[00:04:16 - 00:04:21] Okay, he told me I couldn't tell his last name, so he made the movie.

[00:04:22 - 00:04:23] No, I'm pretty sure.

[00:04:23 - 00:04:24] There's a couple of guys.

[00:04:30 - 00:04:33] you to, and I don't know your last names, I don't know where you're at, don't know your

[00:04:33 - 00:04:40] phone numbers, I know six other guys that are prank callers that were pranking me, that

[00:04:40 - 00:04:46] I know where they live, I know their last names, I can give them a call. Pat's one of

[00:04:46 - 00:04:49] them. He made that movie. He was so pleased.

[00:05:00 - 00:05:01] so much, just like I've taught you,

[00:05:02 - 00:05:04] they've got

[00:05:04 - 00:05:06] no more, they don't,

[00:05:06 - 00:05:07] I'm not a threat.

[00:05:08 - 00:05:09] In other words,

[00:05:10 - 00:05:11] I'm not a threat to them.

[00:05:11 - 00:05:13] Well, dude, I'm pretty sure Xerox made the call

[00:05:13 - 00:05:16] because I was listening to that call when it first

[00:05:16 - 00:05:16] came out.

[00:05:17 - 00:05:18] Well, that's cool.

[00:05:19 - 00:05:21] But Pat said

[00:05:21 - 00:05:22] he made the movie,

[00:05:23 - 00:05:25] and as a matter of fact, he asked me, he says,

[00:05:25 - 00:05:27] hey, this is so-and-so, he used his

[00:05:27 - 00:05:29] username, I said, come on

[00:05:30 - 00:05:31] man, you dropped the shit.

[00:05:31 - 00:05:32] What's your name, really?

[00:05:32 - 00:05:33] You know mine, blah, blah, blah.

[00:05:33 - 00:05:35] He says, it's Pat So-and-so.

[00:05:35 - 00:05:35] [Uncertain recognition] I says, fantastic.

[00:05:36 - 00:05:39] He says, I says, no, I didn't see the movie.

[00:05:39 - 00:05:41] He says, oh, yeah, check it out, check it out.

[00:05:41 - 00:05:45] I looked at it, and I said, I loved it, I love it.

[00:05:45 - 00:05:46] [Uncertain recognition] And he says, really, really?

[00:05:46 - 00:05:47] He was really excited.

[00:05:48 - 00:05:51] He turned to his wife, and he says, hey, he loves it, he loves it.

[00:05:51 - 00:05:52] His wife?

[00:05:52 - 00:05:54] Because, you know, you guys were right.

[00:05:55 - 00:05:56] Yeah, I know, you could make a lot of money.

[00:06:00 - 00:06:03] Oh, I don't really love you, though.

[00:06:03 - 00:06:04] That's a special feeling.

[00:06:04 - 00:06:04] [Uncertain recognition] You really love me.

[00:06:06 - 00:06:07] [Uncertain recognition] You love me.

[00:06:07 - 00:06:07] [Uncertain recognition] Come on.

[00:06:07 - 00:06:08] [Uncertain recognition] Come on, Nick.

[00:06:08 - 00:06:09] [Uncertain recognition] No, I don't love you.

[00:06:09 - 00:06:10] [Uncertain recognition] Come on, just say it.

[00:06:10 - 00:06:10] [Uncertain recognition] It's easy.

[00:06:11 - 00:06:11] [Uncertain recognition] It's easy.

[00:06:11 - 00:06:12] [Uncertain recognition] Just say it.

[00:06:12 - 00:06:12] [Uncertain recognition] Come on.

[00:06:12 - 00:06:13] I love you, Chris.

[00:06:13 - 00:06:14] You love me.

[00:06:14 - 00:06:15] I love you, Chris.

[00:06:15 - 00:06:15] There you go.

[00:06:15 - 00:06:16] See, Tom?

[00:06:16 - 00:06:17] That wasn't too bad, was it?

[00:06:18 - 00:06:23] See, but me and Coon have kindred spirits because we were born, like, one day apart.

[00:06:24 - 00:06:28] Actually, Chris, I was the one that first called you and informed you about the whole shit.

[00:06:30 - 00:06:32] still think that people were spoofing through telephone systems.

[00:06:33 - 00:06:33] Exactly.

[00:06:37 - 00:06:39] That's just true, because I called you.

[00:06:39 - 00:06:39] Eventually.

[00:06:40 - 00:06:44] Well, you are absolutely right.

[00:06:44 - 00:06:44] You were the first.

[00:06:45 - 00:06:46] You were the first.

[00:06:46 - 00:06:47] So you love me, don't you?

[00:06:48 - 00:06:49] Absolutely, dude.

[00:06:50 - 00:06:50] Absolutely.

[00:06:51 - 00:06:51] [Uncertain recognition] Good.

[00:06:52 - 00:06:52] [Uncertain recognition] Good.

[00:06:52 - 00:06:54] [Uncertain recognition] I'm glad we're talking about it.

[00:06:54 - 00:06:57] So, but did you guys check out that Traverson?

[00:06:58 - 00:06:58] [Uncertain recognition] No.

[00:06:58 - 00:06:59] [Uncertain recognition] No, not yet.

[00:07:00 - 00:07:05] Oh, it's a bad, it's a bad fucking motor, it's a fucking unbelievable motorcycle, you've never seen nothing like it.

[00:07:06 - 00:07:07] Cool.

[00:07:08 - 00:07:10] It's a Harley V-Rod engine, isn't it?

[00:07:10 - 00:07:11] It's just a motorcycle.

[00:07:12 - 00:07:16] No, it's not just a motorcycle, go take a look at it, you're going to say, wow.

[00:07:17 - 00:07:24] It's called the V-Rex, like T-Rex, like a T-Rex, it's a monster of a motorcycle.

[00:07:25 - 00:07:26] I like that, I give a fuck, can it make coffee?

[00:07:28 - 00:07:29] Can it make a sandwich?

[00:07:30 - 00:07:33] No, but it's a fucking phenomenal motorcycle

[00:07:33 - 00:07:35] It still has two wheels

[00:07:35 - 00:07:36] It drives me somewhere

[00:07:36 - 00:07:38] I don't give a fuck how it looks

[00:07:38 - 00:07:40] No, Tom

[00:07:40 - 00:07:40] Tom

[00:07:40 - 00:07:45] A motorcycle isn't just a motorcycle

[00:07:45 - 00:07:46] It's freedom

[00:07:46 - 00:07:48] It's a phenomenal fucking motorcycle

[00:07:48 - 00:07:49] Yeah, dude

[00:07:49 - 00:07:50] It's a fucking awesome

[00:07:50 - 00:07:53] No, no, I'm telling you

[00:07:53 - 00:07:55] You've never seen a bike like this before in your life

[00:07:55 - 00:07:57] In your life

[00:07:57 - 00:07:58] It is so unique

[00:08:00 - 00:08:05] motorcycle first. It was developed by a guy down in Australia. But you should see the front end. It's

[00:08:05 - 00:08:11] just fucking amazing. Why? Tom, if you were on a motorcycle, you took one ride on a fucking

[00:08:11 - 00:08:19] motorcycle, you'd be hooked. I love motorcycles. I dread to have a motorcycle than a car, actually.

[00:08:20 - 00:08:25] It's really cheaper as well. Yeah, Deb, although we do have... So first I'm still planning on having an accident

[00:08:30 - 00:08:32] You go take a look at motorcycle accidents on YouTube.

[00:08:32 - 00:08:33] It's freaking amazing.

[00:08:34 - 00:08:35] That's true.

[00:08:35 - 00:08:36] But you also have these identities.

[00:08:36 - 00:08:40] Did you see, there is a guy, check this out, on YouTube.

[00:08:40 - 00:08:41] I saw a movie.

[00:08:41 - 00:08:42] There's a movie up there.

[00:08:42 - 00:08:47] A guy, a tractor trailer, is crossing the country on a straight road.

[00:08:48 - 00:08:49] He sees a motorcycle.

[00:08:49 - 00:08:51] He sees one single light coming up behind him.

[00:08:51 - 00:08:53] He knows it's a motorcycle.

[00:08:54 - 00:08:55] It cruises up.

[00:08:55 - 00:08:57] He says it had to be doing 120 miles an hour.

[00:09:00 - 00:09:05] And he's going 80, 90 miles an hour, and he's carrying a full load.

[00:09:06 - 00:09:10] He feels a thud in the back of his truck.

[00:09:11 - 00:09:13] He knows what happened.

[00:09:13 - 00:09:15] The fucking guy hit him.

[00:09:16 - 00:09:21] So it took him a quarter of a mile to come to a stop.

[00:09:21 - 00:09:23] And the picture is right there, dude.

[00:09:24 - 00:09:25] The movie is right there.

[00:09:26 - 00:09:27] The camera is there.

[00:09:27 - 00:09:28] The tow truck is there.

[00:09:28 - 00:09:29] The ambulance is there.

[00:09:30 - 00:09:31] They take a picture.

[00:09:31 - 00:09:38] This guy's unconscious, but his head, his helmet, is stuck in the back of the truck.

[00:09:38 - 00:09:39] And he dragged.

[00:09:39 - 00:09:42] His motorcycle was completely obliterated.

[00:09:43 - 00:09:49] And he's just stuck headfirst into the back of the door.

[00:09:49 - 00:09:52] One of the panels broke out, and his head got jammed in there.

[00:09:52 - 00:09:53] It's fucking amazing.

[00:09:54 - 00:09:54] That's amazing.

[00:09:54 - 00:09:55] But he lived.

[00:09:56 - 00:09:56] [Uncertain recognition] Amazing.

[00:09:57 - 00:09:58] But John, do shit like that.

[00:10:00 - 00:10:03] But, you know, I've been riding a lot, a lot through my life.

[00:10:04 - 00:10:07] And you always got to watch out for the other guy.

[00:10:08 - 00:10:09] My brother rides.

[00:10:11 - 00:10:13] Actually, my brother Brian had a motorcycle.

[00:10:14 - 00:10:15] [Uncertain recognition] Huh?

[00:10:15 - 00:10:17] You also had gay sex while you sat up camp for nine.

[00:10:19 - 00:10:21] Oh, there's Marshall again.

[00:10:25 - 00:10:25] Marshall.

[00:10:25 - 00:10:26] Yeah, the Marshall, you know.

[00:10:27 - 00:10:28] [Uncertain recognition] You also get friendly with the Marshall.

[00:10:31 - 00:10:32] [Uncertain recognition] Tom, Tom, Tom.

[00:10:32 - 00:10:34] Ron, you're going to learn, Tom.

[00:10:34 - 00:10:35] Be respectful.

[00:10:36 - 00:10:37] Yeah, you're pretty good, right?

[00:10:37 - 00:10:39] No, just have an enjoyable conversation.

[00:10:39 - 00:10:41] Are you trying to elicit humor?

[00:10:42 - 00:10:44] Is that what you're trying to do, elicit humor?

[00:10:44 - 00:10:45] No, you can't really.

[00:10:45 - 00:10:46] I'm sure you can.

[00:10:46 - 00:10:50] [Uncertain recognition] You can't really use sidekicks on me to figure out what the fuck I'm doing.

[00:10:51 - 00:10:52] [Uncertain recognition] It doesn't work that way.

[00:10:52 - 00:10:58] No, but I'm trying to understand you, Tom.

[00:11:12 - 00:11:13] [Uncertain recognition] Yeah, I know.

[00:00:00 - 00:00:07] We're the only thing that stands between the rest of the countries that hate Israel.

[00:00:07 - 00:00:12] Now, I've asked people from other countries, why do you hate Israel?

[00:00:12 - 00:00:17] They always say, I hate Jews, I hate Jews, but nobody knows why they hate Jews.

[00:00:17 - 00:00:20] It's just they hate Jews, just like they hate niggers.

[00:00:20 - 00:00:25] [Uncertain recognition] I hate Jews because they run, like, all the fucking major corporations and they steal your money.

[00:00:25 - 00:00:27] That's right, that's what I was about to say.

[00:00:30 - 00:00:33] true which it isn't how did that happen

[00:00:33 - 00:00:43] well the point is is that did you read the Bible Chris

[00:00:43 - 00:00:51] yes I did okay do you know what listen if that ain't that they can't be the

[00:00:51 - 00:00:56] truth because I did read the Bible then then then it's all a bunch of crap so

[00:01:00 - 00:01:01] any religious god or whatever?

[00:01:01 - 00:01:02] No, no, no, no.

[00:01:02 - 00:01:04] It does not give...

[00:01:04 - 00:01:08] No way in the Bible does it say Jews have killed more people than anybody on the planet.

[00:01:09 - 00:01:12] They actually said numbers there.

[00:01:13 - 00:01:16] Okay, I have no doubt that they said numbers,

[00:01:16 - 00:01:19] but there was nothing to compare it against.

[00:01:19 - 00:01:22] I mean, there was a lot of civilizations that racked other civilizations.

[00:01:24 - 00:01:27] But even still, okay, I'll say you're right.

[00:01:27 - 00:01:27] [Uncertain recognition] Okay.

[00:01:30 - 00:01:45] Yes. Okay. You're right. Now, watch what happens, because once this country removes itself from being in front of Israel, Israel is going to be attacked big time.

[00:01:46 - 00:01:53] There is biblical prophecy coming to pass, is when Israel is attacked.

[00:01:53 - 00:01:56] Do you know why America is backing up Israel?

[00:02:00 - 00:02:09] I don't know. It's because I think, quite personally, I've tried to figure that out. I've even done some research.

[00:02:09 - 00:02:16] The only thing I can come up with is that we're a Christian nation. We have always looked out for the underdog.

[00:02:17 - 00:02:18] They were shit on.

[00:02:23 - 00:02:25] No, I don't.

[00:02:30 - 00:02:44] Well, you know, I didn't know that the Christians were actually persecuted by the Romans.

[00:02:44 - 00:02:52] And I do know that Paul, Saul of Tarsus, who was a Roman, and he was Jewish, was a Christian killer.

[00:02:52 - 00:02:57] He killed 2,000, from what the Bible says, 2,000 Christians himself.

[00:03:00 - 00:03:09] Damascus and talked to him, and then he became the biggest proponent of Christianity.

[00:03:10 - 00:03:12] So, one of the biggest proponents of Christianity.

[00:03:13 - 00:03:18] So, you know, there's no real rhyme or reason, but the point I'm trying to say is watch what happens.

[00:03:18 - 00:03:19] I don't know about 2012.

[00:03:21 - 00:03:23] I'm ambiguous about that.

[00:03:23 - 00:03:29] You know, science says that we're supposed to be struck by an asteroid right around 2012 called Wormwood.

[00:03:30 - 00:03:35] hey I don't know Tom I don't know if it's bullshit the point is that's what

[00:03:35 - 00:03:39] science says you know what they named the fucking comet Wyrmwood where the

[00:03:39 - 00:03:43] fuck did they come up with that name because that's in the Bible and

[00:03:43 - 00:03:50] scientists don't believe in God how come they named it Wyrmwood that's fucking

[00:03:50 - 00:03:56] weird so we'll see what happens but I do know one thing

[00:04:00 - 00:04:02] you'd think

[00:04:02 - 00:04:04] you know there's a little bit of

[00:04:04 - 00:04:06] theory there you know if

[00:04:06 - 00:04:08] there's a comment going ahead in 2012

[00:04:08 - 00:04:10] why would the corporate elite border

[00:04:10 - 00:04:12] with chipping the whole population

[00:04:12 - 00:04:14] or trying to enslave all the people

[00:04:14 - 00:04:17] if we were all going to die in 2012 anyway

[00:04:17 - 00:04:19] I have no idea

[00:04:19 - 00:04:20] I have no idea

[00:04:20 - 00:04:22] or maybe

[00:04:22 - 00:04:24] maybe one would won't hit

[00:04:24 - 00:04:26] maybe they're lying to us

[00:04:26 - 00:04:27] and

[00:04:30 - 00:04:31] You're talking about the chips.

[00:04:31 - 00:04:33] You're absolutely right about that.

[00:04:33 - 00:04:34] I'm concerned about that.

[00:04:35 - 00:04:36] I am as well, to be honest.

[00:04:37 - 00:04:40] Even though conspiracy jokes aside, it's a bit freaky.

[00:04:41 - 00:04:46] But, you know, as well as I'm concerned about DNA databases.

[00:04:48 - 00:04:48] I know.

[00:04:49 - 00:04:50] And you know something?

[00:04:51 - 00:04:53] It's happening over there quicker than it is over here.

[00:04:54 - 00:04:57] I can't believe the amount of cameras in Europe.

[00:05:00 - 00:05:04] what's happening over there and people are starting to scream we will have a revolution

[00:05:04 - 00:05:11] in this country we're different than the rest of the of the world in the sense that americans

[00:05:11 - 00:05:20] no no because tom we were started this country was started by a bunch of people

[00:05:20 - 00:05:25] that came that left their homeland their people their their families their background

[00:05:30 - 00:05:32] has propagated itself

[00:05:32 - 00:05:34] and people that come to this country

[00:05:34 - 00:05:35] that leave their country

[00:05:35 - 00:05:37] today

[00:05:37 - 00:05:40] that's the true spirit of America

[00:05:40 - 00:05:43] the people that Americans

[00:05:43 - 00:05:44] don't like coming into this country

[00:05:44 - 00:05:47] are the illegal aliens

[00:05:47 - 00:05:47] from Mexico

[00:05:47 - 00:05:49] that are here for one thing

[00:05:49 - 00:05:50] and one thing only

[00:05:50 - 00:05:52] and that's the cash

[00:05:52 - 00:05:55] and that if they get caught

[00:05:55 - 00:05:57] they're sending all their money back home

[00:05:57 - 00:05:58] they're living like paupers

[00:06:00 - 00:06:05] poor mouth they're taking advantage of the system get every almost every dime

[00:06:05 - 00:06:10] they fucking make they're sending back to fucking Mexico which is by the way

[00:06:10 - 00:06:19] against law no we had a war we wanted fair and square that's how fucking land has

[00:06:19 - 00:06:24] been acquired since the beginning of time we didn't steal it stealing is like

[00:06:30 - 00:06:34] I know, I know. I was just kidding. We had a fucking war.

[00:06:34 - 00:06:35] Yeah, you kind of sold it.

[00:06:36 - 00:06:36] I'll be honest with you.

[00:06:36 - 00:06:37] Daniel Sante.

[00:06:38 - 00:06:41] I'll be honest with you. You sold it, you know. You sold it.

[00:06:41 - 00:06:45] But I'll tell you one thing. We're going to have another war, because they're going to try to take it back.

[00:06:46 - 00:06:52] You know, they're called minorities. Mexicans are called minority in this country.

[00:06:53 - 00:06:54] Blacks are called minority in this country.

[00:07:00 - 00:07:07] minority, because whites maintain a good stronghold in the power structure.

[00:07:07 - 00:07:12] No, it's actually the Jews. The Jews are the ones that have almost power.

[00:07:12 - 00:07:14] So, whites, whites, Cautasians.

[00:07:16 - 00:07:17] I don't know about it.

[00:07:17 - 00:07:24] Oh, by the way, by the way, do you realize that it's a 50-50 split in this country?

[00:07:25 - 00:07:28] 50% of the Jews are married to Christians.

[00:07:30 - 00:07:38] My landlords, where I went, the father was Christian, the mother was Jewish.

[00:07:40 - 00:07:43] The children have got their feet in both camps.

[00:07:43 - 00:07:45] But that's true in this country.

[00:07:45 - 00:07:49] Fifty percent of all Jews are married to Christians.

[00:07:50 - 00:07:52] But they still go to synagogue and they still go to church.

[00:08:00 - 00:08:07] roots are from judaism jesus christ wasn't a christian bullshit bullshit bullshit it's way

[00:08:07 - 00:08:15] older than the whole judas say what it actually uh comes from the ancient story of the egypt

[00:08:15 - 00:08:22] egyptians uh it's called orders it's actually not even original to be honest but okay you can

[00:08:22 - 00:08:28] believe whatever you want to be honest but no no but but who does who do christians follow

[00:08:30 - 00:08:30] Horace.

[00:08:31 - 00:08:31] Jesus.

[00:08:32 - 00:08:32] Huh?

[00:08:33 - 00:08:33] Horace is...

[00:08:33 - 00:08:34] Jesus is...

[00:08:34 - 00:08:36] No, no, no, no, no, not Horace.

[00:08:36 - 00:08:39] Oh, I know the videos you're talking about.

[00:08:39 - 00:08:41] I know what you're talking about.

[00:08:42 - 00:08:43] You know something?

[00:08:44 - 00:08:44] There is...

[00:08:44 - 00:08:49] I looked that up, and there is no evidence to that.

[00:08:49 - 00:08:50] Yes, I'm not.

[00:08:50 - 00:08:58] The shit that I've read, I've seen three different derivations of what you're talking about

[00:09:00 - 00:09:09] people three different scholars check zeitgeist yeah i know zeitgeist trust me and what about

[00:09:09 - 00:09:16] david ikey david icky you know i was following david icky until he got to the point when he said

[00:09:16 - 00:09:26] reptilians you know no not that there couldn't be but he's saying the queen um george bush i mean

[00:09:30 - 00:09:35] in a nutshell, was kind of out of her fucking mind.

[00:09:35 - 00:09:36] Yeah, that's true.

[00:09:36 - 00:09:37] I hate the reptilian shit.

[00:09:38 - 00:09:41] Yeah, that's just too much for me, reptilian stuff.

[00:09:42 - 00:09:43] Yeah, that's too much for me, too, you know?

[00:09:44 - 00:09:49] I mean, I do know that there are other dimensions,

[00:09:50 - 00:09:53] and I do know some of these aliens slip in and out of these dimensions.

[00:09:54 - 00:09:55] Whoa, whoa, whoa.

[00:10:00 - 00:10:02] what some rabbis said.

[00:00:00 - 00:00:06] thousand years ago they said that they said that there was ten dimensions science now knows that

[00:00:06 - 00:00:15] there's at least six six dimensions so who the fuck knows we will not but know this you're like

[00:00:15 - 00:00:23] your spirit your spirit is like software you know how you get a three-and-a-half inch floppy

[00:00:30 - 00:00:33] Put your floppy, my floppy disk, Chris.

[00:00:34 - 00:00:34] There you go.

[00:00:35 - 00:00:35] Yeah.

[00:00:35 - 00:00:39] So, and by the way, I want you guys to think of this.

[00:00:39 - 00:00:42] I talked to this guy that was a gambler who didn't believe in God.

[00:00:42 - 00:00:45] I says, listen, his name is Dennis.

[00:00:45 - 00:00:46] I says, listen, Dennis.

[00:00:46 - 00:00:50] I says, something happened, and I said something about God.

[00:00:50 - 00:00:52] And he's like, I cut the shit on that God stuff.

[00:00:52 - 00:00:54] I said, let me ask you this, Dennis.

[00:00:55 - 00:00:56] What are the odds?

[00:00:56 - 00:00:57] You're a gambler.

[00:01:00 - 00:01:02] would be the only species

[00:01:02 - 00:01:03] by the way, there is no races

[00:01:03 - 00:01:06] there isn't different races

[00:01:06 - 00:01:07] in this world

[00:01:07 - 00:01:10] there's one race, that's the human race

[00:01:10 - 00:01:12] there's different

[00:01:12 - 00:01:13] different

[00:01:13 - 00:01:15] different

[00:01:15 - 00:01:18] in every species

[00:01:18 - 00:01:19] there are multiple races

[00:01:19 - 00:01:21] and we're just

[00:01:21 - 00:01:24] another human species

[00:01:24 - 00:01:25] and we have races as well

[00:01:25 - 00:01:28] no

[00:01:28 - 00:01:29] we'll see, race means something

[00:01:30 - 00:01:33] to me means they can't

[00:01:33 - 00:01:33] interbreed.

[00:01:34 - 00:01:36] Those are species, different species.

[00:01:37 - 00:01:38] But aside from that,

[00:01:38 - 00:01:39] what's the possibility

[00:01:39 - 00:01:42] of us being the only

[00:01:42 - 00:01:45] mammals out of the millions

[00:01:45 - 00:01:47] of mammals that have existed

[00:01:47 - 00:01:48] since the beginning of time,

[00:01:48 - 00:01:50] the tens of millions of mammals,

[00:01:50 - 00:01:53] what is the possibility that we would be

[00:01:53 - 00:01:54] the only

[00:01:54 - 00:01:57] species to do

[00:01:57 - 00:01:58] what we do?

[00:02:00 - 00:02:06] one other species that can't mate with the human race that should be able to do

[00:02:06 - 00:02:12] at least some of the things we do like like maybe not maybe not build

[00:02:12 - 00:02:18] spacecrafts but should be able to drive if you ride a bike you know

[00:02:18 - 00:02:26] not ride a bike but but but but but drive a car go to work you know earn a

[00:02:30 - 00:02:35] [Uncertain recognition] Let's not call him back.

[00:02:35 - 00:02:38] Yeah, I'm slowly falling asleep.

[00:02:38 - 00:02:44] That's why I asked about the 2012 thing.

[00:02:44 - 00:02:50] Let's not what?

[00:02:50 - 00:02:52] Calling.

[00:00:12 - 00:00:15] kind of like yeah me too

[00:00:15 - 00:00:24] listen i'm i'm i'm listening to princess maxima right right this second hold on this is pretty

[00:00:30 - 00:00:33] Well, the area of the banking seems to be thriving, microfinances.

[00:00:33 - 00:00:39] So I guess things aren't as bad over there, technically speaking.

[00:00:39 - 00:00:40] Not as bad as there.

[00:00:41 - 00:00:42] We still have our houses.

[00:00:42 - 00:00:43] We still have our jobs.

[00:00:43 - 00:00:45] We still have health insurance.

[00:00:47 - 00:00:49] Fuck the health insurance, man.

[00:00:49 - 00:00:49] You know?

[00:00:50 - 00:00:55] There's no hospital on the planet that would ever turn away a person that needs assistance.

[00:01:00 - 00:01:06] Chris, if you break your arm, it will cost you a couple of thousand dollars because of medical bills.

[00:01:09 - 00:01:09] [Uncertain recognition] Yeah.

[00:01:09 - 00:01:10] Well, no, no, no.

[00:01:10 - 00:01:15] If you've got insurance, it'll cost you probably, with a deductible, it'll cost about a grand.

[00:01:15 - 00:01:17] They'll probably pay a grand.

[00:01:17 - 00:01:18] [Uncertain recognition] Wow.

[00:01:18 - 00:01:18] [Uncertain recognition] So.

[00:01:18 - 00:01:19] [Uncertain recognition] Wow.

[00:01:20 - 00:01:21] At least I'm glad.

[00:01:21 - 00:01:22] That's not a hell of a lot of money.

[00:01:23 - 00:01:28] But, so, so, so Chris, how sure are you about alien existence?

[00:01:29 - 00:01:29] Like, seriously.

[00:01:30 - 00:01:32] How do you know they exist?

[00:01:33 - 00:01:39] We're the only country, only country, Belgium has admitted.

[00:01:40 - 00:01:41] I mean, this is on YouTube.

[00:01:42 - 00:01:49] Belgium, Mexico, their air force, Belgium air force chased some UFOs.

[00:01:50 - 00:01:51] I know, F-16s.

[00:01:52 - 00:01:55] In England, the only reason, by the way,

[00:02:00 - 00:02:07] didn't admit to alien existence or visitation by spaceships because

[00:02:09 - 00:02:11] [Uncertain recognition] No, because the United States government

[00:02:12 - 00:02:17] Was giving them money and saying they were coming to us for money

[00:02:18 - 00:02:23] You know what? This country Tom used to be the most loved country in the world

[00:02:30 - 00:02:30] I'm just like, you know why?

[00:02:30 - 00:02:33] Because we started sticking our nose in everybody else's business.

[00:02:33 - 00:02:36] You know, Chris, you know what's probably happening?

[00:02:36 - 00:02:39] You know what's probably happening is that they're testing their aircrafts

[00:02:39 - 00:02:42] and that everybody's saying that they're UFOs.

[00:02:42 - 00:02:45] No, but listen, Tom, let me finish, and then you'll see where I'm going.

[00:02:46 - 00:02:50] So we're sticking our nose in everybody else's business.

[00:02:51 - 00:02:55] They're coming to us, and actually, our covert operations,

[00:03:00 - 00:03:06] government have set up and taken down? I mean, it's scary to think that we've got a bunch

[00:03:06 - 00:03:11] of fucking criminals that are violating the Constitution in this country, but we do. We're

[00:03:11 - 00:03:17] right on the verge of not just socialism in this country, as some people think with

[00:03:17 - 00:03:24] the implementation of the health care act they want to do, but that will cost us. See,

[00:03:30 - 00:03:38] So let me ask you this, hypothetically speaking, we'll say that your taxes were really low,

[00:03:38 - 00:03:42] but other things were more expensive.

[00:03:42 - 00:03:50] Would it be worth you keeping, now I checked, Coon can verify this, because I was talking

[00:03:50 - 00:03:55] to Coon about possibly paying him yearly.

[00:04:00 - 00:04:02] Your money, right, Tune?

[00:04:02 - 00:04:03] Yep.

[00:04:03 - 00:04:10] Which over here, that's like, I think it was like $32,000, $33,000 a year,

[00:04:10 - 00:04:14] which is basically borderline broke.

[00:04:15 - 00:04:23] So if you know, $48,000 over there, that's a good chunk of change.

[00:04:23 - 00:04:29] A family of four can live on $48,000 over there with the government assistance.

[00:04:30 - 00:04:36] That's because the $48,000, out of that $48,000, almost half of that, they have to give to the government.

[00:04:39 - 00:04:48] So would you rather get, so would you rather keep that other half, give the government a smaller portion, and pay for your own shit?

[00:04:49 - 00:04:53] Well, that's all about greed, you know.

[00:04:53 - 00:04:54] I'll come sound about greed.

[00:04:54 - 00:04:55] That's right.

[00:04:55 - 00:04:57] I guess it's not bad.

[00:05:00 - 00:05:07] destination instead of giving your money by the way your money is your property by the way when

[00:05:07 - 00:05:15] you work for your money you're actually you're actually trading some of your life remember this

[00:05:15 - 00:05:22] you own that time that you've given to to your work to get your money to get your subsistence

[00:05:30 - 00:05:33] We call that subsistence over here.

[00:05:33 - 00:05:37] Food, clothing, housing, subsistence.

[00:05:38 - 00:05:44] You're trading your time, which is your life, for subsistence.

[00:05:45 - 00:05:49] Our founding fathers, that was never meant to be taxed.

[00:05:50 - 00:05:53] The only thing over here that was meant to be taxed was commerce.

[00:06:00 - 00:06:12] Do you know that in the early days, we spent most of our life hunting for food, which is also giving your part of your life for food?

[00:06:13 - 00:06:15] That's right. That's right.

[00:06:16 - 00:06:25] But it wasn't taxed. It wasn't a man coming in and saying, hey, listen, I want a piece of your action.

[00:06:26 - 00:06:28] You're making money? I want a piece of that.

[00:06:30 - 00:06:36] bushes. Tom, what I'm saying, think about that. Okay, what if I came over there and I

[00:06:36 - 00:06:43] said, hey, what if somebody in the mafia came to you and said, hey, you're paying the

[00:06:43 - 00:06:48] fucking government this much money? I want this much money. What are you going to do

[00:06:48 - 00:06:53] for me, Mr. Mafia man? We're going to give you protection. Anybody fucks with you, you

[00:06:53 - 00:06:57] come see us, we'll take care of it. Now, how often do you think somebody's going to

[00:07:00 - 00:07:06] you'd need to go see them almost never but guess what we can fuck with you enough to make you

[00:07:06 - 00:07:16] try such things no tom i'm talking about you know you just don't have somebody beat up badly

[00:07:16 - 00:07:21] because of bullshit yes i mean there's other avenues you take before you go that route

[00:07:21 - 00:07:27] but the point i'm trying to make is it's the same thing you've got the government with the guns and

[00:07:30 - 00:07:36] the laws that they draft that they themselves don't live under, that they're using against you.

[00:07:37 - 00:07:38] [Uncertain recognition] That's the point.

[00:07:39 - 00:07:52] That is why, technically speaking, I see your area changing over the course of the next ten years.

[00:07:53 - 00:07:58] I think there's going to be some serious concern in your neck of the woods, as we call it, around here.

[00:08:00 - 00:08:03] With respect to, huh?

[00:08:04 - 00:08:05] Hypothetically speaking.

[00:08:07 - 00:08:08] Hypothetically speaking.

[00:08:08 - 00:08:09] But this is just what I see.

[00:08:10 - 00:08:15] Because I've been paying attention to what's going on in Europe.

[00:08:16 - 00:08:21] And your area is different, we'll say, than Central Europe, obviously.

[00:08:22 - 00:08:24] The mindset is different than Central Europe.

[00:08:24 - 00:08:26] I'm getting really exhausted here.

[00:08:27 - 00:08:28] Good, good, good.

[00:08:30 - 00:08:33] This is supposed to be, you know, back and forth stuff.

[00:08:34 - 00:08:36] So you can also, you know, jump in at any time.

[00:08:37 - 00:08:41] But long story short is I expect to see some major changes happening in your area

[00:08:41 - 00:08:47] with respect to the government becoming concerned about potentially being invaded

[00:08:47 - 00:08:52] by individuals interested in enforcing their will.

[00:08:54 - 00:08:55] So you watch.

[00:08:55 - 00:08:56] You watch.

[00:08:56 - 00:08:58] I guarantee you you guys don't have arms right now.

[00:09:00 - 00:09:02] I guarantee you you will be getting arms

[00:09:07 - 00:09:14] Are you talking about the citizens individually? I'm talking about the citizens time. That's exactly cool. You know what's going on. You know

[00:09:16 - 00:09:18] Yeah, I know exactly

[00:09:18 - 00:09:24] But what does it have to do with you have votes and any of those okay? Yeah, well the Belgium

[00:09:24 - 00:09:26] I get you have you seen any YouTube UFOs

[00:09:30 - 00:09:33] the 90s or something, the 80s or something.

[00:09:33 - 00:09:36] Yeah, and Belgium was early 2000.

[00:09:38 - 00:09:42] But, hey, if you guys don't live near the city where there's a lot of lights,

[00:09:43 - 00:09:48] I mean, what I'd like to do when I get an opportunity is I'm going to get myself a telescope

[00:09:48 - 00:09:51] so I can do some what was called stargazing.

[00:09:52 - 00:09:54] But I'm also going to be looking for UFOs.

[00:10:00 - 00:10:02] astronauts, actually.

[00:10:02 - 00:10:04] Oh, no, no, that's right again.

[00:10:04 - 00:10:05] You didn't see those?

[00:10:05 - 00:10:06] Yes, sir.

[00:10:06 - 00:10:07] I'll send you the links to them.

[00:10:07 - 00:10:11] I did, but those are just ice particles and it has a bad lens.

[00:10:12 - 00:10:12] Huh?

[00:10:13 - 00:10:17] You know, the one where the shuttle drops something, right, and the camera films it,

[00:10:17 - 00:10:21] and then there's all these UFOs behind, and that's just ice particles, and there's a

[00:10:21 - 00:10:22] bad lens.

[00:10:22 - 00:10:23] Well, that's a possibility.

[00:10:23 - 00:10:24] No, it's actually proof.

[00:10:30 - 00:10:33] about the unidentified flying objects.

[00:10:34 - 00:10:35] Okay, I know that.

[00:10:36 - 00:10:38] Yeah, so I'll send you those links.

[00:10:38 - 00:10:39] I'll send you those so you can see them.

[00:10:39 - 00:10:42] But you know something, it makes sense.

[00:10:42 - 00:10:49] It makes sense that, I mean, look at some of the religious,

[00:10:50 - 00:10:51] I saw this on YouTube too.

[00:10:53 - 00:10:58] I'll send you those links where there was religious drawings

[00:11:00 - 00:11:11] actually aliens, spacecraft in the drawings, men in spaceships. This isn't, you know, unique to

[00:11:11 - 00:11:16] this particular time. No, actually.

[00:00:00 - 00:00:02] Those drawings are also proven fake.

[00:00:03 - 00:00:07] You know, I know what you're talking about, the ancient Egyptian drawings.

[00:00:08 - 00:00:14] I don't know. Can you send me a link so I can do the research on that?

[00:00:15 - 00:00:17] Can you do some research?

[00:00:18 - 00:00:20] Actually, most of those represent God.

[00:00:22 - 00:00:26] Usually it's not UFOs or the spacecraft kind of guys.

[00:00:26 - 00:00:28] I know what you're talking about, it's all the drawings.

[00:00:30 - 00:00:34] Guys, when this conversation disconnects again, I'm going to bed.

[00:00:35 - 00:00:37] Hey, yeah, okay.

[00:00:37 - 00:00:38] [Uncertain recognition] Why, it's late over there now, huh?

[00:00:38 - 00:00:42] [Uncertain recognition] It's quarter to four, but I'm just really tired because I was sick in two days.

[00:00:45 - 00:00:46] Mike, what do you have?

[00:00:48 - 00:00:48] [Uncertain recognition] I have the flu.

[00:00:50 - 00:00:50] Oh, swine flu.

[00:00:51 - 00:00:52] [Uncertain recognition] Not really.

[00:00:53 - 00:00:55] How can you tell the difference anyway?

[00:00:55 - 00:00:59] I've had the flu like two to three times in about four weeks now.

[00:01:00 - 00:01:03] Oh, and I think he just hung up or something.

[00:01:03 - 00:01:05] Yeah, he just hung up.

[00:01:05 - 00:01:06] Oh, goodnight.

[00:02:22 - 00:02:28] oh tom hello hey listen hello

[00:02:30 - 00:02:36] Hey, I don't know if you know this. Somebody's made a soundboard of Koon.

[00:02:36 - 00:02:38] Or me?

[00:02:38 - 00:02:40] [Uncertain recognition] Koon here?

[00:02:40 - 00:02:42] Yeah, I'm here.

[00:02:42 - 00:02:44] Hello?

[00:02:44 - 00:02:45] [Uncertain recognition] Yeah?

[00:02:45 - 00:02:46] [Uncertain recognition] Hello?

[00:02:46 - 00:02:48] Yeah, I'm here.

[00:02:48 - 00:02:50] You're there?

[00:02:50 - 00:02:53] Koon's there, but he's on a laptop with a crappy mic.

[00:02:53 - 00:02:55] Oh.

[00:02:55 - 00:02:58] Yep, well somebody made a soundboard of you.

[00:03:00 - 00:03:04] somebody that you've been hanging with has recorded your voice because i was going like

[00:03:04 - 00:03:10] wait a minute here wait a minute we were in a conversation that comes from a conversation that

[00:03:10 - 00:03:17] i was in i said buddy you've just been begged because you can't do that and not expect to

[00:03:17 - 00:03:29] found out huh i don't give a shit uh that's fine with me okay we don't really give a fuck about that

[00:03:30 - 00:03:44] I thought you guys, I thought you guys, you know, because I haven't seen any soundboards on any of you guys, so now I guess somebody's doing soundboards on everybody.

[00:03:44 - 00:03:51] Soundboards have made for my voice, so now people call someone and then they have used my voice for my voice.

[00:03:51 - 00:03:58] But the point is that somebody that you were hanging with recorded you. That ain't good.

[00:04:00 - 00:04:05] probably uh they got the uh audio clips from all the movies

[00:04:06 - 00:04:11] no yeah no these were conversations we were in

[00:04:11 - 00:04:14] okay then it was jack

[00:04:14 - 00:04:16] i don't know

[00:04:16 - 00:04:19] nay but it doesn't scare

[00:04:19 - 00:04:24] hello

[00:04:24 - 00:04:27] [Uncertain recognition] hello

[00:04:30 - 00:04:32] it's not even funny anymore

[00:04:32 - 00:04:34] I know

[00:04:34 - 00:04:36] It is, it's irritating

[00:04:36 - 00:04:38] It's a bit irritating, not even trolling

[00:04:38 - 00:04:40] like, what the fuck

[00:04:40 - 00:04:42] I know

[00:04:42 - 00:04:46] I'm gonna figure out how to be a good troll

[00:04:46 - 00:04:48] I'm scared that I'm scared

[00:04:48 - 00:04:50] I'm scared that I'm scared

[00:04:50 - 00:04:52] Jacket

[00:04:52 - 00:04:54] Is there schooling for trolling?

[00:04:54 - 00:04:56] Yeah

[00:04:56 - 00:04:58] If you pay us, we can teach you

[00:05:00 - 00:05:05] No, I'm just faking like that, so fast.

[00:05:05 - 00:05:10] What? Why are you laughing, Chris?

[00:05:10 - 00:05:15] No, because that was funny, Tom. What you said. Yeah, if you pay...

[00:05:15 - 00:05:19] You gotta write a PDF on it and post it.

[00:05:19 - 00:05:22] Tell it. Have it downloadable. Donate. Donate a couple bucks.

[00:05:22 - 00:05:25] Nothing in life is free, Chris.

[00:05:25 - 00:05:26] [Uncertain recognition] Huh?

[00:05:26 - 00:05:28] [Uncertain recognition] Nothing in life is free.

[00:05:30 - 00:05:35] So what do you think about reptilians?

[00:05:35 - 00:05:40] What do you think about reptilians?

[00:05:40 - 00:05:46] What do you think about reptilians?

[00:05:46 - 00:05:54] What do you think about reptilians?

[00:05:54 - 00:05:56] They're reptilians, Chris!

[00:06:00 - 00:06:03] [Uncertain recognition] I think some people eat them.

[00:06:05 - 00:06:06] I mean, you're reptiles.

[00:06:06 - 00:06:07] Oh, those are reptiles, I'm sorry.

[00:06:07 - 00:06:08] Not reptilians, reptiles.

[00:06:09 - 00:06:10] Reptiles, whatever.

[00:06:11 - 00:06:12] Yeah, some people eat reptiles.

[00:06:12 - 00:06:15] Reptilians, I don't know if anybody's ever cooked up a reptilian.

[00:06:16 - 00:06:17] You know what I'm talking about.

[00:06:17 - 00:06:18] You know what I'm talking about.

[00:06:18 - 00:06:18] Yep, sure do.

[00:06:22 - 00:06:24] Some people eat reptiles.

[00:06:25 - 00:06:27] Yeah, but seriously, what do you think about it?

[00:06:30 - 00:06:41] I think reptilians should come out of the closet and admit that if they're reptilians, that if they need to go into therapy, that's okay.

[00:06:43 - 00:06:43] Ah, yeah.

[00:06:43 - 00:06:44] Whatever.

[00:06:46 - 00:06:48] I think, I'll tell you the truth, who knows?

[00:06:49 - 00:06:49] Dear world order, Chris.

[00:06:49 - 00:06:51] I personally, they could exist.

[00:06:53 - 00:06:54] Let's put it this way.

[00:06:56 - 00:06:59] We just had a couple of elections in a couple of states here.

[00:07:00 - 00:07:09] And if those are any indicators as to the way this country is going, I would expect that Obama isn't going to get his way.

[00:07:10 - 00:07:24] And right now, I don't know if you just heard the news, guys, but we had a massive shooting at a graduation on one of the largest military bases in the world.

[00:07:24 - 00:07:26] Oh, seriously, what happened?

[00:07:30 - 00:07:36] at a shooting seven seven people are dead military these guys when you when you do something like

[00:07:36 - 00:07:43] that on a military base you're definitely not thinking about being able to get off of it

[00:07:43 - 00:07:52] fort hood is a huge fucking base yeah one guy has been neutralized allegedly so that means he's

[00:08:00 - 00:08:08] have fun you hear me better now oh yeah okay I can't hear you very well Tom can't hear you

[00:08:08 - 00:08:16] very well enough no because I'm playing a fucking game here oh by the way there's these guys

[00:08:16 - 00:08:26] they keep wanting me on on vent now I don't know if you know any of them ventrilo oh do you know

[00:08:30 - 00:08:40] It's Tom's server, Tom doesn't have a server.

[00:08:40 - 00:08:47] They say it's Zeo's, Zeo's, Zeo's server.

[00:08:47 - 00:08:51] It's not, uh, Tom is not the Zeo's rule last time.

[00:08:51 - 00:08:53] Oh, okay, you're not the Zeo's.

[00:08:53 - 00:08:55] Who is the Zeo's?

[00:08:55 - 00:08:58] It's a guy who lives in Boston.

[00:09:00 - 00:09:05] yeah yeah I was just pulled he went to jail they said last night that he went

[00:09:05 - 00:09:10] to jail for beating somebody up oh I could well shit you should come down

[00:09:10 - 00:09:28] here I didn't hear you Tom I can barely oh really that's an interest that's an

[00:09:30 - 00:09:32] I didn't hear you talking.

[00:09:32 - 00:09:34] You can hear me.

[00:04:09 - 00:04:09] I don't.

[00:04:10 - 00:04:12] I still have to get a license, but I'll get that in three months.

[00:04:13 - 00:04:14] But I'll get a...

[00:04:16 - 00:04:19] I actually want to go back to school.

[00:04:42 - 00:04:46] Did you join the Masons yet?

[00:04:46 - 00:04:51] Yeah, he's a Freemason. He's now a Deafo worshiper.

[00:04:51 - 00:04:57] As a matter of fact, I've already talked to Elijah over there and I can come over there, somebody will put me up in this coming spring.

[00:05:00 - 00:05:03] They make people who visit there for basically nothing.

[00:05:04 - 00:05:04] [Uncertain recognition] All right, why?

[00:05:04 - 00:05:05] [Uncertain recognition] Wow.

[00:05:05 - 00:05:09] But you know, Masons are like Zionist slaves.

[00:05:09 - 00:05:11] They're like devil worshippers.

[00:05:12 - 00:05:12] Do you know that?

[00:05:14 - 00:05:19] Well, considering the fact that I'm going to become a Knights Templar,

[00:05:20 - 00:05:21] that's an order within the Masons.

[00:05:22 - 00:05:23] You're a Knights Templar.

[00:05:23 - 00:05:26] Dude, those guys died in the 11th century or something.

[00:05:27 - 00:05:28] No, no, no, no, no, no, no, no.

[00:05:30 - 00:05:33] Well, I'm not going to be a Knights Templar.

[00:05:34 - 00:05:35] Oh, the title, the title.

[00:05:36 - 00:05:37] [Uncertain recognition] It's not a public order.

[00:05:38 - 00:05:42] Those were a name for the Knights in the first place.

[00:05:42 - 00:05:42] He knows.

[00:05:43 - 00:05:44] No, it's a title.

[00:05:44 - 00:05:46] It's a rank in the Freemasons, I think.

[00:05:47 - 00:05:48] Yeah, it's an order.

[00:05:48 - 00:05:49] It's called an order.

[00:05:49 - 00:05:50] It's part of.

[00:05:50 - 00:05:52] It's like an offshoot.

[00:05:53 - 00:05:55] Those were the first bankers, weren't they?

[00:05:56 - 00:05:56] Huh?

[00:05:56 - 00:05:59] They were the first bankers in the world.

[00:06:00 - 00:06:08] Exactly. But it looks like I'm getting funded, too, as a Freemason. They love the idea.

[00:06:11 - 00:06:16] Hey, but you know that the Freemasons worship the devil and stuff, right? I've seen that.

[00:06:16 - 00:06:22] Well, that's what, Kuhn, Kuhn. The Freemason, I mean, the Knights Templar, I don't know if you're aware of this,

[00:06:30 - 00:06:33] of certain elements within Christianity.

[00:06:34 - 00:06:36] As a matter of fact, to become a Knights Templar,

[00:06:36 - 00:06:42] I have got to believe in Yeshua as my Lord and Savior,

[00:06:43 - 00:06:44] or Jesus as my Lord and Savior.

[00:06:44 - 00:06:44] Yeshua.

[00:06:45 - 00:06:46] Joshua is a Jewish.

[00:06:46 - 00:06:47] Jewish.

[00:06:48 - 00:06:51] Yeshua or Yeshua, or however you want to pronounce it.

[00:06:52 - 00:06:52] Joshua.

[00:06:53 - 00:06:53] Joshua.

[00:06:54 - 00:06:54] Yep.

[00:06:55 - 00:06:58] But long story short, is you've got, no, it's not,

[00:06:58 - 00:06:59] there's no devil worship.

[00:07:00 - 00:07:05] Boy, I've seen a couple of pictures and stuff where they worship with them.

[00:07:05 - 00:07:06] Well, you know something, there's a lot of myths.

[00:07:07 - 00:07:10] Listen, a whole bunch of people, I'll give you an example.

[00:07:11 - 00:07:15] If you and me started a club, you and me and Tom started a club, right?

[00:07:15 - 00:07:16] [Uncertain recognition] Yeah.

[00:07:16 - 00:07:24] And we'll say it was just general rapping, general bullshitting around about, you know, what's going on in our lives, but it's nobody else's business.

[00:07:30 - 00:07:34] And we tell other people, our family or friends tell other people about the club.

[00:07:34 - 00:07:38] And people come to us and say, hey, here you're involved in this club, and blah, blah, blah, blah.

[00:07:39 - 00:07:40] And do you want to tell us a little about it?

[00:07:40 - 00:07:42] Well, we really can't discuss it.

[00:07:43 - 00:07:45] At that point, they say, oh, secret club.

[00:07:46 - 00:07:48] Got to be nefarious.

[00:07:49 - 00:07:50] Got to be sinister.

[00:07:51 - 00:07:53] And there's a lot more out there.

[00:07:54 - 00:07:56] Actually, how can I do this?

[00:08:00 - 00:08:03] Um, it's called The Scottish Key.

[00:08:07 - 00:08:08] Yeah, that's what it's loose to you.

[00:08:09 - 00:08:10] It's called The Scottish Key.

[00:08:12 - 00:08:13] Couldn't come on.

[00:08:14 - 00:08:15] What the fuck, man?

[00:08:15 - 00:08:18] How the hell am I supposed to attack you with this fucking formation that you have?

[00:08:19 - 00:08:20] I don't know.

[00:08:21 - 00:08:22] It's like 300.

[00:08:22 - 00:08:24] I got about 300 people there.

[00:08:30 - 00:08:33] Yeah, why are you still in your shop at this hour?

[00:08:35 - 00:08:39] Oh, I just got back from my daughter's place, and I've got work to do.

[00:08:40 - 00:08:41] So, I've got to do it.

[00:08:41 - 00:08:43] And listen, I'm not married. I'm not married.

[00:08:44 - 00:08:45] I've got all my kids are full grown.

[00:08:46 - 00:08:47] I've got nothing better to do.

[00:08:48 - 00:08:50] Well, she could be doing better, but she's doing okay.

[00:08:51 - 00:08:55] Life's getting better for her now that she's left a guy that she was with.

[00:08:55 - 00:08:58] That's good, Chris, but I just wanted to tell you something.

[00:09:00 - 00:09:07] calling your time and you don't worry about that I'm glad I'm glad that the

[00:09:07 - 00:09:14] lights sure go ahead and calling a for about one and a half years now no I was

[00:09:14 - 00:09:23] half a year probably here I've got still got recordings from a year ago so I've

[00:09:23 - 00:09:28] been talking to you a guy from a and the funniest thing happened like we were

[00:09:30 - 00:09:57] and he was like, you're being helped, and he was like, fine, say whatever the fuck you want, I don't give a shit, for sure, I'll talk to you, and like, we threw everything we had at him, and he was like, okay, okay, fine, still wanna talk to me, I'm fine, and he was like, okay, okay, I've done plenty of things in my life, I don't give a shit, whatever you want, man, whatever you want.

[00:10:00 - 00:10:09] And after that guy, his name was Jeremy, and seriously, after talking to him, I've never called AA again, I've never prank called again.

[00:10:10 - 00:10:19] That guy, he was, seriously, he told us we were being helped, I didn't believe him, but after that, seriously, I'd never had the, I'd never prank called.

[00:10:19 - 00:10:22] Wait, you need some help, man, you need some help.

[00:10:23 - 00:10:24] Seriously, so, uh...

[00:10:24 - 00:10:26] Well, praise God, brother, praise God.

[00:10:27 - 00:10:28] I'm just so happy to hear about this guy.

[00:10:30 - 00:10:35] I do not believe in a god, I'm a buddhist.

[00:10:35 - 00:10:37] Oh, you're a buddhist as well?

[00:10:37 - 00:10:41] Yeah, yeah, I'm just like your brother. I've been practicing it for about half year.

[00:10:41 - 00:10:45] Oh, I didn't know. Why the fuck do you still drink and stuff?

[00:10:45 - 00:10:53] Because the nice thing about buddhism is, if you cannot obey some rules, you can just pick some other rules to

[00:11:00 - 00:11:01] No, no, no, I'm not an atheist

[00:11:01 - 00:11:04] Look, Buddhists do not think there is a god

[00:11:04 - 00:11:09] Oh, I mean, it's not defined

[00:11:09 - 00:11:12] They do not think there is a real god

[00:11:12 - 00:11:18] Well, yeah, they think that we're all a god, basically

[00:11:18 - 00:11:21] Yeah, but that's not like one god, one universe

[00:11:21 - 00:11:23] No, not like a Christian god

[00:11:23 - 00:11:23] Exactly

[00:11:23 - 00:11:24] Yeah

[00:11:24 - 00:11:27] Alright, time for a sec, Jack

[00:11:30 - 00:11:38] I'm eating, I'm eating a cinnamon roll with frosting on top.

[00:11:41 - 00:11:42] Delicious.

[00:11:43 - 00:11:45] [Uncertain recognition] It is fucking good.

[00:11:48 - 00:11:51] But I had some dynamite beef stew before it, so.

[00:11:52 - 00:11:53] What are you talking about?

[00:11:55 - 00:11:58] [Uncertain recognition] Beef stew, cinnamon buns.

[00:12:00 - 00:12:01] [Uncertain recognition] And...

[00:01:12 - 00:01:13] Exactly.

[00:01:14 - 00:01:17] Because I'm still not sure if you have a personal fendata against me.

[00:01:18 - 00:01:18] All right.

[00:01:37 - 00:01:45] Yeah, we got a friend of mine that lives near the shop that is going to plant some microphones.

[00:01:49 - 00:01:51] Don't think I want that.

[00:01:51 - 00:01:57] So, better check around the shop in a couple of weeks.

[00:02:00 - 00:02:02] Come to smile for the cameras all over the neighborhood.

[00:02:04 - 00:02:06] Oh, you only have one camera.

[00:02:06 - 00:02:07] [Uncertain recognition] Yeah, exactly.

[00:02:08 - 00:02:09] Outside the shop.

[00:02:09 - 00:02:10] Those aren't yours.

[00:02:30 - 00:02:36] Yes, I drink it every day with milk.

[00:02:36 - 00:02:36] Oh, man.

[00:02:38 - 00:02:40] Yep, yep, there you go.

[00:02:40 - 00:02:42] It's much better than coffee, man.

[00:02:43 - 00:02:43] Fuck coffee.

[00:02:43 - 00:02:45] Oh, you know something?

[00:02:45 - 00:02:47] I switched.

[00:02:47 - 00:02:52] I was drinking a lot of coffee, and then, yes, and it's healthier, too.

[00:02:53 - 00:02:54] Well, it depends.

[00:02:54 - 00:02:57] If you add milk, then the whole healthy stuff is gone.

[00:04:27 - 00:04:28] Chris

[00:04:30 - 00:04:35] You were going to say something earlier, but you were, and I kind of cut you off.

[00:04:36 - 00:04:38] Oh, I don't remember.

[00:04:39 - 00:04:39] Let's see.

[00:04:42 - 00:04:44] So, when do you start school?

[00:04:46 - 00:04:49] Well, I'm going to apply to a private school tomorrow.

[00:04:51 - 00:04:51] Oh, good.

[00:04:52 - 00:04:53] It's in Amsterdam.

[00:04:53 - 00:04:53] Yeah.

[00:04:54 - 00:04:55] [Uncertain recognition] Mm-hmm.

[00:04:56 - 00:04:56] [Uncertain recognition] So.

[00:04:56 - 00:04:58] [Uncertain recognition] A private school?

[00:05:00 - 00:05:09] it's like uh you know uh half of it's uh that's pretty high i guess okay you got high school

[00:05:09 - 00:05:16] and you got yeah it's high school but you know it's it's uh you got um different um levels of

[00:05:16 - 00:05:26] high school here yeah like right we got different levels here too no no vwo

[00:05:30 - 00:05:37] Yeah, and you've got different levels than VBO.

[00:05:37 - 00:05:40] Is that like four years?

[00:05:40 - 00:05:41] [Uncertain recognition] Well, yeah.

[00:05:41 - 00:05:43] Yeah, but this is only going to take one year.

[00:05:43 - 00:05:47] I know, but because he also finished his other classes.

[00:05:47 - 00:05:48] Yeah.

[00:05:48 - 00:05:52] So he can just finish it in one year.

[00:05:52 - 00:05:53] Oh, Jack...

[00:05:53 - 00:05:57] So would you quit high school, Cole?

[00:05:57 - 00:05:59] No, I...

[00:06:00 - 00:06:05] [Uncertain recognition] If he still has to do college, then he's wasting three or four years.

[00:06:05 - 00:06:14] If he does half or now, he can skip those two, three years and go on to higher education, uni.

[00:06:15 - 00:06:16] [Uncertain recognition] Great.

[00:06:16 - 00:06:17] Yeah, I didn't skip.

[00:06:17 - 00:06:19] I mean, I didn't not make high school.

[00:06:20 - 00:06:21] I mean, I got kicked out.

[00:06:25 - 00:06:26] Wait, Tom, what's that?

[00:06:26 - 00:06:28] I came close, dear bro.

[00:06:28 - 00:06:29] I came close.

[00:06:30 - 00:06:32] Did you congregate that as well, Tom, in the school we went to?

[00:06:32 - 00:06:33] Yeah, I know.

[00:06:33 - 00:06:34] [Uncertain recognition] I got kicked out.

[00:06:35 - 00:06:36] When?

[00:06:36 - 00:06:37] I came close.

[00:06:37 - 00:06:42] But I did an application test to another school.

[00:06:42 - 00:06:44] Oh, okay.

[00:06:44 - 00:06:48] Well, I like failed on one point at fucking Mr. Hyper.

[00:06:49 - 00:06:49] You remember him?

[00:06:49 - 00:06:50] I know, I know.

[00:06:50 - 00:06:50] That fucking asshole.

[00:06:50 - 00:06:51] He was a mentor.

[00:06:51 - 00:06:53] He was a mentor for the first and second year.

[00:06:53 - 00:06:56] He didn't let me pass because I had like one point.

[00:06:57 - 00:06:58] Fucking asshole.

[00:07:00 - 00:07:08] moment like my parents were at school more than I was but you made the first class though right

[00:07:08 - 00:07:24] I made the first and second class and the second class I made the second class but then after I made the second class I got all the grades to just pass on to the next class

[00:07:30 - 00:08:00] *[Unreliable audio transcription: Repetitive decoder output; speech could not be reliably recognized.]*

[00:08:00 - 00:08:01] I see her sometimes here.

[00:08:02 - 00:08:05] Yeah, Mrs. Wester, fucking bitch.

[00:08:06 - 00:08:08] Did she like you?

[00:08:09 - 00:08:09] Part of your German.

[00:08:10 - 00:08:14] Look, I had the privilege of my brother already passing that school.

[00:08:15 - 00:08:17] Oh, so they still remember you.

[00:08:17 - 00:08:19] Every teacher knew my brother.

[00:08:20 - 00:08:20] Okay.

[00:08:20 - 00:08:22] I got some special privilege.

[00:08:23 - 00:08:26] I had that on the next school I went to, because my brother went there.

[00:08:27 - 00:08:27] [Uncertain recognition] You know.

[00:08:30 - 00:08:31] My brother's a faggot?

[00:08:31 - 00:08:32] No, not really.

[00:08:33 - 00:08:35] They gave you books, dumbass.

[00:08:35 - 00:08:36] I fucking know.

[00:08:36 - 00:08:39] I still have a shelf of books filled with his books.

[00:08:39 - 00:08:40] Did you even read them?

[00:08:40 - 00:08:42] Yeah, I fucking read them.

[00:08:42 - 00:08:43] But they're all really outdated.

[00:08:44 - 00:08:46] Yeah, but still the basics remain the same.

[00:08:46 - 00:08:47] 1999, 2000.

[00:08:48 - 00:08:48] [Uncertain recognition] Yeah.

[00:08:49 - 00:08:50] Hang on for a second.

[00:08:52 - 00:08:53] What about Chris?

[00:08:53 - 00:08:54] That was funny, Tom.

[00:08:54 - 00:08:54] You know something?

[00:08:54 - 00:08:58] My appearance would have been there a lot, too, but...

[00:09:00 - 00:09:05] They weren't required, so at some point I quit and joined the service.

[00:09:06 - 00:09:16] No, like, in Holland, you have to be 18 with a certain degree to not have to go to school anymore.

[00:09:17 - 00:09:18] [Uncertain recognition] Uh-huh.

[00:09:19 - 00:09:25] Even after you're 18, you still have to have a decent grade to not have to go to school anymore.

[00:09:30 - 00:09:31] at the age of 16.

[00:09:32 - 00:09:33] Really?

[00:09:33 - 00:09:36] See, here you can quit at 16.

[00:09:36 - 00:09:38] Yeah, I know, but...

[00:09:38 - 00:09:39] [Uncertain recognition] It's stupid.

[00:09:39 - 00:09:41] It's stupid to allow kids to quit.

[00:09:41 - 00:09:43] The government has authority over you

[00:09:43 - 00:09:47] if you still don't have the grade.

[00:09:49 - 00:09:49] Really?

[00:09:49 - 00:09:51] Yeah, but they have the grade,

[00:09:51 - 00:09:53] so they can't do shit about me.

[00:01:50 - 00:01:55] It's just I don't like friends at the moment because my old friends are gay.

[00:01:56 - 00:01:59] Yeah, but I'm an older friend than your old friends, so fuck you.

[00:02:00 - 00:02:07] So are they really gay? Are you just saying that? Is that just denigrating them like they're dickheads?

[00:02:07 - 00:02:10] Why are you sticking up for the gay people, Chris?

[00:02:10 - 00:02:15] No, they're not gay, but they're like old high school friends.

[00:02:15 - 00:02:23] No, I wasn't. I was just curious, Tom. Just curious if he was using that as like a denigrating term, not that they were really gay.

[00:02:23 - 00:02:24] They're not really gay.

[00:02:30 - 00:02:37] of a dick but yeah i know what you mean no but they're like you know the guy is like uh

[00:03:00 - 00:03:00] anymore.

[00:03:01 - 00:03:01] Oh.

[00:03:02 - 00:03:03] That's on the

[00:03:03 - 00:03:03] internet.

[00:03:03 - 00:03:04] Hey, you can

[00:03:04 - 00:03:04] change in a

[00:03:04 - 00:03:05] heartbeat, too.

[00:03:05 - 00:03:07] You can change

[00:03:07 - 00:03:08] in a heartbeat.

[00:03:08 - 00:03:09] I don't harass

[00:03:09 - 00:03:09] people in real

[00:03:09 - 00:03:10] life anymore.

[00:03:10 - 00:03:11] I don't fucking

[00:03:11 - 00:03:12] physically assault

[00:03:12 - 00:03:13] them anymore.

[00:03:13 - 00:03:14] I just fucking...

[00:03:14 - 00:03:14] Oh, you used

[00:03:14 - 00:03:15] to do that?

[00:03:16 - 00:03:16] I don't know.

[00:03:17 - 00:03:18] I've just followed

[00:03:18 - 00:03:18] those from people

[00:03:20 - 00:03:21] Oh, that sucks.

[00:03:21 - 00:03:21] No, no, no.

[00:03:21 - 00:03:22] Just in the bars

[00:03:22 - 00:03:23] when people are

[00:03:23 - 00:03:23] attacking.

[00:03:23 - 00:03:24] Oh, okay.

[00:03:25 - 00:03:25] Yeah.

[00:03:26 - 00:03:27] No, man.

[00:03:38 - 00:03:45] that like a like a restaurant bar at 16 oh even earlier see really if you look

[00:03:45 - 00:03:50] a bit like the Americans the Americans look a bit older if you come here when

[00:03:50 - 00:03:57] you're 30 some people looked at like they're 16 and that's enough you can

[00:04:00 - 00:04:02] Because people make abuse of it

[00:04:02 - 00:04:04] I think they want to change it to 18

[00:04:04 - 00:04:05] Chris is going to fall

[00:04:05 - 00:04:09] Chris is going to disconnect in a couple of minutes

[00:01:14 - 00:01:17] I think his name's Chris has called me about ten times a day the past week.

[00:01:17 - 00:01:19] He claims that we're connected through a computer,

[00:01:19 - 00:01:23] but he's lying to get attention or some sort of sick pleasure.

[00:01:23 - 00:01:25] Where's that?

[00:01:25 - 00:01:27] Merchants here.

[00:01:33 - 00:01:37] Oh, Merchant, Merchant, what's it called? Merchant or something or other?

[00:01:37 - 00:01:40] Merchant Circle. Merchant Circle.

[00:01:40 - 00:01:43] Yeah, yeah. A shitload of complaints. Jesus Christ.

[00:01:43 - 00:01:48] A bad claimant to me, Chris has made harassing phone calls saying I've got no life

[00:01:48 - 00:01:52] and I'm a loser.

[00:01:52 - 00:01:55] Oh, they'll get the hang of it eventually.

[00:01:55 - 00:01:59] There is a man out there named Chris that I've made. We're taking a call from Arnold Schwarzenegger.

[00:02:00 - 00:02:06] Or Al Pacino or, you know, Dr. Phil, they'll realize that this is not normal.

[00:02:08 - 00:02:11] Wow, there's so many complaints.

[00:02:12 - 00:02:14] I don't have to complain, Chad. I don't complain.

[00:02:15 - 00:02:17] Have you seen Frank Garrett's?

[00:02:17 - 00:02:17] They'll figure it out.

[00:02:18 - 00:02:18] You've seen Duncan Construction?

[00:02:18 - 00:02:20] I'm not concerned. Merchant Circle.

[00:02:20 - 00:02:24] As a matter of fact, you should see the complaints about Merchant Circle, period.

[00:02:30 - 00:02:41] basically deals with merchant circle allegedly so anyway uh so what you guys up to i got a new

[00:02:41 - 00:02:48] box i got a box cheap just gotta get some new beer you guys don't believe which i just picked up

[00:02:48 - 00:02:56] okay hey what you guys got for what you guys got for computers i got a quad core

[00:03:00 - 00:03:01] [Uncertain recognition] Yeah.

[00:03:01 - 00:03:03] I have a Dell XPS laptop.

[00:03:03 - 00:03:06] Yeah, this thing was fucking expensive.

[00:03:06 - 00:03:09] It was like 1,700 euros or something.

[00:03:09 - 00:03:13] Oh, you talking Alienware or the XPS?

[00:03:13 - 00:03:14] No.

[00:03:14 - 00:03:15] No, it's better than Alienware.

[00:03:15 - 00:03:20] No, it's more happier than Alienware because Coombe cannot buy other stuff.

[00:03:20 - 00:03:22] No, there was like almost a thousand.

[00:03:22 - 00:03:23] No, no, no.

[00:03:23 - 00:03:24] I'm talking about the laptop.

[00:03:24 - 00:03:25] Who's got the laptop?

[00:03:25 - 00:03:26] Jack has.

[00:03:26 - 00:03:27] I'll be right back.

[00:03:27 - 00:03:29] Yeah, Jack has a laptop.

[00:03:30 - 00:03:31] Jack, what do you got?

[00:03:32 - 00:03:34] I got a Dell XPS M1530.

[00:03:34 - 00:03:35] Yeah, that's what I thought.

[00:03:35 - 00:03:37] XPS, when you said $1,700, XPS.

[00:03:38 - 00:03:38] Top of the line.

[00:03:38 - 00:03:39] No, it wasn't a $1,700.

[00:03:41 - 00:03:42] I got a good deal.

[00:03:42 - 00:03:43] I got it for £800.

[00:03:44 - 00:03:45] And a laptop with this kind of...

[00:03:45 - 00:03:46] Oh, £800.

[00:03:47 - 00:03:50] And this was in 2008.

[00:03:50 - 00:03:53] Now, a laptop with the same spec still cost about £1,200.

[00:03:54 - 00:03:55] I got such a good deal with it.

[00:03:56 - 00:03:57] Great.

[00:04:00 - 00:04:06] Wow, 800 pounds. So that's what? That's about $1,000 American?

[00:04:06 - 00:04:07] About $1,200.

[00:04:09 - 00:04:10] Yeah, about $1,200, right.

[00:04:11 - 00:04:15] Yeah, that's damn good, man, on an XPS.

[00:04:16 - 00:04:16] [Uncertain recognition] Yeah.

[00:04:17 - 00:04:17] [Uncertain recognition] What are you doing?

[00:04:18 - 00:04:29] Well, I got it in 2008, but it has a 500 gig hard drive and 2.5 gigahertz dual core and a GeForce 8600 graphics card.

[00:04:29 - 00:04:29] Yep.

[00:04:30 - 00:04:30] Yep, yep, yep.

[00:04:30 - 00:04:31] So it's pretty cool.

[00:04:32 - 00:04:34] And that weighs, what, about seven pounds?

[00:04:35 - 00:04:36] No, it's really light.

[00:04:36 - 00:04:37] Well, I don't use pounds.

[00:04:37 - 00:04:39] It weighs about under two and a half kilograms,

[00:04:40 - 00:04:41] and it's pretty thin.

[00:04:41 - 00:04:43] Kilograms, I have a talk.

[00:04:43 - 00:04:48] The kilograms, I know that, I know what a kilo is.

[00:04:48 - 00:04:55] So a kilo is about two pounds, right?

[00:04:56 - 00:04:57] 2.2 pounds.

[00:04:57 - 00:04:58] I don't use old-fashioned.

[00:05:00 - 00:05:04] Kilo, kilo, no, kilos.

[00:05:05 - 00:05:09] Okay, so a kilo, does that mean kilogram, kilogram?

[00:05:10 - 00:05:12] That's a thousand grams, right?

[00:05:12 - 00:05:13] Yeah, that's a thousand grams.

[00:05:14 - 00:05:19] Because we don't do deal metric kind of tough dealing.

[00:05:20 - 00:05:24] Well, I guess it would be easier if you were raised on it, but...

[00:05:24 - 00:05:28] Yeah, you guys are just the same that the whole world uses.

[00:05:30 - 00:05:36] fucking confusing we use metric over here too we like when you buy a tool set you get the standard

[00:05:36 - 00:05:44] it's called standard and metric because not everything is standard anymore okay so but

[00:05:44 - 00:05:53] the kilograms i don't understand so what a kilogram is one kilogram is a thousand one

[00:06:00 - 00:06:08] Oh, it'd be one gram, one gram, what if you had a hundred grams, what would that be, what would that be called?

[00:06:10 - 00:06:10] I've got no clue.

[00:06:12 - 00:06:12] No concept.

[00:06:13 - 00:06:13] I'll have to go to bed.

[00:06:14 - 00:06:15] I've got work in the morning.

[00:06:17 - 00:06:17] Good night.

[00:06:17 - 00:06:19] Great, what do you, great.

[00:06:20 - 00:06:23] Oh, I've got to wait over there, six hours difference, five hours difference.

[00:06:24 - 00:06:24] Yeah, I've got to wake up.

[00:06:24 - 00:06:28] Okay, hey, listen, you can give me, you can give me the math lesson later.

[00:06:29 - 00:06:29] Okay, well.

[00:06:30 - 00:06:37] all right yeah check your email good exact okay what would you say cool check your email because

[00:06:37 - 00:06:46] i sent you uh email oh okay hold on so that's a gram i mean i could never figure that crap out

[00:06:46 - 00:06:54] gram 100 grams would be what i have no that's a gram i really don't care yeah that's what it is

[00:07:00 - 00:07:05] okay hey did you know that I just got this ad oh man you have the best body in

[00:07:05 - 00:07:12] one fucking hour what where no it's not real I can't believe people send that

[00:07:12 - 00:07:20] shit yeah like the penis and larger bullshit oh wow these reviews are

[00:07:20 - 00:07:26] crazy fuck off Jack I know I see what you're trying to do here business link

[00:07:30 - 00:07:31] All right, good night.

[00:07:31 - 00:07:32] Good night.

[00:07:32 - 00:07:32] Good night.

[00:07:33 - 00:07:34] Good night.

[00:07:37 - 00:07:39] So, did you get Windows 7 yet, Chris?

[00:07:41 - 00:07:41] [Uncertain recognition] Windows?

[00:07:42 - 00:07:42] [Uncertain recognition] Windows 7.

[00:07:42 - 00:07:43] No, I haven't.

[00:07:43 - 00:07:45] I'm letting everybody work the bugs out.

[00:07:45 - 00:07:50] I haven't heard any negative crap about it, but that's because it just came out.

[00:07:51 - 00:07:56] Well, I heard that NSA helped on the security issues.

[00:08:00 - 00:08:01] That's really great.

[00:08:01 - 00:08:02] Yeah, that's true.

[00:08:02 - 00:08:10] But still, you know, holes, there's nothing ever complete when it comes to an operating system.

[00:08:10 - 00:08:10] You know that.

[00:08:11 - 00:08:12] Oh, you can use Linux.

[00:08:12 - 00:08:21] Long story short is that it hasn't been out long enough for hackers to actually figure their way around it.

[00:08:21 - 00:08:28] And you know there's people in Microsoft that's going to also be involved in getting that information out to the hacker community.

[00:08:28 - 00:08:29] [Uncertain recognition] Yeah.

[00:08:30 - 00:08:34] I mean, have you read about Facebook, about the whole thing with the privacy shit?

[00:08:35 - 00:08:38] Oh, hey, I've got a YouTube video on that.

[00:08:38 - 00:08:40] That's some scary shit.

[00:08:40 - 00:08:43] The YouTube video, those guys got funded.

[00:08:43 - 00:08:46] They got initial funding of $500,000.

[00:08:47 - 00:08:52] And then some fucking database, some U.S. government-connected database company

[00:08:52 - 00:08:55] turns around and gives them $12 million fucking dollars.

[00:09:00 - 00:09:09] It's getting fucking database government. I mean, if this is getting fucking, I'm going to be getting off the net probably soon.

[00:09:09 - 00:09:20] You know, Australia is right now contemplating legislation to disconnect the Internet from outside the continent.

[00:09:30 - 00:09:37] related and out of the 70 percent of all the internet crime related 70 percent of that is

[00:09:37 - 00:09:43] coming from outside the country so that technically speaking means that they can reduce their crime

[00:09:43 - 00:09:52] rate right now to about 30 percent if they cut the connections outside the country well that's

[00:09:52 - 00:09:58] fucking bullshit man no i saw i read it in the wall street journal i clicked on the link i went

[00:10:00 - 00:10:02] I read about it, an Australian legislative site.

[00:10:03 - 00:10:04] Yeah, that's how it always goes.

[00:10:04 - 00:10:11] They always, you know, decrease shit like freedom for security, so-called security,

[00:10:11 - 00:10:15] but it's really, they just don't want us to have freedom.

[00:10:15 - 00:10:16] That's basically it.

[00:10:17 - 00:10:18] You know, it's just an excuse.

[00:10:18 - 00:10:23] No, what it is is that, first off, the Internet isn't a constitutional right.

[00:10:25 - 00:10:28] Secondly, if you get technical, it was Americans that invented the Internet.

[00:10:30 - 00:10:31] [Uncertain recognition] and we gave up

[00:10:31 - 00:10:33] it's just like we invented

[00:10:33 - 00:10:35] the VCR, did you know that?

[00:10:36 - 00:10:37] we gave it up to the

[00:10:37 - 00:10:39] we let the Japanese run with it

[00:10:39 - 00:10:41] right now

[00:10:41 - 00:10:43] and the Japanese

[00:10:43 - 00:10:44] look at what the Japanese did

[00:10:44 - 00:10:47] the Japanese got wealthy

[00:10:47 - 00:10:48] off of the VCR

[00:10:48 - 00:10:51] and they used that as a springboard

[00:10:51 - 00:10:53] into other products in areas

[00:10:53 - 00:10:55] it's just amazing what

[00:10:55 - 00:10:57] America does to itself

[00:10:57 - 00:10:59] so what are you suggesting that

[00:11:00 - 00:11:01] should make profit off the Internet.

[00:11:03 - 00:11:03] Oh, hell no.

[00:11:04 - 00:11:05] No, what I'm saying is that

[00:11:05 - 00:11:08] everybody makes a profit off the Internet

[00:11:08 - 00:11:09] because there's only certain backbones

[00:11:09 - 00:11:11] that are carrying the signals.

[00:11:13 - 00:11:15] Worldwide, there's only 17 servers.

[00:11:18 - 00:11:20] But long story short is

[00:11:20 - 00:11:24] nobody's got the constitutional right

[00:11:24 - 00:11:25] to access the Internet.

[00:11:30 - 00:11:34] It's okay that Australians like cut off the internet.

[00:11:34 - 00:11:47] No, if the government, let's put it this way, you got a home, we'll say that, oh, you had

[00:11:47 - 00:11:52] some friends over and they said, hey, dude, this is really cool.

[00:11:52 - 00:11:53] Check it out.

[00:11:53 - 00:11:56] You check it out and you go like, hey, this is really cool.

[00:11:56 - 00:11:58] I like this.

[00:12:00 - 00:12:01] whatever you're doing with it for a while,

[00:12:02 - 00:12:03] and then all of a sudden,

[00:12:03 - 00:12:09] that shit starts happening inside the house

[00:12:09 - 00:12:12] because of the thing that was brought into the house

[00:12:12 - 00:12:14] and can't access the outside of the house.

[00:12:15 - 00:12:18] And your friends are inside the house using the same shit you're using,

[00:12:19 - 00:12:21] and then all of a sudden you say,

[00:12:21 - 00:12:25] hey, guys, this is causing way too much fucking trouble in this house.

[00:12:27 - 00:12:29] I'm going to close the fucking doors.

[00:12:30 - 00:12:32] They say, wait a minute here, wait a minute.

[00:12:33 - 00:12:34] We're having a good time.

[00:12:34 - 00:12:37] Nothing like this shit's happened to us just yet.

[00:12:38 - 00:12:41] You're going to say, hey, I don't give a...

[00:12:41 - 00:12:43] It's affecting the inside of the house.

[00:12:45 - 00:12:47] And it's affecting everybody in the house.

[00:00:00 - 00:00:08] If it's not required for life, liberty, or the pursuit of happiness under our Constitution,

[00:00:09 - 00:00:19] then in fact, the Internet across the ocean, being able to cross the ocean with the Internet,

[00:00:20 - 00:00:28] isn't necessary, nor is it constitutionally required.

[00:00:30 - 00:00:30] some scary shit, man.

[00:00:32 - 00:00:33] [Uncertain recognition] But listen,

[00:00:33 - 00:00:35] there's a thing called,

[00:00:35 - 00:00:35] you know,

[00:00:35 - 00:00:37] there's a freedom tune,

[00:00:37 - 00:00:38] but there's no such thing

[00:00:38 - 00:00:39] as unlimited freedom.

[00:00:40 - 00:00:42] When we have got to,

[00:00:42 - 00:00:43] we have got to rein

[00:00:43 - 00:00:44] our own asses in

[00:00:44 - 00:00:45] and set limits

[00:00:45 - 00:00:48] on our behavior.

[00:00:49 - 00:00:50] That's when,

[00:00:50 - 00:00:51] when people don't do that,

[00:00:52 - 00:00:53] that's when tyranny

[00:00:53 - 00:00:55] rears its ugly head.

[00:00:55 - 00:00:58] Because if people can't do that

[00:01:00 - 00:01:02] and with respect

[00:01:02 - 00:01:04] and decency, that's

[00:01:04 - 00:01:06] when people in positions of power

[00:01:06 - 00:01:07] and authority step in and say,

[00:01:07 - 00:01:10] hey, you guys don't want to act

[00:01:10 - 00:01:11] like fucking

[00:01:11 - 00:01:14] human beings. You want to act

[00:01:14 - 00:01:16] like animals. Well, we're going to impose

[00:01:16 - 00:01:17] some laws

[00:01:17 - 00:01:19] that if you violate, you'll be

[00:01:19 - 00:01:22] thrown in a fucking cage like an

[00:01:22 - 00:01:24] animal. And that's what's fucking happening in Iraq

[00:01:24 - 00:01:26] and Afghanistan and that before.

[00:01:28 - 00:01:28] [Uncertain recognition] Uh-huh.

[00:01:30 - 00:01:32] So your fucking country is just dominating every other country.

[00:01:34 - 00:01:38] No, because guys, you're going to see something happening very soon.

[00:01:39 - 00:01:44] And Tom, I know you don't believe in God yet, but if there is a God, think of this.

[00:01:44 - 00:01:49] If there is a God, do you think God can make you believe in him?

[00:01:49 - 00:01:50] [Uncertain recognition] Yeah.

[00:01:52 - 00:01:53] [Uncertain recognition] Yes, he can.

[00:01:53 - 00:01:58] Now, hypothetically speaking, we're just, and hypothetical means supposition, you know?

[00:02:00 - 00:02:02] everybody to believe in God, then he would have made me

[00:02:02 - 00:02:03] to believe in him.

[00:02:05 - 00:02:06] No, no, no.

[00:02:06 - 00:02:08] Sometimes he allows us to come to that

[00:02:08 - 00:02:09] conclusion on our own heart.

[00:02:10 - 00:02:11] How do you know God so well?

[00:02:12 - 00:02:13] Does he tell you all that stuff?

[00:02:14 - 00:02:15] Okay.

[00:02:16 - 00:02:17] Here's absolutely, guys.

[00:02:18 - 00:02:20] Here is the key on how you know

[00:02:20 - 00:02:22] God exists.

[00:02:23 - 00:02:24] This is the key.

[00:02:24 - 00:02:26] [Uncertain recognition] There is no

[00:02:26 - 00:02:28] other key. There can be no

[00:02:30 - 00:02:32] And there is nothing before it.

[00:02:34 - 00:02:35] There's nothing.

[00:02:35 - 00:02:36] There's no aliens have seated us.

[00:02:37 - 00:02:41] The information, everything is based on information.

[00:02:41 - 00:02:43] Can I get an agreement out of that?

[00:02:44 - 00:02:44] [Uncertain recognition] No.

[00:02:45 - 00:02:46] Let me think.

[00:02:47 - 00:02:47] No, no.

[00:02:47 - 00:02:48] There's got to be information.

[00:02:49 - 00:02:49] [Uncertain recognition] No.

[00:02:50 - 00:02:55] In other words, for a car to be built, there's got to be information.

[00:02:55 - 00:02:57] What the fuck was that before the information?

[00:03:00 - 00:03:04] So, the Big Bang, we'll say the Big Bang happened.

[00:03:04 - 00:03:05] We'll just say it did.

[00:03:06 - 00:03:07] And there's a lot of truth it did.

[00:03:07 - 00:03:09] We'll say that Stephen Hawkins is correct.

[00:03:10 - 00:03:11] And Carl Sagan is correct.

[00:03:11 - 00:03:12] The Big Bang happened.

[00:03:13 - 00:03:18] The Big Bang had to happen based on information.

[00:03:19 - 00:03:22] Now, if you guys, this is a very tough concept.

[00:03:23 - 00:03:26] This is a very tough concept, what I'm going to say right now.

[00:03:30 - 00:03:37] trying to understand absolutely nothing. Now, when I talk to a physicist about

[00:03:37 - 00:03:43] absolutely nothing, he says, oh yes, but there were, before there was nothing,

[00:03:43 - 00:03:50] there's always been particles, there's always been particles, what are they

[00:03:50 - 00:03:57] called? Cosmic molecular particles or something like that. Huh? But yeah, there's

[00:04:00 - 00:04:06] particles i'm going like excuse me i'm talking about absolutely nothing there weren't even any

[00:04:06 - 00:04:14] space particles there was no cosmic rays no nothing he goes well that would have been that

[00:04:14 - 00:04:22] would have been at the time before the big bang i said hey there you go absolutely nothing

[00:04:30 - 00:04:36] just got one thing to say to you um if you have been talking to all those physicists and everybody

[00:04:36 - 00:04:43] that uh knows the fucking world so uh good how the fuck have you end up um data recovering

[00:04:46 - 00:04:52] hey it's a business right i drove cab for four years yeah in boston

[00:04:52 - 00:04:56] boston has got the process got you know everything about the world

[00:05:00 - 00:05:03] Listen, it doesn't take rocket science to be able to figure out logical stuff.

[00:05:04 - 00:05:04] Right.

[00:05:05 - 00:05:06] Space particles and that shit.

[00:05:06 - 00:05:07] No, I mean, he has a point.

[00:05:08 - 00:05:09] No, he doesn't have a fucking point.

[00:05:09 - 00:05:12] Like, you can learn, Tom, you could learn how you make paper.

[00:05:12 - 00:05:15] It doesn't mean you have to be a fucking chemist.

[00:05:15 - 00:05:19] Einstein, you know, probably recorded the smartest guy on the planet.

[00:05:20 - 00:05:21] He wasn't really doing well in school.

[00:05:22 - 00:05:24] It's not really, you know.

[00:05:24 - 00:05:29] I don't give a fuck, but why the fuck is Chris still stuck at his data recovering job?

[00:05:30 - 00:05:31] It's not stock.

[00:05:31 - 00:05:32] It's what I chose.

[00:05:33 - 00:05:34] But anyways...

[00:05:34 - 00:05:37] Of course, but you know something?

[00:05:37 - 00:05:39] I haven't even been in business for years.

[00:05:39 - 00:05:42] Do you know in this country, the statistics are...

[00:05:42 - 00:05:44] This is the statistics.

[00:05:45 - 00:05:49] 80% of all companies started in the first five years go out of business.

[00:05:50 - 00:05:53] I'll bet you that statistic is true worldwide.

[00:05:54 - 00:05:59] So, in the first three years, the highest percentage collapsed.

[00:06:00 - 00:06:10] So, that being the case, I'm lucky to even be here right now, especially on the economy.

[00:06:10 - 00:06:15] I don't know if you know what's going on over here, but I will agree with you.

[00:06:15 - 00:06:20] You're right about us sticking our nose into other people's business, and I'll address that in a minute.

[00:06:20 - 00:06:26] But getting back to what we're saying, the Big Bang, you have to have information for the Big Bang to happen.

[00:06:26 - 00:06:29] No information, no Big Bang.

[00:06:30 - 00:06:32] No information, no Big Bang.

[00:06:33 - 00:06:35] Where would the information come from?

[00:06:35 - 00:06:37] No aliens, because they didn't exist.

[00:06:38 - 00:06:40] Maybe another universe.

[00:06:40 - 00:06:41] Yeah, parallel.

[00:06:41 - 00:06:44] Not even another universe, because it didn't exist.

[00:06:44 - 00:06:46] There was absolutely nothing.

[00:06:46 - 00:06:49] Maybe our universe didn't exist, but someone else's universe didn't exist.

[00:06:49 - 00:06:56] No, we're talking scientists say all of the billions and billions and billions of stars,

[00:06:56 - 00:06:57] hundreds of billions.

[00:07:00 - 00:07:02] Think about that, hundreds of billions of stars.

[00:07:02 - 00:07:06] Think because now you're talking, those stars are suns.

[00:07:07 - 00:07:08] Look at all the planets.

[00:07:08 - 00:07:10] There's hundreds of billions of suns.

[00:07:11 - 00:07:14] That means there is, well, we get back to the word Google.

[00:07:15 - 00:07:18] There is a Google of planets.

[00:07:19 - 00:07:24] Because Google, I don't remember what it represents, but it's a god-awful large number.

[00:07:25 - 00:07:25] It's actually not Google.

[00:07:27 - 00:07:29] No, that's what Google means.

[00:07:30 - 00:07:31] O-O-T-L-E

[00:07:31 - 00:07:32] They just changed the name to that.

[00:07:33 - 00:07:36] It's fucking something else, I believe.

[00:07:39 - 00:07:40] What's it called again?

[00:07:40 - 00:07:44] It's not actually called Google, but it's Go...

[00:07:44 - 00:07:45] I don't know.

[00:07:46 - 00:07:46] Look it up.

[00:07:47 - 00:07:47] You're right there.

[00:07:47 - 00:07:52] Google is a mathematical term for one followed by a hundred zeros.

[00:07:53 - 00:07:54] Yeah, but that's...

[00:07:54 - 00:07:55] Man, that's phenomenal.

[00:08:00 - 00:08:07] hundred zeros. Well, you figure a trillion is nine zeros. A trillion. Well, let me see.

[00:08:08 - 00:08:18] A million is six zeros. A trillion is nine zeros. A hundred trillion is 11 zeros. And

[00:08:18 - 00:08:22] I don't even know what you get past once you get to a thousand trillion. That would be

[00:08:22 - 00:08:29] 12 zeros. You're talking a hundred zeros? That's phenomenal. That's phenomenal.

[00:08:30 - 00:08:30] [Uncertain recognition] Yeah, announcer.

[00:08:32 - 00:08:34] [Uncertain recognition] You always look like, oh, yeah.

[00:08:35 - 00:08:36] [Uncertain recognition] Yeah, dude.

[00:08:36 - 00:08:37] It's drama.

[00:08:37 - 00:08:38] No information.

[00:08:38 - 00:08:38] It's drama.

[00:08:39 - 00:08:39] No big bad.

[00:08:39 - 00:08:40] I love it, but I...

[00:08:40 - 00:08:42] [Uncertain recognition] I mean, pancakes for breakfast.

[00:08:43 - 00:08:46] But see, me and my brothers, me and my brothers, we all talk like this to each other, but you

[00:08:46 - 00:08:46] know something?

[00:08:46 - 00:08:49] We're all laughing our asses off all the time.

[00:08:50 - 00:08:51] [Uncertain recognition] You should try it.

[00:08:51 - 00:08:57] Be a little dramatic in your, in your, in your delivery of the spoken word.

[00:08:57 - 00:08:57] [Uncertain recognition] Of the message.

[00:09:00 - 00:09:02] A normal person would probably think you're a paranoid guy or something.

[00:09:04 - 00:09:04] [Uncertain recognition] Say what?

[00:09:05 - 00:09:07] A normal person would probably think you're a paranoid guy.

[00:09:07 - 00:09:15] No, as a matter of fact, I tried to be a radio DJ at one time.

[00:09:15 - 00:09:16] It's actually...

[00:09:16 - 00:09:17] Northeast Broadcasting.

[00:09:17 - 00:09:20] Look up Northeast Broadcasting when it was still in Boston.

[00:09:20 - 00:09:21] It no longer exists.

[00:09:21 - 00:09:26] It's called G-O-O-G-O-L, not Google.

[00:09:27 - 00:09:29] G-O-O-G-O-L?

[00:09:29 - 00:09:29] Yeah.

[00:09:30 - 00:09:33] Okay, okay, I'll go along with that.

[00:09:33 - 00:09:35] That's a whole lot of fucking zeros.

[00:09:35 - 00:09:36] Google.

[00:09:36 - 00:09:37] Google.

[00:09:37 - 00:09:38] [Uncertain recognition] Alright.

[00:09:38 - 00:09:41] Google is a distortion.

[00:09:41 - 00:09:44] It's just another word for Google.

[00:09:44 - 00:09:48] So Google is still playing on the same as Google.

[00:09:48 - 00:09:53] I know, but I know you guys were thinking about Google with L-E.

[00:09:53 - 00:09:55] That's why I said that.

[00:10:00 - 00:10:05] [Uncertain recognition] A lot of holes there, you know what I mean, in that Google.

[00:10:06 - 00:10:08] [Uncertain recognition] A lot of holes, a lot of holes.

[00:10:08 - 00:10:11] Kind of like the chicks in the red light district.

[00:10:14 - 00:10:17] Why the hell do you want to go there?

[00:10:18 - 00:10:19] All these sad people.

[00:10:19 - 00:10:19] Oh, I want to.

[00:10:19 - 00:10:20] It's so bad.

[00:10:20 - 00:10:25] Hey, listen, when I was in Germany, there was a house of three colors.

[00:10:30 - 00:10:34] bunch of rooms in there, kind of like the ones on the red light, on that street.

[00:10:36 - 00:10:37] What street?

[00:10:37 - 00:10:39] There are a bunch of streets on the red light.

[00:10:41 - 00:10:42] [Uncertain recognition] Oh, okay.

[00:10:42 - 00:10:48] I would have to say, I'm getting on Google for a second, and I'm going to tell you the

[00:10:48 - 00:10:54] hotel that I was going to stay in, me and my buddy, you heard, he's going to send the

[00:10:54 - 00:10:59] guitar, that should have already happened, but he's in kind of a funk right now, but

[00:11:00 - 00:11:00] Here we go.

[00:11:02 - 00:11:03] You are right.

[00:11:03 - 00:11:04] You are right.

[00:11:07 - 00:11:08] [Uncertain recognition] Let me see.

[00:11:08 - 00:11:09] [Uncertain recognition] He's bullshitting you.

[00:11:11 - 00:11:12] I don't bullshit.

[00:11:12 - 00:11:13] [Uncertain recognition] No, he's bullshitting you.

[00:11:14 - 00:11:14] [Uncertain recognition] Oh.

[00:11:16 - 00:11:17] No, no, no.

[00:11:17 - 00:11:18] He's not bullshitting me.

[00:11:18 - 00:11:23] We have a couple of lodges in Amsterdam.

[00:11:24 - 00:11:24] Freemason lodges.

[00:11:26 - 00:11:26] [Uncertain recognition] Yeah.

[00:11:27 - 00:11:28] Yep, yep, yep, yep.

[00:11:30 - 00:11:34] there but i still want to stay at this hotel because it looks so nice right it's right here

[00:11:34 - 00:11:40] at the i'll tell you the name of the i'll tell you what it is right now okay that is i'm going

[00:11:40 - 00:11:56] to my my google earth right okay oh by the way you know what i did see what you you won't hear me

[00:12:00 - 00:12:03] Yeah, I know, because you've got that rubber thing.

[00:12:06 - 00:12:06] Yep.

[00:12:08 - 00:12:09] You sure like that.

[00:12:09 - 00:12:10] That's pretty pathetic, Christian.

[00:12:11 - 00:12:12] No, it's awesome.

[00:12:12 - 00:12:13] No, it's pretty pathetic.

[00:12:13 - 00:12:16] No, it's fucking dangerous, man, because I was rapping.

[00:12:16 - 00:12:21] I was hitting the key so hard that a finger fucking bounced up and poked me in the eye.

[00:12:21 - 00:12:21] Wow.

[00:12:30 - 00:12:32] [Uncertain recognition] I gotta learn how to type, though.

[00:12:32 - 00:12:33] That's without a doubt.

[00:12:33 - 00:12:35] You guys type pretty good, right?

[00:12:35 - 00:12:36] Yep.

[00:12:37 - 00:12:39] We got one of the highest rates

[00:12:39 - 00:12:41] from the fucking Netherlands.

[00:12:42 - 00:12:42] Really?

[00:12:43 - 00:12:44] Oh, no doubt.

[00:12:46 - 00:12:47] I type faster than you.

[00:12:48 - 00:12:49] No, I don't know.

[00:12:49 - 00:12:50] Yeah, see, over here,

[00:12:50 - 00:12:52] males that type are called

[00:12:52 - 00:12:54] candy.

[00:12:57 - 00:12:57] Say, what did you say?

[00:12:57 - 00:12:58] Yeah, but you know something?

[00:13:00 - 00:13:17] LARGE HANDS, LARGE LONG FINGERS, WHEN WE WERE YOUNGER, YOU HAD THE LOWER KEYBOARD, WHICH ENABLED YOU TO TYPE PASS, BECAUSE YOU DIDN'T HAVE TO PRESS THE KEYS, WHEN YOU TAPPED THE KEYS, IT WOULD HAVE REGISTERED.

[00:13:30 - 00:13:31] Because the fucking throat hurts.

[00:13:32 - 00:13:33] Are we going to play Amma too?

[00:13:33 - 00:13:35] Are we going to play Amma too?

[00:13:36 - 00:13:37] No.

[00:13:38 - 00:13:41] Hey, just out of curiosity, you guys were talking about learning German before.

[00:13:41 - 00:13:42] I lived in Germany for two years.

[00:13:43 - 00:13:45] Now, was your teacher?

[00:13:45 - 00:13:49] Was she a good-looking chick?

[00:13:50 - 00:13:50] Who?

[00:13:52 - 00:13:53] My Frau Wester.

[00:13:53 - 00:13:54] Nein, nein.

[00:13:56 - 00:13:57] Will she be better?

[00:14:00 - 00:14:02] Mevrouw Westen is not good.

[00:14:04 - 00:14:05] A cigarette, please?

[00:14:06 - 00:14:06] No.

[00:14:07 - 00:14:07] It is not good.

[00:14:07 - 00:14:08] A cigarette, please?

[00:14:09 - 00:14:10] A beer, please?

[00:14:12 - 00:14:12] No.

[00:14:15 - 00:14:16] Excuse me, mevrouw.

[00:14:16 - 00:14:19] I'm sticking your face in my ass, please?

[00:14:22 - 00:14:26] No, mevrouw Westen is ugly.

[00:00:00 - 00:00:03] Probably the ugliest woman I've ever seen in my entire life.

[00:00:03 - 00:00:09] I'll tell you a minute, I was in love with some German chicks when I was over there.

[00:00:09 - 00:00:13] I was 17. I was 17, 18, almost 18 when I hit Germany.

[00:00:13 - 00:00:16] They have some good-looking chicks in Germany.

[00:00:16 - 00:00:19] I know, especially at Oktoberfest.

[00:00:19 - 00:00:21] Oh yeah.

[00:00:21 - 00:00:22] Oktoberfest?

[00:00:22 - 00:00:27] Well, do you know they've got this thing called Fosching over there where they take off their rings for a week?

[00:00:30 - 00:00:32] Right. Bullshit.

[00:00:32 - 00:00:34] I'm serious.

[00:00:34 - 00:00:38] That's pretty shit. I want my wife to do that.

[00:00:38 - 00:00:40] No, it's to keep...

[00:00:40 - 00:00:44] Because there's a time in a lot of relationships when people...

[00:00:44 - 00:00:46] They're bored.

[00:00:46 - 00:00:48] They're getting what's called a seven-year itch.

[00:00:48 - 00:00:54] And they're going to break up the relationship for no fucking good reason whatsoever.

[00:00:54 - 00:00:56] And it doesn't make sense.

[00:01:00 - 00:01:05] For a week, you guys can take off your rings and fuck around, get it out of your systems.

[00:01:05 - 00:01:08] But usually, from what I was told when I was over there,

[00:01:08 - 00:01:14] that married couples are right around the seven-year mark, ten-year mark,

[00:01:14 - 00:01:21] will do that once and realize, yeah, this isn't all it's cracked up to be,

[00:01:21 - 00:01:24] so I'm not doing it no more.

[00:01:24 - 00:01:25] That's pretty good.

[00:01:25 - 00:01:26] That's a cool story, bro.

[00:01:30 - 00:01:34] What the fuck is he talking about? Get the fuck out of here.

[00:00:00 - 00:00:02] Uh, pot- oh, there he is.

[00:00:09 - 00:00:11] Boys out.

[00:00:11 - 00:00:12] Fuck was out.

[00:00:16 - 00:00:17] [Uncertain recognition] Yeah.

[00:00:17 - 00:00:19] [Uncertain recognition] You okay, bud?

[00:00:19 - 00:00:24] Light? I don't give a fuck about your Bud Light. Give me a fucking mannequin.

[00:00:24 - 00:00:28] I hate Bud Light, man. I hate Bud. Fuck Bud. I write Corona.

[00:00:30 - 00:00:30] And it's summer.

[00:00:30 - 00:00:31] The fucking lemon oil.

[00:00:32 - 00:00:33] Oh, man, Corona's good.

[00:00:35 - 00:00:35] [Uncertain recognition] Yeah.

[00:00:35 - 00:00:39] Yeah, that's the only fucking thing about Mexicans, Corona.

[00:00:41 - 00:00:42] That's right, exactly.

[00:00:43 - 00:00:44] The Spanish kind of raped the whole...

[00:00:44 - 00:00:47] Oh, dude, you want to see...

[00:00:47 - 00:00:48] Oh, oh, oh, oh, check this out.

[00:00:48 - 00:00:51] Go, go, go, um, on YouTube.

[00:00:52 - 00:00:55] Brian Adams, uh, really love a woman.

[00:00:56 - 00:00:58] That video, he's in Mexico.

[00:01:00 - 00:01:02] Actually, he might even be in Spain.

[00:01:03 - 00:01:08] Yeah, I think he's in Spain, because they look kind of flamenco, kind of flamenco chicks, you know?

[00:01:08 - 00:01:10] But they're really hot.

[00:01:10 - 00:01:11] I'm talking seriously hot.

[00:01:12 - 00:01:13] So fucking hot.

[00:01:14 - 00:01:14] [Uncertain recognition] I mean...

[00:01:14 - 00:01:16] That you just want to touch yourself.

[00:01:16 - 00:01:17] Reach out and touch yourself.

[00:01:18 - 00:01:19] There you go.

[00:01:20 - 00:01:21] [Uncertain recognition] Now, what?

[00:01:21 - 00:01:22] What do you want to do?

[00:01:22 - 00:01:24] Okay, this is where I was going to stay.

[00:01:25 - 00:01:25] Do you want to?

[00:01:25 - 00:01:26] It took me a while.

[00:01:27 - 00:01:28] I hate this fucking...

[00:01:30 - 00:01:33] It's just dragging on real slow because it's sucking up some serious resources.

[00:01:33 - 00:01:35] But I've got a shitty computer out back here.

[00:01:37 - 00:01:38] I've got to get me a quad core.

[00:01:38 - 00:01:39] When did you get that?

[00:01:40 - 00:01:47] In 2008, almost 2009, something in December, I think.

[00:01:49 - 00:01:50] And who makes it?

[00:01:51 - 00:01:57] It was a special company that allows you to make your own holding.

[00:02:00 - 00:02:05] It's a special company that makes you create your own hardware and shit, you know, you can select all that.

[00:02:08 - 00:02:08] [Uncertain recognition] Oh.

[00:02:09 - 00:02:10] And even, you know.

[00:02:10 - 00:02:13] The computer is called Medion, Chris.

[00:02:13 - 00:02:20] And when I selected a video card, it wasn't that great, and they were out of the video card, out of stock,

[00:02:20 - 00:02:23] so they gave me this really awesome video card for free.

[00:02:24 - 00:02:26] That was pretty awesome, really good service.

[00:02:26 - 00:02:28] Oh, yeah, that is good service.

[00:02:30 - 00:02:33] We have a saying over here.

[00:02:33 - 00:02:37] Video card like eight years ago, and he got it for free, for free, could you imagine that?

[00:02:37 - 00:02:41] No, I got a NVIDIA GeForce GTX 280.

[00:02:42 - 00:02:44] Oh, dude, that's sweet.

[00:02:44 - 00:02:45] I love NVIDIA.

[00:02:45 - 00:02:47] I've always loved NVIDIA since it came out.

[00:02:47 - 00:02:48] It's a pretty good video card.

[00:02:49 - 00:02:54] You know, it can break through any sense and shit on the full or maximum settings without lagging.

[00:02:55 - 00:02:55] It's pretty awesome.

[00:03:00 - 00:03:14] box on it's a uh it's a uh quad core um it's an older dell but it's uh still it's about two years

[00:03:14 - 00:03:19] old but it's still a damn good machine and i got it for 399 i couldn't believe it wow right that's

[00:03:19 - 00:03:25] cool it's actually a workstation it's precision came with a scuzzy drive a scuzzy card it's a

[00:03:30 - 00:03:33] I don't really game that much anymore, I just, I hardly turn it on actually.

[00:03:33 - 00:03:37] I fell, if I was gonna buy a new computer I would just buy a laptop or something.

[00:03:37 - 00:03:42] Pretty funny though, Trish, you're always bullshitting.

[00:03:42 - 00:03:46] Oh hell no, I'm not always bullshitting.

[00:03:46 - 00:03:48] Hell no.

[00:03:48 - 00:03:50] Okay, I was gonna stay...

[00:04:00 - 00:04:09] Yeah. Wait. Oh, there he is. Yeah. Do you know that street where he just sat? Say it again, Chris.

[00:06:20 - 00:06:22] Virtual Earth is...

[00:06:22 - 00:06:26] There is no way that you can see the back side of our house from Google Street View.

[00:06:30 - 00:06:33] We knows life thing. I think you get like a bird view or something

[00:08:05 - 00:08:06] How much dollars?

[00:08:07 - 00:08:11] Typically speaking, it depends on where you purchase it, but the average house in...

[00:08:11 - 00:08:13] What's your house worth in dollars?

[00:08:16 - 00:08:26] It's worth about, because it's got a rental in it, it's worth about $500,000, half a million dollars.

[00:08:30 - 00:08:36] than yours really why because it's in the other reaches of comedy and it's

[00:08:36 - 00:08:42] already new it's all new houses if you can see my back you can see the roof

[00:09:00 - 00:09:05] Well, only the roof terrace is about 5 to 5, but it doesn't matter because, um...

[00:09:05 - 00:09:07] Well, I can see you've got a building across.

[00:09:08 - 00:09:10] If you went onto your roof terrace, you looked across.

[00:09:11 - 00:09:14] There's another, there's a similar building on the other side.

[00:09:14 - 00:09:15] No, it's really small.

[00:09:15 - 00:09:16] I can see those roof terraces.

[00:09:16 - 00:09:17] There's a really small building on the other side.

[00:09:19 - 00:09:19] Huh?

[00:09:19 - 00:09:23] There's a really small building on the other side because the other people don't have money.

[00:09:23 - 00:09:24] Oh, wait a minute here.

[00:09:25 - 00:09:28] I'm on Pistarvun, and you're right there.

[00:09:43 - 00:09:50] there's two long buildings, there's one long building with cars parked out in front.

[00:09:50 - 00:09:52] Yeah, we all have three cars here.

[00:09:53 - 00:09:55] You do? What the fuck, man?

[00:09:55 - 00:09:57] You're in that real long building?

[00:09:57 - 00:09:57] [Uncertain recognition] Yeah.

[00:09:58 - 00:09:59] What the fuck do your parents do?

[00:10:00 - 00:10:11] Well, my parents got divorced, but my father is director of one of the biggest printing companies in the Netherlands.

[00:10:11 - 00:10:14] Oh, right. Oh, yeah, I forgot that.

[00:10:14 - 00:10:20] Your dad's a director of one of the largest printing companies in the Netherlands, yeah.

[00:10:20 - 00:10:21] Yeah, that's pretty cool.

[00:10:21 - 00:10:23] Printing companies? Did you say printing?

[00:10:23 - 00:10:25] What does your mom do again?

[00:10:30 - 00:10:36] But like assistant to the manager of one of the largest IKS here in New Orleans.

[00:10:37 - 00:10:38] Okay, that's cool.

[00:10:39 - 00:10:40] Well, damn, Tom.

[00:10:42 - 00:10:47] I think I told you guys that I'm looking for venture capital.

[00:10:47 - 00:10:51] And anybody that comes up with it gets $120.

[00:10:52 - 00:10:55] But Tom, his parents buy your shit.

[00:10:55 - 00:10:55] Yeah, really.

[00:10:56 - 00:10:58] Look, my parents are not venture capitalists.

[00:10:58 - 00:10:59] They just work for their money.

[00:11:00 - 00:11:01] No, no, no. They don't have to be.

[00:11:01 - 00:11:06] If you can find somebody over there, even if it's through them,

[00:11:07 - 00:11:10] I'm not talking about you asking them directly for the money.

[00:11:11 - 00:11:14] I'm talking about you finding through them.

[00:11:14 - 00:11:17] Chris, if you've got a solid business plan,

[00:11:17 - 00:11:19] I can get you the venture capital if you want.

[00:11:20 - 00:11:22] But you don't have the business plan.

[00:11:23 - 00:11:25] Otherwise, you would have gotten the funds in America.

[00:11:27 - 00:11:28] Oh, no, no, no. Not even true.

[00:11:30 - 00:11:34] going on over here, and I've got a rock-solid business plan because I've already sat down

[00:11:34 - 00:11:37] with some venture capitalists, and there's no way in God's green earth that would have

[00:11:37 - 00:11:40] happened if it wasn't a rock-solid business plan.

[00:11:42 - 00:11:44] I'm just going to get some more beer.

[00:11:44 - 00:11:46] It's just like playing the numbers.

[00:11:47 - 00:11:49] I'm getting some more beer out there, Blackie.

[00:00:29 - 00:00:29] [Uncertain recognition] Huh?

[00:00:30 - 00:00:34] your microphone is fucking low

[00:00:34 - 00:00:36] yeah your microphone is really low

[00:00:36 - 00:00:40] no no no

[00:00:40 - 00:00:42] when I get over there

[00:00:42 - 00:00:43] you can call him

[00:00:43 - 00:00:44] he can come meet us some place

[00:00:44 - 00:00:46] [Uncertain recognition] and then when we're done

[00:00:46 - 00:00:47] [Uncertain recognition] I'll follow him home

[00:00:47 - 00:00:50] surprise about sex

[00:00:50 - 00:00:51] rape his mother seriously

[00:00:51 - 00:00:53] what the fuck man

[00:00:53 - 00:00:55] his mother is a blonde

[00:00:55 - 00:00:57] rape his mother

[00:00:57 - 00:00:58] no no no

[00:01:00 - 00:01:04] Your mom and your dad are still together, right, Coon?

[00:01:05 - 00:01:05] [Uncertain recognition] Yep.

[00:01:06 - 00:01:11] Okay, so she's off limits, Tom.

[00:01:11 - 00:01:13] Married women are off limits.

[00:01:15 - 00:01:16] Shut the fuck up about my mom.

[00:01:17 - 00:01:19] Don't you be talking about my mom?

[00:01:19 - 00:01:21] Jack's mom is a different story.

[00:01:21 - 00:01:23] She's fucking hot.

[00:01:23 - 00:01:24] I've seen her.

[00:01:25 - 00:01:26] Shitting me? She's not that hot?

[00:01:27 - 00:01:28] I've seen her.

[00:01:30 - 00:01:40] age. No, she looks, for her age, she looks nice. Yeah, but she's not ugly. I mean, she

[00:01:40 - 00:01:47] doesn't look that good. No, she's not gorgeous or anything. Of course not. I mean, geez. But

[00:01:47 - 00:01:55] long story short is she's, for her age, she's about, I think when I looked her up, I think

[00:02:00 - 00:02:01] She's a businesswoman.

[00:02:02 - 00:02:03] It means she's smart.

[00:02:04 - 00:02:05] She's a bitch.

[00:02:06 - 00:02:06] Huh?

[00:02:07 - 00:02:07] And she's a bitch.

[00:02:08 - 00:02:12] No, she might be a bitch to you guys and to Jack,

[00:02:12 - 00:02:14] but she's not going to be a bitch to me.

[00:02:14 - 00:02:17] Yeah, she's always a bitch to me when I try to talk to her.

[00:02:18 - 00:02:20] When he gets in Jack's room, she's almost a bitch to me.

[00:02:21 - 00:02:23] She doesn't like Jack talking to me.

[00:02:24 - 00:02:26] It's a different relationship.

[00:02:27 - 00:02:28] On the internet, for instance.

[00:02:30 - 00:02:38] Once I make, once I get this money behind me, I'm opening up a place over there, specifically, so I can, uh.

[00:02:40 - 00:02:40] Huh?

[00:02:41 - 00:02:42] I said wild dreams.

[00:02:43 - 00:02:45] No, no, no, not wild dreams, gentlemen.

[00:02:46 - 00:02:47] A plan, commitment, dedication.

[00:02:48 - 00:02:50] What do you think I've been doing this forever?

[00:02:51 - 00:02:52] [Uncertain recognition] Mm-hmm.

[00:02:53 - 00:02:56] I specifically want a data recovery shop.

[00:03:00 - 00:03:06] So, and I want one in Germany because I miss Germany.

[00:03:06 - 00:03:08] I really had a good time there when I was a kid.

[00:03:09 - 00:03:17] And I want one in the Netherlands, specifically because there's something about the Netherlands, and I don't know what it is.

[00:03:17 - 00:03:18] It's not the red light district.

[00:03:18 - 00:03:19] Skip the red light district.

[00:03:21 - 00:03:22] Okay, there you go.

[00:03:23 - 00:03:23] [Uncertain recognition] It's the week.

[00:03:28 - 00:03:29] Yeah, exactly.

[00:03:30 - 00:03:34] I mean, I can actually go there, get stoned, and not feel guilty about it.

[00:03:35 - 00:03:36] Oh, you feel guilty now?

[00:03:36 - 00:03:38] You know, not worry about getting busted.

[00:03:38 - 00:03:42] Seriously, what fucking weed is like the softest fucking thing you can do?

[00:03:43 - 00:03:46] Alcohol is worse than weed.

[00:03:46 - 00:03:48] What the fuck are you talking about, bitch?

[00:03:50 - 00:03:51] Yeah, weed.

[00:03:51 - 00:03:53] First off, it's not really a weed.

[00:03:53 - 00:03:54] It's a plant.

[00:03:55 - 00:03:57] Weed is actually an action.

[00:03:58 - 00:03:59] It's what you do.

[00:04:00 - 00:04:04] It's not what is, it's what you do.

[00:04:04 - 00:04:08] Do you know that, the word weed?

[00:04:08 - 00:04:12] You know what the fucking name is? It's a weed.

[00:04:12 - 00:04:16] It's a fucking English term for the top of a cannabis plant.

[00:04:16 - 00:04:18] Weed.

[00:04:18 - 00:04:20] So get your fucking...

[00:04:20 - 00:04:24] No, see Tom, when you go...

[00:04:24 - 00:04:28] We've always used the word weed, when you go out...

[00:04:30 - 00:04:40] word like this as an adjective as a like in other words we would weed the garden we would weed the

[00:04:40 - 00:04:46] garden so in other words if you've got corn and you've got fruits i mean vegetables you'd go out

[00:04:46 - 00:04:55] there and pull other plants other plants it doesn't matter if they're fucking roses it doesn't matter

[00:05:00 - 00:05:08] If it's in the garden, you don't want it growing there if you didn't plant it, so you weed it out.

[00:05:08 - 00:05:10] It's called weeding the garden.

[00:05:12 - 00:05:15] It was never meant to be used as a word.

[00:05:16 - 00:05:22] See, any plant that isn't wanted in a garden is considered a weed.

[00:05:24 - 00:05:27] That's because the action was you weeded it out.

[00:05:30 - 00:05:34] Oh, what is that? Oh, it's just a weed. Pull it. Pull it out.

[00:05:34 - 00:05:40] Let me tell you. Do you know why it's called weed, the top of the cannabis plant?

[00:05:41 - 00:05:47] It's because nobody really wants it there. Only the people that smoke weed want it there.

[00:05:47 - 00:05:50] So it's pretty much an outlaw. People don't want it there.

[00:05:51 - 00:05:54] That's why the top of the cannabis plant is called weed.

[00:06:00 - 00:06:04] reduced from a felony to misdemeanor in this state over the course of the years.

[00:06:04 - 00:06:05] You didn't sign a fucking petition.

[00:06:06 - 00:06:07] So, no, no, no, no.

[00:06:07 - 00:06:12] I was actually on the board of directors of a nonprofit organization for eight years.

[00:06:13 - 00:06:14] Cool.

[00:06:15 - 00:06:20] Yeah, and it was specifically to reduce, to have it reclassified.

[00:06:20 - 00:06:25] I know the full history of the cannabis and cannabis sativa.

[00:06:25 - 00:06:28] Those are its real names, not marijuana.

[00:06:30 - 00:06:32] by William Randolph Hearst

[00:06:32 - 00:06:34] because Mexicans smoked it

[00:06:34 - 00:06:39] and he considered it a racial substance.

[00:06:40 - 00:06:42] So it was called marijuana.

[00:06:42 - 00:06:45] Marijuana means Mary Jane.

[00:06:46 - 00:06:46] [Uncertain recognition] No.

[00:06:49 - 00:06:51] Spanish for Mary Jane,

[00:06:51 - 00:06:52] just like Tijuana.

[00:06:53 - 00:06:54] Aunt Jane.

[00:06:54 - 00:06:55] No.

[00:06:57 - 00:06:58] Why is your best today, Tom?

[00:07:00 - 00:07:02] This is fucking not true. I fucking sell the stuff.

[00:07:04 - 00:07:06] Boy, you get nasty when you start drinking, huh?

[00:07:07 - 00:07:11] No, I fucking sell the stuff, so I fucking know what I'm talking about.

[00:07:13 - 00:07:20] Well, yeah, listen, look up The Emperor Wears No Clothes by Jack Herrera.

[00:07:20 - 00:07:23] He's been involved in it for 20 years.

[00:07:25 - 00:07:28] It's online, The Emperor Wears No Clothes.

[00:07:30 - 00:07:39] j-a-c-k-h-e-r-e-r dot com no gives a fuck i mean um as long as people smoke it

[00:07:39 - 00:07:47] i mean it's fucking uh less dangerous than alcohol right okay tom where can i get that

[00:07:47 - 00:07:53] information on the top i'm interested in learning anything new about it if i can if it's if it's

[00:08:00 - 00:08:03] Do you think that in England, that's important?

[00:08:03 - 00:08:06] [Uncertain recognition] I'm not from England.

[00:08:06 - 00:08:09] [Uncertain recognition] Well, you said it was English.

[00:08:09 - 00:08:13] [Uncertain recognition] No, never told you. I never said it was English.

[00:08:13 - 00:08:17] [Uncertain recognition] Oh, okay.

[00:08:17 - 00:08:18] Have you guys ever seen that?

[00:08:18 - 00:08:21] See, weed is the top of the plant.

[00:08:21 - 00:08:25] Weed is the top of the plant because people don't want it here.

[00:08:25 - 00:08:26] Oh, okay.

[00:08:26 - 00:08:29] That's why it's also called weed.

[00:08:30 - 00:08:33] Okay, we'll keep that in mind.

[00:08:34 - 00:08:36] I'm going to do a little bit more research.

[00:08:42 - 00:08:42] [Uncertain recognition] Yep.

[00:08:46 - 00:08:49] [Uncertain recognition] I already gave you my fucking real address, so...

[00:08:49 - 00:08:52] You got a good rift.

[00:08:53 - 00:08:54] [Uncertain recognition] Dude, dude, hey, listen, listen.

[00:08:55 - 00:08:57] I'm happy that you got shit going.

[00:08:58 - 00:08:59] I'm not too crazy about you getting drunk,

[00:09:00 - 00:09:03] Right now, but long story short, I'm glad you got shit going.

[00:09:03 - 00:09:04] I get drunk every day.

[00:09:04 - 00:09:07] It's like smoke weed every day, but just I get drunk every day.

[00:09:08 - 00:09:13] Well, eventually, hopefully, you'll cut that back voluntarily.

[00:09:13 - 00:09:14] [Uncertain recognition] No, fuck that.

[00:09:16 - 00:09:21] Everybody dies, but I'm going to fucking decide which way I'm going to fucking die.

[00:09:23 - 00:09:25] Yeah, but you got a new job ahead of you.

[00:09:26 - 00:09:28] Yeah, I don't give a fuck.

[00:09:30 - 00:09:32] Yeah, you do.

[00:09:32 - 00:09:35] No, why the fuck would I give a fuck?

[00:09:35 - 00:09:38] Because you got a lot to learn for. You're a good dude.

[00:09:38 - 00:09:40] No, no, no. Wait.

[00:09:40 - 00:09:43] You got a lot to offer the world, dude.

[00:09:43 - 00:09:45] Yeah, but I don't give a fuck.

[00:09:45 - 00:09:48] But you should. Why? Let me ask you this.

[00:09:48 - 00:09:50] You know why you don't give a fuck?

[00:09:50 - 00:09:51] Why?

[00:09:51 - 00:09:54] You know why you don't give a fuck.

[00:09:54 - 00:09:56] You know why you're angry.

[00:09:56 - 00:09:57] Yeah.

[00:10:00 - 00:10:01] Tell me, why am I so angry?

[00:10:02 - 00:10:03] Why don't I give a fuck?

[00:10:04 - 00:10:11] Well, first off, I'll tell you one of the catalysts, one of the reasons,

[00:10:11 - 00:10:19] may not be the main reason, but one of the reasons is that your parents are divorced.

[00:10:21 - 00:10:21] [Uncertain recognition] Wow, that's not why.

[00:10:22 - 00:10:22] [Uncertain recognition] Wow.

[00:10:23 - 00:10:29] Yes, Kuhn, whether you believe it or not, it has a major impact on all males.

[00:10:30 - 00:10:31] I know, I know him.

[00:10:32 - 00:10:35] Everybody that I know that comes from a divorced family.

[00:10:35 - 00:10:38] He has known me for about how many years?

[00:10:38 - 00:10:38] Like seven or eight?

[00:10:39 - 00:10:41] Yeah, but he's always been an asshole.

[00:10:42 - 00:10:43] Always, but...

[00:10:44 - 00:10:45] It doesn't matter how long.

[00:10:45 - 00:10:49] The fact is that you grew up with your parents separated.

[00:10:49 - 00:10:49] No.

[00:10:50 - 00:10:52] That isn't fair to a young guy.

[00:10:52 - 00:10:53] That isn't fair to any child.

[00:10:54 - 00:10:56] They've been separated for one and a half years now.

[00:10:56 - 00:10:58] Look, I'll tell you the fucking reason why.

[00:11:00 - 00:11:05] the last half a year because my fucking girlfriend fucking ruined my fucking

[00:11:05 - 00:11:12] life I'm sorry and like my parents have been divorced for a year now and then in

[00:11:12 - 00:11:17] the last year two of my best friends committed suicide so I don't need fucking

[00:11:17 - 00:11:21] Wow really I don't need a fucking 50 year old to tell me what the fuck is

[00:11:21 - 00:11:24] wrong with my life I know what the fuck is wrong with my life I know why I'm a

[00:11:24 - 00:11:28] fucking asshole I don't really give a fuck about you telling me what the fuck

[00:11:30 - 00:11:30] Seriously, don't do it.

[00:11:30 - 00:11:31] Yeah?

[00:11:31 - 00:11:32] So I don't fucking do it?

[00:11:32 - 00:11:33] Well, guess what?

[00:11:33 - 00:11:34] No, I don't really give a fuck.

[00:11:34 - 00:11:35] Guess what?

[00:11:35 - 00:11:36] You want me to fucking do it?

[00:11:36 - 00:11:39] If I hadn't told you, you wouldn't have told me.

[00:11:39 - 00:11:41] If you fucking do it right now.

[00:11:41 - 00:11:42] And you know something?

[00:11:42 - 00:11:43] You have a right to be angry.

[00:11:44 - 00:11:45] Do it.

[00:11:45 - 00:11:47] And if I hadn't told you, you wouldn't have told me.

[00:11:47 - 00:11:48] I don't give a fuck.

[00:11:48 - 00:11:50] So now I know why you're angry.

[00:11:50 - 00:11:50] Seriously, I give a fuck.

[00:11:50 - 00:11:52] You got just cars for being angry.

[00:11:52 - 00:11:54] I gave you my fucking real address tonight.

[00:11:54 - 00:11:58] I don't really give a fuck if you come and see me or what the fuck you want to do.

[00:12:00 - 00:12:05] Seriously, don't fucking try to tell me what the fuck is wrong with my life, because I know what's wrong with my life.

[00:12:05 - 00:12:09] You're just not acknowledging the fact that you have something fucked up in your life.

[00:12:11 - 00:12:13] Oh, no, no, no. I acknowledged that a long time ago.

[00:12:14 - 00:12:18] We all, Tom, have stuff in our lives.

[00:12:19 - 00:12:20] We all do.

[00:12:20 - 00:12:23] My brother basically committed suicide.

[00:12:23 - 00:12:27] No, he's not fucking... he didn't commit suicide because he's still alive.

[00:12:27 - 00:12:28] Basically. He told basically.

[00:12:30 - 00:12:35] well basically when you're smoking crack you're killing yourself my brother was

[00:12:35 - 00:12:40] a vietnam vet two tours but now I'm fucked him up he stayed in a fucking

[00:12:40 - 00:12:45] he stayed in a fucked up stupor all his fucking life because of the death and

[00:12:45 - 00:12:53] destruction he saw and he committed you talk about being fucked up

[00:13:00 - 00:13:02] I have.

[00:13:02 - 00:13:04] Most of us, most of us, listen.

[00:13:04 - 00:13:06] You only did LSD though.

[00:13:06 - 00:13:08] [Uncertain recognition] Yeah, and we.

[00:13:08 - 00:13:10] [Uncertain recognition] Yeah.

[00:13:10 - 00:13:12] One-tenth of what I did.

[00:13:12 - 00:13:14] So don't tell me.

[00:13:14 - 00:13:16] I'm not saying that I'm better or anything like that.

[00:13:16 - 00:13:18] No, not better.

[00:13:18 - 00:13:20] But I know what the fuck, I know where I come from.

[00:13:20 - 00:13:22] I know what people do.

[00:13:22 - 00:13:24] Don't give me a fucking

[00:13:24 - 00:13:26] talk about what the fuck you

[00:13:26 - 00:13:28] think is right.

[00:13:30 - 00:13:37] I don't really do anything about it because I don't really give a fuck. I like my life the way it is or not.

[00:13:37 - 00:13:41] Well, if you don't, if you're unhappy, change it, dude.

[00:13:41 - 00:13:42] No.

[00:00:00 - 00:00:10] You can change, you're still young, I don't know what you think, you know, life is all about, but your attitudes are going to change as you get older, whether you like it or not, whether you believe it or not.

[00:00:10 - 00:00:16] No, my only, my attitude only got worse in the way it was when I got older.

[00:00:17 - 00:00:20] No, temporarily, yeah, it's, why, why's that?

[00:00:21 - 00:00:23] [Uncertain recognition] Because I don't really give a fuck.

[00:00:24 - 00:00:27] No, you got a good, you just got a fucking job.

[00:01:00 - 00:01:11] I've always been this fucking way, so Chris, give me this talk, I've always been this way.

[00:01:11 - 00:01:17] What are you having? You're always born angry, period.

[00:01:17 - 00:01:20] You can back me up on this, I've always been this way.

[00:01:20 - 00:01:27] You've always been trying to manipulate people, I guess. But you're still a good guy, I guess.

[00:01:30 - 00:01:32] Yeah. Sometimes. Well, most of the time, I guess.

[00:01:33 - 00:01:34] Well, guess what, Nick?

[00:01:35 - 00:01:37] You're not going to like being an asshole.

[00:01:37 - 00:01:40] You're like being an asshole now, and you can get away with it.

[00:01:41 - 00:01:44] But the older you get, the less you're going to get away with it being an asshole.

[00:01:44 - 00:01:45] Yeah, they're not going to get older.

[00:01:47 - 00:01:52] Let's hope you do, Tom, because Mike's going to take on a whole different appearance to you.

[00:01:52 - 00:01:54] Let's hope for the rest of the world. I won't.

[00:01:57 - 00:01:57] [Uncertain recognition] Why?

[00:02:00 - 00:02:02] have probably destroyed most of people's lives.

[00:02:04 - 00:02:06] Tom, you're not a bad guy.

[00:02:08 - 00:02:11] No, I know, but I act like one, and I like it.

[00:02:12 - 00:02:16] Yeah, and you like it now because you're a miserable fuck like my brother.

[00:02:16 - 00:02:20] I've been destroying people's lives for the last couple of five years.

[00:02:20 - 00:02:21] Misery loves company.

[00:02:23 - 00:02:23] [Uncertain recognition] Hmm?

[00:02:25 - 00:02:26] [Uncertain recognition] Misery loves company.

[00:02:27 - 00:02:29] [Uncertain recognition] I don't give a fuck about company.

[00:02:30 - 00:02:41] It's called Misery Loves Company. In other words, you fucking in other people's lives means you're miserable. And that's what the term means. It doesn't mean you're actually...

[00:02:41 - 00:02:57] Hey, look. You know, people are psychotic. The difference is true. So, I bring misery to people's lives because I like it. Not because I'm sad. Not because I'm angry. Just because I get a kick out of making people feel miserable.

[00:03:00 - 00:03:01] Because you're unhappy.

[00:03:01 - 00:03:02] Can't you see the correlation?

[00:03:02 - 00:03:05] No, I'm fucking happy with making people miserable.

[00:03:07 - 00:03:11] No, dumbass, it's because you're unhappy.

[00:03:11 - 00:03:15] You're unhappy, you make people miserable, that makes you happy.

[00:03:16 - 00:03:19] My brother Dennis used to be the same way.

[00:03:21 - 00:03:22] You know what he would do?

[00:03:22 - 00:03:24] He would go to an event.

[00:03:30 - 00:03:31] [Uncertain recognition] Yeah.

[00:03:31 - 00:03:36] The best would walk into a fucking place where you're supposed to have tux with fucking

[00:03:36 - 00:03:42] bright colors that didn't even go together just to piss people off and ruin the fucking

[00:03:42 - 00:03:45] night for people.

[00:03:45 - 00:03:47] So I know I've been there.

[00:03:47 - 00:03:48] I've lived it.

[00:03:48 - 00:03:53] You're not your brother and you haven't been there because you are not your brother.

[00:03:53 - 00:03:57] So don't give me that fucking smart talk, I know you want to be nice and give me the

[00:04:00 - 00:04:08] about what you're saying right now because it's the alcohol talking right now that's a fucking

[00:04:08 - 00:04:14] redneck hippie talking right now that's fucking wasted it's the fucking alcohol talking no there's

[00:04:14 - 00:04:18] a fucking redneck hippie talking to me right now that's fucking wasted most of his life

[00:04:18 - 00:04:25] you you don't know it damn yeah it's that time you don't know anything about it but that's okay

[00:04:30 - 00:04:31] God loves you.

[00:04:32 - 00:04:33] God loves you.

[00:04:34 - 00:04:38] Look, I'm not talking differently than I am normally.

[00:04:40 - 00:04:40] No, not really.

[00:04:41 - 00:04:42] No, God loves you, man.

[00:04:42 - 00:04:45] You know, and you're a good dude, and I love you too as a brother.

[00:04:46 - 00:04:47] There is no God.

[00:04:47 - 00:04:50] Get a fucking grip on your fucking reality, Chris.

[00:04:51 - 00:04:52] There is a God.

[00:04:52 - 00:04:52] You'll know.

[00:04:52 - 00:04:53] You'll know.

[00:04:53 - 00:04:54] I'm praying for you, bro.

[00:04:54 - 00:04:56] I'm praying for you.

[00:04:56 - 00:04:57] [Uncertain recognition] I'm praying for you.

[00:05:00 - 00:05:01] I'm pulling for you.

[00:05:01 - 00:05:02] You got some good stuff happening.

[00:05:02 - 00:05:04] You wake up tomorrow, you feel different.

[00:05:05 - 00:05:06] You know, it's late right now.

[00:05:06 - 00:05:07] You really should be sleeping.

[00:05:08 - 00:05:11] If you do pray for me, I hope you fucking choke while you pray for me.

[00:05:11 - 00:05:12] Get the fuck out of here.

[00:05:12 - 00:05:16] Well, let's hope the prayers work.

[00:05:17 - 00:05:18] [Uncertain recognition] Let's hope the prayers work.

[00:05:19 - 00:05:20] [Uncertain recognition] Prayers don't work.

[00:05:20 - 00:05:21] [Uncertain recognition] Get the fuck out of here, man.

[00:05:21 - 00:05:22] [Uncertain recognition] It's just a waste of time.

[00:05:24 - 00:05:24] They will, Tom.

[00:05:25 - 00:05:25] They will.

[00:05:25 - 00:05:28] You have yourself a good night if you're taking off.

[00:05:28 - 00:05:29] No, I'm not taking off.

[00:05:30 - 00:05:33] But why, you know, if prays work, why won't...

[00:05:33 - 00:05:44] Chris, Chris, Chris, normally I'm not that hostile to you, I just said sorry, but you were talking about my personal life, and I don't really want you to talk about my personal life.

[00:05:48 - 00:05:51] Well, that's understandable and that's respected.

[00:06:00 - 00:06:05] leg why won't uh he get his leg back yeah just a question

[00:06:05 - 00:06:09] what do you know now no it's uh

[00:06:09 - 00:06:15] what no i mean if someone lost his leg and you pray to get

[00:06:15 - 00:06:19] that he gets it back and it never works why is that

[00:06:19 - 00:06:25] uh let me ask you this do you need your right leg for life

[00:06:30 - 00:06:31] Did your leg lift?

[00:06:32 - 00:06:37] Um, no, but, I mean, fucking hell, that's pretty shitty.

[00:06:37 - 00:06:40] That guy doesn't give a fuck about that guy that lost his leg.

[00:06:42 - 00:06:48] [Uncertain recognition] Well, that's why I'm interested in a person's soul, their spirit, who they really are inside.

[00:06:48 - 00:06:54] [Uncertain recognition] This is just, you know, a shell, you will, like a floppy disk.

[00:07:00 - 00:07:08] [Uncertain recognition] to accomplish stuff, and if that has to go, if it has to be slowly destroyed for our soul

[00:07:08 - 00:07:11] [Uncertain recognition] to be saved, then so be it.

[00:07:13 - 00:07:14] Well, how do you know that, though?

[00:07:14 - 00:07:20] I mean, I'm sure there's plenty of other Christians that have different opinions about that.

[00:07:22 - 00:07:23] You know?

[00:07:27 - 00:07:29] [Uncertain recognition] Oh, everybody's got their own opinion.

[00:07:30 - 00:07:34] without a doubt, you know, I have no doubt about that.

[00:07:34 - 00:07:37] But aren't you like trying to make something,

[00:07:37 - 00:07:40] trying to make an excuse in your brain

[00:07:40 - 00:07:43] and trying to make it seem logical, even though it isn't?

[00:07:45 - 00:07:49] No, there's nothing logical about God.

[00:07:49 - 00:07:50] Chris, you got a disorder.

[00:07:50 - 00:07:53] Nothing logical about God.

[00:07:53 - 00:07:56] You got a disorder, actually.

[00:07:56 - 00:07:57] No, he doesn't.

[00:08:00 - 00:08:02] Why?

[00:08:02 - 00:08:08] Because he thinks he is really smart, which is megalomania.

[00:08:08 - 00:08:10] Oh, he does know a lot of shit.

[00:08:10 - 00:08:13] No, no, no, no, no. He says he knows a lot of shit.

[00:08:13 - 00:08:18] But if he did know a lot of shit, he would have been in another position than this.

[00:08:18 - 00:08:20] So it's megalomania.

[00:08:20 - 00:08:22] Oh, Tom, Tom, see...

[00:08:22 - 00:08:26] You think you're a really big person, but seriously, kind of, you know.

[00:08:30 - 00:08:33] See, I fucked up when I was your age.

[00:08:33 - 00:08:33] No, I got the same problem.

[00:08:33 - 00:08:35] I don't really give a fuck.

[00:08:35 - 00:08:36] I got the same problem.

[00:08:36 - 00:08:37] I got megalomania.

[00:08:37 - 00:08:41] I really think I'm really fucking great, but in reality, I'm really not.

[00:08:42 - 00:08:49] No, but the point is, is that I spent 40 years of my life having fun.

[00:08:51 - 00:08:52] That's not really a bad way to give your fucking life.

[00:08:52 - 00:08:52] And I shouldn't.

[00:08:53 - 00:08:55] I spend money as quickly as I was fucking making it.

[00:08:56 - 00:08:57] Yeah, you can't have fun.

[00:09:00 - 00:09:07] you know something what i thought i was having a good time but i wasn't and you were until you

[00:09:07 - 00:09:15] because i didn't have any idea about what was coming very fast at me and that is the future

[00:09:18 - 00:09:22] or maybe just the whole thing i didn't start buckling down and getting serious about life

[00:09:30 - 00:09:39] When you're talented and you always have a nice apartment, nice car, and chicks all the time,

[00:09:39 - 00:09:46] you think, and some people, some people, myself included, think it don't get any better than that.

[00:09:46 - 00:09:50] See, we've got a thing over here that's been promoted to us through commercials,

[00:10:00 - 00:10:02] But, and they say, it don't get no better than this.

[00:10:03 - 00:10:03] [Uncertain recognition] Well, that's bullshit.

[00:10:04 - 00:10:05] It's all marketing.

[00:10:06 - 00:10:06] You know something?

[00:10:06 - 00:10:08] But I enjoyed myself.

[00:10:08 - 00:10:09] [Uncertain recognition] I got laid a lot.

[00:10:10 - 00:10:12] [Uncertain recognition] The problem is, I had kids.

[00:10:13 - 00:10:15] Yeah, I don't know if she paid money to get laid.

[00:10:17 - 00:10:22] And they didn't, and they didn't, the father, they were bargaining for.

[00:10:22 - 00:10:26] And subsequently speaking, they've got problems.

[00:10:27 - 00:10:29] So, we all come from a past, Tom.

[00:10:30 - 00:10:38] None of us are going to escape this life without paying our dues.

[00:10:39 - 00:10:41] Some of us pay them earlier.

[00:10:41 - 00:10:43] Some of us work our asses off.

[00:10:43 - 00:10:48] Some people work their asses off earlier in life and enjoy the latter half of their life.

[00:10:49 - 00:10:58] Some of us enjoy the first half of our life and have to bust our ass the second half,

[00:11:00 - 00:11:09] fucking do it I see I'm living that living the dream and you're right you

[00:11:09 - 00:11:23] were absolutely right yep Tom is a realist I don't blame him you gotta be a

[00:11:30 - 00:11:32] Polities sometimes can really suck.

[00:11:34 - 00:11:36] [Uncertain recognition] Especially when the bills come due, man.

[00:11:38 - 00:11:40] When the bills come, you run.

[00:11:41 - 00:11:41] Lol, lol, lol.

[00:11:44 - 00:11:46] No, you can't run from bills.

[00:11:47 - 00:11:49] You can ignore them, but you can't run from them.

[00:11:50 - 00:11:54] In this country, they're bringing back debtors' prison.

[00:11:54 - 00:11:59] People that owe money, eventually, see, our founding fathers got rid of debtors' prison

[00:12:00 - 00:12:10] have to go to jail just because they owe money yeah i know but but that was the the king of england's

[00:12:10 - 00:12:17] idea and now we're getting back into a kingship in this country how those socialists happen

[00:12:19 - 00:12:24] people going to see quicker than quicker than they even thought you know one world government

[00:12:30 - 00:12:32] [Uncertain recognition] Then I will teach you.

[00:00:00 - 00:00:02] In one and only one place.

[00:00:03 - 00:00:03] And where's that?

[00:00:03 - 00:00:05] We'll see if it comes to pass.

[00:00:05 - 00:00:08] And by the way, if it comes to pass, it isn't a self-fulfilling prophecy,

[00:00:09 - 00:00:15] because a lot of the people that are going to fulfill it don't believe in God.

[00:00:16 - 00:00:19] And God wanted it that way to show people...

[00:00:19 - 00:00:26] That we can't have another mind, and that we always have to be close-minded and follow one religion.

[00:00:27 - 00:00:28] That's right.

[00:00:30 - 00:00:35] That way, obviously, because those that are on the border of believe in him or not believe in him

[00:00:35 - 00:00:38] will probably fall to the side of believing in him.

[00:00:39 - 00:00:44] Because if it's only written in one place and it comes to pass, it wasn't made up.

[00:00:45 - 00:00:49] Well, you know, people have said this in the past, right, that the world is going to end.

[00:00:49 - 00:00:50] It's like pretty much every year.

[00:00:51 - 00:00:54] No, Shaddam was pretty much all the prophets.

[00:00:55 - 00:00:58] I mean, since day one, there was prophets of the end of time.

[00:01:00 - 00:01:02] Do you know the fucking Genesis?

[00:01:03 - 00:01:05] Oh yeah, but guess what?

[00:01:06 - 00:01:09] Even Jesus said no man knows the day or the hour.

[00:01:10 - 00:01:13] A man can say whatever he wants.

[00:01:13 - 00:01:15] Jesus never existed.

[00:01:19 - 00:01:23] Don't you fucking wrap your finger on the fact that Jesus never existed.

[00:01:30 - 00:01:35] story that was written back in the day, like thousands of versions.

[00:01:37 - 00:01:38] You know what's amazing, guys?

[00:01:38 - 00:01:40] You guys, you know what's amazing, guys?

[00:01:40 - 00:01:55] It's that people are willing to believe other individuals about God and not believe what's

[00:01:55 - 00:01:56] [Uncertain recognition] evident.

[00:02:00 - 00:02:02] know, gentlemen, is that before

[00:02:02 - 00:02:04] the Big Bang, there was

[00:02:04 - 00:02:06] information that needed the Big Bang

[00:02:06 - 00:02:07] to happen. Scientists

[00:02:07 - 00:02:09] are even calling

[00:02:09 - 00:02:11] [Uncertain recognition] God

[00:02:11 - 00:02:13] a grand designer.

[00:02:13 - 00:02:15] Those are their words, not mine.

[00:02:16 - 00:02:18] Even science is coming

[00:02:18 - 00:02:20] to the realization there had

[00:02:20 - 00:02:21] to be something.

[00:02:21 - 00:02:23] Why do you always think that science

[00:02:23 - 00:02:25] doesn't like religion?

[00:02:25 - 00:02:26] That's not true at all.

[00:02:27 - 00:02:29] No, that's not true because I've got a book in the shop.

[00:02:30 - 00:02:31] It's called men of science, men of God.

[00:02:31 - 00:02:34] Chris, science is trying to back up religion.

[00:02:36 - 00:02:39] Oh, it just tries to examine what we see every day.

[00:02:39 - 00:02:42] Science is trying to back up religion.

[00:02:43 - 00:02:46] I just think it's so weird that every Christian...

[00:02:46 - 00:02:46] Oh, shit.

[00:00:00 - 00:00:00] Okay, I'm back.

[00:00:01 - 00:00:03] Hey, first off, Tom, I've got to say one thing, man.

[00:00:03 - 00:00:04] I'm sorry you're going through that,

[00:00:04 - 00:00:09] and I'm sorry that you've experienced two friends that have committed suicide.

[00:00:09 - 00:00:13] I can't even imagine what that feels like.

[00:00:13 - 00:00:17] [Uncertain recognition] Oh, there's been a team of my friends that I've grown up with,

[00:00:17 - 00:00:20] [Uncertain recognition] so thanks for the, sorry, but that won't bring them back,

[00:00:20 - 00:00:22] [Uncertain recognition] so I didn't really give a fuck.

[00:00:24 - 00:00:25] [Uncertain recognition] No, it won't bring them back.

[00:00:26 - 00:00:26] [Uncertain recognition] I know, I know.

[00:00:26 - 00:00:28] But I'm sorry you're going through it.

[00:00:30 - 00:00:32] [Uncertain recognition] give a fuck because nobody's going to

[00:00:32 - 00:00:34] [Uncertain recognition] bring it back or nobody's going to do

[00:00:34 - 00:00:35] [Uncertain recognition] anything about it, so

[00:00:35 - 00:00:38] yeah, let's just move on. But you shouldn't have to

[00:00:38 - 00:00:39] go through it. I know, but

[00:00:39 - 00:00:41] [Uncertain recognition] look, I'm going through it, so I don't really

[00:00:41 - 00:00:43] [Uncertain recognition] give a fuck. I'm not, nobody can

[00:00:43 - 00:00:45] [Uncertain recognition] do anything about that. When did that happen?

[00:00:46 - 00:00:48] [Uncertain recognition] About one and a half years ago.

[00:00:49 - 00:00:51] [Uncertain recognition] Yeah, that's tough, so

[00:00:51 - 00:00:53] [Uncertain recognition] I can understand you're still mourning over it.

[00:00:54 - 00:00:55] [Uncertain recognition] It doesn't matter. It's tough.

[00:00:55 - 00:00:57] It doesn't matter. Shit happens. It does, it does.

[00:00:57 - 00:00:59] [Uncertain recognition] Shit happens at least two times a day.

[00:01:00 - 00:01:09] Yeah, shit happens for sure. I understand that. But anyway, you got my condolences.

[00:01:09 - 00:01:18] [Uncertain recognition] No, it doesn't matter. Like I told you, shit happens and you don't really fucking decide when it happens to you.

[00:01:18 - 00:01:22] [Uncertain recognition] That's true, you don't.

[00:01:22 - 00:01:29] [Uncertain recognition] But I've always been a fucking angry bastard to everybody, so I don't give a fuck anymore.

[00:01:30 - 00:01:32] [Uncertain recognition] well hopefully that'll change

[00:01:32 - 00:01:34] be nice

[00:01:34 - 00:01:35] because you're a good

[00:01:35 - 00:01:37] I think you're a nice guy deep down

[00:01:37 - 00:01:38] I don't want it to change

[00:01:38 - 00:01:41] people know I'm nice

[00:01:41 - 00:01:42] [Uncertain recognition] when I like him

[00:01:42 - 00:01:43] [Uncertain recognition] just don't want to

[00:01:43 - 00:01:45] [Uncertain recognition] try and be nice

[00:01:45 - 00:01:49] nice guys finish last

[00:01:49 - 00:01:51] exactly so I don't give a fuck

[00:01:51 - 00:01:53] I said

[00:01:53 - 00:01:57] well listen what are you guys doing

[00:01:57 - 00:01:57] today

[00:01:57 - 00:01:59] because it's got to be what like

[00:02:00 - 00:02:03] Oh, it's in the winter.

[00:02:09 - 00:02:10] Me too, usually.

[00:02:13 - 00:02:14] I try to stop that.

[00:02:20 - 00:02:22] I have that sometimes, so I try to stop that.

[00:02:28 - 00:02:29] [Uncertain recognition] Wow.

[00:02:30 - 00:02:42] I wish you quit saying that because it does matter it matters to me you know I like you

[00:02:42 - 00:02:47] and and I don't know I wish I could say something to help but I guess I can't

[00:02:47 - 00:02:55] no I'm not your dad and I never pretended to be in I never could be

[00:03:00 - 00:03:07] okay it's okay it's okay uh family hog just feel bad that you family hog

[00:03:07 - 00:03:19] oh man you have one creepy life listen guys it's it's it's it's late i don't know

[00:03:19 - 00:03:24] you know what you're gonna do but i'm gonna be heading home i gotta bring the trash home

[00:03:30 - 00:03:35] trash home, so I've got the trash guys coming tomorrow morning, so I've got to bring it

[00:03:35 - 00:03:36] home.

[00:03:38 - 00:03:39] [Uncertain recognition] Huh?

[00:03:39 - 00:03:42] [Uncertain recognition] You're always at your shop, so you don't have a lot of trash.

[00:03:45 - 00:03:45] Not always.

[00:03:45 - 00:03:52] No, I do have a lot of trash, and I can't dispose of it here because it is a business

[00:03:52 - 00:03:55] and they want me to pay for the disposal of my trash.

[00:04:00 - 00:04:08] trash can a cup we'll say it's a paper cup that's okay but if i throw a paper cup in the same trash

[00:04:08 - 00:04:15] they want to charge me 25 bucks because i'm a business and it's a different garbage company

[00:04:15 - 00:04:21] that comes it's commercial the commercial company that comes and picks it up it's not no different

[00:04:21 - 00:04:27] than anybody else i don't have hazardous waste or anything but um so i gotta bring my trash home

[00:04:30 - 00:04:34] i don't bring it home every week i wait i wait for about a month you know because you're right

[00:04:34 - 00:04:41] i don't have a lot of trash so it takes about a month and it's right now with about a month so i

[00:04:41 - 00:04:46] got several bags of trash i gotta bring home and then i gotta separate see in art in this state

[00:04:46 - 00:04:47] you gotta recycle

[00:04:47 - 00:04:55] i don't know if you guys i don't know if you guys recycle over there

[00:05:00 - 00:05:07] from your cardboard in your paper and if you don't and if you don't you get you

[00:05:07 - 00:05:13] get fine these motherfuckers over here you know the nice thing about living in

[00:05:13 - 00:05:19] a rich neighborhood is we gotta collect we got a collective trash can and we

[00:05:19 - 00:05:22] can pretty much throw everything you fucking want in it even fucking living

[00:05:30 - 00:05:32] You've got a neighborhood trash can?

[00:05:32 - 00:05:32] [Uncertain recognition] Yeah.

[00:05:33 - 00:05:37] Every street has its own trash can where you can pretty much throw everything in.

[00:05:37 - 00:05:39] Wow, man, that is cool.

[00:05:40 - 00:05:40] [Uncertain recognition] I know.

[00:05:41 - 00:05:42] You can throw your food.

[00:05:42 - 00:05:44] You just bring it down to this big fucking...

[00:05:44 - 00:05:47] See, we call those dumpsters over here.

[00:05:47 - 00:05:48] Yeah, we've got a big dumpster.

[00:05:48 - 00:05:50] It's like a big fucking...

[00:05:50 - 00:05:52] You dump your shit in there, we call it a dumpster.

[00:05:53 - 00:05:55] Yeah, it pretty much gets emptied two times a week.

[00:05:57 - 00:05:59] Apartment buildings have the dumpsters?

[00:06:00 - 00:06:04] But they don't do it for the street, and you know why they don't do it for the street?

[00:06:06 - 00:06:08] Law enforcement purposes.

[00:06:10 - 00:06:12] I missed Trash Day one day.

[00:06:12 - 00:06:16] I guess they want to make money out of the poor folk.

[00:06:19 - 00:06:22] No, I missed Trash Day one day, so I brought my fucking...

[00:06:22 - 00:06:25] The trash guys hadn't come down the other side of the street,

[00:06:25 - 00:06:27] so I brought my shit out and I put it on the other side of the street.

[00:06:30 - 00:06:30] He says, what are you doing?

[00:06:31 - 00:06:32] I says, what do you mean what am I doing?

[00:06:32 - 00:06:33] Put the trash out for the trash.

[00:06:33 - 00:06:35] He says, that's not your side of the street.

[00:06:35 - 00:06:36] We saw you cross the street.

[00:06:36 - 00:06:37] [Uncertain recognition] I says, what's your got to do with it?

[00:06:38 - 00:06:39] He says, you're not supposed to do that.

[00:06:39 - 00:06:40] I says, you're kidding me.

[00:06:41 - 00:06:41] [Uncertain recognition] He says, no.

[00:06:44 - 00:06:46] And I come to find, and I found out why.

[00:06:47 - 00:06:53] It's because law enforcement wants us to keep our own trash in front of our own house.

[00:07:00 - 00:07:04] That's how bad it is over here, guys.

[00:07:04 - 00:07:06] Do you know where the term Big Brother comes from?

[00:07:11 - 00:07:12] No, I don't, really.

[00:07:13 - 00:07:14] [Uncertain recognition] It comes from a Dutch TV show.

[00:07:16 - 00:07:19] No, I mean the fucking novel was written before that.

[00:07:19 - 00:07:20] [Uncertain recognition] No.

[00:07:20 - 00:07:26] It comes, the media, attention from Big Brother, comes from the Dutch TV show.

[00:07:27 - 00:07:29] Yeah, Big Brother, that we call it Big Brother.

[00:07:30 - 00:07:32] Yeah, but that was like from the 90s or something.

[00:07:32 - 00:07:33] Yeah, I know.

[00:07:33 - 00:07:36] It's launched several fucking years ago, a lot of years ago.

[00:07:37 - 00:07:39] And the whole term, Big Brother is watching you,

[00:07:40 - 00:07:45] was the fucking term that they used in the fucking TV show years ago.

[00:07:45 - 00:07:46] That was the fucking slogan.

[00:07:48 - 00:07:49] Wow.

[00:07:49 - 00:07:50] No, I did not know that.

[00:07:50 - 00:07:51] It's good to know.

[00:07:53 - 00:07:54] The more you know.

[00:07:55 - 00:07:57] Did you ever see a TV show?

[00:07:57 - 00:07:59] I don't know if it's ever played over the...

[00:08:00 - 00:08:05] It was called The Prisoner with Patrick McGowan.

[00:08:06 - 00:08:09] Check it out online, The Prisoner.

[00:08:09 - 00:08:10] You can see it on YouTube.

[00:08:10 - 00:08:11] It's going to freak you out.

[00:08:12 - 00:08:15] The guy was assigned, he was kidnapped, assigned a number,

[00:08:16 - 00:08:19] and kept separated from the rest of society.

[00:08:19 - 00:08:21] He was some sort of secret agent anyway.

[00:08:21 - 00:08:29] But the point is that it's ironic that, well, you've got to check it out at YouTube.

[00:08:30 - 00:08:34] prisoner with patrick mcguyen anyway isn't that in uh in germany or something is that in a german

[00:08:34 - 00:08:43] film no okay it was in english patrick mcguyen the prisoner i'm sure i can recall that my parents

[00:08:43 - 00:08:54] talked about it a couple years ago oh 1967 no it's called years ago yep yep yep yep you can

[00:09:00 - 00:09:06] show. I wish they had never canceled it, but I guess the reason they canceled shows is because

[00:09:06 - 00:09:13] the theme is repetitive, but you wouldn't want to play something like that now. I mean,

[00:09:13 - 00:09:17] it would be nice to see some updated because we are headed down that road.

[00:09:18 - 00:09:24] Obama, man, is like un-freaking-believable. We know everybody's going to be over your

[00:09:30 - 00:09:38] fucking oh yeah there's no way that even should have even happened hey hey chris last week they

[00:09:38 - 00:09:43] started selling fucking oil fields in iraq that pretty much fucking sentences everything they did

[00:09:43 - 00:09:50] in iraq that's right we know that yeah we're fucking we know that but by the way check out

[00:09:50 - 00:09:56] yeah you know what the canadians are doing the canadians haven't signed we didn't sign on to the

[00:10:00 - 00:10:01] I can't remember the damn name of it.

[00:10:01 - 00:10:05] It's an oil field in Alberta.

[00:10:06 - 00:10:07] I saw it on YouTube.

[00:10:10 - 00:10:15] It is the largest fucking 186,000.

[00:10:15 - 00:10:19] They've destroyed 186,000 kilometers of wilderness.

[00:10:20 - 00:10:21] [Uncertain recognition] It's barren.

[00:10:22 - 00:10:23] It's fucking amazing.

[00:10:30 - 00:10:39] created poison they were never lakes they were man-made lakes it's just disgusting

[00:10:39 - 00:10:45] well you know it's just ironic that probably these people probably funded the whole green

[00:10:45 - 00:10:51] movement i'm sure i'm pretty sure they do that it's amazing too the people talking out both

[00:10:51 - 00:10:56] sides of their mouths you know funding the green movement and then polluting the shit out of the

[00:11:00 - 00:11:06] All the bullshit, you know, like the Copenhagen, I believe they were there as well, the show,

[00:11:06 - 00:11:10] and they give like a lot of funds to the Green Movement, which is kind of ironic.

[00:11:10 - 00:11:12] Guess what they're doing? Guess what they're doing over here?

[00:11:13 - 00:11:20] Them as well as some other oil barons, what they're doing is trying to get money,

[00:11:21 - 00:11:25] taxpayer money to build the largest windmill farm.

[00:11:26 - 00:11:27] They call them windmill farms.

[00:11:27 - 00:11:29] Like the Dutch have always had windmills.

[00:11:30 - 00:11:33] You know, they've always been able to use windmills, which makes sense.

[00:11:33 - 00:11:37] I mean, they're a good source of energy, especially with them being surrounded by the ocean.

[00:11:38 - 00:11:43] Now they've got these big fucking windmills, you know, modern windmills.

[00:11:43 - 00:11:45] That's what these motherfuckers want.

[00:11:45 - 00:11:48] They want to use our tax money to build these windmill fucking farms.

[00:11:49 - 00:11:50] And they're the oil guys.

[00:11:50 - 00:11:55] What they're trying to do is jump ship, but hedge their bets before they do it.

[00:11:55 - 00:11:56] Actually, they're...

[00:00:00 - 00:00:06] Now, using CO2, like putting it in the atmosphere, you have to pay taxes for that.

[00:00:06 - 00:00:07] That's fucking ridiculous.

[00:00:08 - 00:00:10] That brings up a good point, gentlemen.

[00:00:12 - 00:00:15] People have been saying CO2 up in the atmosphere.

[00:00:17 - 00:00:18] You know something?

[00:00:18 - 00:00:24] I had to do a little bit of research on CO2 because I bumped into a YouTube video

[00:00:30 - 00:00:38] bubbled up carbon dioxide it's just you know element of life it's just ridiculous

[00:00:38 - 00:00:44] exactly but check this out we expel it when we exhale we expel carbon dioxide

[00:00:44 - 00:00:52] oh no carbon dioxide it sounds so evil it does but the bottom line is that this carbon dioxide

[00:01:00 - 00:01:04] kilometer radius of the lake, about 2,000 people.

[00:01:06 - 00:01:14] Now, the question is, if it rises up into the atmosphere, how could it have done that?

[00:01:14 - 00:01:15] Well, that was my question.

[00:01:16 - 00:01:24] If this stuff goes up into the atmosphere, how the fuck did it spread if it rises?

[00:01:30 - 00:01:35] any farther, but it's got to be reasonably high if it's causing global warming.

[00:01:36 - 00:01:42] And then I find out the elements of carbon dioxide, and I find out that it's heavier

[00:01:42 - 00:01:44] than oxygen.

[00:01:45 - 00:01:54] Carbon dioxide makes up certain elements within our atmosphere minimally, a minuscule percentage.

[00:02:00 - 00:02:02] Up into the air, you know what it would do?

[00:02:02 - 00:02:05] The pressure would blow it out of the tank,

[00:02:05 - 00:02:11] but as soon as the force of that pressure was off of those carbon dioxide molecules,

[00:02:11 - 00:02:13] it would fall right back to the earth.

[00:02:14 - 00:02:25] Actually, what happened here on this lake was the carbon dioxide didn't go above a 10-foot level in the atmosphere.

[00:02:30 - 00:02:33] in a 67-kilometer area.

[00:02:33 - 00:02:35] It hugged the ground.

[00:02:36 - 00:02:37] Check it out.

[00:02:37 - 00:02:37] Don't blame me.

[00:02:37 - 00:02:39] I couldn't believe it myself.

[00:02:39 - 00:02:43] I'm really wondering about this global warming crap and the carbon dioxide.

[00:02:44 - 00:02:46] Do you know what our government just...

[00:02:46 - 00:02:46] [Uncertain recognition] No.

[00:02:47 - 00:02:48] Guess what our government...

[00:02:48 - 00:02:49] Do you talk about controlling people?

[00:02:50 - 00:02:55] Our EPA just declared, and they have got no power to do this.

[00:02:55 - 00:02:56] They're not Congress.

[00:03:00 - 00:03:07] legal or legal but they did it against our constitution they just declared carbon dioxide

[00:03:07 - 00:03:12] a poisonous gas yeah i know i saw that even though the lag you know what that does

[00:03:12 - 00:03:19] tune you know what that means they got control over us well you just figured this out man

[00:03:19 - 00:03:21] wow eye opener

[00:03:30 - 00:03:32] every fucking way out.

[00:03:32 - 00:03:33] [Uncertain recognition] Oh, fuck you.

[00:03:35 - 00:03:37] So you don't believe in world worrying?

[00:03:39 - 00:03:42] Well, consider the fact that my research shows

[00:03:42 - 00:03:44] that we've only been measuring the global climate

[00:03:44 - 00:03:47] for about 150 years

[00:03:47 - 00:03:53] and that recent documents from scientists

[00:03:53 - 00:03:57] indicating that the globe has been cooling

[00:04:00 - 00:04:08] decades. You mean the hacked emails? Huh? You mean the hacked emails? That's right. So we'll see

[00:04:08 - 00:04:12] what happens. The problem here, guys, is we don't know who the fuck's telling the truth.

[00:04:13 - 00:04:20] Everybody's doing it for their own wallet. What do you guys call a wallet? A billfold?

[00:04:20 - 00:04:26] [Uncertain recognition] Your government is going to be controlled by fucking companies. It has been for a couple of

[00:04:30 - 00:04:35] by the federal reserve you mean what's that there's actually uh goldman sachs but

[00:04:35 - 00:04:42] goldman sachs your gun your country has been uh ruled by fucking companies for the last couple

[00:04:42 - 00:04:48] of few centuries or now corporations you mean not companies well not centuries tom

[00:04:48 - 00:04:56] our country is only 300 years old probably for 50 years you're not 300 years old fuck that

[00:05:00 - 00:05:05] We first got over here, well, actually, the 1492 was when the pilgrims first sat down.

[00:05:06 - 00:05:11] But we were under the rule of a king for, what, centuries?

[00:05:13 - 00:05:14] [Uncertain recognition] Yeah, okay.

[00:05:14 - 00:05:15] [Uncertain recognition] You know.

[00:05:17 - 00:05:18] [Uncertain recognition] All right, well, whatever.

[00:05:19 - 00:05:20] [Uncertain recognition] I know.

[00:05:20 - 00:05:21] But he's right.

[00:05:21 - 00:05:24] Anyway, listen, guys, I'm getting out of here.

[00:05:24 - 00:05:26] Hope you guys have a wonderful day.

[00:05:26 - 00:05:28] Tom, congratulations on the job.

[00:05:30 - 00:05:32] I know you're going to get kicked out of it.

[00:05:32 - 00:05:33] All right, man, you take care.

[00:05:33 - 00:05:36] I'll say my prayers and everything will go well.

[00:05:37 - 00:05:39] Well, you don't need to pray for me, but I appreciate it.

[00:05:39 - 00:05:40] I mean, seriously.

[00:05:44 - 00:05:48] Remember you telling me about me not talking about your personal life?

[00:05:49 - 00:05:52] Don't tell me who to pray for and who not to pray for.

[00:05:52 - 00:05:56] Don't fucking point me to your phony God.

[00:05:59 - 00:05:59] Okay.

[00:06:00 - 00:06:05] I won't, because I will never, ever pray to a phony God.

[00:01:19 - 00:01:19] I know, I know.

[00:01:19 - 00:01:21] But you said that a lot.

[00:01:22 - 00:01:25] You said it like I'm like a son to you.

[00:01:27 - 00:01:29] And I'm kind of disfranchised.

[00:01:30 - 00:01:31] I always like you guys.

[00:01:31 - 00:01:34] You and Tuna have missed talking with me, to tell you the truth.

[00:01:34 - 00:01:35] Look at this picture.

[00:01:38 - 00:01:38] What?

[00:01:39 - 00:01:39] What did you say, Tuna?

[00:01:40 - 00:01:42] No, look at those pictures, guys.

[00:01:43 - 00:01:44] But it wasn't, Chris.

[00:01:44 - 00:01:45] It wasn't me.

[00:01:45 - 00:01:46] I can barely hear you guys.

[00:01:47 - 00:01:48] It wasn't a bad catch.

[00:01:48 - 00:01:49] It wasn't me.

[00:01:49 - 00:01:49] Yes.

[00:01:49 - 00:01:53] I was telling you with the pizzas and calling pizzas to your house and shit.

[00:01:56 - 00:01:57] Oh, I know.

[00:01:57 - 00:01:58] It probably wasn't.

[00:02:00 - 00:02:02] That was someone pretending to be Tommy.

[00:02:02 - 00:02:03] Exactly.

[00:02:03 - 00:02:05] Of course, it's all wrapping up.

[00:02:05 - 00:02:09] You know, it doesn't matter because somebody left the pizza outside my shop.

[00:02:10 - 00:02:11] It's fucking stupid.

[00:02:11 - 00:02:13] I mean, there's cameras there, and they already know who it is.

[00:02:14 - 00:02:15] So it's just a matter of time.

[00:02:16 - 00:02:17] People are, you know, this is going down.

[00:02:18 - 00:02:21] But you've been saying that for like 12 months now.

[00:02:22 - 00:02:23] I know.

[00:02:24 - 00:02:24] Coon, coon.

[00:02:25 - 00:02:26] Shit takes a while.

[00:02:27 - 00:02:27] [Uncertain recognition] Listen.

[00:02:27 - 00:02:28] How long, then?

[00:02:28 - 00:02:29] There's a guy.

[00:02:30 - 00:02:33] There's a story.

[00:02:33 - 00:02:34] There's a real story.

[00:02:36 - 00:02:38] There was a gang of embezzlers.

[00:02:39 - 00:02:40] A gang of embezzlers in Germany.

[00:02:41 - 00:02:41] Yeah.

[00:02:41 - 00:02:46] There was a computer science expert who was employed to locate these people

[00:02:46 - 00:02:49] because he was stealing a penny from each banking account.

[00:02:49 - 00:02:51] No, that's a story from office space.

[00:02:51 - 00:02:52] Every single fucking week.

[00:02:53 - 00:02:54] That's office space.

[00:02:54 - 00:02:57] A penny from each banking account in the United States.

[00:02:57 - 00:02:59] That's a fucking millions and millions.

[00:02:59 - 00:02:59] No.

[00:03:00 - 00:03:00] of accounts

[00:03:00 - 00:03:01] you're talking about

[00:03:01 - 00:03:03] every single week

[00:03:03 - 00:03:03] [Uncertain recognition] you're talking about a movie

[00:03:03 - 00:03:04] you're talking about

[00:03:04 - 00:03:05] one of my favorite movies

[00:03:05 - 00:03:07] so eventually he tracked it

[00:03:07 - 00:03:09] he tracked the time frame down

[00:03:09 - 00:03:09] no it wasn't

[00:03:09 - 00:03:12] it took him two years

[00:03:12 - 00:03:13] no he burned down

[00:03:13 - 00:03:15] to locate these people

[00:03:15 - 00:03:16] he burned down a company

[00:03:16 - 00:03:20] it's office space

[00:03:20 - 00:03:21] it's a movie

[00:03:21 - 00:03:22] I got it right here

[00:03:22 - 00:03:22] next to me

[00:03:22 - 00:03:23] yeah it's

[00:03:23 - 00:03:24] it's a great movie

[00:03:24 - 00:03:25] by the way

[00:03:25 - 00:03:27] yeah I fucking love it

[00:03:27 - 00:03:29] actually my favorite

[00:03:29 - 00:03:29] no it wasn't a movie

[00:03:30 - 00:03:31] It was a true life story

[00:03:31 - 00:03:32] Yes it's a movie

[00:03:32 - 00:03:35] Well maybe it was made into a movie

[00:03:35 - 00:03:36] I was unaware of that

[00:03:36 - 00:03:37] No it's a funny movie

[00:03:37 - 00:03:38] But I know

[00:03:38 - 00:03:39] I know the person

[00:03:39 - 00:03:40] Personally

[00:03:40 - 00:03:42] Right

[00:03:42 - 00:03:44] I've been an IT guy

[00:03:44 - 00:03:45] For like

[00:03:45 - 00:03:46] 16, 18 years

[00:03:46 - 00:03:47] Yeah

[00:03:47 - 00:03:48] I thought you so

[00:03:48 - 00:03:49] You wouldn't believe who I know

[00:03:49 - 00:03:50] I thought you so

[00:03:50 - 00:03:52] You were in the reserves

[00:03:52 - 00:03:53] The army reserves

[00:03:53 - 00:03:54] And you never went to war

[00:03:54 - 00:03:56] And still you call yourself a federal

[00:03:56 - 00:03:59] I was in the army reserves

[00:04:00 - 00:04:01] How do you not go?

[00:04:01 - 00:04:02] You've never seen battle.

[00:04:02 - 00:04:03] Somebody better tell a reserve.

[00:04:04 - 00:04:06] You've never been in battle.

[00:04:08 - 00:04:10] I'm a Vietnam-era vet.

[00:04:10 - 00:04:12] I was never in the reserve.

[00:04:12 - 00:04:17] I did two years in, and I had no reserve time required back then.

[00:04:17 - 00:04:18] And you did not see battle.

[00:04:18 - 00:04:20] I'm in my 50s, Tom.

[00:04:21 - 00:04:24] No, thank God I did not see combat.

[00:04:24 - 00:04:25] Exactly, so you're not a veteran.

[00:04:26 - 00:04:27] You're a slacker.

[00:04:30 - 00:04:36] Well, you know, there'd be a lot of people to disagree with that.

[00:04:36 - 00:04:41] But aside from that, my brother saw two tours in Nam, in country.

[00:04:44 - 00:04:45] Did he get his wife there?

[00:04:47 - 00:04:48] Did he get what?

[00:04:48 - 00:04:52] His wife there. Did he meet his wife or buy it?

[00:04:53 - 00:04:55] No, no, no. She's not. No.

[00:04:55 - 00:04:57] Nope. Nope. But a lot of guys did.

[00:05:00 - 00:05:00] [Uncertain recognition] Yeah.

[00:05:00 - 00:05:01] Me, you'd have your wrong time.

[00:05:02 - 00:05:03] Hey, soldier boy.

[00:05:03 - 00:05:04] Sucky, sucky.

[00:05:04 - 00:05:04] Ten dollar.

[00:05:09 - 00:05:11] Well, I saw that in...

[00:05:11 - 00:05:12] There was a movie.

[00:05:12 - 00:05:13] What the hell was that?

[00:05:13 - 00:05:14] There was a...

[00:05:14 - 00:05:15] Full Metal Jacket?

[00:05:15 - 00:05:16] Full Metal Jacket.

[00:05:16 - 00:05:17] Huh?

[00:05:17 - 00:05:18] Full Metal Jacket.

[00:05:18 - 00:05:18] Full Metal Jacket.

[00:05:18 - 00:05:20] Yeah, Full Metal Jacket, right.

[00:05:20 - 00:05:20] Exactly.

[00:05:22 - 00:05:23] Yeah, a real stupid shit at the end, man.

[00:05:23 - 00:05:24] It pissed me off.

[00:05:25 - 00:05:26] At the end?

[00:05:26 - 00:05:27] Chris's private pile.

[00:05:27 - 00:05:29] What was the end again, uh...

[00:05:30 - 00:05:32] I bet Chris could suck a golf ball

[00:05:32 - 00:05:32] through a garden hose

[00:05:32 - 00:05:38] that was a good move

[00:05:38 - 00:05:40] I don't know I don't have that kind of experience

[00:05:40 - 00:05:42] could you tell me what it's like

[00:05:42 - 00:05:43] I don't know Chris

[00:05:43 - 00:05:45] tell me what it's like

[00:05:45 - 00:05:47] I just told you I don't have that kind of experience

[00:05:47 - 00:05:48] that's why I asked you

[00:05:48 - 00:05:51] Chris don't lie to yourself

[00:05:51 - 00:05:53] we both know you have that experience

[00:05:53 - 00:05:55] you can do anything remember

[00:06:00 - 00:06:07] been talking how long have you guys been talking the prank caller and uh chris i don't know like

[00:06:34 - 00:06:35] No, no, he goes to the old girl.

[00:06:35 - 00:06:37] Did you pick up some small boys yet?

[00:06:40 - 00:06:42] Hey, what's your favorite picture, Tom?

[00:06:43 - 00:06:44] My favorite picture?

[00:06:44 - 00:06:46] What's his favorite creature?

[00:06:46 - 00:06:47] He just mentioned that.

[00:06:48 - 00:06:50] No, on the internet, like, what is your favorite picture all the time?

[00:06:51 - 00:06:51] Mine.

[00:06:52 - 00:06:55] Yeah, is it like the penis one with the McDonald's?

[00:06:55 - 00:06:56] Yeah, pretty much.

[00:06:56 - 00:06:58] Or the penis one in the horse's nose.

[00:07:00 - 00:07:06] what about this one what about what about this one man it's one of my favorites as well

[00:07:06 - 00:07:14] it's just so fucked up there's a huge phallic on uh on one of those i gave it in the amsterdam

[00:07:30 - 00:07:33] Like, I've been doing nothing for, like, seven months.

[00:07:33 - 00:07:33] You done?

[00:07:34 - 00:07:35] No, I haven't done anything.

[00:07:35 - 00:07:37] Oh, so you out of school for seven months?

[00:07:37 - 00:07:39] No, no, no, I just did it.

[00:07:39 - 00:07:40] Some of it did you already have.

[00:07:40 - 00:07:42] No, you know, you knew I wasn't an alcoholic.

[00:07:45 - 00:07:47] So I didn't really do anything.

[00:07:47 - 00:07:49] I just drank all night and called you.

[00:07:52 - 00:07:55] Hey, Chris, I just got a question since you brought this up.

[00:07:55 - 00:07:56] You don't have to be an alcoholic, though.

[00:07:57 - 00:07:57] [Uncertain recognition] Why not?

[00:08:00 - 00:08:07] better to do exactly it's a matter of perception you got a lot on the ball tom you just don't give

[00:08:07 - 00:08:12] yourself credit for it i don't know what wait i don't know what uh what do you think about that

[00:08:12 - 00:08:16] um no wait what was anybody else saying

[00:08:16 - 00:08:19] [Uncertain recognition] nothing

[00:08:19 - 00:08:29] oh man this is weird i know you any you could do anything you put your mind to

[00:08:30 - 00:08:34] i know i know and right now my mind goes out to drinking

[00:08:34 - 00:08:41] well you know i can understand that no i'm a successful drinker you know especially being

[00:08:41 - 00:08:49] 19 and having the negative experiences that you had i can understand that my only negative

[00:08:49 - 00:08:56] experience is you not giving us the money for kycoons yeah man whatever happened you didn't give

[00:09:00 - 00:09:02] By the way, I connected the dots tonight.

[00:09:02 - 00:09:03] I connected the dots tonight.

[00:09:05 - 00:09:06] So, but you know something?

[00:09:06 - 00:09:10] If I come into any money, Tom, I'm going to give you some just for the hell of it.

[00:09:11 - 00:09:15] Tom, if I come into any money, I'm going to give you some just for the hell of it.

[00:09:15 - 00:09:18] When you connected the dots, it'll be a lot more than $500.

[00:09:20 - 00:09:22] Hey, when are you going to get it?

[00:09:22 - 00:09:24] When you connected the dots, was it a hamburger?

[00:09:26 - 00:09:27] A hamburger.

[00:09:30 - 00:09:34] As a matter of fact, the brother Mason connected the dot.

[00:09:37 - 00:09:43] And by the way, there's many chapters in your neck of the woods.

[00:09:44 - 00:09:45] Ask Chris about mine.

[00:09:45 - 00:09:45] What?

[00:09:46 - 00:09:48] Chris in the woods?

[00:09:50 - 00:09:53] Yeah, neck of the woods means your area.

[00:09:53 - 00:09:56] You're taking children to the woods?

[00:09:58 - 00:09:59] Yeah, him and him.

[00:10:00 - 00:10:04] In American slang, Tom, it means your area.

[00:10:05 - 00:10:08] In other words, a brother Mason, and there's Masons all over the world.

[00:10:08 - 00:10:09] There's plenty of chapters.

[00:10:09 - 00:10:14] And as a matter of fact, when I come over there, I won't even have to pay for a hotel if I didn't want to.

[00:10:15 - 00:10:16] When are you coming, Tom?

[00:10:16 - 00:10:22] Because there's a specific hotel I want to stay in, I'm going to stay in there.

[00:10:22 - 00:10:23] When are you coming, Chris?

[00:10:23 - 00:10:24] When are you coming?

[00:10:24 - 00:10:25] Because I might not be here.

[00:10:26 - 00:10:27] We might go to China.

[00:10:27 - 00:10:27] When are you coming?

[00:10:28 - 00:10:29] We might go to China.

[00:10:30 - 00:10:32] China? Oh, they'd love you there.

[00:10:33 - 00:10:34] No, we're going to...

[00:10:34 - 00:10:35] Yeah, but when are you coming here?

[00:10:35 - 00:10:37] We're going to a temple there to study.

[00:10:39 - 00:10:40] When are you coming here?

[00:10:41 - 00:10:49] I figure, I figure, I would give you two, two years before you were arrested for incident crime.

[00:10:53 - 00:10:55] They don't play games over there.

[00:10:56 - 00:10:58] No, man, but seriously, when are you coming over?

[00:10:58 - 00:10:59] When you're trying to come over.

[00:11:00 - 00:11:02] Oh, man, I need a vacation by, like, the summer.

[00:11:02 - 00:11:02] Yeah.

[00:11:03 - 00:11:03] Fucking when?

[00:11:04 - 00:11:04] Summer?

[00:11:05 - 00:11:05] Summer?

[00:11:05 - 00:11:06] Oh, one month.

[00:11:06 - 00:11:06] [Uncertain recognition] Yeah, summer.

[00:11:06 - 00:11:09] Well, first off, I'm going to find out when the best time of year...

[00:11:09 - 00:11:10] When is the best time of year to visit?

[00:11:11 - 00:11:12] From what I remember, it's like spring.

[00:11:13 - 00:11:13] Seven times a week.

[00:11:13 - 00:11:14] Spring or fall.

[00:11:14 - 00:11:18] Seven days a week, all day, all year long, is the best time to visit Amsterdam.

[00:11:18 - 00:11:19] No, it ain't.

[00:11:19 - 00:11:20] The weather ain't great all year round.

[00:11:21 - 00:11:24] I want to go there when it's mostly not raining.

[00:11:24 - 00:11:25] The weather sucks, isn't it?

[00:11:26 - 00:11:28] Then go to August or something.

[00:11:30 - 00:11:30] I left Chris Bell.

[00:11:30 - 00:11:31] Huh? August?

[00:11:31 - 00:11:32] Yeah.

[00:11:32 - 00:11:34] Chris, we're going away for like a month.

[00:11:34 - 00:11:35] Okay, August it is.

[00:11:35 - 00:11:38] We're going away for like a month to China.

[00:11:40 - 00:11:42] When are you doing that?

[00:11:42 - 00:11:44] Well, I'm going in May.

[00:11:44 - 00:11:45] I don't know about Tom.

[00:11:45 - 00:11:45] Exactly.

[00:11:46 - 00:11:48] We're going to study there.

[00:11:48 - 00:11:49] Oh, you're going?

[00:11:50 - 00:11:51] I am, yeah.

[00:11:51 - 00:11:52] Yeah, at least he is going.

[00:11:52 - 00:11:54] Yeah, so what's your brother doing down there anyway?

[00:11:54 - 00:11:55] He's jacking off Chinese people.

[00:11:57 - 00:11:58] No, he's just...

[00:12:00 - 00:12:01] Fuck you, Tom.

[00:12:04 - 00:12:06] That's not even fucking funny.

[00:12:08 - 00:12:09] How is that funny?

[00:12:09 - 00:12:10] It's not funny.

[00:12:11 - 00:12:13] But you got...

[00:12:13 - 00:12:14] The way he just...

[00:12:14 - 00:12:16] It just rolls off his lips.

[00:12:16 - 00:12:17] It's like...

[00:12:17 - 00:12:20] It's funny in the sense that

[00:12:20 - 00:12:23] it doesn't have to be that way.

[00:12:23 - 00:12:25] But Tom's brain is

[00:12:25 - 00:12:27] geared that way right now.

[00:12:27 - 00:12:29] Yeah, Tom's a comedian.

[00:12:30 - 00:12:35] But anyway, so what's your brother, so you're going to stay with your brother, obviously.

[00:12:36 - 00:12:38] So what's he doing down there?

[00:12:39 - 00:12:44] Well, you know, he's just learning to come through and shit like that, you know, martial arts.

[00:12:47 - 00:12:48] It's awesome, really.

[00:12:52 - 00:12:53] What the fuck is so funny about that?

[00:12:55 - 00:12:57] What the fuck is wrong with you, Chris?

[00:12:58 - 00:12:59] This is a stone.

[00:13:00 - 00:13:02] Yeah, kung fu.

[00:13:03 - 00:13:04] Yeah, he's meditating.

[00:13:04 - 00:13:07] I mean, no, there's nothing wrong with that.

[00:13:07 - 00:13:08] It's just funny.

[00:13:08 - 00:13:09] Me meditating is funny?

[00:13:10 - 00:13:12] You know, it's an economy, you know?

[00:13:12 - 00:13:14] Kung fu, meditate.

[00:13:15 - 00:13:17] It's kind of a...

[00:13:17 - 00:13:18] There's nothing funny about that, actually.

[00:13:19 - 00:13:20] Me meditating is funny?

[00:13:20 - 00:13:21] And not to mention, it's late here.

[00:13:21 - 00:13:24] I'm tired myself, so I'm kind of like, you know, a little punchy here.

[00:13:27 - 00:13:27] Anyway.

[00:13:27 - 00:13:29] Yeah, well, you could probably kick your ass, though.

[00:13:29 - 00:13:29] Exactly.

[00:13:30 - 00:13:31] Well, how old is your brother?

[00:13:31 - 00:13:36] Well, I had many years of certain arts myself as well as my other brother's,

[00:13:37 - 00:13:41] but I'm getting my butt back into shape anyway because, you know,

[00:13:41 - 00:13:48] as we age, certain stuff happens if we don't exercise on a regular basis.

[00:13:48 - 00:13:51] And it's starting to happen, but I'm not going to let it happen.

[00:13:52 - 00:13:54] My brother is like, he's 24.

[00:13:55 - 00:13:57] How long has your brother been down there?

[00:13:58 - 00:13:59] Three years now.

[00:14:00 - 00:14:01] He is?

[00:14:01 - 00:14:02] Is he liking it?

[00:14:02 - 00:14:04] Is he liking it?

[00:00:35 - 00:00:39] Yeah, but you have to be motivated to read them and having the books is one thing.

[00:00:39 - 00:00:39] Reading them is another.

[00:00:40 - 00:00:40] No, I fucking read them.

[00:01:36 - 00:01:43] he doesn't like the people in Australia, so, you know, yeah, the rude people and shit.

[00:01:43 - 00:01:53] So, so wait, so wait, Chris, Chris, do you still sing?

[00:01:55 - 00:01:55] Huh?

[00:04:55 - 00:04:56] Hey, Chris.

[00:05:00 - 00:05:01] What happened to Martin?

[00:05:05 - 00:05:07] I don't know he works on Saturdays.

[00:05:07 - 00:05:11] Yeah, Chris, did you hire Martin to help you grab little girls?

[00:05:12 - 00:05:17] Did you see him in the basement at that point and touch them when you're feeling up to it?

[00:05:18 - 00:05:21] Just out of curiosity, why do you guys dwell on that shit?

[00:05:22 - 00:05:26] I mean, do you know that that is against the law?

[00:05:30 - 00:05:31] And that concerns me.

[00:05:32 - 00:05:33] That concerns me.

[00:05:34 - 00:05:35] Have you been molested?

[00:05:37 - 00:05:38] Chris.

[00:05:38 - 00:05:39] Chris.

[00:05:39 - 00:05:40] Have you been molested?

[00:05:41 - 00:05:45] Chris, Chris, may I just say the only reason I say that is because you look like a pedophile.

[00:05:45 - 00:05:47] And you act like a crazy old man.

[00:05:47 - 00:05:49] You don't know what a pedophile looks like.

[00:05:49 - 00:05:51] Hey, you want to see a pedophile look in the mirror?

[00:05:51 - 00:05:51] [Uncertain recognition] Chris.

[00:05:52 - 00:05:52] Oh.

[00:05:55 - 00:05:56] Chris, I know a pedophile.

[00:05:56 - 00:05:57] Would you like to meet him?

[00:05:58 - 00:05:59] I know a few pedophiles.

[00:06:00 - 00:06:08] to meet him hey chris um i really have no doubts that you probably do know some

[00:06:09 - 00:06:15] less unfortunate yes you're one of them you're one you lock yourself up in your shop all day

[00:06:16 - 00:06:22] every day even every night and you make weird conversations and you look at the blinds outside

[00:06:22 - 00:06:25] and check out small children waiting for your next victim

[00:06:30 - 00:06:31] Tom, Tom, you need to write a book.

[00:06:32 - 00:06:33] That's why I have cameras.

[00:06:34 - 00:06:35] That's why I have cameras.

[00:06:36 - 00:06:37] You need to write a book.

[00:06:39 - 00:06:42] Listen, I'm driving right now.

[00:06:42 - 00:06:46] I'm going down to the store, and I'm picking up a lottery ticket.

[00:06:46 - 00:06:47] Anybody got any favorite numbers?

[00:06:47 - 00:06:49] Chris, you didn't even need the shop.

[00:06:49 - 00:06:51] Yeah, my favorite numbers are 666.

[00:06:51 - 00:06:53] Oh, I just wanted to say that.

[00:06:53 - 00:06:53] Fuck you.

[00:06:54 - 00:06:56] No, that's cool numbers.

[00:06:57 - 00:06:59] Chris, you don't have to give me your hands, right?

[00:07:00 - 00:07:02] Okay, that's fucking 3-3-3.

[00:07:06 - 00:07:08] Okay, 3-3-3.

[00:07:08 - 00:07:09] Wait, wait, wait, wait.

[00:07:09 - 00:07:11] 900, that's your eighth, right?

[00:07:11 - 00:07:13] You know, it actually doesn't matter what your numbers is, right?

[00:07:14 - 00:07:15] You know, it doesn't matter what your number is.

[00:07:21 - 00:07:25] I'll tell you what, why don't you give me your phone numbers

[00:07:25 - 00:07:28] and I'll play one number from each of them.

[00:07:29 - 00:07:29] Yeah, that's a good one.

[00:07:30 - 00:07:33] All right, all right, 075-621-638-0.

[00:07:35 - 00:07:36] Did you get that, Chris?

[00:07:39 - 00:07:41] No, I didn't get that.

[00:07:41 - 00:07:44] Because it wasn't a real number, and I'm not going to repeat it again.

[00:07:46 - 00:07:46] Okay, Chris.

[00:07:46 - 00:07:49] Well, that doesn't matter, because I'm driving, and I don't care.

[00:07:50 - 00:07:51] You're not driving.

[00:07:51 - 00:07:52] Fuck you, you're not driving.

[00:07:53 - 00:07:54] It's your home phone number.

[00:07:54 - 00:07:55] Yeah, I am.

[00:07:56 - 00:07:57] Gee.

[00:07:57 - 00:07:59] Not really, it's your fucking home phone number.

[00:08:00 - 00:08:16] So, if I had a photographic memory, well, if I had an aerographic memory, I'd remember that number.

[00:08:17 - 00:08:18] But that was quite long.

[00:08:20 - 00:08:21] And you're pretty old.

[00:08:23 - 00:08:24] It's got nothing to do with age.

[00:08:25 - 00:08:26] Yes, it does.

[00:08:26 - 00:08:29] If you said it again, I'd remember it.

[00:08:30 - 00:08:31] What's the first name of Altheimer?

[00:08:35 - 00:08:37] Of Altheimers?

[00:08:38 - 00:08:41] What's the first name of Altheimer?

[00:08:46 - 00:08:47] What's the first name of who?

[00:08:48 - 00:08:49] Yeah, see, that's how it starts.

[00:09:00 - 00:09:01] Can you do me a favor?

[00:09:01 - 00:09:03] Reach out and slap him.

[00:09:03 - 00:09:05] Is that a couple of streets away?

[00:09:07 - 00:09:08] Yeah, I feel like

[00:09:08 - 00:09:10] biking in the middle of the fucking night.

[00:09:12 - 00:09:13] Little humor, little humor.

[00:09:13 - 00:09:14] Anyway, gentlemen,

[00:09:15 - 00:09:16] I'm going into the store.

[00:09:16 - 00:09:17] I'm playing the lottery.

[00:09:18 - 00:09:19] Wish me luck.

[00:09:20 - 00:09:21] Wish me luck.

[00:09:21 - 00:09:24] Because it's going to be

[00:09:24 - 00:09:26] a huge,

[00:09:26 - 00:09:29] huge jackpot.

[00:09:30 - 00:09:30] Good luck, Chris.

[00:09:30 - 00:09:31] Good luck, Chris.

[00:09:31 - 00:09:33] Chris, Chris, if you win the jackpot...

[00:09:33 - 00:09:34] Well, thank you very much.

[00:09:35 - 00:09:37] If you win the jackpot, give me some.

[00:09:38 - 00:09:41] Yeah, if I win the jackpot, I'm going to give you some money just for the hell of it.

[00:09:41 - 00:09:43] Yeah, you're giving me money, too, Chris.

[00:09:43 - 00:09:44] Yeah, Chris.

[00:09:44 - 00:09:45] Yeah, you and Coon.

[00:09:45 - 00:09:47] I'm going to give Coon some cash, too.

[00:09:47 - 00:09:48] That's what I'm talking about.

[00:09:48 - 00:09:49] Exactly.

[00:09:50 - 00:09:50] There you go.

[00:09:53 - 00:09:54] Anyways, talk to you guys in a bit.

[00:09:54 - 00:09:56] You're crazy, crazy, man.

[00:09:56 - 00:09:57] You're crazy, man.

[00:09:58 - 00:09:59] Really, Chris?

[00:10:00 - 00:10:01] You know, Chris hung up.

[00:10:01 - 00:10:03] He ain't going to the store.

[00:10:07 - 00:10:08] Oh, God.

[00:10:08 - 00:10:08] I think.

[00:10:09 - 00:10:09] I think.

[00:10:10 - 00:10:14] Either that or he's looking at his fucking camp feed.

[00:10:18 - 00:10:20] Rewinding it, trying to find them little girls.

[00:10:21 - 00:10:21] Yeah.

[00:10:23 - 00:10:23] [Uncertain recognition] Oh, well.

[00:10:26 - 00:10:28] Have you seen the pictures?

[00:10:28 - 00:10:29] And the pinging?

[00:10:30 - 00:11:00] *[Unreliable audio transcription: Repetitive decoder output; speech could not be reliably recognized.]*

[00:11:00 - 00:11:07] No, but this is the reason why I never started up Skyping, because I keep on losing sleep with you, but nothing. I've done this for years.

[00:11:07 - 00:11:09] Oh, because it's all my fault, huh?

[00:11:09 - 00:11:14] Yeah, I've been wasting my years talking on Skype all the time.

[00:11:14 - 00:11:17] And what has it brought to you? Nothing.

[00:11:17 - 00:11:21] Except for... AA.

[00:14:22 - 00:14:24] I used to live there. Did you know that?

[00:14:24 - 00:14:27] I know. I used to live there until I was about six.

[00:00:00 - 00:00:03] You're gonna change. You're gonna grow.

[00:00:03 - 00:00:04] Does that sound like a soundboard?

[00:00:05 - 00:00:05] [Uncertain recognition] Yeah.

[00:00:07 - 00:00:13] Pretty funny because you know I'm recording everything you say all the time from the first time we called.

[00:00:14 - 00:00:21] Not that I ever do anything with it because I got like a hundred hours worth of talk with you and I never posted it anywhere.

[00:00:22 - 00:00:23] Still.

[00:00:23 - 00:00:23] Great.

[00:00:24 - 00:00:25] More power to you.

[00:00:25 - 00:00:28] But you're gonna grow. You're gonna change.

[00:00:30 - 00:00:31] You kind of see hair grow somewhere.

[00:00:31 - 00:00:33] Give me some good soundboard material.

[00:00:33 - 00:00:33] Come on.

[00:00:34 - 00:00:34] Rant away.

[00:00:35 - 00:00:35] Kuhn will be quiet.

[00:00:36 - 00:00:36] Hey, listen.

[00:00:36 - 00:00:37] It's all gone.

[00:00:38 - 00:00:39] You got it all.

[00:00:40 - 00:00:41] Hey, what happened to that website?

[00:00:42 - 00:00:43] Up in the sky.

[00:00:43 - 00:00:44] How did I say that?

[00:00:45 - 00:00:45] Look.

[00:00:45 - 00:00:46] Up in the sky.

[00:00:46 - 00:00:47] It's a bird.

[00:00:47 - 00:00:48] It's a plane.

[00:00:48 - 00:00:48] No.

[00:00:49 - 00:00:50] It's fucking stage, man.

[00:00:52 - 00:00:52] Nice.

[00:00:54 - 00:00:55] Yeah, but you already said that once.

[00:00:55 - 00:00:56] I know.

[00:00:56 - 00:00:57] We need some new shit.

[00:00:58 - 00:00:59] Oh, wait.

[00:00:59 - 00:00:59] I still got...

[00:01:00 - 00:01:04] think of any new shit right now he's he's like i'm going i'm coming down to your to your villains

[00:01:04 - 00:01:10] and rape your women and rip all your data packets apart that's what he said i still got it somewhere

[00:01:11 - 00:01:15] it's on the soundboard now oh no i never said that but that sounds interesting oh by the way

[00:01:15 - 00:01:20] chris they also made a soundboard of my voice so uh yeah they use it to call you so and they

[00:01:20 - 00:01:29] imitate my voice yeah yeah well there's some guys that that it appears that the guys from the

[00:01:30 - 00:01:34] I think they're going to top with you guys in the Netherlands.

[00:01:34 - 00:01:36] It's like a rival thing now.

[00:01:37 - 00:01:39] It's not really a rival thing if you don't give a fuck.

[00:01:39 - 00:01:46] From what I was told, those guys are actively pursuing numbers in the Netherlands.

[00:01:47 - 00:01:50] So, you know, just places to call.

[00:01:50 - 00:01:53] I mean, I think they're looking for, like, donut shops and what have you.

[00:01:54 - 00:01:56] But nobody speaks English here.

[00:01:56 - 00:01:58] Would you speak over there in Netherlands?

[00:02:00 - 00:02:04] but if you if you call with an english voice people don't give a fuck anyway

[00:02:04 - 00:02:08] because normal people here in the netherlands don't really talk english

[00:02:08 - 00:02:12] unless you're there personally that's right

[00:02:12 - 00:02:17] so of course so so give us a fuck that's right so so so i told these guys he says

[00:02:17 - 00:02:22] hey you're gonna have to speak you know what do you guys speak you speak um

[00:00:00 - 00:00:04] I'll join after the smoke and after I get some of my life.

[00:00:04 - 00:00:05] Let's just wait for Tom.

[00:00:06 - 00:00:07] Get on vent, though.

[00:00:09 - 00:00:10] Get on vent.

[00:00:10 - 00:00:11] Of course, you're going to hear a lot of people.

[00:00:12 - 00:00:14] So what are you guys playing right now?

[00:00:14 - 00:00:15] Are you playing a World War II game?

[00:00:15 - 00:00:16] Yeah, it's Company Heroes.

[00:00:17 - 00:00:19] It's really good because when they're tanks,

[00:00:19 - 00:00:21] they sort of block buildings and shit.

[00:00:21 - 00:00:22] It's just really, really fun to watch.

[00:00:22 - 00:00:24] Even if you're getting your ass kicked, it's really...

[00:00:24 - 00:00:25] It's like watching a documentary.

[00:00:26 - 00:00:28] Like, everything, there's so much fucking detail in it.

[00:00:30 - 00:00:36] that, too. Check that out. Yeah, you've got a Steam account, right? Yep. Yeah, you have

[00:00:36 - 00:00:40] to pay for it, because you can't really pirate the game and play it online. It doesn't work.

[00:00:40 - 00:00:45] Of course, of course. No, no, no, no. Of course you can't. Not even. These game servers

[00:00:45 - 00:00:52] are too slick now, and technically speaking, gaming companies have got so much fucking

[00:00:52 - 00:00:57] money. I heard that they were prosecuting, they were bagging some people that weren't

[00:01:00 - 00:01:10] selling gold on in wow so but these guys are multi-million dollar corporations mega multi-million

[00:01:10 - 00:01:15] dollar corporations it's like the long arm of the law so to speak they won't be fucked with

[00:01:15 - 00:01:25] yeah so um i tried to do a couple of things and my buddy told me a couple of uh cheat hats and he

[00:01:30 - 00:01:31] Read the full terms of use

[00:01:31 - 00:01:33] They'll fucking prosecute you

[00:01:33 - 00:01:35] Would you say you've got good reflexes and stuff

[00:01:35 - 00:01:37] Because this game Company Heroes

[00:01:37 - 00:01:38] It is kind of hard

[00:01:38 - 00:01:41] Oh fucking great reflexes

[00:01:41 - 00:01:44] You know I don't even have a game pad

[00:01:44 - 00:01:45] I mean listen

[00:01:45 - 00:01:46] No I mean either

[00:01:46 - 00:01:49] I went to fucking doctors yesterday

[00:01:49 - 00:01:52] And he thought I was in my 40s

[00:01:52 - 00:01:54] Which isn't saying much

[00:01:54 - 00:01:56] Because that's still older than you guys

[00:01:56 - 00:01:57] But the bottom line

[00:01:57 - 00:01:58] Is after 35

[00:02:00 - 00:02:03] If you look 10 years younger, that's great.

[00:02:04 - 00:02:06] It means you're doing something right,

[00:02:06 - 00:02:08] and I'm working towards looking even younger.

[00:02:09 - 00:02:10] [Uncertain recognition] I don't know how I'm going to do that,

[00:02:10 - 00:02:12] but maybe grow some hair.

[00:02:14 - 00:02:16] No, I think hair makes you...

[00:02:16 - 00:02:18] Oh, you mean grow hair on the head, yeah, obviously.

[00:02:19 - 00:02:20] Yeah, yeah, yeah, yeah, exactly.

[00:02:20 - 00:02:21] It's very weak, man.

[00:02:21 - 00:02:23] But see, that comes with money,

[00:02:23 - 00:02:25] and that's what I need, a lot of it, money.

[00:02:27 - 00:02:28] So you found investors yet?

[00:02:30 - 00:02:35] No, getting closer, but, you know, talk to this one, talk to that one.

[00:02:35 - 00:02:36] That's all it is, man.

[00:02:36 - 00:02:37] It's playing the numbers, talking.

[00:02:37 - 00:02:37] [Uncertain recognition] Yeah.

[00:02:38 - 00:02:38] Talking, talking, talking.

[00:02:38 - 00:02:40] I wish you were the best.

[00:02:42 - 00:02:43] Oh, it's going to happen, Jack.

[00:02:43 - 00:02:44] I appreciate that, though.

[00:02:44 - 00:02:46] Well, you've been saying that for a long time now, though.

[00:02:48 - 00:02:51] Secondly speaking, I'd like to get over there.

[00:02:51 - 00:02:55] I saw this thing on a web page.

[00:02:55 - 00:02:57] I was bouncing around.

[00:02:58 - 00:02:58] Spoofing.

[00:03:00 - 00:03:04] Basically some information

[00:03:04 - 00:03:05] I saw this thing

[00:03:05 - 00:03:07] It's like a big bubble

[00:03:07 - 00:03:08] I guess it's in London

[00:03:08 - 00:03:12] And it goes way

[00:03:12 - 00:03:13] It goes way above the city

[00:03:13 - 00:03:15] Do you know what I'm talking about Jack?

[00:03:15 - 00:03:17] Oh yeah I've been on that twice

[00:03:17 - 00:03:18] Yeah it's pretty cool

[00:03:18 - 00:03:21] It's called the London Eye

[00:03:21 - 00:03:24] Yeah yeah that's what it is

[00:03:24 - 00:03:26] London Eye isn't it like this little thing

[00:03:26 - 00:03:29] So it's like the world's biggest

[00:03:30 - 00:03:31] There is real, yeah, that's right.

[00:03:35 - 00:03:35] People say...

[00:03:35 - 00:03:36] You can stand up in this, right?

[00:03:37 - 00:03:38] It's a rip-off, though.

[00:03:38 - 00:03:41] It costs you like £17 to go on that fucking thing.

[00:03:41 - 00:03:41] [Uncertain recognition] No way.

[00:03:42 - 00:03:43] Yeah, I know.

[00:03:43 - 00:03:43] It's ridiculous.

[00:03:44 - 00:03:45] So expensive.

[00:03:45 - 00:03:45] 20 bucks?

[00:03:46 - 00:03:46] About 20 bucks.

[00:03:46 - 00:03:47] About 20 bucks, yeah.

[00:03:49 - 00:03:50] So wait a minute, wait a minute.

[00:03:50 - 00:03:53] [Uncertain recognition] Yeah, but you can stand up in it, right?

[00:03:54 - 00:03:54] Yeah.

[00:03:54 - 00:03:54] Oh, yeah, yeah.

[00:03:55 - 00:03:57] It's like a 40-minute ride as well.

[00:03:57 - 00:03:58] 40?

[00:03:58 - 00:03:59] Yeah, yeah, yeah.

[00:04:00 - 00:04:05] it dude i think it goes up a couple few hundred feet yeah yeah it goes um higher than all the

[00:04:05 - 00:04:10] buildings people actually marry that did you know that yeah then you can do like it's a few

[00:04:10 - 00:04:16] london like that it's worth the 17 pounds yeah i saw i saw it um i saw london on the sunset up

[00:04:16 - 00:04:20] right on top the sun was just above the buildings and it was shining on the river it was really

[00:04:20 - 00:04:29] really good yeah that's pretty awesome man i like to do that but i have really afraid of heights

[00:04:30 - 00:04:32] Oh, me too. He's just got to do it, man.

[00:04:33 - 00:04:40] Oh, yeah, me too. I'm very queasy about heights, but I know that, I know one thing's for sure,

[00:04:41 - 00:04:49] that most of the, the odds are in my favor that that thing's not going to go down.

[00:04:49 - 00:04:52] No, obviously. It's a piece of engineering.

[00:05:00 - 00:05:01] and takes him out with me.

[00:05:03 - 00:05:04] Well, good luck doing that.

[00:05:04 - 00:05:05] The thing weighs a ton, man.

[00:05:05 - 00:05:07] So how's your Mason meetings, Chris?

[00:05:09 - 00:05:10] I was only kidding anyway, huh?

[00:05:11 - 00:05:11] Huh?

[00:05:12 - 00:05:13] What'd you say?

[00:05:13 - 00:05:14] How are your Mason meetings?

[00:05:17 - 00:05:17] Free Mason.

[00:05:17 - 00:05:19] Oh, they're going well.

[00:05:20 - 00:05:20] [Uncertain recognition] Yeah.

[00:05:21 - 00:05:23] Yeah, they...

[00:05:23 - 00:05:25] There was some discussion about...

[00:05:25 - 00:05:26] Frank Cullors?

[00:05:27 - 00:05:28] ...the problem with the...

[00:05:30 - 00:05:44] And I told him, I said, you know, I appreciate, you know, you guys wanting to help, but let me see what, you know, I can do with respect to mitigating this before, you know, the troops are called out worldwide.

[00:05:45 - 00:05:46] [Uncertain recognition] You don't need to do that.

[00:05:47 - 00:05:50] Because you know, it's also affecting other masons around the country.

[00:05:51 - 00:05:54] So, yeah, like Frank Garrett, but what about the...

[00:05:54 - 00:05:55] Oh, is he a mason?

[00:05:56 - 00:05:56] Yeah.

[00:05:57 - 00:05:58] Oh, yeah.

[00:06:00 - 00:06:00] the Zipon guy

[00:06:00 - 00:06:01] that

[00:06:01 - 00:06:02] Charles guy

[00:06:02 - 00:06:06] he's amazing as well

[00:06:06 - 00:06:06] he's amazing?

[00:06:07 - 00:06:07] yeah

[00:06:07 - 00:06:10] you're kidding

[00:06:10 - 00:06:11] no

[00:06:11 - 00:06:13] Frank Garrett is amazing as well

[00:06:13 - 00:06:15] how do you know?

[00:06:16 - 00:06:17] how do I know this?

[00:06:19 - 00:06:20] I just do man

[00:06:20 - 00:06:22] people told me this

[00:06:22 - 00:06:22] [Uncertain recognition] okay

[00:06:22 - 00:06:22] yeah

[00:06:22 - 00:06:23] but uh

[00:06:23 - 00:06:24] okay

[00:06:24 - 00:06:25] but uh

[00:06:25 - 00:06:26] what about the rituals man

[00:06:26 - 00:06:27] what do you do there?

[00:06:29 - 00:06:29] well we're not allowed

[00:06:30 - 00:06:36] discuss anything i don't know what goes on inside not even your best buddy it's it's it's what it

[00:06:36 - 00:06:46] is is a matter of honor and um but i can tell you one thing um it's basically a patriotic organization

[00:06:47 - 00:06:55] and uh you got to believe in god you don't believe in god you can't be in actually you

[00:07:00 - 00:07:02] [Uncertain recognition] A one and only one creator.

[00:07:02 - 00:07:03] A grand architect.

[00:07:05 - 00:07:06] Right?

[00:07:07 - 00:07:07] [Uncertain recognition] Yep.

[00:07:07 - 00:07:07] [Uncertain recognition] Yep.

[00:07:09 - 00:07:09] [Uncertain recognition] All right.

[00:07:10 - 00:07:11] Good luck with that, man.

[00:07:11 - 00:07:13] Why can't you tell me about the rituals, though?

[00:07:13 - 00:07:14] I mean, is that so secret?

[00:07:16 - 00:07:16] Yeah.

[00:07:18 - 00:07:19] Well, yeah.

[00:07:19 - 00:07:26] It's just, it's almost like, well, because it's a fraternal organization of brothers,

[00:07:30 - 00:07:40] What me and my brothers did if we performed a certain set of events, you know, when we got together.

[00:07:41 - 00:07:44] And it's nobody's, that's family business, basically.

[00:07:44 - 00:07:46] It's not a secret organization, per se.

[00:07:46 - 00:07:49] It is an organization with secrets.

[00:07:49 - 00:07:53] Now, some people would say there's no difference, but yes, there is.

[00:07:53 - 00:07:57] The secret organization, and by the way, if it was a secret organization,

[00:08:00 - 00:08:03] and then they did a real lousy job keeping the organization secret.

[00:08:04 - 00:08:07] I heard they're looking for members.

[00:08:07 - 00:08:07] Is that right?

[00:08:08 - 00:08:10] Because they're like, you know, getting a bit old, all the members?

[00:08:11 - 00:08:12] No, no.

[00:08:12 - 00:08:13] They are looking for members.

[00:08:14 - 00:08:14] Yeah.

[00:08:14 - 00:08:19] But they do an investigation on the person.

[00:08:20 - 00:08:21] They just don't let anybody in.

[00:08:22 - 00:08:23] Why is that?

[00:08:24 - 00:08:27] Well, because they want stand-up people.

[00:08:30 - 00:08:31] sometimes it takes

[00:08:31 - 00:08:32] you know

[00:08:32 - 00:08:33] I mean

[00:08:33 - 00:08:34] that doesn't preclude

[00:08:34 - 00:08:35] we'll say that

[00:08:35 - 00:08:36] somebody's a real

[00:08:36 - 00:08:36] scumbag

[00:08:36 - 00:08:37] when they're younger

[00:08:37 - 00:08:39] and then they grow up

[00:08:39 - 00:08:39] and they become

[00:08:39 - 00:08:41] a pillar of the community

[00:08:41 - 00:08:41] or even

[00:08:41 - 00:08:42] maybe not a pillar

[00:08:42 - 00:08:43] of the community

[00:08:43 - 00:08:44] but you know

[00:08:44 - 00:08:44] they're trying real hard

[00:08:44 - 00:08:45] to do the right thing

[00:08:45 - 00:08:47] to get their ass

[00:08:47 - 00:08:47] out of trouble

[00:08:47 - 00:08:48] they believe in God

[00:08:48 - 00:08:50] they believe in family

[00:08:50 - 00:08:51] and country

[00:08:51 - 00:08:54] then in fact

[00:08:54 - 00:08:55] I know about that

[00:08:55 - 00:08:58] major felonies

[00:08:58 - 00:08:59] you know

[00:09:00 - 00:09:07] the Brinks, Brinks, Brinks armored cars or something, then there'd probably be allowed

[00:09:07 - 00:09:16] membership. So it's about being, it's about, it's about enlightening yourself via, um,

[00:09:17 - 00:09:24] Just give him money. Why not raping children? Just give him money. No, you don't. I don't

[00:09:24 - 00:09:29] think you have to give money, do you? Maybe donations. No, no, no, no, no, it's not about

[00:09:30 - 00:09:36] But technically speaking, you know, you've got to pay your membership, but other than that, no.

[00:09:37 - 00:09:38] What's the membership tip?

[00:09:41 - 00:09:41] Well, it depends.

[00:09:41 - 00:09:44] See, each chapter sets up their own membership.

[00:09:44 - 00:09:49] So, I mean, my chapter is $150 a year.

[00:09:49 - 00:09:51] Another chapter could be $500 a year.

[00:09:51 - 00:09:56] But I guarantee you what, the chapter that charges their members $500 a year,

[00:10:00 - 00:10:05] need to provide for their members to be able to charge $500.

[00:10:05 - 00:10:08] So what degree are you right now?

[00:10:09 - 00:10:13] Well, see, you can find all this stuff out online.

[00:10:14 - 00:10:18] There's only three degrees in masonry.

[00:10:19 - 00:10:24] See, the other stuff, like the 32nd degree masons and stuff like that,

[00:10:24 - 00:10:26] no, they're not 32nd degree masons.

[00:10:30 - 00:10:37] the York's Rites, which is a body within the Masons, it gives you no better standing,

[00:10:37 - 00:10:44] because a master at his trade is a master at his trade. It's not predicated on religion,

[00:10:44 - 00:10:49] although some people say it is. As a matter of fact, I was watching the John Ankerberg

[00:10:49 - 00:10:58] show on YouTube. It was a video about Masonry versus Christianity. Well, there is no versus

[00:11:00 - 00:11:04] Because it's a non-denominational fraternity.

[00:11:04 - 00:11:13] As long as the person believes in one creator, as long as they've got morals and believe in family

[00:11:13 - 00:11:24] and are looking to better their life through the association of people with good morals and ethics

[00:11:24 - 00:11:29] and that are trying to do good in this life as well, then they can be allowed membership.

[00:11:30 - 00:11:31] so

[00:11:31 - 00:11:33] there's a lot of

[00:11:33 - 00:11:35] misinformation about this

[00:11:35 - 00:11:36] and this particular show

[00:11:36 - 00:11:38] I know

[00:11:38 - 00:11:39] his name is

[00:11:39 - 00:11:41] The Bible Answer Man

[00:11:41 - 00:11:43] he's called The Bible Answer Man

[00:11:43 - 00:11:46] [Uncertain recognition] and I can't remember his name right off the top of my head

[00:11:46 - 00:11:50] I'll think of it in a minute

[00:11:50 - 00:11:51] as I'm talking

[00:11:51 - 00:11:54] he was talking about

[00:11:54 - 00:11:55] well it is a religion

[00:11:55 - 00:11:57] because you practice rituals

[00:11:57 - 00:11:59] I say well it's all about the Boy Scouts

[00:12:00 - 00:12:06] a religion you know the symbolism is just that symbolism actually it's like a big play if you

[00:12:06 - 00:12:13] will but long story short is that it's not a religion it's a fraternity of brothers that know

[00:12:13 - 00:12:19] that they can count on each other it becomes your extended family and that's a good thing

[00:12:19 - 00:12:27] that's a good thing but the bottom line is that uh the battle answer man was talking about books

[00:12:30 - 00:12:36] masons or past masons um and he considered those authoritative well the individual that was

[00:12:36 - 00:12:45] on the panel one one of the um um masons who had a long-standing history within the masons

[00:12:45 - 00:12:49] [Uncertain recognition] said well that's just their opinion i don't agree with their opinion and see that's the beauty of

[00:12:49 - 00:12:57] masonry because it is it's an individual opinion no one mason can tell another mason how it is

[00:13:00 - 00:13:04] [Uncertain recognition] They can't tell them what masonry means to them.

[00:13:05 - 00:13:14] So the bottom line is that this is what I'm learning as I'm just observing,

[00:13:14 - 00:13:18] [Uncertain recognition] that I can ask two masons the same question

[00:13:18 - 00:13:25] [Uncertain recognition] and get two similar yet uniquely individual answers.

[00:13:30 - 00:13:31] I wouldn't be involved.

[00:13:32 - 00:13:33] What did you ask, Tom?

[00:13:34 - 00:13:34] What did you ask?

[00:13:35 - 00:13:37] Why do you rape the children?

[00:13:37 - 00:13:39] Is this before or after you get the

[00:13:39 - 00:13:40] advice?

[00:13:46 - 00:13:47] Oh, you hung up.

[00:13:48 - 00:13:49] No, it's just Google.

[00:13:50 - 00:13:50] Probably.

[00:13:51 - 00:13:53] Anyway, you want to play

[00:13:53 - 00:13:54] Comedy Heroes now?

[00:13:55 - 00:13:57] Yeah, I'm done with

[00:13:57 - 00:13:59] TF2. What the fuck are the

[00:14:00 - 00:14:08] the back of people calls recorded yeah guys come on uh let's play come here

[00:14:08 - 00:14:17] say just the city and state

[00:14:17 - 00:14:23] try again

[00:02:00 - 00:02:03] I think it was the money and the power and the women.

[00:02:04 - 00:02:05] The money?

[00:02:06 - 00:02:08] The power and the women.

[00:02:08 - 00:02:11] The drugs, the cocaine, you know, parties.

[00:02:12 - 00:02:13] [Uncertain recognition] Oh, really?

[00:02:13 - 00:02:15] All that came from prank calling?

[00:02:16 - 00:02:16] Yeah, man.

[00:02:17 - 00:02:19] We met a lot of different people.

[00:02:19 - 00:02:21] I got different hoes and different area codes.

[00:02:23 - 00:02:26] Nah, man, we went to some Alcohol Anonymous meetings.

[00:02:27 - 00:02:28] [Uncertain recognition] Oh, good.

[00:02:30 - 00:02:38] i haven't been drinking since like two months no no i'm just shooting you chris but uh no if uh

[00:02:38 - 00:02:45] kind of to be serious here um i don't know it was kind of i i think it was the power

[00:02:45 - 00:02:52] i think i think it was the power of like they can't do anything to stop it and they can't do

[00:02:52 - 00:02:59] anything about it just that fear of helplessness you know that that that's true for a period of

[00:03:00 - 00:03:14] You're too young to remember when there was anonymous e-mail, and the anonymous e-mail was directed the same kind of way, maliciously at people.

[00:03:14 - 00:03:23] People get e-mails with threats, things of that nature, and eventually it was outlawed in this country.

[00:03:24 - 00:03:25] It was outlawed worldwide.

[00:03:30 - 00:03:34] where a lot of the anonymous e-mail what routed through was the Netherlands,

[00:03:35 - 00:03:37] specifically because of their laws.

[00:03:37 - 00:03:45] But when the anonymous e-mailers started to affect certain areas of our society,

[00:03:45 - 00:03:51] not just our society but all societies, the free world or industrialized world anyway,

[00:03:52 - 00:03:57] the countries got together and it was outlawed, staying here.

[00:04:00 - 00:04:07] to bring this to an attention level that before wasn't known.

[00:04:08 - 00:04:11] In other words, Tom, there was a time when I had a web hosting company

[00:04:11 - 00:04:14] and I knew the Internet intimately.

[00:04:14 - 00:04:17] I knew how the Internet worked very intimately.

[00:04:18 - 00:04:20] Well, I had been away from that for some years.

[00:04:21 - 00:04:28] And you guys, this is kind of a blessing because I've gotten to know it again.

[00:04:30 - 00:04:37] bit more complex not that much more but it's a little bit more complex but you guys kind of

[00:04:37 - 00:04:43] prompted me uh and pushed me because i'm not the one you know coon's the same way coon's not the

[00:04:43 - 00:04:48] type of guy to lay down and get stomped on oh yes he is

[00:05:00 - 00:05:12] really yeah you're too funny man i was not expecting that kind of an answer

[00:05:12 - 00:05:19] yeah i know i know man no but seriously so how's the uh what's that about the masons man

[00:05:19 - 00:05:26] what do they do over there well the masons are over there big time too yeah i know but we're we

[00:05:30 - 00:05:39] about it i i don't know if that would be a reality because a friend of mine took he's a he's a long

[00:05:39 - 00:05:53] time mason and um he has a job and he switched positions specifically to assist um and he

[00:06:00 - 00:06:09] different lodges of what's going on, and I'm a brother, so he actually was getting paid

[00:06:09 - 00:06:17] by his company, but he was basically doing it for me, and all the lodges are very well

[00:06:17 - 00:06:26] aware of what's going on, and there are individuals that are actively and quietly doing their

[00:06:30 - 00:06:42] But their activities will eventually be known to your newspapers and your news stations about the prank calling.

[00:06:43 - 00:06:51] And it'll probably be shortly or during times of people getting arrested.

[00:06:52 - 00:06:53] Uh-huh.

[00:07:00 - 00:07:05] No, this is the reality of the way the world works.

[00:07:06 - 00:07:14] The world isn't the way young boys and young guys perceive it to be.

[00:07:14 - 00:07:16] I'm 52 years old.

[00:07:16 - 00:07:19] And you think you have...

[00:07:19 - 00:07:20] This is my third year.

[00:07:21 - 00:07:26] And I have a lot of contacts out there in the IT world.

[00:07:27 - 00:07:27] Yeah.

[00:07:30 - 00:07:37] getting up to speed. I know about the vent server specifically because of my IT friends.

[00:07:37 - 00:07:50] As a matter of fact, I've got information that most of you guys or most of the guys that

[00:07:50 - 00:07:55] have been prank calling would think that there would be a snitch. How could he have gotten

[00:08:00 - 00:08:07] information research they call it investigation in my state i'm not legally allowed to call it

[00:08:07 - 00:08:14] investigation although i believe in freedom of speech but that term investigation indicates

[00:08:14 - 00:08:22] an investigator and in this state you have to be a licensed investigator to investigate

[00:08:30 - 00:08:41] what I call it research but Tom the world does not work like you think it

[00:08:41 - 00:08:49] works mm-hmm so yeah so I I caused you emotional harm and that's why I'm going

[00:08:49 - 00:08:55] to be arrested is that what that is that it not not emotional that emotional you

[00:09:00 - 00:09:03] Well, did you know that stress can physically harm people?

[00:09:03 - 00:09:05] Oh, I know all about that.

[00:09:05 - 00:09:06] So, are you a wife, Peter?

[00:09:07 - 00:09:07] Is that it?

[00:09:09 - 00:09:14] So, you can't take anything seriously, can you, Tom?

[00:09:14 - 00:09:17] No, but seriously, I am being serious.

[00:09:17 - 00:09:18] I'm just trying to be funny.

[00:09:19 - 00:09:20] Anyway, so...

[00:09:20 - 00:09:21] No, there is nothing funny.

[00:09:22 - 00:09:23] So, I caused you stress.

[00:09:25 - 00:09:29] Not you particularly, the whole pranking community.

[00:09:30 - 00:09:30] All right.

[00:09:31 - 00:09:32] It's not just me.

[00:09:32 - 00:09:33] You know Frank Garrett.

[00:09:33 - 00:09:35] You know the name Frank Garrett.

[00:09:35 - 00:09:41] He's a 73-year-old man who's been prank called every day.

[00:09:41 - 00:09:42] And he's still alive.

[00:09:43 - 00:09:44] So stress shouldn't be that hard.

[00:09:44 - 00:09:44] For better than three years.

[00:09:46 - 00:09:49] He's still alive, so stress can't be that bad.

[00:09:51 - 00:09:54] You have no idea.

[00:09:54 - 00:09:55] I'll tell you one thing.

[00:09:55 - 00:09:59] When you are aware that you're going to get arrested,

[00:10:00 - 00:10:05] I guarantee your stress level will go up considerably, and you will not know when you'll be arrested.

[00:10:10 - 00:10:12] And I will have no control over it.

[00:10:13 - 00:10:13] Over what?

[00:10:14 - 00:10:16] I have no control over it.

[00:10:17 - 00:10:19] You don't realize where this is taken.

[00:10:21 - 00:10:23] Look up Ashton Lundeby.

[00:10:23 - 00:10:25] Look up the word Ashton Lundeby.

[00:10:26 - 00:10:28] How the fuck do you spell that?

[00:10:30 - 00:10:36] A-S-H-T-O-N-L-U-N-D-E-B-Y.

[00:10:36 - 00:10:37] That's two words.

[00:10:37 - 00:10:38] That's his first name, Ashton.

[00:10:39 - 00:10:41] A-S-H-T-O-N.

[00:10:41 - 00:10:42] That's his first name.

[00:10:42 - 00:10:46] Lundeby is his last name, L-U-N-D-E-B-Y.

[00:10:47 - 00:10:50] He used to be known as Tyrone in the prank call community.

[00:10:51 - 00:10:58] He was being paid through PayPal for different phone calls

[00:11:00 - 00:11:03] They were pretty interesting phone calls.

[00:11:04 - 00:11:05] Eventually, he got arrested.

[00:11:06 - 00:11:09] In this country, he got arrested under the Patriot Act.

[00:11:10 - 00:11:13] He was held what we call incommunicado.

[00:11:13 - 00:11:20] In other words, he had no communications between his parents or an attorney, which is highly unusual.

[00:11:20 - 00:11:27] Typically speaking, the Patriot Act is meant to be used and applied upon terrorists.

[00:11:30 - 00:11:35] without communication with his parents or an attorney for, I think, about six weeks.

[00:11:40 - 00:11:46] And terrorism worldwide is taken very seriously.

[00:11:46 - 00:11:48] Bomb threats are taken very seriously.

[00:11:50 - 00:11:55] Threats of death and harm are taken very seriously since the advent of 9-11 in this country.

[00:11:58 - 00:11:59] And worldwide.

[00:12:00 - 00:12:03] Are you going to stop chasing us?

[00:12:03 - 00:12:04] Because you're chasing a ghost.

[00:12:06 - 00:12:09] Look what's happened in the Netherlands.

[00:12:09 - 00:12:11] Let the Netherlands.

[00:12:12 - 00:12:13] What?

[00:12:13 - 00:12:15] Let the Netherlands.

[00:12:15 - 00:12:18] No, but are you going to stop chasing us or what?

[00:12:18 - 00:12:20] Because you're just chasing ghosts anyway.

[00:12:21 - 00:12:22] I'm not chasing ghosts.

[00:12:22 - 00:12:23] You're not a ghost.

[00:12:24 - 00:12:26] Oh, so you are chasing us.

[00:12:28 - 00:12:28] Listen.

[00:12:30 - 00:12:32] You just ratted on yourself, man.

[00:12:33 - 00:12:33] I don't rat.

[00:12:34 - 00:12:38] You can't rat on something that's righteous.

[00:12:40 - 00:12:45] So you're going AWOL on us because we stopped talking.

[00:12:45 - 00:12:46] You miss us.

[00:12:47 - 00:12:49] That's why you're chasing you.

[00:12:51 - 00:12:55] But you want to see us arrested for the emotional stress I've caused you.

[00:12:57 - 00:12:58] I'm not chasing you.

[00:13:00 - 00:13:06] the cops over i didn't want anybody arrested i wanted everybody to grow up and stop doing this

[00:13:06 - 00:13:12] it's out of my hands meanwhile you're trying to gather evidence on everybody

[00:13:12 - 00:13:19] people calling we got kids calling from the middle east we've got kids calling from africa

[00:13:19 - 00:13:26] this has become a worldwide phenomenon that is causing a lot of people

[00:13:30 - 00:13:41] thousand dollars this year it's cost me almost as much thirty three thousand dollars that's one

[00:13:41 - 00:13:47] business it costs you because frank here it estimates it's costing at least thirty thousand

[00:13:47 - 00:13:55] a year in business because when the phones are ringing customers can't yeah right like like you

[00:14:00 - 00:14:07] own fault. It's your own fault. You keep on picking up the calls. You talk to people

[00:14:07 - 00:14:14] for like hours and hours on end. You realize how much you told us every day. Do you realize

[00:14:14 - 00:14:21] that you did that on your own free will? There was no harm. We have all the recordings. We

[00:14:21 - 00:14:28] have hours on end recordings where you just willingly talk to us. So we're not doing your

[00:14:30 - 00:14:39] you destroyed your own business by going into the hype sorry no i'm no you don't have to be sorry

[00:14:39 - 00:14:43] i didn't ask for the prank calls but i wasn't backing down from them and the more i got to know

[00:14:43 - 00:14:54] you guys the more i the more i got to know about you guys so tell me you know about somebody what

[00:00:00 - 00:00:00] Like months.

[00:00:01 - 00:00:02] Listen, listen.

[00:00:02 - 00:00:06] What you did was you spoofed a telephone number.

[00:00:06 - 00:00:07] Oh, my.

[00:00:07 - 00:00:08] There we go again.

[00:00:08 - 00:00:09] Spoofing again.

[00:00:10 - 00:00:11] Well, you think it.

[00:00:11 - 00:00:12] I told you.

[00:00:12 - 00:00:15] Look up caller ID spoofing ban.

[00:00:18 - 00:00:19] No.

[00:00:19 - 00:00:19] But what?

[00:00:19 - 00:00:20] Tell me about it.

[00:00:22 - 00:00:22] Okay.

[00:00:22 - 00:00:23] I'll read it to you.

[00:00:24 - 00:00:25] All right.

[00:00:26 - 00:00:26] Okay.

[00:00:26 - 00:00:28] I'm looking this up on the net right now.

[00:00:30 - 00:00:59] And it says, okay, come on, ID, screen, band, okay, house, it says,

[00:01:00 - 00:01:02] House passes ban on caller ID spoofing.

[00:01:03 - 00:01:07] Now, what our House is over here is the House of Representatives.

[00:01:08 - 00:01:13] The House of Representatives and the Senate make up our Congress.

[00:01:15 - 00:01:15] [Uncertain recognition] Okay.

[00:01:16 - 00:01:18] Hold on for one second.

[00:01:30 - 00:01:59] Thank you.

[00:02:00 - 00:02:01] Okay, I'm here.

[00:02:01 - 00:02:02] You're here?

[00:02:02 - 00:02:03] Yeah.

[00:02:03 - 00:02:04] So hold on.

[00:02:04 - 00:02:25] So the House and the Senate make up our Congress, and April 14th, using false caller ID with the intent of tricking, harassing, or otherwise causing harm to persons is against the law.

[00:02:30 - 00:02:35] Untold Trouble, they land a teen in an 11-year sentence.

[00:02:35 - 00:02:40] This is at NetworkWorld, NetworkWorld.com.

[00:02:42 - 00:02:45] Caller ID spoofing ban is bad for business.

[00:02:45 - 00:02:48] That's in the ITWorld.com.

[00:02:50 - 00:02:58] So this has caused millions over the last two years that the feds have come up with some figures.

[00:03:00 - 00:03:06] last two years to the tune of many, many millions of dollars in damage to small businesses.

[00:03:07 - 00:03:13] Small business, Tom, around the world, you know what makes up the greatest amount of

[00:03:13 - 00:03:15] capital in your country?

[00:03:16 - 00:03:17] It's small businesses.

[00:03:18 - 00:03:22] Do you know what makes up the greatest amount of capital in taxes?

[00:03:22 - 00:03:23] Porn.

[00:03:23 - 00:03:24] In England or Germany.

[00:03:25 - 00:03:25] Cigarettes.

[00:03:25 - 00:03:26] Or France.

[00:03:26 - 00:03:27] It's small businesses.

[00:03:28 - 00:03:28] Cigarettes.

[00:03:28 - 00:03:29] Small businesses.

[00:03:30 - 00:03:31] run this world

[00:03:31 - 00:03:33] not really

[00:03:33 - 00:03:34] without small businesses

[00:03:34 - 00:03:37] small businesses

[00:03:37 - 00:03:39] without small businesses

[00:03:39 - 00:03:40] big businesses couldn't exist

[00:03:40 - 00:03:44] so

[00:03:44 - 00:03:46] you can try to be funny all you want

[00:03:46 - 00:03:48] but I don't know who you're being funny to

[00:03:48 - 00:03:49] other than yourself

[00:03:49 - 00:03:52] and that is a psychiatric problem

[00:03:52 - 00:03:54] not really

[00:03:54 - 00:03:56] just old habits man

[00:03:56 - 00:03:57] no but

[00:04:00 - 00:04:07] out of this is that I caused harm and that I should be punished and locked up

[00:04:07 - 00:04:11] that's what you're getting out of it I'm pretty much getting that out of it

[00:04:11 - 00:04:22] because it concerns me yes well you have caused harm I have caused some mm-hmm

[00:04:22 - 00:04:29] all right and the best thing that you can do no I don't know about your lies over

[00:04:30 - 00:04:38] I do know that we have alliances with the Netherlands here in this country, strong alliances.

[00:04:38 - 00:04:40] We have strong alliances with the U.K.

[00:04:42 - 00:04:49] So we have strong alliances with Germany and France and Spain and Italy, all of Europe.

[00:04:50 - 00:04:57] So what's happening here is starting to happen there on a larger scale, too.

[00:05:00 - 00:05:12] And our congressmen and our senators are taking their trips, and they take trips over there all the time, and talking to your authorities and your politicians.

[00:05:14 - 00:05:17] You know what they're talking about.

[00:05:17 - 00:05:29] And right now, there is major - some of these morons were prank calling, bomb-threatening, bomb-threatening the White House.

[00:05:30 - 00:05:38] The FBI? All of the major powers. This is the most powerful country in the world, Tom.

[00:05:39 - 00:05:41] No, China is.

[00:05:42 - 00:05:44] No, that's Jack that just invited him.

[00:05:46 - 00:05:49] We could wipe China off the planet.

[00:05:50 - 00:05:59] We're pulling our manufacturing back from China slowly so we don't damage ourselves financially.

[00:06:00 - 00:06:05] so you're pulling yourself out of the china slowly slowly we're pulling our finances out

[00:06:05 - 00:06:11] of china slowly in this country we're pulling our manufacturing slowly out of china because

[00:06:11 - 00:06:18] we realized the businessmen and the politicians kind of pushed it never mind no it was a reference

[00:06:18 - 00:06:25] to something else but but the point is is we are the most we have that we have we have the strongest

[00:06:30 - 00:06:40] Yeah, and that only means that everybody agrees with you people because they don't want to get shot. That doesn't mean you're powerful. That just means you have dominance.

[00:07:00 - 00:07:11] the world but now to the people in a lot of countries we're disliked because of

[00:07:11 - 00:07:18] our politics and politicians yeah because your country is batshit insane

[00:07:30 - 00:07:40] That we have alliances, the North Atlantic Treaty alliance, with all of Europe, including the Netherlands.

[00:07:43 - 00:07:46] We have business alliances.

[00:07:46 - 00:07:50] We have strong, strong financial interests.

[00:07:50 - 00:07:56] And so Interpol can just walk on over here and get us from behind our computers.

[00:08:00 - 00:08:03] Hypothetically speaking, Chris.

[00:08:04 - 00:08:09] Hypothetically speaking, and this is for your own edification, yeah.

[00:08:11 - 00:08:17] You know, they're a little bit more, they're a lot less friendly.

[00:08:17 - 00:08:22] The law enforcement over there is a lot less friendly than they are over here.

[00:08:22 - 00:08:26] We've got a constitution that our law enforcement has got to abide by.

[00:08:27 - 00:08:28] Read it sometime.

[00:08:30 - 00:08:31] Wait, wait, wait, wait, wait, wait.

[00:08:31 - 00:08:36] Your country has way more police brutality than my country.

[00:08:36 - 00:08:40] In fact, if you commit a crime in my country, you can get out the same day.

[00:08:41 - 00:08:42] You won't even get punished for shit.

[00:08:44 - 00:08:53] If somebody does anything in my country that is not according to the rules, then you can talk.

[00:08:53 - 00:08:58] You can watch some YouTube videos on the Netherlands police.

[00:09:00 - 00:09:04] And the way they storm a drug house

[00:09:04 - 00:09:07] or the way they do things over there.

[00:09:09 - 00:09:11] Pretty safe, actually.

[00:09:11 - 00:09:13] They hardly fire any shots.

[00:09:14 - 00:09:16] That hardly ever happens in your country.

[00:09:16 - 00:09:17] They shoot black people up.

[00:09:18 - 00:09:21] Your cops shoot black people up just for the fun of it.

[00:09:23 - 00:09:26] What's that got to do with the point is that...

[00:09:30 - 00:09:31] us. You talked about China

[00:09:31 - 00:09:33] and investments and

[00:09:33 - 00:09:36] your country being a dominant country.

[00:09:36 - 00:09:37] What does that have to do with chasing

[00:09:37 - 00:09:38] me down?

[00:09:39 - 00:09:42] Okay, I'll tell you. Hold on. Let me take a look

[00:09:42 - 00:09:44] at something online.

[00:09:44 - 00:09:46] Okay, we'll go to...

[00:09:47 - 00:09:47] So, look up

[00:09:47 - 00:09:49] Police Brutality on YouTube.

[00:09:50 - 00:09:51] Do you see what country

[00:09:51 - 00:09:54] all of these videos are from?

[00:09:54 - 00:09:55] Yeah, because you got more people

[00:09:55 - 00:09:57] taking videos over here in Netherlands.

[00:10:00 - 00:10:29] *[Unreliable audio transcription: Sparse decoder output over a long interval without acoustic speech support.]*

[00:10:30 - 00:10:34] So Dutch police kill Ghanaian.

[00:10:34 - 00:10:51] It appears that, excuse me, the, we'll call it the countries that you guys, that are under Dutch rule, that's where a lot of the brutality happens.

[00:10:53 - 00:10:57] We don't have any colonies anymore.

[00:11:00 - 00:11:01] Okay, how about this?

[00:11:02 - 00:11:03] That's not a colony.

[00:11:03 - 00:11:04] Look,

[00:11:05 - 00:11:08] Suriname is not a colony.

[00:11:11 - 00:11:11] Is it?

[00:11:12 - 00:11:13] Oh, I don't know.

[00:11:13 - 00:11:14] I don't know nothing.

[00:11:14 - 00:11:15] I don't know nothing.

[00:11:15 - 00:11:18] I know nothing about history.

[00:11:21 - 00:11:21] The Amsterdam,

[00:11:22 - 00:11:24] the Amsterdam North police brutality

[00:11:24 - 00:11:27] and fraudulent accusations.

[00:11:30 - 00:11:35] a whole bunch just type in uh netherland police brutality or police brutality in the netherlands

[00:11:35 - 00:11:44] listen it's all over tom just because you don't pay attention to the news doesn't make it

[00:11:44 - 00:11:55] non-existent what's all over what's over brutality is around the world what does that have to do

[00:12:00 - 00:12:03] So why are you talking about police brutality in the first place?

[00:12:04 - 00:12:05] Because you brought it up.

[00:12:05 - 00:12:07] No, we were talking about China.

[00:12:08 - 00:12:09] No, we weren't.

[00:12:09 - 00:12:16] We were talking about getting arrested, about power, about politics.

[00:12:16 - 00:12:16] Not really.

[00:12:16 - 00:12:19] I just asked why you were chasing us down.

[00:12:19 - 00:12:22] And then you were beginning to explain, like, how is this going to happen?

[00:12:22 - 00:12:24] And then you dwelled off to China.

[00:12:24 - 00:12:25] And now you're talking about...

[00:12:25 - 00:12:29] So you said that we can just come in, and the Interpol can come in,

[00:12:30 - 00:12:32] and just take us from behind our computers?

[00:12:32 - 00:12:33] Absolutely.

[00:12:33 - 00:12:34] That's how they make arrests.

[00:12:35 - 00:12:36] They come in and they take people.

[00:12:38 - 00:12:39] They don't care whether you're on the toilet.

[00:12:40 - 00:12:42] They don't care if you're behind a computer.

[00:12:43 - 00:12:44] They're going to send Interpol

[00:12:44 - 00:12:46] after a 20-year-old.

[00:12:47 - 00:12:49] They're going to send...

[00:12:49 - 00:12:50] For this kind of shit?

[00:12:51 - 00:12:52] Grow up, Chris.

[00:12:52 - 00:12:54] Do you really think Interpol

[00:12:54 - 00:12:56] is really going to give

[00:12:56 - 00:12:59] a fucking rat's ass

[00:13:00 - 00:13:05] old guy calling some other guy in america do you really think they're going to waste the time and

[00:13:05 - 00:13:13] money with that guy listen you got to grow up with threats of death yeah absolutely i never called

[00:13:13 - 00:13:21] you with a threat of death uh maybe in your drunken stupor you don't remember no i recorded

[00:13:21 - 00:13:27] everything so i can i don't even if i didn't remember i probably heard it a thousand times

[00:13:30 - 00:13:36] I have all the evidence, all the conversations we ever had, I never threatened your life.

[00:13:36 - 00:13:37] Why would I fucking do that?

[00:13:38 - 00:13:39] That's no fun.

[00:13:40 - 00:13:44] So before we started having the conversations, see, before.

[00:13:45 - 00:13:47] No, because I recorded the first time.

[00:13:47 - 00:13:49] I still have the first call I've ever made to you.

[00:13:50 - 00:13:52] So we're just talking out of your ass, Chris.

[00:13:55 - 00:13:56] I have all the calls.

[00:13:56 - 00:13:58] You never met this guy anyway, Tom.

[00:14:00 - 00:14:00] Hmm?

[00:14:01 - 00:14:02] You're not a very nice...

[00:14:02 - 00:14:08] No, I'm not a nice guy, but Interpol isn't coming to arrest me because I'm not a nice guy.

[00:14:09 - 00:14:16] I can be a nice guy, but right now you're thinking like you're going to send Interpol after me or something.

[00:14:16 - 00:14:17] That's not really nice of you.

[00:03:00 - 00:03:05] By the way, go to YouTube and look up the police state of the Netherlands.

[00:03:06 - 00:03:11] I see a cop just whacking people with a nightstick, and they're not doing anything.

[00:03:12 - 00:03:14] So don't tell me about police.

[00:03:14 - 00:03:19] Police are very brutal in the Netherlands.

[00:03:19 - 00:03:24] So you want me arrested to get this straight?

[00:03:24 - 00:03:26] You want me arrested, yes or no?

[00:05:00 - 00:05:00] Just keep it that way.

[00:05:01 - 00:05:02] It's about six.

[00:05:02 - 00:05:03] Six hours.

[00:05:03 - 00:05:04] Yeah, you're six hours.

[00:05:05 - 00:05:07] Oh, what time is it over there?

[00:05:08 - 00:05:10] 7.22, 7.30.

[00:05:11 - 00:05:14] Oh, it's five hours.

[00:05:15 - 00:05:16] Yeah, five hours.

[00:05:16 - 00:05:17] That's what I thought.

[00:05:17 - 00:05:18] You're on England, Ty.

[00:05:19 - 00:05:21] [Uncertain recognition] No, no, no, no, no, no, no, no, no, no, no, no, no, no.

[00:05:21 - 00:05:22] Not really.

[00:05:25 - 00:05:25] [Uncertain recognition] So.

[00:05:26 - 00:05:27] So you got Kuhn's address.

[00:05:30 - 00:05:31] Did you get Kuhn's address?

[00:05:32 - 00:05:33] Yes, I do.

[00:05:33 - 00:05:34] All right.

[00:05:34 - 00:05:35] Pretty awesome.

[00:05:36 - 00:05:37] So why don't you tell me?

[00:05:37 - 00:05:38] Because I know it already.

[00:05:38 - 00:05:41] Why don't you tell me what his address is?

[00:05:44 - 00:05:45] [Uncertain recognition] Why should I?

[00:05:45 - 00:05:46] [Uncertain recognition] You know it.

[00:05:48 - 00:05:50] See, that's a little child denial.

[00:05:51 - 00:05:52] Oh, no.

[00:05:52 - 00:05:53] It's reverse psychology.

[00:05:53 - 00:05:54] Oh, no, Chris.

[00:05:55 - 00:05:57] Look, I see him all the time.

[00:05:57 - 00:05:58] I know his address.

[00:05:58 - 00:05:58] I know everything.

[00:06:00 - 00:06:03] Tom, Tom, I'm not going to tell you anything.

[00:06:04 - 00:06:05] Why not?

[00:06:08 - 00:06:09] Think about it.

[00:06:09 - 00:06:10] I'm thinking about it.

[00:06:10 - 00:06:11] You can answer that question.

[00:06:11 - 00:06:12] All I can think of is that you have an accident.

[00:06:12 - 00:06:14] You can answer that question, Chris.

[00:06:15 - 00:06:16] So why did you go to the hospital?

[00:06:16 - 00:06:17] You can answer that question yourself.

[00:06:18 - 00:06:20] Why did you go to the hospital?

[00:06:20 - 00:06:21] I heard you went to the hospital.

[00:06:22 - 00:06:23] Because of stress?

[00:06:23 - 00:06:24] You can answer those questions.

[00:06:24 - 00:06:25] I'm not going to tell you anything, Tom.

[00:06:26 - 00:06:27] You're not going to tell me anything.

[00:06:30 - 00:06:30] I'm not going to tell you anything.

[00:06:30 - 00:06:31] Because of all the stress?

[00:06:33 - 00:06:35] So I'm not going to tell you anything.

[00:06:35 - 00:06:36] Why not?

[00:06:37 - 00:06:40] But eventually you'll be experiencing a lot of stress yourself.

[00:06:40 - 00:06:40] Why?

[00:06:41 - 00:06:42] So you might as well enjoy yourself.

[00:06:43 - 00:06:44] Calm down.

[00:06:45 - 00:06:45] Huh?

[00:06:46 - 00:06:47] Keep doing what you're supposed to be doing.

[00:06:48 - 00:06:49] What am I supposed to be doing then?

[00:06:49 - 00:06:51] Fleeing from the cops?

[00:06:51 - 00:06:51] From the FBI?

[00:06:52 - 00:06:52] From Interpol?

[00:06:54 - 00:06:55] Is that it, Chris?

[00:06:56 - 00:06:57] Interpol going to get me?

[00:06:58 - 00:06:58] Listen.

[00:07:00 - 00:07:01] [Uncertain recognition] oh

[00:07:01 - 00:07:04] exactly

[00:07:04 - 00:07:16] brainstorm moment

[00:07:16 - 00:07:18] go ahead

[00:07:18 - 00:07:20] no no

[00:07:20 - 00:07:21] I'm going to answer all your questions

[00:07:21 - 00:07:24] ask me anything I'm going to answer your questions

[00:07:24 - 00:07:26] alright what are you going to do in Florida

[00:07:26 - 00:07:27] live

[00:07:30 - 00:07:37] what kind of business are you starting a real one what kind of anyway in what

[00:07:37 - 00:07:45] field is the business it won't be in a field it'll be in a city touche touche

[00:07:45 - 00:07:56] so you're gonna do it the same as you did over here I've never been over there

[00:08:00 - 00:08:01] getting to me.

[00:08:06 - 00:08:06] So,

[00:08:07 - 00:08:09] you got my address as well?

[00:08:11 - 00:08:11] Yes, I do.

[00:08:12 - 00:08:12] Alright.

[00:08:13 - 00:08:15] So, you got my full name as well?

[00:08:18 - 00:08:19] [Uncertain recognition] Yes, I do.

[00:08:19 - 00:08:22] So, the authorities have my full name

[00:08:22 - 00:08:23] and my address as well?

[00:08:24 - 00:08:25] Over here. Not over there yet.

[00:08:26 - 00:08:27] What are they...

[00:08:27 - 00:08:28] How are they going to do that?

[00:08:30 - 00:08:35] going to call up i don't know why don't you call up the fbi and ask him i'm just might do that

[00:08:35 - 00:08:40] so it's at the fbi you actually made a federal thing off of this

[00:08:40 - 00:08:47] no you guys at the prank call community made a federal thing off of this now we're getting

[00:08:47 - 00:08:51] calls from the middle east and you know something when you start getting calls when

[00:08:51 - 00:08:58] you start getting calls from the middle east hello 9-11 guess what now who are these people

[00:09:00 - 00:09:04] Are there Muslims making calls from other countries?

[00:09:05 - 00:09:07] Sure, there are.

[00:09:08 - 00:09:11] Are they associated with anybody else in those countries?

[00:09:13 - 00:09:14] They very well could be.

[00:09:15 - 00:09:16] See, these are the questions that pop up.

[00:09:18 - 00:09:18] All right.

[00:09:18 - 00:09:19] Are they all Muslims?

[00:09:19 - 00:09:20] Maybe not.

[00:09:20 - 00:09:21] Maybe it's a conspiracy.

[00:09:22 - 00:09:23] Maybe.

[00:09:24 - 00:09:25] Maybe, Chris.

[00:09:30 - 00:09:31] Conspiracy theories?

[00:09:32 - 00:09:37] Oh, did you know that when there's any shred of evidence, it's no longer a theory?

[00:09:40 - 00:09:47] So, like, we're some kind of Freemason organization, so we're just, like...

[00:09:47 - 00:09:50] Dude, I would love you to become a Freemason.

[00:09:51 - 00:09:54] I would love for you and Kuhn to become Freemasons.

[00:09:55 - 00:09:57] All right, so how long are you going to keep your shop open?

[00:09:58 - 00:09:59] When are you going to become a Freemason?

[00:10:00 - 00:10:06] first off you gotta be 18 you're not so you can't be a freemason

[00:10:06 - 00:10:15] i have to be sorry i wasn't listening what'd you say what were you saying about

[00:10:15 - 00:10:17] not being able to be a freemason i have to be a what

[00:10:17 - 00:10:27] you have to be 18 to be a freemason yeah no and i'm like 12 or something haha pretty funny joke

[00:10:30 - 00:10:33] mentally you gotta be 18

[00:10:33 - 00:10:36] I see what you did there

[00:10:36 - 00:10:38] I see what you did there

[00:10:38 - 00:10:40] I call your joke

[00:10:40 - 00:10:41] and I'll raise your joke

[00:10:41 - 00:10:44] with your 52 and you're chasing

[00:10:44 - 00:10:45] after 16 year old people

[00:10:45 - 00:10:48] first off

[00:10:48 - 00:10:50] see what you consider jokes

[00:10:50 - 00:10:51] aren't jokes

[00:10:51 - 00:10:53] they're not funny

[00:10:53 - 00:10:56] only in your warped mind

[00:10:56 - 00:10:58] and I don't know how your mind

[00:10:58 - 00:10:58] got warped

[00:11:00 - 00:11:06] as it is very well could have been your upbringing because there's bad upbringings all over the

[00:11:06 - 00:11:14] world i have a loving family actually excuse me i have a loving family actually really yeah

[00:11:14 - 00:11:23] well they didn't love you enough to keep you in line and train you oh i have a decent personal

[00:11:30 - 00:11:37] pretty good so so so so this is your dark side i don't really see this as a dark side i mean you

[00:11:37 - 00:11:45] just make it a dark people sick people listen people kill people steal and people think oh

[00:11:45 - 00:11:52] hey you know something people loved hitler what does that have to do with anything

[00:11:52 - 00:11:58] people love hitler you don't see yourself as having a dark side well guess what neither did

[00:12:00 - 00:12:05] didn't have a dark side you're mentally fucked up chris seriously no you're not listening listen

[00:12:05 - 00:12:11] you ought to listen you ought to keep your young mouth shut listen you said you you didn't see it

[00:12:11 - 00:12:18] as a dark side and i brought up the fact that people loved hitler hitler didn't think he had

[00:12:18 - 00:12:27] a dark side nor did the people that loved him so you're saying do you see the correlation i've

[00:12:30 - 00:12:37] good manners yeah i don't see this as a dark side you know this is the same what they do

[00:12:37 - 00:12:46] you know chris chris did you see one flew over the cuckoo's nest where you just you know why

[00:12:46 - 00:12:51] why you keep on talking all the time i want to say something sure every time like in a

[00:12:51 - 00:12:57] psychiatric institution people say like get me out of here there's nothing wrong with me

[00:13:00 - 00:13:00] You're denying it.

[00:13:01 - 00:13:02] So it's a vicious circle.

[00:13:02 - 00:13:05] I can never be correct here.

[00:13:06 - 00:13:08] Everything I say is always wrong.

[00:13:08 - 00:13:13] I can either say, like, oh, no, my life is fucked.

[00:13:13 - 00:13:17] And if I deny my life being fucked, then I'm, oh, no, then I'm wrong.

[00:13:17 - 00:13:17] I'm in denial.

[00:13:18 - 00:13:19] No, sorry, dude.

[00:13:20 - 00:13:20] Sorry, dude.

[00:13:20 - 00:13:29] You don't see calling up and tormenting people, causing people pain, emotional pain and suffering as anything wrong.

[00:13:30 - 00:13:32] That's where you're wrong.

[00:13:33 - 00:13:37] I don't care what one flew over the cuckoo's nest.

[00:13:37 - 00:13:40] By the way, dude, that was not real.

[00:13:40 - 00:13:41] That was a movie.

[00:13:42 - 00:13:43] Okay?

[00:13:43 - 00:13:48] That was written by somebody who had no connection with the psychiatric world.

[00:13:48 - 00:13:55] I knew somebody that was in there, and she told me about how it all went down there.

[00:13:56 - 00:13:58] Oh, she's an authority.

[00:13:58 - 00:13:59] She was a doctor, I'm assuming.

[00:14:00 - 00:14:03] It was somebody that actually experienced it firsthand.

[00:14:04 - 00:14:04] Oh.

[00:14:05 - 00:14:07] Oh, I'm sorry to hear that.

[00:14:09 - 00:14:10] Well, anyway, listen.

[00:14:11 - 00:14:13] This isn't getting us anywhere.

[00:14:13 - 00:14:14] Yeah, no, I'm sorry.

[00:14:14 - 00:14:15] I'm glad you're doing better.

[00:14:15 - 00:14:17] I hope you continue to do better.

[00:14:17 - 00:14:19] But what are you going to do in Florida?

[00:14:19 - 00:14:20] Seriously.

[00:14:21 - 00:14:22] I'm going to live.

[00:14:24 - 00:14:24] All right.

[00:14:25 - 00:14:27] So what happened to all our long talks?

[00:14:27 - 00:14:29] Was that just to get inside our heads?

[00:14:30 - 00:14:36] yeah psychoanalysis yeah all right so what did you get out of it by the way

[00:14:36 - 00:14:41] you said you have my address I got a lot what's my I got a lot I got a lot

[00:14:41 - 00:14:49] what's my address you don't need to know I know that you already said you don't

[00:14:49 - 00:14:54] need to hear that come from me why not you want to hear it come from I know I

[00:03:43 - 00:03:54] do you know how many guys in the prank call community are in fact fags a lot

[00:04:03 - 00:04:04] Oh, because they're a ginger.

[00:04:06 - 00:04:09] Obviously, it's carried over.

[00:04:10 - 00:04:11] So they're...

[00:04:11 - 00:04:20] If a high percentage of the males are gingers and they're prank calling, what does that say?

[00:04:21 - 00:04:23] Psychological problem.

[00:04:24 - 00:04:27] So, let me get this straight.

[00:04:31 - 00:04:32] No, I didn't say that.

[00:04:32 - 00:04:34] See, you do have a hearing problem.

[00:04:35 - 00:04:43] That's why I said stick one finger in the other ear so the sound doesn't travel through the empty skull of yours.

[00:04:44 - 00:04:47] I thought it circulated there, but never mind.

[00:04:47 - 00:04:49] So what were you saying then?

[00:04:50 - 00:04:52] Geez, I don't know.

[00:04:53 - 00:04:53] Recycle it.

[00:04:55 - 00:04:56] Good one, Chris.

[00:04:56 - 00:04:57] Good one.

[00:05:00 - 00:05:01] He is a ginger.

[00:05:02 - 00:05:03] Didn't you ever see his picture?

[00:05:06 - 00:05:07] Yeah.

[00:05:09 - 00:05:10] Oh, yeah.

[00:05:10 - 00:05:11] Where did you see that?

[00:05:14 - 00:05:15] At his website.

[00:05:16 - 00:05:17] He's bald.

[00:05:18 - 00:05:19] He's bald.

[00:05:22 - 00:05:23] He was bald.

[00:05:23 - 00:05:25] He was bald and a ginger.

[00:05:30 - 00:05:38] anyway. I tracked him down. I got in touch with him through his website at one point.

[00:05:39 - 00:05:49] He didn't tell you about that? No, he didn't. Wow, I guess you guys are really close. We

[00:05:49 - 00:05:55] don't really talk about that much. Oh, wait, you were the one sending that email? Your son

[00:06:00 - 00:06:00] What email?

[00:06:00 - 00:06:01] Yeah, I sent an email.

[00:06:02 - 00:06:02] What email?

[00:06:04 - 00:06:06] Oh, no, you want me to explain the email.

[00:06:06 - 00:06:07] No, never mind.

[00:06:07 - 00:06:08] You didn't hear anything.

[00:06:08 - 00:06:09] So that was a long time ago.

[00:06:10 - 00:06:11] So I don't remember.

[00:06:11 - 00:06:12] No, no, no.

[00:06:12 - 00:06:14] Oh, no, it was a little while.

[00:06:14 - 00:06:14] Shut up.

[00:06:14 - 00:06:15] I sent him an email.

[00:06:15 - 00:06:17] Yeah, I sent him an email.

[00:06:18 - 00:06:18] All right.

[00:06:18 - 00:06:19] And guess what?

[00:06:19 - 00:06:20] He sent me one back.

[00:06:20 - 00:06:24] See, the problem here is you guys love your names.

[00:06:30 - 00:06:31] What does that have to do with anything?

[00:06:32 - 00:06:33] Exactly.

[00:06:36 - 00:06:37] What?

[00:06:39 - 00:06:39] Exactly.

[00:06:40 - 00:06:40] What?

[00:06:40 - 00:06:41] That's what I said.

[00:06:42 - 00:06:42] What?

[00:06:42 - 00:06:43] What in the butt?

[00:06:48 - 00:06:51] How do you say hi in Dutch?

[00:06:55 - 00:06:55] Huh.

[00:07:00 - 00:07:07] How do you say what's happening in Dutch?

[00:07:07 - 00:07:11] Je bent een Mogol.

[00:07:11 - 00:07:17] Slowly now so I can repeat it back to you.

[00:07:17 - 00:07:21] Ik ben een nege.

[00:07:21 - 00:07:26] Ik ben een nege.

[00:07:30 - 00:07:39] Is that Ben? Is that DEN?

[00:07:39 - 00:07:41] Ben. It's like B-E-N.

[00:07:41 - 00:07:41] DEN.

[00:07:42 - 00:07:42] DEN.

[00:07:43 - 00:07:43] Ik DEN.

[00:07:44 - 00:07:45] Een.

[00:07:46 - 00:07:46] Een.

[00:07:46 - 00:07:47] Negen.

[00:07:48 - 00:07:49] Negen.

[00:07:50 - 00:07:50] Yeah.

[00:07:51 - 00:07:52] So, like, repeat it.

[00:07:52 - 00:07:52] Ik DEN.

[00:07:52 - 00:07:54] Loud and proud.

[00:07:55 - 00:07:56] Ik DEN.

[00:07:56 - 00:07:56] Een.

[00:07:57 - 00:07:57] Negen.

[00:07:59 - 00:07:59] Ik.

[00:08:00 - 00:08:30] *[Unreliable audio transcription: Repetitive decoder output; speech could not be reliably recognized.]*

[00:08:30 - 00:09:00] *[Unreliable audio transcription: Repetitive decoder output; speech could not be reliably recognized.]*

[00:09:00 - 00:09:05] [Uncertain recognition] All right, let me teach you some more.

[00:09:05 - 00:09:06] [Uncertain recognition] Come on.

[00:09:07 - 00:09:07] [Uncertain recognition] Yep.

[00:09:09 - 00:09:10] [Uncertain recognition] Ask something.

[00:09:15 - 00:09:20] [Uncertain recognition] How about, um, she looks nice.

[00:09:21 - 00:09:21] [Uncertain recognition] Yeah.

[00:09:21 - 00:09:23] [Uncertain recognition] I have a small bimel.

[00:09:26 - 00:09:26] [Uncertain recognition] Slowly?

[00:09:27 - 00:09:27] [Uncertain recognition] I?

[00:09:29 - 00:09:29] [Uncertain recognition] I?

[00:09:30 - 00:10:00] *[Unreliable audio transcription: Repetitive decoder output; speech could not be reliably recognized.]*

[00:10:00 - 00:10:01] Then what?

[00:10:01 - 00:10:03] Ik heb een kleine piemel.

[00:10:05 - 00:10:08] Ik ben een kleine piemel.

[00:10:08 - 00:10:09] Yeah.

[00:10:10 - 00:10:10] No.

[00:10:11 - 00:10:14] Ik ben een kleine negen.

[00:10:16 - 00:10:19] I ain't repeating anything.

[00:10:19 - 00:10:23] I know that the first one, you probably told me it was the truth.

[00:10:23 - 00:10:27] But now you're going to be saying, I'm a maggot and I love it.

[00:10:28 - 00:10:29] No, not really.

[00:10:30 - 00:10:30] Okay.

[00:10:33 - 00:10:35] I have a little pillow.

[00:10:38 - 00:10:45] Listen, this is how you say, wow, wow, she looks nice, yeah, over there.

[00:10:46 - 00:10:49] Yo, baby, what's happening?

[00:10:51 - 00:10:51] In the hood?

[00:10:51 - 00:10:53] You look good.

[00:10:54 - 00:10:56] All the chicks speak English over there.

[00:10:58 - 00:10:58] All right.

[00:11:00 - 00:11:10] so i'm coming over there and i'm gonna marry me a hot swedish babe you know who i really love

[00:11:10 - 00:11:17] who's the hottest saxophonist that ever lived

[00:11:30 - 00:11:34] [Uncertain recognition] Candy D-U-L-F-E-R

[00:11:34 - 00:11:36] You know where she's from?

[00:11:36 - 00:11:38] Your neck of the woods

[00:11:38 - 00:11:39] She's from where?

[00:11:41 - 00:11:43] Your neck of the woods

[00:11:43 - 00:11:45] Kuhn's mom plays saxophone

[00:11:45 - 00:11:48] She does not

[00:11:48 - 00:11:50] Yes, she does

[00:11:50 - 00:11:56] Any audio tapes of her?

[00:11:56 - 00:11:58] Any MP3s I can download?

[00:12:00 - 00:12:04] Maybe. No, not really. No, I don't think so.

[00:12:05 - 00:12:07] Oh, is she on the line with you?

[00:12:08 - 00:12:13] No, but I don't think so. Like, I've never heard about that before, so I don't think so.

[00:12:13 - 00:12:18] What? You want to get fancy? You fancy her mom? His mom?

[00:12:18 - 00:12:23] Is she famous? Has she made money doing it?

[00:12:24 - 00:12:27] Yeah, she's in a band. She's pretty known here.

[00:12:30 - 00:12:32] She actually is in a band.

[00:12:32 - 00:12:33] She gigs?

[00:12:33 - 00:12:34] Yeah?

[00:12:34 - 00:12:37] Now I understand the mentality of Kuhn.

[00:12:38 - 00:12:39] Yeah, a lot of drugs.

[00:12:40 - 00:12:41] She actually gigs?

[00:12:41 - 00:12:42] Yeah, no doubt.

[00:12:43 - 00:12:46] That's why he turned ginger when he had birth.

[00:12:49 - 00:12:52] Well, I can't believe his mom's in a band and he's a ginger

[00:12:52 - 00:12:55] because he'd be having chicks all over him.

[00:12:55 - 00:12:58] But you looked up Candy Dolfer online.

[00:13:00 - 00:13:02] And she's got to be in her...

[00:13:02 - 00:13:04] She's late 40s.

[00:13:06 - 00:13:11] But seriously, though, I asked a question before you hung up the other time.

[00:13:11 - 00:13:15] You once talked about when you were a cab driver.

[00:13:16 - 00:13:19] And then you were in the car with a professor or something.

[00:00:17 - 00:00:18] They hung up.

[00:00:18 - 00:00:20] Wait for it.

[00:00:20 - 00:00:23] Just go to calls.

[00:00:23 - 00:00:24] Wait.

[00:00:24 - 00:00:26] Yeah, they're on.

[00:00:30 - 00:00:32] Chris.

[00:00:33 - 00:00:33] Yeah.

[00:00:34 - 00:00:36] You're supposed to say something to them.

[00:00:37 - 00:00:39] We're trying to get you help, man.

[00:00:44 - 00:00:45] Chris?

[00:00:46 - 00:00:47] [Uncertain recognition] Oh, I got an incoming.

[00:00:47 - 00:00:48] [Uncertain recognition] That might be you.

[00:00:48 - 00:00:49] [Uncertain recognition] Hold on for a second.

[00:00:55 - 00:00:57] Yeah, Monster 1200.

[00:01:00 - 00:01:07] get some monster 1200s

[00:01:22 - 00:01:27] you want some monster 1200s

[00:01:30 - 00:01:36] Are you into stolen credit cards, too, there, Tommy Boy?

[00:01:37 - 00:01:39] Oh, into stolen credit cards.

[00:01:39 - 00:01:40] What figures?

[00:01:45 - 00:01:46] Say that again?

[00:01:47 - 00:01:48] What figures?

[00:01:51 - 00:01:52] [Uncertain recognition] What do you mean?

[00:01:53 - 00:01:56] Well, why are you figuring about...

[00:01:56 - 00:01:56] What?

[00:01:58 - 00:01:59] You're not figuring anything.

[00:02:00 - 00:02:09] So, I said, the Monster 1200s that Kuhn ordered for me, he ran through about eight credit cards before one took.

[00:02:09 - 00:02:12] So, it kind of tells me he had access to stolen credit cards.

[00:02:13 - 00:02:16] So, do you have access to stolen credit cards, too?

[00:02:18 - 00:02:18] Yeah.

[00:02:21 - 00:02:22] Oh, you do?

[00:02:22 - 00:02:27] So, you're going to put in an order for Monster 1200s for me as well, or is that just a gig?

[00:02:30 - 00:02:38] Oh, so in other words, you look up stolen credit cards in Google?

[00:02:46 - 00:02:46] [Uncertain recognition] Oh.

[00:02:50 - 00:02:54] So test numbers from Google, how does that work?

[00:02:56 - 00:02:57] One of them took time.

[00:02:58 - 00:02:59] They couldn't have been test numbers.

[00:03:00 - 00:03:01] How the hell are you going to get test numbers from Google?

[00:03:04 - 00:03:05] You just search for them.

[00:03:06 - 00:03:08] Oh, you search for them.

[00:03:08 - 00:03:08] I get it.

[00:03:09 - 00:03:10] Mm-hmm.

[00:03:11 - 00:03:12] Well, it makes sense.

[00:03:12 - 00:03:14] So you got some Monster 1200s delivered.

[00:03:15 - 00:03:16] Oh, no.

[00:03:17 - 00:03:23] So did you get a call like 20 minutes ago from the wedding planner?

[00:03:24 - 00:03:24] No.

[00:03:25 - 00:03:27] No wedding planner here.

[00:03:27 - 00:03:28] Damn it.

[00:04:09 - 00:04:15] Oh, yes, I did. So, listen, so, uh, I had been drinking tonight?

[00:04:16 - 00:04:17] No, not really. Why?

[00:04:18 - 00:04:21] So, you're just making the prank calls for the hell of it?

[00:04:22 - 00:04:26] Of course, like I've always been. It's not really a prank call, I'm just bored.

[00:04:30 - 00:04:32] I'm tormenting people when you're bored.

[00:04:33 - 00:04:34] It's not really tormenting.

[00:04:34 - 00:04:35] You're talking to me.

[00:04:36 - 00:04:38] Well, no, no, no, of course, but I know who you are.

[00:04:38 - 00:04:40] I'm talking about other people.

[00:04:42 - 00:04:42] [Uncertain recognition] Hmm?

[00:04:42 - 00:04:44] Oh, yeah, kind of.

[00:04:45 - 00:04:46] Yeah, yeah, kind of.

[00:04:46 - 00:04:51] So I know you're recording this, so it doesn't really matter, Chris.

[00:04:51 - 00:04:53] How do you know I'm recording this?

[00:04:53 - 00:04:57] Because you're asking me clearly for answers to confess my crimes.

[00:05:00 - 00:05:07] i can say anything i want now like oh i'm i'm the leader of a criminal conspiracy against you chris

[00:07:14 - 00:07:15] Oh, that's true.

[00:07:15 - 00:07:16] You ripped it off.

[00:07:16 - 00:07:18] I forgot about that.

[00:07:21 - 00:07:23] So, anyway.

[00:07:27 - 00:07:29] You're looking for a partner.

[00:02:16 - 00:02:17] 666J1 found it.

[00:02:17 - 00:02:19] No, but pretty cool, though.

[00:02:20 - 00:02:21] Pretty big company.

[00:02:21 - 00:02:22] No, it's password protected.

[00:02:22 - 00:02:26] You can't get into the directory, so he had it hacked into the directory.

[00:02:27 - 00:02:29] Anyway, pretty cool pictures and shit.

[00:02:31 - 00:02:32] Well, that is cool.

[00:02:32 - 00:02:34] Who are those people that you're going to work with?

[00:02:35 - 00:02:38] Because, uh...

[00:02:38 - 00:02:39] Well, it's none of your fucking business.

[00:02:39 - 00:02:41] And that's against the law, what he did.

[00:02:42 - 00:02:42] Oh, yeah?

[00:02:45 - 00:02:46] It's pretty awesome, though.

[00:02:47 - 00:02:48] Pretty high revenues.

[00:02:50 - 00:02:50] [Uncertain recognition] Yeah.

[00:02:51 - 00:02:52] And, uh...

[00:02:53 - 00:02:55] Well, that's in the toilet.

[00:02:55 - 00:02:56] Because I'm closing the shop.

[00:02:57 - 00:02:59] Why is this in the toilet?

[00:03:00 - 00:03:00] It's not in the toilet.

[00:03:01 - 00:03:02] This one's...

[00:03:02 - 00:03:02] No, see, that's projected.

[00:03:03 - 00:03:03] That's projected.

[00:03:04 - 00:03:08] Those are projected incomes based on revenue that I've lost.

[00:03:09 - 00:03:09] Mm-hmm.

[00:03:11 - 00:03:12] All right.

[00:03:12 - 00:03:19] Long story short, long story short is obviously it's logged.

[00:03:21 - 00:03:21] So...

[00:03:21 - 00:03:22] What is logged?

[00:03:23 - 00:03:23] Oh, yeah.

[00:03:23 - 00:03:24] What is logged?

[00:03:24 - 00:03:26] Oh, yeah, of course, but that doesn't matter.

[00:03:27 - 00:03:28] Yeah, it does.

[00:03:28 - 00:03:29] [Uncertain recognition] Uh-huh.

[00:03:30 - 00:03:32] We'll be fine.

[00:03:34 - 00:03:36] No, you won't be fine.

[00:03:36 - 00:03:37] Yes, it will.

[00:03:40 - 00:03:42] That was a pretty cool picture of you in a lap suit.

[00:03:44 - 00:03:45] When did you get that?

[00:03:47 - 00:03:49] Listen, why do you care?

[00:03:50 - 00:03:52] I'm not doing anything with it.

[00:03:53 - 00:03:55] I'm just interested in it.

[00:03:55 - 00:03:57] Dude, I'm not doing this to harass you or anything.

[00:04:00 - 00:04:02] You didn't want to tell me what your business was about, though.

[00:04:03 - 00:04:04] It's pretty awesome.

[00:04:08 - 00:04:09] 666J1 is listening, by the way.

[00:04:09 - 00:04:11] He has no mic anymore.

[00:04:14 - 00:04:15] Coon's here.

[00:04:20 - 00:04:20] Oh, yeah.

[00:04:20 - 00:04:27] He wants you to stop talking about him and saying he's going to send cops over.

[00:04:30 - 00:04:31] He's going to hack some more, he says.

[00:04:34 - 00:04:35] [Uncertain recognition] Oh, okay.

[00:04:35 - 00:04:36] Well, that's a threat.

[00:04:39 - 00:04:41] Yeah, well, pretty much you threatened him.

[00:04:41 - 00:04:44] You started with it first.

[00:04:44 - 00:04:46] Oh, nice echo, by the way, you're recording.

[00:04:51 - 00:04:53] Yeah, you started the threats, man.

[00:04:53 - 00:04:57] We got countless of interviews you've had with other people

[00:05:00 - 00:05:01] You were going to send the cops over.

[00:05:06 - 00:05:06] What's the matter?

[00:05:07 - 00:05:07] Cat got your tongue.

[00:05:08 - 00:05:09] [Uncertain recognition] I know who you're talking to.

[00:05:11 - 00:05:11] What?

[00:05:12 - 00:05:13] [Uncertain recognition] At least I know who you're talking to.

[00:05:15 - 00:05:15] Who?

[00:05:16 - 00:05:16] What?

[00:05:16 - 00:05:16] [Uncertain recognition] Where?

[00:05:17 - 00:05:17] Explain.

[00:05:18 - 00:05:21] I think this information just dropped out of the sky.

[00:05:22 - 00:05:22] Yeah.

[00:05:27 - 00:05:29] Who do you think we're talking to then?

[00:05:30 - 00:05:34] [Uncertain recognition] Well, I'll let certain people

[00:05:34 - 00:05:35] have that information

[00:05:35 - 00:05:38] Alright, and who are the certain

[00:05:38 - 00:05:40] people that you think I

[00:05:40 - 00:05:41] that we've had

[00:05:41 - 00:05:42] that you think we were

[00:05:42 - 00:05:45] talking to

[00:05:45 - 00:05:48] Well, it doesn't matter

[00:05:48 - 00:05:49] [Uncertain recognition] I know who you were talking to

[00:05:49 - 00:05:51] Alright, awesome

[00:05:51 - 00:05:53] No, but 66J1 did it

[00:05:53 - 00:05:58] He did it as a warning

[00:06:00 - 00:06:01] As a warning? No warning.

[00:06:02 - 00:06:03] Yeah, a warning.

[00:06:03 - 00:06:09] A warning, because you keep on fucking telling everybody that you're going to send the cops over to us,

[00:06:09 - 00:06:13] and that you are going to backtrace us and put us behind bars and shit.

[00:06:15 - 00:06:18] And we're pretty done with that, so he kind of acts it.

[00:06:18 - 00:06:20] No, no, no, no. Why doesn't he go destroy?

[00:06:20 - 00:06:22] Hey, come on. Why don't you go destroy the site?

[00:06:24 - 00:06:24] Why?

[00:06:26 - 00:06:29] He will, he says, if you keep it up.

[00:06:29 - 00:06:29] Oh, good.

[00:06:30 - 00:06:30] Do it.

[00:06:31 - 00:06:32] If you can't get up.

[00:06:34 - 00:06:35] No, we're not that dumb.

[00:06:41 - 00:06:44] All of a sudden, you're not talking that much anymore.

[00:06:50 - 00:06:55] And nice work what you did on the car, on the van in front of the facility.

[00:06:58 - 00:06:59] That boy stayed in recovery.

[00:07:00 - 00:07:02] Epic paint job, man.

[00:07:05 - 00:07:08] So, the certificates look kind of fake.

[00:07:16 - 00:07:19] That one location is a bit expensive, though, to lap.

[00:07:24 - 00:07:27] And you could have done a better job on the PowerPoint presentation.

[00:07:30 - 00:07:37] you kind of like

[00:07:37 - 00:07:40] didn't put enough effort in it

[00:07:40 - 00:07:44] oh you're so quiet right now

[00:07:44 - 00:07:46] have you done one before

[00:07:46 - 00:07:48] yeah I've done

[00:07:48 - 00:07:49] countless

[00:07:49 - 00:07:50] oh really

[00:07:50 - 00:07:54] you got any examples of your powerpoint

[00:07:54 - 00:07:57] presentations maybe you could redo it

[00:07:57 - 00:07:58] yeah

[00:08:00 - 00:08:01] my, I'll post my shit.

[00:08:07 - 00:08:08] Hmm.

[00:08:09 - 00:08:10] You're a bit mad.

[00:08:12 - 00:08:14] I think you don't really like this.

[00:08:17 - 00:08:18] So who's Nicholas

[00:08:18 - 00:08:20] Glaniardis

[00:08:20 - 00:08:22] and Joseph Ward

[00:08:22 - 00:08:24] and

[00:08:24 - 00:08:24] Izzy

[00:08:24 - 00:08:25] Popadopoulos

[00:08:30 - 00:08:32] Who are those people, man?

[00:08:38 - 00:08:41] Ah, you're just letting me ramble on so you can record more.

[00:08:47 - 00:08:49] The key to the puzzle.

[00:08:50 - 00:08:51] So let me ask you this.

[00:08:51 - 00:08:52] Yeah, man.

[00:08:54 - 00:08:56] I knew I should have used a better password.

[00:09:00 - 00:09:04] Passwords, the username and the password, weren't very secure.

[00:09:10 - 00:09:12] So, what else do you want to know?

[00:09:12 - 00:09:15] Because we pretty much know everything now about your stuff.

[00:09:19 - 00:09:22] Well, I know everything about Coon's stuff anyway, so...

[00:09:22 - 00:09:23] The password was visiting.

[00:09:30 - 00:09:33] was very brute forcible.

[00:09:33 - 00:09:35] What about Kuhn stuff?

[00:09:36 - 00:09:36] [Uncertain recognition] What?

[00:09:38 - 00:09:39] You were saying?

[00:09:41 - 00:09:46] Well, I was saying I know all about Kuhn, you know, Kuhn stuff.

[00:09:47 - 00:09:48] Oh, yeah?

[00:09:48 - 00:09:51] He knows I found his websites a long time ago.

[00:09:53 - 00:09:53] Huh.

[00:09:54 - 00:09:55] Elaborate.

[00:10:00 - 00:10:07] By the way, if you believe what any of these guys say...

[00:10:07 - 00:10:08] What? About what?

[00:10:09 - 00:10:13] Oh, listen, you ought to go listen to some of my soundboards.

[00:10:14 - 00:10:16] They've manipulated audio.

[00:10:18 - 00:10:20] What is that supposed to mean?

[00:10:21 - 00:10:23] So you believe...

[00:10:26 - 00:10:28] What?

[00:10:28 - 00:10:29] Anything that these guys say.

[00:10:30 - 00:10:31] you're crazy

[00:10:31 - 00:10:34] oh they're whole conversations

[00:10:34 - 00:10:35] they cannot be soundboarded

[00:10:35 - 00:10:38] [Uncertain recognition] oh yeah they are

[00:10:38 - 00:10:39] no

[00:10:39 - 00:10:40] not really Chris

[00:10:40 - 00:10:41] they're too much of those

[00:10:41 - 00:10:45] it's pretty impossible

[00:10:45 - 00:10:47] but yeah man

[00:10:47 - 00:10:49] nothing impossible

[00:10:49 - 00:10:51] we're not actually out here

[00:10:51 - 00:10:52] to actually

[00:10:52 - 00:10:54] fuck you up or anything

[00:10:54 - 00:10:55] we're not

[00:10:55 - 00:10:59] we're not really in this to

[00:11:00 - 00:11:05] destroy anything for you or cause you any harm actually just need to stop that

[00:11:05 - 00:11:12] shit with telling a lot of people that yeah that you want to get us that you

[00:11:12 - 00:11:17] want to put us behind bars that you're going to send the cops on us because we

[00:11:17 - 00:11:21] just don't like that we were not fucking with you anymore we stopped with that a

[00:11:21 - 00:11:27] couple of months ago even Jesus did okay that that's that's fine you you don't

[00:11:30 - 00:11:33] You don't know the mindset I was using on those guys.

[00:11:34 - 00:11:34] Okay?

[00:11:35 - 00:11:38] I hadn't heard from you guys in a long time, obviously.

[00:11:39 - 00:11:43] So I was playing with their minds, if you want to know the truth.

[00:11:43 - 00:11:45] But you can't go telling them that.

[00:11:46 - 00:11:47] [Uncertain recognition] All right.

[00:11:49 - 00:11:54] Yes, but because we stopped calling you, and we never really fucked you.

[00:11:54 - 00:11:56] Let me finish, will you?

[00:11:56 - 00:11:56] Yeah.

[00:12:00 - 00:12:13] at something great in the prank called community so obviously we're um that was the case

[00:12:13 - 00:12:20] that was a um a way to mess with their minds

[00:12:20 - 00:12:28] all right so what's up uh you're going through with this plan it sounds pretty

[00:12:30 - 00:12:32] I lost $33,000 last year.

[00:12:32 - 00:12:34] I've lost about the same this year.

[00:12:35 - 00:12:35] All right.

[00:12:35 - 00:12:37] I am out of business.

[00:12:39 - 00:12:45] I'm basically finishing up what I was doing, and then I've got to do something else.

[00:12:45 - 00:12:47] I haven't gotten funded.

[00:12:47 - 00:12:50] Those pages are now going on three years old.

[00:12:51 - 00:12:54] I haven't gotten funded because of this particular situation.

[00:13:00 - 00:13:01] on the net.

[00:13:04 - 00:13:06] [Uncertain recognition] That's why I'm suing YouTube.

[00:13:07 - 00:13:08] Suing YouTube.

[00:13:08 - 00:13:17] That's why I'm suing some of the individuals that I'm aware of that have got cash, their parents.

[00:13:18 - 00:13:19] All right.

[00:13:19 - 00:13:23] There's some young kids involved in this whose parents have got some cash.

[00:13:25 - 00:13:26] Sounds pretty solid.

[00:13:30 - 00:13:35] Actually, my first thought was that you were going to write a book about it.

[00:13:37 - 00:13:45] No, there was a guy named Waga'aka Chit or something like that that said he would want to write a book.

[00:13:46 - 00:13:47] That was last year.

[00:13:49 - 00:13:57] But our only thing is, will you leave us alone with trying to send the cops after us or something?

[00:13:57 - 00:13:59] Because we did, you know, real harm.

[00:14:00 - 00:14:04] We just had long discussions with you.

[00:14:05 - 00:14:06] Listen, Tom.

[00:14:07 - 00:14:07] Yeah?

[00:14:08 - 00:14:08] Everything's cool.

[00:14:09 - 00:14:09] I just told you.

[00:14:10 - 00:14:15] Yeah, right, but like you didn't, like when I called you up two days ago,

[00:14:16 - 00:14:17] this wasn't the way you were talking to me.

[00:14:17 - 00:14:18] You were acting like an asshole.

[00:14:19 - 00:14:21] Yeah, of course, but I always act like an asshole,

[00:14:21 - 00:14:23] but you never really cared about that.

[00:14:24 - 00:14:25] Well, you know something?

[00:14:30 - 00:14:35] asshole. Yeah, all right. And I didn't have Coon to talk to. You were just aggravating.

[00:14:36 - 00:14:42] That's true. That's true. My bad. So what are you going to do then after this, after

[00:14:42 - 00:14:48] you finish the business? Well, I'm going, I'm moving to Florida and I'm just going to start

[00:14:48 - 00:14:55] another gig, if you will. All right. I hope it's a toll free number. Oh, no, no, no. I'm

[00:14:55 - 00:14:59] going to be just basically working out of my home, doing stuff out of my home.

[00:00:00 - 00:00:02] Yeah, let me tell you one thing.

[00:00:02 - 00:00:07] If you lost $33,000 a year, I think you'd be a little pissed.

[00:00:07 - 00:00:09] I think you'd be a little discouraged.

[00:00:10 - 00:00:13] But can you blame everything on that, on the prank calling?

[00:00:14 - 00:00:16] Or was it just because the business wasn't running well?

[00:00:17 - 00:00:18] No.

[00:00:18 - 00:00:25] You can't get a bunch of phone calls every single day

[00:00:30 - 00:00:32] get pissed off because they can't get through,

[00:00:33 - 00:00:37] and not get the customers you normally would have.

[00:00:39 - 00:00:44] But it's, correct me if I'm wrong here,

[00:00:44 - 00:00:47] but you did talk to prank callers all the time

[00:00:47 - 00:00:49] and not just hang up and ignore them.

[00:00:50 - 00:00:51] No, sorry.

[00:00:52 - 00:00:54] You look at my long-distance phone bills,

[00:00:55 - 00:00:58] you'll see that very few were of any length.

[00:01:00 - 00:01:00] as you and Coon.

[00:01:01 - 00:01:01] Uh-huh.

[00:01:02 - 00:01:02] All right.

[00:01:03 - 00:01:05] Well, it's...

[00:01:05 - 00:01:06] Well, there's a lot of calls

[00:01:06 - 00:01:08] on you on YouTube.

[00:01:09 - 00:01:10] You might have noticed.

[00:01:11 - 00:01:13] And so it's pretty...

[00:01:13 - 00:01:15] Well, no, no, no.

[00:01:15 - 00:01:15] A lot.

[00:01:15 - 00:01:16] You say that...

[00:01:16 - 00:01:16] I mean, it's a lot.

[00:01:17 - 00:01:19] Well, like, a lot of people

[00:01:19 - 00:01:21] have shitloads of recordings on you.

[00:01:21 - 00:01:22] Well, me and Coon

[00:01:22 - 00:01:23] probably have the most.

[00:01:23 - 00:01:25] We have, like, several...

[00:01:25 - 00:01:26] Well, I, at least,

[00:01:26 - 00:01:28] I don't think Coon has it anymore,

[00:01:28 - 00:01:29] but I have, like,

[00:01:30 - 00:01:31] I don't know, 100 hours at least?

[00:01:34 - 00:01:35] Well, not 100 hours.

[00:01:35 - 00:01:36] That's a fucking...

[00:01:36 - 00:01:38] That's a lot, but...

[00:01:38 - 00:01:39] Yeah, that's a lot.

[00:01:39 - 00:01:40] Yeah, that's way too much.

[00:01:40 - 00:01:41] That over-exaggerated.

[00:01:44 - 00:01:45] But, yeah, no.

[00:01:47 - 00:01:49] Like, we have a lot of calls on you.

[00:01:50 - 00:01:51] So you spend a lot of time talking to us,

[00:01:52 - 00:01:53] even within business hours.

[00:01:54 - 00:01:57] And you were watching NASCAR during business hours.

[00:01:58 - 00:01:59] I can still remember that.

[00:02:00 - 00:02:04] oh no wait a minute wait a minute that was on the weekend nascar doesn't run on the weekday

[00:02:04 - 00:02:10] oh that was on sunday all right yeah all right no that kind of figures

[00:02:10 - 00:02:18] so how's life uh how's life besides uh the business what are you up to lately

[00:02:18 - 00:02:25] uh not much just uh doing what i'm supposed to be doing

[00:02:30 - 00:02:32] [Uncertain recognition] All right.

[00:02:33 - 00:02:35] Yeah, sorry, I'm also playing a game.

[00:02:35 - 00:02:36] You still play World of Warcraft, Chris?

[00:02:37 - 00:02:39] That's all you can do.

[00:02:43 - 00:02:43] [Uncertain recognition] You know?

[00:02:47 - 00:02:49] So Coon wants to say something.

[00:02:51 - 00:02:52] [Uncertain recognition] What happened to his mic?

[00:02:53 - 00:02:55] Yeah, I don't know what happened to his mic.

[00:03:00 - 00:03:04] or something

[00:03:04 - 00:03:06] he says

[00:03:06 - 00:03:12] weird

[00:03:12 - 00:03:21] and he says

[00:03:21 - 00:03:21] just

[00:03:21 - 00:03:26] well

[00:03:26 - 00:03:29] he tells me to wish you

[00:03:30 - 00:03:35] lucky in the future and if you don't want us to call anymore we'll stop after this call

[00:03:35 - 00:03:48] no i don't mind talking to you guys um and actually at some point uh if i can get if i can

[00:03:48 - 00:03:56] get any kind of investment capital um wait one moment i gotta open the door there's somebody

[00:04:00 - 00:04:29] i'm back chris yep so i got i got a friend over in switzerland

[00:04:30 - 00:04:32] told me that if I got the cash

[00:04:32 - 00:04:34] that he'd help me set up a shop over

[00:04:34 - 00:04:36] there. It'd be nice to

[00:04:36 - 00:04:38] have a shop in the Netherlands.

[00:04:40 - 00:04:40] Yeah, it's

[00:04:40 - 00:04:42] pretty nice, but I thought you were going to be done

[00:04:42 - 00:04:43] with business like that.

[00:04:44 - 00:04:46] You must have misunderstood

[00:04:46 - 00:04:48] what I said. I said, if I can find

[00:04:48 - 00:04:50] the investment capital

[00:04:50 - 00:04:51] even in the future.

[00:04:52 - 00:04:54] Mm-hmm. All right.

[00:04:54 - 00:04:55] Sounds good.

[00:05:00 - 00:05:04] You're not going to fuck us over, Chris, because that's the story of our life.

[00:05:06 - 00:05:12] We have to be careful with you, because you say you're going to go after all the prank callers.

[00:05:13 - 00:05:13] How's this?

[00:05:15 - 00:05:23] Assist me in getting five guys, because these are the only guys.

[00:05:23 - 00:05:24] I never wanted you guys.

[00:05:25 - 00:05:27] The only five guys I've ever wanted.

[00:05:30 - 00:05:33] and that'll show me your sincerity

[00:05:33 - 00:05:42] um no dice that's ratting and ratting is wrong so we can't really do that

[00:05:42 - 00:05:47] no no no when people are tormenting other people's lives

[00:05:47 - 00:05:51] now that's true it's true in a way but still that's ratting

[00:05:51 - 00:05:55] i mean that's that no no it's not ratting

[00:05:55 - 00:05:58] i don't even like that term ratting

[00:06:00 - 00:06:01] Ratting is...

[00:06:01 - 00:06:05] If these guys were your buddies...

[00:06:05 - 00:06:07] No, I don't really give a shit about those people.

[00:06:07 - 00:06:10] ...family members, or your family members,

[00:06:10 - 00:06:12] then that'd be ratting.

[00:06:14 - 00:06:15] That's true in a way.

[00:06:15 - 00:06:17] I don't give a fuck about those people.

[00:06:18 - 00:06:20] These guys, nothing...

[00:06:20 - 00:06:22] These guys, you're not in business with these guys.

[00:06:22 - 00:06:23] These guys have never...

[00:06:23 - 00:06:27] These guys have never sent you a birthday card.

[00:06:27 - 00:06:28] No.

[00:06:30 - 00:06:31] Different animal.

[00:06:31 - 00:06:40] By the way, before we discuss this any further, how can we contact you after Gook and you go away?

[00:06:40 - 00:06:43] Coom's got my email address.

[00:06:44 - 00:06:45] He's always had my email address.

[00:06:45 - 00:06:46] Yeah, I have it as well.

[00:06:47 - 00:06:49] c.pron at yahoo.com, right?

[00:06:50 - 00:06:51] Yeah, that's right.

[00:06:51 - 00:06:52] Yeah.

[00:06:53 - 00:06:58] But we haven't really been into the prank call community lately anymore.

[00:07:00 - 00:07:02] we could stage up something.

[00:07:02 - 00:07:04] You provide some false information

[00:07:04 - 00:07:05] and stage something.

[00:07:05 - 00:07:07] Personally, I would have

[00:07:07 - 00:07:10] a... I'd get the funding

[00:07:10 - 00:07:12] and that's kind of one reason

[00:07:12 - 00:07:14] why I'd be going to Florida

[00:07:14 - 00:07:16] is there's a lot more money down

[00:07:16 - 00:07:17] there than there is up here.

[00:07:18 - 00:07:18] [Uncertain recognition] Uh-huh.

[00:07:19 - 00:07:22] But it sounds like...

[00:07:22 - 00:07:25] It's a bigger state.

[00:07:26 - 00:07:27] People retire down there.

[00:07:30 - 00:07:41] all right so uh wait you were talking about why uh we get you five people and you get us one

[00:07:41 - 00:07:53] you know that would show your sincerity that yeah but we were i asked you like how can we trust you

[00:08:00 - 00:08:08] you guys until just recently if you'll notice so just recently I haven't

[00:08:08 - 00:08:11] heard from you guys in a long time you keep on bragging that you have our

[00:08:11 - 00:08:18] info and as you have our addresses that's the fuck with their heads mm-hmm

[00:08:18 - 00:08:27] yeah but also against us really well I know Coons addresses based on his

[00:08:30 - 00:08:31] like is

[00:08:31 - 00:08:34] real house registration?

[00:08:35 - 00:08:36] Yeah.

[00:08:37 - 00:08:38] So why can't you tell us?

[00:08:39 - 00:08:40] Wait, listen.

[00:08:40 - 00:08:41] I've never...

[00:08:41 - 00:08:43] Listen, if

[00:08:43 - 00:08:46] hypothetically speaking

[00:08:46 - 00:08:48] I were to have you guys arrested,

[00:08:48 - 00:08:49] I've had

[00:08:49 - 00:08:52] information since last year.

[00:08:53 - 00:08:55] [Uncertain recognition] It's never been an issue.

[00:08:56 - 00:08:58] Why didn't you ever just

[00:08:58 - 00:08:59] tell us?

[00:09:00 - 00:09:04] Because that's basically what kids do when they don't know something.

[00:09:05 - 00:09:06] No, no, no, no, no.

[00:09:06 - 00:09:06] Sorry about that.

[00:09:07 - 00:09:12] [Uncertain recognition] No, they're just, it's, that's not true.

[00:09:17 - 00:09:21] So, but either, either way, it doesn't matter.

[00:09:22 - 00:09:29] You guys have, you guys at one point were on the radar, but you're not.

[00:09:30 - 00:09:32] We had great conversations, didn't we?

[00:09:34 - 00:09:34] [Uncertain recognition] Sure.

[00:09:37 - 00:09:38] So?

[00:09:39 - 00:09:39] All right.

[00:09:40 - 00:09:42] So what can we get?

[00:09:42 - 00:09:46] You called up something completely, totally different than you used to.

[00:09:47 - 00:09:48] So I know you're not drinking.

[00:09:50 - 00:09:52] And that's great.

[00:09:53 - 00:09:55] I'm really happy about that.

[00:09:55 - 00:09:57] I don't drink during the week anymore.

[00:10:00 - 00:10:09] pretty much better and you sound a lot better too that's true so uh yeah how are we gonna do this

[00:10:09 - 00:10:15] now like well uh there's there's brandon perry that's prank master who i nicknamed master homo

[00:10:15 - 00:10:28] and it's stuck um so there's brandon perry there's um mr 88 mismo there's mr hat mr blonde he goes

[00:10:30 - 00:10:31] I got his IP.

[00:10:31 - 00:10:34] I got him generally located.

[00:10:36 - 00:10:38] [Uncertain recognition] There's Tapre Collar.

[00:10:38 - 00:10:39] That's Charlie.

[00:10:39 - 00:10:40] He's in Scranton, Pennsylvania.

[00:10:44 - 00:10:52] [Uncertain recognition] And there is Golden Stone and Brooklyn Nights.

[00:10:56 - 00:10:56] [Uncertain recognition] All right.

[00:11:00 - 00:11:02] going to do with that info? Are you going to track him down

[00:11:02 - 00:11:03] or talk to the police about it?

[00:11:05 - 00:11:07] Well, I've got total

[00:11:07 - 00:11:10] information. I know

[00:11:10 - 00:11:11] where Brandon Perry is.

[00:11:13 - 00:11:13] I just

[00:11:13 - 00:11:15] I know he's in West Sacramento.

[00:11:16 - 00:11:17] I just need

[00:11:17 - 00:11:19] an address.

[00:11:21 - 00:11:22] [Uncertain recognition] Let me see.

[00:11:23 - 00:11:24] [Uncertain recognition] I know

[00:11:24 - 00:11:26] [Uncertain recognition] Mr. Mismo,

[00:11:27 - 00:11:28] Mr. 88 Mismo.

[00:11:30 - 00:11:37] about him everything why don't you contact the police with the info then i need to know charlie's

[00:11:37 - 00:11:46] address he's in scrim pennsylvania that's t-e-h prank caller yeah um who else you got golden phone

[00:11:46 - 00:11:57] uh oh also firebird 85 it's a firebird 85 or 86 his address is important hold on for a second

[00:12:00 - 00:12:30] Yeah, so let me see, so yeah and Golden Phone and Golden Phone

[00:12:30 - 00:12:36] Firebird, 85, he's definitely on the radar.

[00:12:36 - 00:12:41] He's in April, Massachusetts, which is a hop, skip, and a jump from here.

[00:12:46 - 00:12:51] [Uncertain recognition] And let me see.

[00:12:51 - 00:12:54] Golden Phone, Brooklyn Knight, 86.

[00:12:55 - 00:12:58] Golden Phone, yeah.

[00:13:00 - 00:13:03] That's with two I's.

[00:13:03 - 00:13:05] [Uncertain recognition] Firebird is with two I's.

[00:13:07 - 00:13:10] Yeah, that list right there.

[00:13:11 - 00:13:12] [Uncertain recognition] All right.

[00:13:13 - 00:13:15] Well, you got that info.

[00:13:16 - 00:13:17] Why don't you go to the cops with that info?

[00:13:18 - 00:13:26] Listen, guys, the bottom line here is I would love to have a place in the Netherlands.

[00:13:26 - 00:13:28] I would love to absolutely love it.

[00:13:30 - 00:13:34] and I know two guys there that could probably run it.

[00:13:39 - 00:13:45] Yeah, but, yeah, well, sounds pretty good.

[00:13:45 - 00:13:52] You know how they caught the hacker that hacked Dune 3, the beta version?

[00:13:53 - 00:13:54] That hacked a what?

[00:13:55 - 00:13:57] Oh, Half-Life 2. It wasn't Dune 3.

[00:14:00 - 00:14:01] Distracted here.

[00:14:02 - 00:14:03] You know how they called him?

[00:14:04 - 00:14:04] How?

[00:14:06 - 00:14:07] Offering him a job.

[00:14:12 - 00:14:13] [Uncertain recognition] You're kidding.

[00:14:15 - 00:14:16] I'm not kidding, actually.

[00:14:16 - 00:14:17] No, I was not aware of that.

[00:14:19 - 00:14:20] No, listen.

[00:14:20 - 00:14:23] First off, I don't know anybody else over in the Netherlands.

[00:14:30 - 00:14:31] would be required.

[00:14:35 - 00:14:37] Yeah, I know it sounds like a good idea.

[00:00:00 - 00:00:04] Recorded. After November 11th, Goog411 will no longer be available.

[00:00:05 - 00:00:12] For more information, including other ways you can connect with local businesses from your mobile phone, go to google.com slash goog411.

[00:00:14 - 00:00:16] Say the business and the city and state.

[00:00:17 - 00:00:19] Belmont, Massachusetts.

[00:00:21 - 00:00:24] Belmont, Massachusetts. What business name or category?

[00:00:25 - 00:00:26] Data Recovery.

[00:00:28 - 00:00:29] Data Recovery.

[00:00:30 - 00:00:36] top eight results number one that boy number one that boy that recovery LLC

[00:00:36 - 00:00:41] on Belmont connect me Belmont up hold on fucking piece of shit

[00:00:41 - 00:00:54] you back yeah yeah back okay so that would be stupid because I don't know

[00:00:54 - 00:00:58] anybody else over there so I got two guys that are tech savvy

[00:01:00 - 00:01:06] that I could train in a couple, three weeks, that know the demographics of the area,

[00:01:07 - 00:01:09] know where it would be a good place to set up a shop.

[00:01:11 - 00:01:11] No.

[00:01:12 - 00:01:15] You know, Half-Life, they're an established business,

[00:01:16 - 00:01:27] and for them to do that, first off, was kind of stupid

[00:01:30 - 00:01:41] Bumped into an individual who would have been an asset because he did find flaws.

[00:01:43 - 00:01:57] So, technically speaking, offering him some sort of deal outside of an arrest

[00:02:00 - 00:02:04] Wait, I lost track of what we were talking about again after it got D.C.

[00:02:05 - 00:02:13] Like they should have offered him a deal where he couldn't work for anybody else for seven years.

[00:02:14 - 00:02:16] Oh, that's like the movie with Catch Me If You Can.

[00:02:17 - 00:02:20] And if he did, then he would go to jail.

[00:02:21 - 00:02:23] But that was kind of crazy.

[00:02:23 - 00:02:24] I'd never done that.

[00:02:30 - 00:02:31] asset away.

[00:02:31 - 00:02:33] So in other words, somebody with that skill

[00:02:33 - 00:02:37] don't care about that.

[00:02:38 - 00:02:39] They don't care about that.

[00:02:39 - 00:02:41] They want to see justice for their

[00:02:41 - 00:02:43] hard-earned money and shit.

[00:02:44 - 00:02:45] Well, how much did he lose them? Did he lose

[00:02:45 - 00:02:47] them any money? Of course.

[00:02:48 - 00:02:50] He leaked the whole

[00:02:50 - 00:02:50] game.

[00:02:51 - 00:02:53] Oh, he did?

[00:02:54 - 00:02:55] Yeah.

[00:02:57 - 00:02:57] That's a

[00:02:57 - 00:02:59] different story, man.

[00:03:00 - 00:03:03] that he just took their business away from them.

[00:03:03 - 00:03:06] That's a completely different story.

[00:03:06 - 00:03:07] All about that.

[00:03:08 - 00:03:12] No, you're talking multiple millions of dollars.

[00:03:13 - 00:03:14] Of course.

[00:03:16 - 00:03:18] He leaked a source code?

[00:03:18 - 00:03:21] He hacked and got the source code?

[00:03:24 - 00:03:25] Is that what you're saying?

[00:03:30 - 00:03:34] source code or all game i think you had the source code that you had to compile it or something

[00:03:34 - 00:03:40] you know yeah yeah you had to compile that shit back then which was fucking buggy

[00:03:40 - 00:03:47] so if if he didn't have the source code if he just had the modules it doesn't matter because the

[00:03:47 - 00:03:52] modules are the modules from the source code and if they don't have the source code because i've

[00:03:52 - 00:03:58] already talked to people about um backward engineering a couple of very old programs

[00:04:00 - 00:04:01] I said, do you have the source code?

[00:04:01 - 00:04:01] I told him no.

[00:04:01 - 00:04:03] And he said, well, if you don't have the source code,

[00:04:04 - 00:04:05] you're not going to be able to do it effectively.

[00:04:06 - 00:04:07] Well, not effectively, yeah.

[00:04:08 - 00:04:10] But other than that, yeah, it's pretty doable.

[00:04:10 - 00:04:13] It's possible.

[00:04:13 - 00:04:14] No, it's not doable.

[00:04:14 - 00:04:15] It's possible.

[00:04:15 - 00:04:16] It's like building something.

[00:04:17 - 00:04:18] It's like this.

[00:04:19 - 00:04:21] It's like taking a modular home

[00:04:21 - 00:04:29] and not having any of the architectural designs

[00:04:30 - 00:04:42] modular home and then backward, in other words, dismantling it and figuring out how to put

[00:04:42 - 00:04:43] it back together.

[00:04:43 - 00:04:52] Everything's scrambled and figuring out what went into that, what kind of wood went into

[00:04:52 - 00:04:53] it to make the wood.

[00:04:54 - 00:04:56] You know, obviously with wood, it's a visual.

[00:04:56 - 00:04:57] Yeah, I can understand that.

[00:05:00 - 00:05:05] visualization skill i can understand it when you say it's like building a house i can puzzle it

[00:05:05 - 00:05:10] together yeah like no it's not i've already asked way too many programmers without the source code

[00:05:10 - 00:05:19] if he leads to if he i know i know i know then then he deserves he deserves that because but

[00:05:19 - 00:05:27] moral but moral of the moral of the story was that the same thing happened to him and he got

[00:05:30 - 00:05:31] Dude, apples and oranges.

[00:05:32 - 00:05:36] No, this is like the miniature version.

[00:05:37 - 00:05:37] No, it's not.

[00:05:38 - 00:05:39] In a way, it is.

[00:05:41 - 00:05:44] You can say it all you want, but in a way, it is.

[00:05:44 - 00:05:46] See, the problem here is, I'll give you an example.

[00:05:47 - 00:05:50] I told people, you point me towards money, and this goes for you guys, too.

[00:05:51 - 00:05:57] Anybody points me towards money, and I get the money, they get $120,000 U.S.

[00:05:58 - 00:05:59] That boys will pay the taxes.

[00:06:00 - 00:06:03] Okay, people said, you're out of your mind.

[00:06:03 - 00:06:05] What, are you crazy?

[00:06:05 - 00:06:11] I said, no, and that's just the first installment, because three years down the road, when the

[00:06:11 - 00:06:16] business is cranking out cash, that person that pointed me towards, or people that pointed

[00:06:16 - 00:06:26] me towards that money that I secured, get another $150,000, that boy pays the taxes.

[00:06:30 - 00:06:35] for for for brokering a deal that's out there explain me the whole deal and that's it says like

[00:06:35 - 00:06:40] you'd be happy to play i you've told me that whole story before because you that's right you

[00:06:40 - 00:06:49] asked me the bottom line here that's that's that's way in above and beyond with anybody

[00:06:49 - 00:06:56] people say you're crazy you shouldn't do it i says really i says if i if i don't sweeten it like that

[00:07:00 - 00:07:07] And is it worth it down the road to pay that kind of compensation if I get the money?

[00:07:08 - 00:07:11] You wouldn't believe how many people said, no, it's not worth it.

[00:07:12 - 00:07:13] And then I try to argue with them.

[00:07:13 - 00:07:17] You're telling me it's not worth it to pay somebody that kind of cash.

[00:07:18 - 00:07:22] Even three years down the road, another installment of $150,000,

[00:07:22 - 00:07:26] after my business is making several million dollars a year,

[00:07:30 - 00:07:36] get that funding? See, I think differently than other people. Yeah, you guys were pain

[00:07:36 - 00:07:41] in the ass to begin with, but to have you in the Netherlands would be a serious asset.

[00:07:42 - 00:07:48] And you know something? I think that in time, well, first off, I think we got a reasonable

[00:07:48 - 00:07:56] affinity towards each other anyway. But aside from that, it would be more of a benefit to

[00:08:00 - 00:08:07] Because in the long run, you guys aren't going to be kids very much longer.

[00:08:08 - 00:08:12] And you're not going to think like kids very much longer.

[00:08:13 - 00:08:16] So the bottom line here is that...

[00:08:16 - 00:08:18] We're not kids anymore, man.

[00:08:18 - 00:08:20] We've passed that level a long time ago, man.

[00:08:21 - 00:08:22] Well, how old are you?

[00:08:23 - 00:08:23] I'm 20.

[00:08:24 - 00:08:25] 20.

[00:08:25 - 00:08:27] No, you're still basically a kid.

[00:08:28 - 00:08:29] I'm 52.

[00:08:30 - 00:08:30] You're basically a kid.

[00:08:31 - 00:08:33] I just turned 53 November yesterday.

[00:08:33 - 00:08:36] So you're basically still a kid.

[00:08:37 - 00:08:46] But when you get married and you have kids of your own, then life is going to completely, your whole way of thinking is going to completely change.

[00:09:00 - 00:09:04] change. The ones that don't are the ones

[00:09:04 - 00:09:08] that one, don't stay married to, wind up having a whole bunch

[00:09:08 - 00:09:12] more problems than they could even consider. But

[00:09:12 - 00:09:15] the bottom line is most do change.

[00:09:17 - 00:09:20] So even if you had a child

[00:09:20 - 00:09:24] now, you become extremely protective of that child. Your

[00:09:24 - 00:09:28] attitude towards what you did and what you do

[00:09:30 - 00:09:32] You say, oh, no, I can't smoke in the house.

[00:09:33 - 00:09:34] No, I can't do this.

[00:09:34 - 00:09:35] No, I can't smoke in the car.

[00:09:36 - 00:09:38] Everything changes.

[00:09:39 - 00:09:40] So you guys ain't staying.

[00:09:40 - 00:09:41] You guys ain't staying.

[00:09:42 - 00:09:42] You guys are changing.

[00:09:43 - 00:09:44] I mean, that's the bottom line.

[00:09:44 - 00:09:44] We all grow.

[00:09:45 - 00:09:45] We all change, period.

[00:09:46 - 00:09:48] Yeah, we had biology class.

[00:09:49 - 00:09:50] No, I'm talking about mentally.

[00:09:51 - 00:09:52] Mentally, there's different stages.

[00:09:52 - 00:09:54] The way you think changes.

[00:09:55 - 00:09:57] But we've already been that way.

[00:09:58 - 00:09:58] Yeah, no, no, no.

[00:09:58 - 00:09:59] You're 20.

[00:10:00 - 00:10:08] teenage years i mean what last year so and 21 is basically what science has determined that the

[00:10:08 - 00:10:14] body the the human body completely totally stops developing the brain is fully developed soon

[00:10:14 - 00:10:25] huh kuna's 21 soon okay there you go so bottom line is that um to have you guys over there

[00:10:30 - 00:10:34] causing an asset harm would be crazy

[00:10:34 - 00:10:37] because I would have to start from scratch.

[00:10:37 - 00:10:39] I don't have to start from scratch.

[00:10:40 - 00:10:41] You guys are already over there.

[00:10:43 - 00:10:45] And we've already had plenty of conversation.

[00:10:46 - 00:10:47] You guys already know the lay of the land.

[00:10:48 - 00:10:51] Not to mention, you are young, so you can get your friends.

[00:10:51 - 00:10:55] Your friends have a problem, or anybody that you bump into

[00:10:55 - 00:10:57] out in the real world, the working world,

[00:10:57 - 00:10:59] got a computer problem, that boy.

[00:11:00 - 00:11:05] So you'd actually be endearing a whole younger generation to dad boys.

[00:11:06 - 00:11:07] It would be brand loyalty.

[00:11:08 - 00:11:08] Who else is?

[00:11:09 - 00:11:11] Does this make sense?

[00:11:15 - 00:11:16] [Uncertain recognition] Hello?

[00:11:17 - 00:11:18] Yeah, we're here.

[00:11:18 - 00:11:20] Does this make sense to you?

[00:11:23 - 00:11:28] A little bit because it's quite a long story.

[00:11:30 - 00:11:31] yeah

[00:11:31 - 00:11:36] it makes sense in a way

[00:11:36 - 00:11:42] but yeah

[00:11:42 - 00:11:42] we're still

[00:11:42 - 00:11:48] in return for

[00:11:48 - 00:11:49] my

[00:11:49 - 00:11:51] maybe future job offering

[00:11:51 - 00:11:53] you want us to gather info

[00:11:53 - 00:11:54] for you

[00:11:54 - 00:11:56] still sounds a bit unfair

[00:12:00 - 00:12:02] [Uncertain recognition] well it's kind of like

[00:12:02 - 00:12:03] it's a gamble

[00:12:03 - 00:12:06] no it's kind of a gamble

[00:12:06 - 00:12:07] to already trust you

[00:12:07 - 00:12:08] even without giving you

[00:12:08 - 00:12:09] the information

[00:12:09 - 00:12:16] who the hell is that

[00:12:16 - 00:12:17] well of course it is

[00:12:17 - 00:12:17] of course it is

[00:12:17 - 00:12:18] life's a gamble

[00:12:18 - 00:12:20] who's with you there

[00:12:20 - 00:12:22] and why are we

[00:12:22 - 00:12:22] nobody

[00:12:22 - 00:12:23] I was looking at the phone

[00:12:23 - 00:12:24] because I got prank callers

[00:12:24 - 00:12:25] calling in on the other line

[00:12:25 - 00:12:28] you talk to yourself

[00:12:30 - 00:12:33] Uh, I said, who the hell is this?

[00:12:35 - 00:12:36] [Uncertain recognition] Uh-huh.

[00:12:37 - 00:12:37] All right.

[00:12:38 - 00:12:42] Yeah, no, it kind of sounded like you were talking to somebody that was sitting close to you.

[00:12:42 - 00:12:45] Well, you've got to quit being suspicious, because that's paranoia.

[00:12:54 - 00:12:56] I know, it's healthy paranoia.

[00:12:57 - 00:12:58] [Uncertain recognition] No.

[00:13:00 - 00:13:06] or if i sound a bit distracted because i'm fucking playing a game it's pretty important

[00:13:06 - 00:13:13] that i'm that i stay focused on the game oh okay we'll stay focused on the game what are you playing

[00:13:13 - 00:13:21] playing uh league of legends what is it legal what league of legends oh league of legends

[00:13:30 - 00:13:31] fucking teammates.

[00:13:32 - 00:13:33] Yep.

[00:13:33 - 00:13:35] I'm going to have to check that game out, but

[00:13:35 - 00:13:38] I haven't been on WoW for a long

[00:13:38 - 00:13:38] [Uncertain recognition] time.

[00:13:40 - 00:13:42] That's just about ready to change,

[00:13:42 - 00:13:43] so I'm not even interested in

[00:13:43 - 00:13:45] [Uncertain recognition] doing that. I've been playing

[00:13:45 - 00:13:47] [Uncertain recognition] Lord of the Rings lately.

[00:13:48 - 00:13:48] [Uncertain recognition] It's

[00:13:48 - 00:13:51] visually, graphically

[00:13:51 - 00:13:54] better than

[00:13:54 - 00:13:55] [Uncertain recognition] WoW, even.

[00:14:00 - 00:14:01] So, but I'll let you get to your game.

[00:14:01 - 00:14:02] We'll talk later.

[00:14:03 - 00:14:04] Tell Koon Koon, get a mic.

[00:14:05 - 00:14:06] It was a good talk.

[00:14:07 - 00:14:07] Huh?

[00:14:09 - 00:14:09] Yeah, it was.

[00:14:10 - 00:14:10] Okay.

[00:14:10 - 00:14:11] Talk to you later.

[00:00:00 - 00:00:01] Hey, Chris, it's Tom.

[00:00:04 - 00:00:04] Hey, Tom.

[00:00:05 - 00:00:06] Hey, what's up, man?

[00:00:09 - 00:00:10] Not much.

[00:00:11 - 00:00:12] Not much. No, I'm alone.

[00:00:12 - 00:00:15] Like, I'm not with Jesus or anybody else right now.

[00:00:15 - 00:00:18] I know you don't believe me, but...

[00:00:18 - 00:00:20] But, um, yeah.

[00:00:21 - 00:00:22] How's it going?

[00:00:22 - 00:00:25] Like, what's up lately, man?

[00:00:26 - 00:00:27] Well, you...

[00:00:27 - 00:00:28] First off, dude,

[00:00:30 - 00:00:34] I don't give my game plan away to the enemy, other than saying, oh, everything's great.

[00:00:36 - 00:00:40] So basically speaking, that's about going to be the gist of our conversation.

[00:00:41 - 00:00:43] So if you're fishing for information, Tom.

[00:00:44 - 00:00:46] I'm really not fishing for information.

[00:00:47 - 00:00:48] I don't need any information.

[00:00:48 - 00:00:49] I really don't care about that.

[00:00:53 - 00:00:54] Just want to talk.

[00:00:55 - 00:00:56] You don't sound like Tom.

[00:00:56 - 00:00:57] You sound like Coon.

[00:01:00 - 00:01:00] No, I'm Tom.

[00:01:02 - 00:01:05] Okay, well, every time you call, you must be drunk or something.

[00:01:05 - 00:01:11] No, it's, what, like half past three in the afternoon?

[00:01:13 - 00:01:16] I just got home from the gym and worked before night.

[00:01:17 - 00:01:17] [Uncertain recognition] Good.

[00:01:18 - 00:01:19] Yeah, man.

[00:01:19 - 00:01:21] Like I told you, I'm not a drunk anymore.

[00:01:21 - 00:01:23] I haven't been for, like, two years already.

[00:01:24 - 00:01:29] No, the last time we talked was in the beginning of 2011, and you were shitfaced.

[00:01:30 - 00:01:38] so all right it's been a while it's been a while and you know 2011 2012 yeah that would look like

[00:01:38 - 00:01:45] two years but realistically speaking i do the same thing not a big deal yeah oh well don't

[00:01:45 - 00:01:51] drink anymore so how are you doing lately just i don't i'm fishing i'm not fishing for any

[00:01:51 - 00:01:56] information or whatever tom tom you guys have you guys have caused a lot of pain and suffering

[00:02:00 - 00:02:03] whether it's me or whether it's somebody else.

[00:02:04 - 00:02:06] Energy cannot just be put out there.

[00:02:07 - 00:02:11] But you guys are young and stupid, and you don't seem to understand that yet.

[00:02:11 - 00:02:16] But life will teach you, Tom, that you can't just put out negative energy

[00:02:16 - 00:02:18] and expect to walk away from it.

[00:02:19 - 00:02:20] It's like a boomerang, dude.

[00:02:21 - 00:02:22] There's an old saying.

[00:02:23 - 00:02:28] It goes, do unto others as you would have them do unto you.

[00:02:30 - 00:02:31] which is very similar.

[00:02:32 - 00:02:34] What goes around comes around.

[00:02:35 - 00:02:36] Yeah, I got a deja vu

[00:02:36 - 00:02:39] because we had this exact same conversation

[00:02:39 - 00:02:40] a couple of years ago.

[00:02:42 - 00:02:46] You told me like what goes around comes around

[00:02:46 - 00:02:48] and do on others what you remember.

[00:02:49 - 00:02:50] Your life's already changing.

[00:02:51 - 00:02:52] I'm going to take you at your word

[00:02:52 - 00:02:53] that you quit drinking.

[00:02:53 - 00:02:54] Your life's already changing.

[00:02:55 - 00:02:59] The minute you stop inundating your brain

[00:03:00 - 00:03:02] substances, your brain

[00:03:02 - 00:03:04] is now starting to catch up to your

[00:03:04 - 00:03:06] real age, and eventually

[00:03:06 - 00:03:08] you're

[00:03:08 - 00:03:10] going to become aware

[00:03:10 - 00:03:11] of a lot of things,

[00:03:12 - 00:03:14] and you're going to say, uh-oh,

[00:03:15 - 00:03:16] what did I do?

[00:03:18 - 00:03:20] Yeah, well, like, I

[00:03:20 - 00:03:21] didn't really do anything.

[00:03:22 - 00:03:24] Well, you can believe that.

[00:03:24 - 00:03:26] You can believe that, and that's

[00:03:26 - 00:03:28] okay, because guess what, dude?

[00:03:30 - 00:03:31] realize. You can

[00:03:31 - 00:03:34] deny anything you want to deny

[00:03:34 - 00:03:35] now, and that's okay.

[00:03:36 - 00:03:37] Long story short is that

[00:03:37 - 00:03:40] you and

[00:03:40 - 00:03:41] [Uncertain recognition] Tim,

[00:03:42 - 00:03:44] [Uncertain recognition] Mark, and

[00:03:44 - 00:03:46] I hope to go on, I won't mention

[00:03:46 - 00:03:47] all the names. Long story short

[00:03:47 - 00:03:48] is that

[00:03:48 - 00:03:51] have caused a lot of pain and suffering.

[00:03:52 - 00:03:53] What have I done?

[00:03:53 - 00:03:55] Like just me personally.

[00:03:55 - 00:03:57] Just me personally. What have I done?

[00:03:58 - 00:03:59] So you guys think it's

[00:04:00 - 00:04:03] if you didn't walk up and smack somebody in the back of the head

[00:04:03 - 00:04:08] or physically steal something for somebody or go break something,

[00:04:08 - 00:04:09] then you haven't done anything.

[00:04:10 - 00:04:12] No, listen to me, Chris.

[00:04:12 - 00:04:13] Listen to me, Chris.

[00:04:13 - 00:04:15] Like, I've just talked to you.

[00:04:15 - 00:04:18] You could have hung up the phone any time you wanted.

[00:04:19 - 00:04:24] Dude, I hung up the phone for, let me see, going on three weeks,

[00:04:25 - 00:04:29] three weeks before I decided this is fucked up if I'm going out of business.

[00:04:30 - 00:04:33] I'm going to find out as much as I can about these clowns

[00:04:33 - 00:04:36] and eventually stop them from hurting other people's lives.

[00:04:36 - 00:04:37] And that's what I've been doing.

[00:04:37 - 00:04:38] And guess what, Tom?

[00:04:38 - 00:04:39] I'm out of business.

[00:04:39 - 00:04:41] Tom, I'm out of business.

[00:04:41 - 00:04:43] So I'm packing up the shop.

[00:04:43 - 00:04:47] I'm going to go elsewhere, and I'm going to continue to do my thing.

[00:04:47 - 00:04:52] My thing is make money, put up a website called Prank Stoppers, which is already up.

[00:04:53 - 00:04:55] I've already started gaining interest from that.

[00:04:55 - 00:04:58] You guys can't stop that in any way, shape, or form.

[00:05:00 - 00:05:04] Long story short, long story short is that, and you know something?

[00:05:04 - 00:05:07] Two and thirty in violation of certain ICANN regulations.

[00:05:08 - 00:05:11] So long story short is I got to buy the bars there.

[00:05:14 - 00:05:26] And when all this comes full circle, you will realize in the end that this wasn't worth it.

[00:05:26 - 00:05:29] One guy, have you heard of Justin Thorne?

[00:05:30 - 00:05:31] No, tell me about it.

[00:05:32 - 00:05:35] Type in to Google WBOC.

[00:05:37 - 00:05:38] WBOC?

[00:05:39 - 00:05:39] Yes, W.

[00:05:40 - 00:05:43] William Bravo Oscar William.

[00:05:44 - 00:05:44] WBOC.

[00:05:48 - 00:05:50] WBOC.com or what?

[00:05:50 - 00:05:52] No, no, WBOC.

[00:05:53 - 00:05:54] You should see the TV.

[00:05:54 - 00:05:56] Is it WBOC.com?

[00:06:00 - 00:06:06] U as in William, B as in Bernhardt, O as in Oscar, C as in Charlie.

[00:06:07 - 00:06:07] [Uncertain recognition] Yep.

[00:06:08 - 00:06:09] I typed that into Google.

[00:06:09 - 00:06:13] I got VBOC TV 16.

[00:06:13 - 00:06:13] There you go.

[00:06:13 - 00:06:15] Click on that link, the first link.

[00:06:15 - 00:06:16] Yeah.

[00:06:17 - 00:06:20] Now, in the search field, search box, right-hand side,

[00:06:21 - 00:06:25] three corners of the way up the page, type in Justin, J-U-S-T-I-N,

[00:06:27 - 00:06:29] Thorne, T-H-O-R-N-E.

[00:06:30 - 00:06:30] Yeah.

[00:06:32 - 00:06:33] Click enter.

[00:06:34 - 00:06:36] You see two, you see Doberman arrested.

[00:06:37 - 00:06:39] I don't see anything.

[00:06:39 - 00:06:41] Justin Thorne, knee or what?

[00:06:43 - 00:06:44] [Uncertain recognition] What do you mean here?

[00:06:45 - 00:06:50] I type in Justin Thorne and it searches on the website and it says no results.

[00:06:55 - 00:06:55] WBOC.

[00:07:00 - 00:07:07] Delmarf's news leader yep okay so I click on the first one I don't get any

[00:07:07 - 00:07:13] results Justin okay it says right there this is right there just below the below

[00:07:13 - 00:07:20] the logo on the right hand side of the ads and they're typed in Justin Thorne

[00:07:30 - 00:07:34] You're typing T-H-O-R-N-E.

[00:07:35 - 00:07:38] Oh, it didn't do TORNE, just in...

[00:07:38 - 00:07:41] No, it's TORNE, the E is silent.

[00:07:43 - 00:07:47] Doverman, the first one, harassing phone calls.

[00:07:47 - 00:07:48] Look on that one.

[00:07:48 - 00:07:49] Look on that one.

[00:07:52 - 00:07:57] Now, he'd been harassing me for, what, two years?

[00:07:58 - 00:07:58] Mm-hmm.

[00:08:00 - 00:08:05] So I eventually was able to have him arrested.

[00:08:06 - 00:08:09] You guys have been a little bit more difficult because you're across the ocean,

[00:08:10 - 00:08:14] but I've been making contacts over there over the course of some time.

[00:08:15 - 00:08:18] And, see, I tell my story, Tom, I tell people,

[00:08:18 - 00:08:21] how would you like this to happen to you, your family,

[00:08:21 - 00:08:24] or a family member's business or your business?

[00:08:24 - 00:08:26] It randomly could have happened to anybody.

[00:08:27 - 00:08:28] What did I do, Dan?

[00:08:30 - 00:08:31] What do you have on me?

[00:08:31 - 00:08:37] And, you know, I'm getting more and more support over there amongst people.

[00:08:37 - 00:08:41] My name is starting to get known over in Europe.

[00:08:42 - 00:08:44] Chris, I have a question.

[00:08:44 - 00:08:45] You didn't answer my question.

[00:08:48 - 00:08:50] I don't have to answer that question.

[00:08:51 - 00:08:52] I'm going to let you think that.

[00:08:53 - 00:08:54] No, look, look, look.

[00:08:54 - 00:08:57] What I did, I never harassed you.

[00:08:57 - 00:08:58] You could have hung up the phone.

[00:08:58 - 00:08:59] We just called you.

[00:09:00 - 00:09:06] up and talked with us for like eight hours a day, like for a really long time.

[00:09:06 - 00:09:07] How is that harassment?

[00:09:08 - 00:09:11] Dude, dude, dude, I was listening for sounds.

[00:09:11 - 00:09:12] I was picking up evidence.

[00:09:12 - 00:09:18] Long story short is that I got to know you guys, and the only way we can catch the people

[00:09:18 - 00:09:22] that are sometimes plaguing you is by getting to know them.

[00:09:22 - 00:09:24] It's getting to know your enemy.

[00:09:24 - 00:09:29] Chris, I got to call you for the first time.

[00:09:30 - 00:09:33] No, I have all the calls, so it's true of anything.

[00:09:33 - 00:09:36] Tom, Tom, Tom, calm down.

[00:09:36 - 00:09:38] First off, it doesn't matter.

[00:09:38 - 00:09:46] It doesn't matter because you can use that kind of reasoning with any adult anywhere in the world,

[00:09:46 - 00:09:49] and they're going to say to you, you're out of your mind.

[00:09:49 - 00:09:52] You're just upset because you went out of business.

[00:09:54 - 00:09:54] No.

[00:10:00 - 00:10:02] as far as I'm concerned, you're friends with them.

[00:10:02 - 00:10:03] You hang out with them. Bridge of a feather

[00:10:03 - 00:10:05] locked together.

[00:10:05 - 00:10:07] If I'm friends with a criminal, then I get

[00:10:07 - 00:10:09] arrested as well.

[00:10:10 - 00:10:11] That's not the same.

[00:10:11 - 00:10:13] I didn't order those things.

[00:10:13 - 00:10:14] But you're participating.

[00:10:15 - 00:10:17] No, no, no, no, no, no, no.

[00:10:17 - 00:10:19] If I was there to witness the act, I would have been

[00:10:19 - 00:10:21] participating, but he did that on his own.

[00:10:21 - 00:10:23] So I'm not guilty.

[00:10:24 - 00:10:26] Maybe not

[00:10:26 - 00:10:27] of that one, but you know something?

[00:10:27 - 00:10:29] It doesn't matter. We're going to let the

[00:10:30 - 00:10:31] Let's fall where they may.

[00:10:31 - 00:10:39] By the way, also, go to type in how a Los Angeles man - let me see, what did I type in?

[00:10:39 - 00:10:42] Los Angeles man arrested on prank calls.

[00:10:43 - 00:10:48] Los Angeles, a 43-year-old guy was arrested on prank calls.

[00:10:50 - 00:10:50] I'll type that in.

[00:10:50 - 00:10:51] I got him.

[00:10:51 - 00:10:54] Also, have you seen the one commentary?

[00:10:54 - 00:10:55] Commentary.

[00:10:56 - 00:10:59] And Chris the Hacker?

[00:11:00 - 00:11:01] Which one?

[00:11:02 - 00:11:04] Commentary and Chris the Hacker on YouTube?

[00:11:05 - 00:11:12] No, but I saw That Boy's Battle 2012, where he talked to Mark.

[00:11:14 - 00:11:14] [Uncertain recognition] Okay.

[00:11:14 - 00:11:17] Oh, That Boy's Battle 2012.

[00:11:19 - 00:11:22] So, anyway, people are starting to fall.

[00:11:22 - 00:11:23] They got this guy.

[00:11:23 - 00:11:28] This guy was connected to, one, the cell that you guys were connected to periodically,

[00:11:30 - 00:11:35] I've never been on that Ventrilo server.

[00:11:35 - 00:11:37] You can check every IP log.

[00:11:37 - 00:11:38] Okay.

[00:11:38 - 00:11:39] No, that's fine.

[00:11:39 - 00:11:40] It's not you.

[00:11:40 - 00:11:45] It's 666J1 has been connected a bunch of times over the course of time.

[00:11:45 - 00:11:47] Not all at once.

[00:11:47 - 00:11:49] That's all it takes is just over the course of time.

[00:11:49 - 00:11:56] And all those guys that I've got friends that have got that rent major amounts of servers over there at Ventrilo.

[00:11:56 - 00:11:59] And I've got their board as well.

[00:12:00 - 00:12:02] You know, we're just going to let the chips fall where they may.

[00:12:04 - 00:12:08] There's probably going to be about six arrests this week around the country,

[00:12:08 - 00:12:09] and it's just going to snowball.

[00:12:10 - 00:12:13] Once they're getting computers, they're going in.

[00:12:13 - 00:12:16] And this guy, Justin Thorne, they got his cell phone.

[00:12:17 - 00:12:19] They got his laptop, his PC.

[00:12:20 - 00:12:24] They took his Xbox and his PlayStation, anything that could connect to the Internet.

[00:12:24 - 00:12:27] And they're going through forensics right now.

[00:12:27 - 00:12:29] Now, in his state, check this out.

[00:12:30 - 00:12:30] Check this out.

[00:12:30 - 00:12:35] In his state, what he did was consider a classroom misdemeanor.

[00:12:35 - 00:12:36] It's not a felony.

[00:12:36 - 00:12:40] We have two kinds of laws here, felony and misdemeanor.

[00:12:40 - 00:12:42] Felony means prison time.

[00:12:42 - 00:12:45] Misdemeanor, typically speaking, doesn't mean prison time.

[00:12:45 - 00:12:46] It means jail time.

[00:12:47 - 00:12:54] So jail time can be up to two years in jail before you go to prison, before it's a prison sentence, which is basically the same thing.

[00:12:54 - 00:12:55] It's just a matter of playing with words.

[00:13:00 - 00:13:05] State Police, said that, well, if he cooperates, there's a possibility he could get maybe two

[00:13:05 - 00:13:08] months, but the $5,000 fine is definitely going to stick.

[00:13:09 - 00:13:14] So let's just say he gets two months here in Delaware.

[00:13:15 - 00:13:23] Now, he's got, after they made the arrest, within two days, 20 other jurisdictions found

[00:13:30 - 00:13:33] moves around the country, and that doesn't happen quickly.

[00:13:34 - 00:13:39] If he's going from one state to another, he can take the move, the move,

[00:13:39 - 00:13:44] and it's not part of the sentence, the move can take up to a week,

[00:13:44 - 00:13:45] sometimes as long as two.

[00:13:46 - 00:13:47] But we'll just say it takes a week.

[00:13:48 - 00:13:51] So now he's looking at 20 weeks being moved around the country.

[00:13:52 - 00:13:57] And even if he gets a month in each state with a $1,000 fine,

[00:14:00 - 00:14:01] more months with

[00:14:01 - 00:14:03] $20,000 more

[00:14:03 - 00:14:05] dollars. This is going to grow.

[00:14:06 - 00:14:07] I already talked to the detectives, and they

[00:14:07 - 00:14:09] said, yeah, he

[00:14:09 - 00:14:11] called you, because he called me. He called

[00:14:11 - 00:14:12] me looking for help.

[00:14:14 - 00:14:15] There's a warrant out for his arrest

[00:14:15 - 00:14:17] in Massachusetts. So

[00:14:17 - 00:14:20] he called me asking for his help.

[00:14:20 - 00:14:21] I said, listen, dude, you helped

[00:14:21 - 00:14:23] take down my business. You attacked my

[00:14:23 - 00:14:25] family. I said, you've got

[00:14:25 - 00:14:27] to be crazy. I said, I

[00:14:27 - 00:14:29] will talk to people. You seem like you have some

[00:14:30 - 00:14:32] any qualities to maybe lessen some charges.

[00:14:34 - 00:14:38] But as far as that's about the only help that I can give you, as far as I can tell,

[00:14:39 - 00:14:43] I'm not going to tell you're Mr. Wonderful, you're Mr. Good Guy, you've changed your ways.

[00:14:43 - 00:14:44] You just got arrested.

[00:14:45 - 00:14:47] First off, they look at me like I was a fool.

[00:14:47 - 00:14:51] Secondly, I would never lie like that.

[00:14:51 - 00:14:52] I would never lie.

[00:14:54 - 00:14:55] So the point is.

[00:14:56 - 00:14:57] You'd never lie.

[00:14:57 - 00:14:58] Wait, you'd never lie?

[00:15:00 - 00:15:00] [Uncertain recognition] You

[00:00:00 - 00:00:00] Never lie.

[00:00:04 - 00:00:08] Are you going to jump in when something, like, tickles your ear or something?

[00:00:09 - 00:00:11] Yeah, well, yeah, no, continue the story.

[00:00:11 - 00:00:11] I'm sorry.

[00:00:14 - 00:00:19] So, the bottom line here is that this is going to snowball.

[00:00:19 - 00:00:26] The detective says if he's done what you said he's done and been calling for two years or better,

[00:00:30 - 00:00:33] calling in and wanting him extradited.

[00:00:34 - 00:00:36] I said, yeah, that's a possibility.

[00:00:37 - 00:00:38] That's a possibility.

[00:00:38 - 00:00:46] I said, if he cooperates, maybe you can get those charges whittled down to maybe, you know,

[00:00:47 - 00:00:51] maybe a couple, three weeks in jail with maybe a $100 fine.

[00:00:52 - 00:00:53] He says, I don't know about that.

[00:00:53 - 00:00:55] He said, it's a $100 fine.

[00:00:55 - 00:00:56] I don't even think so.

[00:00:57 - 00:00:58] It's not like a parking ticket.

[00:01:00 - 00:01:05] speeding fine. I said, well, I understand that. I said, but just hypothetically, because if you look

[00:01:05 - 00:01:14] at $100 times 100 jurisdictions, that's $10,000 right there. I said, if you look at 100 jurisdictions

[00:01:14 - 00:01:21] times two weeks, just a simple two weeks in jail, you're looking at 200 weeks.

[00:01:21 - 00:01:26] That's 52 weeks in a year. That's almost four years in jail.

[00:01:26 - 00:01:29] Do you think that's actually going to stick?

[00:01:30 - 00:01:33] Not to mention, oh, absolutely.

[00:01:35 - 00:01:37] Do you really think that they're going to go that far?

[00:01:39 - 00:01:40] Go what far?

[00:01:41 - 00:01:46] To have everything, to have it, to, like, make and do all those sentences.

[00:01:49 - 00:01:50] You don't know this country.

[00:01:50 - 00:01:52] You don't know the people in this country.

[00:02:00 - 00:02:03] When I forwarded the FBI

[00:02:03 - 00:02:07] Kuhn's email

[00:02:07 - 00:02:09] with respect to Stuxnet

[00:02:09 - 00:02:14] you probably have no knowledge of 60 minutes

[00:02:14 - 00:02:17] Kuhn was gone

[00:02:17 - 00:02:18] for like a year

[00:02:18 - 00:02:20] he didn't make Stuxnet

[00:02:20 - 00:02:23] he didn't use Stuxnet at all

[00:02:23 - 00:02:24] Oh right, yeah

[00:02:24 - 00:02:25] he was in Malaysia

[00:02:25 - 00:02:27] No, he was in Australia

[00:02:30 - 00:02:32] In Australia, Malaysia, whatever.

[00:02:32 - 00:02:35] No, he was in Australia for a year working there.

[00:02:36 - 00:02:38] He was also in Malaysia.

[00:02:39 - 00:02:42] Yeah, he went there for like a week or two weeks or something.

[00:02:42 - 00:02:43] I don't know.

[00:02:44 - 00:02:50] So long story short, I've been tracking Tune for a long time.

[00:02:52 - 00:02:55] So I don't care where else he's been.

[00:03:00 - 00:03:04] information is, that tells me certain other information.

[00:03:05 - 00:03:06] Well, what do you need, then?

[00:03:06 - 00:03:07] What do you need?

[00:03:11 - 00:03:11] [Uncertain recognition] What?

[00:03:12 - 00:03:13] Well, what do you need?

[00:03:13 - 00:03:15] What kind of information do you need?

[00:03:18 - 00:03:21] I haven't given that thought because I wasn't expecting this phone call.

[00:03:22 - 00:03:24] But tell you what, call me back in a couple of hours.

[00:03:24 - 00:03:28] Let me get back to work here doing some e-mails, and I'll have an answer for you.

[00:03:30 - 00:03:33] Wait, you don't have some time to just talk a little bit more?

[00:03:34 - 00:03:36] No, I don't, because I'm busy.

[00:03:36 - 00:03:37] I'm going out of business.

[00:03:37 - 00:03:39] I'm packing up and doing emails right now to that.

[00:03:40 - 00:03:42] When is this line not available anymore?

[00:03:45 - 00:03:49] This line may, in fact, be available for some time.

[00:03:51 - 00:03:52] For how much time?

[00:03:52 - 00:03:53] I didn't quite catch that.

[00:03:55 - 00:03:58] For some time to come.

[00:04:00 - 00:04:08] you'll just be able to think available for some time to come that's a fan that's a that's a u.s

[00:04:08 - 00:04:17] saying it means he's probably going to be online for a little while all right anyway how are you

[00:04:17 - 00:04:22] gonna how are you going to fix it like with arresting jesus or tracking him down because

[00:04:22 - 00:04:28] the laws you have over there don't apply to jesus no but you know something this is a very similar

[00:04:30 - 00:04:34] over there that apply to the felonies he's committed over here.

[00:04:34 - 00:04:42] When he used any kind of credit card other than a real credit card to put in the $10,000 worth of merchandise,

[00:04:43 - 00:04:47] he ordered from Monster 1200, who I've already talked to the corporate owner,

[00:04:48 - 00:04:50] and he's interested in the information.

[00:04:50 - 00:04:54] Trust me, I've lost a lot of money, but I'm going to make a lot of money.

[00:05:00 - 00:05:02] in my life. I'm going to make it that way.

[00:05:02 - 00:05:03] Because you can either take

[00:05:03 - 00:05:05] a situation and do

[00:05:05 - 00:05:07] one or two things with it. Either be

[00:05:07 - 00:05:09] defeated by it, or use

[00:05:09 - 00:05:11] certain elements in it to gain

[00:05:11 - 00:05:13] an advantage over it, and

[00:05:13 - 00:05:14] then triumph.

[00:05:16 - 00:05:16] Uh-huh.

[00:05:17 - 00:05:20] But did you get any food yesterday

[00:05:20 - 00:05:21] or sent to your

[00:05:21 - 00:05:22] business?

[00:05:23 - 00:05:25] You already know I did.

[00:05:26 - 00:05:27] Wait, wait, wait.

[00:05:27 - 00:05:28] No, you did?

[00:05:30 - 00:05:39] already know i did no it got it arrived the food that wasn't here but yeah all right no like well

[00:05:39 - 00:05:48] which company was it it doesn't really matter was it gary's something like that yeah all right

[00:05:48 - 00:05:55] yeah i know i heard it from other people that they sent you food again yep well that just

[00:06:00 - 00:06:08] yeah that sucks you didn't pay for it

[00:06:08 - 00:06:12] anyway

[00:06:12 - 00:06:15] what

[00:06:15 - 00:06:20] all right man good luck i'll talk to you

[00:00:00 - 00:00:07] [Uncertain recognition] This is Tom and Coon.

[00:00:07 - 00:00:23] [Uncertain recognition] Tom and Coon here.

[00:00:23 - 00:00:27] [Uncertain recognition] Tom and Coon.

[00:00:30 - 00:00:32] Jesus 611, 66J1.

[00:00:33 - 00:00:33] Yeah.

[00:00:35 - 00:00:36] Oh, 666J1.

[00:00:37 - 00:00:37] Yeah, yeah.

[00:00:37 - 00:00:38] What's up?

[00:00:40 - 00:00:41] What's happening?

[00:00:42 - 00:00:43] Did you forget about me?

[00:00:48 - 00:00:50] Jeez, no, I haven't.

[00:00:51 - 00:00:52] Oh, all right.

[00:00:52 - 00:00:53] I almost died there, you know.

[00:00:53 - 00:00:56] Hell, I have to buy Skype credits to call you, Chris.

[00:00:56 - 00:00:57] I haven't talked to you.

[00:00:57 - 00:00:58] Yeah, what's up with that?

[00:01:00 - 00:01:04] What the fuck are you doing?

[00:01:04 - 00:01:06] Hey, when do you guys think you can get arrested?

[00:01:07 - 00:01:08] We're not getting arrested, man.

[00:01:08 - 00:01:09] Fuck it.

[00:01:09 - 00:01:10] Oh, I thought we were friends.

[00:01:11 - 00:01:12] Oh, you don't think so?

[00:01:12 - 00:01:14] I thought we were friends.

[00:01:15 - 00:01:16] What the hell is up with this?

[00:01:16 - 00:01:17] No, we've never been friends.

[00:01:17 - 00:01:19] You gotta look that shit up on the online dictionary.

[00:01:20 - 00:01:20] Why?

[00:01:20 - 00:01:21] We're not friends.

[00:01:21 - 00:01:22] You never have been friends.

[00:01:23 - 00:01:24] We never will be friends.

[00:01:24 - 00:01:26] What did we ever do to you?

[00:01:27 - 00:01:28] Yeah.

[00:01:30 - 00:01:33] Hello, guys. Yeah, I've already been in touch with the Danish police.

[00:01:35 - 00:01:36] All right, well, good luck with that.

[00:01:36 - 00:01:38] The Amsterdam police.

[00:01:39 - 00:01:40] You think it's funny?

[00:01:41 - 00:01:41] Yeah.

[00:01:44 - 00:01:46] No, but Chris, what did they say?

[00:01:49 - 00:01:50] What did they say?

[00:01:51 - 00:01:51] Yeah.

[00:01:52 - 00:01:57] I told them you were doing transatlantic internet felonies.

[00:01:57 - 00:01:58] They're very much interested.

[00:02:00 - 00:02:05] As a matter of fact, the FBI is interested, too.

[00:02:05 - 00:02:06] Oh, the FBI.

[00:02:07 - 00:02:07] Again?

[00:02:09 - 00:02:10] Not again.

[00:02:11 - 00:02:14] See, you guys don't sometimes say people are already getting arrested over here.

[00:02:15 - 00:02:15] Yeah.

[00:02:16 - 00:02:21] Chris, why did you spend so much time with us and now you're all against them?

[00:02:21 - 00:02:24] Six more guys are going down this week.

[00:02:24 - 00:02:24] Who?

[00:02:25 - 00:02:26] Who?

[00:02:30 - 00:02:32] for using a cell phone and calling 911.

[00:02:32 - 00:02:33] That's his mess up.

[00:02:33 - 00:02:35] Did you get kikoons?

[00:02:36 - 00:02:38] Hang on. I just want to know why you're angry

[00:02:38 - 00:02:38] all of a sudden.

[00:02:38 - 00:02:40] Why are you angry at us?

[00:02:40 - 00:02:42] We talked to you for like a year, every day.

[00:02:44 - 00:02:46] Yeah, well, don't you think

[00:02:46 - 00:02:47] there was some strategy behind it?

[00:02:48 - 00:02:49] Oh, man.

[00:02:49 - 00:02:51] Oh, you were gathering evidence.

[00:02:52 - 00:02:53] It was a conspiracy theory.

[00:02:53 - 00:02:54] Yeah.

[00:02:57 - 00:02:58] No, no, no, no.

[00:02:58 - 00:02:59] I'm hearing it now.

[00:03:00 - 00:03:06] Dysfunctional people say, sounds like you're talking to your dad or your mom.

[00:03:06 - 00:03:06] What did you say?

[00:03:07 - 00:03:08] And you heard him.

[00:03:08 - 00:03:12] No, it's because the microphone spazzed out.

[00:03:12 - 00:03:12] Calm down.

[00:03:13 - 00:03:14] Yeah, it's better.

[00:03:14 - 00:03:14] [Uncertain recognition] Alright.

[00:03:16 - 00:03:17] Hello, Chris.

[00:03:18 - 00:03:19] So, what's up?

[00:03:21 - 00:03:22] We have to be friends again.

[00:03:22 - 00:03:23] You're like a fucking whack.

[00:03:23 - 00:03:24] What's up?

[00:03:24 - 00:03:26] That's a stupid fucking question.

[00:03:26 - 00:03:27] Are you mentally retarded?

[00:03:28 - 00:03:29] Wow.

[00:03:30 - 00:03:32] We weren't that hostile to you.

[00:03:32 - 00:03:32] What happened?

[00:03:35 - 00:03:36] Chris.

[00:03:36 - 00:03:38] You guys are ignorant.

[00:03:38 - 00:03:39] You're like wasting your time, don't you?

[00:03:41 - 00:03:43] Come on, Chris.

[00:03:44 - 00:03:46] What? Seriously, talk to us.

[00:03:46 - 00:03:47] Just a couple of minutes.

[00:03:49 - 00:03:50] No, I'm not going to.

[00:03:50 - 00:03:51] Why not?

[00:03:51 - 00:03:52] I'm not going to.

[00:03:53 - 00:03:55] Not even another 30 seconds.

[00:03:56 - 00:03:56] Why not?

[00:04:00 - 00:04:11] what's up chris why don't you want to talk to us what time is it it's uh five past four

[00:04:11 - 00:04:18] oh you don't know whether that's a what you don't know whether that's a.m or p.m

[00:04:30 - 00:04:39] so angry at us right now chris you gotta be kidding me no seriously like what did we do

[00:04:39 - 00:04:46] i mean sure all the other prank callers but what the fuck did we do you gotta be kidding me

[00:04:46 - 00:04:50] hey cool you remember you remember ordering thousands of dollars worth of merchandise for

[00:04:50 - 00:04:58] me yeah it's pretty fun yeah pretty fun yeah let's do it again yeah i was thinking about that

[00:05:00 - 00:05:00] you've been acting

[00:05:00 - 00:05:01] like such an asshole.

[00:05:01 - 00:05:02] Yeah.

[00:05:03 - 00:05:03] Yeah.

[00:05:04 - 00:05:04] Yeah.

[00:05:05 - 00:05:06] You're stupid,

[00:05:06 - 00:05:06] so why don't you

[00:05:06 - 00:05:07] go ahead and do it?

[00:05:08 - 00:05:09] Yeah, of course.

[00:05:09 - 00:05:10] That's no problem.

[00:05:10 - 00:05:11] We've done it before.

[00:05:11 - 00:05:11] I mean, we're not

[00:05:11 - 00:05:12] going to get caught

[00:05:12 - 00:05:13] or anything, so

[00:05:13 - 00:05:13] don't worry.

[00:05:15 - 00:05:16] I think you're

[00:05:16 - 00:05:17] invincible, don't you?

[00:05:18 - 00:05:20] Yeah, I actually do.

[00:05:20 - 00:05:21] Yeah, I know you do.

[00:05:22 - 00:05:22] That's great.

[00:05:23 - 00:05:24] Because nobody's

[00:05:24 - 00:05:24] invincible.

[00:05:25 - 00:05:26] Nobody's going to hurt us,

[00:05:26 - 00:05:26] [Uncertain recognition] you know.

[00:05:26 - 00:05:27] We can just do

[00:05:27 - 00:05:28] whatever we want.

[00:05:28 - 00:05:29] I mean, in the caves

[00:05:29 - 00:05:29] for so many years

[00:05:30 - 00:05:30] I was like, I got a chance.

[00:05:32 - 00:05:33] You think you can do whatever you want?

[00:05:34 - 00:05:34] I know.

[00:05:35 - 00:05:35] I mean, I've been doing it.

[00:05:37 - 00:05:40] Yeah, I know you've been doing it because nobody's been challenging you on it.

[00:05:40 - 00:05:42] But you bumped into me, Coon.

[00:05:42 - 00:05:43] And guess what?

[00:05:43 - 00:05:44] I haven't let it go.

[00:05:44 - 00:05:46] I'm not letting it go.

[00:05:46 - 00:05:49] I'm going to get you or I'm going to sue your parents.

[00:05:50 - 00:05:57] Because at one point, if not still the case, you lived in your parents' home.

[00:05:57 - 00:05:59] This is not America, Chris.

[00:06:00 - 00:06:02] Guess what? You want to make a bet?

[00:06:03 - 00:06:04] It's not America.

[00:06:04 - 00:06:06] Who cares? But you've got laws

[00:06:06 - 00:06:08] over there that I've been learning the last

[00:06:08 - 00:06:09] three years.

[00:06:09 - 00:06:10] And guess what, dude?

[00:06:11 - 00:06:13] I'm going to be able to maneuver through your laws

[00:06:13 - 00:06:16] like a knife through a butter.

[00:06:18 - 00:06:19] What does my parents have to do with it?

[00:06:22 - 00:06:24] I've already found attorneys over there

[00:06:24 - 00:06:26] that are very much interested.

[00:06:26 - 00:06:28] Oh, yeah. Wait. What are their names?

[00:06:28 - 00:06:29] What are their names?

[00:06:30 - 00:06:33] Very much interested in this case, gentlemen.

[00:06:33 - 00:06:37] Hey, Chris, it's like the time you knew where we lived, and you wouldn't want to tell us.

[00:06:37 - 00:06:39] You didn't want to tell us where we lived.

[00:06:41 - 00:06:43] Yeah, I know where you lived, too, and I got pictures of your house.

[00:06:44 - 00:06:44] Oh, yeah.

[00:06:45 - 00:06:45] Mm-hmm.

[00:06:47 - 00:06:48] Why don't you stop in for coffee?

[00:06:49 - 00:06:51] Oh, I will when I get over there.

[00:06:52 - 00:06:52] All right.

[00:06:53 - 00:06:55] Did you visit Amsterdam already, or what?

[00:06:56 - 00:06:57] Yeah, we were going to hang out.

[00:06:57 - 00:06:57] Yeah.

[00:07:00 - 00:07:04] By the way, I already got a video of Kuhn.

[00:07:06 - 00:07:07] What?

[00:07:07 - 00:07:09] He says he got a video of you.

[00:07:09 - 00:07:11] How did you get that then?

[00:07:11 - 00:07:14] Oh, probably on my YouTube or something.

[00:07:14 - 00:07:16] No, but you put that on private, right?

[00:07:16 - 00:07:18] I don't think so.

[00:07:18 - 00:07:20] It doesn't matter. I got it.

[00:07:20 - 00:07:23] Alright, what are you going to do with that?

[00:07:23 - 00:07:26] Going to run it through to face recognition from the FBI or what?

[00:07:30 - 00:07:31] now I know who I'm looking

[00:07:31 - 00:07:34] now I know who it is

[00:07:34 - 00:07:36] yeah

[00:07:36 - 00:07:38] now it's not an anonymous

[00:07:38 - 00:07:39] situation

[00:07:39 - 00:07:42] I can send you a picture of me

[00:07:42 - 00:07:44] you ain't got the balls

[00:07:44 - 00:07:46] you ain't got the balls

[00:07:46 - 00:07:49] dude

[00:07:49 - 00:07:52] what do you guys

[00:07:52 - 00:07:53] call fags over there?

[00:07:53 - 00:07:55] lollies or something like that?

[00:07:55 - 00:07:56] hey homos

[00:07:56 - 00:07:59] lollies are like candies

[00:08:00 - 00:08:03] The fuck was it again?

[00:08:04 - 00:08:06] Seriously, I don't understand why you're so angry.

[00:08:06 - 00:08:07] [Uncertain recognition] Yeah.

[00:08:08 - 00:08:10] Like, why the fuck? You're not angry at me, right?

[00:08:11 - 00:08:12] Chris?

[00:08:13 - 00:08:15] Tom, are you still an alcoholic?

[00:08:16 - 00:08:20] No, actually, I haven't done drugs in years.

[00:08:20 - 00:08:21] I haven't drank.

[00:08:22 - 00:08:23] Oh, wait a minute, wait a minute, in years?

[00:08:24 - 00:08:24] What's yours?

[00:08:30 - 00:08:32] So what's your idea of years?

[00:08:32 - 00:08:35] No, I'm just talking about drugs.

[00:08:35 - 00:08:36] Like, I've been drinking.

[00:08:36 - 00:08:37] Oh, drugs.

[00:08:37 - 00:08:38] Drugs.

[00:08:38 - 00:08:40] You don't consider alcohol a drug, do you?

[00:08:40 - 00:08:42] No, it's more like a lifestyle.

[00:08:42 - 00:08:44] Well, Chris, what does it matter if he drinks or not?

[00:08:44 - 00:08:45] You feel a nice person, right?

[00:09:02 - 00:09:03] But you know something?

[00:09:04 - 00:09:06] It didn't matter because I didn't believe it anyway.

[00:09:06 - 00:09:09] Whether it's the truth or not, it's buried someplace anyway.

[00:09:09 - 00:09:10] It doesn't matter.

[00:09:12 - 00:09:14] Yeah, but what does that have to do with me?

[00:09:14 - 00:09:15] Like, why do you hate me now?

[00:09:15 - 00:09:16] Yeah, he's a good person.

[00:09:18 - 00:09:19] No, he's not. You said so yourself.

[00:09:22 - 00:09:23] What? Like, okay.
